

Spoiled by Mr. Russell Chapter 1028

He glanced toward the door and decided it was not too far away. He could get up and run if she wanted to make a move.

If he spilled the coffee, it would buy him some time.

Thinking of this, he looked down at the coffee in his hand and stopped drinking it.

Instead, he just sat there with the cup in his hand.

Seeing how he had moved further away, Hannah's mood worsened as she snapped sarcastically, "Do you hate me that much?"

"Huh? uh..."

Ralph was taken aback by her sudden question and quickly shook his head.

"No! How can I hate you? I have nothing but love for you. W-Why would you ask such a question? "I'm just worried about your well-being, so I stopped by to see you if you feel any pain or discomfort. That's what I asked you. You...y-y-you..."

He began to stutter as he watched this terrifying woman striding toward him.

Was she going to do it again? He began to panic, thinking about what he had said wrong. He had no idea! "I-I suddenly remembered something!"
