

Mr Nian 751

[Chapter 751](#)

751 I'm not Nian lie's fiancée (1:

The change came too quickly, so fast that Ning Qing could not accept it. what did you say? "

Ruan Yi was afraid that she wouldn't believe her, so she repeated, " I said, I'm not his fiancée. I'm here to participate in the competition as his fiancée. My mother's last name is Nian.

Something exploded in her heart.

Ning Qing's brain crashed on the spot.

Ruan Yi didn't give her a chance to catch her breath as she quickly explained everything.

our family hasn't been in contact with the Nian family for many years. I don't know how he found out that I like jewelry design, but he suddenly appeared in my living room one day. He used both threats and promises to get my parents to agree to let me come to Jing city with him to participate in the competition.

"....."

at first, I didn't know why he did that. It was only after I met you that I realized you had dumped him. He was probably unwilling to accept it, but he couldn't bring himself to look for you, so he found an excuse to come to the capital.

Ruan Yi pointed at herself. I'm the excuse.

Ning Qing's lips were unusually white, and she shivered. fiancée, RUO RUO.

Ruan Yi smiled. it's just a title. I'm guessing he wants to see how you'll react.

Ning Qing's mind was empty, and some emotions flowed out of her cold chest, melting the frost on it.

It was warm and flowing.

"As for youran residence, he did it on purpose, but the fire was really an accident."

The thought of that raging fire seemed to burn in front of his eyes.

Ruan Yi shuddered. when the fire started, we weren't in the building. You were the only one there. I told him not to go up and to wait for someone to come and save you, but I couldn't stop him.

The woman shrugged. you know what happened after that. He was hurt so badly because of you. I wasn't sure what happened between the two of you, so I didn't treat you well. I apologize. I'm sorry.

Ning Qing lost all her strength and couldn't even say a word.

Ruan Yi felt a little awkward. after I found out about what happened to you, I tried to help the two of you get back together on purpose. Sigh, it's all because that man acted so pitifully and had to take medicine every day to control himself. I couldn't stand it anymore, so I tried to help him.

The more Ruan Yi spoke, the less confident she was. She decided to end the topic and secretly glanced at Ning Qing.

I don't know if you still love him, but after today, at least I know that you still have hope and hope for the future and love.

that man is a bastard. He has done so many things to hurt you. It's only right that you don't forgive him. However, out of selfishness, I still want you to accept him again.

"He's pitiful and hateful, but he loves you so much that he can't stop himself."

"Sister-in-law, you should reconsider him."

"At the very least, don't reject him so openly."

"I'm afraid he'll really drive himself crazy."

The words were linked together and entered Ning Qing's mind.

Her long eyelashes fluttered like a butterfly's wings, revealing a fragile and hard-to-guess expression.

Ruan Yi was also afraid that she had touched her sore spot and felt extremely guilty. If you don't want to forgive that Yueyue, you can choose not to.

"....."

The woman's head was still slightly lowered, and she didn't respond.

sister-in-law, are you alright? " Ruan Yi asked.

Ning Qing closed her eyes and covered the mist in her eyes. I'm fine.

Ruan Yi's heart returned to its original place after looking at it for a long time.

"If you don't want to be my sister-in-law, then don't. Don't scare me."

Ning Qing's lips curled up with difficulty. Ruan Yi's heart ached at the sight and she exposed her mercilessly. that's enough. If you don't want to laugh, then stop laughing. I'm scared.

The smile on Ning Qing's face fell, and her pretty face lost its vitality.

Ruan Yi's almond-shaped eyes darted around. She couldn't stand her acting like this. She moved closer to her, pretending to be mysterious. I have another secret to tell you. Do you want to hear it? "

[Chapter 752](#)

752 Because you are my idol (1:

"What?: Ning Qing gave her a dejected look and went along with her.

Ruan Yi straightened up, her eyes darting around unnaturally.

Oh? " Ning Qing was puzzled. She coughed and said with a straight face, " after the competition, can you give me the manuscript you drew today? "

Ning Qing was puzzled. The topic had changed too quickly.

“Why?” she asked softly.

Ruan Yi raised her voice. what else? Of course it’s because Yingluo, because you’re my idol.”

In the end, her voice was as soft as a mosquito’s.

Ning Qing could not hide her surprise.

Ruan Yi saw her as an idol?

Thinking of the woman’s reaction when she first saw her and the series of enthusiastic treatments, everything seemed to make sense.

Ruan Yi thought that she was unwilling, so she blushed and pretended to be generous. can you please say something? don’t be so petty! If you mind the copyright, tell me how much you want and I’ll give you some.”

“No need,” Ning Qing refused.

Ruan Yi’s eyes lit up. really? ”

Ning Qing looked at her like she was looking at a child. really.

Ruan Yi was so happy that she almost jumped up, then she took ning Qing’s hand.

“Then, can I make another request?”

“What request?: ning Qing asked helplessly, not having the time to care about the bitterness in her heart.

“Can I sign on that design? I want to take it back for my collection.”

“Alright ...”

“That’s great! Ning, I love you!”

The two of them didn’t stay for long before the people who came to pick Ruan Yi up arrived.

“Then I’ll go back first. Work hard, you must win!”

Ruan Yi encouraged ning Qing, unlike the cold and harsh tone she had used before.

She couldn’t say that she would definitely win, but she sincerely promised, I will do my best.

Ruan Yi smiled. I’ll wait for you to return to ning city. I’ll take you out to play then.

“Alright,” he said.

The woman got into the car, and ning Qing looked at the back of the car, which gradually disappeared from her sight.

She turned around to hail a taxi and returned to her residence.

As soon as they entered the house, Mr. And Mrs. Ning rushed forward and said, " congratulations, my baby! It's really great!"

Ning Qing was a little absent-minded and was shocked. She then hugged her mother and said, " thank you, mother.

Mr. Ning patted ning Qing's shoulder with relief. your mother and I were worried about you, but you did well. We're proud of you.

Ning Qing's heart felt warm.

Mrs ning held her up. you've been working hard all morning. Qingqing must be tired. Come, let's sit on the sofa and talk.

The three of them moved from the door to the sofa. Mother ning was very curious. Qingqing, what do you think of this round? "

Ning Qing thought for a moment. it was a little dangerous.

what do you mean by danger? " asked Ning Xi's parents. What happened?"

Ning Qing told her parents about what had happened in the competition, including her match with Ruan Yi. The difference in the final score was only 0.1.

Mother ning's heart clenched as she heard this. She covered her chest with one hand and said, " oh my, that was close! If it wasn't for your luck and the fairness of the judges, I'm afraid it would've been very difficult for you to advance."

that's right, " ning Qing said. Ruan Yi is a designer with a lot of ideas. It'll be difficult to beat her. I have to say that it was a little luck that allowed her to be promoted to ran ran this time.

"You can't say that."

Father ning didn't agree with her.

you have the advantage to win. The judges are not fools. They are professionals. There will be no conspiracies, and they will not give out marks so easily.

"....."

"It's your design skills that you've accumulated over the years that moved them," father ning said with certainty:

[Chapter 753](#)

753 You're: little distracted today (1:

To be able to win this round of competition and at the same time receive praise from her parents, the slight suffocation in ning Qing's heart dissipated.

She smiled faintly. Mother ning also praised her. your father is right. Qingqing, let's not belittle ourselves. We must believe in ourselves.

Ning Qing's eyes were filled with a warm smile. father, mother, I know. Thank you for always supporting me.

"Silly child, what are you saying?"

Mother ning tapped the tip of her nose gently and lovingly.

you're our daughter. Who should we support if not you? "

Ning Qing's smile deepened.

At noon, mother ning personally cooked lunch. Gu nanzhi happened to be there as well, and the few of them celebrated harmoniously.

After the meal, the few of them sat on the sofa and played poker. Gu nanzhi did not know much about the domestic game, so she lost until her face was covered with paper notes, causing the few of them to laugh out loud.

While they were playing, no one noticed the time. It wasn't until the sky outside had turned dark that Ning Xi's mother stopped them.

"You guys have fun first. I'll go and cook. It'll be done soon."

Mother ning went into the kitchen. The Mahjong table was no longer round, and the other three people also stopped.

Ning Qing got up, took a cup of hot water, and walked to the window.

The sky outside was dark, and the lights were dim. The cold wind was raging.

She suddenly thought of someone.

Gu nanzhi looked at her standing there and was lost in her thoughts. She quietly walked behind her. what are you thinking about? "

Ning Qing's body trembled, and she took two steps to the side when she turned around. I'm not thinking about anything.

Gu nanzhi acted as if she didn't see her avoiding her and looked at her meaningfully. you were a little distracted for most of the day today.

"....."

Gu nanzhi raised her eyebrows. are you not happy that we won the competition? "

"Zhenzhen isn't." Ning Qing was at a loss for words and denied it in a daze.

"Did you encounter something that made you sad?"

As soon as he finished speaking, ning Qing recalled what Ruan Yi had said to her today.

the competition ended unexpectedly. I can't stay in the capital any longer. It's better to return to Ying city overnight.

If Ruan Yi was going back to Ye City, did that mean that ran ran was going back too?

The woman didn't reply for a long time. There was no expression on her face, but a trace of obscurity and loneliness could be clearly seen.

Gu Nanxi was stunned. He rarely saw her like this.

It was as if he had been isolated from everything around him.

Including him.

The man was a little flustered and waved his hand in front of her eyes. if you have something to say, just say it. What's with your expression? "

Ning Qing pursed her lips tightly, and her bright eyes flickered.

At this moment, the phone in his pocket vibrated.

Ning Qing took it out and saw that it was a text message from Ruan Yi.

"I'm going back to Ying city. I'll board the plane immediately. This time, in my personal capacity, I hope you can get what you want, whether it's for a competition or something else."

Gu nanzhi stretched her neck. who is it? "

Before he could see clearly, ning Qing had already stuffed the glass of water in his hand into his.

"I have something to do, so I need to go out."

She brushed past him so quickly that Gu nanzhi couldn't even reach out to grab the corner of her clothes.

When he came back to his senses, ning Qing had already dressed up and rushed out of the house.

Mother ning heard the noise and came out of the kitchen. She saw that ning Qing was not there. did Qingqing go out? " she asked in confusion.

Gu nanzhi's body stiffened, and she forced out a " hmm " from her throat.

"The meal is almost ready. Why did she run out?" mother ning complained.

Gu nanzhi turned around and said calmly,"it must be something urgent." &Nbsp;

"What's so urgent that you didn't even tell me you were going out?" Mother ning mumbled. Seeing that Gu nanzhi's expression didn't look too good, she kept quiet.

"....."

The living room returned to its usual harmony and silence.

The man stood in front of the window, holding the cup of hot water, but his palm was cold.

[Chapter 754](#)

754 Going to see Nian lie (1:

On impulse, Ning Qing rushed all the way to the apartment where Nian lie lived.

However, looking at the familiar door, her drive slowly disappeared, and what remained in her heart was an indescribable emotion.

She found it hard to understand.

“What silly thing am I doing?”

She laughed at herself helplessly. What was the point of her coming?

Even if he was just testing her with Ruan Yi, even if he had come to the capital city for her, even if he had covered up the fact that he was sick, he was just afraid that she would feel guilty.

So what?

He should be going back with Ruan Yi.

Ning Qing sighed and did not want to knock on the door that would not open.

She stuffed her hands into her pockets, shrunk her neck, and turned to walk back.

“Pa da-”

A sound came from behind him.

Ning Qing stopped in her tracks and did not turn back to look.

After the door opened, a bodyguard in black walked out and tidied up the floor. He then entered the house and pushed Nian lie out.

“Sir, where do you want to go?”

Nian lie’s voice was still clear. as you wish.

The man pushed him, and before they could take two steps, he noticed a familiar figure in the dark.

“Wait,”

The bodyguard stopped.

Nian Jing looked at the person. After three seconds, he confirmed her identity.

“Ning Qing,”

The woman turned around stiffly. For a moment, she didn’t know what expression to put on. She actually waved at him. Hi.

Nian lie looked at her from head to toe. what are you doing standing here? ”

Ning Qing stammered, ” uh, I’m going to admire the surrounding scenery.

“You’re here to find me?”

Ning Qing was embarrassed by his unhesitating exposure, and her face heated up a little.

She didn't know how to answer, but to Nian lie, it was a silent agreement.

After all, other than looking for him, she couldn't really be here to see the scenery.

Nian lie looked at her, who seemed to be at a loss, and his dark eyes rippled with a smile.

"Come here," he ordered her.

Ning Qing slowly walked to him.

"There's no need for you, walk further away," he said to the person behind him.

The bodyguard looked at ning Qing and made way for her. yes.

After that, he left the sight of the two.

Ning Qing did not move for a long time. Nian lie was impatient. what are you still waiting for? "

"What do you want?" ning Qing asked.

"Push me out for a walk."

These days, he had not left the house even once. He was afraid that his illness was getting more and more serious.

Oh, " the woman replied. She held the handle and the wheelchair slowly moved forward.

Under the streetlight not far away, a woman was slowly pushing a man in a wheelchair.

The two of them did not speak.

Ning Qing had too many things on her mind, while Nian lie was enjoying her rare gentleness.

Finally, it was no longer a competition.

The two of them walked for a while. Ning Qing could not get used to this " peaceful and quiet " atmosphere. This was not the atmosphere between the two of them.

She took the initiative to start a conversation.

"I have a match today."

"I know," the man quietly replied.

"I've advanced."

"Yes."

"I came in second in this competition."

"Yes."

Ning Qing was a little annoyed. my opponent this round is Ruan Yi.

Nian lie looked straight ahead. When he wasn't smiling, his expression was as cold as the depths of winter.

"I know," he said.

Ning Qing was a little annoyed. you know everything? "

She was inexplicably angry. Nian lie turned his head and said, " she called me to tell me right after the competition ended.

"....."

"Congratulations, you are one step closer to the championship."

[Chapter 755](#)

755 Ning Qing, why are you at loggerheads with me?

The man was sincerely congratulating her, but in this environment, he felt that it was a little fake.

"Thank you," ning Qing replied, equally polite.

Nian lie didn't respond.

I'm sorry, " ning Qing said in a cold voice. I didn't show mercy to your fiancée and caused her to lose the competition.

Ning Qing immediately regretted saying this.

This was not her usual style of speaking.

Such a sour tone, was it really her?

If even she found it strange, Nian lie naturally felt the same.

He said, " the competition has to be fair and just. If she loses, it can only mean that her skills are not good and she lost to others. There's nothing to be sorry about.

These words could be said to be objective.

However, ning Qing still felt uncomfortable. There was a very strange feeling in her heart, as if there was a ball of rubber in her heart, slowly expanding, making it difficult for her to breathe.

"Oh," she said with a straight face.

Nian lie thought for a moment and added, " don't worry about her losing to you. She'll accept it more easily than losing to anyone else.

Ning Qing faked a smile. Realizing that he couldn't see her, she simply put on a cold face. really? "

of course, you know she treats you as a friend.

At the mention of this, ning Qing could not help but feel even more depressed.

"Her behavior these days doesn't seem to treat me as a friend."

When he heard this, Nian lie finally noticed her abnormality.

He frowned and did not reply immediately. He only pointed to a flower bed not far away. There was an empty space next to it where the wheelchair could be placed steadily. push me there.

Ning Qing's face tensed up as she restrained her strength, afraid that she would accidentally push him into the middle of the road.

When they reached the flower bed, Nian lie lowered his body. Yan Zun stepped on the brakes of the wheelchair and reached out to her.

Ning Qing glanced at him, not understanding what he was saying.

His thin lips moved. my hands are dirty.

Ning Qing felt that he was like a two-year-old child now, who would let her care even if his hands were dirty!

She took a deep breath of cold air to suppress her surging emotions. I didn't bring any paper.

Nian lie didn't say anything and reached out to her.

Then, he rubbed his face against her clothes.

Ning Qing,"Zhenzhen."

What was wrong with this man tonight?

She looked at his cold expression, as if she didn't feel that she had done anything wrong!

Ning Qing gritted her teeth. Nian lie, you used my clothes to wipe your hands? "

"There's nothing to wipe with: " Nian lie said calmly.

"You won't rub it on your own body?"

"No,"

Ning Qing was furious. why can't I? You dirtied your own hands, and I'm not the one who dirtied them for you. Aren't you going too far by using my clothes to wipe your hands?"

Under the dim yellow light, there was a low flower bed next to it. On the left, there was a camphor tree, which gave off a faint fragrance.

The light was divided by the branches of the tree, scattering on the ground, the flower bed, and their faces.

Nian lie could clearly see her anger. His deep voice drifted into her ears with a gust of wind.

"Ning Qing, why are you so awkward with me?"

Boom—

A wave of heat spread from his chest to his neck, face, and ears.

However, it was not only her face that was burning. It seemed that her heart was also burning.

Ning Qing was so anxious that she let go of the wheelchair handle as if she had been electrocuted. what are you talking about? I'm not uncomfortable.

Nian lie was even more certain now. He chuckled. you appeared at my door for no reason and said some strange things. Aren't you feeling guilty? "

"I didn't say anything strange!" Ning Qing retorted loudly.

[Chapter 756](#)

756 You can't bear to part with me (1:

"....."

He stared at her until her cheeks turned red.

Ning Qing avoided his smiling eyes. I didn't. Don't talk nonsense.

Nian lie seemed to know what she was thinking. did you think that I'd leave just because Ruan Yi went back? " he asked her in the most relaxed tone possible.

He didn't give her a chance to deny it. His dark eyes were deep and soft like water.

"You can't bear to part with me?"

Ning Qing clearly felt her heart convulse. The throbbing was like an electric current that spread throughout her body.

Despite her excitement, she miraculously calmed down and looked away.

"I didn't. Don't think too highly of yourself."

Nian lie didn't mind her being stubborn and didn't probe further. if you don't have one, so be it.

"....."

He looked at her slender figure. Even though she was wrapped in a thick cotton coat, she still looked thin and weak.

"You, come over."

Ning Qing tried her best to hide her uneasiness. what are you doing? "

"My legs are not feeling well."

Ning Qing turned around. why are you not feeling well? does it hurt? "

She was a little hesitant, but she still knelt down in front of him. don't move, let me see.

She reached out her hand and wanted to look down.

A shadow loomed over her head. Then, a soft and cool man's breath wrapped around her neck.

Ning Qing's heart trembled. She subconsciously raised her head and saw that his face was already very close to hers.

“.....”

Nian lie hung the scarf around her neck. The coldness and iciness in his eyes had long disappeared, leaving behind only gentleness and concern.

“I won’t leave. Next time, don’t be in such a hurry to go out.”

His soft reminder rang the alarm bell in ning Qing’s body.

It was only then that she realized how close they were. The moment her face turned red and her heart raced, she suddenly stood up!

“It’s too cold, let’s go back,” she said randomly.

Then, he turned around to leave.

Nian Xi quickly grabbed her hand, and she lost her balance and almost fell.

He held her shoulders, the strength of his hands so steady that it made her feel at ease.

Ning Qing hurriedly stood firm and took two steps back.

watch where you’re going: ” Nian Yu reprimanded: don’t be careless.

Ning Qing was not convinced. it’s all because you pulled me.

She would talk back to him.

Nian lie couldn’t help but smile. He looked at her calmly and said, ” are you planning to leave on your own and let me go back by myself? ”

Ning Qing was speechless.

Nian lie stopped forcing her. let’s go.

Ning Qing unwillingly waited for him to pull the brakes and pushed him back.

The two of them really didn’t say a word along the way.

After returning to the apartment, ning Qing did not plan to stay for long.

“I’m going back.”

“Have you eaten?” Nian Yu pretended not to hear her.

Ning Qing was annoyed. After spending time with him just now, she was sure that she was not used to the way they were now.

He felt that something was beginning to change.

“I’ll get someone to make you something to eat. Wait a moment.” Seeing that she was in a daze, Nian Yu made the decision for her.

It was already too late for her to reject him, so she could only wait obediently.

Not long after, the people from the kitchen brought out two bowls of noodles.

Ning Qing looked at it for a long time. that's it? "

Nian lie's reaction was mild. I haven't been in the capital for long. There's no need to get someone to cook for me.

"But you're a patient," ning Qing said sternly, disagreeing.

How could it be good to eat such unnutritious things every day?

Nian Jin glanced at the person next to him. The person understood his meaning and bowed apologetically. I'm sorry, miss ning. We're the only people around Sir. You know, Zhenzhen, we're all rough men. We just pretend to eat. We really don't know how to make a big meal.

[Chapter 757](#)

757 Nian lie acts pitiful (1:

"....."

"We also wanted to find a nanny to take care of Sir, but Sir said that he didn't know when he would go back, so there was no need to go through so much trouble, so ran ran."

"So you've been dealing with it like this for the past few days?" Ning Qing looked at the man in the apron and felt awkward.

That was true.

How could she ask these men to cook?

Ning Qing held her forehead helplessly. I know.

The man received a gaze, nodded anxiously, and then left the table.

Ning Qing did not say anything, but Nian lie's brows furrowed slightly. This move did not seem to have any effect on her.

He didn't say anything and said considerately, " eat. You still have to go back. It's too late. It's not safe. I'll get someone to send you back later.

She was so kind and considerate of her, but it made her seem very insensible!

Ning Qing's mind was in a mess. She nodded and buried her head in the noodles.

It didn't taste good.

Although she was not pampered, she had been raised by her parents since she was young. How could this thing be eaten by humans?

Ning Qing's expression was dark as she looked at Nian lie.

He didn't have much of a reaction. He slowly fed the noodles into his mouth and then closed his lips to chew.

The entire movement was done by him, and there was always a bit of elegance to it.

“Do you usually eat this when I’m not around?” ning Qing looked at her own bowl of noodles and asked him with difficulty.

Nian Xi swallowed a mouthful, then raised his eyes to look at her. not all of it.

Ning Qing’? ”

“It’s not much different.”

“.....”

Nian lie pinched his chopsticks. I’m talking about the taste.

Ning Qing felt a little uncomfortable, as if a hand was tugging at her heart, suppressing it and making it beat with difficulty.

Seeing that he was about to continue eating, she snatched his chopsticks and said to his surprise, “enough!” &Nbsp;

you’re a patient, after all. If you don’t take care of yourself, when will your injury recover? ”

Before the man could say anything, the bowl in front of him was taken away.

“I’ll do it again.”

Ning Qing said this and walked into the kitchen.

“.....”

Nian Xi looked at her back and thought of how they looked after they got married.

She was also willing to cook for him and was willing to be tainted by the secular world for him.

However, he had crushed all of them with one hand.

And now, he was working hard to piece them together.

No matter how difficult it was, he would gladly endure it.

An hour later, there were three more dishes and a soup on the table.

The dishes looked pretty good, and ning Qing had put in a lot of effort.

It had been a while since she cooked properly, so she was a little rusty.

“Stop looking and eat first. I’ll buy a chicken and other things tomorrow to make soup for you.” Ning Qing picked up her chopsticks.

Hearing her say ‘tomorrow’, Nian Ying’s heart leaped with joy, but his face remained solemn.

“This round of competition has just ended. You need to rest so that you can prepare for the next round of the finals.”

His slender fingers pinched the chopsticks and he paused. we'll talk about it after your match. Don't worry about me for now.

That tone, coupled with the content of his words, made him seem considerate and generous, as if he was very big-hearted.

It was very different from how he had acted when he had forced her.

"There's still a week before the finals. Don't worry," ning Qing said.

"But someone would mind."

Ning Qing paused. Her first reaction was to think of Ruan Yi, then she remembered what she had said.

She put down her chopsticks in a serious manner.

Nian lie was stunned by her expression. For a moment, he didn't know what he had done wrong or what he had said wrong. what's wrong? "

Ning Qing had wanted to say it, but seeing that he was still so immersed in his character, she didn't know what the point of exposing him was.

"Forget it," he said. She picked up her chopsticks again and said, " let's eat.

Nian lie's eyes darkened. alright.

[Chapter 758](#)

758 He hasn't recovered after eating it for three years (1:

After the two of them had their dinner in peace, ning Qing cleaned up the kitchen. When she came out, Nian lie was standing at the door of her bedroom, seemingly about to go in.

what do you want to do? I'll help you, " she asked as she removed her apron. It was inconvenient for him.

Nian lie didn't order her around like he usually did, and his expression was a little off.

She suddenly thought of something. you want to take medicine? "

The thoughts that had been hidden for a long time were blurted out by her so casually.

Nian lie's expression darkened.

Ning Qing noticed that he was bothered by this matter and could not help but feel uneasy. I'll get it for you.

She walked toward him and twisted the doorknob.

A large hand reached out and stopped her.

Ning Qing looked down and realized that there was something wrong with him. Nian lie? "

His long eyelashes trembled. I'm fine.

Then, he let go.

Ning Qing pursed her lips. is it still at the original place? ”

“Yes.”

She nodded and entered his room.

The bottles of medicine were still in the same place. Ning Qing weighed them in her hands and found that the amount was almost the same.

She was upset and walked out with a few bottles of medicine. did you not take your medicine on time? ”

Nian lie didn’t know that she would be so sensitive. She had only taken the bottle of medicine the last time, and she actually knew that he hadn’t taken Wanwan.

However, ever since she found out, he had indeed not followed the doctor’s instructions to take medicine.

He silently admitted that ning Qing was angry for no reason.

the doctor prescribed you medicine to cure you. If you don’t take it, how can you be cured? ”

Nian lie laughed mockingly, a hint of sorrow in his eyes.

She was stunned. She heard him say, ” he hasn’t recovered even after three years of eating it. Is there any hope of recovery? ”

Ning Qing’s heart felt as if it had been pierced by something, and it was unbearably sore.

Nian Xi reached out and took one of the bottles from her hands, then looked at the bottle with a restrained gaze.

during those three years, I couldn’t find you anywhere. Everyone said I was crazy and asked me to see a doctor.

“.....”

I went to see him. The doctor prescribed me a bunch of this medicine, but it didn’t work at all.

For those three years, he had relied on the belief that she was still alive to get to where he was today.

Even though she was standing in front of him alive, her coldness and hatred burned his heart.

He was sick.

It was getting more and more serious.

He was probably so ill that he wanted her to be isolated from everyone and stay by his side for the rest of her life.

Even if she hated him, she would still be entangled with him forever.

“.....”

Ning Qing's entire body was cold. Her palms were cold, and so was her body.

In the end, she had thought that she was the only one who had suffered for the past three years. She had never thought that he would be the same.

Ning Qing tried her best to close her eyes and gathered her courage to say-

"I've had depression."

Nian lie pulled himself out of his memories and looked over in shock.

She closed her eyes tightly, and there was only endless darkness in her mind.

three years ago, when I lost the child, I wanted to die with him. When I was working at the hospital, I was often in a daze. It was only after I went to see the doctor that I found out that I had depression.

Ning Qing held her breath. When she mentioned all of that, there was not a single part of her body that did not hurt.

the doctor said that I'm too obsessed with the child's death, so I'm depressed and exhausted. He told me that I must get out of it and not live in the child's shadow.

As Nian lie listened, his eyes gradually turned red. I'm sorry.

Ning Qing opened her eyes. There was numbness, dullness, and despair in them, but compared to before, there was also a trace of relief.

that accident was both our fault. It's not just you. I've always minded it. I even hate you because I refuse to admit it. I hurt the child because of my own impulsiveness and selfishness.

759 You went to look for him:

"....."

we can't go back to the past. You and I are destined to regret it for the rest of our lives. This is probably the child's punishment for us irresponsible parents.

As Ning Qing said this, Nian lie was in so much pain that he could not control himself.

"I don't know if there's an end to the punishment, but life is still your own," Ning Qing said.

"....."

She gazed at him with a calm gaze. so, Nian lie, be more responsible for yourself and get well soon. Don't let everyone worry about you."

She passed him the medicine and walked past him.

Nian Yu stood rooted to the ground, unable to say a word to persuade her to stay.

In the end, she still had to give up on him.

However, the footsteps went away and slowly came closer.

“Here.”

Nian lie raised his head in shock, forgetting to suppress his sorrow.

Ning Qing handed him a glass of water. cooperate with the doctor, take the medicine, and actively receive treatment. Your mental illness can be cured.

He stared at her blankly, his eyes focused on the glass in front of him.

Then, he reached out to take it.

It was warm.

Ning Qing watched him take the medicine and looked at the time. it's late. I have to go back.

Nian lie held the glass of water in his hands. He had no reason to stop her.

“Hello, Yueyue.”

“I'll get someone to send you,” he said.

Ning Qing did not refuse. She put on her coat and looked at the scarf hanging on the wall.

She knew that he was looking at her, so she did not put it on and turned to leave.

When they reached home, Gu nanzhi had already finished her meal and left.

what took you so long? did something happen? ” Mr. Ning asked worriedly.

Ning Qing hesitated and didn't tell him about her relationship with Nian lie.

“Dad, it's nothing. It's just some questions regarding the competition, ran ran.”

Mrs ning sat on the sofa and said unhappily, ” I've already prepared dinner. Why did you leave without telling me? Xiao Gu doesn't look too good tonight.

Ning Qing took off her coat and walked towards her mother. I'm sorry, mother. I was too anxious.

you're a girl. It's so late and you didn't even tell me. Even if it's about the competition, can't you solve it tomorrow morning? ”

Ning Qing wanted to explain, but father ning chimed in. this competition is not child's play. It's not easy to get to the final. How can we let an accident happen? ” Don't be a short-sighted person with long hair.”

say that again! Mrs ning said angrily.

Ning Qing quickly begged for mercy. I'm sorry, mother. I know I was wrong. I won't go out so late at night again. Don't be angry.

After a few coaxing sessions, mother ning was finally satisfied.

It was getting late. Ning Qing went back to her room to take a shower. When she came out, she found that Gu nanzhi had called her.

She did not hesitate to call him again.

"I was taking a shower, so I didn't hear you."

The woman was in her pajamas, rubbing her long wet hair as she sat on the small sofa.

"What's the matter?"

"You're home?" Gu nanzhi asked.

"Yes."

He smiled casually. nothing much. I just wanted to see if you've returned.

Ning Qing put her phone on speaker mode and put it aside. She took out the hairdryer and plugged it in.

Gu nanzhi heard that she was working. Auntie was angry with you after you went back? "

Ning Qing turned on the hairdryer. yes, she's angry at me for coming home so late.

"She's just worried about you."

"I know," Ning Qing's voice was a little loud. She rubbed the top of her head as she dried her hair with the hairdryer.

Gu nanzhi tactfully shut her mouth.

Ning Qing's hair was too long and needed some time to dry.

He just listened to the buzzing sound, and his mind was in a mess.

For a moment, he couldn't help but ask, " did you go to find him? "

[Chapter 760](#)

760 I'll wait for you, don't be too slow (1:

"....."

There was no reply.

Ning Qing heard his voice. The hairdryer was stuck to her ear, so she couldn't hear him clearly. what did you say? "

The other party said something else, but she still didn't hear it.

After turning off the hairdryer, she touched her hair and took the phone to her ear. what did you say just now? I didn't hear it.

A low curse came from the other side. Ning Qing was confused. Tiny? "

"Uh, Yingluo is fine."

"Have you dried your hair?" the man asked awkwardly.

Ning Qing touched the ends of her half-wet hair. almost.

"Then you should rest early. You've been busy all day."

"You too,"

"Good night," she said.

"Good night," she said.

After hanging up the phone, Gu nanzhi hit her own thigh. She was angry that she did not have the courage to ask again.

But he didn't know if he would get the answer he wanted if he asked again.

Obviously not.

There was no point in asking.

"....."

Facing the empty room, he put a hand on his forehead and laughed bitterly.

On the other hand, ning Qing was so exhausted that she did not notice the man's strange behavior.

She sat on the sofa for a few minutes, waiting for her hair to be completely dry. However, she was too sleepy and could not resist it.

She couldn't care about anything else. She lifted the blanket and got into bed.

It was a good night's sleep.

The next day, ning Qing had a good night's sleep and was woken up by her phone's ringtone at around 10 O'clock.

She did not open her eyes and said in a daze, "Hello ..."

On the other side, Nian lie was obviously not used to the soft sound of her waking up. His throat rolled.

"Who-"

you're awake?" he asked.

Hearing this voice, ning Qing struggled to open her eyes. She stared at the ceiling. what's the matter?"

"You should get up," Nian lie said.

Ning Qing turned around, still sleepy and not very clear-headed. I'm very tired.

"Didn't you say that you were going to buy groceries and cook for me to recuperate?"

"....."

Ning Qing opened her eyes again unwillingly.

"Or are you just saying it?" the man said coldly.

Ning Qing was a little annoyed. I know ...

"I'll give you ten minutes."

The woman, who wanted to stay in bed again, suddenly exploded. what ten minutes? "

"I'm at your door."

These short words had broken her beautiful dream.

He must have been born to counter her!

She really didn't know how a man like him could get bipolar disorder!

Yesterday, she thought that she was magnanimous enough to understand him and persuade him to accept treatment. What the hell!

She jumped up from the bed and gritted her teeth. I know!

The man was very happy. I'll wait for you. Don't be too slow.

The last three words were extremely threatening.

Ning Qing hung up the phone and madly ruffled her long hair. She was furious.

But in the end, she still got up from the bed dejectedly and walked to the bathroom.

Ten minutes wasn't enough for a woman to finish dressing up and go out.

Ning Qing put on a short skirt, long boots, and a coat. She didn't have time to fix her long curly hair, so she fixed it with a Pearl Shark Clip and rushed out.

Mr. Ning was reading the news on the sofa. Qingqing, where are you going? " he asked when he saw her in a hurry.

"Oh, dad, I'm going to meet an old friend. You and mom don't have to wait for me for lunch."

After walking past the sofa, ning Qing turned back and smiled. ran ran doesn't need it tonight.

Father ning frowned."You ..."

Before he could finish, the woman had already disappeared.

Mrs ning came out of the bathroom. is that Qingqing? " Where is she?"

"She went out," father ning answered.

"Going out again? She doesn't even know how to stay at home with us. There's no one she knows in the capital, so why is she running out every day?"

"What do you know about the child?" don't bother about her, " said Mr. Ning as he returned to the news.

Mother ning glared at him, then snorted and went back to her room.
