[Chapter 861](#)

861 Qingqing returns home after being discharged (1:

At the mention of hands, the people in the back seats were silent.

In the passenger's seat, ning Qing took the initiative to say, " it's okay. I believe my hand will get better. I'll buy a car and take my parents out for a ride.

Mother ning forced a smile and exchanged a look with father ning.

It was very quiet in the car, and not long after, the phone rang.

It was ning Qing's.

She had lost her previous phone at the fire site. This was a new one, and it only had a few phone numbers.

When she saw the number, ning Qing subconsciously looked at the people in the car, but no one noticed her.

Yan Sichen looked at the road ahead and gently reminded her. what are you daydreaming about? why aren't you picking up the phone? "

Ning Qing coughed and turned slightly. what's the matter? "

"You're discharged?"

Through the phone, the man's clear and deep voice could not be hidden.

Ning Qing was afraid that her parents in the back seat would hear her, so she replied with a small " mm.

"On the way back?"

"Yes,"

"With Yan Sichen?"

Ning Qing paused and glanced at the rearview mirror.

That was strange.

How did he know?

Nian lie could tell what she was thinking. He didn't explain. I'll come and see you later, " he said:

But she was going back to the ning family.

Ning Qing didn't dare to say much since there were people around her. alright.

Nian Jin raised his eyebrows. He could guess her situation, so he hung up the phone without saying anything.

"Who called you?" mother ning asked.

"A friend: : ning Qing said: feeling guilty:

Mother ning nodded and stopped asking.

She held the phone and heaved a sigh of relief. She looked up and saw Yan Sichen's smiling eyes.

Her heart skipped a beat. The man had already moved away and was focused on the road.

After returning to the ning family, mother ning and the others left without saying much.

Obviously, they didn't want to keep Yan Sichen.

Yan Sichen also understood. After putting down the things, he said, " I still have something to do at the company. I'll go back first.

Ning Qing, who was sitting on the sofa, turned around. are you in such a hurry? "

"Yes."

"Then I'll send you."

Yan Sichen smiled. no need. It's cold outside.

In fact, the weather in the beginning of spring was still good. There was still a faint sun, but the wind was a little strong and cold, which was not suitable for patients to go out.

Ning Qing shook her head. it's alright. I'll send you out.

She stood up and followed him to the Xuanhuan area. Father ning heard the noise and stuck his head out of the kitchen. are you going out? "

Yan Sichen's tone was gentle. uncle ning, I'm busy at the company. I won't disturb you any longer.

Father ning was about to say something when mother ning came over and said with a smile, " that's a pity. Since you're busy, you can go now. Don't delay any further.

"Alright," Yan Sichen said:

"Come again when you have time."

They all knew what was hidden in this kind of politeness.

Yan Sichen didn't mind. He nodded and walked out of the door.

Ning Qing looked at the two people in the kitchen. I'll send him off.

Mother ning frowned. Ning Qing beat her to it. they took the time to send us back. It's only right for me to send them back.

Mother ning was speechless. She pointed at the shawl and said, " you have to put it on. Don't catch a cold.

"Alright," he said.

“Come back early.”

Spreading the shawl over her shoulders, ning Qing went out.

Yan Sichen stood at the bottom of the steps and looked back at her with a warm face.

She jogged to his side in a few steps. let’s go.

The two of them left the building one after another.

There were many people walking around in the neighborhood. Compared to the previous winter, there were more people taking strolls.

...

Yan Sichen was a little dazed.

It seemed that it had been a long time since he had walked with her so peacefully.

[Chapter 862](#)

862 Yan Sichen is relieved (1:

From the moment she went to the capital, everything had changed.

He had also understood a lot over a long period of time and deliberately stopped disturbing her life, even when she had returned to Ying city.

If it wasn’t for her accident, he probably wouldn’t have appeared by her side again.

For some people, it was better to look at them from a distance than to get close.

“Brother Sichen.”

A low voice pulled him back from his thoughts.

what’s wrong? ” his brown eyes focused.

“: ‘m sorry: Please don’t take my mother’s attitude to heart,: ning Qing said:

Her mother’s attitude towards Yan Sichen had changed a lot because of what had happened before.

Anyone could tell.

Of course, Yan Sichen understood. it’s alright. I know aunt ning’s personality.

“She has no ill intentions. Don’t overthink it,” ning Qing explained.

Yan Sichen smiled. I won’t overthink it. Don’t worry.

After all, it was his fault that his parents had hurt his family.

“It’s not aunt ning’s fault.”

“.....”

I just hope that they won't remember what my parents said.

: I won't:: ning Qing said weakly: feeling upset.

But whether or not it was true, Ning Xi's mother's reaction had already explained everything.

The two of them walked to the entrance of the community and Yan Sichen's car was parked on the side of the road.

Standing in front of the car door, ning Qing lowered her head and said, " I'm sorry, brother Sichen. I'm very sorry for everything that happened in the past. I've made your parents have a bad impression of me and put you in a difficult position. I'm sorry.

Yan Sichen turned around to face her with a kind expression and a smile in his eyes. what are you saying? "

"I'm Yingying!"

the past is in the past. I also have a lot of things that I haven't done well enough. In the end, I've come to this step not only because of you.

Perhaps, he had never firmly chosen her.

Ning Qing's heart trembled slightly as she met his gentle gaze.

It was full of tolerance and understanding for her.

Yan Sichen knew that she had always been the same as before-gentle and strong, independent and kind, and never able to bear to hurt anyone.

He raised his hand and touched her head, the light in his eyes becoming gentler.

don't say that. You've always been good. I'm the one without good fortune.

"....."

"It's windy, let's go back."

He naturally lowered his hand.

Both of them understood that from now on, there would only be a sibling relationship between the two of them and nothing else.

Tears welled up in ning Qing's eyes. She wrapped her shawl around her shoulders. you go first. I'll watch you leave.

A trace of helplessness flashed across Yan Sichen's face. Alright, he had almost forgotten how stubborn she was.

"Alright," he said.

He opened the door, got into the car, and lowered the window. go home early. Don't catch a cold. Aunt ning will hate me even more then.

Ning Qing smiled through her tears. I know.

The car drove away, and the back of the car disappeared from sight.

Ning Qing took a deep breath, and her heart relaxed.

After talking it out, he was much more relaxed than before.

She was about to turn back when a horn sounded from the side of the road.

“Swish-”

Ning Qing looked over, but she couldn’t see who was inside the dark and smooth car.

“Buzz ... Buzz ...”

Two more sounds.

She thought of Nian lie. She had forgotten to take her phone with her when she went downstairs.

Could it be him?

She was about to walk over when a figure passed by her. It was a girl dressed in a pretty dress, who rushed toward the car like a butterfly.

The car door opened, and a man opened his arms and caught the woman.

“.....”

Ning Qing’s heart ached a little, and she felt a little disappointed.

...

She tightened her shawl and turned to walk into the neighborhood.

However, she saw a familiar figure below the building.

[Chapter 863](#)

863 Older sister (1:

It was Tina.

She stood there alone, her beautiful face expressionless, but her gentle and beautiful eyes were filled with a myriad of emotions. They were watery and exaggeratedly bright.

Sadness, unwillingness, grief, regret, and sorrow.

Ning Qing was stunned.

She looked at her coldly and turned to leave.

“Tina!”

Ning Qing rushed forward and grabbed her hand.

“Don’t go! I have something to ask you!”

“Let go.”

The two cold words were even colder than the cold wind.

Ning Qing held her wrist tightly and suppressed her voice. I have something to ask you. You can go anywhere you want after you answer me.

The woman’s back was still facing her, and she held her hand, refusing to let go.

Ning Qing took a deep breath to calm herself down.

I know. You were the one who saved me in the hospital.

“.....”

“Why did you come to Ying city? Why did you save me? The doctor said that I have a special blood type. How can you have the same blood type as me? You!!!”

She asked and suddenly stopped.

Tina’s side profile was exquisite and unparalleled, and she looked extremely cold when she wasn’t smiling. She had never seen her smile before.

However, being cold was one thing, and being sad was another.

Were the tears in the corners of her eyes?

She was crying?

With this in mind, ning Qing was at a loss for words. why are you crying, Zhenzhen? ”

Something flashed across her mind so quickly that she couldn’t catch it.

Tina was startled. She immediately raised her hand to wipe away the tears in her eyes. you’re mistaken, ” she said indifferently.

Ning Qing did not allow her to lie. She walked around her and stood in front of her. She was a little surprised and confused. why are you crying? ”

Tina straightened her back and raised her head in a dignified manner, not allowing anyone to see her fragile side.

She looked at ning Qing coldly. I told you, you’re wrong!

“.....”

Ning Qing remained silent.

She knew that if she didn’t want to tell her, she wouldn’t be able to know.

“You’re with him again?: Tina suddenly asked as she was deep in thought:

Ning Qing was puzzled. who are you talking about? ”

She glanced at it and somehow knew that she was talking about Yan Sichen.

Her mind went through a lot of twists and turns, and the way she looked at Tina became more and more strange.

brother Sichen only sent me and my parents home. He didn't mean anything else. From now on, we'll just call each other brother and sister. There won't be any other feelings between us.

Tina pursed her lips tightly, and she turned her face away when she sensed mo tiange's gaze. you don't have to explain anything to me. It doesn't matter who you're with, as long as it's not that man.

"Why?"

"There's no reason."

"So you're saying that you won't stop me if I want to be with brother Sichen?"

A light flashed through Tina's eyes. No.

His hand secretly exerted force, and his palm was deformed.

As long as she wasn't with Nian lie, she didn't care about anyone else!

Ning Qing could not figure it out. Her loathing for Nian lie had reached a point where it seemed to be hatred.

And her feelings just now were real. She was teasing the banquet master.

How could that be?

She had never interacted with Yan Sichen before, so how could she have feelings for him?

Ning Qing's mind was in a mess, and Tina didn't give her time to figure it out. are you done? I'm leaving.

Ning Qing held her hand tightly. what are you doing in ning city? "

"I have something to deal with."

"What is it that is worth you personally dealing with?"

Tina glared at her coldly. it's none of your business, and I'm not going to tell you.

After saying that, she let go of her hand and left without any reluctance.

Looking at her back, ning Qing's heart was burning with anxiety. A wisp of fire rushed from her heart to her mind, connecting everything quickly.

...

"Sister!" She blurted out.

[Chapter 864](#)

864 Tina is ning su (1:

Tina's back stiffened, and she stood rooted to the ground.

Ning Qing's heart felt like it was being torn apart. After the battle between heaven and man, she suddenly saw that her figure was almost the same as hers.

That pair of eyes, she felt familiar from the start.

Then, he thought about how he had saved her life at the beginning, how he had sent her abroad and kept her away from Nian lie until she had an accident and needed a blood transfusion.

Everything was so coincidental.

It was so good that it seemed to be premeditated.

Tears welled up in ning Qing's eyes, and she couldn't help but tremble. it's you, Yingluo, isn't it? "

The woman did not respond.

Ning Qing suppressed her heartache with all her might. since three years ago, you've saved me, kept me away from the troubles in Ying city, and sent me to America. All of this is because you know who I am, right? "

"....."

you're not Lou si or Tina. You're my sister. You're ning su, right? "

Her voice trembled and changed, but she knew she could understand.

Because they used to talk about everything.

This was because they were once the people who were most familiar with each other in this world and had accompanied each other as they grew up!

Ning Qing's steps were wobbly, and her heart was filled with pain as she walked to her.

The woman's face was covered in tears.

She seemed to be laughing, crying, rejoicing, and rejoicing.

She looked at her from head to toe. I'm sorry, Wanwan. What happened to your face? " What have you been through in the past few years? how did you become like this? Sister ..."

She reached out to hold her hand, but ning su took a step back.

Even though her face was covered in tears, she was still so cold that people would retreat.

"I'm not your sister," ning su said.

Ning Qing shook her head as she cried. it's you! I know it's you. I've read your diary. You've liked brother Sichen since a long time ago. I know you're with him in the hospital!"

"Ning Qing!"

Ning su suddenly shouted, his eyes red with resentment and endless pain.

"I'm not, I'm Lou si. Look carefully."

"No! You're my big sister!"

Ning Qing pounced on her and held her shoulders. She was sad and heartbroken.

"I know that you've suffered a lot these past few years. It was I who harmed you back then! My parents told me that I was wrong. I'm sorry!"

She cried until her eyes hurt and her heart was numb.

I'm stupid. It's been three years and I still can't recognize you. I'm sorry, sister ... You're angry with Qing'er. Qing'er understands, but you can't deny it!

She was ning su!

It was ning su, the only one who called her "Qing'er" all day long!

It was ning su, the person she had grown up with for many years!

It was the ning su who loved her, loved her, and never hurt her!

She didn't recognize her before, but she actually dared to hit her!

She had hurt her own sister!

Ning SU's heart ached as well. She had never thought of acknowledging her, and she didn't want to see her like this!

The two of them had been separated by six years!

No matter how he tried to make up for it, it was impossible to return to the beginning.

Ning SU's expression was numb as she let ning Qing hug her and cry hysterically.

She didn't react at all and only said, "ning su died a long time ago." &Nbsp;

The woman on top of him froze.

Ning su lowered his eyes to the ground, his eyes unfocused. she died six years ago.

"....."

"I'll die in front of you, in your hearts."

Ning Qing's heart ached and she felt guilty. She kept shaking her head. you didn't! You're alive, you've always been alive! Sister, don't say that about yourself. I miss you, and so do our parents!"

Ning su sneered. His smile was so cold that it was even more piercing than the cold water of the late winter.

Ning Qing looked at her in a daze, only to see that her eyes were full of ridicule and hatred.

"If you miss me, why didn't you come and find me?"

[Chapter 865](#)

865 The two sisters had nothing to do with each other (1:

Ning Qing's mind buzzed as she muttered, "I'm Zhenzhen."

Back then, she had also had an accident and lost that part of her memory. She didn't know what happened later, but everyone had determined that Ning Su was dead!

Ning Su's eyes were filled with poison. You're going to say you don't remember, right? "

Ning Qing was frightened by the look in her eyes and unconsciously let go of her. I don't know, Hanhan.

Ning Meng's eyes darkened. Then let me tell you, " she said sarcastically, " because something happened to you, all their attention is on you, so they don't have time to see me at all!

"No!" "Dad and mom love you, and they've always loved you more!" Ning Qing denied loudly. Why would they not care about you?"

Ning Su's tear-streaked face was filled with layers of coldness.

"You're still as stupid as before."

"....."

Ning Qing's heart ached again. Sister Wanwan.

She had never humiliated her like this before.

How did she become like this?

Ning Su could tell that she was injured, but he didn't take it seriously. I was in a car accident, but I didn't die at that time! If any of you cared about me, you should have known that the body wasn't mine! But none of you can see it, or rather, no one cares about Yingluo at all."

Ning Qing grabbed her hand again. Impossible! His parents were not that kind of people! I was unconscious at the time, so I didn't know what happened after that!"

Ning Su wanted to break free, but she used too much force and couldn't.

"There's nothing to explain."

Come up with me, " Ning Qing said anxiously. We'll confront father and mother. They'll tell us what happened!

Ning Su gritted his teeth and insisted on dragging her into the building.

"Ning Qing, let me go!"

"The truth will come to light, sister. It's not like what you said! It's impossible for mom and dad to not want you!"

Ning Su wanted to hit her, but after seeing her hand, he couldn't do it.

After being dragged up to the second floor, she pushed Ning Qing away. Have you had enough? "

Ning Qing's back hit the wall hard, and the sadness in her eyes pierced her heart.

Ning su shifted his gaze and clenched his jaw. I told you, ning su died six years ago. The person standing in front of you now is Lou si. It has nothing to do with you and your ning family!

Ning Qing's heart ached. sister, what are you talking about, Yingluo? "

"I'm not your sister! I'm not in the mood to talk about the past with you. Whether it's your fault or not, there's no point in arguing about those things now!"

"I'm Lou si, and I'm only Lou si."

Ning Qing kept shaking her head as she listened to these bone-piercing words. you're not just anyone. You're my sister!

from now on, you just be a good ning Qing. I'll go back to my Lou family.

Ning SU's eyes were filled with tears, but he stubbornly refused to let them fall.

He raised his head and looked indifferent.

"You and I have nothing to do with each other,"

Ning Qing's heart was pierced by these words, and she was in so much pain that she spasmed. sister! You can't do this!"

Ning su gave her one last cold look. I gave you my blood. That's the last thing we can do. Now, we're done. Ning Qing, don't ever appear in front of me again.

"Sister ..."

Ning su had already turned around and gone downstairs without any hesitation.

Ning Qing's arms were numb and her limbs were weak. She held onto the wall and chased after him.

"Sister, don't go!"

"Don't leave Qing 'er!"

"Bang!"

Her body fell hard on the ground, and the figure moved further and further away. It was cold and ruthless, and until it completely disappeared, it did not turn back to look at her.

[Chapter 866](#)

866 Not willing to forgive _1

Ning Qing lay on the ground, crying her heart out.

After an unknown period of time, a panicked voice was heard.

"Qing Qing!"

Then, someone helped her up.

Ning Qing's eyes were listless as she looked at the man in front of her and murmured, "Nian lie, Han Han."

His handsome face was filled with worry and heartache. It's me.

She pouted and could not hold it in anymore. She threw herself into his arms without a trace of strength or forbearance.

"My sister is back Yingluo, so she's my sister. I didn't recognize her Yingluo. Yingluo, she doesn't want me, dad, and mom anymore, Yingluo."

Nian lie finally understood what was going on after hearing those confusing words.

He hugged her and saw that her face and eyes were completely red. She had no strength in her body and he knew that she was very sad.

His heart ached for her. Okay, get up first. You can talk slowly.

Ning Qing was helped up by him, but she had no strength left. She looked in the direction that Ning Su had left and said in despair, "She said she wouldn't forgive me. She said she didn't want to see me again. She didn't want me or this family anymore."

Nian Xi hugged her tightly, afraid that she would slip to the ground. She's just angry. She won't ignore you.

He had always been slow with his words and could not say comforting words.

Now that it was his turn, he did not know how to comfort her.

Ning Qing lowered her eyes. Her eyelashes were wet, and her nose was red. She looked very pitiful.

She's really angry. What has she been through all these years? Her face looks different too. If it wasn't for brother Sichen, I wouldn't have recognized her at all.

As she spoke, her tears fell again.

Nian lie held her with one hand and gently wiped the tears from the corners of her eyes with the other. Perhaps she's been through some things, but she's still alive, isn't she? That's a good thing.

Ning Qing shook her head weakly. She's not willing to forgive me.

Nian Xi paused. There's still a long way to go. Don't worry about these things. As long as she's alive, we'll have a chance.

Ning Qing was so sad that she didn't know what to do.

Really? "She raised her confused eyes and asked with uncertainty.

"Yes."

She sniffled. But when I think about how she's been alone all these years, my heart aches for Hanhan. I don't even know what she's been through.

How did she survive?

Who had saved her?

How did she change her face and bring Lou Si's name with her?

Ning Qing did not know, but she felt that things were not as simple as they seemed.

Her sister had gone through unspeakable hardships and pain to get to where she was today, but they didn't even know that she was alive!

Nian lie tucked her wet hair behind her ear and tidied her messy hair. there's still a long time. The truth will come to light one day.

Ning Qing bit her lip. I'm going to find her!

Nian lie stopped her. she's in a fit of anger. She won't listen to you no matter what you say to her.

Ning Qing lowered her head. then what should I do? How do I explain this to my parents? "

Nian lie recalled what had happened at the hospital and the words of the ning family's parents. His heart sank.

He quickly made his decision.

you've just recovered from your injury and caused your parents to be sad for a long time. It's not easy for them to get some rest, so don't tell them about this for the time being.

"But what about my sister? She's clearly still alive, she's so sad."

"Qing Qing."

Nian lie's expression turned serious, and his eyes darkened.

your parents have just experienced the pain of almost losing you. If they know that ning su is still alive but is unwilling to acknowledge you, what do you think they will think? "

[Chapter 867](#)

867 Heaven's will makes fun of people (1:

He would be sad.

He was very sad.

Nian Xi hugged her tightly, trying to give her a sense of security. take care of your body first, then I'll go with you to get her forgiveness. After I get her forgiveness, I'll tell our parents. What do you think? "

Ning Qing did not want to wait, but things had already come to this. She was not feeling well, and she could not let her parents know about this. She could only agree.

"Alright," he said.

Nian lie planted a kiss on her forehead. don't worry, I'm here.

Ning Qing leaned into his arms, and her heart finally felt a little better.

*

In the room, mother ning covered ning Qing with a blanket and touched her forehead.

Outside the room, Nian lie and father ning were standing by the window.

Ten minutes ago, ning Qing's emotions had fluctuated too much and she had fainted in his arms.

He was afraid that her parents would be worried, so he had to send her upstairs.

Father ning saw mother ning coming out of the room. She closed the door carefully. He turned around and sighed. I didn't expect her to recognize Hansu.

Ning SU's appearance had changed too much, and he was almost no different from before.

If it had not been for her blood type and how she had helped ning Qing, they would not have been able to recognize her in the hospital.

Now, it was ning Qing who had noticed that something was wrong and recognized the person.

Nian lie's dark eyes were deep, and his thin lips were tightly pursed. she was very sad.

His heart ached when he thought of how she had cried and said that ning su didn't want her anymore.

Father ning took out a cigarette and handed it to him.

Nian lie hesitated for a moment, but still took it.

He took the initiative to light up father ning's cigarette, then lit his own.

He said, " uncle, although I don't have the right to ask about the past, ning su is back now. Some things may need to be announced. Otherwise, she will always feel guilty.

Father ning's face was full of worry. He looked at him and then into the distance.

that year, after Qingqing was pregnant, you disappeared for no reason. No one knew why you left. She was very sad. Perhaps it was because she couldn't bear to see her sister so sad, so she suggested to look for you behind our backs. In the end, an accident happened on the way.

The past was too far away, so far away that Nian lie felt like it was a lifetime ago when he heard this.

the car accident that year was indeed an accident. Ye su was determined to be dead at that time. The scene was too tragic, and ye SU's entire face was a bloody mess.

At this point, father ning's hands trembled and he couldn't even hold his cigarette.

This wasn't just a memory, it was another death by a thousand cuts.

He looked into the distance, his tone heavy.

her mother and I were too sad to look at her. Moreover, Qingqing lost her child and she was in a bad mood. We didn't dare to leave her side. We also didn't dare to make Hansu's funeral too big. We were afraid that she would take it too hard and go with us.

but who knew that heaven's will would make a fool of us. Because we didn't personally identify the corpse, that person was actually not ke su.

Father ning smiled bitterly, not knowing if he was glad or self-deprecating.

Nian lie held the cigarette between his fingers and was silent for a moment.

Father ning looked at his expression and knew that he had something to say.

He flicked the cigarette ash onto the bed frame. just say what you want to say.

Judging from the situation today, Nian lie had probably made up with Qingqing.

The two of them had been through so much, but they still hadn't separated.

This might be the will of the heavens.

There was nothing to hide between them now.

Nian lie hesitated for half a second. ning su is now a member of the Lou family in the capital.

Mr. Ning took a puff of his cigarette. He looked serious and unsurprised. I already know.

[Chapter 868](#)

868 I won't allow you to be entangled with Qingqing anymore (1:

the Lou family has strict laws and values bloodline very much. She is the heir of the Lou family, which means that ning su is Lou Lan's biological daughter.

If he wasn't mistaken, Lou LAN had probably had to leave ning Qing and ning su in Ying city for some reason. As for the reason, he hadn't found out yet.

Father ning understood what he meant.

If ning su was one, then so was ning Qing.

"How did the Lou family treat her?" he asked, not knowing enough about the Lou family.

Nian lie's eyes darkened. as the next successor of the Lou family, you should be honored and have unlimited glory.

if they're going to enjoy a good life, why would their mother leave them here? " Mr. Ning asked.

Nian Jue was speechless.

Father ning's brows were tightly knitted together. what's so good about being a big family? They had always been scheming against each other. No matter what the reason was, their mother did not want to keep her child by her side. However, after such a long time, she suddenly lost her feelings. What was the meaning of this? Now, chenshu is looking for Qingqing again. Is she going to bring her back?"

"Take Qing Qing away?"

Before Nian lie could say anything, mother ning suddenly interrupted the conversation and walked forward angrily.

I've raised Qingqing for more than twenty years. What right does she have to take her away? "

Father ning's brows furrowed even more, and mother ning's eyes reddened. She was both unconvinced and unwilling.

let alone Qingqing, we're the ones who raised xinsu. All these years, I've treated them as my precious babies, no different from my own daughters. She's never given me any help and has never come to see my daughter. What right does she have to take them away from me?!

Mother ning was too agitated. Nian lie tried to comfort her. Auntie, uncle and I are just discussing the current situation. We didn't say that the Lou family will definitely take her away.

"I can't do anything!"

Mother ning had already lost her rationality. Thinking of the pain her two daughters had experienced, she realized that it was the sin of their birth mother!

If she really loved them, why would she be willing to leave her two obedient twin daughters in the welfare Center?

"She didn't take them away back then, and she's even less qualified to take them away now!"

Mr. Ning turned around and looked at her with a heavy expression. what are you talking about? that's the child's biological mother.

"So what if you're his biological son? I've never taken care of her since she was a child. What right does she have to take my daughter away?"

Of course, father ning didn't agree with Lou LAN taking ning Qing and ning su away. However, he was more rational and calm.

"You and I don't have the final say in the matters of the big families."

"On what basis?"

"Just because they have power and influence."

"....."

The entire living room fell into dead silence.

Everyone knew what father ning meant.

The Lou family had a big business and great power. They could even extend their influence to various places abroad. In their eyes, the ning family was like an ant.

For example, if they wanted ning su, they could just find a corpse to replace her, so that they wouldn't be able to find anything wrong and the family would collapse.

If they really wanted ning Qing to return to the clan, what could they do with just the two of them?

Mother ning's lips trembled as anger and despair grew in her heart.

Her gaze fell on Nian lie, and he received her message.

“Why do you care about these things?: the woman asked coldly:

Nian Yu was stunned. her business is my business.

Qingqing is my daughter. I’ve told you before that I won’t allow you to be with her again, based on the hurt you’ve caused her, ” mother ning said with a sullen face.

869 No one is allowed to take Qing Qing away (1:

A trace of emotion flashed across Nian lie’s face. He lowered his voice and said, ” yes, I did so many things in the past. It was all my fault. In order to make her stay, I caused her and all of you to hurt. Uncle, Auntie, I’m sorry.

I’m not asking for an apology from you, ” Mrs. Ning retorted coldly. it’s useless even if you apologize 10000 times for what you’ve done!

Nian lie lowered his eyes. His gaze was dark. I’m sorry.

Mother ning raised her chin. To be honest, she didn’t want to ask this man for help at all!

If it was possible, she wished that he could stay far away from their family!

However, according to ning chengfeng, how could they fight against the Lou family?

That was the Lou family that had shocked the entire country!

What could she use to protect her daughter?

Other than the man in front of her, she did not know who else she could ask for help from.

She and ning chengfeng were the ones who had wronged her. However, Qing Qing was still around. She could not let anyone take her away!

Not even their own mother!

“Nian lie,”

The man was shocked. Auntie, I’m here.

Mother ning glared at him, her attitude still cold.

“Do you still love Qingqing?”

Nian lie answered without hesitation, ” love. I will only love her in this life.

Hearing the answer she wanted to hear, mother ning was not moved at all.

“If you love her, I can give you a chance to start over.”

“.....”

Looking at the man who was in a daze, mother ning snorted coldly,”what’s with that expression?” You’re not willing to accept it?”

Nian lie was overjoyed. how could that be? I'm naturally willing to do so."

I can forgive you for what you've done in the past, and I can also let you get close to Qingqing, " said Mrs. Ning.

Her eyes were very serious, and her expression was also very solemn. but I have a condition.

"What are you thinking about?" father ning immediately objected. Do you think that with him, the Lou family won't touch us?"

"At least it's a guarantee!"

Mother ning looked at him angrily.

I won't let them take Qingqing away, and I'm not willing to give Hanqing to them for the rest of my life!

Mr. Ning threw the cigarette butt away. what you're doing is useless. You'll only drag the Nian family down with you!

Mother ning was so angry that her breathing became heavy. She turned to look at Nian lie and said, " tell me, are you willing to try for Qingqing? "

Nian lie understood what she meant. She wanted to use him to resist the Lou family.

However, he knew better than anyone that the Nian family had a place in the country, but they were a thousand miles away from the Lou family.

Seeing that he was hesitating, mother ning sneered. your feelings for Qingqing are just so-so!

"....."

"Alright, since you all don't care, then I will! If they really come and take Qing Qing away, I'll fight them to the death!"

Nian lie felt a headache coming on. Auntie, don't be so extreme. We haven't reached a conclusion yet. Besides, Qingqing doesn't know anything, Hanhan.

"I don't care about this! Whoever wants to touch my daughter will have to step over my dead body!"

After she finished speaking, she glared at the silent father ning with disdain and sadness. I'm not like some people, " she said through gritted teeth. I can't pretend to be indifferent when someone else's hand is already on my daughter! Heh, that's true, I think you've never treated the sisters as your own!"

Women were women.

When she got excited, she didn't care how ugly her words were, she only cared about pouring out her dissatisfaction and anger!

If you don't know, words are like sharp swords that can easily pierce through a person's heart!

"Enough!"

[Chapter 870](#)

870 She always thought I had feelings for ning su (1:

Father ning shouted, his face red.

“You think I don’t want to keep Qing Qing? Do you think I don’t want my two daughters to be by my side? I can’t wait to kill all those who touched my daughter!”

Ning Qing’s mother was shocked, and her eyes were filled with tears.

“But we have to see the reality clearly and look at the present! You can’t die just because you want to. What’s the use of dying? If you can’t make them stay, you still can’t make them stay!”

Only then did mother ning calm down. She was in despair.

“So there’s no other way?”

Father ning was silent. The atmosphere was heavy and suffocating.

Nian lie looked at the two of them and said, “uncle, Auntie, you don’t have to be so sad.

Mother ning’s eyes lit up. you have a plan? ”

Nian Yu pursed his lips and said in a low voice, “the Lou family hasn’t made any moves yet. Also, the inheritance system of the Lou family is based on the eldest daughter. Ning su is enough to stay in the Lou family. As for Qingqing and Qianqian, they don’t have to go back.

Mother ning frowned. what if? ” We must be prepared.”

With ning Qing’s habits, if she entered the Lou family, she would probably be eaten to the bone.

Who would be willing to let the person they loved suffer like this?

I have an idea, ” said Mr. Ning, looking at the two of them.

“What idea?”

Mr. Ning looked at Mrs. Ning and said, “you and I can’t help them in the current situation, but Nian lie is different. He is more capable than you and I in dealing with these things, and he knows how to protect himself in this kind of situation. With him by Qingqing’s side, no matter where she is, he will be more useful than you and me.

Nian Xi moved his lips. but with his current status, what can he do to stay by Qingqing’s side? ” mother ning said before he could:

After all, he was only her ex-husband.

There were no restraints.

Father ning looked at Nian lie deeply. He instantly understood what he meant.

Father ning nodded.

Mother ning finally realized what was going on. She went from being at a loss to being shocked. She was about to reject him. how can I do that?!

“Why not? Are you going to stay by her side forever?”

Mother ning was speechless.

there’s no other way. Mr. Ning’s expression became even more serious.

He looked at the man in front of him. Since he was twenty-one years old, he had watched Nian lie and ning Qing walk step by step.

As a man himself, Mr. Ning could understand his difficulties and difficulties. That was why he had always been more tolerant of Nian lie than his mother.

“.....”

The two men looked at each other in silence.

One was steady and heavy, while the other was deep and cold.

Even mother ning was infected by this silent tacit understanding, and could no longer object.

Nian lie’s voice was steady and powerful. uncle, Auntie, don’t worry. I promise you that as long as I’m here, I won’t let her get hurt in the slightest.

“.....”

“I’ll also find a way to deal with ning su as soon as possible.”

Mother ning was anxious. can you let her meet us? ” Just say that Yingluo said that we miss her. ”

Before Nian lie could say anything, Mr. Ning dispelled her thoughts.

Hansu and Qingqing have just been like this. I’m afraid that she won’t want to see us. If she does, there will only be more conflicts. What we need to do now is to calm down. There will be a chance to meet again.

Mother ning’s lips trembled, and she gave a dejected “hmm.”

Nian lie couldn’t bear to see her like this. don’t worry. I’ll contact you again in a while.

“Alright,” he said.

The three of them came to an agreement on this matter, and the silence lasted for a few minutes.

“Uncle, there’s something I need to do,” Nian lie thought of the person in the bedroom and said.

what? ” Mr. Ning snapped back to reality.

Nian Xi furrowed his straight brows. three years ago, I never gave her a clear answer about ning su. Until now, she has always thought that I had feelings for ning su and treated her as a substitute.
