

Spoiled by Mr. Russell Chapter 874

Eloise paused before continuing, "Try your best to gain as many shares as you can, and also try to liquidity those shares into cash, understood?"

"Mom, that's illegal." Arianna's heart skipped a beat after hearing what her mother said.

"Try your best to do it as cleanly as possible. Make something illegal seem legal," Eloise explained nonchalantly. "This was something that frequently happened in the past.

However, you must ensure you do this fast. I'm worried your uncle might be planning something. Make sure you get your people to man the lobby entrance," Eloise instructed.

"Okay, I understand," Arianna replied nervously. It felt like she was preparing for a colossal war.
