

## Mr Nian 731

### [Chapter 731](#)

731 Gu nanzhi, it's not your fault (1:

Gu nanzhi's Blue eyes moved. it's okay, Auntie. It's better for you to go back and take a nap at this time.

Mrs. Ning stepped forward and held his hand. you've been gone for a few days. I miss you very much. Besides, your uncle doesn't want to talk to me. Qingqing is busy too. There's no one to talk to me. I'm very upset.

Ning Qing, who had to take the blame for no reason, laughed out loud. mother, why are you blaming me? "

that's the truth, " mother ning scolded. you and your father don't care about me at all.

He turned around and smiled kindly at Gu nanzhi. Xiao Gu is still the best. You know how to care for me.

Gu nanzhi smiled helplessly. She could not reject it.

"Alright, I'll accompany Auntie."

The man drove the car into the garage, and ning Qing's mother pointed at ning Qing. you go and wait for Xiao Gu. Your father and I will go in and prepare some fruit.

what are you doing? " Mr. Ning snorted.

"Don't you worry about it." Mother ning pulled him into the house.

Ning Qing stood there, waiting for Gu nanzhi to come out.

He parked his car and saw ning Qing when he came out. He was stunned for a moment.

Then, he understood. did Auntie ask you to wait for me? "

Ning Qing smiled. go in.

She walked forward, but Gu nanzhi did not follow.

"Ning?"

She turned around and saw him standing there with a conflicted expression on his face.

"What's the matter?" ning Qing asked.

Gu nanzhi lowered her eyes. I'm sorry. I moved out without telling you because I was angry.

"....."

He looked at her, who was in a daze, and said bitterly, " I thought that by doing this, you would come to me because you were worried about me. I didn't expect that my departure didn't affect you at all, Wanwan. I was just imagining things.

The man's words were full of disappointment, mixed with a bit of self-mockery.

Ning Tingting's heart ached when he heard that.

"Tiny, it's not your fault. I just didn't decide if I should come and find you."

She sighed softly. I wanted to reconcile with you too, but I was thinking that there are so many things happening around me. From any perspective, you don't have to be involved.

Gu nanzhi was a little excited. I volunteered!

Ning Qing shook her head. it's not about whether you're willing or not. I'm just thinking that the trouble and pain I've brought you may have far exceeded the good I've brought you. I can't be selfish anymore.

Gu nanzhi's heart was filled with panic. Ning Qing stood in front of her, her tone warm.

"Nan Yue, I think that I haven't been doing well enough with you. I didn't take care of your emotions many times, but you're a very important person to me. I'll panic, I'll feel uneasy, I don't know what attitude I should have towards you."

Ning Qing couldn't explain her feelings for Gu Nanzheng. He was better than any of her friends and was never stingy with her. He was even willing to give up everything he could for her.

However, it was precisely because of this that she was frightened and panicked.

Gu nanzhi's eyes slowly turned red. Just one sentence of 'you are very important to me' made him feel that everything he had done was worth it.

His heart had always ached for her to fight alone, whether it was in the United States or back in China.

She had always been strong, and sometimes, she made him feel inferior.

Why would he force her?

Why would he be so dirty as to test her thoughts?

Gu nanzhi blamed herself. She pulled her into her arms and sobbed. I'm sorry.

Tears welled up in ning Qing's eyes, but she did not push him away as she usually did.

I need time. I'll give you an answer after the competition is over, okay? "

Gu nanzhi did not say anything and only hugged her tightly.

### [Chapter 732](#)

732 You're going to see him?

In the living room, mother ning was grinning from ear to ear as she pulled Gu nanzhi to talk to her.

"Xiao Gu, which friend of yours are you staying at?"

"It's just a work partner,"

"Will you trouble them? Also, are you living well?"

"I'm alright. Although my friend is stubborn, he's still quite good to me. He didn't treat me badly. Auntie, don't worry."

Oh, that's not what I meant, Zhenzhen. Mrs. Ning pulled him back and smiled. I mean, it's not good for you to keep troubling your friend. Besides, you've made up with Qingqing. Do you want to move back? "

Gu nanzhi's eyes curved as she glanced at ning Qing, who was not far away.

Ning Qing was also a little embarrassed by her mother's words. mother, you ...

Before she could finish, her phone rang.

She took it out and saw that it was the man she had ignored for a few days.

Ning Qing hung up the phone silently and looked up, only to see three people in the living room looking at her.

who's calling you: why didn't you pick up? " Mrs ning asked.

: It's: scam call: : ning Qing lied.

Mother ning nodded, not suspecting him.

Only Gu nanzhi's eyes narrowed, revealing some wisdom.

Mother ning held Gu nanzhi's hand and continued, " when your uncle and I were young, we always wanted a son. Now that you're here, we're all very happy. So, little Gu, why don't you move back? "

In order to persuade him, mother ning even used herself as a guarantee.

I know that Qingqing has bullied you. This girl is stubborn, just like her father. Don't take it to heart. If she bullies you again, tell me and I'll teach her a lesson!

Gu nanzhi didn't know whether to laugh or cry. it's not as serious as you say.

Mother ning did not care. She turned around and warned ning Qing. I'm going to make it clear. Qingqing, you're not allowed to bully Xiao Gu anymore.

Ning Qing was speechless.

"Did you hear that?"

"I know."

Mother ning turned around and smiled again. look, she's agreed.

Gu nanzhi's heart felt warm. Perhaps it was because she hadn't felt the kindness of an elder for a long time, but mother ning held his hand like this, her eyes full of love. He didn't know what to do.

"I'm Yingying!"

At this critical moment, ning Qing's phone rang again.

She lowered her head to take a look before hanging up.

However, that person was extremely persistent. He called her a few more times, but she still didn't pick up. The last message popped up.

Just two words, return the money.

dad, mom, I have something to do. I need to go out for a while. ning Qing broke through her defense and turned to the people on the sofa.

"Is it about the competition?" father ning asked. Are you in a hurry?"

it's a little urgent, but it's okay. You guys rest at home. I'll be back after taking a look.

"Do you want me to drive you?" Gu nanzhi suggested:

"No need! It'll be quick, you just have to keep my mom company."

However, ning Qing's refusal was of no use.

"Since it's fast, it's more convenient to drive."

Gu nanzhi had already stood up and was walking towards her.

She was very helpless. Gu nanzhi could tell from her expression that something was wrong and her voice suddenly sank. you want to see him? "

A trace of panic flashed through ning Qing's eyes. She had gotten the answer. sure.

The man stuffed the car keys into her hand and returned to the sofa, staring at father ning and mother ning in a daze.

Mother ning was a little nervous. what's wrong? Why aren't you going?"

Ning Qing didn't know how to answer. Gu nanzhi spoke up: Auntie, I'm not feeling well. Let her drive herself.

Ning Qing was stunned. She agreed. yes, it's good that you're home. I'll be back soon.

After she finished speaking, she walked to the door, put on her shoes and clothes, and opened the door to go out, regardless of their reactions.

"This child, I don't know why she's so anxious."

Gu nanzhi smiled and did not say anything.

Father ning looked at Gu nanzhi's gloomy face. He seemed to know something, but he didn't say anything.

### [Chapter 733](#)

733 Mr. Nian is a double-standard (1)

Ning Qing was very angry.

He sped all the way to Nian lie's residence and stormed into the living room.

When she saw the man's calm expression, she was furious.

Smacking the car keys on the table, Ning Qing said angrily, "tell me, what do you want from me?"

Nian lie was watching the TV show, not paying any attention to her.

Ning Qing was furious. Nian lie, I'm talking to you! You'd better give me a reasonable reason, otherwise I'll f \* ck you up!"

"Otherwise what?"

The cold and faint accent seemed to be able to freeze people to death.

"....."

Ning Qing was at a loss for words and could not say anything.

Nian Yu slowly shifted his gaze. how many days have you not been here?"

Why did these words sound like they were filled with deep resentment?

Ning Qing thought that she was overthinking things. Nian lie continued, "as my nurse, you left your post without permission and abandoned me. I begged you to come, and now you're even trying to condemn me.

"....."

"Ning Qing, have you understood the primary and secondary relationship?"

Ning Qing slammed the table. I have a competition this morning!

Nian lie glanced at her. yesterday.

"....."

"The day before yesterday?"

Ning Qing pursed her lips. I'm busy preparing for the competition.

Nian lie almost laughed out of anger. you're so confident in your lies now?"

"I'm not lying! Our agreement this morning was that you can't interfere with my competition."

Nian lie looked at the shameless woman and said, "I did say that, but only if I let you take care of me when there's no competition.

Ning Qing held back her anger. preparing for the competition is also a part of the competition.

Nian lie's expression turned cold. eating and chatting with Gu nanzhi is also preparation for the competition?"

Ning Qing's eyelids twitched. The man's voice was gloomy. then, you haven't appeared for two months. Can you also say that it's for the competition?"

Ning Qing could not find anything to say. She turned her face away. I didn't do that.

Nian lie felt like he was going crazy.

She was having a good date with someone, but he couldn't help but be jealous when he found out.

After a few rounds of restraint, he finally suppressed the negative emotions.

He pulled a long face. you'd better be clear about what I want from you. Don't think of any crooked ideas. It's not easy to fool me these two months.

Ning Qing took a deep breath and smiled. yes.

"I'm thirsty."

Ning Qing poured him a glass of warm water and handed it to him.

Nian lie took it. His fingertips touched hers, and a strange feeling rose in his heart. The woman had already retracted her hand, as if she was avoiding physical contact with him.

The smell of gunpowder in the living room dissipated, and it was so quiet that it made people uncomfortable.

cough! Nian Yu coughed, seemingly unintentionally bringing up the topic, " how was the match this morning? "

:: 'm fine: : Ning Qing glanced at him and said perfunctorily:

Nian lie shot her a cold look. Before he could mock her, she added, " it's just a written test. The questions are quite simple. It's not much different from the previous tests.

The only difference was that it was added at the last minute.

Nian lie nodded when he saw that she wasn't worried at all.

"Where's Ruan Yi?" he asked.

Ning Qing found it funny and looked him in the eye. she's your fiancée. She's closer to you.

In other words, he should know better than she did.

Nian lie didn't feel awkward. I don't want to give her too much pressure.

After saying that, he looked at her meaningfully.

To his surprise, ning Qing suddenly sneered and looked at him with cold eyes. that's true.

Nian lie could hear her dissatisfaction from her two words.

He furrowed his handsome brows. ning Qing, don't be so sarcastic.

He said she was being eccentric?

Ning Qing's face turned red with anger and she blurted out, "you're allowed to play tricks behind my back, but no one else is allowed to talk about it?" Mr. Nian, you're too double-standard."

[Chapter 734](#)

734 In your heart, am I someone who would do anything to achieve my goals?

These words were really harsh.

Nian lie's brows furrowed even more. ning Qing, you better talk to me properly.

What did he do?

Ning Qing could not care about anything else. She only felt that the man in front of her was completely unreasonable. you know what you've done.

Nian lie's eyes darkened. then tell me, what did I do? "

Ning Qing let out a deep breath, and her tone could not help but carry a hint of ridicule.

Mr. Nian is rich and powerful. He can do anything he wants, let alone interfere in a competition.

"....."

Seeing that his expression was not good, ning Qing felt even more uncomfortable, so she simply told him everything.

"You were the one who changed the topic for Ruan Yi and me in the last match, right?"

Nian lie's brows were tightly knitted together, and his thin lips were tightly pursed. you think I did it? "

Ning Qing was so angry that she laughed. wasn't it you? "

Among all the contestants, she couldn't think of anyone else who had such power and a grudge against her other than Nian lie.

However, the man did not feel guilty at all. He looked up and met her eyes.

"It wasn't me,"

"....."

In order to make her believe him, he even told her the truth. I won't do that to you. Ruan Yi doesn't need it. You don't need it either.

However, ning Qing felt that he was still thinking about Ruan Yi. She knew that it was what he should do, but she could not understand.

There were so many people in the competition, and she wasn't the only one who was a threat to Ruan Yi. Why was he only targeting her?

Did he not want to see her doing well?

Seeing ning Qing's cold expression, Nian lie's eyes darkened. you don't believe me? "

"What do you have that I should trust?"

With just one sentence, Nian lie's anger was ignited.

He clenched his fists unconsciously and restrained his expression. so, in your heart, I'm a man who would do anything to achieve his goals? "

Ning Qing stood in front of him and did not respond.

It was as if he had silently agreed.

The corners of Nian lie's lips twitched, and he suddenly smiled.

"Ning Qing, you've thought too highly of me."

"....."

"This is a national competition. How many people in the jewelry industry are watching? According to your plan, I'm going to use this kind of dirty method to help Ruan Yi win, but have you ever thought that it's not a glorious win, but if people find out, how will Ruan Yi be able to stand in the jewelry industry in the future?"

His eyes were filled with sorrow and a little hurt.

Ning Qing was startled, and her rationality returned.

He was a little uncertain and confused.

Seeing that she still didn't believe him, Nian Xi said in a self-mocking tone, "I, Nian lie, have done many disgraceful things to you. I've tried all means to keep you, but it has been proven that not all means work. I'm not that stupid to let the whole world know that I'm targeting you.

then, in the last match, why was Ruan Yi able to skip everyone and go up to the stage to pick the questions? " ning Qing's mind was in a mess after hearing this. She asked randomly.

Nian lie's clenched jaw loosened a little. He had to admit, "I'm just trying to stop her from wasting her time in line!

Also, she was present, so he wanted her to see him treat another woman well!

He wanted to let her know that even if he lost her, there would be other women by his side, and that he did not have to be with her!

However, the truth was that she didn't care at all. Instead, she mistook him for the one behind the scenes.

Ning Qing was no longer in the mood to see his expression. Scene after scene flashed through her mind.

She still didn't understand. no, that's not right. Huanhuan and Ruan Yi clearly have the same problem as me. If you didn't do it, who would deliberately make things difficult for me? "

### [Chapter 735](#)

735 Anyone is possible, but I don't know \_1

In the previous round, Ruan Yi's topic was " Dongfang " while she was " Life ".

Ruan Yi was famous for her "national style" design style, and "Oriental" was almost similar to "national style."

What a coincidence. Wasn't he paving the way for Ruan Yi by exchanging her Dongfang with Ruan Yi?

The veins on the back of Nian Xi's hands were bulging, showing how much strength he had used.

"Naturally, I'm afraid that you'll be a threat to my people," he said.

"....."

"But it wasn't me."

Nian lie's voice was low and hoarse. I don't want to use this method to target you.

Ning Qing was completely confused.

Was he afraid that she would threaten him?

It was possible for everyone in the competition.

However, not everyone had the power to manipulate the internal mechanism of the competition.

Ding—

Suddenly, a name popped up in her mind.

Nian lie had guessed that she had thought about it. His thin lips opened and closed. it's possible for anyone. I'm the only one who can't.

Ning Qing had calmed down and sat on the sofa.

She didn't pay much attention to his words and muttered to herself, "would someone like her be afraid of my threats?" That's not possible."

Nian lie's eyelids twitched. Seeing that she wasn't listening to him at all, his entire face was dark. ning Qing.

"Targeting me? Did he not have confidence in himself? Hehe."

Nian lie gritted his teeth. ning Qing!

The woman turned around. what's wrong, Wanwan? "

Nian lie's eyes were cold. shouldn't you give me an explanation for this? "

Why did she suspect him first?

Ning Qing's eyelids twitched, and she felt a little guilty. I was mentally unstable some time ago. If it really wasn't you, then I've misunderstood you. I apologize to you. I'm sorry.

Nian lie was so angry that he laughed when he heard her insincere apology.

"Just like this?"

Ning Qing's heart turned cold. what else? "

Nian Xi put on a fake smile, which only made people panic.

"You've wronged me. Do you think you can get rid of me with just an apology? isn't it too easy?"

This made ning Qing think of his exorbitant demand before. She stood up excitedly and defended herself.

it's normal for me to suspect you. You and I have a grudge against each other, and you were the one who brought Ruan Yi to the competition. Of course, you want the best for her and want me to be eliminated as soon as possible.

Nian lie laughed coldly. you've thought it through.

"....."

Seeing that she was at a loss for words, he turned his face away, and his anger slowly disappeared. you're so stupid.

When ning Qing heard this, she couldn't believe it at first, then her face turned red. don't think that you can scold people as you please just because you didn't do it!

Nian lie looked over with interest. She was a little flustered, her eyes darting around.

He snorted and chuckled. you don't even know why others are targeting you. What are you if not stupid Yueyue? "

Ning Qing caught some information from his words and asked seriously, "what do you mean?" Do you know who is targeting me?"

Nian lie was arrogant and felt that she was a real fool.

"If you know, then tell me!"

Ning Qing grabbed his hand anxiously.

Nian lie's gaze wavered. He deliberately kept her in suspense. there are some things that you'd better ask your little young master Gu when you get back.

Ning Qing ignored the jealousy in his words. Gu nanzhi? "

What did he know?

Nian lie was displeased that she had mentioned that man's name, but he pretended not to hear it.

"Could Zhenzhen be related to the Lou family?" ning Qing muttered.

A single match had involved so many people.

Ning Qing's mind was in a mess, and she couldn't figure it out.

Seeing how troubled she was, Nian lie's attitude softened.

"If you can't think clearly, you can ask the others."

## [Chapter 736](#)

736 : 'm sorry for misunderstanding you, and Yingluo, thank you \_1

Ning Qing shifted her gaze to him. He did not avoid her gaze. how long are you going to hold on to me? "

Ning Qing immediately retracted her hand as if she had been scalded by fire. She nodded hurriedly. I'll go back and ask him now.

Surprisingly, the man did not stop her.

After taking two steps, she seemed to have thought of something. She turned around and said to the person in the wheelchair, " I'm sorry for misunderstanding you. And thank you, Wanwan.

Nian lie was surprised. She had already run to the entrance, opened the door, and left.

" ....."

He looked at the door and his lips twitched happily.

Then, he thought of something and his smile gradually disappeared.

His handsome face became unfathomable.

\*

When ning Qing went back, she didn't expect Gu Nanzheng to still be there.

Under the watchful eyes of father ning and mother ning, she grabbed Gu nanzhi's hand and said, " I have something to discuss with him. then, she dragged her into her room.

Before Gu nanzhi could react, she had already been pushed against the door.

Ning Qing's eyes searched the table and soon found a pen.

With a cold face, she opened the pen cap without a word and stabbed the sharp tip of the pen at the man's fragile neck.

Gu nanzhi shrieked and grabbed her wrist to stop her. what are you doing?!

Ning Qing's face was cold as she stared at him. what's your relationship with the Lou family? "

Gu Nan was stunned.

Ning Qing tightened her grip on the pen in her hand. Gu nanzhi, you know something, don't you? Why won't you tell me? How long do you want to hide it from me? or are you a member of the Lou family and you have another purpose in approaching me?"

Gu nanzhi was confused. what did you hear? what did you say that I'm from the Lou family? I'm scared.

He fixed his eyes on her face and knew that she was not joking.

The man's face gradually became serious. Ning Qing pressed a hand on his chest and was even more certain that he knew something.

Gu nanzhi, you better tell me what you're hiding from me!

Ning Qing couldn't tell if she was angry or what, but she felt terrible in her heart!

She trusted him.

It was due to trust in every aspect.

However, the person she trusted so much actually had a relationship with the Lou family behind her back!

Gu nanzhi's expression became strange. Her blue eyes flickered a few times before she finally compromised. I know Lou qingyue.

Ning Qing was stunned, and she exerted more force.

"In the previous match, uncle and aunty asked me about it, but I didn't admit it. But I can tell you now that I know her well."

He was very serious. I do know someone from the Lou family.

Ning Qing's eyes darkened. Gu nanzhi quickly said, "but I'm not as close to the Lou family as you think. I don't know much about Lou qingyue either. I've only heard from people in the United States that she has a bad temper and is arrogant. She's even more scheming and ruthless. So no matter which circle she's in, no one likes her.

"What else?" ning Qing asked.

Gu nanzhi furrowed her thick eyebrows. I didn't expect her to participate in the competition this time. I was also very surprised to see her.

Ning Qing's eyes were sharp. what you said is not a reason for her to target me.

Gu nanzhi's eyelids drooped, hiding the expression in her eyes.

"How do you know that she's targeting you?"

Ning Qing didn't let go of her hand. jianjia and Nian lie told me. When Ruan Yi and I had our questions changed, I thought he was helping Ruan Yi, but I asked him just now and he denied it.

And it was reasonable.

She had no doubt.

Gu nanzhi did not say anything.

Ning Qing recalled that in the previous match, she had been unstable because she suspected that Nian lie had helped Ruan Yi. It was also this man who had said that Nian lie couldn't have done it.

### [Chapter 737](#)

737 She's a member of the Lou family (1:

Could it be that he already knew that Lou qingyue was behind this?

Ning Qing's heart turned cold. you already knew? "

Gu nanzhi's eyelashes moved, but she did not deny it.

Ning Qing let go of the pen in her hand. The pen fell to the ground and rolled along the floor, making some sounds.

She turned around, feeling a little disappointed.

"Gu nanzhi, I don't know why you're doing this, Yingluo, but don't you feel guilty at all when you see me so anxious and panicking for the competition while I'm actually being played around in the dark? Or are you happy to see me like this?"

"No, it's not!"

Gu nanzhi denied it. She walked up to her, feeling a little helpless.

Lou qingyue isn't an ordinary person. I don't know why she would use such a method on you. You're at a critical moment. I'm afraid that if I tell you, it will affect your mentality.

Ning Qing laughed. so you let me guess and embarrass yourself in front of Nian Xi? "

Gu nanzhi lowered her head. do you care so much about what he thinks of you? "

Ning Qing was furious.

"Do you think I'm telling you this because I care about Nian lie?"

Was his brain kicked by a donkey?

Gu nanzhi remained silent.

Ning Qing had never felt like this before. She wanted to split open his head and see what was inside!

She gritted her teeth and shouted,"I care about you!" I care that you're hiding it from me, I care that you're lying to me!"

"....."

"You're one of the closest people to me now. I've never doubted you, nor have I ever guessed your intentions."

But now, the truth was telling her that he had been hiding something from her all this time!

Perhaps, it was much deeper than she had imagined!

Ning Qing was so angry that she had a headache and reached out to hold her forehead.

Gu nanzhi was shocked by her words and did not recover for a long time.

After a while, he finally understood what she meant. He was in high spirits, but he was also uneasy because of her current attitude.

"Ning....."

Ning Qing stopped him from helping her up. tell me, what else are you hiding from me? ”

Gu nanzhi subconsciously wanted to deny it, but her face turned cold.

you’d better take this opportunity to explain everything clearly. Otherwise, if you’re exposed in the future, I won’t believe you again.

Ning Qing’s anger could be seen from her warning.

Gu nanzhi hesitated for a moment. She sighed and felt helpless.

&Nbsp; okay.

Perhaps this was the best opportunity.

He couldn’t miss it again.

Gu nanzhi was serious. HE is a business that the Lou family invested in.

Ning Qing was dumbfounded. what? ”

you didn’t hear me wrong. I said that HE is funded by the Lou family. The Gu family is just a boss in name. We have the Lou family’s support.

“The Lou family that Lou qingyue is from,” he added.

: So: ran ran, Lou qingyue is my real boss: : ning Qing’s thoughts were in: mess.

Did she do all this just because she didn’t want a nobody like her to steal the limelight?

That didn’t seem right.

She was now under HE, and HE was funded by the Lou family. If she won, wouldn’t it be the Lou family’s honor?

Ning Qing fell into chaos.

Gu nanzhi’s eyes struggled for a moment before she forced herself to explain.

no, the Lou family invested in HE. It has nothing to do with Lou qingyue.

what do you mean? ” ning Tingting asked, confused.

Gu nanzhi decided to go all out and revealed everything.

“Have you forgotten who sent you to my company?”

An idea flashed through ning Qing’s mind. Tina? She’s one of Lou qingyue’s people?”

“Yingluo isn’t.”

“.....”

“She’s from the Lou family.” Gu nanzhi glanced at her and vaguely said.

[Chapter 738](#)

738 Tina is also a member of the Lou family (1:

Ning Qing's heart skipped a beat.

Lou qingyue was a member of the Lou family, and if Tina was, then she was Lou qingyue's Xuanji subordinate?

Subconsciously, her perception of Tina had already strayed from the right track.

Gu nanzhi's expression was serious and she did not seem to be joking.

as you know, the Lou family is a big family. There are many forces under it. They are complicated and mysterious. No one in the outside world has ever found out the details of those forces. The Lou qingyue you know is the eldest daughter of the second Madam of the Lou family. She is just one of the weaker forces in the Lou family.

Ning Qing could hear her own voice trembling. that Tina is Yingluo.

"She's also part of the Lou family's power," Gu nanzhi replied.

Afraid that she would say too much, and ning Qing was a meticulous person, Gu nanzhi deliberately added,"you can understand it as she is under the master of the Lou family." &Nbsp;

As expected, ning Qing was led away by him.

"The head of the Lou family?"

"That's right."

Gu nanzhi secretly heaved a sigh of relief, but there was no change in her expression.

the elder you met at Yan Sichen's family annual party.

Ning Qing's heart was filled with unfamiliar emotions, and she did not notice the man's words.

"Tina is one of Madam Loulan's people?"

Gu nanzhi bent down and picked up the pen on the ground. okay, " she said softly.

After getting an affirmative answer, ning Qing somewhat understood.

Mrs. Loulan had once admitted to her that she liked her designs.

Even though she wasn't narcissistic enough to attract Madam Loulan, from what she could understand, she was probably the reason why Madam Loulan asked Tina to help her.

No, it was still not right.

my encounter with Tina was an accident, " ning Qing said seriously. I had nothing at that time, and it was even more impossible for Madam Lou to notice me. How could she have asked Tina to help me? "

Gu nanzhi's long fingers played with the pen. why can't you understand that she only noticed you later?  
"

Ning Qing frowned. could there be such a coincidence? "

the meeting between two strangers can only be a coincidence. Tina met you by chance, saved you, and sent you to HE HE. With your talent, you lived up to everyone's expectations and brought great benefits to HE HE. Naturally, Mrs. Lou knew about you.

Gu nanzhi's words seemed to have no flaws, and it seemed like this was the only explanation.

After all, she was born in Ye City. No one would believe that she had some sort of relationship with the Lou family.

As ning Qing thought of this, she ignored the strange feeling in her heart.

The topic returned to Lou qingyue.

since Lou qingyue is the daughter of the second Madam of the Lou family, does that mean that she is related to Madam Lou LAN by blood? "

Gu nanzhi nodded. She didn't mind. those who hold power in big families all have some sort of relationship with the person in power. This isn't strange.

Ning Qing was puzzled. since we're family, why would she want to deal with me? "

In that case, she was also one of Madam Lou Lan's subordinates. Why did Lou qingyue still target her?

Gu nanzhi looked at her as if she was looking at an idiot. I'm just a small Gu family, and there are people fighting for power and benefits. Do you think the Lou family will be peaceful? "

"....."

Gu nanzhi was a little emotional. Her voice was obscure. the interest involved in big families is not something you can imagine.

There was a strong sense of sarcasm in his eyes, and his tone was mocking.

"For some people, no matter how small the benefits are, as long as it's related to them, they won't give it up."

"....."

"Not to mention relatives, even mother and daughter, siblings can turn against others for their own benefit."

After hearing Gu nanzhi's words, ning Qing's heart turned cold.

She could hardly understand such a thing. Even before this, she did not believe that such a family relationship existed.

However, some things didn't happen just because you didn't believe it.

Ning Qing's feelings were extremely complicated at the moment. She didn't know if she was satisfied with Gu nanzhi's words after sorting out these things.

She lowered her eyes and seemed to be talking to herself.

so, Lou qingyue didn't want me, who is on Madam Loulan's side, to win. That's why she did all this.

"I don't think so."

Gu nanzhi didn't dare to say that Lou qingyue was not satisfied with Lou LAN. After all, he couldn't be sure about this and he couldn't say anything. It would easily cause trouble for himself and the Gu family.

"She just doesn't like Tina."

Ning Qing's consciousness returned to its original state.

"She has a grudge against Tina?"

Gu nanzhi felt much more relaxed. She sat on the sofa and said casually, "I heard that as the head of the family, Madam Loulan thinks very highly of Tina. She secretly gave her many important things. Lou qingyue might be unhappy because of this. She also knows about your relationship with Tina, so she deliberately did this to you.

"....."

Ning Qing was speechless.

After all this, it was all because of Tina.

But was it really that simple?

How could she explain the inexplicable sense of familiarity she had for Lou qingyue?

Ning Qing did not calm down after getting the answer. Instead, she became even more irritated.

Gu nanzhi peeked at her quietly. I still have something to tell you, " she said, trying to sound her out. there's something else I want to tell you.

Ning Qing was not in the mood. what's the matter? "

The man was embarrassed and did not say a word.

She looked at him, but he immediately avoided her gaze. actually, Yueyue, " he said uneasily, " I didn't have any good intentions when I first got close to you.

Ning Qing's eyes widened. He hurriedly said, " I told you just now. He is funded by the Lou family. Then, Tina used some chips to make a deal with me in order to get you in.

"....."

The more he said this, the more the woman's expression changed.

Gu nanzhi hated herself for not being able to express herself well enough. Every word he said was filled with the taste of business interests.

But he clearly didn't think that way, so why did he say it like that?

"What kind of bargaining chip?: ning Qing asked coldly.

she's the one who used the Lou family's name to help me stabilize my position in the Gu family. I'll make an exception and take you in, Yingying.

His voice became softer and softer until it could no longer be heard.

For a long time, the two of them did not speak.

Gu nanzhi felt more and more uneasy. She wanted to say something to ease the atmosphere.

as expected of young master Gu, " ning Qing said. you're so calculative and won't suffer any losses.

A chill ran down Gu nanzhi's spine. She maintained her fake smile. what are you saying? you were just an ordinary divorced woman back then. You didn't have any background or education. I had to put in a lot of effort to get you into HE, okay? "

The corners of ning Qing's lips twitched, but the smile did not reach her eyes.

"If that's the case, I should thank you."

Gu nanzhi shuddered. there's no need for that. Although my thoughts were not pure at that time, I was sincere towards you after that. You can feel it.

Ning Qing snorted coldly. Gu nanzhi scratched her head. anyway, you can't be angry with me.

Ning Qing was angry and annoyed. She glared at him. why can't I be angry? "

Gu nanzhi stretched her neck and blurted out, 'because I really like you! In order to protect you, I used my position in the Gu family as collateral!"

After he finished speaking, the room fell silent.

He suddenly realized that he had said the wrong thing and stood up helplessly, his face slightly red. I'm too lazy to tell you. Believe it or not.

740 I don't think you will lose \_1

He turned around to escape the room.

"Stop there."

The woman's short words stopped him in his tracks.

Gu nanzhi's back was facing her, the panic on her face nowhere to be hidden.

Ning Qing stared at his back. you just said that you're betting on your position in the Gu family.

"I didn't say anything. You heard me wrong." Gu nanzhi interrupted.

Ning Qing didn't believe her at all. Gu nanzhi, you'd better tell me the truth.

The man's back stiffened.

Her nerves tensed up. did you exchange your position in the Gu family for this competition with those people? ”

Gu nanzhi could tell that her voice was trembling.

He was so nervous that he held the pen in his hand and firmly denied it.

“Tell me the truth!”

“No!”

The footsteps behind him were hurried, and then he was pulled by a strong force. He turned around, and his collar was tightly held by the woman.

Ning Qing’s face was red with anger, and so were her eyes.

“How could you do this!”

She knew about his past, about the hardships and pain that he and his mother had gone through. She knew that he had been treading on thin ice in the Gu family for so many years, so she understood how much he wanted the Gu family to pay the price!

However, in order to protect her, he had used himself as collateral!

If she lost, what would he be in the Gu family?

How could this be?

He couldn’t do this!

She did not want him to sacrifice so much for her!

Ning Qing’s nose soured and she roared, “Gu Nanzheng, why did you do this?” I’m just an ordinary person, I can find another job if I lose it, but you’re Yingluo!”

She choked on her words and couldn’t continue.

Seeing her like this, the last bit of pressure in Gu nanzhi’s heart disappeared.

He used to be afraid of being expelled by the Gu family, but now he was as relaxed as he was.

He was just a man, how could he care so much?

He just wanted to protect the career that she had always pursued and loved.

The man’s eyes were soft and gentle.

“If you want to talk, then talk. Why are you crying?”

“.....”

He raised his hand and gently wiped the tears from the corner of her eyes.

Only then did ning Qing realize that she had cried, but she didn’t care. She grabbed his collar tightly. no, go back and tell those HE people that I don’t need your guarantee!

Gu nanzhi laughed. how can you go back on your word so easily? ”

Ning Qing gritted her teeth. but aren't you worried that I'll lose? If I lose, what will you do?"

Her heart ached, and she couldn't control her tears.

The man smiled tenderly and sighed. it's enough to see you cry for me once.

She was stunned and her heart ached so much that she couldn't speak.

Gu nanzhi's eyes were also filled with tears, but he held them back.

Ning, to be honest, I've been very unhappy in the Gu family all these years, ” he said softly. I'm really tired when I think of my mother, my dissolute father, and my scheming relatives. If it wasn't for my mother's death supporting me, I would have given up long ago.

“.....”

He had experienced the darkest and most painful times, so he cherished the good times in front of him even more.

so what if I lose? it might Just Give Me a Reason to stay away from that home that is nothing.

Ning Qing's lips opened and closed, and her teary eyes reflected his weak and tired appearance.

Gu nanzhi could not bear to see her cry. She smiled. I've never been afraid. You don't have to be afraid.

“.....”

He didn't want the atmosphere to be too heavy, so he winked at her playfully. and in my heart, you are the best jewelry designer. I don't think you will lose.
