

Spoiled by Mr. Russell Chapter 1035

Ralph and Hannah had not expected to see Alexander and Lily coming out from the lift. The four took a moment to respond as they faced each other.

“You?” Ralph frowned, not expecting to see him here.

Alexander was also surprised. Since he finished work early, he thought Lily must be bored from staying home for so long and decided to take her out to dinner. Still, he did not expect to bump into these two.

He glanced at Ralph casually and looked at Hannah. ‘There’s a strange vibe about them.’

Somehow, he felt that “Heather” looked slightly different than usual. However, he could not pinpoint what was different about her and did not overthink it since he had not met Heather that many times.
