

Spoiled by Mr. Russell Chapter 625

Glancing at Lily, Jonathan cleared his throat and said, "We must thoroughly investigate your grandfather's death. However, you two insist on your own words, and it is difficult to tell the difference for now, but don't worry. Since I've taken over the family, I will give you a satisfactory answer."

Sure enough, Lily wanted to get out of the way, sneering, "Granduncle, everyone understands the truth, but there should always be a conclusion. We mustn't delay Grandpa's burial. At least, there should be a time limit, right?"

"Why are you so anxious? Are you guilty?" Jonathan said unhappily after giving her a side glance.

"There's no point in arguing anymore, and it doesn't matter whether or not I'm guilty. What matters is the result. I only hope to find out the cause of grandpa's death." Lily did not want to take a step back and continued, "The elders are here today. Since Granduncle Jonathan is in charge of the family now, I believe I can convince everyone with actions instead of empty promises. How about three days?"

"Only three?"

"I'm sure everyone will want to know the final result within three days."

"All right! Three days!" Henry interrupted because Jonathan could speak, "Still, Lily, you can only stay here for these three days and nowhere else to prevent someone from taking the opportunity to escape. All Lodge family members cannot leave Sapphire within the next three days."
