

## Mr Nian 641

### [Chapter 641](#)

641 Are you really stupid or are you just pretending?

“Yes.”

Ning Qing sat upright on the sofa.

“I just passed by an alley and didn’t expect to see him being chased by someone. I saw that he was quite injured and had saved me before, so ...”

“Ning Qing,”

Tina suddenly interrupted her.

Seeing how serious she was, her heart started to beat faster. what’s wrong? ”

“Are you really stupid or are you just pretending?”

Tina showed no mercy, and her gentle eyes were filled with mockery and sternness.

“A person that you met by chance in Ying city will meet you again in the capital. Last time, he saved you, and this time, you saved his Huanhuan. Do you know how big the capital is? You might not be able to meet the person you met today in your entire life, but you two happened to meet in two different places.”

Ning Qing’s eyes fell on the corner of the sofa. I was in a hurry just now and didn’t think so much.

Tina was furious, but her expression remained the same. do you know him? ”

ah! ning Qing gasped. Tina continued to ask, ” his name, age, identity, family background, do you know all these? ”

Every word she said made ning Qing’s heart tighten.

Tina’s heart was filled with pent-up frustration. you still dare to say that you two know each other? ”

Ning Qing’s voice weakened. I just remembered that he saved my life before. How can I leave him in the lurch like this? ”

Although, it was indeed her fault for not considering everything.

Tina was rendered speechless. After a moment of thought, she replied in a cold voice, ” I don’t care what you think. However, I won’t allow such an unclear person to appear by my side.

She stood up, leaving ning Qing with a cold and emotionless side profile.

“When he wakes up, tell him to leave immediately.”

“.....”

Tina walked away, clearly quite angry.

Ning Qing's forehead hurt a little and she clicked her tongue.

She seemed to have made things worse.

Before she could think further, the door of the guest room opened and the doctor walked out.

Ning Qing leaned forward and asked, " doctor, how is he? "

The man looked a little serious. his left hand is broken, and there are wounds all over his body. The injury on his abdomen is the most serious, and his spleen has been injured.

Ning Tingting's heart tightened. do you need to be sent to the hospital for surgery? "

The doctor looked at her seriously with a strange look in his eyes. there's no need for that. I've basically dealt with it. All that's left is to let him rest in bed and not move around.

Ning Qing was relieved. thank you.

The doctor nodded and left in a hurry.

Ning Qing walked into the warm room. The curtains were drawn, and only a small table lamp was left.

The man was lying on the bed. His shirt had been taken off, revealing his strong chest. His abdomen was wrapped in gauze, and blood was seeping out. His left hand was also wrapped like a dumpling, and his right hand was on an IV drip. All the wounds on his body had been treated appropriately.

Ning Qing lightened her footsteps and sat down hesitantly beside him.

It must be said that the man was born with good looks. After he was cleaned up, although his skin was a little darker, it could not hide his cold and resolute face, as well as the sharp and suffocating aura from head to toe.

"Who are you?"

Why did it appear so many times?

Or was Tina being too cautious and overthinking things?

There was no way to know the answer.

The room was quiet, and the man did not sleep well. His dry lips let out a low moan, and his eyebrows were furrowed so tightly that there was no gap.

Ning Qing hesitated, but she still got up and moved closer to his lips, wanting to hear what he had to say.

Unfortunately, he couldn't hear her clearly.

She was a little helpless, but she instantly noticed the scar on the man's chest.

## [Chapter 642](#)

642 Why don't you just not save me (1:

At first, she didn't notice it because the scar was too shallow. It looked like an old injury from many years ago. But even if it was an old injury, it could be left for so many years, which meant that the person had been very heavy-handed.

Moreover, if one didn't look carefully, one wouldn't know. Now, he realized that not only his chest, but his shoulders, neck, and waist were all covered in old injuries.

He didn't know what Ning Qing had been bewitched by, but she reached out to touch the longest scar on his chest.

A hand grabbed her wrist.

In a daze, she raised her head and met the man's confused eyes.

He didn't say anything. His breathing was a little heavy, and his eyes were as sharp as ever.

Ning Qing trembled. I'm sorry.

Then, he retracted his hand.

The man was provoked by her and started coughing.

Ning Qing quickly poured him a glass of water. Seeing that it was inconvenient for him to drink, she could only feed him.

The man did not seem to be used to being treated this way. He wanted to take the glass of water. Ning Qing reminded him. don't move.

He stopped, his bloodless lips tightly pursed.

"If you want your injuries to heal quickly, don't force yourself," Ning Qing said.

"Since I saved you, I won't harm you," she added.

"....."

Seeing that he didn't resist, Ning Qing tried to place the edge of the glass on his lips.

Shen Yao shifted his gaze away from her face and drank a few mouthfuls cooperatively.

Ning Qing put down her glass and sat back in her chair, about two or three steps away from him.

For a moment, no one spoke.

It was Ning Qing who spoke first. weren't you in Ying city before? why did you suddenly come to the capital? "

"Do you have a cigarette?" the man's long and narrow eyes were cold.

Ning Qing was stunned. No.

The man held on and refused her help, half leaning against the bed.

His injuries were too severe, and just moving twice had used up all the strength in his body.

Ning Qing frowned. no matter how good your health is, you can't do this.

Shen Yao raised his eyebrows, and his tone was not very good.

"You can ignore me if you suspect that I have impure thoughts."

Ning Qing did not expect him to be so direct and felt a little embarrassed.

The man didn't look at her and closed his eyes. She could only see his heaving chest.

"I'm indeed a little suspicious of you."

The female voice was fearless and did not seem to have any intention of hiding anything.

Shen Yao's eyes moved.

Ning Qing continued. when facing someone who can meet in two places for no reason, it's either fate is too deep or someone has other plans.

She looked at the man with sharp and solemn facial features and asked,"which kind of approach do you take to get close to me?"

The man snorted and opened his indifferent eyes. you'd better not save me if you're wasting your time guessing.

"....."

"You shouldn't have saved me."

Ning Qing gritted her teeth. What did this man mean?

She had thought that Nian lie was the most difficult man she had ever met to deal with, but this man in front of her was the real stubborn one!

In any case, she was in such a sorry state and was even seen by others because she was helping him!

It was fine if he was not grateful to her, but he was even mocking her for saving him?

Ning Qing wasn't an impatient person, but her heart was also burning with pain.

She cleared her throat and said without any warmth, " I saved you because you helped me before. I can't leave you in the lurch.

The man was not moved at all. Instead, he showed disdain and ridicule.

Ning Qing was on fire. She stood up and said, " I've saved her. We don't owe each other anything anymore.

"....."

He still didn't respond.

Ning Qing's tone became more serious. the one who helped me save you is my friend. She doesn't like people who don't make sense, so please leave as soon as you're better.

## [Chapter 643](#)

643 Your sister has good foresight (1:

Shen Yao smiled sarcastically, and Ning Qing was so angry that she turned around and rushed out.

It was only when she was outside the door that she realized something.

“He’s just a patient, why are you so calculative with him?”

That was what he said, but no one could stop his good intentions from being taken for granted.

She hesitated, unable to find anything to do, and slowly remembered the purpose of going out today.

She was here to look for Tina.

However, Tina was stunned.

Ning Qing sighed and slowly walked to the other end of the study. She was indeed busy inside.

Tina noticed the people at the door and glanced at her. She smiled ingratiatingly. I’m still busy.

Tina’s hand paused for a moment before she continued to flip through the documents.

Ning Qing slowly walked closer without looking up.

you haven’t eaten yet, have you? ” she asked. I heard that the restaurant in this hotel is not bad. Why don’t we try it? ”

“I’m very busy,” Tina replied coldly.

“Oh.”

Ning Qing was embarrassed. then you go ahead. I’ll go after you’re done.

With that, she walked out.

Tina heaved a heavy sigh of relief before turning to look at the dejected woman. you’ve already thought of me when you were chased out? ”

Why did his words sound a little sour?

Ning Qing denied, “no, I just remembered that I came here today to see you, Zhenzhen.”

“Yes, you came to find me and brought me some trouble.”

Ning Qing was speechless. I’m sorry.

Tina was quite helpless, and she didn’t know what to say after seeing her pitiful appearance.

“Don’t do this in the future.”

She had to consider her own safety first.

There were some things that she didn’t know, but it didn’t mean that others didn’t know.

Ning Qing nodded. Tina put down the documents and stood up. let's go eat.

Ning Qing smiled. okay.

The two of them arrived at the French restaurant on the third floor. Tina ordered the dishes, and ning Qing had nothing else to do, so she took the initiative to tell her about her recent movements.

Tina, I'm preparing to participate in the National jewelry design competition.

The woman's long eyelashes trembled slightly, but she pretended not to know. why do you suddenly want to participate in this? "

Ning Qing was a little annoyed. She didn't remember her relationship with Gu Nanzheng. because what I did after I returned to the country has brought a bad impact on myself and the company. In order to save my image, or rather, I want to get back to my working condition, Yingluo. In short, I have to participate in this competition.

The waiter served the dessert. Tina pushed the mousse cake to ning Qing's hand. She suddenly froze and asked in surprise, " how did you know I like to eat this? "

To be honest, very few people noticed that she liked sweets, and she had never told anyone that she especially liked mousse.

Tina's pupils contracted as she looked at the cake. really? "

Ning Qing thought it was just a coincidence and smiled. I loved sweet things like cake when I was young. My sister told me that if I ate too much, my teeth would be damaged by worms, so I never touched it. I got used to it when I grew up.

However, the reason why nature was called nature was because it was engraved in one's bones. No matter how one tried to hide or restrain it, it could not be changed.

The expression in Tina's eyes wavered. then your sister has good foresight.

Ning Qing's smile slowly faded.

"But she has already left me."

Tina's expression didn't seem quite right, and she was just about to say something when a figure suddenly appeared out of the corner of her eye.

Ning Qing noticed her daze and turned to look-

Nian lie held Ruan Yi in his arms. The woman was talking and laughing. Although the man didn't have an obvious smile on his face, his expression wasn't as cold and emotionless as it had been before.

#### [Chapter 644](#)

644 We are not close (1:

Four words appeared in ning Qing's mind,"enemies are bound to meet on a narrow road."

Some people were just that strange.

The more you didn't want to see him, the more he would appear in front of you. On the contrary, when you wanted to see him, he would not appear even if you beat him to death.

"Are we leaving?" Tina asked when she saw how nervous Ning Qing was.

Ning Qing turned around. what? "

"Let's go to another place. Some people don't see, but don't."

Tina was about to get up, but Ning Qing held her down and gave her a look that told her to calm down. there's no need.

"....."

"With his identity, I'm afraid we'll have many chances to meet him in the future. I can hide from him today, but I can't hide from tomorrow." Her eyes calmed down. I might as well not hide.

Tina was still a little hesitant. Ning Qing smiled and said, " I'm serious. You don't have to be afraid.

Before he could finish his sentence, a surprised female voice interrupted their conversation.

"Ning?"

Ruan Yi let go of Nian lie's hand and rushed over. When she saw that it was really Ning Qing, she smiled happily. it's really you. I thought I was mistaken.

Ning Qing blinked. miss ruan, what a coincidence.

The woman chuckled before turning to Tina. are they your friends? you're having a meal together; do you mind bringing us along? "

Ning Qing didn't answer, and Tina's face turned cold. I do.

Ruan Yi glanced sideways, and Tina raised her head to meet Ruan Yi's gaze.

I mind very much, so please don't make such an excessive request, miss. You're not familiar with us.

Ehh!

Ning Qing was quite embarrassed. Tina had rejected her without any hesitation. If it had been anyone else, they would have left in a Huff.

However, the woman in front of him was still smiling sweetly. He didn't know if she was being naive or intentional. if you're not familiar with him, you'll be familiar with him after having a meal.

"....."

"And I'm quite close to Ning. You're her friend, so you're my friend too."

After saying that, she plopped down next to Tina.

Tina's face turned green and white. you're so weak!

Ruan Yi ignored her. why are you still standing there? " she said to the man who had not spoken a word since the beginning. come and sit down.

Nian lie's dark eyes swept across the room and saw ning Qing's stiff back. He said coldly, " I'm busy. You can eat by yourself.

It was obvious that he was refusing to dine with them.

Tina couldn't keep a straight face any longer.

Ruan Yi stood up and stopped the man who was about to leave. what do you mean? they're all my friends and you won't even give them any face. Do you not want me to win the competition for you? "

Nian lie didn't say anything. Ruan Yi dragged him to ning Qing's side and pointed at a seat. if you don't sit down, I'll leave now! After you leave, don't come and beg me!"

" ....."

Ning Qing was stunned.

She didn't believe that a woman would talk to him like that. He wouldn't be able to tolerate it.

However, five seconds later, a deep male voice squeezed into her ears.

"Please make way."

Ning Qing felt as if a hammer had hit her head, and even her heart had lost all feeling.

She moved to the side mechanically, and Nian Yu sat down, his face frighteningly cold.

Ruan Yi was satisfied. that's more like it.

Then, he lowered his body and sat down.

Tina looked at ning Qing's stiff posture and couldn't suppress her anger. do all the people around Mr. Nian act so familiar with each other? "

Nian lie's dark eyes darkened as he stared at the woman diagonally opposite him. He could see the undisguised hostility in her eyes.

He was puzzled for half a second before he said coldly,"she's the one who's friendly with you." &Nbsp;

In one sentence, he had cleared himself of all this.

Ruan Yi could also tell that Tina was displeased. shut up! Don't make my friends unhappy. she chided.

This woman must be blind. Who among the people present treated her as a friend?

Nian lie snorted coldly and didn't say anything.

## [Chapter 645](#)

645 Why are you so careless?

Ruan Yi looked at ning Qing with a smile. Ning, don't mind him. He's just that kind of person, but he doesn't have any bad intentions.

" ....."

Ning Qing forced herself to smile, but it was an ugly smile.

This was the first time she had to find out what kind of person he was from someone else's mouth.

The situation was already like this, and nothing could be changed.

Ruan Yi called the waiter over and added some food for Nian lie and herself. Then, she said generously, "you guys eat more. If it's not enough, order more. It's my treat this time. Don't stand on ceremony.

Tina remained completely expressionless, as if she hadn't heard a thing.

In order to avoid the awkwardness, ning Qing laughed along.

During the meal, other than Ruan Yi, who was rambling on, the other three people were like dead people, barely speaking.

Finally, in the strange noise and silence, the dinner party ended.

The service staff brought the receipt over. Ruan Yi pointed at Nian lie and said, "sign it for him.

The man didn't object. He took the list and wrote his name on it.

Ning Qing looked at him from the side, a little dazed.

"Alright, let's go." Ruan Yi called out.

The few of them stood up, and the waiter gave a professional smile. distinguished guests, please take care. We welcome you to visit us again.

Ruan Yi and Tina were walking in front. Nian lie was slow, and ning Qing was a little impatient from waiting for him. He got up slowly and started walking.

She didn't want to get too close to him, but Ruan Yi was holding onto Tina's hand in front of her, so she didn't have the time to care about the people behind her.

Ning Qing felt uncomfortable and sneezed hard.

She saw the man's footsteps pause for a moment, but then he continued to walk as if nothing had happened, as if it had just been an illusion.

She shook her head. Her mind was a little slow. She didn't know if it was because she had taken some medicine and was a little sleepy, so when she heard the call behind her, "please make way," her reaction was not fast enough.

"Be careful!"

With a scream, ning Qing only had time to turn around, and a bowl of hot soup came to her face.

She widened her eyes, but she couldn't Dodge in time. Just as she was about to welcome the soup, a figure blocked her.

The shadow came down, accompanied by a familiar aura.

Ning Qing's heart suddenly trembled.

The sound of glass shattering could be heard as the staff apologized one after another.

She was completely dumbfounded. are you alright? ” Tina asked anxiously. did you burn yourself? ”

Ning Qing shook her head. The man had already let go of her hand and was standing to the side. His body was half-turned, so she could not see his expression.

Ruan Yi took a clean towel and wiped him up and down. there are so many guests here: ” she mumbled: how could you be so careless? ”

The waiter was on the verge of tears. The manager rushed over and kept apologizing, saying that he was new and was not agile enough.

His dark eyes were dark and his jaw clenched slightly. Ning Qing knew that this was a sign of his anger.

“It’s okay. She didn’t do it on purpose,” ning Qing said, enchanted.

The manager thought that she was easy to talk to, so he immediately approached her and offered to waive the bill and compensate her. Tina’s expression was cold as she retorted, ” do you think we’re short of that little bit of money? ”

The manager was so scared that he didn’t dare to breathe loudly. He only said that it was a kind gesture and asked people not to misunderstand.

Ning Qing’s attention was not on him. She said, ” you don’t have to apologize. We’ll discuss his clothes and compensation before informing you.

The manager heaved a sigh of relief and slowly stepped aside.

Nian lie didn’t say anything. Ruan Yi thought that he agreed with the way things were handled, so she didn’t say anything.

She hugged the dirty clothes and mumbled, ” this dress is so expensive. It’s so troublesome to order a new one. I’m so angry that it’s dirty.

Behind him, ning Qing’s eyes wavered, and she mustered her courage to speak.

The two people in front of her stopped. She walked to Nian Yu’s side. After hesitating for a while, she finally said, ” thank you.

Ruan Yi blinked and looked at the two of them.

Nian lie touched his neck. The top two buttons on his chest were unbuttoned, revealing his collarbones and Adam’s apple. He looked casual and sexy.

When he heard her words, he closed his eyes and did not respond for a long time.

## [Chapter 646](#)

646 Who are you thanking?

Ning Qing felt as if her entire body had been placed in ice water. She could not breathe, and it was suffocating and uncomfortable.

Just as she was about to say something to ease the atmosphere, the man's noble mouth opened-

"Who are you thanking?"

Ning Qing's fingers were numb. thank you, Xuanji, Mr. Nian.

At that moment, Nian lie's body emitted a certain aura that could freeze people to death.

Then, ning Qing heard an extremely cold chuckle.

"I think you've misunderstood."

Ning Qing raised her head in surprise. Nian lie had already walked to Ruan Yi's side. He reached out and wrapped his arms around her waist, pulling her into his arms. When he lowered his head, his eyes were extremely gentle. I was afraid that she would burn Ruan Yi. You happened to be the closest to me, so I pulled you to block the heat in a moment of desperation.

"....."

mm, " Ruan Yi mumbled in confusion. Nian lie seemed to be unaware of that. He raised his eyes and stared at ning Qing lazily. I don't think you'll mind, miss ning.

Ning Qing's body was cold, and she couldn't even put on a suitable expression.

Tina walked over and wrapped her arms around her.

Ning Qing curled her lips. I see.

Her reaction was very cold. The corner of Nian lie's eyes twitched. of course! he said ruthlessly.

"....."

"Ruan Yi's fine. You don't have to pay for the clothes."

The man turned to leave. Ruan Yi sighed but didn't stop him. She turned to ning Qing and said embarrassedly, " I'm sorry. He's Huanhuan.

He didn't know what was wrong with him.

"I'm fine," ning Qing said:

Ruan Yi didn't know how to smooth things over.

Every time Nian lie faced ning Qing, he would lose his temper for no reason. It made her feel so awkward that she wished she could find a hole to hide in.

Ruan Yi grabbed ning Qing's hand, trying to make her forget about the unpleasant incident just now. you didn't get scalded, did you? "

Ning Qing shook her head, and Tina pushed her hand away.

Ruan Yi was a little hurt, but Tina wasn't as kind as ning Qing. miss ruan, " she said coldly, " if you really want to be friends with Ning, then please show some sincerity. Don't always bring people to make things unpleasant.

Ruan Yi lowered her head. I'm sorry.

"You don't have to apologize, because it's useless." She looked at the man who had long disappeared from her sight. we're not children. There's no such thing as sincere friendship between adults. Besides, you two can be considered enemies with your current identities.

Ruan Yi bit her lip and did not say anything else.

there's still three days until the tournament, " Tina said. I think it's best if you don't meet with us often. Otherwise, you'll cause trouble.

"Tina," Ning Qing stopped her from continuing.

I'm sorry, " she said pitifully. I'll try my best to avoid arousing suspicion in the future.

In the end, ning Qing did not want to vent her anger on Ruan Yi. She could tell that Ruan Yi was not a scheming girl and did not have much malice towards her.

Ruan Yi, we're in a special position right now, so it's not suitable for us to hang out too much. If you still remember me after the match, you can contact me.

Ruan Yi's eyes lit up. really? " she turned to Tina with a fearful expression. really? "

"Yes."

The girl smiled again. you're so good. No wonder Zhenzhen.

Tina narrowed her eyes. no wonder what? "

"No wonder you can design such a good work. Whether it's an opponent or a friend, I feel honored to know you." Ruan Yi's reply was straight to the point and there were no flaws at all.

Tina was speechless. She pulled ning Qing over. that's all for today. Let's go.

Ruan Yi waved at the two of them. see you next time.

Ning Qing returned a smile and was forcefully pulled away by Tina.

After they got into the elevator, Tina let go of her and didn't say anything else.

Ning Qing knew that she was angry again.

But she didn't know what to say. Her heart was in a mess, and she couldn't figure it out.

The more Tina looked at her, the angrier she became.

"Ning Qing, set up some defenses against the others."

## [Chapter 647](#)

647 Take that man and get out of here (1:

"I understand, Tina," ning Qing said helplessly. She knew who she was doing this for.

What did she understand?

He was so friendly to everyone, but if he was stabbed in the back one day, he wouldn't even know how he died!

Tina couldn't suppress her anger any longer. you're already trusting someone you've only met a few times! I'm overestimating you by calling you an idiot! she yelled.

Ning Qing was a little hurt, but at the same time, she felt that her words were too harsh. I, Yingluo, can judge right from wrong, and I also have standards to judge good from bad. Tina, you can't treat me like a child who hasn't grown up yet. I have my own thoughts. I, Yingluo.

"Alright, you have your own ideas." Tina's face was completely devoid of emotion as she said, " I shouldn't have interfered with your business. From now on, don't come to me for anything.

"I'm Yingying!"

The elevator door opened and the woman strode out.

Ning Qing was frightened by her, and at the same time, she didn't understand why she was suddenly so emotional. She quickly followed her and explained.

"I know you're doing this for my own good, but you can't be by my side forever. I have to learn how to face these things on my own, don't I?"

you don't mind that Ruan Yi is his woman, and I don't want to spend too much time with him either. However, Ruan Yi isn't in the wrong. You can't let her get away with it just because she's in a relationship with him.

if you knew that she was his fiancée, would you still say something like this? " Tina suddenly turned around and asked coldly.

Her words were stuck in her throat.

Ning Qing's eyes froze. Tina saw this and sneered. she will sit in the position you once occupied, live where you used to live, erase everything you left in his life, marry him, have children with him, and live a happy life. Ning Qing, if that's the case, are you still willing to be friends with her? "

A thorn was stabbed into his heart, and it was so painful that it was swollen.

Ning Qing opened her mouth and did not answer immediately.

Tina already knew that this was the answer, and she almost slapped him.

She endured it and turned her back to him.

I don't know if you can judge good from bad, but just because of her identity, you won't accept her again after you know.

"....."

"Since that's the case, do you think it's still important whether you're with her for good or bad?"

There was no sound behind him, as if he was dead.

Tina's head was throbbing with anxiety.

How did her reaction look like she had come out of that relationship?

It's clearly Wufu

Her heart ached as well. With one hand on the sofa, she pointed to the door and said, " get lost.

Ning Qing's gaze moved up. Tina's back was facing her, and her heart was in unbearable pain.

She tried her best to hold it in and pointed at the door. take that man and get lost!

Ning Qing's lips were pale. Tina, Yingluo.

"I told you to get lost!"

"Okay: : ning Qing's eyes darkened and she said bitterly:

When she walked into the room, the man had already taken the IV drip and was sleeping.

She woke him up with a numb face.

Shen Yao was in a daze and looked at her in confusion.

Ning Qing was stunned. come with me.

The man looked out the door. The woman's back seemed cold and determined.

He lifted the blanket and got out of bed. He stumbled, and ning Qing quickly caught him.

"Can you walk?"

He didn't say a word. It was so painful that the veins on his arms popped, but he still supported his body and walked out without a word.

Ning Qing struggled to hold him up. When she passed by Tina, she said, " anyway, thank you for everything.

After she finished speaking, she helped the man out.

After the door closed, Tina's heartache slowly eased.

She clutched the clothes in front of her chest, the fatigue in her eyes obvious.

In the end, she walked around the sofa and sat down weakly, not moving for a long time.

#### [Chapter 648](#)

648 A large area of her neck was scalded (1:

In the dark corridor, the floor was carpeted, and the two's staggering footsteps became very light.

Ning Qing looked at the man's pale side profile. I'm sorry.

Shen Yao covered his waist and abdomen. It was as if he knew what she had just experienced. For the first time, he did not make things difficult for her. He asked her, " what are you sorry for? "

Ning Qing lowered her head. you're so badly injured, and you still have to do this.

"....."

The man did not comment on this. who is that woman to you? "

Ning Qing's mood was low. Zhenzhen's friend.

Shen Yao pulled the corners of his lips up and smiled. I thought she was an elder in your family.

"No." Ning Qing was stunned and denied it.

Shen Yao glanced back at her, and the two stopped at the elevator. since it's not her, it doesn't matter if she's angry or not. You don't have to please her.

Ning Qing opened her eyes. I'm not trying to please you.

Her relationship with Tina was clearly established because she had been rescued. However, for some reason, they had become friends who could talk and trust. Today, their conversation had broken down, and everything seemed to have been an act.

"People like you won't understand," she said, unable to explain.

Shen Yao didn't care if she had any ill intentions. He raised his head like a ruffian. a person like me has also saved you.

These words, in the end, added a bit of life to him, not as lifeless and unapproachable as before.

He let go of her and leaned against the wall. His naked body made ning Qing avoid his eyes unnaturally.

"Where are you taking me?" he asked.

Ning Qing subconsciously wanted to say that she was going home, but she remembered that this wasn't ning city, and the place she was living in now was Tina's, so she didn't know how to answer.

Shen Yao could see that she was in a difficult position. if you don't want to care about me, you can ignore me.

He was already used to it anyway.

Ning Qing thought for a moment and did not refuse or agree.

He laughed self-deprecatingly as the elevator arrived. He lifted his legs to walk in and was pulled back by ning Qing.

Her eyes flickered. why don't I get you a room? "

The man stopped.

"You're so seriously injured and need to recuperate. It's not convenient to bring you back."

This was a good idea. Ning Qing decided. She looked around and pointed to the bench over there. wait for me here. I'll go get a room.

"....."

She stepped into the elevator.

Shen Yao didn't have the time to say anything. She asked again, " Oh right, what's your name? "

The man's face was cold and serious, like a cold-faced killer when he was not smiling.

He looked at her face with mixed feelings and turned his head away.

"Hey, you-"

"Shen Yao."

Ning Qing was stunned. She slowly turned around. okay, Mr. Shen, wait for me. Don't move around.

The elevator door closed, and her figure disappeared.

Shen Yao leaned against the cold wall and held his forehead. His whole body was in so much pain that it felt like it was falling apart.

His gaze darkened and became cold and hard, as if he had no feelings at all.

He stood there for a while, but ning Qing had not returned. He walked to the bench with difficulty and slowly sat down.

Behind him was a huge glass window, which reflected the lights of the capital city in the night.

He wasn't in the mood to appreciate it, and the angry scolding of a woman came from the corridor.

"You're always putting on a sour face and scaring my friend. Can't you smile?"

"You still have the cheek to say that you're saving me? look at your neck. You've been scalded so badly. Even my mom doesn't believe it. "

"A man's mouth is a ghost that lies."

Then, the man couldn't take it anymore. can you shut up!

"I won't!"

Shen Yao cast a sidelong glance. A tall and short man and woman walked over, followed by bodyguards.

Nian lie's head hurt from the noise. Suddenly, he sensed someone and turned to look at him.

The two men's eyes met in mid-air.

One was cold and stiff, while the other was deep and dark.

"....."

Shen Yao moved away indifferently. Nian Yu furrowed his brows, feeling that he looked a little familiar.

649 Gu nanzhi, I am very tired (1:

"I'm talking to you. Who are you looking at?"

Ruan Yi followed his line of sight. The man's side profile was cold and hard. The muscles on his chest were obvious, and his injured abdomen made him look even more dejected.

She looked at him and frowned. why are you looking at him? "

Nian lie retracted his gaze. Ruan Yi.

"Why?"

"If you don't speak, no one will think you're mute."

The young girl's Black eyes widened, and she pointed at him with her hands on her hips, about to flare up. you don't know how to talk! If I had known, I wouldn't have come!"

Only God knew how much precious time she had sacrificed to help him!

The elevator door opened. Nian lie couldn't be bothered with her and stepped in.

The noise disappeared, and the corridor returned to silence.

Ning Qing came out of another elevator and walked towards Shen Yao. let's go. I'll help you in.

It was almost ten O'clock when she settled the man down. She ordered a meal and made all the necessary arrangements before she packed up to go home.

Shen Yao didn't say much and went to sleep after eating something.

Ning Qing went back, exhausted. When she opened the door, she saw Gu nanzhi with a gloomy face.

She was shocked. what are you doing here? "

Gu nanzhi suppressed her anger. I was waiting for you, of course.

"Oh." Ning Qing changed her shoes and walked past him.

Gu nanzhi's anger rose after being ignored by her.

"Do you know what time it is? You're a girl, and you're back so late. The family will be worried about Yingluo. I'm talking to you, do you have any conscience?"

Ning Qing was so tired that she didn't want to do anything. She walked to the door of her room and turned back to him. Tiny, a lot has happened today. I'm very tired.

Gu nanzhi's face was stern. you asked for it.

He wanted to scold her, but he realized that there was something wrong with her.

The man rushed in front of her and looked at her up and down a few times. He was extremely shocked. you, you, you, you, you, you, you, you, you, what are you wearing?!

Ning Qing said weakly, " if you're not mistaken, it should be clothes.

Gu nanzhi gritted her teeth. She felt that something was wrong.

you didn't wear this when you left the house. There's also a scarf. Where's the scarf I gave you? "

"I ran into an accident and I couldn't wear my clothes anymore, so I changed into Tina's."

Gu nanzhi didn't believe her at all. ning Qing, you'd better tell me the truth. Otherwise, I'll tell uncle and Auntie immediately that you're going out to mess around!

Ning Qing held her forehead. She really didn't have the mood to waste time with him.

"As you wish."

"....."

She pushed the door open, and seeing that he was about to rush in rudely, she quickly pushed it open and locked the door.

"Ning Qing, come out! Tell me clearly, where have you been fooling around!" The door was knocked on loudly. Ning Qing said, "believe it or not," then turned and went into the bathroom.

Through the door, Gu nanzhi could hear the sound of water coming from the bathroom. He was frustrated and angry, but he knew that she was stubborn and he couldn't force her to do anything. He could only rush back to his room angrily.

When ning Qing came out of the shower, there was no sound at the door.

She quickly dried her hair and used the last of her strength to go to bed and fall asleep.

The next morning, there was a violent knock on the door.

Ning Qing struggled out of the blanket and opened the door. It was Gu nanzhi, who was also looking crestfallen.

She looked at the time. what are you doing? "

Gu nanzhi gave a fake smile. accompany me for my morning run.

Ning Qing wanted to close the door without a word, but the man quickly blocked the door. hurry up.

She took a deep breath. Gu nanzhi, I want to rest.

"No,"

She knew that he remembered what happened last night, so she softened her tone. I was in the rain yesterday and felt a little dizzy. Can you let me sleep a little longer, Hanhan? "

650 I've heard enough of rejection \_1

The man frowned and his good-looking face was filled with worry. in the rain? Why was she in the rain? Didn't I tell you to bring an umbrella?"

"....."

Ning Qing saw that she could not fool him, so she simply opened the door. come in.

The man's face was filled with hesitation. She sat on the bed and hugged the pillow tightly. didn't you want to hear what happened yesterday? come here, I'll tell you.

Gu nanzhi quickly went up to her. She did not hide anything and told her everything.

After hearing this, the man's expression became very unsightly. you said that you saved a man who saved you in Ying city, and Tina got angry at you because of this, so she chased you out? "

At the mention of this, ning Qing's mood fell a little. yes.

Gu nanzhi did not seem to know what expression to make. She stuck her hands into her hair and rubbed it. this is ridiculous.

"What's ridiculous?"

"all thing."(Everything)

Ning Qing didn't say anything. Gu nanzhi looked at her. you're bold too. You even dare to bring a stranger back.

Fortunately, she didn't bring him back, or he might have gone berserk on the spot.

he saved my life. Besides, I've already extended my hand to him. There's no reason for me to not help him.

Gu nanzhi tutted and felt that it was difficult. from a moral point of view, you're right.

He thought for a while and suddenly put down his hand. you quarreled with her. She wouldn't take back this house in a fit of anger, would she? "

Ning Qing's eyes flickered. Gu nanzhi jumped out of bed in surprise. no way. Are you girls so ungentlemanly? "

Ning Qing found it a little funny that he was overreacting.

the house is hers, so it's only natural that she wants to take it away. What's there to be surprised about?  
"

"....."

"But you." Ning Qing looked at him. did you secretly run back to China again this time? "

Gu nanzhi held her head high and puffed out her chest. how is that possible? I've been sent by the company to supervise your participation in the competition, okay?"

Ning Qing sneered. what about Li Miao? "

Gu nanzhi felt guilty. I'm not obliged to take care of Hanhan. How would I know where she is? "

The more ning Qing looked at him, the more she felt something was wrong.

According to Li Miao's enthusiasm for him, she would follow him wherever he went. Why didn't she follow this time?

She stood up and walked towards him. Gu nanzhi, are you hiding something from me? ”

The man was frightened by her serious look and actually stepped back.

Until there was no room for retreat.

“What happened between you and Li Miao?” ning Qing asked.

His blue eyes flickered a few times, vividly reflecting the word “something” in his mind.

Ning Qing stuck her head out and looked at every inch of his face. or, I should ask, what’s wrong with you and the Gu family? ”

“No, it’s nothing.”

“You think I’ll believe you? Do you think I’m an idiot?”

Gu nanzhi’s heart skipped a beat, and she blurted out uncontrollably, ”

“Would you believe me if I told you that I’ve broken off our engagement?”

Ning Qing was obviously stunned.

Of course, she did not expect him to say such words.

While she was observing him, Gu nanzhi was also looking at her.

However, he saw her shock, surprise, disbelief, and confusion.

However, there was no surprise.

Not a single trace.

He curled his lips bitterly and said the words in his heart, ” as expected, you won’t feel happy.

Ning Qing thought of his thoughts when he said this, and her mood became complicated. She called him hesitantly, ” Tiny, I’m Zhenzhen.

“shot up.”(Shut up)

He stopped her, his blue eyes deep, brewing gentleness and dominance.

I’ve heard enough rejections. You don’t have to repeat them.
