

## Spoiled by Mr. Russell Chapter 740

"Is this?" Lily guessed what it could be, but she was not sure.

"Do you like it?"

Without answering her question, Alexander il looked around and was quite satisfied with the overall ; arrangement.

"What if I like it, and what if I don't? Is it mine if I like it?" Lily said half-jokingly, glaring at him as she touched the test tube lightly.

'These are new!' "That's right!"

Alexander answered with certainty, "It's yours if you like it."

Lily pointed and looked at him with surprise.

"You bought all this 'I for me?"

Although she had probably guessed it, she was still surprised to I hear him say that.

After all, she had just thought of getting a studio 4 for herself.

Alexander even chose the location and had it all renovated.

This is too coincidental.

Could he read her mind?

"Of course."

response.He walked over and put the keys
