

Mr Nian 691

[Chapter 691](#)

691 On behalf of ning Qing,: thank you for saving my life (1:

Ning Qing adjusted the clothes on her shoulders. it's nothing.

“.....”

I fell asleep in my room and didn't hear anything outside. Qianqian came to save me, so we were both trapped upstairs.

After the clear female voice finished, Gu nanzhi did not say anything else.

Ning Qing was a little nervous by his reaction. She repeated, " it was just an accident. Uncle Wu has already said it. Don't think too much about it.

She said such comforting words, but it made the man think about something.

Ruan Yi wasn't there. Nian lie had rushed up to look for her, who was sleeping. Wasn't it obvious that he was there to save her?

Gu nanzhi didn't feel like talking anymore.

Ning Qing stood up from her seat and adjusted her sleeves. let's go.

She walked out, and he was in a bad mood. He picked up the bag of medicine and followed her.

They met many patients and their family members along the way. It was very noisy, but there was silence between the two of them.

When they arrived at the door of Nian lie's ward, the two of them knocked on the door and entered. Uncle Wu was talking to Nian lie, and when he saw the two of them, they fell in love with each other.

"Since you're here, I'll take my leave first. I still have some things to deal with."

Nian lie's voice was still hoarse. alright. Uncle Wu, take care.

The old man nodded and stood up. He nodded at ning Qing and Gu nanzhi. please continue your conversation. Miss ruan has gone to get some medicine and will be back later.

Ning Qing reluctantly agreed. okay, be careful on the road.

Uncle Wu nodded his head and slowly walked out of the ward.

In an instant, the space fell silent.

Ning Qing and Gu nanzhi stood there, not saying a word.

Nian lie didn't have any intention of speaking. He leaned against the pillow and reached out to grab something.

Ning Qing walked over. what do you want? "

Her reaction was actually quite natural and not intentional, but it still attracted the two men's inexplicable gazes.

"Water," Nian lie muttered.

She blinked. She did not know if it was because Gu nanzhi was present, but she felt a little uncomfortable.

She picked up the thermos, poured a glass of warm water, and handed it to him.

Nian lie took it, and the few of them continued to remain silent.

"....."

Gu nanzhi felt that she had really gone crazy!

He didn't know why he came here. Just seeing her getting close to him made his heart feel like it was being fried in a pot of oil!

He pulled open his collar and walked to the window. He put his hands on his waist and took a few deep breaths before he could vent some of his anger.

With his mind still clear, he turned around and looked straight at the man on the bed. He smiled willfully and said, "after the accident last night, Mr. Nian suffered such a heavy injury to save my baby. I'd like to thank you in advance.

Ning Qing looked at him in surprise.

He looked at the man on the bed with a smile, and there was a faint flow of emotions.

After taking a sip of water, Nian lie held the cup with both hands, his fingers gently rubbing the glass. it's nothing.

Gu nanzhi's smile gradually froze. although it's convenient for you, I still have to thank you for saving my baby's life, Mr. Nian, for being able to stand in front of me safe and sound.

Nian lie didn't care about his deliberate attempt to distance himself from her and handed the glass of water to ning Qing.

She took it and put it back.

This extremely natural movement provoked Gu nanzhi once again.

He was about to say something when the door suddenly opened.

Ruan Yi walked in and looked at the people inside with a strange expression.

"Why are you all looking at me?"

[Chapter 692](#)

692 This time, thank you for saving me (1:

Gu nanzhi's expression changed, but no one answered her.

She took the medicine and went to the other side of Nian lie's bed.

the doctor said that the condition of your leg still needs to be observed. Next, you need to rest quietly and cooperate with the doctor. You'll be fine in two months.

Hearing the time, Nian lie furrowed his brows. when can I be discharged? "

it's best to stay in the hospital for observation for half a month. We can talk about going back after that.

Ruan Yi took out the medicine one by one and handed them to the man.

He tilted his head slightly to avoid it.

"Take your medicine. Do you still want to get better?" Ruan Yi's tone was a little fierce.

Nian lie looked at ning Qing. She had recovered from her daze and was a little confused.

"To get you some water," Ruan Yi said.

She quickly lowered her head, poured another glass of water, and handed it to Ruan Yi who was sitting across the bed.

I'm not the one taking the medicine. Why are you giving it to me? " Ruan Yi smiled.

Ning Qing turned to look at Nian lie. The man's eyes were dark, and she did not want to look at him any longer.

Fortunately, he didn't want to make things difficult for her and reached out to take it.

Ning Qing was a little confused. She raised her head and called out to Gu nanzhi,"Tiny, our ran ran."

"Mr. Gu." nanzhi! Ruan Yi suddenly called out to Gu nanzhi. She smiled. your surname is Gu, right? "

Gu nanzhi and Ruan Yi didn't have much interaction. She looked at Ruan Yi in confusion, but she didn't mind at all. I need to talk to you about something. Can you come with me for a while? "

Gu nanzhi subconsciously thought that she wanted to give ning Qing and Nian lie some space to spend time with each other:

"Why?"

Gu nanzhi was at a loss for words. She could only say, " I'm not familiar with miss ruan. There's nothing much to say.

Ruan Yi didn't try to hide it anymore. She pointed at ning Qing and Nian Yu. they're close. Maybe they have something to say.

"....."

"There are some things that need to be handled by the two of you." Ruan Yi's little face was calm and no longer as warm as she had been to ning Qing. No one could tell what she was thinking.

"Perhaps we won't affect each other in the future if we talk things out."

Silently, she revealed what they had been trying to hide all this time.

Ning Qing was at a loss when Ruan Yi called her name.

“Don’t you think so, Ning?”

How could Ning Qing answer? she only felt that Ruan Yi’s gaze at the moment was a little threatening.

Perhaps it was because of her previous relationship with Nian lie, but she actually felt a sense of fear!

“Yes.”

Ruan Yi crossed her arms. if that’s the case, Mr. Gu and I can leave for a while.

She walked towards the door first, but Gu nanzhi did not move.

Ruan Yi turned around. you’re not leaving? ”

He wanted to hear the two of them talk about their past feelings?

Ruan Yi felt that it would be more interesting if that was the case.

“If you don’t want to go, Yingluo”

Gu nanzhi stood up and walked towards her.

Then, as he walked past her, he turned back and looked at Ning Qing.

Ning Qing’s lips moved, and he had already walked out.

you guys take your time, ” Ruan Yi said. it’s best if you can explain everything clearly.

The door was slammed shut.

Ning Qing’s back tensed up. She wanted to escape out of reflex, but when she thought of Ruan Yi’s expression just now, she stopped.

He was looking at her.

She braced herself and forced herself to remain calm. Then, she moved a chair over and sat down. After taking a deep breath, she looked up and said solemnly, ” thank you for saving me this time.

It was quiet in the ward. The drip in his hand was flowing into the tube at a constant speed and calm.

“And then?” Nian lie asked in a low voice.

[Chapter 693](#)

693 You and I should’ve gotten even: long time ago _1

Ning Qing clasped her hands together to calm her nerves.

I know that Ruan Yi is your fiancée. Last time, I mentioned the past to Qianqian. She might be a little angry, so she hoped that I could explain the past and the present to you.

“.....”

She sneaked a glance at Nian lie and hurriedly lowered her head.

to be honest, I don't think we have anything to talk about. I know you came to the capital for Ruan Yi, but since it has nothing to do with me, I don't have to think too much about it, Zhenzhen.

Nian Yu's lips twitched, his pale face emotionless.

Ning Qing ignored his sarcasm and continued. you and I ended when we were in Ying city. You know why I left, even though I lied to you.

When she said this, her heart trembled.

"You know that you lied to me," Nian Yu said indifferently, his eyelids drooping.

Ning Qing thought he was blaming her. if you hadn't had people watching me all the time, " she said, " I wouldn't have left on that day!

So, she had been planning to leave him since the beginning.

He had even foolishly prepared that shocking wedding, thinking that he would win the bet and have a family with her.

There was a self-deprecating look in Nian lie's eyes, and a slight pain came from his heart.

He had no choice but to raise his hand and press it against his chest.

Ning Qing could not bear to look at him. She suppressed her heartbeat and said, " you've done so many bad things to me. I used to think that it was unforgivable, but later, I also lied to you and stayed away from you. In my opinion, you and I didn't get anything in this tangled relationship.

"....."

"You and I should have gotten even long ago."

"....."

She mustered up her courage and looked up at him. you have a fiancée now, and I have my own life and career. We don't interfere with each other and we don't owe each other anything. This is the best outcome for us.

"This is the best result you think."

Nian lie suddenly spoke up, interrupting her long-winded speech.

"It's not what I thought."

Ning Qing's heart skipped a beat. but you can accept what I say, can't you? " You already have Ruan Yi, so why are you still clinging to this little relationship?"

Nian lie's eyes darkened. this has nothing to do with her.

"What do you mean unrelated? Since you've chosen to be with her, you should be responsible for her for the rest of her life. She entrusted her life to you out of trust, so you can't do what you did before!"

Ning Qing was very excited at the mention of the past.

It was as if she had returned to that time when her heart was torn apart and she was in unbearable pain.

He and Bai Qingqing got along sweetly, while she was the most cowardly and pitiful woman.

Because she had been abandoned by him.

Ning Qing clenched her fists, her nails digging into her flesh to keep her awake.

“Nian lie, you can’t be like before! You can’t let Ruan Yi become the next me and Bai Qingqing!”

Nian lie’s face was dark and his face was tense. A storm was brewing.

“I’ve told you, what’s between you and me has nothing to do with Ruan Yi!”

“.....”

she’s not the reason you rejected me, and she’s not the shield you used to abandon me in the beginning!

Abandon Yingluo

Ning Qing’s heart trembled and she looked at him in disbelief. I don’t have Qianqian.

How could that be called abandonment?

She did have the intention to take revenge on him. Not only did she escape before the wedding, but she also exposed his company’s confidential documents. However, that was to ensure that she could leave safely!

How could he be the one who abandoned her?

A hint of embarrassment flashed across Nian lie’s eyes, but he still insisted on saying each word clearly, “when you disappeared from our wedding, everyone thought that I was toyed with by you and then abandoned Huahua.”

[Chapter 694](#)

694 You hate me more than anyone else in the world (1:

“You know that’s not the case.” Ning Qing forced herself to calm down.

so what if I know? outsiders won’t know what the truth is. I don’t care anymore.

Ning Qing’s Red lips opened, but she couldn’t say a word.

The mockery in Nian lie’s eyes deepened.

“Ning Qing, I, Nian lie, have long lost my face.” He said.

“.....”

The corners of his eyes turned red, and his eyes bloomed with humble and sad flowers.

“I loved you so shamelessly, I did everything I could to keep you by my side. I was so unscrupulous and cruel to you. You hate me, right? You hate me more than anyone else in the world.”

“.....”

Ning Qing's body began to tremble violently.

She wanted to shake her head, but she felt that he was right.

However, that shiver seemed to come from the depths of her soul. She could not control herself, nor could she stop it.

finally, you have the chance to leave. You naturally don't want to stay by my side.

He analyzed her previous psychology, as if he was taking a knife to kill himself.

The knife cut his skin and blood flowed out.

The pain actually made him reveal a twisted smile.

“.....”

For a long time, neither of them spoke.

Nian lie closed his eyes. His emotions seemed to have fallen.

“I know you don't want to, ning Qing. I've always known,” he said in: hoarse voice:

He thought of her face. It was as pale as a piece of paper at this moment, and it made his heart ache.

She was right in front of him, but he did not dare to open his eyes to look at her.

She avoided him like a snake and hated him to the bone.

“Don't worry, I won't force you anymore,” he muttered to himself.

Ning Qing's long eyelashes trembled, and a drop of hot tears fell from her eyes.

She didn't know why her heart stopped at that moment.

: Yingluo, really: “she heard herself asking in: trembling voice.

“Yes.”

Hearing the affirmative answer, ning Qing seemed to wake up from a dream.

It was as if everything should stop here.

Ning Qing wiped the corners of her eyes with her index finger and forced a smile. that's good.

The man fell silent.

She got up, still unwilling to look at him. I'll go get Ruan Yi.

A hand reached over and grabbed her wrist.

She focused and turned around.

Nian Xi opened his eyes, but the overwhelming sadness had disappeared.

“What do you want?” she asked hesitantly, thinking that he needed something.

He half-closed his eyes. I saved you. You shouldn’t thank me.

Ning Qing was stunned. I’ve already thanked Zhenzhen just now.

“In order to save you, I broke my leg and almost lost my life.”

“.....”

The man’s eyes were indifferent, and his tone was neither light nor heavy, but it was a tone that made people feel like they were being manipulated.

“You’re not my lover now. Do you think you can send me away with a thank you?”

Ning Qing didn’t understand what he was suddenly thinking about. He had clearly risked his life to rush into the fire field!

“How else do you want me to thank you?” she said.

“Do you want me to compensate you for your losses, or do you want me to thank you with tears and snot?: ning Qing asked quickly without waiting for him to speak:

Nian Xi held her hand tightly, his expression calm as he spat out these heart-wrenching words.

“According to the doctor’s advice, I need to rest for two months. Do you know what two months means?”

“.....”

without me in charge of the Nian Corporation, Nian che can’t do anything. He can’t handle major projects, social events, and interpersonal relationships. How much losses will he cause during this period of time? do you want me to calculate it for you? ”

[Chapter 695](#)

695 If you really can’t afford it, you can do something else to pay off your debt (1:

Ning ting was confused, but he knew that he was going to ask for an exorbitant price.

“20 billion.” Nian lie paused and pursed his thin lips.

Ning Qing was shocked. what?!

when you ran away from the wedding and spread the secrets of the Nian family, ” Nian lie said, ” I lost 20 billion Yuan.

“.....”

Seeing ning Qing’s face change completely, he paused for: moment and changed his words: but you and I have just said that we don’t keep our past. I won’t hold it against you.

Ning Qing laughed in an absurd manner. Before she could refute him, he said directly, ” you only need to compensate me 20 billion Yuan for my lost time.

Ning Qing laughed out loud. After that, she realized that the man's expression was still cold, and she could not hold it in any longer.

"Are you serious?"

Nian Yu's face was expressionless. The words "do I look like I'm lying" were written on top of his head.

For some reason, Ning Qing's anger suddenly rose.

On one hand, she couldn't believe it. On the other hand, she still hadn't recovered from the sadness she had just felt. Nian lie, don't joke with me.

Nian Yu lowered his eyes. He didn't smile at all. Miss Ning, I'm not joking with you.

"....."

"If you can't afford it, you can just say it. There's no need to sound me out."

He even showed a little impatience, and Ning Qing could no longer lie to him.

She thought about the number he had just said and felt that it was a dream!

20 billion!

It was an astronomical figure!

She had earned some money as a designer, but she was still far from 20 billion!

How could she possibly afford it?

The corners of Ning Qing's eyes twitched slightly, but she suppressed it. Nian lie, the money I've earned all these years is only enough to buy a single villa in America. It's not as much as you think.

"Oh." "You mean, you want me to give you a discount for the sake of an acquaintance?" the man said.

Ning Qing gritted her teeth and tried her best to hold it in. Yes, Mr. Nian. How much less can we get?"

The two words instantly pulled the distance between them apart.

Nian lie's eyes darkened for a second before they returned to their usual calmness.

Ning Qing thought that he would really give her a friendship price or something. After all, she would never let him threaten her with the matter of saving people.

However, he furrowed his thick brows and said in distress, "Miss Ning, the 'friendship price' is only for friends. You just broke off our past relationship. I don't think you have any feelings for me.

"....."

He looked at her with an extremely "humiliating" look. I also wouldn't have a friend like you.

Ning Qing's mind exploded. She glared at him. Nian lie, you did this on purpose! You know I can't afford it!"

I'm sorry, but with our current relationship, it's not worth my time to find out how much you have.

His words were extremely cold, and Ning Qing's heart shrank.

So this was how it felt to be treated as an ordinary person.

Ning Qing adjusted her state of mind and calmed herself down. I don't have that much money now. I can pay you back when I earn it in the future.

"No," Nian Lie refused firmly.

Ning Qing was excited. Why can't I? "

The Nian Corporation is short of money. Otherwise, it won't be able to operate for long.

Ning Qing was stunned. She didn't know if he was telling the truth, but she didn't expect that what she had done in the past would cause the Nian family and him to become like this.

In the past, even though Nian Lie had never given her money or a card, he had never been stingy with her food and accommodation expenses.

Now, he was starting to talk about saving his life. Was the Nian Corporation really in danger and on the verge of bankruptcy?

Ning Qing's thoughts became complicated. She really didn't have that much money.

"I'm sorry, but I don't have that much money," she said, resigned to her fate.

Nian Lie heaved a sigh of relief in his heart when she finally said that. He didn't show it on his face, but he pretended to be angry and disgusted. Miss Ning, I don't want to force you. If you really can't afford it, you can do something else to pay off your debt.

[Chapter 696](#)

696 Do you want to compensate for the losses or take care of me? your choice (1:

"Impossible!" Ning Qing refused without thinking.

Nian Xi didn't seem to mind. She nodded seriously. Alright, you pay for it.

After saying that, he really reached out his hand to her.

Ning Qing lowered her gaze. His big palm was broad and warm, and it had given her a lot of comfort in the fire!

But what was going on now?

She couldn't help but glare at him, her clear eyes fluctuating with emotions. Do you have to do this? "

Nian Lie lowered his dark eyes. Don't forget that you're the one who wants to cut off all ties with me.

"....."

He stared at her angry but speechless look and knew that he couldn't force her too much.

After thinking for two seconds, he said, "This place can't be compared to the capital city. I don't have anyone close to me. Now that I'm injured, it's inconvenient for me to move.

"Ruan Yi is your fiancée. She can take care of you," ning Qing said angrily.

"She's busy with the competition: so she doesn't have time," the man lied without changing his expression:

"....."

Ruan Yi was busy with the competition, so wasn't she?

Nian lie knew what she was thinking with one look. His eyes darkened. you said it yourself. Ruan Yi is my fiancée. No one else can compare to her.

"....."

"I don't want her to suffer too much." Nian Yu glanced at ning Qing, as if he really did not have any feelings for her. in the entire capital, you're the only one I'm most familiar with.

for the next two months, you will take care of me until my leg recovers, Yingying.

but I have a competition to compete with. I don't have that much time! ning Qing could not help but interrupt.

"Then I'll pick a time when you're free."

Nian lie's tone was warm and indifferent, and he didn't sound like he was forcing her.

ning Qing, I'm already being very polite to you. Since you're going to compete, I won't ask you to be by my side all the time. Besides, my fiancée is here too. There are many things that you don't have to do.

"....."

you can choose to compensate me for my losses, or you can take care of me as payment. It's your choice.

How was this a choice? What choice did she have?

Ning Qing was furious, and her beautiful face was full of anger.

"What's the difference between this and forcing me?: she mocked:

"There is."

"....."

"I'm giving you two choices."

Ning Qing choked. you!

When did he become so shameless and unreasonable?

you ... she turned her head away in anger. you might as well not give me such a choice!

Nian lie wasn't affected by her. His slightly pale face was still cold, and his voice was indifferent. sure. If you don't accept my suggestion, I'll have no choice but to hand this matter over to the police, along with the evidence of you selling the Nian family's confidential information.

Under her shocked gaze, he threw the last heavy blow.

“Ning Qing, this is an economic crime, do you understand?”

Those few words crossed ning Qing’s last line of defense.

Her heart was completely irritated, and her good temper disappeared. She might as well give up.

“Alright! Just send me to jail. Even if I go to jail, I won’t agree to your request!”

She was too determined, so determined that he felt a pain in his heart.

“You’d rather go to jail than take care of me.”

Nian lie’s thin lips twitched. His gaze was dark, but it was also filled with insight and sharpness.

“Ning Qing, what are you afraid of?”

The woman’s body trembled, and her eyes, which had yet to calm down, met his.

The waves were turbulent and could no longer be suppressed.

“Are you afraid of meeting me, or are you afraid of being with me all the time? or is Yingluo afraid of falling in love with me again?”

[Chapter 697](#)

697 Not everyone is worthy of me getting close to _1

I’ll give you a day to think it through. I want to hear your answer before tomorrow.

When she said this, the man was still lying on the hospital bed. He was so weak, but he was enduring the pain, and yet he still said such mind-shattering words.

Ning Qing’s eyes were dull, and she did not stop walking, but people could feel that she was absent-minded.

She thought of the man’s calm and confident words in the ward. It was like a needle, stabbing into her heart.

Pulling, pain;

Even if he didn’t pull it out, it would still hurt.

It was just like how he was to her.

She wanted nothing more than to make him disappear from her world, but when she thought about the attacks and revenge she had given him, she lost her sense of direction.

What was she going to do with him?

Ning Qing was confused and had a terrible headache.

Of course, Gu nanzhi could tell that something was wrong with her. She had felt it the moment she stepped out of the ward.

However, along the way, he thought that she would be willing to say something to him or ask him for help, but unfortunately, she did not.

He couldn't help but be disappointed. The corners of his lips curled up again. He pulled her over and smiled at her with a blossoming face. what are you doing? why are you so distracted? "

Ning Qing came back to her senses and avoided his eyes. I'm fine.

Gu nanzhi did not plan to let her off. She was in a bad mood. what did he say to you? you're so unhappy that it's written on your face.

He stretched out his index finger and pressed it on her cheek.

that guy is not a good person. He just wants to make things difficult for you. Tell me what he wants you to do. I can help you.

The man's high-spirited words made her feel at ease.

However, this peace of mind, to the current her, was a sense of guilt.

After a moment of hesitation, ning Qing turned her face to the side and let his fingers slip.

Gu nanzhi's smile froze on her face.

She didn't want to look at him. it's nothing, " she said hurriedly: I can handle it. Don't worry.

She broke free from his grip and walked straight up.

"....."

Gu nanzhi stood on the spot and watched as she left without waiting for her. She lowered her head and looked at her empty hand. A bitter smile appeared on her face.

When he returned to youran residence, the work was already half done.

Ning Qing went to the factory to see the craftsmen's production process. Ruan Yi had also returned, which surprised her.

However, the woman did not take the initiative to talk to her this time.

One of them sat at this table and the other at that table. Although they were said to be the production team, they actually had different thoughts.

Ning Qing didn't hold back, probably because she felt apologetic to Ruan Yi. She took the initiative to walk to her side.

Before he could speak, the woman spoke first. the process of making the actual product will reveal information related to the design. Especially for an expert like you. I'm afraid you can tell what my design is at a glance.

Ning Qing's body froze, and her eyes were fixed on Ruan Yi.

She turned her face to the side and raised her head slightly. Her voice was cold and arrogant. shouldn't you stay away from me and my work? "

Ning Qing was at a loss for words. She had already walked around her, obviously not wanting to talk to her.

“Ruan Yi!”

She called out to her.

Ruan Yi stopped in her tracks and turned around impatiently. I’m very busy. I still have to go back to the hospital. If you have something to say, just say it.

Ning Qing’s legs seemed to be tied to two stones, and it was difficult to move them.

She was a few steps away and her mind was not clear. I’m sorry, I didn’t mean it. I didn’t see your design, so you don’t have to worry about ran ran.

Ruan Yi smiled. that’s not important.

“.....”

She looked at ning Qing with an indescribable expression. to be honest, Ning, I used to like you, but now I realize that not everyone is worth getting close to.

[Chapter 698](#)

698 I promise you, it’s just two months_1

Ning Qing instantly felt like she was in an ice cellar.

Ruan Yi raised her chin, her eyes filled with disdain and disgust. Upon closer inspection, there was also a trace of disappointment.

“He became like this because of you, and you don’t even have the heart to be grateful.”

“Ruan Yi, it’s not what you think, Zhenzhen.” Ning Qing’s mind went blank.

“What I want is exactly what I see.” Ruan Yi’s face turned cold. you don’t have to explain. I trust my eyes and ears. And don’t tell me that you’re not repaying me for saving your life because you’re avoiding me.

“.....”

She sized her up from head to toe. from what I see, you might not be worth it.

Ruan Yi turned around and left after throwing out these random words.

Ning Qing stood there for a long time, and she only came back to her senses when uncle Wu came up to greet her.

She returned to her room dejectedly. In her mind, Nian lie and Ruan Yi’s words overlapped.

“.....”

She sat in front of the table for a long time, so long that when she picked up her phone, her hand was so stiff that it almost couldn’t move.

She awkwardly dialed a certain number. After a few rings, the man’s low voice sounded-

“Are you done thinking?”

“I promise you. Just two months,” ning Qing replied with some difficulty as she took a deep breath.

“.....”

There was no movement from the other side.

Ning Qing immediately hung up before she regretted it.

Then, she stared at the empty room, her eyes filled with bitterness.

In the hospital ward.

Nian lie stared at the phone and didn't move for a long time.

Ruan Yi was holding the tablet. The man had clearly heard the call, but he didn't respond at all.

She looked up from the computer. hung up? ”

The light in Nian lie's eyes gradually cleared. He hummed in agreement and placed his phone on the table beside him.

Ruan Yi tried to read his facial expression, but she couldn't read his mind. did she agree? ” she asked directly.

Nian lie's furrowed brows finally relaxed. His entire face softened, and there was an indescribable sense of joy.

Ruan Yi shuddered a little. that's enough. I know she agreed. This is just the first step. She didn't say anything. What's there to be happy about? ”

By the end of her sentence, her voice was already as soft as a mosquito's buzz.

That was because Nian lie's gaze was truly not very friendly.

She thought of something and said, ” by the way, you can take care of her, but don't disturb her during the competition. I still want to compete with her. Don't get in our way.

Nian lie narrowed his eyes. He was back to his condescending attitude. you? ”

Ruan Yi put down her tablet. what do you mean? what's wrong with me? am I not qualified to challenge your sweetheart? ”

Nian lie didn't say that he didn't. He lay down. Although his legs were still dangling, it didn't hinder his fierceness.

“We'll talk about it after this round.”

Ruan Yi,”Zhenzhen.”

She held the tablet tightly and glared at the man.

Just you wait, I'll make you look at me in a different light!

—

The next morning, Ning Qing asked the craftsman about the progress of the work. She was about to go to the hospital when Uncle Wu saw her.

“Are you going out?” Uncle Wu asked casually. Where are you going?”

Ning Qing did not hide anything. Uncle Wu, I’m going to the hospital.

The meaning of his words was self-evident.

Uncle Wu nodded with a wise look in his eyes. Why didn’t you wait for Mr. Gu to go with you? ”

Ning Qing was at a loss for words. She said casually, ” he’s still resting. I don’t want to disturb him. This had unknowingly pulled the relationship between the two further apart.

Uncle Wu had nothing to say and sent someone to send her to the hospital.

Ning Qing thanked him and left for the hospital.

In the courtyard, the old man looked up in the direction of a certain room. In front of the old wooden fence, the man who had just come out of the room was standing.

“.....”

Gu Nanzhi touched her messy golden hair and met the old man’s calm gaze.

He raised the corner of his lips and smiled politely.

Uncle Wu nodded at him, then walked away with his hands behind his back.

He looked at the figure who was walking out of the door in the distance, and his smile gradually faded.

A pair of deep blue eyes that were tempered with fine frost.

699 Hey me (1:

Before Ning Qing arrived at the hospital, she made a reservation at a well-known restaurant for a bowl of chicken soup and some food. She also bought some fruits from the supermarket.

She carried a lot of things to the ward. As soon as she entered, Nian Lie was eating breakfast. The well-behaved woman was holding a spoon and feeding him.

Ruan Yi glanced at her lightly when she saw her. You’re here.

“.....”

“Take a seat first.”

Then, Ruan Yi scooped another spoonful of porridge and put it into Nian Yu’s mouth.

He frowned and was about to reject her when he received Ruan Yi’s gaze and slowly opened his mouth.

Ning Qing did not say anything. She had expected this to happen, so her mood was not affected much.

She quietly placed the fruit and the thermos on the table. what did you buy? " Nian lie asked.

She turned sideways and controlled her expression very well. fruit and chicken soup will help you recover.

I can tell that you really want him to recover soon, " Ruan Yi continued.

"....."

Ning Qing did not speak.

Nian lie saw this and avoided Ruan Yi's hand. I'm not eating.

Ruan Yi nodded and looked at ning Qing. you, go and pack up. He's not eating anymore.

His tone was not sharp, but it was not good.

Ning Qing silently remembered that she was here to take care of the patient. She nodded, walked to the bedside, and began to clean up the mess on the small table.

Ruan Yi retreated to the side and didn't say anything else when she saw how quick she was.

On the contrary, Nian lie watched as she cleaned up the bowls and chopsticks and put them back into the bag at the side. Her actions were orderly and unhurried.

Ning Qing wanted to tear down the small table, but he raised his hand to stop her.

"What's the matter?" she asked.

Nian lie didn't answer. He was talking to Ruan Yi.

"The doctor just said that I'm calling you over after I'm done eating."

Ruan Yi was stunned for a moment, but she immediately understood what he meant.

"Alright, then you should rest for a while," she said cautiously as she scolded him for burning the bridge after crossing it.

She stared at ning Qing. you look after him.

Ning Qing nodded. At that moment, she really felt like a nanny.

She couldn't help but laugh, and when she looked up, she met the man's dark eyes.

Ning Qing's smile slowly faded.

"Didn't you bring some chicken soup? how long are you going to hide it?" Nian lie said indifferently.

Ning Qing glanced at the plate that she had just put away. you've just eaten.

"Who made the rule that I can't drink soup after eating?"

"I mean, can you still drink after eating?" ning Qing could not help but snort coldly.

“Why can’t I?”

The two of them started to compete for some reason.

Ning Qing straightened her body and lowered her gaze to look at him. I didn’t know that Mr. Nian’s appetite was so big.

“There are many things you don’t know: ” Nian lie replied indifferently:

“.....”

He looked at her. what do you want to know? I can tell you.

Ning Qing couldn’t stand his meaningful gaze and looked away. I don’t want to know!

She hurriedly grabbed the thermal container and poured out a bowl of chicken soup.

The thick soup poured out, and the fragrance assailed the nose.

She pushed the edge of the bowl, her attitude not very good. drink.

Nian lie leaned against the pillow, not moving.

“I can’t move.”

Ning Qing looked at his arm, but she could not see anything under the patient’s garb.

“I remember that your hand isn’t injured, Yingluo,” she said, relying on her memory.

“You’re wrong.”

The man’s light words stopped her from continuing.

“So?” ning Qing asked.

Nian Xi’s expression did not change. I need your help, miss ning.

“.....”

“Feed me,”

700 Move: little _1

Ning Qing’s heart skipped a beat, and warmth rushed up from her neck.

“I won’t be a coward!”

Nian lie knew that she was going to reject him, but his gaze remained indifferent. I asked you to take care of me, but that’s what a nurse should do. You’re not even willing to feed me soup. What are you doing here? ”

His words were a little overbearing.

Ning Qing suppressed her unwillingness and tried her best to convince herself, "it's just a soup, what's there to care about?"

She steadied her breathing and said, "okay, I'll feed you.

She reached out, picked up the bowl, took a spoon from the side, and put it in the thick soup.

Ning Qing was very mechanical. She scooped up a spoonful and sent it directly to his mouth.

Nian lie glanced at the spoon that was brought to his mouth. His thin lips moved slightly. hot.

One word, and it was inexplicably teasing.

Ning Qing's hand felt like it was on fire, and even her heart felt a little uncomfortable.

She lowered her eyes, retracted her hand in a panic, and blew on it.

Nian lie's dark eyes held a hint of a smile, but it disappeared before she could raise her head.

The soup of the right temperature was brought to his lips. He moved forward slightly, and his thin lips pressed tightly against the edge of the spoon. Ning Qing lifted her lips slightly, and the liquid was sent into his mouth.

He focused his gaze and said with a hint of admiration, "it tastes good.

Ning Qing was stunned. She didn't know why, but the back of her ear started to burn.

After that, the two of them didn't say anything and just quietly finished the bowl of chicken soup.

Nian lie was a little full. He was indeed full just now, but she had specially prepared chicken soup for him. How could he waste her good intentions?

Thinking of this, the man's heart felt a little more comfortable, and even the pain in his body dissipated a lot.

Ning Qing removed the small table and sat on a chair at the side, feeling relieved.

"Come here and help me," the man said before she could be quiet for long.

Ning Qing stood up hesitantly and went to his side. what's wrong? "

help me move the pillow. It's not comfortable to lean on.

"....."

Ning Qing looked at the pillow behind him and then back at his face. The man's face was calm and did not have any intention of making things difficult for her.

She let out a breath of air and leaned over to grab the pillow behind him.

He couldn't pull it.

She used both her hands to carefully avoid him, but this position still trapped him between her hands.

: Move: little: : Ning Qing did not dare to lower her head and reminded him numbly.

Nian lie's eyes darkened. what did you say? "

Ning Qing's face turned red before she could think of anything else. move. I can't.

Nian lie lifted his eyelids. Her fair and delicate face was right in front of him. Her red lips were tightly pursed, and she looked extremely alluring.

Not to mention, he had once enjoyed this beautiful moment.

His voice unconsciously became hoarse. I can't move.

Ning Qing couldn't care less and grabbed the corner of the pillow hard.

Suddenly, an arm wrapped around her from behind.

Her back stiffened. She pushed the man away and took a few steps back. With a red face, she was about to scold him. Nian lie, you're being stubborn.

"Uh,"

The man clutched his chest, his expression pained.

Ning Qing's mind went blank. what's wrong with you? "

Nian lie's breathing became labored, and his face turned pale. It was obvious that he had developed a problem after being pushed by her.

She couldn't care less about what had just happened. I'll call the doctor, " she said anxiously. wait for me!

Before she could turn around, he held her hand.

"There's no need, ran ran. Don't leave," Nian lie stopped her with a weak voice.

Ning Qing couldn't take another step.

He panted heavily, and she wanted to break free, but when she touched his hand on his chest, she stopped.

After a few minutes, the man's breathing gradually stabilized.

He let go of her before she could, and with a sickly weakness, he said, " ning Qing, I asked you to move the pillow for me. You want my life.
