

## Mr Nian 891

### [Chapter 891](#)

891 I'll pay attention in the future \_1

Ning Qing slept until noon. Nian lie had asked someone to bring her food, but she didn't have the strength to eat.

Nian lie coaxed her and hugged her on the bed. Only then did she manage to eat a little.

It wasn't until six O'clock in the evening that she recovered some energy.

Looking at the misty sky outside, ning Qing glared angrily at the man who was smiling. you're too much!

Not only did he trick her into drinking, but he also took the opportunity to bully her!

I'm sorry. Nian Yu held her hand, which was about to hit him, and apologized as usual. it's my fault.

She was even angrier. you say that every time, but you don't even know where you're wrong!

Nian lie thought for a moment. then I'm sorry. I went overboard last night. I didn't consider your feelings and tired you out.

By the time he finished speaking, ning Qing's face had already turned red.

She just didn't know how he could say such vulgar and bottomless words with such a serious and cold face!

However, the man did not seem to notice her embarrassment. He continued in a serious tone. I'll be more careful in the future. I'll restrain myself next time and not let you cry.

"Nian lie!"

She scolded loudly, extremely embarrassed and angry.

He knew when to stop and held her in his arms. Okay, okay, I know.

"....."

but, ning, you have to know that I've been holding it in for a long time. What I did last night was wrong, but you have to understand me, okay? "

Ning Qing blushed and turned her face away, not looking at him.

How could he expect her to understand this kind of thing?

"It's been half a year," Nian lie whispered in her ear, sounding a little aggrieved.

Ning Qing's back trembled, and she lowered her eyes. what does it have to do with me? "

"Of course it's related."

He looked at those black eyes, full of tenderness, and didn't seem to be speaking dirty.

“Without you, how am I going to run?”

Ning Qing anxiously covered his mouth to stop him from saying more embarrassing words.

“Enough! Can you restrain yourself a little!”

alright, ” he said, his eyes filled with smiles.

“.....”

The room was quiet for a while. He followed her back and asked, ” are you hungry? Do you want to go down and eat something?”

“I’m not going.”

Nian Xi frowned. you haven’t eaten for a day. You’ll have a stomach ache.

It would have been better if he had not mentioned it, as it reminded her of her lunch.

A few maids carried the food and stood by the bed, waiting for him to dress her and help her eat.

Everyone knew what was wrong with her when she looked so weak at that time!

But this man could still be as calm as ever and feed her in front of so many people!

Wasn’t Yingluo indirectly telling everyone that she couldn’t get out of bed because of that?

Ning Qing was so angry that she pushed his hand away and jumped out of bed.

“Ah ning!”

The moment he shouted, her feet landed on the ground.

Then, she discovered something very sad.

Her legs still had no strength.

Before she could regret it, her legs gave way and she fell to the ground.

Nian lie’s expression changed abruptly. He hurriedly went up to carry her. how is it? ” Where did you hit? does it hurt?”

The floor was covered with a thick wool blanket. She didn’t feel any pain, but the strange feeling in her body was extremely strong.

She didn’t think much of it at first, but her vigorous exercise had pulled her in pain, and her face had turned pale.

Nian lie was shocked. I told you to call the doctor.

He wanted to get his phone but was stopped by ning Qing.

She shook her head. I’m fine.

He looked at her frowning and pursed his thin lips. ning Qing, we are husband and wife now. There is nothing that can't be confessed. If you are feeling unwell, just tell me.

Ning Qing was a little helpless. I'm really fine.

### [Chapter 892](#)

892 Nian lie, I'm very scared (1:

"You're still fine even though your face is pale?"

She raised her head and looked at his serious expression. Her eyes were filled with unconcealed heartache and nervousness.

She was originally very angry, but she couldn't bring herself to do it now. She gritted her teeth and repeated, " I'm really fine.

After she finished speaking, she was about to push him away and get on the ground.

Nian Jue's spirit was cold. where are you going? "

"Yingluo's bathroom."

"....."

"I'm in pain,"

She was standing in front of him. He was sitting, so he was shorter than her. Hearing her sudden words, Nian lie's eyes froze.

Ning Qing's scalp tingled under his gaze. But she didn't want him to worry, so she explained, " my body hurts. I want to take a shower.

"I've already helped you wash up: : Nian lie said as he looked at her face.

Ning Qing paused for a moment. then I'll soak in it.

Nian lie pursed his lips again. I'll get the servants to help you.

"No need," She rejected him quickly and looked away immediately after meeting his eyes. I can do it myself.

She dragged her feet awkwardly to the bathroom.

He looked at her for two seconds, then got up, walked over, and picked her up by the waist.

"....."

Staring at his face, ning Qing did not say a word.

After he had filled the tub with hot water and tested the temperature, he turned to look at ning Qing, who was sitting beside him.

She nodded and walked over, looking at him hesitantly.

Nian lie understood what she meant. He turned around, opened the door, and left.

“.....”

In the hot bathroom, ning Qing stood there with her head lowered, and it was hard to tell what she was thinking.

When she came out of the bath, it was already an hour later.

She thought that Nian Xi had left in a fit of anger.

However, when she opened the door, she could clearly see him sitting by the bed.

When he saw her coming out with only a towel on her body, he frowned and walked towards her.

The air conditioner was on in the room, so it was not too cold.

Ning Qing's lips moved slightly. I'm sorry.

He bent down, picked her up again, and returned to the bed.

She took out her pajamas and pajama pants from the closet and went back to the bed.

“Put on your clothes first, he said lightly when he saw her gaze stop on the plate at the side:

She came back to her senses and nodded.

She reached out to take the clothes, but Nian Xi raised her hands high.

“Don't you feel pain all over your body?” he asked, confused.

Ning Qing was speechless.

He sat on the edge of the bed and said in a gentle tone, “ I'll help you put it on.

Ning Qing looked at him subconsciously. I won't do anything to you, ” he said:

Then, he added, “ in the future, I'll ask for your permission before doing such a thing.

“.....”

He pulled her hands out for her and put the pajamas over her shoulders. He buttoned them up one by one, and there was no desire in his eyes.

He only lifted the blanket and bent one of her legs when he was done with the last button.

His hand trembled slightly.

Nian lie stopped in his tracks and looked up at the woman with tears in her eyes.

He wanted to hug her, but he was afraid that she would be disgusted, so he didn't do it.

He released his grip on her large hand, his tone still very calm.

the medicine is there. Apply it yourself. Remember to eat when you're done.

He got up and went out.

Ning Qing suddenly held his hand. His whole body trembled and he turned to look at her.

“Don’t go,” she said, holding back her tears.

Nian lie’s heart ached, as if thousands of ants were gnawing at it.

I’m not resisting you. I really did it because I was in love with Xuanji and nianlie. Don’t do this to me. I’m scared.

Her showing weakness was simply asking for his life.

...

He turned around and hugged her tightly. I’m sorry, I made you cry again.

She shook her head. I don’t know what’s wrong with me these few days. I’m just very scared.

### [Chapter 893](#)

893 I love you for real (1:

He slowly backed away and looked at her tears. His heart ached. what are you afraid of? ”

“I’m afraid that all of this is fake. I’m afraid that you don’t love me. I’m afraid that the life I’m living now is an illusion. I’m Hanhan.”

She didn’t know why she had become so sensitive and suspicious.

She was not like this before they got married.

It seemed that she had been inexplicably anxious since yesterday.

Seeing her like this, Nian lie finally understood everything.

She was really scared.

She was afraid that everything he did was just to lie to her.

She was afraid that he would still ” use ” her like before.

Nian lie’s heart shattered. He held her hands tightly and swore sincerely, ” this is all true. My love for you is true. It’s also true that I’m by your side. Ning Qing, I won’t lie to you again.

With tears on her eyelashes, she looked extremely fragile. really? ”

He nodded solemnly, and she pounced into his arms.

Warmth entered their arms, and reality filled the two of them again.

“I’ll help you apply the medicine, okay?” he asked softly after she had calmed down.

Ning Qing rubbed her head against his chest and nodded.

He asked her to turn her head, picked up the ointment, squeezed it between his fingers, and applied it on her exposed skin.

Her skin was soft, and even if he restrained himself, a light scratch would leave a mark.

Looking at the marks on her body, Nian lie couldn't help but feel guilty.

He shouldn't have allowed himself to mess around and made her so sad.

After he was done, he lifted her sleeve and she grabbed his hand.

"What's wrong?"

Ning Qing felt a little unnatural, and her eyes drifted away. I don't hate you, and I don't hate doing things like Zhenzhen.

Nian lie was slightly startled. She was a little embarrassed. After all, he was her only man in this life, and her young girl's heart could only be with him.

Nian lie could tell. He held her arms and said, "then, ah ning, tell me. Are you unhappy because I hurt you?"

She didn't look at him, but she nodded.

Nian lie heaved a sigh of relief. As long as she was willing to tell him, he felt that everything could be solved. He was just afraid that she wouldn't tell him.

He raised his hand and touched her face, smiling faintly. I'll be more careful next time.

She was embarrassed again and did not speak anymore.

After he finished applying the medicine, ning Qing recalled some scenes from last night. She propped herself up with uncertainty and pulled at his collar.

Nian Yu's eyes lit up. what do you want?"

She mumbled under his deep gaze, "I remember I caught you before, Hanhan."

She pulled open his collar, and sure enough, his chest was full of scratch marks.

Nian lie smiled faintly. it's just a small injury. It's nothing.

"....."

She deliberately kept a straight face, took the ointment, and applied it on him one by one.

Throughout the entire process, he was as gentle as water, and she remained silent.

After she was done, Nian lie moved the small table onto the bed and let her eat by herself.

Ning Qingzhen was really hungry and had eaten a lot. He worked on the side and quietly accompanied her.

The servant took away the tableware. Ning Qing thought of Yu Shu and asked him, "what did you say to Yu Shu?"

Nian lie raised his head from the computer screen. I said that you're not feeling well. I'll see you in two days.

Ning Qing frowned. Yu Shu is back from work. She'll be leaving Lin city in two days.

Nian Xi ran his fingers through her hair. just call her again and ask her out.

She nodded and searched for her phone.

Nian lie took it from the side and handed it to her.

She gave Yu Shu a call. As soon as the call connected, Yu Shu called out in worry, " sister Qingqing, how are you? " 'I'm not feeling well? where is it?' Didn't she just get married? why did she suddenly have a problem? Did you go to the hospital for a checkup? How are you doing now?"

#### [Chapter 894](#)

894 Life after marriage is very comfortable (1:

Ning Qing did not know whether to laugh or cry when she heard these questions. it's nothing serious. I'm much better after a day's rest.

Yu Shu heaved a sigh of relief. that's good.

"....."

but, sigh, I shouldn't be so worried about you. After all, you have Mr. Nian by your side. He can't bear to let you suffer.

The voice on the other end of the phone was not loud, but because the room was very quiet, Yu Shu's words could be heard through the phone.

Nian lie couldn't help but look over. Ning Qing hurriedly turned her head and hummed in agreement.

it seems that you and Mr. Nian are having a great time after your marriage. I'm relieved.

Ning Qing was helpless. She quickly changed the topic and asked her when she was free.

how about tomorrow afternoon? I have an interview in the morning. What do you think, sister Qingqing? "

"Alright, let's meet at the usual place,"

"Alright," he said.

we're getting married soon, " the woman teased, " I won't disturb you and Mr. Nian.

Ning Qing was embarrassed. Yu Shu said goodbye and immediately hung up the phone.

She blushed, put down her phone, and turned to face Nian lie.

She didn't know if he had heard her, but her heart inexplicably palpitated.

Nian Xi's expression remained the same. you have a good relationship with her.

Ning Qing was a little strange. When she had just returned, she had asked Yu Shu to do a lot of things for her.

For example, the photo of him kneeling in the cemetery, or the scandal of them being together.

In the past, she wasn't afraid of him finding out about these things, but now, she was a little afraid of him.

"It's good. Yu Shu is very simple and loyal," ning Qing replied.

She almost bit off her tongue after saying that.

Nian lie was also puzzled by her choice of words. do you use chivalrous words to describe a girl? "

She clenched her fists. yes, I helped her once before, and she did a lot of things for me after that.

"....."

They were already married.

Perhaps, she should not have kept the past from him.

Ning Qing prepared herself mentally and mustered up her courage. Yu Shu is not an insignificant person. Three years ago, when I jumped off the bridge, she was the first person to persuade me to turn back.

Nian lie's expression froze, and his fingers stopped typing on the keyboard. His side profile was dark and indistinct.

back then, I already thought she was a good girl. After all, all the media wanted me to jump in to gain popularity.

Nian lie's lips were pressed into a straight line as he reached out to hold her hand. ah ning.

She smiled and shook her head. it's all in the past. Now that I think about it, I also feel that those things were from my previous life.

She looked at him closely, her gaze soft. you said that we have to start over. I won't always remember the pain of the past.

Nian lie's heart trembled. Only by hugging her could he relieve the cold and pain.

"It's alright, it's alright."

Ning Qing obediently approached his chest and patted his arm.

when I first came back, she was having some trouble at work and was being pushed aside by her peers. I found her and helped her a little, and she has always remembered it, so I made a request to her, and she didn't refuse.

Even though she knew that those things might not be good things, they would still bring certain risks.

Nian lie's dark eyes were deep. He stroked her hair with his chin and listened quietly.

"You know, when I first came back, I held a deep grudge against you."

“Yes.”

because I wasn’t rational and calm enough. I also did some bad things to Yingluo in private.

“.....”

Ning Qing’s heart was beating fast. When she did not get a reply, she propped herself up and looked at him.

His face was calm and he was not surprised at all.

“You don’t want to know what I’ve done?” she asked.

## [Chapter 895](#)

895 The misunderstanding back then (1)

“It’s not important,” Nian Jing said in: deep voice, staring at her face:

She opened her mouth, as if he didn’t care about her dilemma at all.

Nian lie’s fingers were filled with longing as he hooked the ends of her hair. I did so many foolish things in the past, but you didn’t pursue it. Now that I’m pursuing what you did to me, it would seem like I’m not magnanimous.

“.....”

The smile in his eyes easily dissolved the slightly heavy atmosphere.

Ning Qing suddenly felt that everything was not important anymore.

She leaned into his arms and grabbed his collar. it’s fine if you don’t want to pursue it, but I didn’t say I won’t.

“Alright, you can pursue whatever you want,” Nian lie said indulgently.

“Then tell me about your past.”

“Alright, where do you want to start?”

“Let’s start with how Bai Qingqing appeared by your side.”

“Alright,” he said.

“.....”

As time passed by, ning Qing became drowsy under his magnetic and deep voice.

She listened to how he found out about Bai Qingqing’s identity, how he tacitly agreed to let her stay by his side, how he used her to go against his parents, and how he wasn’t attentive enough to force her into a dead end.

Ning Qing blinked her heavy eyes. do you regret it? ”

He lowered his head and looked at her, who was resting on his lap. His fingers gently stroked her hair.

"I regret it."

"If I had known what you were thinking, I wouldn't have forced you to this extent no matter what."

She was his life's fate that he had missed out on, his "calamity."

However, he had never thought about this calamity.

Ning Qing seemed to have gotten the final answer. There was no joy or sadness in her heart. She seemed to have completely let go.

Her eyelids were very heavy. In a daze, she asked him in a soft voice, "then, did Bai Qingqing's death have anything to do with you?"

Nian lie didn't expect her to know about this. how did you know?"

before the wedding, su Yinuo came to see me. She told me that Bai Qingqing's death was related to you.

Nian lie's eyes suddenly darkened, but his tone remained gentle.

"Do you believe her?"

She couldn't explain it, and her consciousness wasn't particularly clear.

"No, I believe you. Tell me, was it you?"

Nian lie paused for two seconds. Because of her trust in Him, his expression softened.

"I didn't order anyone to kill her."

He only knew that she was restless in prison and had made herself seriously ill. He really wanted to kill her to avenge ning Qing and the child, but he had endured it in the end.

He didn't want to dirty his hands.

His ah ning was pure and clean. If he was stained with blood, he would not be worthy of her.

Thus, he watched coldly from the side.

Until she died in prison.

she's sick. The doctor has already checked her and said that she only has half a year to live.

Ning Qing closed her eyes. I've seen her before. She's not in her right mind.

"Yes."

Nian lie didn't really want to discuss this topic anymore.

you don't have to think too much about it. She's not a good person and doesn't deserve pity. Dying from a serious illness is the best place for her.

Bai Qingqing's face appeared in ning Qing's mind. That face always made her feel compassionate, and she couldn't bear to be ruthless.

“Forget it. He’s already dead. There’s no point in saying all this.”

Nian lie lowered his body and planted a kiss on her cheek. okay, let’s not talk about these unhappy things.

She shifted her position. Nian lie, I’m sleepy.

“Alright,” he said.

He hugged her and lay down on the bed. She found a good position and fell asleep peacefully.

\*

The next day, ning Qing was finally full of energy.

Nian lie knew that she was going to meet Yu Han in the afternoon, so he had lunch with her early. He picked out a suitable dress for her and sent her to the meeting place.

“Do you want me to wait for you?” he asked her affectionately as he patiently adjusted her collar before getting out of the car.

#### [Chapter 896](#)

896 A conversation with Yu Shu (1:

Ning Qing refused.

“Go do your work. I’ll go back by myself after we’re done talking.”

Nian lie glanced at the time. The Nian family did have a plan, but Nian che wasn’t sure. He had to go and take a look.

how about this? ” he said. I’ll go back to the Nian Corporation and leave the driver to you. If you come back early, come to the Nian Corporation to find me, okay? ”

“Alright,” he said.

She wanted to get out of the car and he hugged her waist tightly.

Ning Qing turned around and looked at him in confusion.

you should say something before we part, ” Nian lie reminded her without much expression.

Ning Qing blushed and looked at the chauffeur in front of her. stop it. Yu Shu will be waiting for you.

The more she teased him, the more he wanted her to get used to this kind of intimacy.

Hence, without a word, he held her waist and pressed her against the car door for a passionate kiss.

After the kiss, the two of them were overwhelmed with emotions.

Nian lie restrained the darkness in his eyes and panted slightly. I’ll wait for you to come find me. Don’t take too long.

She blushed and nodded frantically. She pushed the car door open and ran away.

He warned her from behind, "run slower."

Ning Qing panicked even more and walked even faster.

After her shadow disappeared from the entrance of the cafe, Nian lie retracted his gaze. His face was cold as usual. let's go back to the Nian Corporation.

The driver nodded in a daze, thinking, "tsk, tsk, it's really different now that you have a wife. You change your attitude faster than before."

Of course, he wouldn't say it out loud. He held the steering wheel carefully.

The car turned around steadily and drove on the right road.

\*

On the other side, ning Qing walked into the coffee shop and saw the woman waving at her excitedly.

She walked over with a smile, and Yu Shu came up to her and gave her a hug.

"Sister Qingqing, I've missed you so much!"

Ning Qing patted her on the back. The two of them separated. She looked at the woman's face that was gradually maturing. She smiled. you've become more beautiful.

Yu Shu touched her face shyly. if you praise me as soon as we meet, I'll be floating in the sky.

"....."

She pointed at the seat and said, " sister Qingqing, have a seat! Waiter, please come here!"

Yu Shu turned to ask ning Qing, " what do you want to drink? coffee? "

Ning Qing thought for a moment and shook her head. no need, just clean water will do.

The waiter glanced at Yu Shu, who nodded.

She asked worriedly, "is there something wrong with your body?" Is it very serious?"

He couldn't even drink coffee.

Ning Qing was stunned. it's not serious. Don't worry.

Yu Shu was relieved and sized up the woman opposite her seriously.

She was wearing a beige turtleneck sweater, her long hair casually tied behind her head, and a bracelet on her slender wrist. Her hands were white and delicate, her face was slightly red, her eyes were bright, and her posture was gentle and at ease.

"Sister Qingqing, you've become more beautiful Again," Yu Shu could not help but sigh.

Ning Qing smiled. are you trying to flatter me in business? "

"Of course not, I'm speaking from my heart!"

Yu Shu really wasn't trying to flatter her. She felt that the Ning Qing in front of her was still the same Ning Qing, but she was a little different from before.

In the past, she had a kind of coldness and fierceness that she didn't reveal, making people not dare to approach her easily.

But now, she was obviously more tactful and friendly. Her every move was sensible and elegant, making people want to look at her more.

Ning Qing looked back at her. You've grown a lot during this time.

The woman was wearing a shirt with a striped vest. She had light makeup on her face, but the baby fat on her face remained the same.

Yu Shu was a little embarrassed. It's alright. After all, I've integrated into my work and have improved a little.

She pinched her index finger and thumb together, making a "little" gesture. Ning Qing could not help but laugh.

You're smiling so happily," Yu Shu said mysteriously. Mr. Nian must be good to you, right?"

#### [Chapter 897](#)

897 There are so many things she doesn't know (1:

Ning Qing's smile deepened. I'm alright.

Yu Shu clicked her tongue twice. Looking at her expression, she knew that she was not just fine.

She was actually quite happy for her. Don't try to hide it," she said, "I saw Mr. Nian's car just now. He sent you here personally, didn't he?"

"He's going to the company, so he dropped me off on the way." Ning Qing did not deny it.

Huh? An explanation is a cover-up. Besides, the Nian family and this place are not on the same path.

Ning Qing lowered her head in silent agreement.

The waiter brought some water over. Ning Qing thanked him and said to Yu Chen, "Alright, let's not talk about this anymore. How have you been these days? Has your work been smooth?"

It's pretty good. In the company now, from the boss to the colleagues, everyone is easy to get along with. Everyone is also doing serious news, and there are not many differences in opinions. I also met a little brother, Wanwan, who is very good-looking. I see him every day at work, and I feel that my life has become better!

What do you mean? You like him?" Ning Qing asked with a smile.

Yu Shu's eyes widened, and she quickly denied it. Of course not. I just think he's handsome, that's all. Besides, he doesn't like me.

: If you don't try: how do you know he won't like you: : Ning Qing took a sip of water and said lightly:

Yu Shu's eyes flickered. he's our company's young master. He only came to work out of interest. How am I worthy of him? "

Ning Qing looked at her. Zhenzhen, don't say that. You're a good person, and there will naturally be someone who likes you. Don't talk about whether you're worthy of him or not.

"....."

"In my opinion, he might not be worthy of you."

Yu Shu immediately felt shy. sister Qingqing, you're the only one who keeps praising me.

Ning Qing smiled but did not say anything.

"Alright, let's not talk about me anymore," Yu Shu said.

She thought for a while and looked at the gentle woman opposite her quite seriously. this time, I wanted to tell you something about what happened before.

Ning Qing knew that the casual chat was over.

She put down the cup and looked up with her bright eyes. okay, go on. I'm listening.

Yu Shu was silent for a while, as if she was sorting out the thoughts in her mind.

Ning Qing waited quietly, her eyes scanning the entire cafe.

recently, according to an insider, the head of the Lou family, Lou LAN, has been missing for more than a month. The public relations department of the Lou family explained that he was out of the family for special reasons and could not return to the capital. However, the businesses under the Lou family have been more or less affected because of this incident. There are constant internal disputes. As the official spokesperson of the Lou LAN family, Lou si has not appeared in front of the media for 20 days. I don't know if this means that the Lou family will have a new head, si si.

Hearing the sound, ning Qing looked at the TV screen, her mind in a daze.

After she had decided to be with Nian lie, she had called ning su many times. However, no one picked up.

Before getting the marriage certificate, she had sent her a message, but it was like throwing a stone into the ocean and there was no news.

She didn't know how to get close to ning su.

She also listened to Nian lie's words and hoped that her sister could use these days when no one would disturb her to calm down.

No matter what had happened, blood and kinship could not be severed.

However, since she didn't show her face, did it mean that she didn't return to the capital?

Where did she go? Was he still in Ying city?

Ning Qing's mood was affected, and she was a little uneasy.

“Sister Qingqing?”

Yu Shu waved her hand in front of her, and she looked back. what’s wrong? ”

“You don’t look well. Are you feeling unwell?”

Ning Qing lowered her eyes. I’m fine. I was just thinking about something.

Yu Shu sighed. it’s been half a year since you came back. I think you should know some things. After all, you’ve already gotten back together with Mr. Nian.

## [Chapter 898](#)

898 What is it? \_1

Ning Qing’s eyebrows twitched. what’s the matter? ”

Yu Shu said with difficulty, ” it’s about the news that you asked me to spread after you came back. It’s related to you and Mr. Nian. I don’t know if you still remember.

Of course he remembered.

How could she have forgotten?

Ning Qing pursed her lips. I remember. Is there a problem? ”

Yu Shu smiled faintly. it’s nothing much. It’s just that I used some blogger accounts and internal channels to promote this news. In the process, I encountered some resistance, Yingluo. You know, writing a news report doesn’t mean that it will be popular. When I released the news back then, I couldn’t release it several times.

Ning Qing’s heart trembled. what do you mean? ”

someone is stopping me from spreading the bad news about Mr. Nian.

“.....”

however, in just a few minutes, those chief editors contacted me immediately, saying that they’ll buy all the information I have about you and Mr. Nian.

Yu Shu frowned and glanced at her. I didn’t think so much at the time. I also thought that the task you gave me was just to publish it and not delay the matter. But now that I think about it, I don’t think it’s that simple.

“.....”

Yu Shu looked at her absent-minded look and couldn’t hide it. She said in one breath, ” I’ve also contacted these people later. I found out that someone was behind it.

“Who is it?” ning Qing’s palm was slightly hot, and her red lips moved.

who else could it be? Mr. Nian, of course.

“.....”

Even though Ning Qing already had an answer in her heart, she still felt a numbing pain in her heart when she heard that it was him.

Yu Shu said, "sister Qingqing, actually, after seeing the message that I sent, everyone knew that it would be harmful to Mr. Nian. However, Mr. Nian knew it himself, but he didn't cause me any trouble. He didn't do anything, either. He even asked someone to buy out the news and pushed it to the top of the search list. I didn't understand it at that time, but now that I've seen you, I understand.

"....."

he knows that your purpose for coming back isn't simple. As a woman, I can understand the pain of losing your child and life, so you want revenge. I can fully understand Yingluo, but his actions don't seem like he loves that woman with the surname Bai.

I know. Three years ago, their wedding wasn't a success at all. During the wedding, the video of Bai Qingqing fooling around with another man was exposed, and she had plastic surgery to look like you in order to cheat Mr. Nian of Qingqing's trust. After you left, the news spread like wildfire. Bai Qingqing's reputation was ruined, and she was sent to prison. After I thought about it, I felt that with Mr. Nian's methods, he was most likely the one who did it.

Yu Shu's expression was a little complicated. sister Qingqing, Qianqian, the reason why I'm saying this is because I'm always on your side and I support every decision you make. But, I don't think Mr. Nian had any intention of getting married to that woman three years ago.

"....."

Never thought of getting married, Yingluo.

In other words, because of his marriage to Bai Qingqing, she couldn't take it and committed suicide with her child. She was thinking too much and had misunderstood?

She was so desperate at that time, but before the wedding, he clearly told her to wait a little longer, and everything would end. So, was that what he meant?

I'm not planning to get married, aww.

She thought that he had lied to her and died of despair. In the end, Yu Shu told her that she was overthinking it.

Then what was the pain and heartache that she had experienced at that time?

## [Chapter 899](#)

899 The so-called truth\_1

Was it her self-righteous sadness?

Was it the aftereffect of her imagination?

She had tried countless times to resolve the misunderstanding and gap between them, but she did not expect the truth to be like this!

This was so ironic to her and her child, Yingluo!

Something flashed in Ning Qing's eyes. It was bitterness, sadness, sarcasm, and pain.

Yu Shu's heart ached when she saw her like this. Sister Qingqing, don't be like this.

She crossed the table and held Ning Qing's hand.

It was very cold.

"I know you'll be sad, but this is the truth:" she said with a bitter face:

The truth made her heart ache even more than not knowing.

It was as if you had always believed in something, died for it, lived for it, and tortured others for it. Suddenly, someone told you that faith was wrong.

From the beginning to the end, she was wrong.

Because she didn't trust Nian Lie, she lost half her life, the child, and was separated from him for three years. She was in so much pain for so long, Hanhan.

Ning Qing's vision was a blur. Her limbs were weak, and she could not feel any warmth.

Yu Shu thought that she did not believe her, so she said anxiously, "Sister Qingqing, Mr. Nian really loves you! After you jumped off the bridge, he chased after you covered in blood. We were all shocked, but he didn't say much before he jumped down to find you, Yingluo."

Ning Qing's heart was suddenly pierced by something, and she came back to her senses in pain.

Her lips trembled. What did you say?"

Yu Shu nodded solemnly. The river was so urgent, but he didn't hesitate at all and jumped in with you. I was at the side and saw him like a moth flying into the fire. After he fell into the water, I couldn't see his shadow at all.

Actually, what she wanted to say was that she felt that he was not going to save her, but to chase her to her death.

Qianqian, everyone knows that the bridge is so high, the river is so cold, and you're pregnant. The chances of you surviving after going down are very low, but Qianqian still jumped without any hesitation.

Yu Shu paused for a moment before saying the words in her heart.

"I don't think he wanted to live when he jumped down."

He didn't want to live.

Was she going to die with her and the child?

Ning Qing closed her eyes. The corners of her eyes were red, and she could not shed a single tear.

She didn't know when, but one of her hands clutched the clothes on her chest so tightly that her palm turned white.

Her heart ached so much that she couldn't feel it.

Idiot.

He was the fool.

She used to think that she was the stupidest person in the world.

But now, she realized that between the two of them, he was not smart enough.

"Sister Qingqing, Qianqian."

Yu Shu's worry was too obvious. Ning Qing slowly opened her eyes, and she could not bear the dim light in her eyes.

are you okay, Yingluo? I'm sorry. Should I not have told you this? you and Mr. Nian are already so close now. I shouldn't have told you this.

Yu Shu retracted her hand and slapped her face twice.

"???"

She stopped and said, " I'm sorry.

Ning Qing took a deep breath and suppressed the pain in her heart, returning to her previous calm. this is not your fault. It was because he and I didn't trust each other enough.

"Don't say that. Aren't you doing fine now?"

Ning Qing rubbed the corners of her eyes and said, " yes.

Yu Shu held her hand and said, " don't take what I said to heart. You just need to know that Mr. Nian really, really loves you! In the past, now, and in the future, you will always be!"

Ning Qing blinked and did not respond.

Oh, don't pull a long face. Otherwise, Mr. Nian won't let me see you again.

Ning Qing squeezed out a smile. okay.

## [Chapter 900](#)

900 Come back and cook for you (1:

Yu Shu picked up the coffee cup and raised it in front of her. sister Qingqing, I'm very happy! I've witnessed your love with Mr. Nian. I'm so honored that you're happy again!"

"....."

I hope you can always be this happy and spend the rest of your life with Mr. Nian!

Ning Qing had no choice but to raise her glass and clink it with hers. thank you.

She was no longer depressed. Yu Shu let out a sigh of relief. She blinked her eyes and said to her with a smile, "since you're with Mr. Nian now, when do you plan to have a baby?"

Ning Qing's eyes dimmed a little. I haven't thought about these things for the time being.

"Ah, how can I not miss you? Life will be more blissful after you have a baby."

don't you mind your previous baby too?" Yu Shu persuaded him seriously. if you're pregnant now, you can make up for your regrets.

Ning Qing's expression was gentle, and it was hard to tell if she was happy or sad.

"It won't be the same," she said.

That child had left her. No matter what, he would not come back.

Moreover, with her current physical condition, it was impossible for her to get pregnant.

Even if he could, he wouldn't be the baby he was before.

Yu Shu did not know any of this. She thought that she was just thinking about her child. She comforted her, "sister Qingqing, don't be sad. Although the baby has left, he must be doing well in heaven. He must hope that you will be happy too.

Ning Qing forced a smile, but there was not much of a smile.

Yu Shu imagined it on her own. if it was your baby with Mr. Nian, hmm, Yueyue would definitely be very beautiful.

"....."

Ning Qing could not laugh.

Yu Shu could also tell that she was unwilling to mention the child, most likely because she still minded it in her heart, so she ended the topic.

The two of them chatted for a while before Yu Shu was called away by a phone call.

sister Qingqing, you have to take good care of yourself. If you are unhappy in the future, you can call me. Don't keep it in your heart. Although I can't help you, I can be your listener.

Ning Qing was touched and thanked her. She also wished her a happy life and a smooth career.

On the side of the road, ning Qing watched as the taxi drove away.

Her chauffeur was waiting by the side of the road, and she got into the car.

Madam, are you going back to Qing Yuan or to the company?"

Ning Qing's eyes were blurry, but she gradually regained clarity.

"Let's go back," she said gently after a while.

The chauffeur didn't say anything and drove back to Qing Yuan.

Twenty minutes after she reached home, Nian lie also returned.

He strode into the living room with his long legs, his dark eyes flickering rapidly as he searched for the woman's figure.

"Where's Madam?" he asked a servant.

The servant did not answer. Ning Qing walked out of the kitchen and said, "I'm here."

Nian lie quickly walked toward her and pulled her into his arms.

A smile appeared on Ning Qing's face. She raised her hands, afraid that she would dirty his clothes.

"Why did you come back so suddenly? Didn't you say that you had something to do at the company?"

Nian lie held her in his arms, still as anxious and nervous as before. "Why didn't you come to the company to find me?"

He had clearly said that he would wait for her.

Ning Qing paused. "I want to come back early to cook."

She knew he was worried about her when she heard his slightly rapid breathing.

Ning Qing was upset. "Don't be so nervous. I won't run away."

How was Nian lie going to tell her that he was unusually sensitive because of her 'past record'?

He was also afraid that if others said something, she would have the idea of not trusting him again.

"Alright, I'm right here," Ning Qing comforted. "Can you let me go first?"
