Chapter 28 Amelia fall into the water

"I don't have daddy mommy." The little girl then added, "Uncle brought me here."

And with that, a tear rolled down the little girl's cheek. She quickly wiped the tears away with the back of her hand and said, "I miss them. Why would they leave me? My mommy will take care of me when I get hurt every time."

"It's okay." The little boy held her hand and said, "I will take care of you."

"Really?"

"Yes."

"What if you leave me like daddy mommy?" The little girl doesn't believe the little boy.

"I will never leave you." The little boy said.

And with that, he held her hand up and blew softly at the wound on her hand.

The acting skills of the kids were bad but Layla knew the intention of Amelia.

This must be what happened when Blake and Amelia were kids.

But she didn't know if Blake knew it.

Layla looked at Blake who was also looking at the two kids.

Images started to float in his mind and that stressed him out.

Blake felt stressed because Layla wasn't by his side. He doesn't want to wait for her here. Just when he was about to leave, Amelia walked towards Blake.

"What are you doing here?" Blake asked, feeling annoyed.

"Didn't you recall something when you see them?" Amelia asked.

That's how she met Blake.

Amelia's parents died when she was very young and she was adopted by Blake's uncle.

His uncle already had a son and a daughter when Amelia was adopted, his uncle would always give her everything she wanted, so they doesn't like Amelia. They would bully her whenever they have the chance.

But they wouldn't be able to bully her if Blake was there.

Amelia looked at Blake and said, "You have been taking care and protecting me for so many years, why can't you remember me now? You have no idea what kind of life I am having right now after you forget everything. Brandon and Bella had been bullying me and that made me think of the old times. You are the only one who would be kind to me."

Layla heard what Amelia said and that made her sad.

She didn't know their story and now it made her feel like she was watching a movie.

Their love story before made Layla envious.

Amelia found herself a good man, he even named this lake after her.

Layla doesn't want to keep peeking them now so she stood up and turned around, planning to leave.

But just when she was about to walk away, she heard the sound of water splashing and George shouted, "Miss Spencer!"

Layla quickly turned around and she saw Amelia stirring in the water.

"Help me! Help....." Amelia shouted.

Amelia Spencer doesn't know how to swim.

Just when George was about to jump in and save her, Blake stopped him.

"But Miss Spencer doesn't know how to swim."

George protested.

Layla quickly rushed to the pavilion and said, "How can you be like this, Blake Spencer! She is your girlfriend! The woman you love the most!"

Blake looked at her and he seemed to understand something, "You planned this with her, did you?"

"Yes." Layla didn't deny. She wasn't afraid of him and she didn't know why.

No one was going to save Amelia without Blake's permission so Layla decided to save her herself.

She jumped into the water and grabbed Amelia. Amelia has already fainted when Layla got her.

"Save her!" Blake shouted at George. He didn't want Layla to get hurt.

George was quick to jump into the water and save Amelia. The three of them were quick to be up on the land and Blake quickly rushed to Layla.

Layla's clothes were wet and her bra can be seen because of her white shirt. She quickly rushed to Amelia and did CPR to her. Layla sighed after Amelia finally spit some water out.

"Send her to the hospital now!" Layla told Amelia's bodyguard.
