Chapter 151 Return of the King

With enthusiastic applause, Jim stood up with a warm smile. "Thank you, thank you for your support!"

He waved his hand, indicating for everyone to calm down. Then Jim cleared his throat and said in a deep voice. "We are grieved to hear the misfortune of Murray, But now we have more important things to do

"My godfather made painstaking efforts to found the Gibson Corporation Now that he is seriously ill and Murray is missing, we have to protect the Gibson Corporation with your trust, I will take responsibility

"Mr. Corbin, are you authorized by Mr. Marc to be the next president of the Gibson Corporation? one of the reporters asked

After all, the Gibson Corporation was founded by Marc. As the chairman, he could decide who would be the CEO.

Without Marc's permission, Jim's action was unjustified

Jim smiled and said, "Of course, this is what my godfather wants."

"Then why didn't Mr. Marc attend the press conference today?" the reporter asked again

Jim's eyes flickered. "Because of Murray's accident, he had a heart attack and is in danger, so he can't come He has entrusted me with full authority to handle the affairs of the Gibson Corporation."

Looking at Jim, who was proudly talking on the stage, Melissa smiled sarcastically

It seemed that Jim couldn't wait to see Murray die Unfortunately, he would be disappointed,

Melissa lowered her eyes to look at her phone. There was no news from Murray

She was worried that Murray might have difficulty rescuing Marc.

Jim was still making a long speech. Melissa took off her sunglasses and winked at Alex.

Alex nodded in understanding. He strode up the stage and looked coldly at Jim. "Jim cannot be president of

the Gibson Corporation!"

His sudden opposition caused everyone to look at Alex.

As everyone knew, Alex was Murray's right-hand man.

"Mr. Carson, what do you mean?" a reporter immediately asked,

"The literal meaning," said Alex.

Seeing this, Jim's expression changed.

He wondered why Alex suddenly changed his mind.

"Mr. Marc is just missing. We still have hope of finding him. Why are you in a hurry to replace him, Mr. Corbin?" Alex looked at Jim coldly,

Jim forced himself to keep a smile. He walked up to Alex and patted him on the shoulder. "I know you are

worried about Murray, and so am

I treated Murray as my son.

"But now, we have to face reality.

We have tried our best to search and rescue Murray, but all in vain it is still unknown whether he is alive or dead."

"Then Mr. Gibson might be alive. Jim, why are you so impatient?" Alex sneered.

Jim frowned and winked at the security guard beside him.

The security guard immediately understood and walked forward, "Mr. Carson, please leave!"

Alex ignored him and looked coldly at Jim. "Why? Are you feeling guilty?"

"What are you talking about?" Jim frowned.

Alex raised his voice, "If you were authorized to take over the Gibson Corporation, why would you threaten and bribe me?"

As Alex spoke, he took out a check from his pocket and waved it in front of everyone "Your autograph is on

There was no news from Murray All Alex had to do was stall for time.

The crowd began to whisper.

"There seems to be something behind this!"

"Does Jim really have Mr. Marc's authorization? If he does, why did Alex say that Jim bought him?"

Alex, don't be so unreasonable!" Jim's cold eyes flashed. He couldn't let Alex destroy his plan

"You don't know whether I'm being unreasonable or not. Jim, you should stop right now!" Alex said

Jim waved his hand and said to the security guard beside him, "What are you waiting for? Get him out of

here!

The two security guards looked at each other and pulled Alex

Jim cleared his throat and said, "Everyone, let's continue with the press conference From now on, I will be the

executive president of the Gibson Corporation!"

"Jim, I'm afraid you are going to be disappointed!" a cold voice came from the door of the hall.

It was *Murray*

Melissa was finally relieved.

Murray arrived. He must have saved Mr. Marc.

"Mr. Gibson!"

"Mr. Gibson is fine! He's back!"

Chapter 151 Return of the King

Murray's appearance caused a stir. Everyone looked at the dazzling man at the gate in shock.

Under the lights in the conference hall, Murray seemed to be covered in golden light. He walked firmly and steadily towards the platform in front of him.

He looked at Melissa, who was sitting in the corner, and smiled faintly.

Melissa made an OK gesture to him.

"Murray... You, are you alright?" Jim looked at Murray in disbelief. His expression changed.

He was shocked that Murray didn't die.

Jim thought Murray should have died in the crash because no rescuer could find him.

However, not only was Murray alive, but he had also appeared at the press conference.

Jim never expected Murray to appear unscathed.

He had been planning for so long and was about to succeed. He couldn't accept failure.

Murray glanced at Jim coldly and asked, "What? You don't want to see me?"

"How could that be? Murray, I'm so happy that you came back." Jim suppressed his anger and patted Murray on the shoulder hypocritically. "I sent a lot of people to find you when you were missing. Now that you are fine, I am relieved."

"Then, the press conference is canceled!" Murray looked around and said indifferently.

Chapter 152 I Won't Break the Engagement

"Since the press conference has been held, there is no reason to cancel it," Jim said with unwillingness

He was just one step away from success, but Murray came back

No matter what, he couldn't let everything go down the drain

"Murray, during the time you were gone, I took over the Gibson Corporation. This is also what your grandfather wanted." Jim said,

"Really? Is this really my grandfather's idea?" Murray's face darkened and he let out a cold snort.

Jim, in order to seize power, you secretly drugged my grandpa, causing him to have a heart attack. Then, you placed him under house arrest. I know everything."

Murray's words caused an uproar in the crowd.

People whispered to each other.

"Is Mr. Marc under house arrest?"

"Isn't he having a heart attack?"

"Did Jim really do that? Mr. Marc is his godfather."

"So what? Even father and son may turn against each other."

When Jim heard this, his face darkened. He glared at Murray. "Murray, don't talk nonsense!"

Jim wondered how Murray knew so many things.

Murray had been missing for so many days

Murray even knew that Jim had put Marc under house arrest.

Jim clenched his fist. He panicked.

Seeing this, Murray revealed a mocking smile "I'm talking nonsense? Then grandpa will tell you whether I'm Talking nonsense or not."

Murray came to the press conference after rescuing Marc.

His subordinates and Marc should be arriving soon.

Murray had just finished speaking when the crowd burst into an uproar once again, "Mr. Marc! It's Mr. Marc!"

At the entrance of the conference hall, two bodyguards dressed in black were supporting Marc as he walked unsteadily towards the hall

"Grandpa." Murray strode over to the gate. Chapter 152 : Won't Break the Engagement

Melissa also stood up at the same time and looked at Murray with a smile

The two looked at each other and smiled. They walked to the door and helped Marc up from the left and right respectively. "Grandpa, are you alright?"

Marc looked a little tired and forced a smile. "I'm fine."

Melissa and Murray supported Marc as they walked towards the center of the stage

"Godfather, aren't you..." The moment Jim saw Marc, Jim's expression changed.

In his plan, Marc should be unconscious in the hospital.

However, Marc suddenly appeared at the press conference.

Jim knew that he failed.

"Godfather, why are you here?" Jim forced himself to calm down.

"Of course you don't want me to be here." Marc snorted.

"How could that be? It's a great thing that you are fine," Jim said hypocritically.

*Jim, in order to steal the Gibson Corporation, you drugged me and put me under house arrest. Unfortunately, you failed!" Marc looked at Jim coldly.

"No, I didn't." Jim took a step back, his forehead covered in a cold sweat.

"You know it yourself." Marc walked up to the platform and cleared his throat, "The press conference today is canceled. The executive president of the Gibson Corporation is still Murray

"Jim is removed from the position of vice president of the Gibson Corporation. He will no longer hold any position in the Gibson Corporation. That's it."

Marc didn't humiliate Jim in public,

After all, Jim was the adopted son Marc raised, but Marc did not expect that Jim would harm him.

Marc was sad but furious,

However, he only *drove* Jim out of the Gibson Corporation.

The press conference ended hastily. The reporters surrounded Marc to interview him.

"Mr. Marc, how did Jim put you under house arrest?"

"He's your adopted son. Why did Jim do this?"

"Mr. Marc, will you break away from the father-son relationship with Jim?"

Marc frowned. "I'm sorry. Mr. Marc won't be interviewed today." Alex said as he stopped the interviewers.

Murray and Melissa supported Marc and walked out of the meeting hall.

Just as they walked out of the door, a tall and straight man walked *toward* Melissa anxiously

Melissa raised her eyes. It was Jaylin.

"Melissa, it's great that you're here!" Jaylin's eyes lit up the moment he saw Melissa. He strode towards Melissa

Melissa was surprised and asked, "Jaylin, why *are* you here?"

Jaylin walked to Melissa and held her hand "Melissa, *you've* been missing for so many days I *was* worried

about you and have been looking for you all this time I saw you at the press conference and immediately

came over. Fortunately, you're fine."

In front of so many people, Jaylin revealed his true feelings, but Melissa was a little embarrassed.

"I'm fine. You don't have to *worry*," she said with a faint smile as she withdrew her hand,

"Melissa...Jaylin still wanted to say *something* but was interrupted by a cold voice,

“Jaylin, *are you free?* It’s none of your business. Go back to your Star Entertainment,” Murray said, his face darkening

Jaylin also put on a *long* face. “Star Entertainment is not mine. It is...”

Melissa *frowned*.

She didn’t want to be *exposed*.

Melissa *hurriedly* interrupted Jaylin, “Jaylin, last time my friend asked you for an autographed photo You

haven’t given it to me *yet*.”

Jaylin looked at *Melissa* deeply, “*Come with me* to Star Entertainment.”

Melissa *nodded and* turned to look at *Murray*, “*Murray*. you can take Marc back to rest first. I have something

to talk about with *Jaylin*.”

Murray’s face *darkened*. He *wondered why* *Melissa* would ask Jaylin for his autographed photo.

Melissa ignored *Murray* and pulled Jaylin away.

There were some things that she had to *clarify* with Jaylin.

Under the cold gaze of *Murray*, *Melissa* and Jaylin walked out of the Gibson Corporation

“*Melissa*, haven’t you broken off the engagement with *Murray*?” Jaylin asked immediately.

Melissa shook her head, “I won’t break the engagement.”

Chapter 153 You Won’t Consider Me

Why?" Jaylin's eyes darkened and he asked eagerly. 'Aren't you and Murray in agreement?

Didn't you say that you didn't like him and would soon break off the engagement? Did he coerce you?

Seeing Jaylin being so agitated, Melissa shook her head helplessly "What? Who do you think can coerce me?"

"Then why did you..." Jaylin looked hurt and melancholy

Indeed, according to Melissa's personality, no one could force her, not even Murray

Then what was the reason for Melissa to accept Murray?

Melissa pursed her lips and answered Jaylin, "I fell in love with Murray, so I accepted him"

"No, that's impossible!" Jaylin's face was full of shock and disbelief

Melissa had said that the engagement between Murray and her was arranged by their grandfathers and that

she didn't like Murray at all. How could she fall in love with Murray?

"During my time in France, I got to know Murray." Melissa explained. "Especially after we fell into the sea, Murray saved me regardless of his own safety. I believe he is worthy of my love."

"Melissa, this is not love."

Jaylin grasped Melissa's shoulder with both hands. "You are moved by Murray. But that's not love, I can do the same as Murray has done for you. Why can't you choose me?"

"Jaylin, don't be like this." Melissa gently pushed Jaylin away. "We are not compatible."

"Melissa, don't you know that Murray loves Lily?"

Lily...

Melissa's heart sank inexplicably.

She said with a frown, "To Murray, Lily is gone. Now Murray loves me."

“Melissa, don’t deceive yourself. Are you *sure*? Are you sure Murray will not choose Lily if she shows up someday?”

Jaylin’s words made Melissa feel very uncomfortable.

Melissa had also thought that Lily might still be alive and might appear one day.

However, Melissa had thought it through before she decided to be with Murray.

Melissa would make Murray completely fall in love with her, so that he wouldn’t think of anyone else,

including Lily.

Thinking of this, Melissa nodded firmly. “Yes, I am sure.”

“I hope you won’t regret it.” Jaylin said faintly

In the distance, Adela and Julie walked toward the Gibson Corporation

During the days when Murray was missing. Adela was heartbroken, worried that something had happened to Murray

Fortunately. Murray was alive He was safe and sound.

The news conference of the Gibson Corporation had already spread online from the news, Adela knew that

Murray had returned and she immediately rushed to the Gibson Corporation with Julie

They were surprised to see Melissa and Jaylin talking and pulling each other in front of the Gibson Corporation

“Julie, what are they doing?” Adela stopped and looked at Julie beside her

Julie’s face was already grim, and she angrily said, “That bitch must be seducing Jaylin shamelessly

Julie wanted to rush over and separate Melissa and Jaylin, but she was stopped by Adela

“What are you doing?”

Adela hoped that Melissa and Jaylin would be together. It would be best if Melissa could take the initiative to break up with Murray

Even if *Melissa* wouldn't, *Murray* wouldn't stand it if *Melissa* dated two men at the same time.

Julie glared hatefully at *Melissa* and helplessly watched *Melissa* get into *Jaylin's* car.

"What? Are you still thinking of Mr. Segar?" Seeing *Julie's* infatuated and indignant appearance, *Adela* raised the corners of her lips. If you want to be with *Jaylin*, just get rid of *Melissa*

"*Adela*, you *are* right." *Julie* nodded. She scolded *Melissa* inwardly

At that moment, a tall and handsome figure walked out of the Gibson Corporation

"*Murray!*" *Adela* greeted him excitedly

At the sight of the man she had been longing for, *Adela* could not hide the admiration in her eyes

"*Adela?*" *Murray* frowned.

"*Murray*, you are back. It's good that you are fine." *Adela* looked sincere, her eyes slightly red. "I have been thinking about you these days. I was worried that something had happened to you. It's so great to see you

again."

The look in *Murray's* eyes was cold, and he replied politely, "I'm fine. Thank you for your concern."

"Well, *Murray*, is everything okay between you and *Melissa*?" *Adela* sounded casual. "I saw *Melissa* and *Jaylin* hugging each other just now. *Melissa* got into *Jaylin's* car and they left together."

Murray thought. They are hugging?

Charter 152 You Want Center Me

And she got into *Jaylin's* car?

What does *Melissa* want? She just agreed to be with me. But a minute later, she threw herself on *Jaylin*?

The look on *Murray's* face became colder and colder.

Adela continued to juice up. “The two of them seem to be in a relationship. Murray, did you break up with Melissa? You and Melissa were in agreement anyway. It’s okay for Melissa to be with Jaylin.”

“Adela, I’ll say it again. I don’t want to hear any gossip about Melissa,” Murray glanced at Adela coldly and spoke in a calm voice.

Although Murray was angry, he wouldn’t allow anyone to gossip about Melissa and judge her.

“Murray, why are you so nice to Melissa? She is not worth it at all,” Adela said unwillingly,

“That doesn’t concern you.” Murray sounded so cold that it made people shudder.

Then Murray turned around and walked past Adela.

Murray’s indifference made Adela feel extremely wronged. “Murray, you will regret it one day!”

Melissa was in Jaylin’s car. Jaylin gripped the steering wheel tightly with both hands. Neither of them spoke

The atmosphere was somewhat awkward.

Although Melissa was busy dealing with the Gibson Corporation affairs these days, she also paid attention to Star Entertainment.

Jaylin had transferred a lot of businesses back to the country and invested in several potential movies,

causing a great roar in the entertainment circle.

“You did a good job,” Melissa praised sincerely.

Jaylin was very talented in this industry. Otherwise, Melissa would not have invested in Star Entertainment.

“No matter how good I am, you won’t consider me,” Jaylin said with a bitter smile.

Chapter 155

Chapter 155 Melissa, Let's Get Married

Murray's passionate kiss made Melissa's face burn,

Melissa could feel his breath. His warm lips were pressed against Melissa's lips. They were so close to each

other that Melissa was a little flustered

It got hotter in the living room..

Melissa was gradually in the zone,

Suddenly, she heard Murray's low and hoarse voice. "Melissa, let's get married."

What?

"What do you mean by that?" Melissa became sober instantly

Murray became serious and wore a faint smile. Then he said with affection, "Melissa, marry me!"

Melissa was shocked

It was true that she had agreed with Murray, but she had never thought of getting married so early.

After all, they had only known each other for more than a month. Though they had gone through challenging times together, it seemed fast for them to get married

Moreover, Melissa had a lot of things to do. How could she get married so early?

"Murray, you are drunk Don't talk nonsense." Melissa put her hands on Murray's mouth and didn't want him to

continue

Murray chuckled.

The next day, when Melissa woke up, Murray prepared a big breakfast for her

"Do you like it?" Murray pulled out the chair for Melissa and wanted her to sit down

Melissa looked down at the delicious breakfast in front of her and felt warm. "Did you make all of this?"

"Yes." Murray replied, "If you like it, I'll make it for you every day."

Murray was elegant and noble. Melissa looked up at him and her heart skipped a beat.

Murray used to be overbearing. Melissa didn't expect him to be so gentle.

If she did marry him, she would be very happy in the future, right?

*What are you thinking about?" Murray noticed that Melissa was in a daze and waved his hand in front of her.

Melissa came back to her senses. "Well, nothing. I was wondering which one I should try first."

*Try the fried eggs, your favorite." Murray placed a fried egg on Melissa's plate. He glanced at her and said, "Would you consider my proposal from last night?"

"Were you proposing to me?" Melissa stopped eating

"That's right." Murray raised his eyebrows.

"Seriously? It wasn't romantic at all." Melissa was a little speechless. Besides, we just met. It's too soon to get married."

Not romantic...

Murray got the point.

It seemed to be a bit casual, but he did not have any experience.

Murray did not mention this topic again, and Melissa was relieved.

That day, Murray was thinking about how to be romantic. He was even absent-minded in a meeting with the company executives.

"Mr. Gibson, have you got something on your mind?" Alex asked as he followed Murray to the office after the

meeting was over.

Murray sat down, crossed his legs casually, and asked coldly, "Do all women want romance?"

Alex was stunned. He thought that Murray was worried about Marc's condition, but he did not expect Murray

to ask such a question.

"I think so." Alex nodded.

Murray pursed his lips and glanced at Alex indifferently. "How can a proposal be considered romantic?"

A proposal?

Alex was shocked, and then he got it.

Alex realized that Murray wanted to propose to Melissa.

However, Alex didn't know how to make it romantic.

"Mr. Gibson, I'm single ... I'm not good at this kind of stuff." Alex wailed.

"Alright, you can go now." Murray loosened his tie impatiently.

It seemed that he had to do it himself.

Two days later.

Melissa had been busy the entire day and was about to get off work when she suddenly received a call from Murray

"Are you done? Let's go home together." Murray's voice sounded.

"Okay." Melissa agreed.

Melissa hung up the phone and went to the underground garage. Then she saw Murray leaning against his

car. He put his hands in his pockets. He was tall and very handsome.

"Melissa." When Murray saw Melissa, he stood up straight and strode to her.

"Let's go." Melissa smiled.

On the way, Melissa discovered that Murray was not heading back to Moonlight Mansion

Melissa asked in surprise, 'Aren't we going home?'

Murray held the steering wheel tightly and smiled. "I'm taking you to a place."

Melissa was puzzled. "Where are we going?"

Murray tilted his head and looked at her affectionately. "You'll know later."

Well, it was a little mysterious

Melissa didn't ask any further questions. Anyway, she would know what Murray was up to later.

After about half an hour, Murray stopped the car. "Here we are."

Melissa looked forward and found that Murray brought her to the seaside

The sea was smooth and still at that moment. In front of the sparkling sea, Melissa felt the cool breeze and became refreshed.

Well, why did they come to the seaside?

Melissa frowned. Murray, why did you bring me here?"

"This is my cruise ship." Murray pointed to a luxurious cruise ship parked by the sea and wore a smile.

Melissa was lost for words. Did Murray want to take her to sail in the middle of the night?

To be honest, since she fell into the sea, Melissa disliked the sea.

Before Melissa said anything. Murray held her hand and took her onto the cruise ship.

"Come with me. I've got someone to prepare a candlelight dinner." Murray led Melissa to the dining area,

Then Melissa found that on the wall of the restaurant, there were paper cranes of various colors.

"Why are there so many paper cranes here?" Melissa looked at them hanging on the wall and asked in confusion.

Murray took Melissa to the dining table and sat down.

On the table was a pair of paper cranes.

Murray handed the red one to Melissa and looked at her gently. "It is for you. Do you like it?"

"Don't tell me that you made it." Melissa took the paper crane confusedly and looked down.

On the pair of wings of the paper crane were a few words. It read "Melissa, marry me!"

Melissa recognized it was Murray's handwriting.

What does Murray want to do?

"I made it." Murray raised his eyebrows and glanced at Melissa who was surprised, "I made every paper crane myself. Do you like it?"

Melissa liked it a lot, but...

Melissa frowned and looked at Murray helplessly. "Murray, why are you doing this?"

Murray rubbed her between the eyes and said with a wronged expression, "Didn't you say you wanted it to be romantic?"

Melissa thought, Romantic... Fine, I just blurted that out. Did you take it seriously?"

Melissa felt a little helpless. "It's corny."

"Corny?" Murray said with a smile, "It doesn't matter if you don't like the paper cranes. I've got something else."

"Something else?" Melissa was surprised. What was Murray up to?"

Murray stood up. He strode over to Melissa and held her hand, "Come with me."

He brought Melissa to the window and pointed outside. "Look over there."

"Well?" Melissa followed Murray's instructions and looked out the window. It was dark outside.

*There's nothing..."

Before Melissa finished speaking, thousands of candles lit up on the beach. They formed the shape of two stars being shot by Cupid's Arrow.

The candlelight swayed in the wind. It looked very beautiful.

Suddenly, the candle dimmed and lit up again. This time, there were three words. It read "Melissa, marry me!"

Melissa stared blankly at the beach. Murray put his arms around her waist and said, "Isn't it a little more

romantic?"

Melissa recovered from the shock and said, "This is much cornier..."

"Well, wait a moment. And..." Murray reached out and pointed to the sky again.

“Alright, stop.” *Melissa* quickly grabbed his hand.

After that, spectacular fireworks were set off in the night sky, almost lighting up the sea.

At the same time, *Murray* took out a red heart-shaped ring box from his pocket. He knelt on one knee and looked up at *Melissa* affectionately. “*Melissa*, this is for you.”

Melissa almost fell for that.

“Alright, get up first.” *Melissa* pursed her lips and pulled *Murray* up.

Murray was so arrogant, but he racked his brains to do so many romantic things. It was probably that he was indeed sincere

Melissa was very moved and happy as he doted on her like that.

Melissa thought it was so sweet

However, she couldn't accept getting married so early

She thought for a moment and said seriously, “*Murray*, I'm satisfied with your proposal But I don't want to get married so early

“Why?” *Murray* frowned slightly is it not romantic enough?

Melissa pursed her lips “it has nothing to do with *romance*. After all, we have only known each other for just over a month, and we don't know each other well enough. We need more time to get along

in *Melissa's* view, if they *were* in love, they *needed* more time to know each other. When the time came, they

would naturally get married

At present, they just labeled this relationship and *Melissa* did not want to talk about marriage so soon.

“19” *Murray* lowered his head and whispered, “If you don't want to get married early, I won't force you, but at least we can get engaged first.”

His *warm* breath blew all over her neck, and *Melissa's* face grew hot

Murray grabbed *Melissa's* hand before she could say anything

Melissa felt something in her hand. She looked *down* and saw Murray putting a beautiful ring on her finger.

“What are you doing?” Melissa looked at the ring in shock.

The *ring* shone brightly amid the light, and the sparkling huge diamond almost dazzled Melissa

*This is a family heirloom Grandpa asked *me* to give it to my wife Now, I will give it to you.”

Murray *smiled* and looked at Melissa gently. He reached out and pulled her into his arms

Melissa leaned against Murray’s chest, and her heart beat a little faster,

After thinking for *a while*, she nodded and said, “As you said, let’s get engaged first.”

Actually, Enoch and Marc already *agreed* about Melissa and Murray’s engagement.

However, that was a *verbal agreement* Melissa and Murray did not know each other at that time.

Now, Melissa and Murray themselves wanted to get engaged

Melissa nodded, and Murray *became* excited. “Melissa, I’m willing to wait until you are ready to marry *me*.”

“Well, take your time” Melissa blushed,

*Don’t make me wait too long ” Murray chuckled and lowered his head to kiss her.

The next day was Sunday. Murray took Melissa back to the Gibson’s house to see Marc.

“Mr. Murray, Ms. Eugen.” Jose opened the door and *greeted* Murray and Melissa respectfully

– “Where is my grandfather?” Murray asked.

“Mr. Marc is in the study room.” Jose took them to the study and knocked on the door. “Mr. Marc, Mr. Murray and Ms. Eugen are here.”

“Come in.” Marc’s voice came out from the study

Murray pushed open the door and entered. He saw Marc drawing there. Murray walked forward and said, "Grandpa."

"Murray, Meli, there you are." Marc put down the pen in his hand

"Mr. Marc, how's it going?" Melissa asked with concern, given that Marc looked much better.

"Don't call me Mr. Marc." Marc smiled and stared at Melissa "Now you should call me grandpa like Murray, right?"

Well, grandpa..

Melissa looked at Murray beside her. He raised his eyebrows and said, "Grandpa is right."

Marc looked at Melissa with expectation. Then she said, "Grandpa,"

"Great!" Marc stroked his beard and asked, "Murray, when will you get married?"

Melissa wondered, Get married...

Well, it seems that the Gibson family is impatient when it comes to marriage.

"Grandpa, we don't want to get married so early," Melissa said hurriedly.

"What?"

Marc frowned and wanted to say something, but Murray interrupted him, "Grandpa, Melissa and I will get engaged first."

"Engagement? That's fine. Jose, bring me the almanac," Marc said with a hearty laugh.

With his reading glasses, Marc studied the almanac carefully for a few minutes. Then, he looked up at Murray and Melissa. "The 18th of this month is an auspicious day. It's good for you to hold a wedding on this day."

"Isn't it too rushed?" Melissa was uneasy. Today was the tenth. There were only eight days left. She felt

rushed.

Melissa didn't even have enough time to design a dress for herself.

Murray's eyes turned and fell on Melissa. He reached out to hold her and said in a clear voice. "No *You* don't have to prepare anything. I will give you a grand engagement ceremony. You just have to be a beautiful bride."

"Then it's a deal." Marc nodded in satisfaction as his grandson and Melissa loved each other.

Melissa was a little speechless.

She hadn't agreed

The Gibson family was overbearing

"Grandfather, I will keep an eye on Jim Murray suddenly remembered something Alex has found the captain. After the captain fell from the plane, he was rescued by a foreign ship

Unfortunately, he was injured when he fell, and his memory of the crash was blank

"I see. Get the best doctor to treat him." Marc frowned

"I have already arranged it Grandfather, Jim put you under house arrest and did something to my plane to hurt me Even my father's death ... is related to him."

Marc narrowed his eyes as a complicated look flashed across his face. "Before getting evidence, don't alert the enemy I don't want it to be Jim."

After all, Jim was Marc's adopted son. Moreover, Jim's father was kind to Marc and even sacrificed himself to

save Marc

Marc adopted Jim,

Marc did not want to believe that Jim was the one with evil ambitions.

“I understand, grandpa,” Murray replied indifferently

The news that Murray and Melissa were about to get engaged spread like wildfire, and it became a trending

topic, causing a sensation throughout the Internet

The comments below reached an unprecedented level. Many expressed their blessings.

“Mr. Gibson and Ms. Eugen are finally getting engaged

Chapitre 157 The Engagement Ceremony

They are a great match Best wishes

“Mr Gibson is getting engaged. I’m so jealous. I was just joking. Congratulations, Mr. Gibson and Ms. Eugen!”

But a lot of netizens smeared Melissa

“Melissa is a bumpkin She isn’t worthy of Mr. Gibson”

“Melissa is a slut. She is two–timing Mr. Gibson. don’t be fooled.”

In the president’s office of the Gibson Corporation...

Murray sat on a chair, his slender fingers brushing the screen of his mobile phone. He saw the comments that discredited Melissa and frowned

He called for Alex and said in a deep voice. “Delete all the negative news.

“Yes, Mr. Gibson, Alex replied respectfully

The lights of Charm Bar were flickering. It was lively

In the dressing room, a young girl in a white dress looked down expressionlessly at the large photo of Murray

and Melissa on her phone.

“Angel, why haven’t you put on makeup yet? There’s just half an hour before the performance.” Angel’s companion, Alice, reminded Angel when she saw Angel staring at the phone screen.

In the bar, all the singers used stage names

Angele was the same. Her real name was Ryleigh Sofia.

“Got it” Ryleigh looked up at Alice indifferently.

“What are you looking at?” Alice leaned over curiously.

When Alice saw the news that Murray and Melissa were about to hold an engagement ceremony. Alice said

with envious eyes. “Andrevi, are you also paying attention to Murray and Melissa? I heard that they are about to get engaged.”

“So what?” Ryleigh snorted.

Alice said with envy, “Melissa will marry such an outstanding man like Murray. She is the happiest woman in

the world!

A cold light flashed in Ryleigh’s eyes. “She won’t be soon.”

“What did you say?” Alice asked in surprise.

“You’ll know when the time comes,” Ryleigh said coldly,

In the blink of an eye, it was the 18th, the day of Melissa and Murray’s engagement ceremony

Murray got up early in the morning and knocked on the door of Melissa’s room. “Melissa, are you up?” Chapter 157 The Engagement Ceremony

“Yes You’re so early” Melissa opened the door

“Today is a very special day Have you forgotten?” Murray smiled gently and said meaningfully.

“I know. But it’s too early now.” Melissa rubbed her hair

Melissa had sleepy eyes, and her long hair was floating on her shoulders, giving her a sense of laziness.

Murray’s eyes turned burning. He could not help but reach out to hold Melissa’s slender waist and took her

into his arms

Before Melissa figured out what was happening, Murray kissed her passionately

“Alright” Melissa pushed away Murray who was holding her tightly she thought for a moment and said, “I won’t go to the company today. I’ll rest at home in the morning and go to do hair and makeup with Nina in the afternoon

“I will go with you.” Murray pulled Melissa into his arms again and pecked her forehead

Murray was so clingy...

Melissa’s body couldn’t help but tremble She gently pushed Murray away. “No need. I have got Nina. Don’t you have any thing to do at your company?”

“But I want to be with you.” Murray pursed his lips.

On such a special and grand day, Murray did not want to be separated from his beloved fiancée

“I have an idea. I’ll make a phone call to you when I’m done. You can pick me up then. Now go to the company,” Melissa thought for a moment and said,

Melissa knew that Murray was a workaholic. What Jim did more or less have an influence on the Gibson

Corporation, and Murray needed to put in more effort now.

Seeing that Melissa insisted, Murray quickly kissed her on the cheek, and said in a low and hoarse voice, “Alright, I’ll listen to my wife.”

“Who is your wife? How shameless.” Hearing this form of address, Melissa blushed.

Seeing that Melissa went red as a beet, Murray smiled happily.

“Then I will go to the company first. Remember to call me in the afternoon. I will pick you up.” Murray

instructed

Tonight, Murray would make his beloved woman the happiest one in the world and make everyone envious of

her.

Chapter 158 I'm Lily

Thinking of tonight's engagement and the surprise he prepared for Melissa tonight, Murray revealed a faint

smile.

Murray gripped the steering wheel tightly and drove towards the Gibson Corporation

Suddenly, a woman in a white dress ran over in a panic. She turned around and rushed out on the road toward Murray's car.

Murray's face sank, and he hurriedly stepped on the brakes.

Creak...

It was the sound of car tires rubbing against the ground,

Even though Murray quickly stepped on the brake, he hit the woman

Murray opened the car door and got out with a frown. He looked down at the pale woman on the ground

This woman seemed to be a little familiar.

Murray rubbed his eyebrows and remembered that this seemed to be a singer of Charm Bar,

Murray once heard her sing at the bar

It was unknown why she suddenly rushed out of the road and crashed into Murray's car.

Fortunately, it seemed that she was not seriously hit

"Are you alright?" Murray asked indifferently.

Ryleigh grabbed Murray's foot and looked behind her in panic. "Sir, save me!"

Murray frowned and pulled his foot away. Just as he was about to speak, two tall and strong men suddenly

walked toward Ryleigh.

One bearded man pulled Ryleigh up from the ground and said fiercely, "Bitch, you still want to run?"

With a hiss, the collar of Ryleigh's dress was torn by the bearded man, revealing her shoulder.

From the corner of his eyes, Murray suddenly saw a plum-blossom-shaped birthmark on Ryleigh's fair shoulder.

Murray narrowed his eyes.

This birthmark was... so familiar.

In the depths of Murray's memories, the little girl also had such a birthmark on her shoulder

"Lily?" Murray stared at the plum blossom birthmark in disbelief.

Ryleigh was stunned. She grabbed Murray's arm and stared at his handsome face. Her beautiful eyes were glistening with tears. Her tone was excited. "You are ... Ray?" Chapter 158 in Lily

Ray...

What a familiar name!

That was what Lily called Murray back then!

Was the fragile and pitiful girl Lily?

Those sealed memories were like the tide of a dam, surging over

Murray's mind was a little chaotic.

"Bitch, it's your good fortune that Mr. Cousy likes you. Many women want to line up and get into his bed, You're lucky! Come with me! The bearded man pulled Ryleigh and slapped her.

Ryleigh covered her face with her hands and trembled. She looked at Murray with pleading eyes. "Ray, save me! Please save me!"

Ryleigh's words rang in Murray's ears.

Back then, when Lily fell off the cliff, she shouted, "Ray, save me! Please save me!"

Murray no longer hesitated. His cold eyes swept over the two men, "What do you want to do?"

Murray's powerful aura frightened the fierce man. "She owes our boss money. She should pay the debt..."

Murray immediately took out a check, filled up the number, and threw it to the bearded man.

Murray then coldly said, "Scram!"

When the bearded man saw the number on the check, his eyes lit up and he hurriedly picked up the check *from* the ground

"Ray, thank you." Ryleigh held Murray's hand and looked at him with a mixture of all kinds of complicated feelings, such as excitement, happiness, shock...

It seemed that Ryleigh had a lot to say, but she did not know how to start.

"Are you Lily?" Murray narrowed his eyes when he felt the cold temperature of Ryleigh's fingertips.

"Yes, I'm Lily." Ryleigh nodded without hesitation

She was Lily

She was really Lily.

A gust of cold wind blew on Ryleigh's body. Her thin dress had been torn apart by the two men. She was skinny as if she would fall at any time.

Murray cleared his throat. He had too many questions, but he did not know where to start,

Where exactly had Lily been to in these years? Why couldn't Murray find her?

"Ray, I finally found you..." Seeing Murray sizing her up with a scrutinizing gaze, Ryleigh said in a trembling

voice. Then she swayed her body and fell into Murray's arms

"Lily? Lily? What's wrong?" Murray reached out to hold her subconsciously

Ryleigh in Murray's arms had a pale face and her brows were tightly furrowed. She fainted

In Red Boutique ..

As soon as Melissa and Nina arrived, the store manager welcomed them warmly. "Ms. Eugen, your dress and stylist are ready. Mr. Gibson personally selected them for you."

"Thank you." Melissa smiled politely and took the dress

Murray had good taste. Even Nina praised him. This dress is comparable to our company's. It seems that

your husband cares about you."

"What husband? Don't talk nonsense." Melissa pretended to be angry as she glared at Nina before following the stylist inside

Nina smiled as she looked at her boss, who pouted prettily

Only an outstanding man like Murray could match Melissa

An hour later, after finishing the styling, Melissa walked out. Nina widened her eyes in shock

Nina knew that her boss was beautiful, but she didn't expect Melissa to be so gorgeous.

Melissa's elegant and slightly curly hair fell to her shoulders. She was dressed in a bright red dress, which outlined her graceful figure. She was noble and elegant.

"Melissa, you are beautiful!" Looking at the beautiful and noble Melissa in front of her, Nina exclaimed from the bottom of her heart. "Tonight, you will be the most dazzling bride!"

The praise gave Melissa an uncomfortable feeling. She looked down at her watch. "It seems to be late.*

"Well, you can't wait to see your husband, right?" Nina teased,

"I'll call him." Melissa picked up her phone and dialed Murray's number.

But Murray's phone was turned off. Melissa bit her lip and shook her head,

Seeing that there was something wrong with Melissa's face, Nina stopped smiling and asked with concern, "What's wrong, Melissa?"

"I can't get through to Murray." Melissa frowned and replied.

"What? Is he busy now?" Nina asked in surprise

"His phone is off." Darkness gathered in Melissa's eyes What is Murray doing?

Murray had promised that he would come to pick her up but now she couldn't even contact him. What happened?

"Maybe it's out of battery." Nina comforted

"Let's wait for him here for a while. He will come over when he's done." Melissa nodded,

They sat down on the sofa Melissa stared at the door.

"Melissa, don't worry. Maybe he wants to give you a surprise and he will suddenly show up."

Seeing Melissa's disappointed look, Nina patted her shoulder

"OK" Melissa said saintly, looking a little absent-minded.

Somehow, she felt uneasy as if something terrible was about to happen

Melissa thought for a while and called Alex

"Hello, Ms. Eugen." Alex's voice came from the other end of the phone

Melissa pursed her lips and asked, "Is Murray in the company now?"

"No Mr. Gibson did not come to the office today. Is he not with you?" Alex asked in surprise

“What? He didn’t go to work?” Melissa’s heart sank. “Are you sure?” She asked in worry.

“Yes,” Alex said firmly and nodded.

In fact, Murray had an appointment with a client today, but Alex didn’t see Murray come to the company. Alex

called Murray but Murray’s phone was off.

Alex had thought that today was a very important day because Murray would get engaged today, so Murray would accompany Melissa. Murray turned off his phone so that no one could disturb them.

So Alex was very confused when he received the call. “Ms. Eugen, I thought Mr. Gibson was with you and I even canceled today’s appointment with a client. So you are not together, right?”

“No, if you see him or if you have any news of him, please inform me immediately. She took a deep breath, looking a little bit stiff.

“Alright. Mr. Gibson might have something urgent to do. I’ll get someone to look for him. I’ll inform you immediately if there’s any news,” Alex said.

Hanging up the phone, Melissa got nervous.

“What is it?” Nina asked worriedly.

“He’s not in the company.” Melissa frowned.

The uneasy feeling grew stronger and stronger.

Where did Murray go?

He said that he was going to the company this morning, but now he was nowhere to be seen. Even his phone was turned off.

Murray was not the kind of person who did not give an explanation if something urgent happened. How could he be missing without any reason?

And today is such an important day!

Did something happen to him?

Thinking of this, Melissa jumped to her feet, “I’ll go out and find him.”

"I'll go with you." Nina followed her.

Melissa had no time to change out of her gown. So she raised her skirt and walked out

"Wait for me." Nina chased after her and pulled Melissa. "Melissa, calm down Do you know where to find Murray?"

Melissa shook her head, and then a thought flashed through her mind.

She quickly took out her phone and dialed Anthony's number.

"Ada, you get engaged today, didn't you? Why do you call me now? Aren't you afraid that your husband will be jealous?" Anthony joked.

Melissa frowned and said urgently, "Anthony, please help me locate a mobile phone number as soon as

possible."

"Huh?" Hearing Melissa's cold and serious voice, Anthony was a little surprised. "What number is so

important?"

"I have no time to explain to you. Tell me the result as soon as possible!" Melissa said coldly.

After hanging up the phone, Melissa sent Anthony the phone number of Murray.

Soon, Anthony replied to her, "He's near the Bright Mountain on the outskirts. That's all I know."

The Bright Mountain?

Melissa's face turned colder. Why is Murray there?

Why did he go to such a far place? Was it for something important?

Or... Did something happen to him?

Melissa pulled Nina, took a taxi, and went straight to Bright Mountain.

At the hospital

Murray looked at the woman lying on the bed and drowned

Was she really Lily?

The distant memory came back and kept llastung in Murray’s mind

The flower–

e as Lily

back then

But why did she give him such a strange locking when she passed out in his ans?

Was she Lily or not?

Murray’s handsome lace was cold, and his thoughts were wandering

“Ray, the woman uttered with her soll voice and broke his train of thoughts

He looked down and saw Ryleigh slowly opening her eyes. Her pale lips moved and she
said with excitement

and disbeliel. “Ray, is it really you? Did you save me?”

Murray lowered his head, his qazeroaming over the woman on the bed. Then he asked
with a cold voice

"Who is your name?"

Ryleigh struggled to sit up and leaned against the bed. She looked lovingly at the handsome man in front of her and said softly. "Ray, my name is Ryleigh. My nickname is Lily."

"Ryleigh?" Murray frowned. This name didn't ring a bell.

"Yes." Ryleigh nodded. "That's my name. You can also call me Lily, Ray, we were both kidnapped and locked in a black room. Did you forget all of 17?"

Murray's cold expression changed a little bit.

He was indeed kidnapped and locked up in a small black room. It was true.

"Ray, you must remember me, right? Back then, those kidnappers were so fierce and even let the dogs bite us. I was afraid of the dark and you were afraid of the dogs. I sold that I would protect you and not let you get bitten." Ryleigh continued.

These memories all came back.

In that little dark room, Lily hugged him with her small body and comforted him softly. "Ray, don't be afraid. I have power. I will protect you."

"Lily ... Are you really Lily?" Murray asked.

Mrs. Gibson Your identity is Exposed Chapter 160

Mrs. Gibson Your identity is Exposed

Chapter 160

Chapter 160 Isn't That Murray's Car?

I am scared of the darkness, and you are afraid of dogs... These words echoed in Murray's mind.

Indeed, Murray had been afraid of dogs back then..

As for Lily, she had been scared of the darkness.

Therefore, Murray had mistaken Melissa for Lily for a while when he learned that Melissa was afraid of the

darkness.

However, it turned out later that Melissa was not Lily.

So, this girl in front of me, Ryleigh, is Lily? Murray wondered.

Ryleigh stretched out her right hand and touched Murray's face with a trembling hand. "Yes, Murray, I'm Lily!"

Murray felt a little uncomfortable with the warmth on his face,

He pulled Ryleigh's hand off his face and put it down

The light in Ryleigh's eyes flickered slightly. Then, Ryleigh continued, "Murray, I still remember that the kidnapping was plotted by three men and one woman. The man who lacked a front tooth was the most horrible one, and we *were* scared of him the most. He intimidated us whenever he appeared in that dark

room,

Murray's heart beat faster than before.

Ryleigh was right!

Noticing the changes in Murray's expression, Ryleigh slightly raised the corners of her lips and went on, "Once, he came in with a knife and wanted to cut my hair off. Murray, you protected me desperately. He cut your chest, and it bled a lot. Murray, is there still a scar on your chest..

"That woman was a bit kind-hearted. She often brought us food. Once, she brought a hamburger, and, Murray, you left it all for me. You urged me to eat that hamburger by saying that you were not hungry and that I would have the strength to run away after eating it..."

Murray was convinced.

Murray believed that the woman in front of him was Lily.

He thought. Only Lily and I know these details.

Therefore, Ryleigh must be Lily!

She is the Lily I have been searching for years!

"Lily, I found you," Murray had no doubts now and spoke in a low voice,

"Murray, finally, you recognize me." Ryleigh smiled happily and threw herself into Murray's arms. "Great! I found you! Back then, I fell off the cliff. I thought I would never see you again!"

The scents Ryleigh wore made Murray frown slightly

Murray thought, This fragrance is different from that of Lily in my memory.

However, Lily has grown up. Perhaps, that is the reason for the difference,

Murray gently pushed Ryleigh away, and his tone became a bit emotional because of the old memory "After you fell off the cliff, I was saved by those men sent by my father

"I have been looking for you all these years. However, I got no news about you What happened after you fell off the cliff?"

Ryleigh said after a sigh, "I was seriously injured in the fall, and a hunter found me Back then, I was in a

grave situation, so a foreign philanthropist took me to Australia for treatment

He adopted me after I recovered.

"I didn't come home till my adoptive father passed away. It took me some time to find my biological parents here. Later, I learned that my parents abandoned me because they had no alternative Before that, I thought they didn't love me at all."

Ryleigh sobbed.

"Don't cry. Take this," Murray said and handed Ryleigh a tissue

"Thank you." Ryleigh took the tissue with red eyes and then sniffed

Murray said, "You were abroad. No wonder I couldn't find you."

"Murray, did you keep looking for me?" Ryleigh looked up at Murray with tears in her eyes.

Murray nodded and opened his thin lips, "Yes."

"I kept looking for you too." Ryleigh said with a hint of regret in her tone, "I often saw you on the news.

However, I didn't recognize you till today."

After a pause, Ryleigh continued, "This car accident is a blessing in disguise. If I didn't bump into your car, we would still be looking for each other."

"By the way, why did those two men run after you today? Why did you owe them money?" Murray asked.

Those two men looked like typical hooligans, so why did Lily mess around with them? Murray wondered.

Ryleigh looked sad and lowered her eyes, "My grandmother was seriously ill and needed 160 thousand dollars for surgery. I couldn't earn that much money as a part-time singer in the bar. Therefore, I borrowed money under the condition of usury."

"I am sorry to hear that." Murray narrowed his eyes.

Ryleigh raised her head, looked Murray in the eyes, and said, "Murray, I will try my best to repay the money you just lent me."

"No." Murray shook his head slightly. "It is nothing. so don't take it to heart."

bante Tin

"insist," Ryleigh said

Murray raised his hand to check the time. He remembered that Melissa was still waiting for him in the beauty salon. Therefore, Murray stood up and said, "Lily, the doctor has done a checkup on you, and you will be fine. Don't worry, and take a good rest in the hospital. I have to go now, I'll contact you tomorrow

When Murray turned around, Ryleigh said, "Murray."

"Yes?" Murray looked back and asked.

Ryleigh pleaded, "I don't want to stay in the hospital. Could you please drive me home?"

"Where do you live?" Murray couldn't refuse this pleading

Ryleigh pursed her lips and said with embarrassment. "Bright Mountain."

Bright Mountain was a little far.

Murray thought for a moment and then concluded that he could pick Melissa up for the engagement

ceremony in time

Therefore, he look out his phone to call Melissa. However, his phone was powered off.

“Lily, may I use your phone?” *Murray* spoke calmly,

Ryleigh took out her phone and said, “My phone is broken, so it can only send texts.

Murray, who do you want to text? I’ll send a message for you.”

Murray gave Ryleigh Melissa’s phone number and said, “Tell her that I will pick her up later.”

“Okay. *Done.*” Ryleigh waved her phone in front of *Murray*

“Thanks. Let’s go.” *Murray* drove Lily home.

Melissa and Nina in a taxi went around Bright Mountain over and over again.

The taxi driver asked helplessly, “Where are you going. ladies?”

Melissa frowned and felt restless.

Before Melissa answered the driver, Nina said with surprise, “Melissa, isn’t that *Murray’s* car?”
