Chapter 231

Chapter 231 Reveals Her Identity

“No, Jaylin. I can explain what happened back then.” Anaya bit her lip. She had always wanted to find Jaylin to explain, but Jaylin had never given her a chance.

“Explanation?” Melissa smiled coldly and approached Anaya step by step. “Do you dare to say that when you were abroad, you were not with other men other than Jaylin?”

“Nonsense!” Anaya glared at Melissa, her face full of anger.

In her heart, however, she was slightly apprehensive.

How did Melissa know so much?

“You dare to say that you did not betray Jaylin?” Melissa raised her voice a bit and asked.

Since Anaya kept pestering her to defame her, Melissa had sent people to collect evidence of Anaya betraying Jaylin.

It was only because of Jaylin’s face that she did not reveal the evidence.

But now, since Jaylin had said so, she was not afraid of adding a few more details.

Anaya was shocked by Melissa’s imposing manner. She was about to speak when Melissa directly showed a few photos and projected them out.

The photos showed Anaya’s disheveled appearance.

The men beside her were different.

In one of the photos, Anaya was with several men of different skin colors...

Seeing these dirty photos, everyone was stunned.

Someone pointed at Anaya and discussed,

“God, I didn’t expect that the pure female pianist would be such a person!

You really can’t judge a book by its cover! She had the nerve to call Melissa a bitch, but now we re she was even better than her!”

“No wonder Mr. Spar wanted to break off the engagement with her. Otherwise, wuluhee n hire cheating by her *pour*

Anaya widened her eyes and stared at the streen in disbelte lletre mesafony

Sreing that the goal had been achieved. Mellanstures of the photos, Army, now you are what you have done!”

“Melissa, you ruined me!” Anaya’s face was twisted, her eyes burning with rage.

It was over. Everything was OVER!

The image of a well-known pianist she had run for many years was destroyed tonight!

Her reputation directly fell from the heaven to hell!

And the person who ruined her reputation was Melissa!

“The person who ruined you was yourself.” Melissa curled her lips.

If it wasn’t for the fact that Anaya herself was shameless to pester Jaylin like a madman and

discredited Melissa, Melissa would disdain to expose her ugliness in public.

Now, such an outcome could only be said to be Anaya’s own fault.

“Melissa, you dare to ruin me like this? I’ll fight you to the death!” Anaya was on the verg e of going crazy, and her entire body crashed into Melissa.

Jaylin protected Melissa and pushed Anaya to the ground.

“Jaylin, you are really so heartless to me...” Anaya fell to the ground, her eyes full of un willingness.

Tom called the security guard over and pointed at Anaya, who was in an awkward state on the ground, and said in a low voice, “Hurry up and invite Ms. Knowles out.”

Two security guards stepped forward and directly pulled the pale Anaya out.

"I'm sorry, everyone. It was just a small problem." Tom cleared his throat and said with a smile, "Please don't be affected by those things. Let us continue."

He pulled Jaylin with one hand and Melissa with the other. "Just now, Mr. Segar proposed with such

a unique and affectionate heart. Oh, it really moved me. I believe that Ms. Eugen is also moved, right?"

As he spoke, Tom directly placed Melissa's hand into Jaylin's. "Ms. Eugen, please say yes to Mr. Segar! I believe that everyone can't wait to see you get together."

Melissa rubbed the space between her eyebrows speechlessly.

She had originally thought that after Anaya made such a ruckus, the matter of the proposal could be put aside.

Unexpectedly, she became even more serious.

At this moment, Jaylin was kneeling on one knee, holding her hand tightly with one hand and the ring in the other, waiting for her answer with a sincere and expectant face

On the other hand, Tom continued to kick up a fuss from the side, urging her to quickly agree with Jaylin. Melissa was really in a dilemma.

Out of the corner of her eye, she suddenly saw Murray's tall and straight figure.

He suddenly stood up, his eyes as cold as frost, like an ice knife, looking straight at Melissa.

Murray exuded a low pressure, which made the surrounding people shiver.

Melissa felt a headache coming on at this moment.

She could predict that if Murray came up on stage, everything would become increasingly uncontrollable.

So, at this moment, she could no longer hesitate!

Thinking of this, Melissa took a deep breath. The corners of his lips curled into a smile as he said in a clear voice, "Actually, Jaylin and I are colleagues, partners, and close friends who work together."

Colleagues? Partners? Friends?

Hearing Melissa's words, all the people below the stage looked at each other and were somewhat confused.

Under everyone's suspicious gazes, Melissa slowly opened her mouth and said word by word, "I am the investor and the owner of Star Entertainment as well as Jaylin's partner."

Melissa's words were like dropping a boulder on a calm lake, immediately stirring up a storm in crowds.

Everyone looked at her in shock.

They had long heard that the Segar family had encountered an economic crisis and almost went bankrupt.

There was a mysterious rich businessman who invested in the Segar family and established Star Entertainment

Jaylin, on the other hand, had also become the CEO of Star Entertainment, and after two years of hard work, he had become a great actor that had made a hit throughout the world.

However, the rumored big boss of Star Entertainment Group had always been very modest and mysterious. There weren't any reports about her

No one even knew the gender

And now, Melissa had actually publicly announced that she was the mysterious big boss of Star Entertainment

The big boss behind Star Entertainment was actually Melissa?

Such a young girl?

As for Murray, he stopped in his tracks, and a trace of shock that he had never felt before flashed through his deep eyes.

Melissa was the investor of Star Entertainment and Jaylin's big boss?

In other words, the rich young lady that Jaylin had been pursuing turned out to be Melissa...

No wonder Melissa was so familiar with Jaylin when she had just arrived in Aldness.

She abandoned him again and again to follow Jaylin.

It turned out that Melissa was the goddess that Jaylin had been chasing for two years!

The rumor that Melissa was a humble country bumpkin from the countryside turned out to be fake!

How many things did this woman hide from him?

Murray's eyes were deep and serene, and there was an undercurrent in his cold eyes.

When he saw Jaylin proposing to Melissa, Murray was almost drowned in anger.

When he was about to go up to stop it, he did not expect Anaya to rush up and make a scene.

After the farce, Jaylin began to propose again.

Murray stood up and was about to step onto the stage to pull Melissa away, but he did not expect

Melissa to announce such an explosive piece of news in public.

Under everyone's shocked gazes, Melissa maintained a proper smile on her face and continued, "In fact, the proposal ceremony tonight was planned by Jaylin and me. The purpose was just to advertise the new drama of Star Entertainment."

Advertising?

Such a grand proposal was just for the publicity of the new play?

Everyone was in a commotion.

Melissa raised her eyebrows and added, "Our Star Entertainment is about to launch a large-scale

ancient costume drama called "Harem." I will also be a cameo in it. The proposal just now was to

promote it. It seemed that the effect was very good."

After a pause, Melissa lowered her eyes and looked at Jaylin with cold eyes. "Jaylin, do you agree?"

she asked lightly.

Jaylin's face stiffened.

The light in his eyes dimmed.

His handsome face was full of disappointment.

He had thought that at the awards ceremony, Melissa would never reject him when he solemnly proposed to Melissa in front of the entire world.

However, he did not expect that Melissa would not hesitate to find such an excuse. She did not agree with his proposal.

In the end, he was unworthy.

A few seconds later, Jaylin stood up and said in a bitter tone, "Yes, the proposal just now was indeed just for our new drama."

Melissa smiled, "Harem" is the highlight of the next month for our Star Entertainment. Mr. Segar will be the male lead. As for the female lead candidate ... Let's keep everyone in suspense, please look forward to it."

"Everyone, please support us!" Jaylin continued to speak with a relaxed tone as the corners of his lips lifted.

Jaylin deserved the name of Best Actor. Although Jaylin was extremely disappointed at this moment, he hid his emotions well.

"It turns out that our Mr. Segar and Ms. Eugen acted in such a wonderful proposal ceremony just now to promote the new play for Star Entertainment! No one saw through it, right?"

Tom felt sorry for his good friend for a few seconds and then said with a smile, "It seems that this publicity effect is unique. Let's continue our awards ceremony..."

Jaylin took the trophy and walked down the stage with a sad expression.

Melissa let out a sigh of relief. Jaylin's sudden and absurd proposal had finally been resolved well.

However, she also revealed her identity.

When passing by Murray, Melissa couldn't help but glance at him.

Their eyes met and their gazes intertwined. Melissa felt the low mood of Murray.

She turned her face away and followed Jaylin back to her seat.

The awards ceremony finally ended.

Just as Melissa and Jaylin stood up and were about to leave, the reporters at the side could not help but surround them.

One by one, they surrounded Melissa with their cameras. They could not wait to ask her.

"Ms. Eugen, may I ask why you chose to announce your identity as the big boss of Star Entertainment today?"

The corners of Melissa's lips curled into a shallow smile. "Because today is a special day. Actors belonging to Star Entertainment won most awards this time. As the boss of Star Entertainment, I'm very happy."

"Ms. Eugen, is tonight's proposal just a promotion for the new play?"

"Of course," Melissa nodded.

"Can you reveal that the relationship between Ms. Eugen and Mr. Segar is not a couple? After all, there are many rumors about you." The reporter asked,

Melissa maintained a decent smile, "Didn't I already say it? Jaylin and I are colleagues. We are partners with a good relationship. As for the previous rumors, they are completely false."

Chapter 232 Just Advertising

"So that's how it is. Then may I ask what role Ms. Eugen will play in 'Harem'? Will you play with Mr. Segar?" Another reporter squeezed over and asked.

"Let's not spoil it first. Everyone will know by then." Melissa was rare to calm down and answered the questions of the reporters one by one.

After all, this was the first time she had been interviewed as a big boss of Star Entertainment,

Ten minutes later.

“Alright, it’s already very late. Thank you for your concern. Let’s call it a day.” Melissa looked down at the time and said coldly.

As soon as she finished speaking, the bodyguards brought by Jaylin pulled the reporters who were still unsatisfied and escorted Melissa and Jaylin into the car.

Julie stared at Jaylin and Melissa’s backs with hatred.

“Adela, do you think Melissa is the big boss behind Star Entertainment? How is this possible!”

Adela just stared at Melissa.

She had thought that Melissa was just a bumpkin from the countryside who shamelessly pestered Murray for money.

She didn’t expect that Melissa was the boss behind Star Entertainment,

It was no wonder that every time she tried to scheme against Melissa, Melissa had easily resolved

In the past, she had underestimated her opponent.

Seeing Adela remain silent, Julie said angrily, “Melissa, this shameless bumpkin...”

“Alright, how can the big boss of Star Entertainment be a bumpkin?”

Adela interrupted Julie impatiently

Julie looked at Adela carefully. “Then why did Melissa pretend to be a bumpkin before? To pretend to be pitiful in front of Murray to gain sympathy? Now she has revealed her identity. Does she want to return to Murray?”

Adela shouted with long face, “No matter what Melissa’s identity is, I will never let her snatch Murray away!”

Julie nodded, “That’s right, Adela. You will be the only lady of the Gibson family! I love her, previously, Mrs Gibson was opposed to Mr. Gibson and Melissa being together because Melissa was a bumpkin and was not a match for their family. Now, Melissa has a great background. Do you think Mrs. Gibson will...”

“No! Melissa has offended Mrs. Gibson a long time ago. Mrs. Gibson regards her as an eyesore. How can she be with Murray again?” Adela denied.

“What’s more, if we want to chase Melissa away from Murray, we don’t have to do it ourselves,” Adela said with a sinister look in her eyes.

“Adela, do you have any good ideas?” Julie asked.

“You will know when the time comes!” Adela snorted coldly.

No matter what Melissa’s identity was, she would not let Melissa off!

Under the escort of the bodyguards, Melissa got into Jaylin’s car.

“Melissa, let me send you back.” Jaylin turned his head to look at Melissa. He gripped the steering wheel tightly with both hands and started the car.

“Okay.” Melissa nodded and replied indifferently.

The two of them did not speak all the way, and the atmosphere in the car was a little awkward.

After being busy for the entire night, Melissa felt a little tired and leaned back in her seat, closing her eyes.

After an unknown period, the car suddenly stopped.

“Have we arrived?” In a daze, Melissa felt an emergency brake and woke up.

She looked out of the window and they did not reach the Eastern Garden.

Jaylin stopped the car by the roadside, his handsome face carrying a hint of melancholy.

“Melissa, why?” he finally couldn’t help but ask.

“What do you mean why?” Melissa pursed her lips.

“Why did you reject me?” Jaylin asked, a little unwilling to give up.

“I wanted to ask you why.” Melissa frowned, “Are you planning to take action first so that I would be awkward?”

“No, Melissa. I sincerely hope that you can say yes that I want to be with you. I will give you happiness.” Jaylin felt very uncomfortable and distressed.

After this, he knew that Melissa would never be together with him.

“Jaylin, didn’t I tell you that it’s impossible for us?” Seeing Jaylin like this, Melissa sighed softly.

“Because of Murray? You can’t forget him, can you?” Jaylin asked.

Melissa remained silent.

“You have done so much for *Murray*, but what about him? How did he treat you?” Jaylin’s tone suddenly became excited, “Murray is not worthy of you at all...”

“Jaylin, I don’t want to talk about this anymore. Please send me home.” Melissa interrupted him.

Jaylin drove Melissa to the Eastern Garden

Melissa opened the car door and got out.

Chapter 233 Without Invitation

“I’m sorry, Melissa. I was too impulsive tonight and didn’t get your permission...” Jaylin said in a heavy tone.

Melissa stopped in her steps. She turned around to look at Jaylin and interrupted him, “Let’s not talk about this anymore. Focus on filming ‘Harem’. By the way, help me take a look at what role is suitable for me..”

After that, Melissa walked into the apartment without looking back.

Staring at Melissa’s departing back, Jaylin’s gaze were intertwined with disappointment, sadness, and regret.

Tonight, he had completely failed again..

What exactly should he do to get Melissa to look at him a little more to get her favor...

Melissa returned to the apartment, took out the key, and opened the door. At a glance, she saw a tall and slender figure sitting on the sofa in the living room.

"Who is it?" Melissa felt a chill in her heart and asked loudly.

The man on the sofa suddenly stood up.

In the dim moonlight, Melissa saw the man in front of her clearly.

Dressed in a black suit, he seemed to blend in with the darkness of the night. His tall and straight figure exuded a cold aura.

It was Murray.

"Murray, why are you at my house?" Melissa turned on the light and rubbed her forehead. "It seems that I have to get someone to add a few more locks tomorrow."

"No matter how many locks are added, as long as I want to, I can see you." Murray stepped forward and stood in front of Melissa.

His deep gaze fell on Melissa's face, and his thin lips lifted slightly. "Melissa, how many things are you hiding from me?"

"I have never hidden anything from you," Melissa said indifferently.

Just as she finished speaking, Murray suddenly reached out and wrapped his arm around her waist,

She felt the heat on her waist. Murray exerted force and Melissa was brought to the sofa.

"What are you doing, Murray?" Melissa asked coldly as she fell into Murray's arms,

Murray held Melissa's shoulder with both hands and said coldly, "Why have you never said that you are the boss of Star Entertainment, which is the rich lady that Jaylin has been pursuing?"

Chapter 233 Without invitation

"I have no relationship with you. There is no need for me to explain this to you." Melissa said indifferently.

Murray's already cold and handsome face suddenly got gloomy.

He used a bit of strength in his hands and a series of questions were thrown at Melissa, "What did you say? What is that Jaylin to you? What is your relationship with Jaylin?"

Faced with Murray's question, Melissa was even more speechless, "I have already made this question clear to everyone today, I don't want to say it again."

"Are you and Jaylin just partners?" Murray's expression became increasingly ugly.

"If I had anything to do with him, why didn't I directly agree to his proposal today? Why did I have to go through so much trouble to find an excuse?" Melissa pursed her lips and asked speechlessly.

Hearing Melissa's words, Murray suddenly felt relieved.

Why didn't he think of this before?

It was in front of Melissa that he was so irrational and lost his judgment.

However, when he thought of how infatuated Jaylin was with Melissa and chased her for two whole years, Murray still felt a little uncomfortable.

After all, he was going to propose to Melissa again tonight.

But Melissa ignored him and followed Jaylin to the awards ceremony.

Did this mean that ... in Melissa's heart, Jaylin was a little more important than him?

"Melissa, come with me," Murray suddenly stood up and held Melissa's hand.

Melissa was startled, "Where are we going?"

"Come with me and you will know," Murray pulled Melissa to the gate without any explanation.

"Murray, I'm very tired tonight. I don't want to go anywhere." Melissa struggled.

Murray stopped and glanced at Melissa.

Seeing that *Melissa* was indeed tired, he thought about how Melissa had been dealing with the reporters for the entire night and was indeed tired.

"Then, tomorrow," Murray's cold eyes softened a little bit.

Melissa was a little confused and kept quiet.

Murray rolled his Adam's apple and suddenly leaned over. He whispered in Melissa's car, "Melissa, give me another chance. Return to my side."

His warm breath sprinkled on Melissa's face, making her itchy.

Melissa stopped breathing and pushed Murray away, "It's late, I need to rest."

Melissa walked straight to the door, opened the door, and directly asked him to leave, "Please go back!"

Murray frowned when he saw the indifferent woman in front of him, and his expression turned cold.

The next second, Murray suddenly clutched his chest and said with an exaggerated expression, "I don't feel well."

"What happened to you?" Melissa was shocked.

Murray's handsome face was pale, and his forehead was covered in the cold sweat. He pointed at his chest and said with a painful expression, "It hurts here..."

Seeing Murray like this, Melissa hurriedly supported him.

"Let me see." Melissa helped him to the sofa and sat down. Her tone couldn't help but carry some concern.

"You care about me?" Murray curled his lips.

Melissa ignored his words and checked Murray's temperature.

There was nothing wrong.

Could it be that he was pretending to be sick?

Melissa frowned slightly, looked down at Murray, and asked coldly, "What exactly is wrong with you?"

"Here." Murray still pointed to his chest and made a painful look.

Melissa stood up, took out her phone, and pretended to call, "Since you are not feeling well, I will call 911 and ask someone to send you to the hospital for a check-up."

"You help me check." Murray grabbed Melissa's arm and said, "I just want you to check."

Melissa was speechless.

Was he sick?

He must be lying!

"Alright, I've checked it for you. There's nothing wrong with you. You should hurry back!" Melissa pulled out her arm.

"I'm sick, and you still want to drive me away?" Murray pretended to be wronged.

"What's wrong with you? Why can't I find that you're sick?" Melissa snorted.

Murray suddenly stood up and looked down at Melissa. His eyes were deep, and his voice was low and pleasant like a cello. "It's lovesickness."

After a pause, he added, "It is the kind that you can treat."

It was *too tempting* Melissa's face flushed slightly

"I can't be bothered with you." Melissa took a deep breath and pushed Murray away

Murray moaned exaggeratedly again, "My heart hurts! Melissa, quickly save me."

"What on earth do you want?" Melissa looked down at Murray who was lying on the sofa pretending to be in pain and was speechless.

Murray moved his thin lips, and his clear eyes narrowed. "I want to stay here tonight."

"Up to you." Melissa did not want to bother with his rogue behavior anymore.

"Help me to the bed." Murray was insatiable.

Melissa rolled her eyes at him. "Don't be too much."

"The doctor is responsible for taking care of the patient." Murray held Melissa's arm tightly with her slender hand.

"Sleep on the sofa!" Melissa pushed Murray to the sofa and turned to leave.

The next second, Murray suddenly stood up and directly picked up Melissa.

"Murray, what are you doing?" Melissa was caught off guard, and her entire body rose into the air, falling into Murray's arms.

Regardless of Melissa's objection, Murray directly carried Melissa to the bed and then pressed himself on it.

"Let go of me!" Melissa struggled.

"Melissa, don't move. Let me hug you." Murray hugged Melissa tightly.

How long had it been since he had such a familiar feeling?

Ever since Ryleigh appeared, Melissa had canceled the engagement with him, keeping a distance from him.

Murray wrapped his strong arms around Melissa tightly.

The two of them were now stuck together, and Melissa was in a daze for a moment

That feeling of being *moved* suddenly jumped out again. Or rather, she had never forgotten. Murray lowered his head and couldn't help but kiss the woman beneath him.

Looking at Murray's familiar handsome face that was constantly enlarging in front of her,

Melissa's heart started to beat faster.

Just as Murray's lips were about to land on Melissa's face, his phone rang. Melissa came back to his senses and pushed Murray away. "Your phone is ringing."

Murray frowned and took a look at his phone before putting it aside.

Out of the corner of her eyes, Melissa saw the name flashing on the phone screen. "Ryleigh."

The phone kept ringing, and Murray finally picked it up impatiently. "Lily, what's the matter?"

"Murray, my wound hurts." Ryleigh murmured.

Murray frowned and said in a low voice, "Then let the doctor take a look at it for you."

"But I miss you... Can you come to the hospital to see me?" Ryleigh's voice carried a bit of grievance.

"Murray, didn't you say you wanted to hug me just now?" Melissa raised the corners of her lips and approached Murray's phone. Her voice was a bit ambiguous.

"I still have something to do," Murray said and hung up.

His deep eyes fell on Melissa's face, and he said in a clear voice, "Melissa, are you jealous?"

Melissa rolled her eyes at him and suddenly changed the topic. "What do you plan to do about Ryleigh?"

Murray curled his lips and his face revealed the coldness. "Melissa, I know you get annoyed about Lily. However, eight years ago, Lily did save me. She is my savior. I cannot ignore her."

"So, even if she betrayed the Gibson Corporation and framed me, you can write it off?" Melissa's voice became a bit colder.

Murray cleared his throat, "I will hold a press conference to clarify this matter and clear our name. As for Ryleigh, I will be responsible for her necessities, that's all."

"You want her to be your burden? Or ... do you still like her in your heart?" Melissa's face did not look good.

Seeing Melissa like this, Murray reached out and held her hand, "Melissa, this is what I owe Lily. Back then, if it wasn't for Lily saving me, I would not be here today."

"Have you ever suspected that Ryleigh is not Lily?" Melissa pulled the corners of her mouth and asked.

Murray shook his head, "Lily has a plum blossom-shaped birthmark on her shoulder, and Ryleigh also has one. And what happened that year, Ryleigh said everything correctly."

Melissa seemed to be deep in thought. There must be something wrong in between

It seemed that she had to investigate carefully,

But now, there were benefits to keeping: Ryleigh

"I suspect that there are some secrets between Ryleigh and Sebastian Ryleigh bernved the Gibson family not just to frame me." Melissa muttered,

Murray reached out and hugged Melissa. "Don't worry, I'll get someone to investigate."

Melissa pushed Murray away quietly, got up from the bed, looked down at him, and said, "Aren't you sick? Rest early!"

"What about you?" Murray asked, his face darkening

"I'll go to the sofa to sleep," Melissa said with a faint expression. She picked up a blanket and walked directly to the living room.

Jaylin's apartment was a one-bedroom apartment with only one room and one bed.

Now, Murray shamelessly wanted to sleep on her bed, so Melissa could only sleep on the sofa

Murray's gaze dimmed as he watched Melissa walk toward the living room.

He would definitely let her return to his side as soon as possible!

Chapter 235 Share a Bed

When the phone was hung up, Ryleigh became furious.

Because she heard Melissa.

Ryleigh couldn't accept the fact that Murray was with Melissa. She also couldn't accept that Murray valued Melissa more than her.

Murray would come for Ryleigh when she needed back then.

But Murray just hung up Ryleigh's phone.

Ryleigh couldn't understand.

So she believed it was because of Melissa.

Ryleigh thought she had prepared well to frame Melissa as the one who disclosed the base bid price of the Gibson Corporation.

However, Melissa belied her scheme easily.

And it made Murray become disappointed in Ryleigh.

Thinking, Ryleigh's fingers clenched together tightly, and a vicious look appeared on her face.

Ryleigh called Melissa's name in her mind one time after another and swore to herself that she would make reprisals one day.

Melissa walked to the sofa and laid down.

After the award ceremony, everyone knew that Melissa was the real boss of Star Entertainment

Melissa was a low-key person and enjoyed her freedom

However, Melissa knew that since her secret was leaked, she must have lost at least some of her free and comfortable life

Thinking about what had happened recently, Melissa became sleepy and fell asleep

Murray was in his room, but his eyes had been fixed on Melissa

When Murray saw Melissa had slept, he walked to the living room

The living room was quiet. There was no sound except
Melissa's breathing. Murray went over and sat beside Melissa.

His intense gaze covered Melissa and then Melissa's face.

The hazy moonlight fell on Melissa's face, and then her delicate oval face and her features all shone with the moon's light.

At that moment, Melissa was like Sleeping Beauty, charming and tempting.

Murray couldn't help but lean down and kiss Melissa's cheek.

Melissa mumbled something and curled up.

Noticing Melissa being uncomfortable sleeping on the sofa, Murray carried Melissa with his strong arms and brought her to his room.

Then Murray put Melissa on the bed gently.

Murray had just laid down beside Melissa and was about to cover her with a blanket when Melissa suddenly hugged Murray tightly.

"Winnie, I wanna hug you. Let me." Melissa talked in the dream and rubbed against Murray's chest.

"Winnie is such a good boy." Melissa felt very comfortable hugging her teddy bear and kissing it in her dream.

However, Melissa was hugging Murray but her teddy bear.

When Melissa's lips touched Murray's chest, Murray's eyes became even deeper.

Murray whispered in Melissa's ear, "Melissa, will you come back to me?"

"Winnie, quiet. I wanna sleep." Melissa muttered in her sleep and frowned.

Murray kissed Melissa's forehead gently and covered her with a quilt.

The next morning.

The bright sunlight shone through the glass window and onto the big bed.

Melissa woke up. When she opened her eyes, she unexpectedly met a pair of deep eyes.

"Murray, why are you here?" Melissa was shocked and questioned.

She looked around and found that she was on the bed.

Didn't I sleep on the sofa?

Did Murray bring me here? Melissa thought.

"Murray, what do you want to do?" Melissa asked warily

Murray smiled teasingly and said in a sexy tone, "Well, I'm the one who needs to question Why are you hugging me?"

Only then did Melissa realize that her hands were tightly holding Murray's neck.

Melissa felt so awkward and loosened her hands as soon as possible.

Melissa remembered her dream last night. She dreamed about her teddy bear and kissed it.

God, I didn't do anything else last night, did I?

Seeing Melissa's expression, Murray smiled, "Are there any food in the fridge? I'll make breakfast for you."

"Thank you. But I will do it." Melissa was too embarrassed to ask Murray to do the breakfast, although Murray was good at cooking.

Melissa wanted to get up, but Murray stopped her.

He lowered his head and looked at Melissa. He said in a sexy voice, "It's fine. If you like, I can make breakfast for you forever."

Murray then got up and walked to the kitchen.

Looking at Murray's tall and straight back, Melissa was somehow in a trance.

She felt like they had returned to the time when they were in love.

Murray had told her the same words.

It was just a month ago.

But it felt like they had separated for a whole life.

Taking a few deep breaths to get rid of the strange emotions, Melissa lay on the bed and took out her phone for news.

As Melissa thought, the award ceremony was the top trending topic.

And the public's opinion also changed dramatically as Melissa was reported as the real president of Star Entertainment.

"Ms. Eugen is so amazing!"

"SOMs. Eugen is Jaylin's boss, not the mistress! We have all misunderstood Ms. Eugen!"

"I still hope that Ms. Eugen and Jaylin are couples. But the proposal was just an ad."

"Ms. Eugen and Mr. Gibson are more compatible I will ship Melissa/Murray forever!"

No one was talking about Melissa's possibility
Melissa binged on the news for a while and then went to the kitchen

Chapter 236 Come Back to Me

Murray's overwhelming kisses made Melissa feel like she was about to suffocate.

But the familiar feeling made Murray can't help but desire more...

He held Melissa's head and deepened the kiss.

The temperature in the kitchen was getting higher and higher.

Suddenly, Melissa sniffed a strange smell.

What was the smell?

She took a few deep breaths, and the unpleasant smell was getting stronger and stronger.

Melissa's gaze landed on the pan on the stove. She saw that the fried egg inside had already turned black and smoke was rising around the pan.

She pushed Murray away and exclaimed, "It's burnt!"

Murray had his back to the stove. Hearing Melissa's scream, he let go of her.

Murray rapidly turned off the gas stove.

Just now, he was so focused on attracting Melissa's attention that he forgot about the fried egg in the pan in a moment of carelessness,

"Murray, *are you crazy?*" Melissa glared at Murray.

Murray took a step forward, pressed his hands on Melissa's shoulders, and said in a deep voice, "I'm crazy. I miss you so much to be crazy!"

Melissa was speechless for a moment.

Murray continued, "Just now you thought my hand was injured, and you were concerned about me. You still *love me*, right?"

The sudden *words* of love made Melissa freeze.

Looking into Murray's deep eyes, Melissa blushed a little.

Melissa averted her eyes and changed the topic, "It's late. I should go to work!"

After that, Melissa turned around and walked toward the door,

However, Murray reached out and wrapped his arm around her waist

With a slight pull, he held Melissa into his arms again

"Why, come back to me, okay? Murray looked down at her, and his eyes were filled with tenderness that could *only* be found in front of Melissa

Melissa suddenly tensed up Don't be like this Ost Borut

"Melissa, what exactly do you want before you will come back to me?" Murray looked at her and asked seriously.

Melissa pursed her lips, "It depends on you."

Murray thought to himself, Depends on me?

That means there's hope for her to come back to me.

Murray smiled meaningfully.

Melissa was such a tough-talking but soft-hearted woman.

Murray was determined that one day he would make Melissa accept him again and come back to him.

Moreover, Murray believed that the day would not be far.

Murray drove to the Gibson Corporation with Melissa.

Melissa carefully checked the recent sales data of Ice and Fire".

After the systematic improvement, the sales of "Ice and Fire" had picked up a lot.

However, those imitations of "Love and Romance" were still flooding the market.

Melissa rubbed her forehead. It seemed that it was time to take the initiative to attack the imitations of "Love and Romance."

As she was working on a detailed plan, the landline on the desk rang.

The incoming call was from No. 888 internal line. It was from Murray.

"Murray, what's the matter?" Melissa answered the phone.

"Come to my office." Murray's cold voice sounded.

"Okay," Melissa replied.

Taking the elevator to the 18th floor, Melissa knocked on the door of Murray's office.

"Come in."

Melissa pushed the door and walked in front of Murray, "Is there something you need?"

Murray looked up at her and said, "Are you ready for the press conference this afternoon?"

Melissa nodded

"When the time comes, I will clarify the matter regarding the North Bay Project," Murray spoke in a low voice

"What do you plan to do with Ryleigh?" Melissa asked indifferently

Murray wore a colder face and said, "Fire her. Just fire her?" Melissa narrowed her eyes

Murray let out a soft sigh, "Melissa, I owe her."

"If there's nothing else, I'll go back to work," Melissa said expressionlessly.

After saying that, Melissa turned around and left.

Just as she walked out of Murray's office, a woman in a white dress walked up to her and stopped her.

Melissa looked up and saw Ryleigh.

Shouldn't she be in the hospital? How could she suddenly be here?

Melissa frowned, "Please make way!"

Ryleigh stared at Melissa angrily, "Melissa, do you think you won against me? I saved Ray. The person he

loves is me! Don't even think about winning against me!"

"Is that so? I remember that you have been fired by Murray, right? Now you are no longer an employee of the Gibson Corporation, and you are not qualified to be here." Melissa said calmly.

Melissa glanced at Alex who was not far away and said in a higher voice, "Alex, it seems that the security guards have been a bit negligent recently. Can anyone just come into our company?"

"Sorry, Ms. Sofia. Please go back!" Alex got the hint and walked up to Ryleigh.

"I come to Ray!" Ryleigh's expression changed and she glared at Melissa

Just then, the door of Murray's office opened. Murray's tall and straight figure appeared in Melissa's sight.

"What's the matter?" Murray heard the noise outside and walked out.

When Ryleigh saw Murray, she quickly walked to him and said pitifully, "Ray, my wound hurts."

Murray looked at Ryleigh's chest and said coldly, "Since your wound hurts, why don't you stay in the hospital?"

"I miss you," Ryleigh grabbed Murray's arm, "Ray, I know that you are angry with me. I know that I have done something wrong. I purposely came here to apologize to you. I am sorry, Ray."

"The person you should apologize to is not me, but Melissa." Murray pulled out his arm calmly and said coldly.

Melissa again!

A faint trace of jealousy flashed in Ryleigh's eyes.

In front of Murray, Ryleigh suddenly knelt towards Melissa,

"Ms Eugen, I'm sorry, I made a mistake in a moment of carelessness. Please forgive me Ryleigh knelt in front of Melissa and sobbed with red eyes

"I can't afford it,' Melissa was stunned

"Ms. Eugen, if you don't forgive me, I won't get up!' As Ryleigh spoke, she reached out and grabbed Melissa's arm, 'Ms Eugen, you are magnanimous Don't be angry with me."

"Murray, hurry and get her away!' Melissa frowned and glanced at Murray, then pulled her arm out of Ryleigh

Ryleigh fell to the ground and cried, "Ms Eugen, it is fine if you don't want to forgive me Why did you push

Well the woman was pretending to be pathetic again.

Melissa looked down at Ryleigh and sneered, "Who pushed you?"

Ryleigh covered her chest and her face was pale. She looked at Murray with tears springing up. 'Pay, my wound hurts so much!"

Blood flowed down Ryleigh's chest, staining her white dress red

Ryleigh covered her wound and looked at Murray piteously, "Murray, it hurts!"

Before Murray could say anything, Melissa took a step forward, looked down at Ryleigh, and said coldly. "Since you are injured, you should just stay in the hospital. Why are you running around? Previously, you framed me for disclosing the base price. Now you want to frame me for pushing you?"

"It's true that you pushed me," Ryleigh bit her lips, and tears dropped like a broken pearl necklace.

Murray looked down at Ryleigh and said to Alex in a deep voice, "Send Lily to the hospital."

"Yes, Mr. Gibson," Alex called the security guard and helped Ryleigh up.

Murray turned and left.

Looking at Murray's cold and distant back, Ryleigh's eyes gradually dimmed.

Why?

Why was Murray so indifferent to me now?

If it was before, Murray would send me to the hospital by himself at the first moment.

But now, he just asked Alex to arrange for some people to send me to the hospital.

It was all due to Melissa!

If not for Melissa, how could Murray do this to me?

Melissa!

I would not let Melissa off!

The press conference in the afternoon was held in the conference hall of the Gibson Corporation.

The moment Melissa appeared in the conference hall, reporters rushed over,

“Ms. Eugen, someone accused you of disclosing the base price of the Gibson Corporation, what is your response?”

Melissa smiled slightly. “It’s just nonsense. Why would I do that?”

“Someone said that you did it for money.”

Melissa smiled as if hearing a joke, “How’s that possible?”

“Of course not Now we know that you are the behind the scenes boss of Star Entertainment you wouldn’t do such a thing just for money. The reporter answered with a humble smile

“Then may I ask if there is someone who wants to frame you?” Another reporter asked

“In today’s press conference. Mi Gibson will answer all of your questions,” Melissa said indifferently

At two O’CLOCK sharp, Alex announcea that the press conference was about to begin.

“Welcome to the press conference of the Gibson Corporation.

This press conference is mainly a clarification about the previous North Bay Project.

Now, let’s welcome Mr. Gibson to give us a speech!”

Amidst the thunderous applause, Murray took a steady step and walked to the stage.

He cleared his throat and said coldly, “Regarding the North Bay Project a few days ago, I believe *everyone* has many questions. After our company’s investigation, it was indeed someone from the Gibson Corporation who disclosed our company’s base price to other companies.”

When Murray said that, everyone looked at each other at a loss.

Although people have long speculated in their hearts, and the thing was widely discussed on the Internet, they were still shocked to hear Murray say it himself at that moment.

Many people began to whisper.

“I didn’t expect that there would be a mole in the Gibson Corporation.”

“Since it can’t be Melissa, who could it be?”

“Is it Ryleigh?”

A reporter questioned Murray, “Then who exactly is the person who disclosed the base price. Rumor has it that it is Ryleigh, is it true?”

“That person has already been fired by the Gibson Corporation. She has received her punishment. I don’t want to pursue this matter any further. We’ll say no more of this.” Murray said indifferently.

Just then, a reporter suddenly shouted, “Mr. Lawford! Mr. Lawford is here!”

Mr. Lawford?

Melissa frowned and looked at the gate.

She saw Sebastian appear at the gate.

Why is he here?

Appearing at the Gibson Corporation’s press conference at that point, Sebastian was obviously having no good intentions

“Mr. Lawford, according to Mr Gibson, your company won the North Bay Project because someone disclosed the Gibson Corporation’s base price. Is it true?”

Of course not Sebastian smiled, “Our company won the North Bay Project because of our prowess. Murray is just a loser

Seeing the smug look on Sebastian’s face, Melissa’s lips slowly curved into a mocking smile

Chapter 237 Wait and see

It seemed that Sebastian still did not know about the government’s plan for the North Bay Project.

It was almost time that the news should be announced soon.

Melissa took out her phone and took a look.

Sure enough, the news was just released online.

Melissa picked up the microphone, cleared her throat, and looked at Sebastian with deep eyes, “Sebastian, did you think that you won the North Bay Project?”

“Isn’t that so?” A hint of arrogance appeared on Sebastian’s face.

Even if he used despicable means to get the Gibson Corporation's base price and win the North Bay Project. So what?

As long as he was the final winner, that would be enough.

Sebastian was certain that Murray won't do anything to Ryleigh.

As long as Murray showed mercy to Ryleigh, Murray would not investigate the BPL Group anymore.

In the end, the winner would be Sebastian.

Melissa said in a mocking tone, "I'm afraid you still don't know. The government of Aldness has already released the latest city planning.

They planned to build a large chemical industrial area near the Mountain. The Mountain was only a few kilometers away from the North Bay.

If I remember correctly, the BPL Group's project is to build a large residential area there,

I wonder who will buy your house then?"

After hearing Melissa's words, Sebastian's expression changed, "You're lying! Why didn't I receive this news?"

Melissa waved the phone in her hand, "It has been released online. The municipal government has just released this plan. You can take a look

Hearing Melissa's words, many people took out their phones and saw the news that had just been released

What Melissa said was true!

Did I spend a whole 50 million to buy such a piece of wasted land?

Melissa looked at Sebastian's face and couldn't help but raise a smile, "Mr. Lawford, as the saying goes, you are just fretting in your own grease."

Sebastian's complicated gaze fell on Melissa's face, "Ms. Eugen, it's still too early to say these things. A mere 50 million is nothing to me. We still don't know who would win at last."

"Is that so?" Melissa smiled faintly, "Then, let's wait and see."

"Mr. Lawford, what do you think of this matter?" Reporters surrounded Sebastian.

A reporter even hit the nail on the head, "Mr. Lawford, on the surface, it seems that the BPL Group won the North Bay Project, but in fact, it is obvious that the final winner is the Gibson Corporation."

Sebastian had a darkened expression on his face.

Ignoring the reporters, Sebastian snorted and left.

Looking at Sebastian's back as he left, Murray's eyes darkened.

Melissa already knew about it?

Everything that had happened today was within Melissa's expectations?

Even when Ryleigh disclosed the base price to the BPL Group and framed Melissa, Melissa had already anticipated everything and let it happen, making things develop under her control.

This woman wasn't simple-minded.

Sebastian aggressively came over, but he was defeated and returned. In that battle, the Gibson Corporation won.

After the press conference, Melissa returned to her seat.

For the 'Ice and Fire jewelry series, she had made a series of plans in detail.

Since Sebastian had openly declared war on the Gibson Corporation at the press conference, there was no reason for her to sit still and wait for others to make movements.

It was time to get off work after writing the proposal.

Her colleagues all got off work in twos or threes. Melissa was the only one left in the large office.

She packed her things and was about to go to Murray's office to show him the plan.

Suddenly, a shadow appeared in front of her and covered her.

Melissa looked up in surprise. What appeared in her sight was Murray's tall and handsome figure.

"Murray, why is it you? I was just looking for you." Melissa looked a little surprised,

"Why are you looking for me?" Murray raised his thin lips slightly

It was rare for Melissa to seek him out.

Melissa turned on the proposal, pointed to the computer screen, and said in a cold voice . "This is about the

'Ice and Fire' project, a plan to deal with the love and Romance company

"Are you looking for me for business? Murray's gaze dimmed slightly

"Or what?" Melissa looked up at Murray and began to explain the plan to him in detail

"I plan to introduce a few pieces of 'Ice and Fire Jewelry first. I will design a unique logo for each of them as a gimmick and secretly apply for patents."

After a pause, Melissa continued, "Love and Romance company will copy our new products for sure, including those unique signs. At that time, we can strike them down with our legal rights

"To put it simply, we should set a trap and allure the company to the trap, and then strike them down at a stretch

"What do you think?"

Murray narrowed his eyes and said calmly, "Okay."

"If there are no problems, then I will arrange for someone to do it." Melissa smiled and closed the computer.

"Regarding the North Bay Project, did you already know the government's plan for the chemical industrial area? Moreover, did you already know that Ryleigh would secretly disclose the base price to frame you?" Murray suddenly asked.

Melissa did not deny it.

"So, everything is in your plan." Murray looked at Melissa with a complicated gaze.

It had to be said that Melissa was indeed outstanding.

She was intelligent, decisive, and ruthless,

Murray admired it.

When meeting Murray's deep and probing gaze, Melissa's breath ragged.

She swiftly turned her head away.

"It's time to get off work. I'll go home now." Melissa picked up the bag on the table and was about to get off work

Just as she was about to walk towards the gate, she felt a huge force around her waist.

Melissa was caught off guard and lost her balance, falling into Murray's embrace.

"What are you doing?" Melissa asked with a frown.

"Come with me," Murray spoke solemnly.

Without waiting for Melissa to reply, Murray held Melissa's hand and took her into his car without any explanation

'Where are you taking me?' Melissa looked out the window and asked

Murray glanced at Melissa indifferently and said with his magnetic voice

"You'll know when we arrive

A few days ago, he had someone prepare a grand marriage proposal ceremony and wanted to give Mehtaa surprise

But

unexpectedly, Melissa attended Jaylin's award ceremony and did not even give Murray a chance to do it.

Tonight, he was going to propose to Melissa and failure was not an option for him!

Melissa curled her lips speechlessly

What is this man doing now?

Half an hour later, Murray stopped the car by the sea.

"We're here." Murray got off the car and helped Melissa open the door.

Melissa got off and looked around.

Not far away, there was the vast sea.

On the calm surface of the sea, there parked a luxurious cruise ship.

Melissa recognized that it was Murray's cruise ship.

Last time, Murray proposed to her on the cruise ship.

Now that Murray brought her over here again, what exactly was he trying to do?

"Melissa, over here." Murray held Melissa's hand and boarded the cruise ship.

On the cruise ship, two bodyguards stood by the sides of the door. When they saw Murray and Melissa, they said respectfully, "Mr. Gibson, everything is ready."

Murray nodded slightly.

"Murray, what are you doing?" Melissa could not help but ask.

"You'll know very soon," Murray smiled.

He took Melissa to the dining room and sat down at the table where he proposed last time.

Just as Melissa sat down, all the lights in the dining hall of the cruise ship suddenly went out.

"Ah! It was suddenly pitch black in front of her, and Melissa couldn't help but exclaim.

She was so afraid of the dark.

"Melissa, don't be afraid." Melissa heard Murray's magnetic voice.

He reached out and held Melissa's hand, "Close your eyes."

For *some reason*, Murray's voice seemed to be very charming, Melissa subconsciously closed her eyes

The *warmth* of Murray's big hand come through his palm, and Melissa's heart calmed down a lot

A few *minutes* later, Murray whispered in her ear, "You can open your eyes."

Melissa suspiciously opened her eyes, only to see candles lit all around her The candlelight was swaying in a somewhat romantic way

Chapter 218 Carretetag Open

It turned out to be a candlelight dinner.

Melissa looked up at the man in front of her, "You're acting so mysteriously just to bring me here for dinner?"

"Of course not." Murray raised his eyebrows, took a deep look at Melissa, and said in a deep voice.

How could it be as simple as eating dinner?

I carefully prepared a grand marriage proposal!

"Then what?" Melissa was a little puzzled and frowned slightly.

If it wasn't a candlelight dinner, what was it?

Could it be that Murray wants to...

Melissa had vaguely guessed a bit.

However, she had not thought it over yet.

“Melissa, try this. It’s your favorite.” Murray’s magnetic voice pulled back Melissa’s thoughts.

“Thank you.” Melissa returned to her senses and saw Murray placing a peeled prawn into her dish.

Melissa picked up the prawn and began to eat.

It was delicious

Seeing Melissa wolfing down the food, Murray smiled slightly, peeled another shrimp, and placed it in Melissa’s dish, “Enjoy it.”

“I can do it myself.” Melissa pursed her lips.

Murray stared at Melissa with his clear eyes and said in a heavy tone, “I like to peel prawns for you. If you want, I want to peel them for you for the rest of my life.”

Melissa’s hand, which was holding a fork, paused.

It seemed a bit familiar.

In the past, Murray had also said it before.

Now he said it again. Somehow, Melissa felt that Murray was so attractive tonight.

Melissa lowered her eyes and pretended not to hear, burying her head in the dish.

Murray fixed his deep gaze on Melissa.

Tonight, I will win Melissa back.

“I’m stuffed. Should we leave now?” Half an hour later, Melissa felt that she was full, so she stood up and

looked at *Murray*

Murray strode in front of Melissa, looking down at her, “There’s no need to rush”

“I still have something left to do” *Melissa frowned*

Today, Sebastian had been defeated, but he would make a move against the Gibson Corporation again

Therefore, she needed to design a new product for the Ice and Fire series as soon as possible and make it go public

Melissa planned to rush back at night to design the new product of the Lee and Fire series so that she could get the upper hand

Melissa come with me Murray didn't let go of
Melissa Me held her hand and took her off the cruise ship Without any further explanation

"Murray, what are you doing? Melissa felt a little speechless and asked

Murray was acting so mysteriously and he just wouldn't tell her what he wanted to do

"Come with me you'll figure it out soon Murray smile

Melissa rolled her eyes at him 'I you have something to say, luskavit. I don't like to play riddles with people

Before she finished speaking Melissa suddenly stopped

It was because Melissa saw that there were many helicopters parked in front of her. It looked very majestic and shocking

Just now when they came over, there were no helicopters

The captains of the helicopters lined up in a row and saluted Murray

Murray nodded slightly and asked "Are you ready

"Yes, we are!" The captains replied in unison.

"What's this for?" Melissa was even more confused

Murray pulled Melissa onto the
largest helicopter and made Melissa sit by the window. He sat down beside Melissa

The helicopter slowly rose and left the ground

"Hey, what are you doing? I'm afraid of heights..." Melissa subconsciously closed her eyes. She was speechless

What's wrong with Murray? He knew that I was afraid of heights, but he still brought me onto a helicopter now?

Seeing that Melissa finally revealed her timid side. Murray laughed slightly He reached out his big hand and pulled her into his arms

'Melissa, with me here, you don't have to be afraid Murray bent over slightly and whispered into Melissa's

His warm breath sprayed at over Melinda's car, which made Melissa feel a bit numb and itchy

Lying in Murray's robust one, that feeling was not familiar to Melissa and it made her feel slightly

In fact, she still enjoyed that feeling very much However...

"Melissa, open your eyes," Murray said suddenly and rubbed Melissa's hair.

Melissa complied and opened her eyes.

She leaned against Murray's shoulder, and the fear of heights gradually dissipated,

What exactly did Murray want to do by taking me so high up in the air in the middle of the night?

Seeing the doubt in Melissa's beautiful eyes, Murray said in a low and hoarse voice, "Melissa, we will go to see your parents now because I have something important to tell them."

"See my parents?" Melissa was startled.

What the hell is Murray doing?

Grandpa said that my parents had already died in an accident a long time ago.

"Yes," Murray responded indifferently.

"Don't beat around the bush. You've done so much tonight. What exactly are you trying to do?" Melissa rubbed her forehead and glanced at Murray coldly.

Murray approached her, pointed to the twinkling stars in the night sky, and said in a low voice, "Melissa, do you still remember the time when we were on the Ferris wheel in the Wyvernholte amusement park. I said that your parents have never left you. They just went to the sky. In another place, they watched you silently and cared about you."

Melissa's heart was touched slightly.

Of course, she remembered.

At that time, Murray confessed to her on the Ferris wheel and kissed her.

She remembered that he once said that the top of the Ferris wheel was the place closest to happiness. If lovers kissed at the top, they would never be separated again.

The memory of the past kept flashing in Melissa's mind,

Before she could speak, she heard Murray point at the two brightest stars in the night sky and suddenly raise his voice, 'Mr. Eugen and Mrs. Eugen, I want to marry Melissa and take care of her for the rest of my life. If you agree, stay steady. If you don't agree, hide in the clouds'

In the quiet night, the starlight was bright, shining on the earth and the helicopter

Murray's deep gaze fell on Melissa's face His voice was as pleasant as a cello. See? Melissa, your parents

have already agreed and you won't reject me 100, am I right?"

So that's what all these are about!

Listening to Murray's touching words, Melissa's heart began to beat faster and faster

"What are you saying?" Melissa looked away

She knew that it was just Murray's trick

How could those two stars be her parents?

How could it be considered as her parents agreeing with him?

However, she was still slightly moved

Seeing that Melissa was silent, Murray suddenly knelt on one knee and took out the ring. Melissa, promise me, marry me!"

When her gaze fell on the ring in Murray's hand, Melissa's heart suddenly skipped a beat, and she was slightly dazed

After their engagement was canceled she returned the ring to him

And now, Murray suddenly proposed to her again.

Chapter 240

Chapter 240 Pact

After Jaylin asked Melissa to marry him last night, Murray proposed to her.

Melissa was a little speechless.

Melissa was embarrassed last night at the awards party when Jaylin wanted to marry her. However, she was a little bit happy to hear Murray's proposal.

After all, Melissa was still in love with Murray.

Murray's sincere attitude left her in a dazed state.

She did not know how much Murray loved her.

Melissa noticed that Murray had changed his attitude towards Ryleigh.

However, Murray also said he would never abandon Ryleigh because he was indebted to her.

Even at the press conference, Murray did not publicly reveal the base price of the Gibson Corporation to save Ryleigh's dignity

That showed how much Ryleigh meant to Murray

Melissa was almost sure that Ryleigh was not Lily.

Although Murray would never forgive Ryleigh if Melissa collected the evidence to prove it, Murray was still afraid that Lily would steal him from her when she came back one day

Those thoughts thronged on Melissa's mind

Melissa didn't want to get abandoned again since Murray once ran away on the day of their engagement

Melissa didn't say anything Murray looked at her with confusion and asked in a soft voice, "Melissa, would you marry me?"

Melissa looked away from him and looked out of the window.

Through the window, Melissa saw dozens of drones surrounding the helicopter. The drones featuring LED lights seamlessly transitioned into choreographed patterns and characters.

"Mefista, marry me!

"Meieta, I love you These finding drones illuminated the night sky, which was especially dazzling

The drones en formed into a flower whose petals kept scattering down to make the proposal mare For

'Melissa antiver me! You will be the happiest waran in the world Murray akdinarquably

Melissa lowered her head. Staring at the man kneeling in front of her, she frowned slightly.

Melissa still decided to reject him regardless of his great effort.

Melissa believed Murray would not cherish her if it were too easy for him to marry her.

Her attitude remained the same. Melissa could not forgive Murray for running away with Ryleigh in their engagement, whatever his reason was.

Seeing that Melissa kept silent, Murray said in a low voice with a faint smile, "If you don't say anything, I'll take it as a yes."

Murray stood up as he was speaking. He suddenly grabbed Melissa's hand with his big hand and put the ring on her finger.

"Who said I accepted it?" Melissa asked after coming back to her senses, trying to stop Murry.

Murray quickly put on the ring and said with his thin lips turned up a little bit, "Look, you already put on the ring! How could you deny it?"

Melissa rolled her eyes at Murray, thinking him too shameless.

"I can take it off anytime I want," Melissa said while pretending to take off the ring, as cool as a cucumber.

Murray immediately grabbed Melissa's hand to stop her and shouted, "Don't!"

Melissa looked up and met his gaze. Melissa was about to speak something when Murray suddenly lowered his head and kissed her lips.

Melissa's words stuck in her throat.

Melissa gasped and tried to push him away, but she failed to move Murray further from her.

His crazy kisses got Melissa's heartbeat racing up.

Her lips were so alluring and sweet as cherries that Murray only wanted more kisses.

Murray couldn't help but kiss her harder. His fierce kiss, like the storm, raged across her lips and teeth, not giving Melissa a chance to breathe.

Melissa's face began to burn as if it was on fire.

The temperature in the helicopter gradually rose.

Outside the window, dozens of drones kept forming romantic and beautiful pictures.

Murray finally let go, not knowing how long he had kissed Melissa

Murray panted and whispered into Melissa's ear, "Marry me, please!"

His hoarse voice sounded quite charming

Melissa patted her burning face, took a deep breath, and remained silent

There was a trace of loss and frustration flashed in Murray's eyes,

He had never put so much effort into any woman before

Melissa was the first and would be the only woman he valued so much.

However, Melissa did not appreciate it at all.

Murray put his hands on Melissa's shoulders and asked in a low voice, "Melissa, tell me! What should I do?"

Melissa thought for a while, pursed her lips, and said, "We still have time left on our pact . When the time comes, I will give you my answer. My decision will depend on your performance in this period."

Murray put on a long face and asked, "Come on! Can't you answer me now?"

Melissa knew how to torture him.

She knew how much he loved her and wanted to be with her, but she still refused to marry him at that time.

"It depends on my performance," Murray murmured. He then suddenly lowered his head, gently kissed her forehead, and said, "You will be satisfied with my performance."

Melissa thought Murray kissed her too often,

She hadn't married him yet, after all!

Melissa pushed Murray away, looked out the window, and said, "Can you stop the drone light show?"

Murray frowned and asked, "Why?"

"It's late I want to go back right now," Melissa said indifferently

Murray hugged her and said, "I'll wait for your answer."

The helicopter slowly descended and landed on the ground as Murray's commanded.

Melissa finally let out a sigh of relief. She felt much more comfortable when she came back to the ground

"Till *drive you back*," Murray said Holding Melissa's hand, Murray walked to his car.

Melissa suddenly spotted a flash of light behind them Someone was secretly taking photos of them

She turned around and saw many people on the beach looking at them from afar Nothing else was special

When Murray saw “Jaylin” appearing on the screen, his face, which didn’t look very well, suddenly became black with rage
