

Mr. Warner Your Ex-Wife is Brilliant by Paula Chapter 346

Chapter 346

However, although Rosaline looked sly and calculative, she didn't speak but instead gave Andrew a look.

Upon signaled, Andrew immediately stood up and asked Jane.

"Jane, what have you done to Amy? Hand her over quickly!"

Seeing Andrew's pretentiously fierce appearance, Jane was full of sarcasm.

"Oh, what do you think I did to her? Besides, who told you that she's with me?"

"Who else but you, your father transferred all the company's shares to Amy's name, and now the whole company has become yours, who else can kidnap Amy except you." Rosaline couldn't sit still anymore and suddenly stood up and asked sharply.

H

Hearing this, Jane leaned back on her chair, in a careless manner.

Talking about shares, I'm curious. Why did my dad transfer all the shares to Amy's name? Isn't she the daughter you brought, and she wasn't my father's own offspring. Even if my dad is a fool, It's shouldn't be like giving all the money to a stepdaughter, or..."

"Is there something you're hiding?" Jane raised her eyebrows and looked at Rosaline, full of sarcasm.

The shares under her name now were forcedly transferred by Drake to her name. As for those shares that Amy possessed before, Jane already knew without thinking too much that Andrew must have been manipulated by this pair of mother and daughter.

As for how they got Andrew to transfer the shares obediently, Jane thought, probably it had something to do with that pharmaceutical factory connected to Amy.

She has always been interested in investigating that pharmaceutical factory, but has never had the opportunity to find a suitable person to do the job. However, after the recent incident, she reckoned that the pharmaceutical factory has something to do with those group of Assassins.

Jane's words made Rosaline face turned pale. The reason why they were able to handle Andrew was of course because of that medicine that Amy brought back.

However, this matter is a secret, and so Jane mustn't know it.

"Whoever your father wanted to give his shares is his own business, and it's none of your business." Rosaline said coldly.

"Besides, who said that Amy was a stepdaughter? she has always been your father's biological daughter, you just didn't know that." Rosaline looked at Jane triumphantly.

Jane was shocked when she heard it. If Amy is indeed Andrew's biological daughter, then it means that Andrew has been fooling around already when her mother was still alive.

This scumbag, Jane gave Andrew a hard look with her glinting cold eyes, but at this moment Andrew seemed a little dull, and he didn't even care that Jane has been throwing a dagger look at him.

"So, Amy deserves everything, you should release Amy." Rosaline looked at Jane viciously.

Thinking of what Andrew did to her mother from the very beginning, Jane's attitude towards Andrew became even more indifferent, and even turned hostile.

"You want to see her? I'll satisfy you!" Jane snorted coldly.

“Let’s go!” Jane got up and walked past the two of them. Rosaline glanced at Andrew and finally followed Jane.

Soon, the three of them arrived at the place where Drake imprisoned Amy. It was also Jane’s first time to come to this place. This was an old building that showed no sign of it, and the surroundings were utterly gloomy.

Only the courtyard where Amy was detained was specially guarded. The guards didn’t know Jane’s identity, but they knew the cold shadow beside her.

A few people walked into the courtyard easily. Jane asked about the room where Amy was in. The guard led them to a dilapidated room and opened the door.

As the iron door was opened, a pungent smell wafted out of the room, and Jane immediately took a few steps back.

Rosaline and Andrew weren’t so lucky. They were immediately slap by the wafting smell. Immediately, they couldn’t help but feel nauseous.

After running aside and vomiting for a while, Rosaline looked up at the situation inside the house and found that her daughter was locked in their.

At this moment, Amy was so embarrassed that she couldn’t see people clearly.

Amy was imprisoned for almost a week. She was dumped here since Drake discovered that the Jane in the hospital was a fake. At the beginning, she made a lot of noise and called for help, but the guards just took a dirty cloth and gagged her.

They didn’t give her food, and only let her go for a time being when she had no strength to resist anymore, and threw her a steamed bun or leftovers to live on.

As long as she yells, she will be gagged again. In order not to be gagged by the smelly and disgusting dirty cloth, she can only obediently keep silent.

This is why she didn’t dare to make a sound even though the door was opened. When she saw clearly that the person outside the door was her mother, she couldn’t control her emotions anymore.

“Mom...” Amy yelled, and jumped out from the corner, about to throw herself into Rosaline’s arms.

Rosaline looked at her dirty daughter with indescribable disgust. She always liked to be clean, although it wasn’t her own daughter’s fault to be brought her, still it was too dirty.

Before she could recover, Amy had already thrown herself into her arms, crying bitterly and started

saying,

“Mom, I knew you would come to save me, Mom... take me away quickly, I can’t stand it, it’s really terrible, I won’t dare to think of Jane again in the future, woo, I want go home.”

Looking at her distressed daughter, the disgust in Rosaline’s heart disappeared, only anger and distress remained.

“Amy, don’t be afraid, Mom will take you home right away.” Rosaline supported her daughter and was about to take her away.

But they were stop by Jane’s voice, that rang like a devil’s bell in their ears, “I’m afraid you can’t take her away.”

Chapter 346

Jane, what do you mean?” Rosaline looked at Jane viciously, wishing to tear the girl apart. It was because of this bitch that her daughter became like this.

“What did she do, you can ask her yourself.” Jane will not forget that she was sold far away, and, in order to escape she colluded with a certain fool, just to be trapped again.

In that vast sea, if she hadn’t been lucky enough to escape, she would probably would’ve died long

ago.

It wasn't easy for her to return to the side of her three cute babies. Of course, it was impossible for them to take Amy away. Letting them see her miserable state for a brief moment is already a mercy

to them.

After all, Amy did all of this by herself, so of course she will pardon some mercy to this two old

people.

Hearing Jane's words, Amy trembled like a leaf falling down from the tree, she immediately knelt

down in front of Jane.

I'll

"Sister... I was wrong, I was wrong, I will never dare do it again, please let me go, I'll really never dare

again.

"Everything was planned by Annie, and everything was ordered by her to me. It was none of my business. Please let me go. I will never appear in front of you again."

Amy was really terrified of being tortured. Drake's methods have always been ruthless. Annie, who once provoked Jane was lucky enough because of his previous affection, so he didn't attack her ruthlessly.

But Amy was different. To Drake, she is just another who wants to harm his wife, and of course he will not show any mercy.
