

## Mr Nian 761

### [Chapter 761](#)

761 A monster that won't grow old (1:

Outside, ning Qing took out a lipstick from her bag and a small mirror, about to apply it on her lips.

"Miss ning, over here!"

The bodyguard who had been waiting for a long time spoke. Ning Qing looked over and saw him waving at her enthusiastically.

She looked at the lipstick in her hand and gave up.

"They're here."

When she approached, the bodyguard nodded and bowed. you're finally out.

Ning Qing squinted. what do you mean? you've been waiting for a long time? "

The bodyguard did not have any defensive thoughts. He rubbed his hands and smiled. yes, our Sir arrived at eight o'clock and has been waiting for you.

Eight o'clock?

Ning Qing looked at the time. It was already ten O'clock.

He had been waiting for her for two hours.

Ning Qing's irritation faded a little and she apologized to the bodyguard. I'm sorry.

The bodyguard was flattered. no, no, no. You don't have to apologize. This is what we should do. But Sir suffered a little. The weather was so cold. He waited outside for almost an hour and his face was pale. In the end, he was persuaded by us to go back to the car.

Ning Qing's heart seemed to have been hit by something, and she felt a little soft.

She stopped talking because she saw the black SUV after taking a few steps.

The bodyguard hurriedly opened the door for her. The person inside turned his head, his posture cold and stern, his dark eyes staring at her deeply.

Ning Qing nodded to the bodyguard and sat in the car.

"Sir, where are we going?" the driver asked.

Nian Xi stared at the woman beside him. ask her.

The driver looked at ning Qing. She was a little nervous and gave him the address of a large supermarket.

The car moved slowly, but there was no sound in the car.

After being stared at by him for about five minutes, Ning Qing could not take it anymore. What are you doing? ”

Nian Jin fixed his gaze on her fair face and fixed her long hair with a hair clip. A lock of hair fell to the side of her face, revealing her beautiful side profile.

“Nothing,” he replied hoarsely.

“.....”

Ning Qing was speechless.

Nian lie looked her up and down. When he saw her legs exposed under the coat, he frowned.

Ning Qing wanted to say something, but when she turned around, she realized that his eyes were fixed on her thighs!

She was furious and covered herself with her coat. What are you looking at?!

“I’ll look at whatever you’re wearing,” Nian lie said without any hint of emotion.

Ning Qing was furious. It’s up to you to dress. It’s none of your business.

Nian Jin looked at her. Wearing a short skirt in the middle of winter, are you complaining that your body is too healthy? ”

“.....”

“You’re not young anymore, there’s no need to learn from those little girls.”

What was the need to dress so well when she was going out with him?

Nian lie didn’t want to admit that he was jealous, and Ning Qing didn’t know what he was thinking.

She only realized that he was getting more and more vicious with his words.

In the past, he didn’t like to talk, but now that he spoke more, his mouth was becoming more and more vicious!

“I’m not young, but don’t forget that you’re three years older than me,” she said with a fake smile, suppressing her anger.

“.....”

“I’m not young, you’re old!”

After saying that, she even looked at his face and clothes in a serious manner, and then gave a very contemptuous look.

The corners of Nian lie’s eyes twitched. He gazed at her deeply. Really? ”

Ning Qing admitted with a snort.

He could tell that she was serious, and his face fell. I won’t grow old.

The childish argument had no effect on Ning Qing.

“Those who don’t grow old are monsters.”

“Monsters don’t know how to do it, and neither do I,”

Ning Qing did not let him have it easy. In an Equal Exchange, you’re ... Equivalent to a demon.

Nian Lie’s dark eyes darkened. He knew that he couldn’t win against her, so he changed his direction.

So what if I’m old? I can still manage the Nian Corporation when I’m old. I can lead thousands of employees and build the glory of the Nian family.

## [Chapter 762](#)

762 Sit tight, don’t move \_1

Ning Qing did not deny it. Yes, you can. Getting old won’t affect your ability. What it will affect is your looks and your ability to appreciate people.

A sharp arrow suddenly shot through his heart.

Nian Lie was in disbelief.

Was she doubting his looks?

The man who had always been successful in the business world was now doubting his own looks.

Ning Qing held back her laughter and glanced at him.

The man lowered his head and looked at what he was wearing. Then, he reached out and touched his chin.

Looking at his own appearance, he really couldn’t help but ...

“Pfft.”

Ning Qing did not laugh, but the person in front laughed.

Two pairs of eyes looked at him, and the driver held back his smile. I’m sorry, Ran Ran. I saw someone on the side of the road get slapped and couldn’t hold back.

“.....”

Ning Qing breathed rapidly, almost unable to hold it in.

She turned her head to look out of the window and pursed her lips tightly to prevent herself from laughing.

Nian Lie glared at the driver coldly. The driver felt the gaze of the Grim Reaper and instantly straightened his back. Cough, sorry.

The car was quiet again.

Nian Jin slowly retracted his gaze and looked at the car window.

His face was reflected on it.

His face was well-defined and sharp, with sword-like eyebrows and Starry Eyes. He exuded a steady and mature temperament.

This face would look ugly?

Or did she not like it anymore?

Nian lie's heart ached, and he impulsively wanted to ask her what was going on.

The woman next to him was holding a red lipstick. She was looking at the mirror in her hand and did not look at him at all.

Ning Qing was about to wipe it off when the car turned a corner.

She tried, but the road was a little winding and she didn't find an opportunity.

Nian lie's hand reached over and snatched her makeup mirror.

She was about to get angry. The man said, " drive slowly.

The chauffeur glanced at the back and quickly nodded. okay.

The car slowed down.

Ning Qing looked at him. He turned his face away, his expression indifferent. I'll help you get it.

"....."

She tightened her grip on her lipstick. no need.

"Since you want to look good, why do you still care about this?"

Did this person know how to speak?

Ning Qing was a little upset again, so she didn't care anymore and started to put on her lipstick in front of the mirror.

The tip of the lipstick touched her delicate lips and slowly drew a bright red color along the shape of her lips, which was very attractive.

Nian lie had always thought that her lips were beautiful. They were pink and charming, and the shape of her lips was perfect. When she smiled, she would make you feel that the world was brilliant. When she wasn't smiling, she was extremely cold.

He had also tasted that feeling before. It was the kind that made people want to kiss it the moment they got close.

Ning Qing did not notice that his eyes were getting darker and darker. She pursed her lips in front of the mirror. I'm done.

She went to get a mirror, but he grabbed her wrist.

Ning Qing was shocked. what are you doing? "

Nian lie didn't say a word. He pulled her hard, and she pounced on him.

Ning Qing was so frightened by this change that she could not control herself at all.

She moved closer to his face and pressed her lips against his ...

She stopped a centimeter away from his lips.

Ning Qing's mind went blank. His hand was controlling her body.

Nian lie suppressed his desire to kiss her. sit tight, " he warned in a hoarse voice. don't move.

Ning Qing bounced up and sat on the other side, not looking at him again.

"....."

A mysterious awkwardness, accompanied by a slight ambiguity, spread.

Nian Xi glanced at her, then tugged at his collar and heaved a sigh of relief.

Ning Qing's heart was in her throat, and she no longer had the arrogance she had just now.

The car quietly drove to the supermarket and entered the underground parking lot.

Ning Qing got out of the car first and walked in front.

The driver looked around. this Mr. Wanwan.

### [Chapter 763](#)

763 You scared her (1:

Her footsteps were flustered, and she was in a hurry to distance herself from him.

He had scared her just now.

Nian lie was a little anxious. He instructed the bodyguard, " it's fine. You push me. then, he took out a black mask and put it on.

oh, oh, " the driver replied and walked to the side of the car. He helped Nian Yu out of the car and pushed him to the elevator.

After entering the supermarket area, he could see people coming and going in the bright area. It was extremely noisy.

Subconsciously, Nian Ying did not like this kind of environment and asked his subordinate to take him to ning Qing.

Soon, the two of them saw a familiar figure in the fresh food area.

Ning Qing was carrying a basket with a cabbage and two tender corn.

She lowered her head and picked some fresh mushrooms.

Nian lie and the chauffeur came up behind her. Ning Qing turned around and met his gaze, then quickly looked away.

"You guys don't have to come, I can do it alone."

"They're already here," Nian lie replied calmly.

"....."

"You want to chase me away?"

Ning Qing did not know what to say. No.

She clapped her hands. these places are not suitable for you.

The man in front of her frowned unhappily. She immediately compromised. you don't have to do anything. Just follow me. Don't get lost.

After saying this, she didn't intend to care about them anymore.

"Help her get it," Nian lie instructed the man.

The driver was confused. but I'm going to push you.

However, Nian lie was stubborn. let her push me then. You go and get the things.

yes, " the driver replied with a blank expression.

He caught up with ning Qing and said a few words to her. The woman turned to look at Nian lie and said something else.

After a while, she returned.

Fortunately, she didn't care too much about Nian lie and pushed him to the side when she was choosing the ingredients. He was quiet and didn't pick a fight with her.

The chosen ingredients were placed in the basket and it was filled up very quickly.

Half an hour later, he had finished his selection.

The chauffeur paid the bill at the cashier. Nian lie asked ning Qing to take him out for some fresh air, using the excuse of " too noisy ".

The two of them walked out of the supermarket's main entrance and inadvertently bumped into an acquaintance.

The bodyguards in black cleared the way in front and protected the woman in the middle very well.

However, no matter how they tried to hide, they could not hide the surprise of the crowd at the woman's deep and beautiful face.

Ning Qing was a little surprised. Wasn't that Xuanji Tina?

The woman's emotionless eyes swept over to her, and when she saw her, she was obviously stunned.

Then, she noticed the man in the wheelchair.

“.....”

Ning Qing didn't know why. Although Tina was cold, she was used to it. She had never been as cold as she was now. Her eyes were bone-chillingly cold, as if they were about to take someone's life.

But after a moment, she lowered her head and could not see anything.

Nian lie noticed that as well. He looked at ning Qing unhappily. He noticed that she was staring at the woman. After some thought, he asked, “do you know each other?”

Ning Qing's throat was dry. yes.

Nian Yu pursed his lips, his eyes filled with deep meaning and coldness.

It wasn't until the group of people had gone far away that ning Qing realized that she still had some things to tell Tina!

Thus, she hurriedly shoved the phone back to Nian lie. I have something to do. Call the driver and ask him to come over to look for you.

Then, ignoring the man's surprise, she turned around and chased into the luxurious building.

Ning Qing looked around as she ran into the hotel lobby.

The lobby manager walked up to her. Hello, miss. How can I help you?”

“I'm looking for someone, the one who just came in!” Ning Qing said hurriedly.

#### [Chapter 764](#)

764 : painful slap in the face (1:

The manager was stunned. The next second, her sharp eyes spotted the woman waiting for the elevator.

She immediately rushed over. Tina, wait!

The elevator door opened.

“Tina!”

The manager stopped her. miss, please don't make a scene.

Ning Qing was very anxious. she's the person I'm looking for. Please help me call her!

The man found her familiar, not knowing where he had seen her before. For a moment, he could not tell if she was a guest or a troublemaker.

“Miss, if you have any requests, you can come to the lounge with me. This is the main hall, and it's not very convenient for you to take a break here.”

“No need.”

A female voice interrupted. The man stopped and looked over.

Tina stood behind him with an expressionless face. she's one of my people.

“: ‘m sorry, young miss,: the man quickly apologized.

Tina ignored him and looked at the dazed ning Qing. let's go.

She came back to her senses and quickly followed him.

Inside the elevator, there were four tall and burly bodyguards standing in front, behind, left, and right.

Ning Qing and Tina stood together. This was the first time she felt like a stranger to her.

I'm going to be busy later, ” Tina replied. hurry up and tell me what you have to say.

All kinds of questions and thoughts rushed to the top of her head, drowning ning Qing's senses.

Her mouth moved a few times before she finally said,”I know.” &Nbsp;

Tina turned her head to the side.

She maintained her calm and bravely met her indifferent eyes.

“Gu nanzhi told me everything, including you.”

Tina remained silent without a trace of anger or panic from being exposed.

: I know,: she replied coldly,”so?”

“You're not: doctor, are you?: ning Qing asked in: low voice:

“.....”

“If you're not a doctor, how did you know about my situation at that time? And why did you save me? why did you send me to HE? What is your relationship with Lou qingyue?”

Tina harrumphed coldly as a cold glint appeared in her eyes.

“You chased after me just to tell me this?”

“These are very important to me!”

The elevator door opened, and Tina walked out.

Ning Qing followed her. why aren't you answering me? ” Are you afraid or are you feeling guilty?”

Tina stopped in her tracks and took two steps before turning around.

Ning Qing was very focused, but she did not expect the next scene ...

The woman stood in front of her and without a word, she raised her hand and slapped her.

“Pa!”

Ning Qing was slapped to the side, and the burning pain spread from the left side of her face, numbing it.

Tina was more heartless than ever before. have you forgotten what kind of person you used to be just because I've treated you a little better? "

"....."

the woman who was trapped in love, humiliated, abandoned, and tortured to the point of jumping off the bridge to commit suicide was you. The woman who was disheartened and could not live on was you.

Her face was filled with anger, and her voice was as cold as ice.

He was both disappointed and angry.

you were once the world's worst failure. I was the one who pulled you back. After three years, you think you have the right to question me? "

Ning Qing's face remained in the position where it had been slapped. Her eyes were dull and watery.

Tina clenched her fists. even if I had a dog, it would still be grateful to me, but it just had to be you.

"....."

She laughed coldly. I've forgotten. You're a person who's willing to die for a man. You don't even love yourself. Why would you thank me? "

Ning Qing turned her face away, her whole body trembling. Tina, what are you talking about, Yingluo? "

"You can understand what I'm saying."

## [Chapter 765](#)

765 She fell out with Tina (1:

How could she not understand?

She said that dogs knew how to be grateful, but she didn't know that Yingluo was saying that she was worse than a dog.

Ning Qing's heart contracted, and her nerves were stimulated. She raised her hand and flung it at him. shut up!

A forceful slap landed on Tina's face, and she took a step back.

The bodyguard was shocked. miss!

He immediately held ning Qing.

"Who are you? How dare you attack our young miss!"

Ning Qing's palm was hot and numb. She could not believe that she would not Dodge.

She had lost all her rationality in that slap and had used all her strength.

"I'm Yingying!"

Tina covered half of her face and didn't look at her again.

“Ha, you dare to do it but don’t dare to admit it.”

“.....”

you’re with that man again, ning Qing. You’ve walked right into the trap this time. Don’t blame anyone for getting hurt.

Her guilt was instantly swept away, and sadness wrapped around her heart.

Tears fell from ning Qing’s eyes. She looked up stubbornly and said, “ yes, I’ve brought everything upon myself. I’ve blamed others in my unconscious state, but now I’ve seen it all clearly!

“.....”

Tina, I thank you for saving my life. Even if you had an ulterior motive, I can only thank you.

I hope that everything will go smoothly for you in the future. I hope that you can get everything you want.

“We Yingluo don’t owe each other anything anymore.”

After she said that, she relaxed all the emotions in her heart.

His eyes were empty, and he was terrifyingly quiet.

“Get lost,” Tina replied coldly.

She turned around and left, not even looking at her.

The bodyguard also let go of ning Qing. She shook her numb arm, lowered her bitter eyes, and turned to walk to the elevator.

As the elevator descended, the woman who had not reached the end suddenly turned around and looked in the opposite direction.

“Miss, are you alright?”

She touched her face and felt a burning pain. It was already swollen.

“Prepare some ice and anti-swelling ointment.”

“Yes.”

A simple and honest-looking bodyguard stood up. miss, let me go. I know the hotel room manager.

Tina agreed after a brief pause.

“Yes.”

Then, they walked to the room they had booked and unlocked the door.

The bodyguard left on the elevator, and Tina turned around to look at the descending elevator with a cold expression.

“Get someone to find an opportunity to fire him.”

The person behind him understood. understood.

On the other hand, the bodyguard did not go to the guest room Department. Instead, he stopped on an ordinary floor and found a hidden corner. He took out his mobile phone and made a call.

“Miss, two people met and got into an argument.”

“Both of them had already taken action, but Lou si didn’t ask us to do anything to that woman. She just let her go,” he replied.

Lou qingyue thought for a moment. are you sure they fell out? ”

that’s right. Lou si said some very nasty things and humiliated ning Qing. Ning Qing also misunderstood that Lou si approached her for other reasons. The two of them have a deeper grudge against each other and won’t be able to reconcile in a short time.

Lou qingyue curled her lips. that’s good.

The man continued to say a few more words. Lou qingyue perfunctorily replied and told him to continue watching Lou si before hanging up the phone.

At the side, the gloomy-looking man looked at Lou qingyue. He could feel that she was in a good mood. what good thing made you so happy? ”

Lou qingyue narrowed her eyes and said in a melodious tone, ” how can I not be happy when the enemy is having an internal strife? ”

: Did Lou si break up with that woman?”Lou Chi asked.

Lou qingyue took a puff of the lady’s cigarette and exhaled an alluring fragrance. that’s right.

“This is indeed good news.”

Lou qingyue couldn’t help but smile. that’s right. The finals are around the corner. It’s time for us to make a move.

## [Chapter 766](#)

766 I’ve worn it before, please don’t dislike it \_1

Ning Qing got out of the elevator and rushed out of the hotel.

Nian lie was about to go in when he saw her coming out. He pushed his wheelchair forward anxiously. ning Qing!

She didn’t want to control her emotions, but seeing that he was still there, she asked, ” why didn’t you leave, Hanhan? ”

Nian Xi raised his head and looked at her. His long hair was a little messy, and the left side of his face was red and swollen because he didn’t have time to wipe his tears away.

His face suddenly sank. who hit you? ”

Ning Qing was shocked and turned her face to cover her embarrassment. no, you’re wrong.

Nian Xi couldn't care less about gentleness. He grabbed her hand and wanted her to face him.

"I asked, who hit you? was it that woman?"

Ning Qing didn't want anyone to mention Tina again, and she didn't want to recall what had happened just now. don't ask, Zhenzhen.

"Then answer me!"

Ning Qing was helpless. yes, she hit me, but I didn't suffer any loss.

Nian lie's face was frosty and his thin lips were tightly pursed.

Her heart suddenly felt sour. Before her grievances and cowardice climbed up again, she carefully wiped her face clean.

"I hit her back. We don't owe each other anything anymore."

She was saying this to him, and also to herself.

The pain on her face reminded her of what had just happened. She just wanted to hear an explanation from the woman who had protected her for more than three years.

If she was sincere, she would not have asked again.

However, he didn't let her.

The sorrow spread and stained the corners of the woman's eyes. She gritted her teeth as if she was going against someone and refused to show any weakness.

"....."

Nian lie's eyes flickered slightly as he watched her.

He didn't say anything. He silently reached out and took off the black mask on his face.

Then, with an extremely gentle and restrained force, he put his hand on her face, covering the exposed feelings she wanted to hide.

Ning Qing was shocked, and the ice in her heart broke.

He didn't laugh at her, nor did he ask further. He only said, " I've worn it before. Please don't mind.

She had already collected her emotions, but his words made her let down her guard. Tears welled up in her eyes again, and they were a mess.

Instead, he held her hand and said in a gentle and tolerant voice, " let's go back.

Ning Qing said with a sobbing tone,"I can't see Zhenzhen clearly."

The expression on Nian lie's face was gentle and indulgent. it's okay. Come with me.

She lowered her head in a daze and cried to vent her sadness.

He held her hand tightly and remained silent.

Hence, on the busy street, a few Men in Black protected the two people in the middle. One of them was pushing a wheelchair, and in the wheelchair was a handsome man. Even though his face was cold and indifferent, it was still shocking. He seemed to have seen it on TV before.

He was holding a woman's hand as they slowly walked forward. The woman's shoulders were shaking as if she was crying.

Everyone who passed by looked back at this strange scene, but no one dared to go up and ask.

"....."

After reaching the car with much difficulty, Ning Qing took the opportunity to get into the car and retracted her hand.

Nian lie didn't mind and allowed the bodyguard to push him up.

On the way, he called for the car to stop and ordered his men to go to the pharmacy to buy anti-swelling ointment.

Ning Tingting's heart trembled, but he did not stop her.

The two of them returned to the apartment, and she recomposed herself on the way back.

Now that she was suddenly alone with him, Ning Qing was unexpectedly at a loss.

"It's getting late, I'll go cook," she said.

"Wait,"

wait! Nian lie called out to her. Unsurprisingly, he said, " we'll talk after I'm done treating the wound on your face.

## [Chapter 767](#)

767 How long have you known Tina (1:

She blinked her eyes and returned to his side.

He touched the outer layer of the ointment in his hand.

Nian lie didn't show much of an expression. sit.

She sat on the sofa and saw him take out the ointment and was about to do it himself. She panicked and said, " no, I can do it myself.

"You can't see," Nian lie said.

She had just held his hand all the way here. After such an ambiguous moment, how could she still face his intimacy?

Ning Qing stood up in a panic. I'm going to the bathroom. There's a mirror there.

Without waiting for his consent, she snatched the ointment from his hand and rushed into the bathroom.

Nian lie didn't stop her. He watched as the bathroom door closed.

One of his subordinates walked over. Sir, we've found it.

He was stunned. speak.

the woman in the hotel is the eldest daughter of the Lou family, Lou si. Miss ning has met her quite a few times in the past. Three years ago, she was the one who sent miss ning to the hospital under her name. If our people are not mistaken, she is the one who saved miss ning three years ago.

Nian lie's cold eyes froze. she's from the Lou family? "

yes, she was the one who wanted to work with the Nian Corporation. After that, ran ran got into trouble, and she was the one who canceled the deal.

"....."

A series of events connected in Nian lie's mind, and some things gradually became clear.

However, she was a member of the Lou family, which meant that she was related to Lou qingyue.

Why did Lou qingyue target Zhenzhen like this?

Some things were clear, but some things were still shrouded in fog, making people unable to see through them.

The bathroom door was about to open. you can go down first, " Nian Yu said in a deep voice.

The subordinate understood and left quietly.

Ning Qing had just come out. She had taken off her mask and let her long hair down, half-covering her side face.

She walked past him. I'll cook. You should rest for a while.

Nian lie didn't intend to let her do these things, but she didn't turn around and avoided him like a snake.

"....."

Forget it.

"Be careful," he said.

Ning Qing was stunned for a moment, but she responded with an " okay " and went into the kitchen.

She washed the ingredients, put the chicken, corn, and yam into the stew pot, added some tonic, and then put them on the fire to stew.

Seeing that there wasn't enough time, she made a few dishes and brought them to the table.

Fortunately, Nian lie wasn't a picky eater and didn't despise her. She felt relieved, washed her hands, and went out.

: You can tell me what happened today: : Nian lie said after she had just taken two bites.

Ning Qing hesitated, but he did not force her. Instead, he gave her a rare opportunity to discuss it. However, after a moment of hesitation, she did not intend to explain anything. there's nothing to say.

How long have you known her? ” Nian lie asked, his expression unreadable.

Ning Qing's hand stopped in mid-air, and she looked absent-minded. it's been more than three years since ran ran.

It was only now that she realized that she had known Tina for almost four years.

During this long period of time, she had understood her very well. She knew everything about her, helped her, counseled her, and gave her a stable job.

But what did she do to her?

She didn't know anything.

If Gu nanzhi had not told her everything, she might have been kept in the dark.

Ning Qing also laughed at her own stupidity and naivety. How could a person approach her without any purpose?

“So, she was the one who took you away three years ago?” Nian lie asked.

“It's not her.” Ning Qing shook her head and denied it.

Nian lie furrowed his brows. who is it? ”

“I don't know,”

“.....”

## [Chapter 768](#)

768 When the competition is over, you and I will go to America (1:

I was unconscious for a long time after I jumped off the bridge. When I woke up, I found myself in a strange place. Someone forced me to perform a C-section and wanted to take my child away.

Ning Qing's tone was very calm, and so was her expression.

She had never thought that she would be able to say such things to Nian lie so calmly one day.

However, when it was time to talk about that experience, she felt a lot more at ease.

Nian lie's heart trembled, and an indescribable pain spread through his body. forced you to do a C-section? ”

Upon closer inspection, his voice was trembling.

Ning Qing tried her best to recall the past. yes, it was a woman. She said that the child was dead. If she wanted to save me, she had to take out the stillborn child. Otherwise, I would die too.

Dead fetus

Nian lie's entire body tensed up. He forcefully digested the two words that pierced his heart. His eyes were frightening. who is she? "

Ning Qing shook her head. she was wearing a mask when she saw me. I didn't get to see her face.

"....."

The corners of her lips curled up without a smile. perhaps I wouldn't be able to recognize her even if she stood in front of me so openly.

Hearing these bone-piercing words, Nian lie's heart ached so much that it contracted.

He had thought about the pain she had suffered these past three years and thought that she might have forgotten everything and lived happily, but he never thought that this was the truth about Wanwan!

"The scar on your stomach was also left from that time?"

"Yes."

Ning Qing put down her chopsticks, not having much desire to eat.

after the child was taken away, that woman and everyone around me disappeared within two days. When I found out, I ran out and found that I was no longer in ning city. I was very scared, and because my wounds hadn't healed, I fainted on the road.

"She saved you at that time." Nian lie continued her sentence.

Ning Qing did not deny it. after she saved me, she took care of me for a while and encouraged me not to commit suicide. Later, she recommended me to HE.

Since then, her life had been rewritten.

Nian lie sensed something suspicious in her words. are you sure she saved you by chance? "

Ning Qing's tone gradually fell. I used to think so, but I'm not sure after all this time.

Nian lie's brows furrowed deeply. After a few internal conflicts, he finally said, " she's from the Lou family.

Ning Qing was very calm. I know.

"....."

the last time you asked me to go back and ask Gu nanzhi, he told me everything.

Nian lie's hands clenched tightly.

In this way, she would know everything. Now that he had broken up with her so rashly, he didn't know if it was a good or bad thing.

I was too stupid, " ning Qing said. I always believed in others so easily. In the end, I realized that I was nothing.

Nian lie's heart tightened. He had not recovered from the suffocating pain just now and did not know how to comfort her.

His face was dull. does it hurt? "

"It hurts." Ning Qing thought of what he had said and said lightly.

The pain was so excruciating that no one could understand it.

She used to forbid people from talking about it because she felt that no one could empathize with her.

However, Yingying was the child's father.

"....."

Nian lie couldn't say a word. Under the table, his hands were shaking uncontrollably.

His heart ached so much that he couldn't breathe. The guilt and regret were enough to make him lose his mind.

"When the competition is over, you'll come with me to America," ning Qing said.

Nian lie's body trembled. He heard her continue. I've brought the child's ashes to America. As his parents, we should go and see him.

#### [Chapter 769](#)

769 After all, you are the child's father (1:

Extreme pain exploded in his body, forcing his eyes to turn red.

He couldn't bear it anymore and agreed with great difficulty.

Seeing him like this, ning Qing's eyes were filled with jealousy.

"After all, you're the child's father," she said seriously, holding back her sadness.

"....."

"He should want you to go see him."

The topic was too heavy. The two of them had a tacit understanding and felt the terrible sadness together.

The food was almost cold, but neither of them had the desire to continue eating.

"Do you still want to eat?" what's wrong? " ning Qing asked. She felt that it was not right to ask this, so she said directly, " eat some. Fill your stomach before you take the medicine.

Nian lie found it difficult to even nod. He felt as if his bones were frozen.

But what reason did he have to be sad? he had indirectly made her and the child suffer too much.

"....."

His eyes were blank as he mechanically reached out, clenched his chopsticks, and stuffed the rice in the bowl into his mouth.

The way he ate it was truly shocking.

Ning Qing looked at him and frowned. you don't have to do this.

"....."

those things are in the past. You had your own reasons, and I had my own selfishness. The most important thing was that you and I didn't trust each other, and that was why things had come to that.

Ning Qing stood up and looked calm. you don't have to blame yourself for anything.

With that, she left the table.

The red-eyed man didn't say a word, and his mouth was full of bitterness.

A drop of tear rolled down the corner of her eye.

He fell into the dark abyss.

Ning Qing took the medicine and watched him eat it. She then cleared the table and went into the kitchen to stare at the stew pot.

That afternoon, Nian lie was too quiet.

After he entered the bedroom, he didn't say a word to her and didn't come out until night.

Ning Qing didn't feel good either. She put the dishes on the table and walked to Nian Jue's door.

"Nian lie, come out and eat."

"....."

There was no response. It was as if he was dead.

Ning Qing subconsciously wanted to knock on the door and go in, but then she remembered what she had said in the afternoon.

She had been getting along well with him over the past few days, and she had slowly begun to understand him.

He had appeared calm at that time, but that did not mean that he was really calm.

Nian lie had always been a person who did not show his emotions on his face.

She suddenly lost the urge to disturb him and lowered her raised hand.

I've already placed the dishes on the table. If you're hungry, come out and eat. After you're done, take your medicine on time and rest early.

Before she left, she even added, " you don't have to think too much about it. It's all in the past.

After that, she dressed herself up and informed the bodyguards at the door. She left without even eating.

The door opened less than two minutes after she left.

Nian lie wasn't in a wheelchair. He limped out of the dark room slowly and leaned against the door frame. His face was anxious and his eyes were bloodshot.

When the subordinate saw this, he hurriedly went forward to support him. Sir, your legs can't walk on the ground yet. What do you want to do?"

where's she? did she leave? " Nian Yu asked anxiously.

"Yes, miss ning waited for you for a while, but seeing that you didn't come out, she left without eating."

Nian lie shifted his gaze. When he saw the exquisite and delicious dishes on the table, he instantly lost his strength.

"Sir!"

He lowered his head and raised his hand to stop him from helping. get out.

The subordinate was very worried, but he didn't dare to disobey. miss ning just said that I have to watch you eat well, Yingluo.

"I told you to get lost!"

The sudden roar made the subordinate shiver. He lowered his head in fear. yes!

He was the only one left in the huge house.

He slowly moved to the table and sat down on his own.

He looked at the chicken soup in front of him. It was white and clear, and it was emitting a strong fragrance.

His throat moved, and he picked up the spoon to taste it.

The fresh fragrance was light, and it was a taste that he would like.

A slight curve appeared on the corner of his lips, but before it was completely curved up, it fell down again.

The winter night was getting colder.

## [Chapter 770](#)

770 Lou qingyue's appointment \_1

\*

In the next two days, ning Qing stayed at home to accompany her parents.

The reason was that Nian lie's subordinate had given her a call, telling her to rest in peace and not to go to their place for the time being.

Ning Qing didn't want to think about whether he didn't want to face her or he was going to let her go.

She stayed at home with peace of mind, accompanying her parents and waiting for the notice of the finals.

However, her days were not as beautiful as she had imagined.

On the fourth day, she received a message from a stranger.

I'm Lou qingyue. I think you'll be willing to have a chat with me.

It was a short message, but it clearly expressed the meaning of her message.

Ning Qing thought of the past and was not polite.

"I'm sorry, I don't want to."

Then, she put down her phone. There was no sound from the other end.

It was just an ordinary text message to meet up, but because she didn't reply, ning Qing felt a little uneasy the whole day.

That was until Gu nanzhi came to her door with a dark face and asked her to go with him to meet someone.

Ning Qing didn't even think about it. did Lou qingyue ask you to come? "

Gu nanzhi did not hide anything. yes.

"Why?"

Gu nanzhi gritted her teeth and said resentfully, " she used the Gu family to threaten me. I have to bring you to see her. Otherwise, she will immediately get someone to take away the financial aid that the Lou family has given the Gu family.

Ning Qing was surprised. So the Gu family had already reached this point?

Gu nanzhi's eyes flickered with pain and unwillingness.

"I hate everyone in the Gu family. I hate my useless father and old-fashioned grandfather! And that uncle who fights for power and takes advantage of the situation, he's so na?ve."

He could not continue.

He had never thought that there would be a day where the Gu family had to rely on others to survive, and he had no choice but to force ning Qing for the sake of this family!

He was extremely ashamed and his heart was tormented.

A hand grabbed his arm.

The man's Blue eyes flickered. it's alright. I'll go, " ning Qing said.

Gu nanzhi was struggling. ningyiyi.

"I'm just going to see her, don't think too much."

"....."

She smiled and comforted him. it's okay. You've always been helping me in the past. This time, I should help you too.

Gu nanzhi's heart ached and she felt extremely guilty. I'm sorry.

She smiled. wait for me to change my clothes. It'll be quick.

Ten minutes later, ning Qing was dressed neatly. After reporting to her parents, she left the house with Gu nanzhi.

When they arrived at the resplendent clubhouse, ning Qing wanted to get out of the car but was stopped by the man.

Gu nanzhi's face was full of worry, but she laughed at the sight.

"Why do you look like you're going to send me to the execution ground?"

The man's eyes widened. pfft, can you stop talking nonsense? "

Ning Qing smiled helplessly. then don't put on that face.

"....."

"Tiny, you don't have to feel guilty about anything."

When she was serious, her eyes were like stars.

you're an important friend of mine. Whether you let me go or not, I'll go. The reason why she came to find you is also because of me.

Gu nanzhi looked at her steadily.

She said, " Lou qingyue sent me a text message to ask me to meet up. I rejected her. Maybe she's angry from embarrassment. That's why she came to you.

Hearing this, Gu nanzhi was furious. this despicable woman actually used such a despicable method!

Ning Qing laughed. that's why I said that you're not the one who dragged me into this. I'm the one who dragged you and the Gu family into this. If I had agreed earlier, this would not have happened.

Gu nanzhi's expression was downcast. alright, " she said. I'm going up.
