

## Spoiled by Mr. Russell Chapter 890

"He's in control, my a\*s!" Joseph snorted. "Tanner Corporation has been around for years. There's no way that every employee would take him seriously, especially the old-timers. Once I give my orders at the right time, I can still take the company back!"

Elizabeth brightened hearing this, but she did not feel convinced after giving it some thought. "Are you sure? You've failed to seize Tanner Corporation after so many years, so how can you get it back now it's in that man's hands?"

"It's different now. My brother was still around back then."

"But your brother isn't now?"

"He's gone missing, probably kidnapped by Nathaniel. Yes, we have to report this to the police!" He grew convinced that his plan could work. "Damian, get ready to go to the police station. Wait, no, we should think through what we'll say before we leave."
