

Mr Nian 961

[Chapter 961](#)

961 Is it important whether we're related by blood (1:

"....."

The person beside her didn't say anything. Ning Qing looked over with her swollen eyes and saw the man's unnatural expression.

Gu nanzhi felt even more uncomfortable. Yingluo, why are you looking at me? if you ask me, he didn't report it because he was afraid that you wouldn't be able to accept it. He also wanted to find a suitable opportunity to tell you. You don't have to be so angry, Yingluo.

Ning Qing looked at his face carefully and finally confirmed it. you know it too.

This was an affirmative sentence.

Gu nanzhi panicked. She was afraid that she would treat her like how she treated Nian lie. She quickly explained, " when you had an accident at the hospital, Lou si came to transfuse blood to you. Everyone had already guessed it. In that situation, your parents couldn't hide it anymore. So, she ...

"So all of you know that I'm the only one who's been kept in the dark."

As ning Qing said this, tears welled up in her eyes again.

Gu nanzhi was flustered. it's not that we didn't want to tell you. We were afraid that you wouldn't be able to take the blow!

Ning ting refused to listen. He lowered his head and smiled bitterly, his eyes hurting.

"Even you are lying to me."

Gu nanzhi was panicking. I'm not lying. This is a white lie.

The woman did not look at him.

He had no choice but to apologize first. Okay, okay, I'm sorry. I shouldn't have hidden it from you with them. But you didn't tell me that you remarried him. We're even now.

"....."

He lowered his head and saw that she still had no reaction. He nudged her and said in a serious tone, " tsk, what's there to be sad about? I really don't understand you women.

"No one likes to be deceived all the time," ning Qing said coldly.

Gu nanzhi looked at the ceiling. there are many situations when you lie. Of course, you can't forgive those with bad intentions, but you have to understand them and see what the situation is before you make trouble.

Lou si had provoked her, so she vented her anger on Nian lie. Wasn't that a little too much?

Ning Qing understood what he meant. After a long silence, she said, " I don't understand.

"What's there that you don't understand?"

The woman pursed her lips tightly, as if she didn't want to mention what had just happened.

Gu nanzhi had to say it, and she even sounded indifferent.

"It's just that dad and mom aren't biological parents. What's there to be sad about?"

Ning Qing looked up, and her gaze almost killed him.

He pretended not to see it and said nonchalantly, " so what if you're not their biological daughter? they're so good to you and have never mistreated you or treated you badly just because you're not their biological daughter. This shows that they really love you. As for the reason why they didn't tell you, of course, it's because they're afraid that you'll have a Rift in your heart or that you'll go and find your biological parents. I think it's understandable.

Ning Qing hugged her legs, her watery eyes flashing.

it doesn't matter what others say about how they treat you, but you have feelings in your heart. You have feelings for them too. This can't be decided by blood ties.

He looked at her seriously. Ning, I don't think this will affect your future with them.

The knot in ning Qing's heart seemed to have relaxed a little, but she was still upset. I'm not angry. I just can't accept that the people who have been so good to me for so long are not my biological parents.

"Is it important?"

Ning Qing was stunned. what? "

"Do you think it's important to you and them whether or not we're related by blood?"

Was it important?

Ning Qing also asked herself.

Gu nanzhi answered on her behalf. it's not important. They did everything to be good to you, to give you everything, to raise you. Are they wrong? Of course not, so you're wrong? It's God's arrangement for all of you to gather together and form a family. The members of this family can only truly feel happy, and it doesn't matter if they are blood-related or not."

[Chapter 962](#)

962 : 'm sorry, Nian lie _1

Ning Qing looked at his gentle face in a daze. His peach-shaped eyes were still full of emotion, and his words lingered in her ears.

Gu nanzhi knew that she had taken her words to heart. She patted her shoulder and stood up.

"Think about it."

“.....”

He opened the door and saw that she was still sitting on the ground.

He said helplessly, “ if you’ve thought it through, think about it in the shoes of the man next door.

Ning Qing came back to her senses and looked over.

Gu nanzhi’s voice was clear and pure without any pretense.

“I don’t know if he’s true to you, but you do.”

“Where’s my sister?” ning Qing took the opportunity to ask.

“Let’s go,”

“Where did he go?”

“Do you think she’ll tell me?” Gu nanzhi asked.

Ning Qing’s heart grew colder.

alright, it’s the middle of the night. Don’t torment yourself. Go to bed early.

He walked out, closed the door, and left with a sigh.

“.....”

Ning Qing was stunned for a long time and did not make a sound.

*

The next day, dawn.

Nian lie was tormented by the pain in his lungs and did not sleep well the entire night.

Of course, another reason was that he was worried about ning Qing.

However, because of her actions last night, he did not dare to look at her.

Originally, he had wanted to wait until his body was better before going to see ning Qing, but he had not expected her to take the initiative to come!

As he looked at the woman sitting in front of him, Nian lie felt like he was dreaming!

“Ah ning, cough cough cough cough cough.”

Ning Qing pressed her hand against his chest. don’t move. Lie down. I won’t leave.

He nodded, his dark eyes shining as he looked at her.

Ning Qing was holding a bowl of porridge. have something to eat.

“Alright,” he said.

He was so happy that he got carried away, and whatever she said was true.

He drank the entire bowl of porridge and took his medicine.

Compared to last night's loss of control, she was very calm now. Her face was gentle, and there was a scattered gentleness.

He was already very content to look at her like this.

"....."

Ning Qing couldn't bear his gaze. you should rest for a while.

[I'm not tired,] Nian Yu replied.

"....."

The two of them did not speak and sat there for half an hour.

Ning Qing's mind was in turmoil, but she finally apologized.

"I'm sorry, Nian lie."

He was shocked and confused at the same time. why are you suddenly apologizing to me? "

Was she going to tell him some bad news?

Could it be that Yingluo wanted a divorce?

Nian lie's eyes suddenly dimmed, and the pain was unbearable.

Ning Qing lowered her head. I've been emotionally unstable these days. Whether it was last night or before, I've gone too far in criticizing you. I didn't consider your situation. I'm sorry.

Nian lie was extremely surprised, and his expression was even more varied.

Ning Qing had never seen so many emotions on his face before. Surprise, confusion, relief, joy, and confusion.

She said, " I thought about it a lot last night. When two people are together, not only do we need your trust and respect, but we also need my honesty and hard work. We need to communicate in time. And I haven't been doing well these days.

It was logical for her to dissect herself like this, but she was still a little embarrassed emotionally.

As Nian lie listened to her, each word provoked him more than the last.

He propped his body up. no, I wasn't honest enough. These things are related to your life. I was too protective of you, so I made the decision for you.

Now that she had made it clear, ning Qing was no longer nervous.

...

She stood up and pushed him back onto the bed. you're in the wrong, so am I. We're even now.

She was about to leave when Nian lie held her hand. His eyes were warm and earnest. you mean you've forgiven me, right? "

[Chapter 963](#)

963 If you're done playing, go back (1:

His carefulness hurt ning Qing's eyes.

She nodded, then shook her head. Hot tears came as she said.

At that moment, Nian lie didn't care if he was sick or not. He forced himself up and hugged her.

"You can blame me for everything, ah ning, don't cry."

Ning Qing cried in his arms. it's not your fault. I misinterpreted you, and I didn't look at myself from your perspective.

"....."

As the two of them lowered their heads, the two of them finally looked at each other sincerely. They didn't care whose fault it was, they took the blame for themselves.

As the two of them made up, Nian lie's condition also improved. He recovered at an astonishing speed.

After she recovered, Nian lie accompanied ning Qing to HE's headquarters. Because Gu nanzhi had informed them in advance, the matter was settled smoothly. They only paid a five-figure sum for the breach of contract as a token of their agreement, and the two left safely.

Downstairs at the headquarters, ning Qing was in a good mood. this matter has finally been resolved!

Nian Xun held her waist. He had just recovered from a serious illness, and his face was still a little pale.

He smiled. if I had known that dealing with this matter would make you happy, I would have asked Lu Zhui to make the arrangements earlier.

Ning Qing looked at him and smiled. do you think it's that easy? If it wasn't for me and Nan Yue, those people wouldn't have let me go so easily."

The difficulty of terminating a contract was not ordinary. In fact, Nian lie had experienced it before.

"So when you signed the contract, you added that you had to be there in person to prevent me from doing so?" he asked.

Ning Qing was stunned. If he had not mentioned it, she would not have thought about it.

Seeing that the man had stopped smiling, she took his hand and explained. you know how I was back then. Ran ran, I never thought that this day would come.

She was telling the truth.

She thought that after she returned to the country for revenge, she would pick up her parents and return to the United States to spend the rest of her life there.

However, Man proposes, God disposes.

Plans could never keep up with changes.

Nian lie had always felt guilty towards her in the past. Hearing her say this, his heart ached for her even more.

“Alright, let’s not talk about the past anymore.”

“Yes.”

Nian lie smiled faintly. let’s go for a walk.

“Alright,” he said.

The two of them held hands as they strolled along the boulevard.

The sun shone through the gaps between the leaves and spread on the ground, shining on the ground.

“What else do you want to do next?” Nian lie asked in a mild tone.

Ning Qing thought for a moment. I’ve seen the child, terminated the contract, and also seen Gu nanzhi who’s Living a Good Life now. Well, there’s nothing else I want to do.

When she mentioned Gu nanzhi, she realized that the person beside her was upset and turned to look at him.

Nian lie was very relaxed and lazy. His brows didn’t even move.

Sensing her gaze, he curled his lips. you think I’ll be angry? ”

Ning Qing smiled. it’s good that you’re not angry.

She was very happy that he could understand her.

As she thought of this, her heart for Nian lie softened a little.

Ning Qing hugged his arm and rested her head under his shoulder. Nian lie took the opportunity to intertwine his fingers with hers.

After walking for a while, she made up her mind and said to him, “we’ve had enough fun. Let’s go back.”
&Nbsp;

Nian lie had thought that she still needed time to digest the news about her parents. He didn’t expect her to suggest going back to Ying city.

Ning Qing could read his mind. don’t worry, I’m ready.

In fact, there was not much to prepare.

Just like what Gu nanzhi had said, her parents did everything they could to treat her well. Why would she mind?

It didn’t matter if they were blood-related or not. What was important was that their love for her was unparalleled.

Nian lie could sense her determination. The two of them faced each other and smiled at each other in tacit understanding.

"If you want to go back, then go back."

[Chapter 964](#)

964 The child bestowed by the heavens (1:

Ying city.

The ning family.

The ning family's parents had known that ning Qing and Nian lie were coming back early in the morning, so they went out to buy groceries happily.

When ning Qing and Nian lie returned to the familiar neighborhood, ning Qing's eyes were filled with passion.

"Don't be afraid, ning," Nian lie consoled her.

She nodded, adjusted her mood, and walked in.

Standing in front of her house, she didn't open the door with her key but knocked instead.

There were voices inside, followed by the sound of footsteps approaching.

Ning Qing took a deep breath and the door opened.

When mother ning saw that it was ning Qing and Nian lie, she grinned from ear to ear. I told you it was the two of them, but you didn't believe me," she said to father ning while pulling ning Qing's arm. you child, why did you knock on the door when you're back home? "

Ning Qing looked at her mother's gentle face and rushed up to her. mother ...

Mother ning was shocked and patted ning Qing's shoulder. what's wrong? " You've gone out to play and you're still missing me?"

Ning Qing's eyes were teary as she shook her head.

Mother ning looked at Nian lie and pointed at ning Qing. The other party did not say anything. mother, Qingqing, let's go in first.

Only then did ning Qing let go of her mother and led her into the house.

Father ning was folding some vegetables at the table and beckoned for the two to sit down.

However, ning Qing knelt down in front of the two of them.

Mr. And Mrs. Ning were shocked. They quickly went to help her up. what are you doing, child? "

"Father, mother, you've worked hard all these years!" Ning Qing kowtowed and cried.

Father ning and mother ning looked at each other. Father ning said, " what do you want to say? get up first. Why are you still kneeling on the ground? "

“That’s right, Qing Qing, get up!”

Ning Qing shook her head and sobbed. you two have worked hard for half of your lives just to take care of me and my sister. I was insensible and did so many things that hurt you. I, Zhenzhen, am ungrateful!

Father ning and mother ning trembled and looked at Nian lie in surprise.

Nian Yu’s eyes were serious. He nodded, confirming their guess.

Both of them looked sad. Mother ning held ning Qing and said, “ don’t cry, Qingqing. You’re my precious daughter, and you’ll always be!

Ning Qing looked at her mother, who was also in tears.

you’re just like your sister. You’ve always been very obedient and well-behaved. The first time I saw the two of you, I knew that the two of you were a gift from the heavens. Yingluo, you’re both my pride and joy.

“Mother!”

Qingqing, I’ve been very strict with you all these years. I’ve meddled with you a lot, but it’s not that I don’t love you. I’ve never despised you. Mr. Ning’s eyes were red.

Ning Qing turned around and threw herself into her father’s arms. I know, Zhenzhen. I know everything, dad!

I’m strict with you because I’m afraid that you’ll go down the wrong path. I’ve been using the wrong methods all these years. Will you blame me? ”

Ning Qing shook her head. How can I blame you? I want to thank you and mom for giving me and my sister a home, Yingying!”

If they hadn’t brought her back to the ning family, ning Qing couldn’t imagine what her future with ning su would be like!

Her eyes were red, and tears kept flowing. it was you and mom who gave us a complete and happy family! You’re the ones who made us happy, and I’m very grateful to Yingluo and very glad to have you as my parents!”

Mother ning turned her head away, and father ning couldn’t hold back his tears either.

“In the future, I will be filial to you and mom. No matter what happens in the future, you will always be the best parents!”

Mother ning turned around and hugged ning Qing tightly from behind. Father ning lowered his head and took the mother and daughter into his arms.

This family had finally won everyone’s honesty, and they finally had the most genuine feelings of touching and happiness.

[Chapter 965](#)

965 Don’t think too badly of things (1:

Nian lie stood at the side, but he didn't stop the family from expressing their feelings.

He was also touched.

He knew very little about the bonds between family.

Because he was born in the Nian family, from the time he could remember, everything had been set in stone, and he had no right to change it.

He also thought that he would spend the rest of his life like this.

He just had to meet her.

When the three of them had cried enough, father ning and mother ning held ning Qing's arms and said, " good child, get up.

Ning Qing wiped her tears dry and propped up her sore and weak legs.

: Qingqing, how did you know about this: "mother ning asked after they had calmed down:

After she finished speaking, she deliberately glanced at Nian lie.

Nian lie didn't know whether to laugh or cry. mom, it wasn't me.

Ning Qing leaned into her mother's arms. Her eyes and nose were still red. mom, he didn't say it, " she replied in a muffled voice. it was sister.

Mr. Ning frowned. didn't you two go on a trip? How did you see Hansu?"

Ning Qing skipped over the Cold War with Nian lie and told them the whole story. She was afraid that her parents would be sad, so she didn't tell them about ning SU's attitude.

Father ning remained silent after hearing Ning Xi's explanation.

Mother ning hugged Qing Qing tightly and said sadly, " no wonder that child blames us. It's been almost seven years. She's still alive. None of us know who Qianqian is.

One had to know how painful it was to be forgotten by one's loved ones!

Ning Qing had always felt guilty towards ning su, but after their last argument, she suddenly felt that ning su was no longer the same person as before.

Her heart ached at the thought, but she didn't dare to say anything more. She only consoled mother ning. sister might have gone through a lot, but she won't hate you and father. Don't be sad.

Mother ning's eyes were filled with sorrow.

Father ning sighed and looked at ning Qing. it seems that she has long known about her birth and has a grudge against me and your mother for hiding the truth. I'm afraid she won't forgive us so easily.

"I won't! I'm very clear about how mom and dad have treated us all these years. Sister is also very clear about this! She's not that kind of person."

She was very serious and anxious. dad, you have to believe me and sister. She used to love us so much. Those memories will not change. She will definitely come back to us!

“.....”

Facing ning Qing like this, the other three people present were all worried.

Seeing how excited ning Qing was, Nian lie pursed his thin lips. seven years is indeed a long time. Perhaps ning su has gone through something that has changed her personality and appearance, but a person's heart will never change.

“Yes!” Ning Qing said.

she has been hidden from our eyes for so many years. It's normal for her to mind.

“.....”

dad, mom, and Qingqing, ” Nian lie said seriously. let's not think too badly of this.

Ning Qing nodded, her eyes bright. that's right. Sister must have encountered a lot of things. She can't accept us now, but that doesn't mean she can't in the future.

father, mother, don't worry. I'll definitely bring her home, ” she assured, holding tightly onto the hands of her parents.

“.....”

Ning Qing's promise did not give the two much confidence.

However, they didn't want to hurt ning Qing, so they forced a smile.

Mr. Ning thought of the scene when he met ning su. His daughter had been cold and heartless. if she has her own life, ” he said, ” I don't have to disturb her.

as long as she's doing well, it doesn't really matter if she comes back to us or not, ” Mrs ning said while wiping her cheeks.

Ning Qing's heart ached, but she was even more determined to bring ning su back.

[Chapter 966](#)

966 She doesn't seem to like me being with you (1:

As ning Qing wanted to spend time with her parents, Nian lie stayed with her at the ning residence for a night.

When she returned to Qing Yuan the next day, ning Qing was in a hurry to find ning su.

She gave Gu nanzhi a call.

“You really don't know where my sister is?”

my young miss, she disappeared after you two quarreled that day. I'm really not lying to you!

The man was helpless.

Ning Qing did not give up. she came to find you when the Lou family was in trouble. It means that she trusts you.

Gu nanzhi felt so wronged.

“She didn’t trust me. She was certain that I wouldn’t betray her.”

“.....”

“Ning, don’t tell me you really think we’re friends? How do you want me to put it? Yingluo and I only knew each other because of the Gu family and you.”

Ning Qing pursed her lips. Gu nanzhi, you’d better not lie to me.

“Do I still dare to lie to you now?”

After that, ning Qing hung up the phone. She had not heard any news about ning su, which made her feel very upset.

Just then, Nian lie walked toward her.

what’s wrong? ” he asked in a low voice when he saw how frustrated she was. no news? ”

Ning Qing scratched her head. yeah.

She didn’t know where ning su would hide.

She ignored her messages and phone calls. It was obvious that she didn’t want to be found by her.

Nian lie wrapped his arms around her from behind. the world is so big, ” he said gently. it’s not easy to find a person.

Ning Qing was already unhappy. it’s normal that I can’t find her, but aren’t you here? ”

The sudden change in direction made Nian lie’s mind pause.

“.....”

the Nian family’s businesses are spread all over the country and overseas. Help me find her. I’m sure we’ll get some news soon.

Ning Qing was too impatient, and Nian lie could not refuse.

“I naturally sent people to look for him, but it wasn’t that fast.”

“.....”

Nian Xi kissed the side of her face. don’t be too anxious. I’ll let you know when I get some news, okay? ”

Ning Qing was still in a dilemma, but seeing how concerned Nian lie was, she didn’t want to put pressure on him. okay.

“Don’t be too stressed.” Nian lie’s heart ached.

Ning Qing leaned on his chest and lowered her voice. I just want to find her and ask her to come back to meet our parents.

Nian lie's dark eyes were deep. Aren't you the one who wants to see him?"

Ning Qing pursed her lips and frowned. we parted on bad terms last time. I always felt that she had a bad opinion of you and me.

Nian lie's breath turned cold. He was afraid of scaring ning Qing, so he deliberately restrained himself. what do you mean? "

Ning Qing thought about the past. she doesn't seem to like me being with you. In the past, every time she contacted me, it was to pay attention to our progress. She also told me that she was the one who kidnapped me three years ago!

Nian lie's eyes were deep, and it was hard to tell whether he was happy or angry. what time three years ago? "

Ning Qing propped herself up. it was the day you announced our divorce and you came to save me after that.

Nian lie's expression was solemn. Of course he remembered. How could he not remember?

The woman wearing a mask had not hurt ning Qing at all, but she had stabbed him!

At that time, he had already noticed it.

However, he never thought that it would be ning su, who had come back to life.

"Hey, what are you thinking about?"

Her slender hand waved in front of her eyes. Nian Yu was dazed. She caught it and smiled. nothing. I was just a little surprised.

I'm surprised too, " ning Qing said. she kept asking me to go with her. She doesn't care about my parents or what I think. She's just stubborn.

In other words, he didn't want her to be with Nian lie anymore.

But why?

Nian lie had previously explained that there was nothing going on between him and ning su. So why was her sister so against him?

[Chapter 967](#)

967 Are you still angry at me for your Madam?

Nian Xi caressed the side of her face. don't think too much. You've lost weight recently because you worry about these things all day.

He felt light in his arms.

Ning Qing wrapped her arms around his neck, her irritation swept away. I know.

Nian lie carried her to the bed and covered her with the blanket patiently. sleep for a while. I'll accompany you.

She nodded and obediently closed her eyes.

Nian Xi caressed her hair and lowered his eyes. In his gentleness, there was a glow of confidence and worry.

**

When Nian lie said that he was looking for ning su, he was really looking for her.

However, ning su had disappeared without a trace. They had been searching for him for two months, but they still couldn't find him.

Midsummer had arrived in Ying city, and the temperature was scorching hot.

The rainy season didn't come. Instead, they were waiting for an uninvited guest.

*

In the president's office at the Nian Corporation.

The air was fresh, but it was abnormally scorching.

Lu Zhui hurriedly brought in two cups of coffee and sipped them quickly.

The woman's legs were fair and white. She wore black high heels and crossed them together. Her faintly exposed skin was very attractive. Her bright red lips were half-curved, her short hair was close to her ears, and her exaggerated earrings set off her nobility and extraordinariness.

In front of the large study table, Nian lie's body was cold, his handsome face grave, and he didn't move an inch.

"Miss Lou,"

His low and hoarse voice attracted the woman's attention.

Lou qingyue's lips curled up, and her smile was perfect.

Mr. Nian, long time no see.

It had indeed been a long time.

She had not seen him since the end of the National jewelry design competition.

"What business do you have with me, Miss Lou?" Nian lie ignored the deeper meaning in her words and asked directly.

Mr. Nian, what do you think I'm here for? "

Nian Yu frowned, his aura cold.

He picked up the documents at the side and said without holding back, " I'm very busy. Since Miss Lou is free, let's not waste my time.

With that, he used one hand to press the internal line to call Lu Zhui in to take the woman away.

Lou qingyue stood up unhurriedly. Her eyes were seductive. Mr. Nian, you're so heartless. Is it because you already have a wife that you don't allow women to get close to you? "

"....."

She covered her mouth and laughed, her steps lazy. is the woman in your family a tigress? I just want to talk about some serious business with you and you won't allow me to stay with you for a while? "

Nian lie's tone was cold and very formal.

"My wife is open-minded, but as a husband, it's common to reject women from getting close."

Lou qingyue's smile became even more charming. is that so? Mr. Nian is such a good husband.

She walked around the desk and came to his side. She pressed one hand on the edge of the desk and leaned her slender waist firmly.

"I'm so envious that she has a man like you who likes her."

A hand was placed on Nian lie's shoulder.

He frowned subconsciously and wanted to push her away.

However, he did not.

He raised his cold, black eyes and put down the documents in his hands. He said in his usual cold voice, "Miss Lou is so outstanding. The men around her should be like fish in the river. There are too many to count.

Lou qingyue's expression changed.

Did he mean to say that she was dirty and used?

They were both thousand-year-old foxes. Lou qingyue would not be provoked into retreating by a single sentence from him.

She squeezed his shoulders, her expression innocent and aggrieved. we're both grown men and women. It's normal for us to comfort each other and solve each other's needs. Mr. Nian, you don't think that I'll fall for you, do you? "

Nian lie looked at her coldly. Miss Lou, do you mean it? "

Lou qingyue's lips twitched. She simply sat on his lap while he was unprepared. She wrapped her arms around him and winked at him.

"Why? are you still angry at me for your Madam?"

[Chapter 968](#)

968 Lou qingyue seduced Nian lie (1:

As soon as she wrapped her arms around his neck, a cold aura emerged from her body.

Lou qingyue ignored him and said, " say it. Are you still angry? "

Nian lie suppressed the urge to do so. He buried the murderous look in his eyes and moved his thin lips. you sent people to kidnap her. They hurt her hand and almost took her life.

"That was all my brother's doing. It has nothing to do with me."

Lou qingyue's words made it clear.

my brother has been sticking to me since he was young and doesn't allow anyone to bully me. But my hand was injured because of her, and my brother was angry, so he came to look for her.

After she finished speaking, she showed Nian lie her hand.

Her fingertips were painted black, which made her hands look even whiter. Her fingers were slender, but there was a faint scar on the back of her hand.

Although it was faint, it could be seen if one looked carefully.

"....."

Nian lie lowered his gaze and she acted coquettishly.

"See, I didn't lie to you, did I? I'm also a victim."

"....."

Nian lie didn't hug her. Instead, he clenched his fists tightly.

He didn't know how she had injured her hand.

He only knew that the man called Lou Chi had almost made ning Qing bleed!

The veins on the back of his hands bulged as he thought of this, and his face remained calm.

"How did you get hurt?"

He seemed to be concerned, which made the woman chuckle.

it's all because of her Savior. She said that I was blocking her way to the championship, so she stabbed me on the dining table.

Nian lie didn't believe her at all. is that so? " he replied casually.

"Of course, I won't lie to you."

Lou qingyue's smile was so flirtatious, but her expression immediately changed.

besides, even if my brother hurt her, haven't you already punished him? "

"....."

"Is one hand not enough?"

That's right.

Back then, Nian Yu was filled with hatred. He did everything he could to bring Lou Chi back from the capital to Ying city and had one of his hands chopped off.

But how could one hand pay for all the blood ning Qing had?

Even if he died, he couldn't be compared to a single strand of ning Qing's hair!

There was a hint of fierceness between Nian lie's brows, but Lou qingyue didn't see it.

A man like Nian lie was cold and aloof to everyone, and he didn't allow anyone to approach him.

She had known about it many years ago.

However, it was his cold personality that piqued her interest.

She exhaled gently. I wonder if Mr. Nian is in the mood to discuss a collaboration with me? "

Nian lie sat up straight. He didn't hold her waist or touch her. what cooperation? " he asked.

Lou qingyue's smile was unrestrained. She had a feeling that she had succeeded.

I know. Because you disappeared for a long time, the Nian Corporation must have had a lot of ups and downs recently. Compared to when it was at its peak, it's not just one or two times worse.

Nian lie's eyes darkened. The Nian family's situation had not been very good recently.

It wasn't just because he had influenced the Nian family, but also because the Nian family had been obstructed in many ways in secret.

However, he didn't tell anyone. Other than Lu Zhui, even Nian che didn't know that the Nian Corporation was facing so many difficulties.

The fact that this woman knew about Yingluo meant that she had put in a lot of effort on him.

Nian lie's face was cold. how did you know? "

This was a silent agreement.

Lou qingyue's confidence increased.

"How can I not know? After all, I've been keeping an eye on Mr. Nian for a long time. The Nian Corporation is in a crisis, and there are constant internal disputes. I'm sure we need a strong enough force to settle the opinions of those people about you."

The man didn't say a word. His slightly tight jawline was clear, and the beauty of abstinence was damn attractive!

Lou qingyue's Red lips moved closer. and I'm very willing to be your helper.

969 A straightforward slap in the face (1:

"What do you want?: Nian lie didn't deny it immediately.

Lou qingyue chuckled. Her delicate female voice was soul-stirring.

what else can I ask for? it's all for your sake, Mr. Nian.

"....."

Her red lips were very close to his, extremely seductive, and they gently brushed against the side of his face, moving to his ear.

"I want you. Can I?"

The man's voice was deep and sexy. I'm married.

Lou qingyue laughed again. so what if you're married? We're all adults. Nian lie, you know what I mean."

Nian Xi's face was as cold as ice. He grabbed her hand, which was unbuttoning his shirt. I don't understand.

Lou qingyue sensed that something was wrong. She propped up her body and faced him.

She could not see a trace of emotion on his cold face.

However, with her charm and the conditions she had offered, she did not believe that he would not be moved!

The woman adjusted her posture and rebuked him, " don't pretend that you don't understand. She can't help you in any way. Besides, her hand has been like that, and her body has always been in poor condition. I'm afraid she can't even give you a child. Nian lie, you're a smart man. Love isn't everything. Besides, we don't know how long love can last. It might be a year, half a year, or even a month.

"....."

people like us shouldn't consider feelings. She will only be a burden to you. Why don't you let her go and let yourself go? "

She held her chin up high, looking determined to win, with a bit of alms and strong affection.

Nian lie, you're an ambitious man. I'm the only one who's worthy of a man like you. Do you understand?
"

The man didn't move, not even his eyebrows.

In an instant, Lou qingyue saw the look of disgust in his eyes.

She was stunned.

Before she could react, Nian lie waved his hand heavily and pushed her off his body.

Lou qingyue couldn't control herself. what are you doing? "

Nian lie looked down on her, no longer hiding his disgust and disdain for her.

I thought you were from the Lou family. It's fine if you're vicious, but you should at least know what courtesy, justice, and shame are. However, Miss Lou even seduced a married man. It seems that I've overestimated you.

Lou qingyue was so angry that her face twisted. am I wrong? " It's useless for you to guard that woman! She's of no use to you!"

it's not up to you to decide whether she's useful to my career, " Nian lie retorted. but you'll only lower your status by doing this!

Lou qingyue got up and stared at him angrily, as if she wanted to dig a hole in his body.

Nian Xi sat upright like a mountain, his eyes so sharp that it sent chills down one's spine.

moreover, Lou qingyue, you don't have the right to mention her in front of me.

Lou qingyue gritted her teeth. She was so angry that she laughed. I'm kind enough to lead the Lou family and help you become the Overlord of the country's business circle. Do you know what you're saying? "

Nian lie glared at her coldly without any warmth.

to tell you the truth, the Lou family is now under my control. Lou LAN and Lou si have disappeared without a trace. It's impossible for them to return, let alone protect the woman behind you!

"....."

After saying these words, Lou qingyue's confidence increased.

She wouldn't allow herself to be down and out, especially in front of this man.

"Are you really not afraid of making the entire Lou family your enemy just for a woman?" she questioned coldly.

Although Lou qingyue wasn't afraid of Nian lie's sudden rise, she was reminded of the bone-chilling coldness. Her pupils shrank and a dark blue color flashed across her eyes.

970 Madam went to the hospital (1:

He took two steps forward and stood in front of her. His terrifying coldness made the woman's back shiver.

"Let's not talk about being enemies with the Lou family for the time being. Do you think you can take down the entire Lou family with just you? Hehe."

A sneer filled with ridicule.

Lou qingyue was so angry that her body trembled. Her beautiful eyes were no longer there, but they were filled with resentment.

Nian lie pressed the internal line. come in and take her away.

Lou qingyue was so angry that her face twisted. Nian lie, don't go too far! I'm Lou qingyue!"

The man ignored her and turned to walk back to the lounge.

Lu Zhui came in with his subordinates and guarded Lou qingyue on both sides.

“Don’t bring anyone to my place in the future,” Nian lie reprimanded coldly as he tugged at his tie.

Lu Zhui was sweating profusely. yes.

He turned around and said, ” Miss Lou, please.

Lou qingyue glared at Nian lie. In the end, she maintained the attitude of a lady from a wealthy family. are you sure you don’t want to consider it? ”

Nian lie walked into the lounge without turning back.”

The bodyguards on both sides held the woman down. The woman was flustered and exasperated. don’t touch me!

“Please go ahead, before my young master gets angry.”

Lou qingyue gritted her teeth in hatred. She glared at the door of the resting room, turned around, and left in anger.

Lu Zhui wiped the sweat on his forehead and walked quietly to the lounge. He knocked on the door tentatively. young master, young master? young master? ”

The door suddenly opened, and something flew straight at his face.

“What are you doing?”

Lu Zhui pulled down the thing above his head and realized that it was a shirt.

Nian Xi had taken off all her clothes, and the man felt ashamed of his inferiority when he saw the lines of her back.

Lu Zhui swallowed his saliva and heard him say,”take it and throw it away.” &Nbsp;

“Yes.”

“Does Miss Lou need someone to look after her?” he asked, grabbing her clothes.

Nian lie turned around and gave him a cold look. He immediately understood. He picked up the clothes and pants on the floor, turned around, and left quickly.

Nian lie was disgusted enough. That woman reeked of perfume, but no matter how expensive the perfume was, it could not hide the vileness and greed in her bones.

The man walked into the bathroom, took a quick shower, and changed into a clean set of clothes.

As soon as she left the lounge, the phone on her desk rang.

He glanced at the screen and immediately picked it up. His voice was no longer as cold as before.

“Ning, are you bored at home?”

“Sir, I’m not Madam.” The servant was trembling.

Nian lie frowned and asked coldly, “ what’s the matter? ”

it’s like this. Madam hasn’t been feeling well recently. Her stomach hurt badly just now, so we immediately sent her to the hospital.

Stomach pain?

Nian lie’s Black eyes were cold. what happened? did you catch a cold? ”

“I don’t know! We just arrived at the hospital. Madam was not feeling well in the car and even vomited acid water. She’s being examined now.”

you guys keep an eye on her: ” Nian lie ordered: I’ll be right there.

After hanging up the phone, Nian Jin walked out in a hurry.

Downstairs, he gave Nian che a call and asked him to come back to handle some documents. Then, he got into his car and headed to the hospital.

A car was parked at the end of the road.

In the car, they stared at the back of the car with resentment.

“Miss Lou, how does it feel to be chased out?”

The cold greeting made Lou qingyue even angrier. if you don’t speak, no one will think that you’re mute!

Lou Chi’s lips twitched coldly. One of his hands was wearing an artificial limb, which gave him a strange and terrifying feeling.

“That woman is so charming.”

Nian lie’s hurry was enough to show how much he cared about ning Qing.

“So what if he loves her?” Lou qingyue mocked, filled with hatred. That woman’s daughter is not worthy!”

Lou Chi narrowed his eyes. why do I feel like you’re jealous? ”
