

Ms. Doctor Divine

Chapter 16: A Bit Different

Gu Chaoyan looked at Qing as if she were staring at an idiot. She sighed softly. This girl was nice in every way, except that she was a little slow.

How to get out of the mansion?

She knocked at Qing's head lightly. "Of course, we are walking out of the front gate!"

Qing was confused and looked at her mistress like a fool. "Front gate? But the Old Master set the rule that we are not allowed to step out. The guards would definitely stop us."

But what Qing received, was not a proper answer, but another knock on the head.

Qing touched her head and followed her in confusion.

Gu Chaoyan felt quite happy and started to walk out with a bright smile on the face.

They stepped out of the Qiong Pavilion and no one stopped them.

Qing ignored the pain on her head and was totally surprised. Why was no one stopping them? What happened?

They were always questioned whenever they walked out of the Qiong Pavilion in the past.

What Qing did not know was that everyone in the Gu Mansion was busy taking care of the Second Miss right now, because something had happened to her!

But, this good luck didn't last for long. They were finally stopped as they reached the front gate.

The guards looked at the chubby miss and her maid with disdain on their faces. There was not even a hint of respect or friendliness in their expressions. They bellowed as if they were talking to beggars. "What are the two of you doing here? Are you going outside to bring more shame to the mansion? The Old Master has given the order that you are not allowed to step outside the mansion!"

During the past decade, Gu Chaoyan had only been outside the mansion twice. One was when she went to the temple as a little girl to pray. She gained the title as the most hideous person at that time. She understood later that the reason why she was maligned like this was because of her stepmother. The second time happened a couple of days ago, when the original Gu Chaoyan rushed out to Duke Changning's Mansion after receiving the news regarding the divorce paper. That was also when the original Gu Chaoyan died.

Since Gu Chaoyan was not allowed to leave the mansion after her first visit, how did she manage to go out last time when she went to meet the Prince?

Gu Chaoyan was reminded of this by the guard's words.

"Miss..." Qing tugged at Gu Chaoyan's sleeves.

Gu Chaoyan came back to herself and said, "I am allowed to go out of the mansion."

The guards sneered as if they had just heard the biggest joke. "How could that be possible?"

"You can ask the Old Master if you don't believe me." Gu Chaoyan said with

Chapter 17: Discussion

"Are you blind? Didn't you see her hideous face? I felt so disgusted by her appearance when she stood next to me." The other guard said disdainfully and then added. "Check the money in your pocket. She may have stolen from you. She is famous for stealing from everyone."

"I don't even feel like eating anything after seeing her today."

"Did you hear that after the Prince divorced her, he offered her a position of concubine, but she turned it down."

"The Prince is a noble person. How dare she turn down his benevolence?"

"It is just a rumor! We can't take it as truth. She is not only horrible to look at, but also has the habit of stealing. If she really became a part of the Duke Changning's family, the Gu Mansion would have definitely experienced worse luck because of her!"

Several guards were chatting amongst themselves when the chief came there. They stopped talking instantly. The chief was different from them. If he knew about the topic of their discussion, they might lose their jobs or even lives!

But they were not the only ones who were discussing Gu Chaoyan.

Even people on the street were pointing at her at the same time. She stood out in the crowd because of her chubbiness, and a light red birthmark on her face.

1

“Miss...” Qing said as she followed Gu Chaoyan tightly. “They are talking about you. How do they know that you are the Eldest Miss of the Gu Family?”

“I humiliated myself at Duke Changning’s Mansion a couple of days ago, and now I am an abandoned girl. So, of course they are talking about me.” Gu Chaoyan said nonchalantly.

“Also, look at my distinctive birthmark and my ‘special’ face. Few people are as ugly as me!”

Qing lowered her head and looked a bit sad.

“Miss, you are not ugly. You are the prettiest in my eyes. I remember that you used to look like a porcelain doll when you were young. Everyone adored you when they saw you. After that first outing, you started to care a lot about people’s opinion about your appearance, and hence, you were so sad in the past few years.”

Gu Chaoyan sighed. What a loyal girl!

She might have looked pretty when she was young.

She remembered what her mother was like. She was indeed a beautiful woman. Gu Zhenkang was good looking as well. Hence, she couldn’t understand why two good looking people managed to give birth to such an ugly looking person like her.

She shook her head slightly.

“Miss, why are they being so kind as to spare the space for us?” Qing asked after noticing the strangeness of this matter.

“They are not being kind, they are worried that we are going to steal their stuff.”

The original Gu Chaoyan might have looked a bit crazy, but she was not a thief. She wondered how those rumors came up about her stealing both from the masters and servants of the mansion.

Qing glared at these people who were maintaining a distance from them. Her miss had never stolen anything from anyone. She hated it when her miss was misjudged!

“Is that Gu Chaoyan, the ugly miss of the Gu Family? Wasn’t she abandoned by the Prince? What face does she have to linger around here? I would have killed myself if that had happened to me.” A woman among the crowd commented loudly.

“True, I heard that the handsome Prince is marrying the Second Miss of the Gu Family. They look so good together. What luck does the Gu Family have, two starkly different daughters, one is a fairy, the other a devil!”
