

## Spoiled by Mr. Russell Chapter 828

While he said it, he took her hand to slap his face.

Eloise yanked her hand off with a frown.

"Do you think we're still kids? Joseph Tanner, let me be frank with you. I'm indeed upset about your mistress and son because no woman on earth is willing to share their husband with someone else. Being someone who's been around, I'm able to see the big picture and know what should take precedence. Do you think I'd do anything that could damage the company's interest out of jealousy?"

"However, Derrick and Stephanie are upset and refuse to give us what we need. What should we do? We can't just force them, right? I tried to see Derrick, but Stephanie stopped me. I wonder if she's trying to take control of the company."

"Are you stupid?"

Eloise looked at him.
