

Spoiled by Mr. Russell Chapter 772

Since that day, Noah had remembered her name.

First, he did it because he wanted to compete with her to see who was better, and secondly, he wanted to invite someone with her talent to the society.

So, if she did win anything in the future, part of it would still be to the society's credit.

Little did he know that such a gentle-looking girl could be so difficult to deal with. He could not even manage to make her stay in Kingsland.

Moreover, there was Alexander Russell and the La Beaute Group to back her. He needed to put in a little more effort if he wanted to deal with her once and for all.

"It happened only once, and you're already showing off?"

Noah gritted his teeth as he snapped at her, trying his best to save what was left of his pride.
