

## Mr Nian 981

### [Chapter 981](#)

981 This is: public place (1:

Ning Qing was stunned. After she understood what he meant, her face turned cold.

“No matter how hard it is, I have to protect my own life.”

Shen Yao asked, “why?” Because you’re pregnant?”

Ning Qing’s whole body stiffened. She straightened her back and said with confidence, “ yes and no. With or without this child, I will try my best to live my life well.

Shen Yao couldn’t help but mock her. your life is to stay by that man’s side and be unknown for the rest of your life? ” he asked:

Ning Qing was not willing to be defeated. Her eyes were firm. yes.

Shen Yao gritted his teeth. everything you have now is an illusion. It will fall apart one day. When the truth comes, aren’t you afraid that you will get used to this kind of peace and then you won’t be able to accept it? Or are you willing to continue deceiving yourself?”

Ning Qing adjusted her breathing. I don’t think everything is an illusion. The people and things around me are real. I’m real too. How can I be an illusion? ”

Shen Yao wanted to say something, but he swallowed his words back.

“You’ll regret it!” He said, not wanting to look into her pure and clear eyes.

Ning Qing’s expression grew even colder.

Shen Yao, ever since the day I saved you, I have never regretted anything. Even if I didn’t know you, even if I guessed that you had other motives, I would still save you on that day. I thought that we were friends.

The man’s back trembled, his face tensed up, and his fists clenched even tighter.

but today, putting aside your ulterior motives, I’m disgusted by you for saying these things to me with such certainty and defining my life in such a way.

“.....”

“Whether your words are a reminder, a curse, or you and the people behind you are going to challenge me, I’m not afraid. I’ll use my own way to defend everything that belongs to me.”

She picked up the cup and took a sip.

The gaze of the person opposite her fell on her. Ning Qing frowned subconsciously, feeling that the water was a little strange.

She told herself not to think too much and straightened her posture.

“But from now on, when we meet again, we’ll pretend we’ve never known each other.”

There was a flash of ice in Shen Yao’s eyes, and it was fast and anxious.

She stood up and said, “ I’m done. Goodbye.

Shen Yao suddenly got up and grabbed her wrist.

Ning Qing turned around, her eyes cold.

this is a public place. Look carefully. There are surveillance cameras everywhere. If you lay a hand on me, you won’t be able to escape.

“.....”

As she had said, the two of them would pretend that they had never known each other in the future.

She had already played her role well and no longer trusted him. She treated him like a stranger.

Shen Yao’s back stiffened, and he slowly let go of his palm.

“Let’s go,” he said.

Ning Qing looked at him warily for a while. After he said this, she turned around and walked toward the stairs.

The man followed behind her.

Just as she reached the stairs, her phone rang.

Ning Qing stopped in her tracks and took out her phone. It was Nian lie.

She felt a little guilty, but thinking of the person behind her, she still picked up the call.

“Hey-”

“Where are you?”

From the sound of it, a storm was coming.

Ning Qing put on a slightly flattering smile. I just came out of the mall for a while and took a break. I’m ready to go home. How about you? are you done with your work? ”

She cleverly skipped the matter of meeting Shen Yao alone and patiently waited for the response of the person opposite her.

“.....”

Nian lie didn’t say a word for a whole five seconds.

Ning Qing’s heart was in her mouth. Nian lie? ”

[Chapter 982](#)

982 Good luck (1:

“Come back quickly, I’ll be waiting for you at home.”

In the end, he still called her home gently.

Ning Qing guessed that Lu Zhui had probably told her everything, but he did not blame her.

“Okay, I’ll be right back.” Ning Qing’s heart was filled with warmth, and her voice was even gentler.

“Yes.”

She hung up the phone, feeling a little elated. Her desire to go back and see Nian lie immediately was more than anything else.

She lifted her foot and was about to take the first step down the stairs.

Suddenly, he felt a strong force on his shoulder.

Her body slanted to the left.

Ning Qing’s eyes widened, and fear crept into her heart. It was too late for her to stabilize herself ...

Everything in front of her eyes seemed to be in slow motion, and she fell uncontrollably.

The child!

She couldn’t hurt her child!

She closed her eyes in fear, her hands subconsciously holding her stomach, waiting for the pain to come.

However, a large hand firmly held her waist and pulled her back before she could react.

It was only when she fell into the man’s arms and the unfamiliar smell hit her face that she opened her eyes in shock.

It was Shen Yao.

He was the one who pushed her!

She wanted to kill her child!

At that moment, grief and fear turned into anger.

She pushed him away and slapped him hard on the side of his face.

I thought you wouldn’t choose to do it in this place. At least I once sincerely wanted to save you, and this is how you treat me!

Ning Qing’s anger and resentment made her tremble all over, and even her stomach felt a faint discomfort.

She endured it, her palms numb.

“Shen Yao, I really misjudged you! I shouldn’t have believed you, I should have stayed far away from you!”

The atmosphere was so tense that the waiter next to him was stunned.

After a long while, her eyes turned red and she bowed to Ning Qing. Miss Zhenzhen, I didn't believe that I bumped into you, not this gentleman.

Ning Qing's anger had just reached its peak. She wanted to give him another slap, but this sudden sentence made her flame stop in mid-air, neither going up nor down.

She turned to look at the man, her eyes still burning with anger.

"I'm sorry! I'm sorry, miss, I didn't do it on purpose! I'm new here and I'm not used to wearing high heels, so I twisted my foot and accidentally pushed you. I'm really sorry!"

The waitress was on the verge of tears and kept apologizing to her.

Ning Qing's anger suddenly froze, and she looked suspiciously at Shen Yao, who was silent.

So he wasn't the one who pushed her just now?

One side of Shen Yao's face was burning, and he was in so much pain that he lost consciousness.

She had used all her strength, which showed how angry and hateful she was just now.

Ning Qing was a little helpless. She had wrongly blamed him, but she could not apologize. I'm Hanhan.

The tip of Shen Yao's tongue touched the side of his cheek, and it was burning with pain.

"You'd better be careful. Don't let anyone catch you," he said without looking at her.

These words seemed to be a provocation, but also a warning.

Ning Qing could not say anything.

"....."

When Shen Yao passed by her, he said with deep meaning, "Ning Qing, you're on your own." &Nbsp;

Then, he went downstairs and quickly disappeared from her sight.

Ning Qing was still in a daze, and the waiter was still apologizing.

She shook her head and waved her hand to let her leave. Then, she walked down the stairs with weak steps.

What she didn't know was that after she left, the waiter's expression changed extremely quickly. He walked to the side and made a phone call.

"As you expected, he didn't make a move, but the plan is still going smoothly."

The other end of the phone was silent for a long time, but anger kept pouring out.

She didn't say anything and just put down the phone.

[Chapter 983](#)

983 Can't get through the labor (1:

Ning Qing returned to Qing Yuan, still in shock. As soon as she entered, Nian lie welcomed her.

Her face was pale and her stomach was in pain.

"What's wrong? are you feeling unwell?" Nian lie asked with concern.

Ning Qing was afraid that he would be worried, but she also thought that she might have been frightened, so she felt uncomfortable. She only shook her head.

Nian lie pulled her into his arms, thinking that she was unhappy. didn't you go shopping? " Why do you still look unhappy, hmm?"

Ning Qing hugged him tightly. I'm not feeling well.

Nian lie's eyes darkened. what happened? tell me, ah ning.

Ning Qing wanted to say something, but her hands and feet began to go numb. Her words of comfort turned into a cry of pain.

The group was shocked.

Ning Qing clutched her stomach and fell. Her stomach was in excruciating pain. the child ... The child ran ran.

Nian lie hugged her tightly and shouted,"call the doctor!" Hurry up!"

Ning Qing leaned into his arms, her vision turning dark. He carried her into the bedroom.

Nian lie's face darkened with worry. He held her hand in a panic and said, " don't worry, ning. The doctor will be here soon. You have to hold on.

Ning Qing's forehead was covered in sweat. She bit her lip in pain and did not dare to make a sound. She was afraid that he would be more worried. Her heart was in turmoil, but she still forced a smile. I'm fine, ran ran.

Nian Xi held her hand and forced himself to calm down. it's alright. I'm here, okay? " Don't be afraid."

But the child ...

Ning Qing closed her eyes in pain, and the pain was evident on her face.

Nian lie's expression was extremely dark, but he didn't dare to reveal any of it. He tried his best to comfort her.

When the doctor arrived, he immediately examined her.

Because she was pregnant, the doctor didn't dare to use other medicine, so he could only prescribe some medicine to protect the fetus.

After ning Qing had fallen asleep, Nian lie brought the doctor out. His sinister face made people tremble in fear.

The doctor trembled with fear. If I didn't make a mistake, Madam must have taken the medicine for abortion. Fortunately, there aren't many ingredients and she was treated in time. Otherwise, the consequences would have been unimaginable.

Miscarriage?

When he heard those two words, Nian lie's expression was frighteningly cold.

He had only gone out for a short while, so how could he have taken that kind of medicine?

Was it because she had gone to see that friend of hers?

Nian lie's face was frighteningly dark. How's the situation now? "Will she be alright?"

The doctor wiped the sweat from his forehead. Don't worry, Sir. She was discovered in time and I've prescribed medicine. Her condition has stabilized. However, Madam's health is not good to begin with. She must rest well from now on. Otherwise, Wanwan ...

Nian lie's cold eyes turned sharp. Otherwise what?!

"Otherwise, even if we can wait until the child is born, the adult may not be able to make it through the labor," he said.

After saying that, the doctor was so scared that he did not dare to look at the man in front of him.

The surrounding atmosphere was so cold that people didn't dare to look at it directly.

After a long while, Nian lie said, "You keep her safe. Don't let her know about this.

"Yes, yes, yes." The doctor replied.

Nian Yu couldn't suppress his anger, and the veins on his forehead twitched. Get lost.

The doctor hurriedly ran away. Lu Chao, who was waiting downstairs, went upstairs and saw Nian lie outside the door.

Young master, is young Madam alright? "

A cold gaze shot over, colder and more terrifying than ever.

"Get everyone who went out with her today!"

Lu Zhui braced himself and nodded in agreement, knowing that he had crossed the line this time.

Downstairs, in the living room.

A group of people stood in the middle of the living room, trembling with fear as if they were walking on thin ice.

The man on the sofa exuded a murderous aura, and the cold white smoke burned between his fingers, making it even more horrifying.

## [Chapter 984](#)

984 : series of accidents (1:

A few minutes later, the cigarette burned out, and the ashes fell to the ground.

Nian lie leaned forward, stubbed out his cigarette, and glared at the group of people.

“No one told me that you can’t stop a poisoner with such a big group.”

Lu Zhui was the first to step forward. He lowered his head and admitted his mistake. young master, it was my negligence that caused young Madam to be in such a state. Please punish me.

Punishment?

Nian lie’s hostility grew even stronger as he threw the ashtray on the ground. The shattering sound was accompanied by an angry roar that reverberated throughout the entire Qing Yuan.

“She’s lying on the bed right now, and I almost lost my child with her, and you’re f \* cking talking to me about punishment now! Tell me, how the hell am I going to punish you?!”

“.....”

The living room fell into a dead silence.

There was complete silence.

The man tried to control himself, but the anger and panic still burned in his heart.

He angrily pulled off his tie and unbuttoned the first two buttons of his collar. His frustration was not relieved.

Just then, a servant came down from upstairs. Nian lie’s murderous gaze shot over, and she hurriedly stopped in her tracks. Sir, Madam is awake! They’re calling your name!”

The ice in Nian Yin’s eyes melted a little, and he stood up immediately.

When he passed by Lu Zhui, he stopped and coldly ordered, ”

“Go and investigate.”

Lu Zhui raised his head and heard him say fiercely, “go and find out who that man is immediately!” If you can’t find anything, you’ll be the same as them, get lost!”

Lu Zhui’s entire body trembled. yes!

Nian lie didn’t look at him anymore. He hurried upstairs and walked to the bedroom door. He took a deep breath and calmed his tone before pushing the door open and entering.

Ning Qing’s eyes were wide open, and she looked very weak. Nian lie Xuanji.

He grabbed her hand and sat down beside her. what’s wrong? do you feel uncomfortable anywhere else? ”

Ning Qing was so anxious that she wanted to get up from the bed, but he held her down. you can’t get up. You need to rest.

“But the child ...”

“The child is fine.”

Ning Qing heaved a sigh of relief. When the servant had told her earlier, she had thought that they were consoling her. Hearing his words, she could then confirm that the child was still in her stomach.

She held Nian lie’s hand and asked him to help her sit up. He helped her up, took a pillow, and placed it behind her waist.

The two of them were silent for a while. Ning Qing studied his expression. why didn’t you ask me? ”

Nian lie looked up, his eyes filled with gentleness. what do you want me to ask you? ”

“He asked me what happened, why I came back like this, and why I didn’t listen to you today.”

Nian Jin tucked her in and held her hand tightly. His eyes darkened. do you want to tell me? ”

Ning Tingting could tell that he was angry. She was afraid that it was not peaceful downstairs just now, so she quickly explained, ” I went shopping, but I happened to meet a Hanhan friend I used to know. I had a private conversation with him at the coffee shop next door, and then I came back.

Nian lie’s dark eyes darkened. nothing else happened? ”

Now that things had come to this, ning Qing could no longer hide it even if she wanted to. Moreover, she had just asked the servant and she had been told that she had taken the medicine for abortion, which had caused her stomach pain.

It was needless to say how much Nian lie valued her, especially after she got pregnant. The whole of Qing Yuan treated her like a Buddha. The food had also gone through many tests, and there was no way there would be any problems.

When she went out today, she didn’t get to eat the ice cream. The only thing that passed her mouth was the glass of water in the coffee shop.

Ning Qing’s eyelashes trembled and she closed her eyes. I only had a glass of water outside today. After talking to the other party, you called me. When I was going down the stairs, I don’t know if the other party did it on purpose. A waiter bumped into me, and I almost fell down the stairs.

## [Chapter 985](#)

985 There won’t be: next time\_1

Nian lie’s heart sank. there’s still more.

Ning Qing opened her eyes and looked at him seriously. it was the person I know who stopped me.

Otherwise, she would definitely be in the hospital now.

The child would definitely not be saved.

At this point, Nian lie would definitely send someone to investigate.

However, as sharp as Nian lie was, how could he not hear her protectiveness towards that person?

Who was that man?

Was he worth her protection on the account of almost losing her child?

Seeing that he was thinking more and more, Ning Qing suddenly said, "by the way, the person I met today was the one who helped me when I was captured by your parents." &nbsp;

Nian lie's thoughts froze.

I met him when I was in the capital city. He was being hunted down. I wanted to repay him, so I saved his life. He left the hotel before he recovered, and I never saw him again.

Nian lie's attitude softened a lot when she was willing to tell him everything. and? "

Ning Qing pursed her lips. I've always thought that every time I met him, it was dramatic and coincidental. He always appeared by my side at the most appropriate time. It didn't seem like an accident at all. I'm guessing that there's someone behind him who's trying to get him to get close to me, so I've come clean with him this time.

Laying his cards on the table?

She was a pregnant woman. What was she doing with a man who had ulterior motives?

Nian lie's expression was tense. He gritted his teeth and pulled her into his arms. you've got some guts.

Ning Qing knew that she was in the wrong. She lowered her voice. I just wanted to test his attitude towards me. Moreover, Lu Zhui and the others are guarding me. I don't believe that he would do anything to me in public.

Nian lie pinched her chin, unable to control his strength. ah ning, you're so confident in yourself, but what happened in the end? "

In the end, she was almost pushed down the stairs and was even drugged!

Ning Qing's face turned pale from the pain. it hurts.

Nian lie didn't let go. His strength was a little weak, and the expression on his face was uncontrollably dark and cold.

"Do you know your current situation? I told you to stay in Qing Yuan, but you insisted on leaving. Just this time, ning Qing, you almost caused our child to be lost, do you know that?"

"....."

Ning Qing's heart was in turmoil, and she could not speak.

After they had made up, Nian lie had almost never called her by her name.

The fact that he had shouted like that only meant that he was really angry.

As for the child, she felt guilty for not protecting him well.

She did not feel good about making him worry about her.

Ning Qing opened her watery eyes and looked at him without blinking, her eyes moving.

I'm sorry, Nian lie. I didn't understand your good intentions for me and our child. It's also my fault for being willful and not considering everything. That's why you're so worried and our child is hurt.

Nian lie's expression was tense, but he did not soften even after her apology.

Ning Wang put his hand on the back of his hand, his eyes full of weakness and goodwill. I'm sorry, don't be angry with me. Next time, I won't do this again, Hanhan.

Nian lie's eyes turned sharp. there's a next time? "

The woman hurriedly shook her head. no! In the future, no matter what I do, I will definitely get your consent before doing it! This will never happen again, please forgive me. I was also shocked today, and when my stomach hurt, I was so scared of Yingluo!"

She wasn't lying.

The moment before she passed out from the pain, her heart was filled with fear and pain.

### [Chapter 986](#)

986 How can you use her as: shield (1:

She was afraid that she would lose this child that she had worked so hard for, and she was even more afraid that the sins in her life would only get worse.

Of course, Nian lie knew that she was afraid. He released his grip on her chin and pulled her into his arms.

take this as a lesson. In the future, you're not allowed to make any decisions on your own before the child is born.

He looked at her face for a long time and sighed helplessly.

ah ning, I hope you understand that I'm not trying to restrict your freedom by letting you stay in Qing Yuan and have people watch you. You have to know that there are countless eyes watching you in your current situation.

He did not want her to know about these things.

What he hoped for was for her to be able to get through the pregnancy in peace and happiness. He would tell her about those things after she gave birth to the child.

Whether she wanted to do it or not, it was all up to her.

But now, she seemed to know nothing about her own situation. She couldn't even tell Xuanji that she was drugged.

Ning Qing could tell the seriousness of the matter from his tone. She straightened her attitude and asked in surprise, " what do you mean by Zhenzhen has countless eyes staring at me? "

Nian lie pushed her away slightly and gazed at her deeply. you already know that you're not the biological daughter of the ning family.

Ning Qing was stunned. so what if I know? ”

He squeezed her shoulders. ning su is the current Lou si. He was previously recognized as the successor of the Lou family.

There was too much to study about this sentence.

Only the eldest daughter of the current head of the family, who was the legitimate son of the first wife, had the right to be the successor.

The fact that ning su was able to sit in that position showed her relationship with Lou LAN.

What he said was previously publicly acknowledged, which meant that Yingluo might not be publicly acknowledged now?

Ning Qing quickly sorted out her thoughts. Her brain was filled with too much information, and she was a little numb for a while.

“I know that something happened to the Lou family. Madam Xuanji hasn’t appeared in a long time,” she said.

Her sister had also disappeared from the public eye for a long time.

Nian lie’s expression was grave. it’s not that she didn’t show up.

Ning Qing frowned. what? ”

it’s very likely that he was forced by someone and couldn’t show his face.

Ning Qing’s body trembled, and then a strange smile appeared on her face. she’s the head of the Lou family. Who would dare to go against her? ”

Nian lie didn’t relax in the slightest. His tone became even more solemn.

“As far as I know, the Lou family has been busy for the past few months. Because Madam Lou LAN hasn’t appeared for a long time, the Lou family announced to the public that she was sick and recuperating. However, the power of the Lou family has already been reshuffled. Lou si isn’t around, so the one in charge of the Lou family is no longer Madam Lou LAN but her younger sister Lou si.”

Ning Qing knew that Lou Si was Lou qingyue’s mother.

Ning Qing understood what he was trying to say.

She stopped smiling and put on a straight face. what does it have to do with me that they’re fighting for power? ”

Nian Xi pursed his lips. ning, ning su is related to Mrs. Loulan by blood. It was also proven when ning su transfused blood to you last time.

Ning Qing felt numb. so? ”

So the answer was obvious.

Ning su was Lou Lan’s daughter who had led a wandering life.

She was the same.

“Now that both Madam Loulan and Lou si have disappeared, you’re the only one who’s still active in the public eye,” Nian lie said.

In other words, she was the one who was exposed the most.

She would attract the Lou family’s attention and be implicated. She might even be hunted down.

Ning Qing smiled coldly. After laughing, she didn’t know what kind of attitude and expression she should have to face his words.

you mean, she left me out there and didn’t care about me for 25 years. Now that she’s gone, she still wants to use me as a shield? ”

### [Chapter 987](#)

987 Don’t trust anyone who’s close to you, except for me\_1

Nian Yu frowned. ning, that’s not what I meant.

“What does that mean?”

“.....”

There was a look of sarcasm and mockery on her face that could not be ignored. for the past 20 years, she has done nothing for me. Just because she gave birth to me and left me in Ying city, she never appeared when I was in the most pain and despair! Now that something has happened to them, those people are blaming it on me instead?”

It was truly laughable!

Nian lie tightened his grip on her shoulders. ah ning, that’s not what I meant. I didn’t mean that they intentionally let those people target you. It’s because your identity has been exposed, Hanhan.

“What identity do I have?”

Ning Qing’s eyes were red, and she couldn’t help but be excited.

“I’m just a daughter of the ning family, a daughter of an ordinary family. I married you, got pregnant, and just wanted to live an ordinary life! I don’t have any status, and I don’t care for it!”

: Yes, you’re not anyone!: Nian lie answered repeatedly. You’re only my wife!”

He held her in his arms and felt her slight trembling, his heart aching.

“I’m sorry, I said too much. You don’t have to worry about these things. I’ll protect you, okay?”

Ning Qing leaned against his chest, listening to his steady and powerful heartbeat, and her vision blurred.

She forced herself to calm down. I’m sorry. I didn’t mean to be angry at you.

Nian Xi caressed her back again and again. it’s okay. I didn’t think it through.

“.....”

He hesitated for a moment and decided to skip some things. ah ning, I'm telling you these things because I want you to know that it's not safe outside. I can't guarantee that I can protect you and the child. Please be obedient and don't be angry because I don't let you go out, okay? ”

Ning Qing's heart ached. It was a good thing that he could give her an embrace to rely on in this storm.

Otherwise, she knew that she would definitely be swept up by the silent Flames of War until not even her bones were left.

“I'll be good and listen to you from now on,”

Nian lie nodded. you have to be careful of the people around you.

Ning Qing's forehead heated up, and she remembered that Shen Yao had said the same thing to her in the coffee shop.

Nian lie didn't get a response from her. He lowered his head and looked at her. ning? ”

“He said the same thing to me today.” Ning Qing came back to her senses, thought for a moment, and confessed.

“Who?” Nian lie asked.

“Shen Yao is the person I met.”

She then explained some of the details of their meeting. Nian lie's expression darkened as he listened.

Yingluo is probably like this. I guess he has ulterior motives towards me, but he didn't do anything to harm me today. Instead, he seemed to be reminding me that something bad will happen next.

If ning Qing could realize it, so could Nian lie.

But he wasn't like her, who could judge whether a person was good or bad by a little detail.

Moreover, this matter concerned her and the child, so he could not let his guard down.

alright, ” he said, patting ning Qing's back gently. if that's the case, I want you to remember one thing.

Ning Qing was stunned. what did you say? ”

Nian lie's eyes were as deep as ever. from today onwards, don't trust anyone who gets close to you.

“.....”

“Except for me.”

His request let her know how serious and scary the things that were about to happen were.

Ning Qing stared at him for a long time. Nian Yu frowned. ning Qing, promise me.

## [Chapter 988](#)

988 I'm willing (1:

She moved her lips and replied with some difficulty, "okay." &nbsp;

Nian Ying heaved a sigh of relief. after this, I'll have my men check all the food you eat and the people around you. I'll try to minimize the danger around us. I'll take care of everything outside. Don't be too nervous.

As he spoke, he lowered his gaze and looked at her lower abdomen. He reached his hand over, and his expression became gentle again.

"After all, there's a little thing here."

"....."

have some sense of crisis, but don't get too caught up in it. Do you understand what I mean? "

Ning Qing nodded. I will.

For the child, for him.

Nian Xi held her in his arms, pressed the back of her head against his, and kissed her deeply.

He only stopped when she was out of breath and he found it difficult to restrain himself.

Ning Qing hugged the man in front of her, who gave her a sense of security, and her lips turned red. then, how about father and mother? "

"I've already sent people to protect them in secret."

Ning Qing was relieved and had more trust in Him. that's good.

but, ning, it's still risky for mom and dad to be in China.

"Then, do you plan to send them abroad?" ning Qing asked.

Nian lie's face was dark. it's best to send them to a safe place. Don't let anyone find them so easily, in case the matter is exposed in the future and it hurts them.

"....."

"It won't be too late to bring them back after the storm is over."

Ning Qing felt that he was right. She nodded. I agree with you. I'll talk to my parents tomorrow.

Nian lie took a deep breath. He was about to warn her, but she spoke first. I'll call and tell her that I won't go out.

Nian Xi stared at her for a while, then burst into laughter. you seem to be a little too nervous.

He was a little regretful now. Should he not have told her about these things?

Ning Qing saw that he was smiling, and her heart also relaxed a little.

She leaned into his arms and said seriously, " you've been planning for us so hard. I don't want you to worry about me anymore. It'll make me look useless.

Nian Xi tapped the tip of her nose. what use do you have? ” You just need to be my wife and the mother of my child.”

Ning Qing smiled faintly. I don't want to be a burden to you. No matter what you want to do, I'll cooperate with you.

Nian lie laughed. if only you were always so obedient.

Ning Qing glared at him reproachfully. you mean you still despise me for causing you trouble? ”

“Of course not.”

Before she could push him away, Nian Xi held her hands and gave them a kiss.

you've never been trouble. I'm willing to do it.

Ning Qing glared at him, her heart as sweet as honey.

This man didn't find it too mushy when he said sweet nothings.

Nian lie's eyes were filled with gentleness, mixed with some charming feelings, so strong that she couldn't look straight at him.

He suddenly pressed her down, but he did not press down on her. besides, even if you're trouble, I'm willing to be trouble for the rest of my life.

Ning Qing's face was slightly red. She leaned against his chest and finally squeezed out a sentence after a long time. by the way, don't blame Lu Zhui and the others. Today's incident was completely my own decision. They didn't dare to disobey me, so it ended up like this. Don't blame them.

One kiss after another landed on the side of her face, numbing her.

Nian lie snorted in response.

She avoided him, her cheeks burning. I'm serious. My stomach doesn't feel well. Stop it.

Of course, the man knew that, and he couldn't force her to do anything. After all, her body had not recovered yet.

However, he had endured long enough since she was pregnant.

“Nian lie, stop fooling around.”

The woman's voice was pleading, and there was a slight tremble.

He supported himself above her. help me.

“No!”

“Other places are fine too.”

“.....”

[Chapter 989](#)

989 She said that her surname was Lou (1:

Ning Qing's condition had stabilized after a few days of treatment.

She didn't make a fuss about going out again and cooperated with Nian lie with all her heart.

The bodyguards and servants inside and outside Qing Yuan had been replaced, and the security was even tighter.

He had thought that she would no longer be affected by the outside world.

However, those who had just arrived could not escape.

That afternoon, ning Qing had just returned from a walk in the garden. She went upstairs to take a shower and was ready to go downstairs for lunch.

"Eat well. I'll come back to accompany you after I'm done with my business."

The man's voice was gentle.

Ning Qing chuckled. I know.

"Did he mess with you? If you're not feeling well, let the doctor take a look at you."

Ning Qing snorted. no, he's usually very quiet.

It was just that the last time, when Nian Xi was leaning on her stomach to listen to the baby's movements, the baby seemed to have felt it and hit his face when it moved. Ever since then, he had always felt that the child was noisy and would not have a peaceful life in the future.

"It's good to be quiet,"

Ning Qing couldn't help but laugh. alright, go and do your work. Don't forget to eat.

yes, I asked the kitchen to make your favorite food. Be good and eat more.

"Alright," he said.

After a long time, the two finally hung up the phone.

Ning Qing's face heated up, and her heart felt sweet.

Although she was locked up at home and couldn't go anywhere, she seemed to rely on Nian lie even more now.

It had only been two hours since they last met, but she missed him so much.

It was just a phone call, but she felt like she was in a long-distance relationship.

It seemed like Yingying was regressing.

Ning Qing couldn't help but laugh at herself as she walked down the stairs to the dining room.

However, when she passed by the living room, the maid who was on the phone suddenly called her.

Ning Qing turned around. what's wrong? "

"Someone is looking for you."

Ning Qing looked at her holding the phone and was a little confused.

There weren't many people who could call Qingyuan now, so it must be something urgent.

"She said her surname is Lou," the maid threatened.

Ning Qing was shocked. Was it her sister?

Without hesitation, she quickly walked over and picked up the phone. Hello ...

"Ning Qing, long time no see."

The melodious female voice made her lose hope.

Ning Qing felt as if she had been splashed with a bucket of cold water. Miss Lou, you're quite capable.

Lou qingyue curled her red lips. from your voice, you seem very disappointed.

"....."

"Who do you think I am?"

Ning Qing said coldly, " I don't think you're anyone. I'm not interested in you. Please don't call anyone and ruin their mood.

With that, she immediately wanted to hang up the phone.

Lou qingyue sensed it. She said unhurriedly, " Oh? you're not interested in my Affairs. Are you not interested in your husband's Affairs? "

That one sentence stopped ning Qingyu from hanging up the phone.

Listening to the continued silence on the other side, Lou qingyue knew that she had won. She held her phone up calmly.

If ning Qing was here, she would definitely give her a tight slap on her smug face.

Ning Qing bit her lip. Her rationality told her that she should hang up the phone, but her actions were faster than her brain.

what do you want to say? " she heard herself calmly ask the other person.

Lou qingyue raised her chin and looked at the figure of the man by the window.

ning Qing, although I don't like you, I have to admit that you have a good eye for men. At least, Zhenzhen and I have the same level of appreciation.

Ning Qing's face was cold. just say what you want to say. At this point, Lou qingyue, you don't have to pretend to be kind in front of me.

[Chapter 990](#)

990 I like your man (1:

Lou qingyue chuckled. She was a little lascivious and had an inexplicable seductive posture.

“Alright, since you’re so direct, I won’t beat around the bush with you,” she said.

She lifted her chin and showed a superior attitude, even if the other party could not see her.

“I like your man.”

“.....”

he’s handsome, suave, and loyal. I like his looks. As the current heir of the Nian family, I know his past and present very well. In short, I’m quite satisfied with him.

Ning Qing didn’t know where she got the confidence to criticize Nian lie, and from the high and mighty position of a woman at that.

“Do you think he wants you to be satisfied with him?” she said coldly.

Lou qingyue looked at the man’s handsome side profile and tall figure. why don’t you want it? ” she asked.

Ning Qing was so angry that she laughed.

Lou qingyue could hear the disdain in her voice. She retracted her arrogant smile. what are you laughing at? ”

Ning Qing sorted out her mood a little and held her waist with one hand. She had stood for too long and her waist was a little sore.

“I didn’t expect you to call me to discuss him.”

Lou qingyue smiled triumphantly again. you heard it. I don’t just want to tell you that I want your man. I also want to advise you that you’re a cripple with no hands. You’re useless and ordinary. You’re lowly and dirty. You won’t be able to bring any benefits to him and the Nian family. Instead, you’ll make him the laughingstock of the upper-class society. Maybe he loves you now, but after a long time, men will love the new and abandon the old. Do you think he’s seen enough of you? ” Will I still love you in the future?”

The frost in ning Qing’s eyes grew thicker and thicker. you’re really shameless.

With just one sentence, Lou qingyue’s face changed. what did you say?!

“I said you’re shameless.”

Without waiting for her reply, ning Qing held the phone in her hand, her voice leisurely but cold.

you and I know very well how my hand became like this. You keep calling it disabled, but don’t forget that your hand was the one who was disabled a long time ago.

“You!”

no matter what, I felt that as a member of the Lou family, at least you wouldn't personally confront me. But you kept saying that I'm lowly. I didn't expect you to be willing to lower your status to put on airs with someone like me. Lou qingyue, do you think you're higher than me by doing this? "

Lou qingyue's face was distorted with anger: you're nothing. Aren't you lowly? " she shouted. Ning Qing, what's the use of being so mean to me? let me tell you, a man like him should stand at the peak of power and lead everything. You're not worthy of him at all!"

"Heh, I'm not worthy, but you are?"

Lou qingyue was like a proud peacock. that's right!

As long as she could get rid of ning Qing, she would immediately become the new heir of the Lou family!

Although the Nian family was nothing compared to the Lou family, she believed that with that man's ability, as long as they got married, he would definitely be able to expand his business territory to the whole world in a very short time! She could also bask in this glory and lead the Lou family to greater heights!

Most importantly, it just so happened that she had always been interested in him!

She did not mind helping him out.

Just because she thought this way, it didn't mean that ning Qing thought the same.

Ning Qing's words were filled with disdain and contempt. only people like you who think too highly of themselves will talk about who is worthy of who.
