

Spoiled by Mr. Russell Chapter 858

Alexander put his hand over Lily's shoulder and said thoughtfully, "If you find it annoying, I'll block all this nonsense." He could help her solve these things, but she insisted on settling them herself. Had it not been for her insistence, he would not have known that his wife was this resourceful.

"I have gotten this far and won't back down!" Lily shook her head and stood straight. "I think it's time I get another mobile phone number." She could not turn her phone off as she might have missed important information. However, the constant calls were annoying. Therefore, she should have two numbers instead.

"This is not a problem. I'll let someone prepare it right away," Alexander said, walking out of the kitchen with Lily. He looked at the cell phone that had stopped ringing and could not help asking, "There's something I don't quite understand."

"What is it?" Lily responded softly. She poured two cups of warm water and handed him a cup.

that Mr. Adler

also shocked when he first heard the news. If the one who released the news were not Lily, he would have thought it
