

Mr Nian 871

[Chapter 871](#)

871 Qingqing, come downstairs and pick me up (1:

Mother ning knew about this. Ning Qing had asked her about it before, but she didn't dare to say much for fear that she would remember something. She didn't expect that she would misunderstand until now.

Nian lie knew that this matter was a knot in ning Qing's heart. She didn't care about it now, probably because she hadn't thought about it yet. However, when she calmed down and thought about what she had said to him in the past, she would probably still be bothered by it.

He didn't want her to be sad about these things again, and he didn't want her to hate him.

How could father ning not know what he was thinking?

she still has lost her memory. How are you going to explain Hansu's matter? "

Nian lie's heart sank.

Father ning sighed and gave him a meaningful look.

if you want to tell her about this, you'll have to tell her the truth. Are you sure she'll be able to accept it?
"

Nian lie clenched his fists tightly, his expression a mixture of frustration and frustration.

Mr. Ning patted him on the shoulder and said, " we've been keeping it a secret for so long. It's fine if she doesn't know. It'll only make things worse if we tell her. We'd better wait for the right time.

How long was this timing?

No one knew.

Nian lie's mood was like a roller coaster. He had been overjoyed just now, but now he had fallen into an endless abyss. It was extremely heavy.

If he couldn't tell her, it meant that he had to continue hiding it.

However, once a lie was left behind, it would require countless lies to cover it up.

It was fine if the truth had not been revealed, but if ning Qing found out about it one day, what would happen to her?

Nian lie's heart felt like it was being squeezed by a large hand, and he couldn't breathe.

He endured it, but there was no other way.

"Don't worry, I won't tell her."

Mr. Ning nodded solemnly, patted him on the shoulder, and walked away.

Mother ning paused and looked at Nian lie with a complicated expression. Her emotions were in a mess, and she couldn't tell if she was more resentful and resentful or if she was feeling something else.

She didn't say anything and followed father ning out.

Nian lie stood by the window as the cool breeze ruffled his hair.

That pair of black eyes was more serious than ever.

*

After spring arrived in Ying city, the temperature rose and the weather became much warmer.

Ning Qing was dressed in an apricot-colored sweater. She sat on the edge of her bed in her room, beads of sweat forming on her forehead.

Holding a paintbrush in her hand, she was struggling to draw a design sketch. From the sketch, she could roughly see a pair of earrings.

She drew for more than ten minutes, but she only added a few strokes.

Her hand could not hold the brush steadily.

The psychological effect was also unusually great. After trying a few times, she sighed in disappointment and stopped painting. She lifted her long hair with one hand and said helplessly, " it still doesn't work.

Ever since that day, ning Qing had not dared to mention ning su in front of her parents for fear of making them sad.

And now, her own hand had become like this, so she didn't dare to say anything.

She put down the drawing and pulled up the sleeves on her arms. The scar in the middle of both arms was pink, like a wriggling worm, circling her hands. It was ugly and redundant.

She didn't even dare to touch it herself. That kind of bone-deep pain would follow the touch and spread into her heart again.

Even though she tried very hard to overcome it, she simply couldn't do it.

The woman was dispirited, sad, and even a little depressed.

At that moment, his phone rang.

She picked it up and looked at it, and her mood improved.

"Hey-"

"What are you doing?"

It was Nian lie.

She heard his voice and felt a little comforted, but she also felt more wronged and sad.

"I didn't do anything,"

Nian lie could tell that there was something wrong with her tone. unhappy? ”

“No,” ning Qing lied.

He laughed. His voice was so low that it almost sank into the dust, but he still knew how to be stubborn.

“Don’t think too much, come down first.”

Ning Qing didn’t understand for a moment. why did you come down? ”

“Pick me up.”

“.....”

“It’s cold, wear more clothes.”

...

[Chapter 872](#)

872 Meeting his parents (1:

Downstairs, ning Qing looked at Nian lie and Lu Zhui, who was behind him. They were holding all kinds of gift boxes in their hands. She was so shocked that she couldn’t speak.

“What are you doing?”

Nian lie ignored her panic and frowned. Didn’t I tell you to wear more clothes? why didn’t you listen? ”

It was a reprimand, but not a reprimand.

Even Lu Zhui felt inexplicably nauseated when he heard this. He took a step forward and continued ning Qing’s sentence. young Madam, young master is going to visit your parents.

Ning Qing was not used to the change in address.

She didn’t have time to argue with him because Lu Zhui’s words contained too much information.

She found it unbelievable and looked at the man who took off his coat and put it on her in surprise. are you joking with me? ”

They had only been together for a long time, and her parents had always disliked him, especially her mother. She wanted to kill him when she saw him, and he still dared to come to her door now?

Ning Qing thought it was impossible, but when she saw Nian lie’s serious expression, she realized that he was serious.

She was shocked and had mixed feelings. do you know what you’re doing? my family’s current situation is not suitable for you to meet them.

When he heard this, Lu Zhui’s back tightened.

This obvious rejection made him think of his young master’s determination to win.

He had originally thought that it was unreliable. Every time young Madam's mother saw young master, it was as if she wanted to kill him. How could she accept him visiting?

However, his young master would never do anything he was not confident in. Other than that one time three years ago, he had never failed.

Lu Zhui didn't understand.

"You don't believe me?" Nian lie raised his hand and held Ning Qing's hand tightly.

Ning Qing was a little helpless. It's not that I don't believe you, but I think ran ran might be too fast.

She was afraid that her mother would directly sweep him out of the house.

Nian lie knew what she was worried about. He tightened his grip on her. Qingqing, Don't You Want Me to make peace with my parents? "

Ning Qing said, "of course I want to, but Zhenzhen."

"No buts," He looked up at her deeply. or you can tell me, if you don't tell me now, when do you plan to tell me? "

Ning Qing lost her voice.

They had just reconciled not long ago, and their relationship was still unstable. How could her parents accept it when she did not even understand the situation?

Besides, she really hadn't thought about this.

Nian Jin knew what she was thinking. His face darkened slightly. are you going to hide me for the rest of my life? "

"No, I'm not."

"You can't hide forever."

Nian lie didn't give her a chance to reject him.

"Trust me, okay?"

Ning Qing opened her mouth. He looked too serious, and his eyes were intertwined with emotions. They were deep and dark, and they conveyed a trustworthy luster.

Her heart softened like cotton, and she didn't know how to refuse.

She silently agreed.

Nian lie's nerves relaxed. His thin lips curved up slightly. He tidied her hair that had been ruffled by the wind and said gently, " it's cold outside. Let's go up and talk.

"Hello, Yueyue."

The convoy of cars remained outside the district. Only Lu Zhui, who was carrying the gift box, followed behind the two of them.

When she arrived at her own door, ning Qing's heart was inexplicably nervous, more nervous than ever before.

She turned around and grabbed the corner of Nian lie's shirt. you know my parents 'temper. If something happens later, don't be too bothered by it. Also, if you really can't stand it anymore, you can leave first. I'll handle the rest.

Nian lie couldn't help but laugh when he saw how worried she was.

"You're that scared?"

Ning Qing did not want to put too much pressure on him. She forced a smile and said, " I'm not afraid. I'm just a little nervous. My parents 'attitude towards you has always been bad.

[Chapter 873](#)

873 It's not easy to enter the ning family (1:

How was that not good? it was simply terrible.

There were all sorts of mockery and slaps.

Lu Zhui mumbled, attracting Nian lie's cold gaze. He trembled and lowered his head even more. I'm sorry, young master, young Madam!

Ning Qing also turned around and looked at him, neither high nor low.

Lu Zhui immediately felt that something was amiss. young Madam, please don't blame me. Young master gave me an order back then, and I didn't dare to disobey. That's why I didn't dare to leak the information to you.

He was talking about Nian Yu's feigning death.

Ning Qing's expression changed a little when she heard this. yes, his plan is the most important.

Lu Zhui felt very guilty and looked at Nian lie as if he was asking for help.

Nian Jin held onto ning Qing and said in a gentle voice, " alright, it's his fault. He didn't tell you when he saw that you were sad. You can punish him however you want. Don't be angry, okay? "

Lu Zhui suddenly raised his head. What the hell was this?

Was his young master selling him out? To be a punching bag for young Madam?

How could there be such an operation!

He's just an employee, alright!

"Young master, what are you doing?"

I'm sorry. he subconsciously swallowed his words and apologized.

Ning Qing was neither hot nor cold. Nian lie hugged her tighter. he has already admitted his mistake. Don't be angry.

Burning the bridge after crossing the river!

Lu Zhui cursed in his heart, but he didn't dare to say a word.

Ning Qing also knew that he was thinking about the big picture. Lou qingyue might be a lunatic who would do anything.

It was true that he wanted to find out more about her, but the accident still happened to her. She had saved her life, but her hands were wavering.

"You're quick to shirk responsibility," she said to Nian lie.

Lu Zhui was one of his people, so he still listened to him.

Nian Yu gave in, his voice becoming gentler. yes, I was wrong. You can blame me, but now is not the time. After this is over, you can blame me however you want.

Lu Zhui's hands and feet turned numb. He felt that he would go blind if he looked at her for one more second.

To be honest, ever since he had been with young master, he had never seen him so indulgent and gentle to anyone.

Even in the past, he didn't see young Madam like this.

This gaze and expression, tsk tsk tsk tsk, he was so doting on her that water was about to drip out.

Falling in love was really scary!

After all, Lu Zhui was still there. Ning Qing's ears turned red after being coaxed by him. what are you saying? "

Nian lie's lips curled up slightly. Knowing that she was shy, he kissed her on the side of her face. This kiss immediately made her face burn red. He chided her softly, " stop fooling around!

Lu Zhui shifted his eyes away and muttered in his heart,"do not see and hear if you are being indecent."

Nian Xi coughed and glanced at Lu Zhui. Ning Qing slapped his hand away and said, " you'd better be prepared. It's not easy to get into my house.

Perhaps, he couldn't even enter.

A dark glint flashed across Nian lie's eyes. don't worry.

Just two words, nothing else.

Ning Qing composed herself, took out the key, and inserted it into the lock. She took a deep breath, controlled her expression, and inserted the key. She opened the door. dad, mom, I'm home.

In the middle of the living room, Ning Xi's parents were sitting on the sofa. They turned around when they heard the voice.

Ning Qing's back stiffened. I, Zhenzhen, brought someone back.

After she finished speaking, her mind went blank. She stood on the spot, her legs weak, and she forgot to move out of the way.

Nian lie held her by the waist and pushed her two steps forward. Only then did he step into the house. He bowed respectfully to the two elders and said, "uncle, aunty, sorry to disturb you."

[Chapter 874](#)

874 A strange dinner (1:

At the dinner table, ning Qing's mind was blank.

After Nian lie greeted them, father ning and father ning were silent for a few seconds. Then, father ning stood up and gestured for Nian lie to come in.

It was fine that her father was like this, but her mother did not have any reaction at all.

Now, the four people who never dared to hope to appear at the same table were actually sitting together in her house!

Ning Qing felt that the world had changed, and she also thought that this was impossible!

Her mother was probably muddled with anger.

It definitely was.

She was so engrossed in her thoughts that she did not realize that their family had not prepared such a sumptuous meal for a long time. It was as if they had been waiting for an important guest to come.

And that 'honored guest' was sitting right beside her.

Father ning's expression didn't change much.

"Alright, alright. You don't have to be so particular about your family. If you're hungry, just eat."

When ning Qing came back to her senses, Nian Xi sat beside her. there's no hurry. Wait for Auntie.

Mr. Ning nodded. how's nianlie doing recently?" he asked casually. is the company busy?"

Nian lie looked at Mr. Ning and said in a serious tone, "the company has been greatly affected in the past. My younger brother is still inexperienced, so he still needs me to take care of him."

Mr. Ning nodded. Nian che is still young, but it's already a miracle that he managed to withstand the pressure and stabilize the Nian Corporation when you weren't around.

At the mention of Nian che, Nian lie felt relieved. my younger brother didn't like these things in the past.

But now, he was able to manage the company in an orderly manner.

It was good.

Ning Qing listened to the conversation between the two as if there was no estrangement at all.

While she was shocked, she also relaxed a little and joined in the conversation.

back then, did you plan this out of consideration for Nian che? did you do it on purpose? ”

He had deliberately placed the Nian family on him, forcing him to make sacrifices and work hard.

Nian lie didn't deny it. he's an adult. He should be responsible for his future.

“He might not be doing this in the future. Why don't you ask him what he likes?”

as a member of the Nian family, he has the responsibility to learn how to manage a company, ” Nian Xi said.

Ning Qing did not agree. it's so tiring to manage a company, and he doesn't like it. Why force him to do it? ” He won't be happy.”

“Not everything can make you happy. Some responsibilities can't be avoided.”

Ning Qing felt very aggrieved and uncomfortable when she heard such remarks.

She frowned and looked at him seriously. the Nian family has you. You can take on these responsibilities. Can't you make it easier for him? ”

Nian che had a good relationship with her, so Nian lie felt a little uncomfortable seeing her being so protective of him.

“I won't be by his side forever,” he said helplessly:

Ning Qing was not satisfied, but father ning raised his hand to stop her.

Alright, alright. It's a good thing that he's letting his younger brother experience some hardships. Men should be more experienced in society.

“But Yingluo”

“Don't worry about this. No one can protect someone forever.”

After saying this, father ning felt that it was inappropriate.

besides, that's his brother. I hope he can take care of himself. In the future, no matter where he goes, he won't be bullied.

Her father's words were much more pleasing to the ear.

Ning Qing glared at Nian lie angrily. He did not quite understand and wanted to hold her hand under the table, but she dodged him.

A helpless look flashed across Nian lie's eyes.

Just then, mother ning brought out the last bowl of pork rib soup.

Ning Qing sat up straight subconsciously. mom, don't be busy. Sit down and eat.

Mother ning glanced at the table, and her gaze made ning Qing's heart tremble. Nian Ying immediately grabbed her hand under the table.

[Chapter 875](#)

875 Father ning and mother ning's suspicious attitude (1:

She froze for a moment, and her eyes met mother ning's.

Ning Qing didn't dare to move. mother, RUO RUO.

Mother ning glanced at her, her eyes seeming to see through everything.

"Do you want something to drink?" mother ning asked coldly, just as ning Qing thought she was going to make trouble.

Ning Qing was stunned again.

There were only three people in the room. She had just recovered from a serious illness, so naturally, she couldn't drink. The only people left were her father and Nian lie. Her father didn't like to drink, so Wanwan's mother was asking about Nian lie?

Ning Qing was stunned.

In comparison, Nian lie was calm and steady. it's okay, Auntie. I don't drink often.

Mother ning glanced at him. Father ning said, " it's cold today. You can drink some. It'll warm you up.

Since that was the case, Nian lie didn't refuse.

"Alright," he said.

Mother ning turned around and went to the living room. Ning Qing turned around and kept staring at her.

So, she watched her mother go to the coffee table in the living room, take out one of the gift boxes, and quickly unwrapped it to take out a bottle of good wine.

Ning Qing,"Zhenzhen."

Was her mother trying to present Buddha with borrowed flowers?

Ning Qing's mother returned and placed the wine on the table. Judging by the name, ning Qing knew it was a rare wine.

When mother ning returned, she was holding three glass cups in her hands.

She was about to pour the wine when the man beside her got up.

Nian Xi lowered his body slightly. Auntie, let me do it.

Mother ning paused and looked up.

The dining room fell silent.

Ning Qing was extremely nervous, but mother ning's face was expressionless. It was hard to tell if she was angry or enduring.

She was worried that Nian lie would offend her mother. She stood up to take the bottle. mom, why don't you let me do it? "

The deadlock was broken.

Mother ning gave her a sidelong glance. Ning Qing's heart trembled. She heard her say, " your hand hasn't recovered yet. It's a waste to Spill the Wine.

"....."

A waste?

Was she afraid that Nian lie would waste the good wine he had sent?

Ning Qing's head buzzed, and the way she looked at her mother suddenly changed.

Ning Qing's mother felt a little uncomfortable. you do it.

As she spoke, she pushed the bottle to the pair of broad hands.

Ning Qing was overjoyed. mother ...

"Shut up," he said.

"....."

Father ning couldn't help but laugh.

He pulled out a chair for mother ning and let her take a seat.

Nian lie carefully poured three cups of wine and placed them in the hands of the two elders.

Ning Qing was jealous. I want to drink on such a good day.

"Why would a patient drink?"

"Don't mess around," father ning said.

"You're: patient," Nian lie said.

Ning Qing blinked. The scene was strangely harmonious and awkward.

you're a girl, don't pick up all these weird habits. Besides, you're not in good health. What are you doing here?" Mrs. Ning said with a straight face.

Ning Qing was anxious. if you can drink it, why can't I? "

"You're a patient," mother ning said.

She blurted out. Then, she realized that she had used Nian lie's words. She glanced at him.

"Don't take it lightly, your body is not well."

"Just a little!" Ning Qing argued.

Beside her, Nian lie said in a deep voice, " you don't know how to drink. Don't make a fuss. You'll make our parents unhappy.

The moment these words were said, there was another period of dead silence.

Nian Jin didn't think much of it. His eyes were filled with tenderness. you can't hold your liquor well. You'll have a headache.

Ning Qing's heart was beating like a drum. She was afraid that his mother would fly into a rage because of the words " father and mother ".

However, the scene she had imagined did not happen.

...

no one will care if you have a headache," Mr. Ning chimed in. just be good and wait until you're better.

Ning Qing had long forgotten about the wine and nodded obediently without a word.

"Alright, let's eat. The dishes are getting cold."

"Alright," he said.

"Yes."

Mother ning looked at the two of them sitting together. She could not hide the worry on her daughter's face, and she only heard what Nian lie had said. She felt upset.

After walking around for a while, the two of them still ended up together.

He didn't know if it was fate or sin.

[Chapter 876](#)

876 The two of you should get married again (1:

This meal lasted for a long time.

By the time they got off the table, Mr. Ning was already tipsy. Nian lie, you're sitting at the ning family's dining table again. You better know what that means.

Nian lie stood beside ning Qing. His handsome face was chiseled, his nose was straight, and his dark eyes were bright. Only his red ears showed that he was slightly tipsy.

uncle, don't worry. I won't let Qingqing down again.

Ning Qing supported him. don't say anymore.

Father ning stumbled and was hugged by mother ning. He pointed at Nian lie and walked over.

my daughter has gone through so much and finally got to where she is today. Her mother and I have no choice. We can't take care of her forever. So, you!

"....."

He rushed forward, blocked ning Qing, and clutched Nian lie's shoulder.

"What happened in the past doesn't count, Yingluo. From now on, you! You must stay by her side and not let her suffer any harm. Can you do that?"

This question was both a question and a warning.

I can. Nian Yu stood up straight. He was clearly drunk, but he was extremely solemn, as if he was making an oath. I can. I will protect her.

that's good," said Mr. Ning with a smile.

"....."

"Her mother and I will leave her to you again."

"....."

"This time, even if you die, you have to protect her!"

Nian lie's face was stern. In her daze, ning Qing almost thought that he wasn't drunk.

He tensed his face. I will.

Mother ning hugged father ning and scolded,"shut up, you drunkard!" You know what you're saying!"

"Of course I know!"

The sound was outrageously loud.

He looked at ning Qing, then at Nian lie. His face was slightly red, and the corners of his eyes were raised.

"You two, remarry!"

Ning Qing was shocked. father, what are you talking about, Yingluo? "

Father ning was about to say something when he hiccuped. Mother ning hit him hard and yelled, " shut up! If I had known earlier, I wouldn't have let you guys drink. What kind of behavior is this?"

"Take him to your room to rest," she said to ning Qing, who was stunned.

Ning Qing's mind was in a mess. She nodded her head. then, please take good care of father.

"Yes."

The two of them supported each of them as they walked towards their rooms.

Ning Qing struggled to hold Nian lie up, opened the door, and closed it behind her, keeping her father's nonsense out.

She threw Nian lie onto her bed and took two deep breaths before pulling the blanket over him.

Just as she was about to leave, someone grabbed her hand and pulled her into his arms.

"Don't go."

Ning Qing bumped into his chest, and her face hurt.

She was afraid of crushing him, so she propped herself up. Seeing his red face, she couldn't bear to blame him.

"If you can't drink it, don't force yourself."

The two of them had finished that bottle of wine and half of the other bottle. It was really an exaggeration.

Nian lie opened his eyes slightly and wrapped his arms around her tightly. I'm not trying to be brave.

Ning Qing couldn't break free. She didn't know why a drunkard would be so strong, and her heart ached a little.

"If you can't drink it, then you're still drinking it. Isn't that showing off?"

"I'm happy," the man said:

"What are you happy about?"

His lips couldn't help but curve up, and his voice was gentler than usual, without the slightest edge.

"They're willing to accept me by your side."

"....."

Ning Qing's heart felt as if it had been soaked in warm water, wet, soft, and tender.

She stopped struggling and leaned against his chest, listening to his heartbeat.

Again and again.

"Yes, you did it," she said.

[Chapter 877](#)

877 Marry me again (1:

They accepted him again. Although it was a little sudden and inexplicable to her, they still accepted him.

The man looked at the head on his chest, and a mischievous smile appeared in his eyes.

"What do you think of dad's suggestion?" he asked, continuing to pretend to be drunk.

Ning Qing could not digest what had just happened. huh? What did he say?"

Nian Xi squeezed her shoulders. dad wants us to remarry.

Ning Qing's body stiffened, and the smile on his lips faded.

"Do you think my dad is serious?" she asked.

It was obviously drunk nonsense.

Nian lie's Black eyes darkened. of course it's true.

Ning Qing could not help but laugh. She got up slightly and looked into her dark eyes.

“He’s drunk.”

“I’m drunk too.”

“What?”

What did that mean?

“He was drunk, but I took his words seriously.”

“.....”

“How about you?”

Ning Qing couldn’t keep up with the rhythm, and she became solemn.

Nian lie’s expression changed a little. Qingqing, you’re not willing? ”

Ning Qing’s heart was in a mess for a second, and she opened her pink lips.

In that one second, Nian lie’s expression darkened, and the aura around him changed.

His eyelashes drooped and his eyes were filled with bitterness. His voice was weak and pitiful. you really don’t want to.

Ning Qingxin’s heart ached. I didn’t.

Nian Xi let go of her. fine. If you don’t want to, I won’t force you.

He pushed her, and she slid to the edge of the bed, then raised her hand to block her eyes, leaving only her bony jaw outside.

He was disappointed, and ning Qing’s heart ached. Nian lie Xuxu.

I thought you were bothered by our rejection. Now that we’ve agreed, you’re still not willing. It’s probably because you really don’t love me anymore and don’t need me anymore.

Ning Qing’s head hurt. I didn’t mean that.

The man put down his arm. His usually cold face was full of disappointment and fragility, which was a rare sight.

“Is it because of Gu nanzhi?”

Ning Qing’s eyebrows twitched. what are you thinking? ”

“That’s Yan Sichen?”

“No.”

“Then why?” he held her hand and said, feeling wronged.

Ning Qing wanted to laugh, but she held it in. father and mother just don’t reject you anymore, but they didn’t agree to let us be together, let alone remarry.

“They agree!”

He was suddenly so excited that Ning Qing was a little confused. How did you know? ”

Nian Xi was frustrated. He couldn't tell her that her parents had asked her to stay in his arms a few days ago to protect her from the Lou family.

Of course, he wanted to marry her and keep her by his side, but he didn't expect it to happen so soon.

Remarry

He couldn't say the reason.

He had been silent for too long. Ning Qing was even more confused. Nian lie, why are you in a daze? ”

He suddenly moved and pressed her under his body. The drunkenness from before had completely disappeared, and what was left was that shockingly handsome face and anxious expression.

“Marry me again.”

“.....”

“Ning Qing, marry me again, okay?”

Ning Qing's heart trembled. What did you say? ”

Nian lie held her hands, feeling the throbbing and pain in her heart. He said very seriously, “Qingqing, whatever you did for me and what I did for you doesn't count. From now on, you have to trust me one more time. This time, I'm willing to exchange my life for it.

Ning Qing felt a sharp pain in her heart, and tears filled her eyes.

“Are you drunk?” she asked.

Nian lie didn't know what she was up to, but he still nodded.

She smiled and with tears in her eyes, she wrapped her arms around his neck and kissed him without hesitation.

Nian lie's dark eyes froze. He took the initiative and held the back of her head with one hand, kissing her deeply.

...

Fiery gentleness, domineering deep love, wantonly provoking fire.

The atmosphere suddenly changed.

She lost her rationality and strength in his superb kissing skills. Her kiss landed on her neck, leaving a wet mark.

She hugged him and let out the voice in her heart ...

“Alright,” he said.

[Chapter 878](#)

878 Living is my person, dead is my soul (1:

It was warm in the early spring. The kapok trees planted on both sides of the road bloomed and the wind blew. Many people were taking photos and playing on the streets.

When it came to remarrying, it was quickly put on the agenda.

Ning Qing had originally thought that her father was spouting nonsense after getting drunk. When Nian lie mentioned this, both he and her mother, for the first time, did not object and only asked her to think about it.

All she wanted was to get a marriage certificate and invite a few of her best friends to bear witness. But Nian lie didn't agree.

it's already a pity that we didn't have a wedding before. This time, I'm going to tell everyone that you're my wife.

"You deserve the best wedding."

He said that he would give her a wedding that would never be seen again.

She couldn't win the argument, so she compromised when she was touched.

Because of her hand, the wedding was set to be four months later, during summer.

The ning family's parents had no objections, and the matter was settled.

She and Nian lie had come to an agreement. The next day, they went to the Civil Affairs Bureau to get their marriage certificate.

From the time she took the photo to the time she picked up the item, ning Qing felt like she was in a dream.

When she held the red identification in her hands, she felt that it was burning.

Nian lie looked at her hesitant expression and felt even happier.

"Why are you in a daze?"

"It's like a dream."

Ning Qing responded subconsciously, then looked up at him. is that all? "

Nian lie thought that she was a little silly and pulled her into his arms. okay. Now, you just have to wait to be a bride.

Ning Qing suddenly felt a little emotional and looked up from his arms. why do I feel like I've been deceived by you? "

Nian lie's dark eyes flickered slightly. His smile was so bright that it almost blinded her eyes.

: Can I go back on my word?"she asked in return.

Nian lie's smile disappeared, leaving behind a cold and sharp look.

She felt guilty."I'm Yingluo."

He immediately bent down, picked her up by the waist, and kissed her domineeringly on the lips.

"It's already too late."

"....."

"In this life, you're mine when you're alive, and you'll be my soul when you die."

She snuggled in his arms and had no chance of rebelling.

After they left the Civil Affairs Bureau and got into the car, Nian lie said that he wanted to give her a surprise.

She kept asking, but he kept his mouth shut.

When she arrived at the place, she looked at the single-story building and was a little lost.

The servants and black-shirted bodyguards lined up in an orderly manner. Lu Zhui was in the lead. He was solemn and respectful. They congratulated him in unison. congratulations, Sir and Madam!

Looking at these people, ning Qing was in a daze.

"Our new home."

After saying that, Nian lie held her hand and transmitted his warmth to her.

Ning Qing muttered,"then cloud Phoenix No. 1 ..."

the memory there is not good. I don't want you to reminisce about the past.

He was rather straightforward. Ning Qing pulled her hand back from his. you're trying to cover up your past mistakes, aren't you? "

He was the one who had given her yunhuang No. 1, but because everything that had happened there wasn't good, he didn't intend to go back and stay there.

He never thought that she would think so.

Ning Qing turned around and left. Nian Yu chased after her in a panic. I'm afraid you'll think of those unhappy things.

"....."

"Qing Qing, we agreed to start from the beginning."

Ning Qing was blocked by him, and her expression did not look good. I don't want to start from the beginning now.

Then, he added,"I don't want to see you either."

She angrily flung his hand away. Nian Xi was stunned and helpless.

He had thought that she would not like Yun Huang No. 1. How could he have thought that she had overreached herself?

Ning Qing's footsteps were quick, and she was a little angry.

It was indeed because of the mention of Yunyan No. 1.

It wasn't just because she had once been chased out of that place, but also because Bai Qingqing had once lived there for a period of time.

879 I've never touched her (1:

That house bore witness to her sad past. If she could, she would not want to go back.

But what did he mean by that?

It was her own business if she didn't want to go back. He had prepared a new home in advance because Bai Qingqing had stayed there before and he didn't want her to destroy those memories?

Moreover, he didn't even come after her.

Very good!

Men were the same, they didn't cherish what they had!

The more Ning Qing thought about it, the more aggrieved she felt. The corners of her eyes were red, and she didn't notice that the traffic light was still red.

The car brushed past her body as it sped past.

A force came from the side, and she fell into the man's arms.

Nian lie was frightened. what are you doing? Even if you're angry, you have to look at the road. This is the side of the road, why are you tidying up?"

Before he could finish his sentence, he was stunned.

In his arms, the woman's eyes were filled with disappointment and weakness. The tears in her eyes were glistening, hanging on her eyelashes and swaying.

Nian lie's heart ached. ah ning, sob sob.

Ning Qing wiped the corners of her eyes and he reached out to pinch her chin. don't cry.

She stubbornly moved her chin away and looked to the side without saying a word.

Nian lie's Black eyes were filled with worry and concern. did I hurt you just now? Where does it hurt?"

Ning Qing pushed him away and stood firm. She was about to cross the green light with a blank expression.

Nian lie held her hand, his face filled with panic and caution.

He deliberated over his attitude and tone. He said in an increasingly soft voice, " it's my fault. I made you angry, but don't joke about your life, okay? "

"....."

"Ning, today is the first day of our re-marriage."

It was just that when the two words 'ah ning' came out of his mouth, there was a gentleness and gentleness that was not usually present.

She wasn't as sharp as before. Nian lie took the opportunity to pull her back to the side of the road. His heart ached as he wiped the tears from her face.

"Where did I go wrong? tell me, don't let your thoughts run wild, okay?"

He was so humble and accommodating, even though he clearly didn't know why it made her so angry.

However, she was the person he loved the most. No matter if it was right or wrong, he was in the wrong.

Ning Qing's emotions were no longer as restrained as before.

She looked at him, his eyes full of love and concern for her. She suddenly felt that she was not honest enough.

"That's our wedding room."

"Yes, I know."

He didn't say much. He lowered his head slightly and stood by the side of the road, blocking the wind for her. He waited patiently for her to continue.

Ning Qing's voice became very soft. Bai Qingqing used to live there.

"Yes."

She looked up at him. He immediately apologized seriously. yes, I was wrong in the past. I brought her by my side and made you angry.

Ning Qing was resentful. you didn't believe me back then.

She had told him that the child was not his. He had even scolded her and chased her out because of her.

Nian lie's heart skipped a beat. The punishment that he had been waiting for three years had finally arrived.

However, the other party was her. No matter what, he was willing to do it.

"I know her child isn't mine. I've never touched her," he explained:

Ning Qing did not say anything.

He panicked and held her hand tightly. Qingqing, believe me. I knew that she was sent by my parents from the beginning.

Ning Qing believed him in her heart, but she was stubborn on the surface. It's been so long. You're the only one who can decide the truth.

Nian Yu was flustered. I really didn't touch her. What do I have to do to make you believe me? "

Ning Qing flung his hand away. I don't believe it no matter what.

"Qing Qing!"

Ning Qing hurriedly left without looking back.

880 Using death to prove one's will (1:

She felt that she had agreed to his request in a moment of passion. She had so many questions in the past, but she had never gotten an answer.

For example, when did he fall in love with her?

If he had nothing to do with Ning Su, then what was with that diary?

Bai Qingqing was sent by his parents to drive a wedge between them. But at that time, she had just woken up and her mind was blank. What relationship did she have that needed to drive a wedge?

He said that he had intentionally kept Bai Qingqing by his side because he wanted his parents to choose between her and him. A chess piece of a lowly background shouldn't be left behind, and they ought to keep her. But why would his parents rather force him to marry Bai Qingqing, whose private life was in a mess, than let him continue to maintain their marriage with her?

Also, did Bai Qingqing's death have anything to do with him?

Ning Qing's mind was in a complete mess, and her steps became faster and faster.

She seemed to have forgotten about Nian Lie's existence until she heard his heart-wrenching cry.

"Qing Qing."

"Ning Qing,"

"Stop right there!"

She suddenly stopped and pulled herself out of her chaotic thoughts.

She should have talked to him about these things. How did it become like this?

Why was she throwing a tantrum for no reason?

Ning Qing was angry at herself for being unreasonable and being spoiled in front of him, but she was frightened by him when she turned around!

Nian Lie stood by the road, his handsome face solemn.

From that distance, she could hear his voice.

the past can't be reproduced, but I want you to believe me. From now on.

“.....”

ning Qing, I've never touched any woman other than you. If you don't believe me, I can only show you my determination in this way.

Ning Qing's heart ached. She didn't have time to think. After realizing his intention, she screamed, " no!

The man didn't care. He faced her but turned his back to the road.

Then, he stepped back steadily.

“Nian lie, no! Come back here!”

She couldn't care about anything else and ran towards him like crazy.

The green light on the road flickered twice and turned orange.

Ning Qing's pupils contracted, and her heart ached. no-”

He didn't stop until he reached the center of the intersection.

The orange color jumped a few times before it turned red in the next second.

“Stop playing, Nian lie!”

His expression was dark, and there was no expression on his well-defined face. His pair of black eyes were deep and profound, reflecting her figure as she ran over.

He was so calm, determined, deep, and stubborn.

There was no fear of death. On the contrary, the only gentleness in his eyes was about her.

He wanted to gamble on her trust.

The car sped up and crashed into him.

Ning Qing's heart ached. I believe you. Come back!

The moment a car was about to hit him, Nian lie finally heard what he wanted to hear. At the last moment, he dodged the car and leaped in front of her, pulling her into his arms.

Her heartbeat was deafening. He lowered his head and pressed it against her ear, gentle and firm.

I won't betray you, from my body to my heart. If I do, I'm willing to die to prove my innocence.

“.....”

Ning Qing wanted to say something, but her heart was filled with fear and panic. Her pale lips moved a few times, and finally, she bit down on his collar and clutched it until her palms turned white.

Curses could be heard on the road, but they were quickly settled by Lu Zhui, who had rushed over.

After a long time, ning Qing said in a muffled voice in his arms, "don't do such things again. I believe you." &Nbsp;

Nian lie's anxious heart settled down. He was about to say something, but she had already pushed him away and was walking back with unsteady steps.
