## Chapter 18 He don't admit it

"What?" Blake looked at her, he didn't know what's wrong with her.

Layla didn't know that he was good at acting too!

"I am leaving! I won't work for you anymore!" Layla said angrily.

"Why? You can talk to me if there is anything you are not satisfied with. Did someone make you angry?" He asked.

"You!" Layla shouted.

How can he act so calm after what he did last night!

Blake looked at her not knowing what she was saying, "What have I done that makes you so angry? I wouldn't make you angry, I like you!"

"You sneaked into my room last night and you even touched me! Don't you dare not admit it!"

Blake knitted his eyebrows together and turned around to ask George, "Did I?"

George quickly shook his head and said, "I don't know. I left after you fell asleep, Mr. Spencer."

"How can you act like you don't know what you have done? I won't work for you anymore!" Layla said.

Blake then turned to her and said gently, "There must be some misunderstood here, Doctor Layla."

"Quit acting." Layla warned.

"But I didn't do anything!" Blake defended himself.

"If I am not mistaken. There is CCTV in my room."

There is CCTV in her room but it won't affect her privacy so she doesn't complain about that, the owner of the house has the right to see what their guest is doing in their house.

"George, show Doctor Layla the record."

Layla was speechless. He doesn't look afraid at all.

"But the record is only for you and me to see, Mr. Spencer" George said.

Blake then smiled at Layla and said, "Layla is my wife. What's mine is hers. She can do whatever she wants."

Looking at Blake who was so confident, Layla started to question herself.

That doesn't feel like a dream, why was he so confident that he didn't do anything?

George was quick to lead them to the guard house. George used his handkerchief wiped the chair and said, "Please sit here, Mr. Spencer."

"Doctor Layla." He pointed at the chair indicating that he wanted Layla to sit.

In Spencer's mansion, everyone will treat him like a king and Blake still treats her well.

No one has ever cared for her like how Blake Spencer cares for her.

She shook her head and said, "You sit."

Blake then smiled at her.

"Here." George finally found the record.

Layla was quick to rush to the computer and watched the recording.

"Stop here!" Layla said when she saw Blake Spencer walking in the room.

"The evidence is here! You did sneak into my room last night." Layla said.

Blake then looked at the computer and said, "How? I really don't remember this, Layla."

"You liar! I will never believe you again!" Layla looked at him disappointedly. She thought that Blake Spencer was a good man before.

"Layla." Blake quickly grabbed her hand when Layla was about to leave.

"Do you want to force me to stay?" Layla asked sarcastically.

"I will admit it if I really sneak into your room, but I really didn't know that I sneaked into your room last night!" He explained
