

Mr Nian 631

[Chapter 631](#)

631 An 18-year-old genius girl (1)

Ning Qing trembled again, and her eyes were in a mess.

Gu nanzhi heaved a sigh of relief. don't think too much about it. He specially brought people to participate in the competition this time. It's said that the Nian corporation's confidential information was leaked, which led to some problems in operations. He spent a lot of effort before he managed to recover.

Now that their higher-ups have decided to vigorously develop the jewelry market, if he can make a name for himself in this national competition, his reputation will be corrected a lot, and it will also lay a good foundation for him to develop this market."

Ning Qing was in a daze for a moment, and her eyes darkened.

I've heard that the Nian family is taking this competition very seriously. Look at the person beside him.

Following Gu nanzhi's gaze, he saw that the woman looked well-behaved and was standing beside him, looking like a little bird.

Gu nanzhi narrowed her eyes. from what I know, that woman's name is Ruan Yi. She's a new and unique designer in the country. She's famous for her national style. She's only 18 years old, but she's already won many awards. She's known as the genius girl in the jewelry industry. I don't know what Nian lie did to get her.

"....."

I've seen her designs. The style is full of charm and artistic conception. It doesn't look like it's made by a child at all. She's a very strong opponent. Hey, look carefully. he turned to look at her and saw that ning Qing was in a daze. He didn't know where her mind had gone.

Gu nanzhi's heart sank. ning Qing.

She looked back, and there was an obvious panic in her eyes.

Gu nanzhi was expressionless. what are you thinking about? "

Ning Qing felt guilty. no, Zhenzhen, No.

The silence dispersed.

"Are you so absent-minded because you saw him coming?" the man suddenly sneered.

Ning Qing's pupils shrank. of course not!

Gu nanzhi was furious. you've been abnormal since he appeared. If he can affect you just by standing there, are you going to give the championship to someone else? "

"....."

Ning Qing's face turned even paler.

Gu nanzhi's voice was slightly loud, attracting many people's attention.

That included Nian lie and Ruan Yi.

Ning Qing felt the man's cold and indifferent gaze on her. She put down the paper cup in a panic and stood up to hold Gu nanzhi's hand. Tiny, let's go back first.

He was very disappointed by her cowering posture.

He grabbed her and pulled her to the corner, then stared at her coldly. are you going to give up? answer me, ning Qing.

The woman's lips turned pale, and her eyes dimmed and flickered.

"Isn't it!"

Ning Qing tried her best to ignore the fear in her heart and the figure that occupied her mind. no!

"Since he isn't, no matter who he is, don't panic and don't panic."

Gu nanzhi held her arms and wanted her to look at him.

"You can do it: : he encouraged her firmly: " don't be affected by anyone."

"....."

The woman clenched her fists and tried her best to control her fear. okay.

Her condition was stable. Gu nanzhi let go of her. let's go back. Your parents are probably waiting anxiously.

Ning Qing nodded a few times, and the two of them walked towards the elevator.

For a moment, the two of them were in a bad mood.

The elevator door closed, but it did not go down.

Ning Qing looked at the row of numbers and the door opened again.

The man with the cold aura stepped in with the petite woman.

The bodyguards took a few glances inside. Two of them walked in, and the rest waited outside.

The man's figure was tall to begin with, and now that he was squeezed in, the entire space became narrow and cramped, making it hard for one to breathe.

[Chapter 632](#)

632 Don't deal with shady people (1:

Ning Qing's body had been so stiff that she couldn't move from the moment Nian lie had entered.

Gu Nanxi was in the corner. She wanted to go over, but a bodyguard blocked her way.

The elevator door closed and slowly descended.

“.....”

The woman in front of her was really small and petite. She was half a head shorter than her, and her aura was not fierce. From the back, she looked like a considerate and lovely girl-next-door.

Suddenly, the woman turned around and faced her.

Ning Qing was surprised. Ruan Yi smiled, revealing the two dimples on her cheeks. you’re Ning, right? ”

Everyone in the elevator looked at her because of what she said.

Nian Xi’s gaze landed on her face.

Ning Qing’s back turned cold and she couldn’t squeeze out a suitable expression. it’s me.

“Hello, I’m Ruan Yi.”

The woman extended a friendly hand to her, and there was no scheming on her innocent face.

I’ve seen your work before. I think it’s very personal, so I’ve been wanting to get to know you for a long time. It’s really fate to meet you today.

“.....”

Ning Qing was a little embarrassed, but she quickly calmed herself down. Under everyone’s gaze, she reached out and shook hands with her.

“It’s my honor.”

The woman’s eyes were bright and black, like two black grapes, big and pure. can I add your contact information? ”

This sudden sentence made ning Qing’s thoughts stop.

Ruan Yi blinked and smiled sweetly. a competition is a competition. Although everyone in the competition is a competitor, it doesn’t stop me from being friends with you. I wonder if that’s possible.

The woman’s tone was very sincere, with a hint of coquettishness. Ning Qing believed that no one would be able to refuse her question.

At least, he looked sincere.

She could not refuse. sure.

He took out his phone from his pocket.

Ruan Yi was overjoyed, but she turned around and reached out to the cold man.

“My phone. Give it to me,” she said with her head tilted.

“.....”

Ning Qing was stunned for a moment. The man's well-defined fingers reached into his coat pocket and took out a phone. There were a few cartoon bunnies on the pink phone case, which did not match him at all.

Ruan Yi took the phone and opened it.

A man's voice that could freeze someone to death came from above her.

"Don't deal with shady people,"

Ning Qing's body instantly stiffened.

The elevator fell into an awkward silence.

Gu nanzhi raised her head and glared at him. Nian lie! What do you mean by this?!

Nian lie's expression was indifferent. He glanced at him as if he was doing him a favor, but he didn't explain.

Ruan Yi chuckled. I'm sorry, " she said apologetically. he has a sharp tongue, but he doesn't mean any harm.

She leaned closer to ning Qing. don't mind her.

Ning Qing forced a smile. Ruan Yi seized the moment and exchanged contact information with her. Before they could say anything, the elevator door opened.

A hand grabbed Ruan Yi's wrist and pulled her out without hesitation, as if she was trying to avoid something dirty.

Ruan Yi was a little embarrassed. I'll ask you out when I have time. Goodbye! she said to ning Qing.

"....."

Ning Qing stood at the entrance of the electric ladder, her feet rooted to the ground as she watched the group of people walk further and further away.

Gu nanzhi glared at them in disdain and placed a hand on her shoulder. I'm so unlucky. This man doesn't know how to be merciful with his words. It's no wonder no one wants him!

Ning Qing thought of him holding Ruan Yi's hand. No matter how she looked at it, it didn't seem like no one wanted it.

That's right.

With his qualifications, he could have any woman he wanted. He had wasted so much time on her, and now he finally realized that he should stay away from her.

Gu nanzhi was afraid that she would be angry. let's not lower ourselves to their level. Let's go home.

The two of them walked into the underground parking lot with their arms around each other's shoulders. Their postures were familiar and intimate.

In the corner, in a black RV, a pair of eyes were watching the two of them.

[Chapter 633](#)

633 Lou qingyue, what are you doing?: 1:

“Miss, this is her registration information.”

The man in the front seat handed over a tablet, and the woman stretched out her red manicure hand. Her soft and charming eyes drooped down, and her short hair also slid down from her ears, half covering her stunning face.

The screen glowed, occasionally reflecting on the red nails, shining in the dark car, mysterious and eerie.

Her fingers slid across the screen, and when she saw a picture, her eyes showed her interest.

“Interesting.”

The man turned his head. miss, do you want to go back first? the second Madam has been waiting for you.

“Then let her wait: : the woman threw away the tablet and said casually.

The man was a little flustered. He had long known that this young lady of his was not easy to serve. After returning from abroad for three years, he felt that her temper had become even weirder.

It was no wonder that none of them were willing to come when he mentioned picking her up.

He held back his trembling heart. second Madam told me this morning that as long as you came back, you should immediately go back to see her, Hanhan.

The woman’s eyes opened, and her coldness flew over like a knife. The man immediately shut his mouth.

She leaned against the back seat and crossed her arms in front of her chest. Her posture was cold and arrogant. alright, then let’s go back.

The man immediately did as he was told.

The driver drove the car nervously, afraid that any movement would disturb the woman in the back seat.

Fortunately, there was no danger along the way and they arrived at the mountain Gate safely.

After a series of checks, the vehicle was allowed to pass.

The black limousine followed the winding road, went up the mountain forest, and finally stopped in front of the magnificent and ancient duplex Manor.

The chauffeur got out of the car and opened the door for the woman. He was respectful and fearful. miss, please get out of the car.

Lou qingyue, who was wearing ten-centimeter high heels, looked at the manor that she had not seen for a long time. Her eyes were blurred.

There was fog in the mountains, and it was winter, so it was cold.

However, the woman's calves were bare, and she wore a tight-fitting short skirt on the inside. She was wearing a limited-edition coat from a certain big brand, as if she didn't know the cold.

Her rosy lips curled up. I haven't been back for a long time. You haven't changed at all.

"Miss, you haven't changed much. You're still as beautiful as ever," the man said with a flattering smile.

Lou qingyue looked at him from the corner of her eyes and put her hand on his shoulder.

The man's body instantly froze, and he didn't dare to move.

Her eyes were full of love, and her every move was full of charm.

"What did you just call me?"

The corners of the man's eyes twitched as he looked at the woman's gentle and smiling face that was close to him. miss little Yingluo? "

Lou qingyue's smile widened. miss? "

The man sensed danger, but he didn't know what he had said wrong. He looked at her in panic.

The smile on the woman's face suddenly disappeared, replaced by a cold expression. She kicked his calf, and he knelt down in pain.

Lou qingyue looked down at her as if she was looking at a lowly person. before she came back, you all called me young miss. Now that she's back, I'm a young miss? "

The man knelt on the ground and shook his head in fear. miss, miss, miss, miss, I know I was wrong!

Lou qingyue's eyes were filled with anger, and her words were full of unwillingness.

"In the three years that I wasn't here, she has taught you guys well."

In terms of age, she was clearly the only one who could bear the title of " young miss, " but that woman had bribed all the servants and subordinates while she was not around.

"Young miss, I was wrong! Please don't punish me by sending me to the solitary room, I'm sorry, Yingluo!"

She didn't care about her image at all and stepped on the man's back with one foot. She felt great when she saw him bend down in humiliation and beg for mercy on the ground without any self-respect.

"Tell me, how much did she give you?" she asked.

Before the man could answer, she heard footsteps behind her.

The woman coldly called out her name. Lou qingyue, what are you doing? "

[Chapter 634](#)

634 Preparing for the National League (1:

Lou qingyue's back was facing her. Her twisted face gradually recovered and was replaced with a beautiful smile.

"I was wondering who it was. So it's you, sister. You came so quickly. Are you here to welcome me?"

Even though she said that, she did not turn around, as if she looked down on the woman behind her.

Lou Si's face was expressionless as she stared at Mo Tiange's back.

Lou Qingyue was used to being ignored by her and answered her question.

This person was rude to me. I could tell that my sister had neglected her discipline, so I taught him a few words on your behalf.

Lou Si's gaze slowly lowered and landed on Mo Tiange's calf.

It's my business whether I've neglected my discipline. It's up to me to decide. You overstepped your authority and punished my people. Haven't you been abroad enough?"

Lou Qingyue's beautiful eyes glared at her. Lou Si, you're teasing me.

The second mistress has been burning incense in the ancestral hall for the past few years to pray for you. I hope you don't rush to challenge my bottom line the moment you come back.

Lou Qingyue gritted her teeth in anger and then laughed.

How could I? You've done a lot for the Lou family over the years. How could I dare to make you unhappy?"

After she finished speaking, she left the man's back.

Lou Si's expression didn't change, "I heard that second Madam is still waiting for you. There's no need to say anything else.

Lou Qingyue stroked her short hair. A strange blue color appeared in her eyes. Okay, I'll go and pay my respects to my mother.

As she walked past her, her face suddenly turned cold.

Lou Si closed her eyes and rested for a moment before looking at the person on the ground, "Are you alright?"

The man was so scared that his legs turned to jelly, and his forehead was covered in cold sweat. Thank you, Wanwan, thank you, young miss!

She had heard the conversation between the two just now, but in the face of fear, some words did not allow him to think.

She didn't blame him and only said, "If there's nothing else, you can go down."

"Yes!" The man got up with difficulty and staggered away.

When Lou Si turned around, the woman's lithe figure had already disappeared.

She thought of the news she had just heard and frowned.

Lou Qingyue's anger rose as she walked. She searched for the person and walked into the ancestral hall.

In the ancestral hall, a woman knelt in the middle. She was wearing a fur coat and her eyes were closed. Her face was well-maintained, and she must have been a stunning beauty when she was young.

When Lou qingyue barged into the ancestral hall, she was paying her respects.

Hearing her hurried footsteps, he knew that she was angry.

"This Lou si really thinks too highly of herself as the clan head! I'm just punishing a servant, don't I have the right to do that?"

"Qingyue," the woman said without opening her eyes.

Lou qingyue glanced at her and stopped talking. She controlled her anger and stood obediently at the side. mother.

The woman she had called mother was Lou si. She was Lou qingyue's mother, the second Madam of the influential Lou family in the capital, and the younger sister of the head of the family, Lou LAN.

She opened her eyes, and her dark and bright eyes did not look like those of her age.

Lou qingyue respectfully and obediently placed her palm on Lou qianxue's. After three bows, Lou qingyue saw that she was about to get up. She walked forward and held her hand.

"How have you been these three years overseas?"

Lou qingyue nodded. I'm alright.

Lou si nodded her head and turned to look at her, " my daughter is becoming more and more beautiful.

Lou qingyue's face didn't show any joy from being praised. Instead, she was very cautious. it's mother who gave me this appearance. You're more beautiful than me.

Lou si laughed, " you've become sweeter.

She was cautious and smiled in agreement.

"What plans do you have after coming back?" Lou si asked as the two of them walked around.

Lou qingyue glanced around. mother, I haven't slacked off for the past three years. I've been studying jewelry seriously. I'm ready to participate in the National competition.

[Chapter 635](#)

635 Ning Qing, how did you run away?

"Oh?" Lou si cast a sidelong glance and smiled, " it seems like you're very confident.

of course, I'm already prepared. The champion will be me. Lou qingyue made a solemn vow, and her eyes revealed a determined light.

Lou si nodded her head in satisfaction, " as a member of the Lou family, participating in such a competition will definitely attract the attention of society.

Lou qingyue knew that she had given her permission. don't worry, " she promised. I won't let the Lou family lose face.

The two of them went around the corridor and there was a lotus pond in front of them. Not far away, there were long and Misty Mountains, as if they had stepped into a Fairyland.

Lou qingyue suddenly thought of something. Oh right, mother, she will also be participating in the competition this time.

Lou Si's face froze, " Are you sure? "

"Yes, I've already gotten her registration information."

The look in the woman's eyes gradually became shrewder, and there was an indescribable fierceness.

"Have you thought of a way to deal with her?"

Lou qingyue said, " I've already looked through all of her past designs. Moreover, her registration form is in my hands. I can get someone to make some preparations and let her be passed during the preliminary selection.

"Are you really planning to do that?" Lou si asked nonchalantly as she stopped in her tracks.

It wasn't that she didn't care about her, but she knew her daughter well enough.

She was proud and confident that no one could surpass her. She preferred to stand at a high place and suppress others. While watching them struggle desperately, she would give them a head-on blow.

Her daughter liked it that way.

Sure enough, the young woman beside him revealed her arrogance and pride. Her rose-colored lips curled up slightly. of course not. How can you enjoy it like this? "

She just wanted to go against that woman. It would be best if she could stomp her to death in the final round, and never be able to rise again!

Lou si could read her thoughts from her eyes and didn't agree or disagree with her.

Her fingers fiddled with the huge flower bud at the side, and a soft petal fell from her fingertips and fell into the mud.

She indifferently brushed off this matter. the master is out. Pay attention to his movements and wait for her to come back. Go and greet her.

Lou qingyue's eyes lit up. understood.

qingyue, no matter what you do, you have to control your emotions. You must not get angry. If you knew this would happen: you would have to be patient. Lou si reminded her.

The woman lowered her head and was as obedient as a child.

"Your daughter has learned her lesson."

—

“You want to run? Ning Qing, how are you going to run away?”

The man’s sinister words exploded in her ears. His hands were like shackles, locking her body tightly. His usually cold face was twisted with madness.

Ning Qing felt like she was dreaming. She was drenched in sweat and kept shaking her head. how could I, Huahua? let me go, Nian lie! Haven’t I done enough? why won’t you let me go?”

The man’s eyes were bloodshot, and every word was forced out of his teeth.

“Don’t. Think. About. It!”

“.....”

even if I become a ghost, I will still pester you. In this life, other than me, there will not be a second man by your side!

He shouted, his warm breath blowing on her face, causing goosebumps to appear.

“Even if you die, you can only die by my side!”

Ning Qing couldn’t tell reality from her dream. She was gripped by powerlessness and despair, and her breathing was difficult. no, no, no!

Nian lie’s face slowly turned into the ugliest and fiercest malicious spirit in her memory. He lowered his head and sucked on her lips, starting to bite them viciously.

Ning Qing cried so hard that she was almost out of breath. Her hands kept struggling, pushing, and slapping, but it was to no avail.

[Chapter 636](#)

636 Had: nightmare (1:

“Ning?Ning! Wake up!”

The slap on her face was clear. Ning Qing suddenly opened her eyes as if she was drowning, and her upper body jerked up.

Huchi-huchi-

Gu nanzhi’s worried face was right in front of him. what’s wrong with you? Did you have a nightmare?”

Ning Qing’s eyes were empty and out of focus, but the fear lingered in her mind for a long time.

Gu nanzhi’s heart ached when she saw how Haggard she looked.

He gently hugged her, afraid of waking her up. At an appropriate distance, he patted her back and comforted her. baby, it’s okay now. It’s just a dream.

Ning Qing’s face was covered in sweat and tears. Her face was pale, and her body was moving up and down with her heavy breathing.

After about five minutes, she gradually calmed down.

She pushed Gu nanzhi away and held her forehead. sorry.

Gu nanzhi frowned. what's wrong? are you too tired these past two days? "

Ning Qing still felt a lingering fear when she thought of the scene in her dream.

She covered her face and shook her head. maybe. I'm just a little too tired.

Gu nanzhi glanced at the computer she had placed at the side. He had seen it just now. The page was still on the competition system and the videos recorded over the years.

He knew that she had made up her mind, but it was a little too much to fight so hard.

what's the matter? " ning Qing did not see his hesitation. She let go of him and asked, " is there something you want to talk to me about? "

Gu nanzhi could only put her comforting words to the back of her mind. She said, " I saw someone on the internet who received the news of being shortlisted for the preliminary auditions. I wanted to come in and ask you.

Who knew that they would see such a scene?

His eyes were a little dark. Ning, have you been like this these days? "

Ning Qing was stunned. no, only today.

She had always been in poor health, and her face was always gloomy. He could not tell if she was being troubled by nightmares, nor did he know if she was lying.

Compared to all this, he was more interested in knowing what she had dreamed of.

"Who did you dream of?" the man asked sternly:

Ning Qing stroked the wet hair by her ear. no one.

"If there's no one else, why are you crying like this?" Of course, Gu nanzhi did not believe him. is it him? " she asked with a straight face.

The corners of ning Qing's mouth curled up. He got the answer from her dull reaction.

The man stood up in anger and clenched his fists. this bastard won't let you off even in your dreams!

"

Ning Qing looked at the angry man and gave him a bitter smile.

&Nbsp; yeah.

It was fine that she could see him everywhere.

Even when she was asleep, he would enter her dreams and disturb her.

Was he going to prove what he had said, " never let her go "?

The more she thought about it, the more upset she felt. She decided to stop thinking about it. She picked up her phone and opened the screen. She had not received a new message.

"Tiny, I've received a message!"

That one sentence stopped the man's angry scolding.

"Really?"

"Yes." Ning Qing handed him her phone. He took a look and saw that it was indeed news of her passing the audition.

Gu nanzhi's anger subsided a little after hearing the good news, but his mouth was still unforgiving.

"Passing the preliminary auditions is the first step, not winning the championship. What are you so happy about?"

Ning Qing laughed. aren't you happy too? "

He widened his eyes. when did I? I'm not such a shallow person."

Ning Qing was too lazy to argue with him. yes, I'm shallow.

As soon as he finished speaking, another message popped up.

Gu nanzhi's eyes narrowed. The message said-

I'm back. Let's meet now if we have time.

The name was Tina.

[Chapter 637](#)

637 Little young master Gu has done the right thing (1:

There was a look of ridicule in his eyes. Ning Qing snatched the phone and her eyes lit up.

Gu nanzhi was immediately jealous. why are you so agitated? "

She jumped down from the bed and instantly regained her energy. I have something to do. I have to go out for a while!

She didn't look like she had just cried.

He hurriedly stopped her. didn't you see the message that the second match is in three days? why are you running out instead of studying your opponent? "

"I'm going to meet an important friend,"

After saying this, ning Qing finally remembered that they knew each other.

I haven't seen Tina in a long time, " she said. my parents wanted to see her, but she didn't want to, so I had to go by myself.

Gu nanzhi could not be bothered to listen to her nagging. what Tina? the most important thing for you now is the competition!

"The competition hasn't even started, there's no point in being anxious."

She smiled faintly, and her gloominess was swept away.

Even though her hair was in a mess and her expression wasn't too good, her every frown and smile still touched Gu nanzhi's heart.

Ning Qing patted his chest and pushed him aside. I'm going to take a shower. You don't have to wait for me tonight.

After that, she went into the bathroom.

When Gu nanzhi regained her senses, the woman was no longer by her side.

He grabbed his golden hair in frustration and pulled it hard. He cursed himself for being bewitched by her beauty and shouted at the bathroom, "are you out of your mind? you actually don't want to come back tonight?" "Do you believe I'll tell your dad Yingluo?"

The bathroom door suddenly opened and a head popped out.

His words were stuck in his throat.

"Tiny, please don't make such a big fuss. You're the one who often stays out all night, not me,"

Gu nanzhi choked. stupid girl, what do you mean? When did I stay out all night?"

"In America, and often."

"I did that on purpose to anger the old man!"

"Maybe,"

"....."

&Nbsp; okay.

In a battle of words, he had actually lost to this woman of few words.

The man cursed a few times and left the room.

Hearing the door close, ning Qing replied to Tina's message. She quickly finished her bath, put on her long boots and coat, and was about to go out.

When she went out, she was stopped by Gu nanzhi, who insisted that she bring a scarf and an umbrella. She said that he had seen the weather forecast and it would rain.

Ning Qing looked at the bright sky and was too lazy to argue with him. She stuffed it into her bag and left the villa in a hurry.

Gu nanzhi looked at her back and remembered the message. She sneered in disdain.

"That damned scammer!"

He had returned to the country long ago, but he only told her now. Only she would believe him.

The most infuriating thing was that he couldn't tell ning Qing.

He had an agreement with Tina, so he couldn't interfere in their relationship.

Hence, he could only watch as she was 'deceived'.

On the other end, Tina told ning Qing that she had just returned and was staying at a five-star hotel, so she arranged to meet her there.

Because she was not familiar with the capital, ning Qing did not find the right place.

Moreover, bad luck would come one after another. As soon as she stepped out of the taxi, she realized that something was wrong with the hotel, and when she turned back, the car was already occupied.

He had no choice but to wait by the roadside for ten minutes. The capital city was indeed the capital city. It was the peak hour after work, and there was not a single empty car. The road was also blocked.

Ning Qing navigated and found that the hotel was only about 500 meters away from her. She was ready to walk there.

Tina had called her and asked if she wanted to pick her up, but she had rejected and said that she would be there in ten minutes.

The call ended, and winter rain came.

"Young master Gu, you've done the right thing." Ning Qing looked at the gloomy sky and laughed.

[Chapter 638](#)

638 Meeting: strange man again (1:

She took out an umbrella from her bag and opened it. The rain got heavier.

The pedestrians ran, and the cold wind blew, as if it was going to kill them.

Ning Qing wrapped the thick scarf around her neck. She lowered her small face and buried it in the scarf, only revealing her eyes.

She followed the GPS and walked for a few minutes. She turned from a wide Avenue into a small alley.

Ning Qing hesitated for a moment, but the navigation was correct. She paid attention to her feet and followed the road.

After walking for a short while, some sounds came from the front.

Before she could raise her head, a person suddenly bumped into her.

The umbrella tilted, and the rain poured down.

I'm sorry," ning Qing said reflexively.

The man didn't notice and fell to the ground.

Ning Qing straightened her umbrella and looked at the man.

On such a cold day, the man was only wearing a black windbreaker. His whole body was drenched, and the hair on his forehead covered his eyes, revealing the lower half of his sharp and bony face.

He fell into a waterhole in a sorry state. One of his legs was bent, and the other was straight. His palm, which had been washed pale by the rain, was holding the left side of his abdomen tightly.

The raindrops dripped down his thighs and gathered in the puddle, turning red.

Ning Qing was shocked. you, Zhenzhen, you're hurt!

"....."

The sound of the rain continued to fall, and the sound of other people seemed to come from around the corner.

Shen Yao glanced up at ning Qing, and his cold eyes made people shiver.

He didn't say anything. He gritted his teeth and tried to stand up and continue running.

However, through that glance, some memories poured into ning Qing's mind.

"Yingluo, you're the one who saved me that day?"

The man didn't answer. He held the wall and wanted to leave.

Ning Qing stepped forward and held one of his hands. it's me. I'm Zhenzhen.

She remembered that the two of them had not exchanged any information at that time. They did not even have names.

The man ignored her and pushed her hand away.

She staggered and anxiously covered him with the umbrella. Her posture was very awkward. we met in Ying city. Do you still remember? Someone was chasing me, and you saved me!"

The man stopped and turned to look at her.

His long and narrow eyes were like sharp knives, looking at her from head to toe.

Ning Qing was a little embarrassed. The man panted and endured great pain to say two words. it's you.

She heaved a sigh of relief. what's wrong with you? how did you get so badly injured? "

The man's sharp lips were tightly pursed. the enemy is here.

After that, the noise behind him grew louder.

This was the first time ning Qing had encountered such a situation, and she did not know what to do.

Shen Yao saw her panic and closed his eyes. you can go. Don't worry about me.

"But you, Yingluo"

Without another word, he pushed her hand away again.

Then, he dragged his heavily injured body and walked towards the main road step by step.

His refusal to help, coupled with his terrible injuries, would make any normal person stay away from him.

But Ning Qing could not just watch him leave.

Although she was scared, she walked towards the man firmly, threw away the umbrella, and put one of his hands on her shoulder.

Shen Yao was stunned. what are you doing? ”

What was he doing?

The rain in winter was bone-piercing and deadly.

Ning Qing bit her lip. don't say anything.

She carefully avoided the wound, held his waist, and dragged him to a place with more people at a faster speed.

“.....”

The man stared at her determined side profile. His purple lips moved, and his eyes looked behind him.

No one caught up.

With Ning Qing's help, they soon arrived at the main road. The passersby did not know their situation, but some kind people still gave them umbrellas.

Ning Qing took out her phone from her bag, but it was not wet.

She looked at the heavily injured man and was about to call the ambulance.

Shen Yao saw through her. don't hit her!

why? ” she frowned.

He pursed his lips into a straight line. He did not give a reason. He only emphasized, ” I'm not going to the hospital.

Ning Qing didn't understand why he was so stubborn. She squatted down and tried to persuade him. you're so seriously injured. How are you going to treat it if you don't go to the hospital? ”

The man didn't respond. He clenched his jaw tightly, and from the side, his eyelashes were trembling like a sieve.

“I'm not going to the hospital,” he repeated.

Ning Qing's face turned cold. no, I have to go.

The man didn't retort, perhaps because he was in so much pain that he couldn't speak.

Ning Qing insisted on making the call, but he stood up shakily and walked into the rain.

She reacted, " Hey! Do you not want to live anymore?"

She was a little angry and rushed over to pull the man. He was also inexplicably stubborn, and she could not pull him.

"Do you even care about your own body? It's such a cold day, and you've caused me to become like this. Can't you go to the hospital?" Ning Qing was really angry.

He turned his cold and pale face, and his words were even colder than the winter rain.

"I didn't ask you to save me."

This person!

He really didn't know what was good for him!

Ning Qing never liked to curse, but she was forced to do so. I've already saved your life and I'm returning the favor. Let me save you until the end. Your life and death have nothing to do with me from now on.

The man stopped in his tracks.

She held the umbrella and tugged on his sleeve. The passers-by looked at the two of them with strange eyes, but they did not dare to get close for fear of getting caught in the fire.

Ning Qing looked at his hunched back and suppressed the fire in her heart. you're so stubborn.

However, the man swayed and fell forward under her gaze ...

She didn't have time to help him up and saw him fall to the ground.

She was so anxious that she had no choice but to call Tina.

"I'm in some trouble. Send someone to pick me up. I'm in Chengcheng."

After giving the address, she tried her best to drag the man under the roof.

It didn't take long for Tina to arrive with her entourage.

When he saw her, she was dressed in a wine-red coat, her posture cold, and she was drenched, looking extremely embarrassed.

Tina's brows furrowed. Ning Qing was surprised that she would come personally, and she shuddered a few times.

"What's going on with you?" Tina asked.

"It's a long story," Ning Qing stood up from the ground, her whole body shivering from the cold. Her lips were pale as she pointed at the man on the ground. help me save him first.

Tina pursed her lips, and her expression became even colder.

She raised her hand to her men, and two men quickly picked up the person on the ground and dragged her into the car.

Tina held the black umbrella in her hand, and she was a little angry at the sight of her drenched body.

“Take it.”

Ning Qing took the umbrella obediently. The woman took off her coat and draped it over her shoulders.

She was flattered. After taking off her coat, Tina looked even slimmer. Ning Qing felt bad. I don’t need a kiss.

“Shut up,” he said.

“.....”

Tina supported her as they made their way to the car.

Soon, they arrived at the hotel.

The passers-by were all surprised. After all, it was really eye-catching for two people to walk into such a high-class hotel, drenched and in a sorry state.

However, Tina didn’t care. She hugged the coat around ning Qing’s chest tightly, and her expression was unpleasant the entire way.

She took the elevator to the floor of the suite. The warm temperature was too different from ning Qing’s own. She felt dizzy and dizzy.

hang in there. I’ve called the doctor. He’ll be here soon.

As Tina’s words rang in her ears, ning Qing restrained her trembling and squeezed out a comforting smile. However, in the eyes of the others, it only made them feel angry.

“Aren’t you a doctor?” she asked.

“Not all doctors can handle internal injuries.”

The man had lost so much blood, and she was afraid that his spleen was injured. She could not treat him if he fainted from the blood loss.

Ning Qing’s vision gradually blurred. The closer she got to the end, the more she saw a familiar figure.

How could it be him?

Ning Qing thought she was hallucinating, but when another woman came out of the room, she was sure that she was not hallucinating!

Indeed, it was Nian lie.

Nian lie heard the noise and turned his head to look over. He saw the disheveled woman.

Tina's brows furrowed.

"....."

The distance between them was getting closer and closer, and their eyes met in the air.

One was deep and indifferent, while the other was hiding panic.

Ruan Yi looked at the people who passed by. She couldn't see their faces clearly. She turned to Nian lie and asked with a smile, "What are you looking at?"

The man's voice was cold.

"It's nothing,"

Ning Qing's eyes flickered and she lowered her head.

The door opened, and Tina helped her in. The people behind her also carried the man in.

The door closed, as if separating the two worlds.

Ruan Yi followed the man's gaze and saw the closed door. what's wrong? " she teased. did you see your old lover? "

Nian lie retracted his gaze and looked at her childish face.

"It's none of your business."

The woman smiled. you look like you can't get what you love. It's hard for me to pretend not to see you.

"Ruan Yi," Nian lie's tone was heavy.

She pouted her lips. I was just asking. Why are you so fierce? "

"Don't ask about things you shouldn't be asking."

"You're so silly!"

The man ignored her and turned around to walk towards the elevator.

That direction was the opposite of the room.

Ruan Yi was still confused. She turned around and looked at the room at the end of the corridor. old ice cube, " she mumbled. you only know how to be mean to me.

Then, as she chased after him, she acted coquettishly. Alright, alright. I know I was wrong. Wait for me, Xuanji nianlie!

The man turned a deaf ear, so cold that strangers and acquaintances kept their distance.

In the room.

The doctor stepped forward, and Tina stood in front of ning Qing. check if he's dead.

The male doctor nodded and turned to check on the man who had been thrown on the sofa.

Tina turned around and pulled ning Qing toward the bathroom.

“What are you doing?”

“To see if you’re injured.”

Ning Qing waved her hand. this blood is his. I saved him by chance. I’m fine.

Tina looked at her from head to toe, and ning Qing felt uncomfortable all over. take a shower and clean up before you come out, ” she said before closing the door.

Ning Qing rubbed her forehead and heaved a sigh of relief.

She didn’t think much of it and quickly took off her wet clothes and soaked them in the hot water.

The hot water soothed her discomfort, and just as she was enjoying the bath, the door suddenly opened.

Ning Qing subconsciously wrapped her arms around her chest and hid in the water. Tina came in with clean clothes and placed them in a dry place.

Ning Qing opened her mouth and said, ” the clothes are mine. The rain is too heavy outside. I don’t have time to buy you new clothes. You’ll have to suffer for a while.

Ning Qing was stunned and didn’t know what to say.

The other party didn’t give her a chance and left after saying that.

Ning Qing herself was in a deadlock for a long time, and she held her forehead in amusement.

They were both women. What she had, others had too.

She didn’t know what she was bothered about.

When she came out of the shower, Tina handed her a glass of water and medicine. take this to prevent you from catching a cold.

She always spoke in such a calm tone, like an order, and she never gave anyone a chance to refuse.

Ning Qing took the pill and swallowed it under her gaze.

She looked at the sofa and saw the man’s wet coat on the floor, but he was gone.

“Where is he?” she asked.

Tina walked over to the sofa and bent down to pick up the clothes. he’s dead.

Ning Qing choked. She raised her hand and threw the clothes into the trash can.

The woman sat on the sofa, crossed her long legs, and looked at her in a judgmental manner.

“Tell me, what happened?”

Ning Qing didn't know why, but every time she faced Tina, she felt like she was facing her parents. She subconsciously didn't dare to lie and could only be honest about everything.

This time was no exception.

he's someone I met by chance in Ying city. I guess he's Xuanji's benefactor. I was caught by Nian lie's parents once, and he helped me when I was running away.

Tina caught on to a few words. Ying city? "
