

CHAPTER 161:

After making the first call, Jiang Dahua took out his mobile phone and made the second and third calls, calling his friends in taxation and industry and Commerce in succession.

Making these calls is nothing more than to make the tracing go smoothly, so as not to be hindered, and then return without success.

This is not over. Jiang Dahua made a fourth call to the public security and discipline inspection, asking them to work together, so that Huafeng Group could not find any way out.

Then he made a fifth call.

This time, I called the manager of the company's public relations department and asked him to arrange for the major news media to expose the affairs of Huafeng Group.

This time, all the active relations were used to make Huafeng Group collapse completely and let Zhao Changfeng fall into the business circle of Luzhou.

"Mr. Jiang is worthy of being an old man in the world, and his means are really old and hot." Seeing that Jiang Dahua finished the phone call, Wu Tiantian couldn't help boasting.

"In fact, I've long wanted to kill Zhao Changfeng, but I haven't found any loopholes." Jiang Dahua grinned bitterly and said triumphantly, "thank you for discovering the loophole of Huafeng Group."

"If there is no accident, Huafeng Group will have a major crisis, and even Zhao Changfeng will be investigated." Wu Tian's smile grew stronger.

"Let's go, little brother. Let's go to Huafeng Group with me." Jiang Dahua said this and took the lead to walk outside the office.

Wu Tian followed him out.

When they arrived at Huafeng Group, they found that the gate of the company was full of staff from the procuratorate and tax department.

In addition, there are many media reporters are taking photos and reporting crazily, passers-by are also pointing.

Zhao Changfeng was soon taken out of the company by two uniformed prosecutors, and many reporters gathered around to interview him.

In the obstruction of law enforcement officers, Zhao Changfeng was taken to the official car.

Jiang Dahua went to the law enforcement officer and said, "director Huang, what's the situation?"

He asked this question knowingly. It was behind the scenes that he was manipulating it. He also

asked this question deliberately to hide people's eyes.

"After receiving reports from the masses, Huafeng Group has evaded taxes. We have taken Zhao Changfeng, the legal person of the company, to investigate according to law." Huang explained in a serious tone.

"I see." Zhao Changfeng nodded and tried to ask, "can I have a few words with boss Zhao?"

"Sorry, don't interfere with our enforcement." Director Huang said so, but he winked at the arresting officers.

The two staff members immediately understood and pushed Zhao Changfeng to the front of Jiang Dahua and twisted his head to one side.

"Boss Zhao, are you ok?" Jiang Dahua pretended to be distressed, but his mouth was full of schadenfreude.

He and Zhao Changfeng are enemies, fighting each other in the business field, or the first time like this relaxed tone of dialogue.

"It's all behind your back." Zhao Changfeng bit his teeth and asked in a low voice. Now it's almost cannibalism.

Jiang Dahua put on a look of Innocence: "boss Zhao, don't injustice good people."

"How did you find out?" Zhao Changfeng put his head together and roared in a light and

inaudible voice.

The company's accounts have always been very secretive, and he has done enough work in this respect, and there is no possibility of problems.

But he never dreamed that this time he would be found a flaw by Jiang Dahua.

How can Jiang Dahua find the company's financial loopholes?

"Thanks to a friend." Jiang Dahua said here and pushed Wu Tian behind him. "It was this friend who helped me provide important information."

"Wu Tian?"

Zhao Changfeng was shocked, never dreamed that it was Wu Tian who discovered the company's financial loopholes.

But he still can not understand, can not help but ask in a low voice: "boy, how can you find out?"

"Boss Zhao, you should have heard of tit for tat." Wu Tian approached with a smile and whispered, "you used to use hackers to attack our company's new system, so I'll use hackers to attack your company's financial system. Our company is full of talents, so it's not difficult to open a back door with technology."

"You are so mean." Zhao Changfeng's mouth trembled and his old face was distorted.

"You've taught me that, too." Wu Tian sighed slightly and said with great helplessness: "before, I sincerely found you to reconcile. You didn't want to. There was no way. I can only use this way to protect."

"You, you, you..."

Zhao Changfeng's face was ferocious. After a long time, he asked, "is it you who asked Jiang Dahua to deal with me?"

"That's right." Wu Tian nodded and explained with a smile: "with my personal strength, I'm not your opponent at all. Even if I know your financial loopholes, I can't fight you, so I'll ask Jiang Dong for help."

"Shameless!" Zhao Changfeng angrily scolded.

I've never seen such a shameless guy as Wu Tian, who has united his enemies to deal with him.

Wu Tian is such a small role, even if there are ten more, he does not pay attention to it.

However, with Jiang Dahua, a business tycoon, united with various forces to attack him, the situation immediately became extremely bad. I'm afraid this time he'll never recover.

"Boss Zhao, we could have become friends or even partners, but you had to let me do something against my conscience. I had no choice but to let you die." Wu Tian raised his head slightly, and his whole body burst out with astonishing momentum.

"Ha ha ha..."

Zhao Changfeng suddenly raised his hair and laughed wildly. After that, he laughed at himself out of his wits and said, "I Miss Zhao Changfeng. I'm so wise that I lost to you. I can't be reconciled to it!"

Wu Tian has never been regarded as an opponent before. In his opinion, this boy is not worth mentioning.

After all, this guy is just a small boss of a technology company. His strength and power are far behind him.

Can not expect is, this boy brain melon seed is good, through the way of tit for tat, found his company's financial loopholes.

He didn't expect that he could fight the enemy with strength.

The combination of the two led to his death.

"You are not defeated by me, you are defeated by your own conscience." Wu Tian took a breath and warned, "remember a word, evil is not good."

"....."

Zhao Changfeng didn't speak any more, just staring at Wu Tian with that kind of deep and long eyes. At this time, he looked so weak and weak.

Only at this time did he understand that he should not underestimate the strength of the

opponent because his opponent seemed weak.

Opponents can find your Achilles' heel and strike hard, so that you don't have any chance to turn the tables.

At this time, director Huang of the procuratorate told his subordinates: "take Zhao Changfeng back to have a good examination."

"Yes Two staff members were ordered to walk to the car with Zhao Changfeng in his arms.

Zhao Changfeng's vision has always fallen on Wu Tian, who has always been a loveless figure, as if he had been pushed to the guillotine.

In fact, he still felt unwilling.

If he is defeated in the hands of Jiang Dahua, who is equal to his strength, he is convinced.

But he finally lost in the hands of a hairy boy, which made him a little hard to accept.

CHAPTER 162:

After Zhao Changfeng was taken away, the scene gradually quieted down.

Jiang Dahua stands in front of Huafeng building and is reluctant to leave.

After a long time, he turned to Wu Tian and asked with a smile, "what will happen to the old

man named Zhao?"

"In my opinion, Zhao Changfeng is not only tax evasion, but also other criminal responsibilities. In addition, with the suppression of your various forces, Zhao Changfeng can hardly get rid of his crime."

"I didn't expect that you were young and had such a deep look at the problem." Jiang Dahua nodded with approval, and said with confidence: "I'm afraid that the old man is in prison this time."

"It depends on what you do next."

"Come on, get in first." Jiang Dahua turned to get into the BMW, then turned to Wu Tian and asked, "what do you think I will do next?"

"In my opinion, Mr. Jiang will certainly try his best to suppress Zhao Changfeng's power and block him from all aspects, so that Zhao Changfeng will not have another chance to turn the tables." Wu Tian looks at the distance with a smile.

"Not bad." Zhao Changfeng nodded with appreciation. Now he is more and more fond of the young man in front of him.

Then he took out his mobile phone and dialed a phone call. He said to the mobile phone, "use all costs to block Huafeng Group and let them fall into a huge crisis, unable to take care of Zhao Changfeng."

After making the call, he couldn't help but say to Wu Tian: "I believe that before long, the news of Zhao Changfeng's imprisonment will appear on the streets."

"As far as I know, Zhao Changfeng has not only the power of his company, but also his family."

"You mean his brother?"

"Of course."

"You are right. It seems that you know Zhao Changfeng very well." Having said this, Jiang Dahua called again and arranged for someone to make trouble for brother Zhao Changfeng.

Since then, the forces around Zhao Changfeng are all tied up, and no one will help Zhao Changfeng if he does not care about himself.

"So far, I think I should go." Wu Tian is going to push the door and get off.

As a result, Jiang Dahua grabbed his arm and stopped him from saying, "I'm very happy to cooperate with you. Let's have a meal together and share the success of our labor."

"No problem." Wu Tian nodded.

It is not bad for him to know such a business giant as Jiang Dahua, which is conducive to broadening his contacts.

"There's a small restaurant across here. It's delicious. Let's eat there." Having said this, Jiang Dahua got out of the car and walked across the street.

Wu Tian followed him in the past.

They went up the stairs to the second floor, went into a special snack restaurant and sat down by the window.

These are Luzhou special snacks, a few people casually ordered a few dishes, asked for two bottles of fruit wine.

"I didn't expect a big boss like Jiang Dong would come to eat in such a small place." Wu Tian poured two glasses of wine and pushed one of them.

"I like this special snack. Here, cheers." Jiang Dahua raised his glass and said with a kind smile, "we celebrate the perfect cooperation."

"Cheers Wu Tian raised his glass and touched it.

The two people from the initial confrontation, to now so harmonious, only after more than an hour.

"Young man, I appreciate you very much. You are really different." Jiang Dahua praises from the heart.

At first, he looked down on Wu Tian from the bottom of his heart.

Like Zhao Changfeng, he thinks that Wu Tian is just a small boss of a technology company, and his status is far away from him.

But after getting along with each other, he found that the young man in front of him was different from others. He had extraordinary bearing and temperament, and his brain melon seeds were very smart and quick to respond.

"Mr. Jiang is flattered." Wu Tian was pleased to get such a comment.

"It can be said that without you, I could not have defeated Zhao Changfeng." Jiang Dahua raised his glass again. "Here, I'll give you this one."

"Thank you, Mr. Jiang." After thanking Wu Tian, he drank all the wine in the cup.

This is his first time to drink fruit wine. It is not as strong as white wine, nor as pure as the drink. On the contrary, it is a bit out of the ordinary.

"Pa!"

Jiang Dahua put down his glass and tried to ask, "now Zhao Changfeng is broken. What are you going to do next?"

"Huafeng Group is a big piece of fat. If it was me, I would definitely try to eat it." Wu Tian made no secret of his ambition and said with a smile.

"Huafeng Group is a giant. A lean camel is bigger than a horse. It is not easy to eat it?"

"Fat meat like Huafeng, if you eat it alone, will certainly last forever. You can find a way to divide it into zero and cut it into small pieces."

"It makes sense."

"I have to persuade Jiang Dong that he only needs to eat the fattest piece of meat like this, and never be greedy."

"Well said." Jiang Dahua patted his thigh and said happily, "with your mind and wisdom, you will become a great success in the future."

"Flattering!" Wu Tian smiles. It seems that this cooperation has won the favor and trust of Jiang Dahua.

They ate and talked, and the meal lasted for hours.

Until 5 p.m., Jiang Dahua left in a hurry after answering the phone call and left Wu Tian with a phone call before leaving.

Wu Tian sat alone on the second floor of the restaurant, leaning back on his chair, staring at the opposite Huafeng building in a daze.

I didn't expect such a big Mac company to decline like this, so it will become history.

It was not Wu Tian or Jiang Dahua who destroyed Huafeng, but Zhao Changfeng himself. All this was his own destruction.

As the saying goes, you can't live if you do evil by yourself.

When Wu Tian left the restaurant, he found that the newspapers and media were reporting the latest news about Zhao Changfeng.

According to the newspaper news, Huafeng Group is suspected of tax evasion, misappropriation of public funds and bribery. Zhao Changfeng, the legal person, has been transferred to the judicial department for further investigation and evidence collection.

This kind of big company can be said to lead the whole body, the company's share price fell rapidly, evaporated hundreds of millions in a day.

Huafeng Group from the headquarters to the major companies have appeared capital, business and public relations crisis.

Already very bad, plus Jiang Dahua behind the manipulation, so that the entire Huafeng Group has fallen into a state of semi paralysis.

No accident, Huafeng Group will fall.

Just as he was staring at the newspaper, he received a phone call from Li Mu and excitedly said something about Huafeng Group and Zhao Changfeng.

When he learned that Wu Tian was in charge of all this, Li Mu simply admired Wu Tian.

It is a malpractice that the boss of a small technology company can span the business leaders of Luzhou.

After talking to Li Mu on the phone, Wu Tian returns to his residence with his newspaper.

As soon as I entered the door, I saw Long Yun sitting on the sofa in the hall, reading the newspaper carefully.

Seeing Wu Tiantian, Long Yun put down the newspaper and exclaimed: "I just learned that Huafeng Group was in crisis, and Zhao Changfeng was also sent to the judicial department for investigation."

"What should come always comes." Wu Tian goes to the position opposite to Long Yun and sits down and puts the newspaper on the tea table.

CHAPTER 163:

"Is it you?" Long Yun slightly coagulates eyebrow, unbelievable way: "this all is young master controls behind the scenes?"

"I think so." Wu Tian nodded.

Although the key figure in the collapse of Huafeng Group was Jiang Dahua, it would not have happened without him.

"It really surprised me." Long Yun's face lit up a happy smile, and soon returned to indifference. He sighed: "I didn't expect that the young master really trampled down Zhao Changfeng and Huafeng Group by relying on his own strength, and completed a feat of snake eating elephant."

Before, I thought that the young master could not trample down Huafeng Group.

Because the fight between the two is like an egg against a stone.

She even worried that the fierce fight between the two sides would bring danger to the young master.

But the result let her be surprised, young master really rely on his own strength to deal with Huafeng Group, let Zhao Changfeng into crisis.

It's really powerful for the young master to destroy Zhao Changfeng in such a short time.

"It turns out that even if I don't rely on the strength of my family, I can still find a way to kill the enemy." Wu Tian has a bit of complacent smile way.

"Young master, I'm curious. How did you do it?"

"I'm just trying to kill Zhao Changfeng with the help of Jiang Dahua." Wu Tian explained simply.

"Is that all right?"

"Of course."

"Young master is really..." Long Yun's expression is strange, for a time do not know how to describe their own young master.

Her young master is really smart. She can think of such a way to have the best of both worlds, which will not harm her own interests, but can easily kill her opponent.

I have to admit that the young master is really outstanding.

"No matter how powerful an opponent is, they all have weaknesses. If they find the other party's fatal weakness to attack, they can get twice the result with half the effort." Wu Tian seems to be a self talking sentiment.

"Well, I'll tell him the news now." Long Yun said this, got up and went back to his room.

Wu Tian originally wanted to eavesdrop on Secretary Long's conversation with his grandfather, but after a second thought, he gave up.

This time, he relied on his own strength to solve Zhao Changfeng and Huafeng Group, so my grandfather must be very pleased.

Sitting in the living room meditating for a while, I got up to take a bath in the bathroom. After

the bath, I went to the study to read and study.

Recently, reading books is active, but practicing martial arts is a bit wasteful. Qinglong calls him to practice at five the next day.

It's been wasted for a week, and it's obvious that it's a step backward. It seems that we have to persist in practicing martial arts day by day.

He didn't go to the bathroom until eight o'clock.

Just put on the clothes, received a call from Huang Lan.

"Sister LAN, can I help you?" Wu Tian connected to the mobile phone and asked.

Every time I received a phone call from sister LAN, the first thing I thought of was to eat. Every time the woman asked him to have dinner.

"I've ordered a dress for you. Come and have a try." At the other end of the phone, Huang Lan's tone was gentle and kind, and she felt like a big sister next door.

"What dress?"

"Didn't I tell you to wear a dress when you go to my house?"

"Er..." Wu Tian suddenly remembered that he had promised LAN elder sister to accompany her

to Huang's house when she had time.

I've been so busy these days that I forgot about it.

Huang Lan's displeased voice came over the phone: "bad boy, I agreed to accompany me back to Huang's house. You won't forget this matter, will you?"

"Hey, I really forgot." Wu Tian said with an embarrassed smile.

"Hum, I know how to pick up girls all day long, and I don't care about my sister." Huang Lan complained, a little strong command: "I don't care, you have to accompany me back to the Huang family today."

"Well, I'll be with you."

"That's about it. Come to my place and try on the dress."

"OK, come here at once." Wu Tian hung up and asked Uncle Fugui to drive him to Tiancheng, Washington.

Knowing that sister LAN lives in room 2 on the 10th floor, she takes the elevator to the 10th floor.

Came to the door of the second room, found that the door was not locked, presumably LAN elder sister deliberately left the door for her.

I don't want to knock on the door, just push the door and walk in.

This is the first time I came to sister Lan's residence. When I entered the house, I could smell the fragrance of my first son, which made me fascinated.

The room is well organized and spotless. It's just been cleaned up.

At this time, Huang Lan is in the kitchen making coffee in her long striped nightdress.

"Here we are. Sit down." Huang Lan came out of the kitchen with two cups of coffee and handed one of them to Wu Tian. "Come on, try my coffee."

"Well, it's delicious." After a sip of coffee, Wu Tian couldn't help praising him.

In fact, he is not interested in coffee, and his habitual praise is just to please sister LAN.

"Do you think it's coffee or sister?" Huang Lan twists her body deliberately, like a water snake.

It's sexy to wear pajamas, plus this kind of seductive posture, it makes people's blood flow."Coffee is more fragrant than sister LAN." Wu Tian flattered her, but it was also his sincere words.

He didn't feel the smell of coffee deeply, but the fragrance of LAN elder sister was fascinating.

LAN sister set charming, pampered, expensive in a body, the charm of a small woman to show incisively and vividly.

"You've learned to be smooth." Huang Lan put away her charming face and began to taste

coffee.

"I didn't tell you a lie. Sister LAN is delicious, more fragrant than braised pork."

"Poof!"

Hearing this, Huang Lan drank all the coffee in her mouth. She quickly wiped her mouth with paper and complained, "Stinky boy, are you praising or damaging your sister?"

"Praise you, of course."

"You say sister is as fat as braised pork?"

"No, sister LAN is fat but not greasy..."

"Sister fat?"

"Not fat. I mean you are plump but not greasy. It makes people greedy." Wu Tian explained with a smile.

"That's about it." Huang Lan slightly rolled a white eye, and soon put up a smile, the color of the way: "I have ordered a dress for you, go in and try it."

With these words, she took the lead to walk towards the bedroom.

To be exact, this is her fitting room, which is full of colorful clothes.

As soon as he entered the room, Wu Tian put his eyes on a set of sexy small clothes, even if they were a few small ropes.

He couldn't help but wonder, how can I wear it so thin that it doesn't hurt to wear it?

"What are you looking at?" Huang Lan pretty face a red, hurriedly side block in front of that small clothes, some embarrassed angry way.

Although she is usually careless and unrestrained in front of Wu Tian, she is not so open.

At least it would embarrass her to be staring at her private clothes by a boy, even blushing and heart beating.

"I just didn't expect, LAN elder sister likes to wear this." Wu Tian grabs his head and finds that his eyes are too focused.

Because I haven't seen this before, it's just instinctive curiosity.

"I don't like it. It's hard to wear it once." With these words, Huang Lan hid the small clothes.

"Don't like it, do you still buy it?"

CHAPTER 164:

"I didn't buy it. It was from a friend." When discussing this problem with the boy, Huang Lan's

expression on her face was also a little embarrassed.

"Well, from my boyfriend." Wu Tian nodded.

Can send this kind of privacy thing, certainly is the boyfriend, the ordinary friend certainly will not send these.

"What do you think?" Huang Lan rolled her eyes fiercely and quickly explained, "this is a gift from a female friend on my birthday. She only wore it once and hung here all the time."

"Female friends send this?"

"Yes."

"Your female friend is a little abnormal."

"Well, don't say that." In order to resolve the embarrassment, Huang Lan took the initiative to change the topic: "this is a custom-made dress for you, try it quickly!"

With that, he took the dress off the hanger.

"Well, I'll try." Wu Tian didn't think much about it. He quickly took off his suit.

Huang Lan's eyes flashed slightly. He was surprised to see Wu Tian's strong muscles. He didn't expect that the boy looked thin and strong.

But she didn't know that Wu Tian was really thin and weak before. After a strong training recently, she became so strong and powerful.

"Cough!"

Wu Tian was a little embarrassed by LAN elder sister's eyes. He quickly covered his body with his hand, "sister LAN, can you avoid it for a while?"

Huang Lan was just surprised at Wu Tian's figure. When she said this, she blushed with shame.

However, she did not avoid, deliberately put on a careless look, "sister is not never seen, quickly change the gift."

"Er!"

Wu Tian also found that his move was too stingy. His elder sister Lan was afraid of what he was afraid of.

She took the dress and put it on her body.

"Handsome!"

Huang Lan looked at Wu Tian carefully from top to bottom. He could not help boasting that people depend on clothes and horses on saddles. This is true

Changing into a dress, Wu Tian looks handsome, temperament than before the kind of ruffian look perfect 100 times.

"Sister LAN, can you be more reserved? You seem to have never seen a man in 800 years." Wu Tian couldn't help laughing.

Now I'm more and more familiar with sister LAN. It doesn't hurt to make a little joke.

"Elder sister said that the clothes were handsome, but she looked at the clothes and didn't look at you." Huang Lan replied generously to resolve the embarrassment at this time.

"Thank you, sister LAN, for making such a perfect dress for me."

"Come on, put on your pants, too."

"Good!" Wu Tianzheng is about to change his pants. He suddenly thinks of something. He reminds him: "sister LAN, do you want to avoid it?"

"If you have something to avoid, change it."

"Do you really want to avoid it?"

"Yes."

"I'll change it." Wu Tiandao doesn't matter. He is a man, but he won't suffer any loss.

Just when he was ready to change his trousers, Huang Lan's pretty face was red: "well, I'll go out first, you can change it slowly."

With that, she quickly fled the small room.

It doesn't matter if she says it doesn't matter. In fact, she still feels embarrassed. She doesn't want to see dirty things that make people blush and heartbeat.

"Hey, hey

Wu Tian smiles bitterly, shakes his head, closes the door, this just does not hurry to change trousers.

This kind of suit is really good. It's just like a tailor-made one for him, perfect to perfection.

Although this dress is very fit, dare not price is not low, look at this work at least 100000.

After changing the dress and walking out of the room, she found that sister LAN had already changed her clothes. Now she is wearing a Black Slim skirt, which is relatively simple.

"Come on, accompany me back to Huang's house." Huang Lan pulled the hair around the ear corner and took the lead to walk outside.

Wu Tian quickly followed him and tried to ask, "do I want to buy some presents for your family?"

"No

"It's not appropriate to be empty handed like this."

"There's nothing wrong with it. Let's go." Huang Lan said this with a noncommittal tone, and walked into the elevator with long legs.

Wu Tian was slightly stunned and quickly followed in.

To tell you the truth, I always feel that the relationship between sister LAN and her family is not very harmonious. There seems to be some estrangement between them.

I tried several times to ask, but finally I gave up.

After they went downstairs, they took a bus to huangjiabieyuan in Dongcheng District.

This kind of courtyard is different from the modern villa. It is a kind of ancient garden architecture. It is combined with modern decoration. It seems that it is a bit out of the ordinary.

After getting off the bus, Huang Lan stood outside the gate of the other courtyard, looking at

the heavy wall, feeling very depressed.

Dazed for more than ten seconds, she walked toward the other hospital, the pace was slow and heavy, giving people the feeling that she did not want to go home.

For other people, go home happy with sparrow, only LAN elder sister performance so heavy heart. The courtyard is also a garden structure, like a large garden, flowers and trees, pavilions, rockeries and lakes.

The building in the middle of the forest garden is magnificent, standing in the center like an eagle spreading its wings. This should be the main residence of the Huang family.

They walked along the flagstone road and soon came to the main hall.

The magnificent decoration of the hall has destroyed the overall aesthetic feeling of landscape garden.

Walking into the hall, I saw a girl in a short skirt holding a bird cage to tease birds.

Seeing the girl, Wu Tian's face was tense.

Isn't this Huang Shanshan who collided with him on the road before and was finally thrown into the garbage can like garbage by him?

How can this girl be in the Huang family? Is it Huang Lan's family?

Wu Tian quietly follows LAN elder sister behind, slightly some dodges, afraid to be recognized

by this girl.

After all, the girl was thrown into the garbage can in the street before, and this girl will definitely bear a grudge.

Huang Shanshan was originally playing with birds. When she saw Huang Lan enter the hall, she sneered and said, "Oh, who knows how to go home!"

"Grandfather, I want to see him." Huang Lan pretended not to hear the irony.

"Who do you think you can see if you want to?"

"You..." Huang Lan Qi's corner of the mouth mercilessly puffed, forced to endure the anger way: "I don't want to argue with you, I'll go to my grandfather."

Having said this, he was ready to walk to the second floor.

"Stop!"

Huang Shanshan threw the birdcage on the table and scolded: "you are a wild bastard. What qualifications do you have to go to the second floor?"

"Huang Shanshan, please keep your mouth clean." Huang Lan clenched her fists, and her anger broke out all over her body.

"You are wild, you are cheap. What do I say about you?" Huang Shanshan hugged her chest in both hands, but yelled more loudly.

"You..." Huang Lan Qi's body trembled and two fists clenched.

She couldn't bear it for a long time, but she still didn't attack.

Huang Lan could barely bear it, but Wu Tian, who stood behind her, couldn't listen any more. She glared at Huang Shanshan and warned, "Stinky girl, can you say one more word? Believe me or not, I'll tear your mouth."

To tell you the truth, every time he meets such a smelly girl, he feels itchy on the palm of his hand and can't help but want to have a good education.

CHAPTER 165:

"Ah

Huang Shanshan exclaimed in fright, her eyes rolling round, pointing to Wu Tian's nose and saying, "you are the guy who threw me into the garbage can."

"Yes, I am." So far, Wu Tian doesn't need to cover up.

A man of seven feet is afraid that this girl will not be a good girl.

"Miss, I've been looking for you everywhere. I didn't expect you to deliver it yourself." Huang Shanshan, like an angry bird, stares at her big eyes and says, "you son of a bitch, you threw Miss Ben into the garbage can last time, and dare to come to my house this time."

"What a coincidence." Wu Tian chuckled.

I heard that this girl was Miss Huang's daughter before, but he didn't expect that the girl and Huang Lan were a family.

After all, in Luzhou, not only Huang Lan, but also several Huang families are rich.

Next to him, Huang Lan's face was so confused that she pulled Wu Tian's arm and said, "how do you know Shanshan?"

"I ran into Huang Shanshan in the street a few days ago. The girl scolded me for being blind. As a result, I put her in the garbage can." Wu Tian's tone was calm, without a ripple.

"Into the trash can?" The expression on Huang Lan's face is a bit strange.

I didn't expect Wu Tianxia to be so cruel. She just threw Shanshan into the garbage can. No wonder Huang Shanshan was furious.

"Who is that girl?" Wu Tian couldn't help but ask out his doubts.

"She's my cousin."

"How can there be such a sister who calls her sister a bastard?" Wu Tian pinched his fist, and

now he would like to go up and slap the girl.

"Alas Huang Lan can't help but sigh. She has so much pain in her heart that she doesn't know where to start.

At this time, the opposite Huang Shanshan scolded Wu Tian again: "son of a bitch, I threw Miss Ben into the garbage can last time. Today I'll see how I can clean you up."

"By you?" Wu Tian looks at Huang Shanshan with his eyes and steps towards her.

"Don't forget that this is the Huang family. You can't be arrogant today." Huang Shanshan finished saying this, and cried out to the door, "come on, come on."

After the shouting, more than ten bodyguards rushed into the hall.

Huang Shanshan hands akimbo, like a tigress, to the bodyguard order: "together, for me, teach this boy a hard lesson, hit him to death."

"Yes

More than a dozen bodyguards got the order and rushed at Wu Tian.

"Stop it!"

At the critical moment, Huang Lan blocked in front of those bodyguards and stopped him: "with me, I see who dares to move him."

"Huang Lan, we Huang family is not worthy of your talk. Get out of the way." Huang Shanshan glared at Huang Lan impatiently and scolded.

"Shanshan..."

Huang Lan eased her tone and said in a soft voice, "Wu Tian is my friend. For my sake, don't do anything to him."

"Is he your boyfriend?"

"Yes." In order to protect Wu Tian, Huang Lan has to nod to admit.

"You have a real problem with your eyes. How can you like this kind of rubbish? It's a shame to our Huang family." Huang Shanshan despised Tao mercilessly.

For a long time, she has never regarded Huang Lan as her sister. Every time she talks, she is so merciless.

"Shanshan, in fact, Wu Tianren is good..."

"Not bad." Huang Lan didn't finish her words, she was interrupted by Huang Shanshan: "this guy threw me into the garbage can and took advantage of me. How do you calculate this account?"

"Ah?"

Huang Lan turned her head and turned white at Wu Tian. She didn't expect that this guy was so playful that he took advantage of Shanshan.

After the micro Leng, she accompanied a smiling face and said, "I apologize to you on behalf of Wu Tian. Forget about this matter!"

"No, I can't. If you want to apologize, it's also for the boy to apologize." Huang Shanshan again looked at Wu Tian and said, "if you want me to forgive you, please apologize to me."

"Let me apologize to you, you little girl. There's no way." Wu Tian resolutely refused.

Wrong he can apologize, but he did not do wrong, how can you apologize to this girl?

Now he would like to teach the girl a good lesson to get rid of his anger.

"Since you won't apologize, don't blame Miss Ben for being rude." Huang Shanshan finished saying this, beckoned to the bodyguard order way: "go together, teach this boy hard for me."

Get the order, more than ten bodyguards, regardless of Huang Lan's obstruction, again swarmed toward Wu Tian.

In Huang's family, Huang Lan's words are not easy to use. Comparatively speaking, everyone obeys Huang Shanshan's words.

After all, Huang Shanshan is deeply loved by the old man.

"I don't want you to hit him..." Huang Lan also wants to obstruct him. As a result, she is restrained by two bodyguards. Other bodyguards continue to approach Wu Tian.

Wu Tian's expression seems calm, but his heart is worried.

I really regret that I didn't bring Qinglong here before. If he and Qinglong work together, maybe he can defeat these bodyguards. At present, he is alone, and even if he has lost his life, he is not the opponent of more than ten bodyguards.

No, we have to find a way out.

Escape?

No, Wu Tian quickly denied this idea in his heart. If he ran away now, wouldn't it make people laugh?

"Stop it!"

Just then, a low roar came from outside the hall door.

Everyone looked back and saw the eldest young master Huang Ze coming towards this side.

Huang Shanshan went up quickly, holding Huang Ze's arm in her arms and said, "brother, Wu Tian bullied me before, took advantage of me, and threw me into the garbage can. Today, he was sent to the door, and I was going to let the bodyguard teach him a hard lesson!"

"Since Wu Tian is here, he is a guest of our Huang family. No one is allowed to touch him."
Huang Ze immediately put down his cruel words: "Whoever dares to move him is the enemy with me."

As soon as this word came out, more than ten bodyguards stood in the same place and did not dare to move.

Among several young masters and young ladies, Huang Ze has the strongest ability and is deeply loved by the master. It is needless to say that he has the right to speak in the Huang family.

This word a, pour is to let nearby Huang Lan be stunned.

She remembers that they had a grudge before. When they met at the auction last time, Huang Ze still wanted to kill Wu Tian.

How suddenly, Huang Ze's temperament changed greatly. He even defended Wu Tian in public and did not let his bodyguards attack Wu Tian.

This

What's the situation?

Huang Shanshan is also a Leng, full face puzzled way: "brother, I am your sister, I was bullied by the boy, you don't make decisions for me, but for the boy to support, what's the matter with you?"

"Shanshan, we can't afford that boy. If you hit him now, you will cause great trouble to the Huang family." Huang Ze lowered his voice and offered good advice.

The last fight with Wu Tian almost caused his company to close down and the whole Huang family to fall into crisis.

It can be seen that Wu Tian's strength is so powerful that at least they dare not offend the Huang family.

If Wu Tian is provoked again, I'm afraid the Huang family will be destroyed.

What's more, Wu Tian let him go last time, leaving the company a way to live. He can't even bite the hand of the hand when he is in love.

"What's wrong with that little boy?" Huang Shanshan didn't care. She thought the boy was a common thing.

CHAPTER 166:

"I'm here anyway. Nobody wants to touch him." Huang Ze couldn't explain clearly for a while, so he had to put down his cruel words.

In any case, we should protect Wu Tian's safety in Huang's family. If Wu Tian has any accident, Huang's family will surely suffer.

"Brother, I'm your sister. How can you help others bully me?" Huang Shanshan cried with her flat mouth.

When she cried, she immediately drew her aunt and uncle.

Because Huang Shanshan is the youngest, her elders usually dote on her. When she saw that she was crying like this, she was immediately surrounded and asked about the situation.

"Shanshan, who bullied you?" The elders gathered around to inquire about the situation, their faces full of indulgence.

"That boy bullied me." Huang Shanshan points the spearhead directly at Wu Tian.

"He?"

The Huang family noticed Wu Tian's existence and questioned: "who is this boy?"

"His name is Wu Tian. He is Huang Lan's boyfriend." Huang Shanshan explained the situation to her elders in a hurry, and cried: "Wu Tian is too much. He took advantage of me before, and almost forced me to be forced. Later, he just threw me into the garbage can."

She deliberately added salt and vinegar to slander Wu Tian in order to win the sympathy of the elders of the Huang family.

Sure enough.

Hearing this, Huang's family became angry and could not help but blame Wu Tian: "it's really unreasonable. Dare to harm our Huang family women. It's really damned."

"Second uncle, second aunt, fourth uncle, fifth uncle, not what you think..." Huang Lan hastens to explain for Wu Tian.

The words did not finish, was interrupted by the elders: "Huang Lan, you see what rubbish boyfriend you are looking for, it is a disgrace to our Huang family, you are really not angry."

Several elders scolded Huang Lan.

The more you scold, the worse you hear. Finally, you even scold such words as rubbish and cheap goods.

This kind of words can be understood if they are just scolded by Huang Shanshan. It's really hard to accept such words from the elders of the Huang family.

"I..."

Hearing these merciless curses, Huang Shanshan's nose was sour and her tears rolled out.

For her, kinship is bullshit. From childhood to adulthood, she gets only humiliation and abuse. She has never had family love and consideration.

In her dreams, she would like to get the love of her family and the affirmation and encouragement of her elders.

But after so many years, her family only hurt her.

"Enough!"

Wu Tianshi couldn't bear it. He roared and hugged Huang Lan's body tightly behind him.

Pointing to the nose of those elders of the Huang family, he scolded: "sister LAN respects you, treats you as a family member and an elder. Look at you. These words make sister LAN feel cold."

In the past, he was very happy to see sister LAN every time. It was the first time to see sister LAN crying so sad. To tell the truth, he felt very bad in his heart.

As a man, he must now stand up to protect sister LAN.

Hearing this, Huang Lan cried louder.

This time, she was moved to tears.

Never thought that when she was sad, it was Wu Tian who stood up, regardless of the Huang family and the covetous bodyguards, and took the initiative to defend her.

At this moment, her heart is particularly warm, as if to find spiritual sustenance.

The elders of the Huang family were stunned for a few seconds. Maybe they didn't expect that

Wu Tian could say this in the Huang family.

After the slight Leng, quite prestige elder stood up and said: "in the Huang family, there is no part for you to speak. Come on, tie up this boy for me."

"Yes." A few bodyguards are ready to start when they are ordered.

"Stop it!"

When the hall was in chaos, there was a loud drink from the second floor.

I saw a white haired old man slowly downstairs, the old man is nearly 70 years old, the pace is still stable, eyes full of deep domineering.

This is the master of the Huang family, the grandfather of Huang Ze and Huang Lan.

As soon as the old man went downstairs, the Huang family all went forward to say hello, showing great respect.

Huang shook his sleeve, went to the seat and sat down. He asked in a deep voice, "what's the situation in the hall?"

"Grandfather

Huang Shanshan pretended to be cute and took the old man's arm and explained, "Huang Lan

has brought her boyfriend back."

"You mean that boy?" Huang looked up at Wu Tian with disdain and disdain in his eyes.

"Yes, the boy's name is Wu Tian."

"It's just to bring back a boy. As for such a big battle." Huang Laozi white Huang Lan one eye, the tone obviously has the reproach meaning.

"The boyfriend Huang Lan brought back is not a good man. He bullied me before." Huang Shanshan pretended to be aggrieved.

The old man's face sank: "how unreasonable."

"That kid threw me into the trash can and used the opportunity to insult me. He almost gave me a strong hand." Huang Shanshan did not finish her words, tears rolling out. "Pa!"

On hearing this, Mr. Huang became furious and slapped on the table with a hard slap. "What a jerk! Even my granddaughter dares to bully me."

"Grandfather, you have to decide for me." Huang Shanshan shakes her grandfather's arm in a coquettish way.

"Come on, beat the boy's limbs and throw him into the mound." Huang ordered immediately.

No one dares to neglect the master's order. Several bodyguards rush forward to prepare to fight Wu Tian.

"Wait a minute."

This time, Huang Ze stopped the bodyguard from fighting against Wu Tian. At the same time, he said to the old man, "grandfather, Wu Tian can't fight."

"Why can't you beat my granddaughter when he insults my granddaughter?" The old man Huang asked in a domineering way.

"We can't get rid of this boy. If we beat him, we'll be ruined."

"Nonsense." Old man Huang gave a cold stare and curled his mouth and said, "just a little boy, can you threaten our Huang family?"

"Granddad, don't underestimate Wu Tian. He is now the boss of Tianmu technology and an investor in seafood TV. He also has two major restaurants, Fuyuan and Huiyue." Huang Ze reveals Wu Tian's apparent identity.

Hearing this, the hall gradually quieted down.

I didn't expect that this silly boy named Wu Tian had so many high-quality assets in his hand.

Although these assets are quite different from those of the Huang family, it is rare for this young man to have so many high-quality resources.

Even Huang Shanshan was surprised. She thought Wu Tian was a poor loser, but she didn't expect that the boy was hidden and had some small strength.

"Hum!"

The old man Huang snorted coldly, and said: "his strength is too far away from our Huang family."

"Grandfather, what I said just now is his superficial identity. In fact, he has amazing power behind him." When he said this, Huang Ze's tone was very dignified.

"What force?"

"I don't know what force, but one thing is certain. The power behind him is 10 times or even 100 times stronger than that of our Huang family."

"How do you say that?"

"Grandfather, you remember that a few days ago Zezhong group suddenly faced a crisis, the capital chain was broken, business stopped, and the upstream and downstream industrial chain completely collapsed." Huang Ze said in a more serious tone than ever.

CHAPTER 167:

"At that time, you told me that someone was behind the scenes to let Ze Zhong Group and Huang family into crisis." "What's the relationship between this and Wu Tian?" he asked

"It matters. It matters."

Huang Ze stepped forward a few steps, very solemn tone said: "I have not told you, in fact, the

person behind the scenes is Wu Tian."

"What? Is that the boy? " Mr. Huang's big eyes were hard to accept.

Some time ago, Huangjia and its Zezhong group suffered from a huge crisis. From the capital to the industrial chain, the company and Huangjia are facing great pressure.

But I didn't expect that it was the boy behind the scenes.

Can let the Huang family and Ze Zhong Group fall into crisis, close to bankruptcy, can see how amazing the power behind this boy.

After hearing this, even Mr. Huang couldn't help but take a breath.

Others could not help but murmur and were frightened by the forces behind Wu Tian.

At present, the boy looks ordinary, even dressed in shabby clothes. Unexpectedly, the influence behind him is so amazing.

At this time, the Huang family's eyes no longer looked down on Wu Tian, and their eyes became obviously more dignified.

After looking at Wu Tian for a long time, Mr. Huang couldn't help but question: "do you think there is such a powerful force behind this boy?"

"Absolutely true." Huang Ze nodded seriously and said in a low voice, "if we offend Wu Tian today, we will bring disaster to the Huang family."

"But how do I think this boy is a normal man?" Mr. Huang has read countless people and never lost sight.

No matter how he looked at it, he felt that the boy was not like the young master of the aristocracy. His charm was full of the common people's lousy temperament.

If there is such a powerful force, no matter what clothes you wear, you can't hide that unique temperament.

, "Grandpa, I've done some research before.

"Now that you have investigated, what kind of influence does this boy have at present?"

"He..." Huang Ze opened his mouth wide, but did not know what to explain.

He sent people to investigate before and found that the forces behind Wu Tian were very mysterious and could not be found out in a short time.

After thinking about it for a while, he opened his mouth to his grandfather and said, "he has too much power behind him. We can't find out."

"Is it so good?"

"Yes."

"Let me see." Mr. Huang rubbed his chin with his hand and fell into deep meditation.

If the boy in front of him has no power at all, but let the Huang family be so afraid, he will surely make a fool of himself.

On the contrary, if this boy is really the son of a certain power group, if the Huang family offends this boy, it will certainly cause great disaster.

Before he made clear the situation, Mr. Huang acted very cautiously and didn't dare to jump to a conclusion.

After thinking about it for a while, Mr. Huang said to Huang Lan, "you, take Wu Tian to the side hall for a rest. Let's talk about it when we have dinner."

"Thank you very much, Grandpa." Hearing this, Huang Lan secretly relieved and pulled Wu Tianqu out of the hall.

As soon as they left, the hall began to boil.

The Huang family are discussing Wu Tian's identity.

Some people think that Wu Tian is the young master of the hidden world, while others suspect that Wu Tian is a liar.

As for Wu Tian's identity, there is a clear disagreement.

"All right

Huang interrupted the crowd and said in a deep voice, "I'll send someone to investigate Wu Tian's identity. Before the result comes out, we should try not to provoke this boy."

He didn't want the Huang family to be fooled, let alone offend the hidden aristocracy and cause unnecessary trouble to the family.

"Grandfather has a point." Everyone nodded in response.

Although the Huang family is not a big family, it is also well-known in Luzhou. Since childhood, the Huang family has lived a carefree life. Even if they do not struggle, they will not worry about food and clothing.

But once it provokes a fierce role and brings disaster to the Huang family, it will be completely over.

Later, Huang arranged for many people to investigate Wu Tian's life experience and back.

Huang's family also avoid each other, trying not to provoke Wu Tian.

Besides Wu Tian, he was taken by Huang Lan to a small forest in the mountain behind the house.

The woods are far away from the house, and there are lots of weeds. It seems that there are few people coming and no one is taking care of them.

Huang Lan stopped in front of a big tree, looked up at the tree, and said to herself: "after an hour, I often run to this tree and cry."

"No wonder this tree grows so vigorously. It turns out that elder sister LAN watered it with tears." Wu Tian couldn't help but make a joke.

He is to see LAN elder sister in a heavy mood and wants to make her happy.

"Poof!"

Sure enough, Huang Lan was amused by this, swung his fist in Wu Tian's chest, and said angrily, "fuck you, I've been like this, and you still make fun of me." "I've never seen sister LAN cry before. Today is the first time I've seen sister LAN cry. When I see sister LAN like this, I've all..." Wu Tian did not finish the words swallow back.

To tell you the truth, before seeing LAN elder sister shed tears in the family's fold, he felt very sad.

Looking at the Huang family's attitude towards sister LAN, she must have been wronged and shed tears.

"Alas

Huang Lan sighed deeply and sighed: "if only I could be a big tree. I could grow up and be carefree every day."

"It would be a pity if a woman as good as sister LAN is just a tree without thoughts."

"Am I good?"

"Of course." Wu Tian is very serious tone praise: "Lan elder sister looks beautiful, perfect figure, and has a good voice, but how many women are envious of."

"What you see is only the surface. Under my bright and beautiful appearance, there is a miserable and unknown life experience." Huang Lan's face gradually faded down.

If we say that Lan Jie is the most dazzling pearl, dazzling.

At this time, she is like a reflection without light, giving people a feeling of sadness, desolation, depression and pity.

"Sister LAN, you must have experienced a lot of pain, can you tell me about it?" Wu Tian couldn't help being curious and tried to ask.

Now he wants to know the story of sister LAN.

I want to know what kind of pain this woman has experienced, which makes her look so sad and lonely.

"Good!"

Huang Lan nodded and sat on the ground slowly leaning against the big tree, and said with no expression: "I have never seen my mother since I was born."

"What is your mother's death?" Wu Tian also lost his mother's love and was deeply touched by the taste.

"Whether my mother is dead or alive, I don't know, and I don't know her name." Huang Lan bit her teeth, clasped her hands tightly around her knees and said, "actually, I am an illegitimate child."

"Illegitimate child?"

"Well!" Huang Lan lowered his head and said in a heavy tone: "my father married very early, and later took care of my mother, and then gave birth to me."

CHAPTER 168:

"....."

Wu Tian's heart beat violently. He didn't expect that Huang Lan was the illegitimate son of his mistress. No wonder he was so unpopular in the Huang family.

Huang Lan didn't notice the expression change on Wu Tian's face, and continued: "my mother insisted on giving birth to me. Later, I was brought back to the Huang family."

"And your mother?"

"Under the oppression of the Huang family, my mother left Luzhou, so far there is no news."

"Have you ever looked for her?"

"I did, but I didn't find it."

"You must have had a hard time in the Huang family these years."

"The Huang family treat me as a wild animal. They look at me with that kind of disdain every day, and even humiliate me. Every time I am wronged, I secretly run here to cry." Huang Lan said here, tears rolled out of her eyes.

Over the years, I have suffered too much injustice and shed too many tears.

Even though she was wronged again, she had no place to cry, pointing to hiding in the corner to wipe tears secretly.

That kind of loneliness and helplessness is hard for ordinary people to understand.

"Sister LAN, I didn't expect..." Wu Tian's nose is sour, and his heart is not very good.

I can't believe how sister LAN survived these years.

Every day, she has to endure the indifference of her family members, as well as the ridicule, humiliation and white eyes of her relatives.

I have to admit, LAN elder sister's heart is really strong, I'm afraid ordinary people can't bear it.

"I don't even know how I managed to stick to it." Huang Lan rushed into Wu tianhuai and burst into tears.

I used to dream that someone would listen to her depression, hoping to have a shoulder or arms to comfort her.

However, these are simply extravagant expectations for her, these simple requirements are so far away.

"Cry Wu Tian hugs Lan Jie's body, just like coax a child, gently patting her back.

I never thought that such a beautiful, sexy, arrogant and cold beauty star had a miserable childhood that nobody knew.

On weekdays, LAN elder sister faces the fans and the media, always a pair of high and cold posture, the scenery is beautiful on the surface, who can know the depression in the heart.

"Want to live a good life." Huang Lan's hands tightly embrace Wu Tian's body, only at this time can she feel the most secure.

"Those who can't defeat us will certainly make us strong." Wu Tian patted Huang Lan's back and comforted him: "sister LAN, you are the strongest woman I have ever seen."

"No woman is willing to be strong. If I am not strong, I may not live long ago."

"Yes, it's hard to grow up in such an environment without being strong."

Thank you

"Thank you for showing up in time to find some comfort in my life."

"I'm very happy to meet sister LAN."

"Hold me and don't talk."

"Er!" Wu Tian hugs LAN elder sister and hopes that this woman can come out of the shadow of childhood.

To tell you the truth, sister LAN is really pathetic.

Pour in Wu tianhuai and cry for a long time, Huang Lan slowly opened his eyes: "bad boy, hold enough?"

"Enough!" Wu Tian just came to his senses.

"Don't you let me go?"

"Oh Wu Tian found that they were sweating.

The embrace just now is very simple, each other did not have the wishful thinking.

Huang Lan got up and straightened her scattered clothes and hair. She was embarrassed and said, "I just made you laugh."

"No, sister LAN still looks beautiful when she cries."

"Go!" Huang Lan raised his hand and smashed Wu Tian. He said angrily, "Stinky boy, don't make fun of elder sister."

"Sister LAN, are you in a better mood?"

"Much better." Huang Lan rubbed his face and raised his head slightly: "it's been a long time since I was so relaxed."

It's like taking revenge out of your heart. The whole person is much more comfortable.

"Lan elder sister, you can tell me what you have in mind in the future. Don't hold it in your heart alone." Wu Tian laughingly comforts the way.

"Well, I'll talk to you if you have any worries."

"Don't worry. I promise to be on call."

"What if my sister is dependent on you one day and can't do without you?" Huang Lan thought of the problem and raised her head half jokingly.

"Er..."

Wu Tian grabs his head awkwardly. He doesn't know how to answer.

"Look, it scares you." Huang Lan chuckled and said: "don't worry. There is no lack of men around you. I won't depend on you all my life."

"Lan elder sister loves to talk and laugh." Wu tiangan laughed twice and took the initiative to change the topic: "by the way, sister LAN, the Huang family treat you like this, do you remember them?"

"It's not hard to remember resentment. After all, it's family members, but resentment is inevitable." Huang Lan gave such a pertinent answer.

"Sister LAN is really broad-minded.""Of course." Huang Lan raised her chest.

Such a firm, immediately let Wu Tian feast his eyes, two eyes emitting dazzling blue light.

Huang Lanjiao's face turned red. She pressed her hand on her collar and pretended to be angry

and said, "Stinky boy, you are not honest either."

"I Hey, hey Wu Tian has a simple smile to resolve the embarrassment in his heart.

Just now I didn't mean to peep at sister LAN. I just accidentally saw it. I only blame her for her perfect figure.

"If you want to see it next time, I'll tell you enough." Seeing Wu Tian's embarrassed appearance, Huang Lan can't help but make a joke.

"Good." Wu Tian first nodded and then quickly shook his head: "sister LAN, I am not as bad as you think."

"Well, I see. You're not particularly bad, just average bad." Huang Lan finished saying this, covered his mouth and began to laugh.

Soon she put away her smile and said, "it's getting late. Let's go back."

With these words, he walked towards the direction of the house.

Every time she was with Wu Tian, she felt very happy, as if the boy was like a pistachio, which could erase all the worries and worries in her heart.

On the way back, Wu Tian couldn't help being curious and asked, "sister LAN, how do you want to be a singer?"

"In the past, my family members said that I couldn't do it, and they thought I would not

succeed. I had to do it, and I wanted to prove myself with my strength. As a result, I made such a small achievement." Huang Lan is a bit complacent to say.

"You've become a singer, don't you make Huang's family look up to you?"

"On the contrary." Huang Lan laughed at herself: "after I succeeded, my family looked down on me even more. They all thought that I was a singer by my body."

"It's also a skill to rely on the body."

"Fuck you." Huang Lan gently bumped Wu Tian with her elbow, raised her head to prove her innocence and said, "sister's body is clean and clean. She has never been touched by any man."

"It's hard to be innocent in the entertainment industry." Wu Tian approved of the nod, now is more admire LAN elder sister.

"Do you believe my sister is innocent?"

"Of course."

"But no one believes except you." Huang Lan sighed again. There was too much helplessness in her heart.

"Lan elder sister, don't think so much. If you are clear, don't be affected by other people's eyes."

"Yes, let's go."

CHAPTER 169:

When they returned to the house, they found the Huang family gathered in the hall, making a lot of noise, as if they were holding a meeting.

From the conversation between several people, they are still discussing Wu Tian, and they are all doubting Wu Tian's identity. They don't know whether this boy is the young master of the hidden world.

Now even Mr. Huang doesn't feel confused.

Just now, several groups of people were arranged to investigate Wu Tian's life experience, and the conclusions were similar, but they didn't find out the power behind Wu Tian.

Now everyone is more curious about Wu Tian. On the contrary, he feels a little mysterious.

I didn't expect that nearly a hundred people in the Huang family were baffled by the life experience of a hairy boy.

After discussion, Mr. Huang finally decided to treat Wu Tian as an ordinary guest before clarifying his life experience.

Now see Huang Lan with Wu Tian coming, Huang Laozi and Huang family welcome up.

"Xiao Wu, since we have come to our Huang family, they are our guests. I have prepared food and wine in the kitchen, please!" With these words, Mr. Huang took the lead to walk to the restaurant.

Huang's family followed him in the past, only Huang Ze came and politely said to them, "Xiao Wu, LAN LAN, please!"

Huang Lan's footstep slightly a meal, can't help looking up at Huang Ze a few eyes.

In her memory, this half brother never called her so kindly.

In the past, although Huang Ze didn't humiliate her as much as other Huang family members, he was not warm and cold to her, and seldom took the initiative to talk to her.

It's the first time to call her LAN LAN so affectionately.

She knew that Huang Ze called Wu Tian in a disguised way.

Huang Ze didn't say much, and took Wu Tian to follow the Huang family into the restaurant.

The dining room is a large round table, which can hold more than 20 people and is specially made for family dinner.

After Mr. Huang took his seat, Huang's family also took their seats. Huang Ze sat beside him with Wu Tian and Huang Lan.

After sitting down, Mr. Huang asked Wu Tian, "Xiao Wu, what business do you do in your family?"

"Do everything." Wu Tian gave such an answer.

Now the Wu family is a huge business empire with various industries.

"Who do you have in your family Mr. Huang continued to question with his shelf.

He wants to find some clues from Wu Tian's words to see if the boy is a powerful family.

"All walks of life, all walks of life, everyone." Wu Tian didn't know much about the family, so he could only give a general answer.

"Is it?"

Mr. Huang was a little disappointed. He didn't find out any flaw from his words just now.

Asked a few questions, lazy to continue to ask, raised a glass of humanity to the public: "today is a happy day, rare for our family reunion, come, we all dry this cup together."

"Dry!" Huang family no longer entangled in Wu Tian's life experience, they raised their glasses

to propose a toast to Mr. Huang.

Just as Huang's family gathered happily to drink.

A man with a Chinese face rushed into the restaurant.

The man's name is Huang Taiping, the father of Huang Ze and Huang Lan, and the chairman of Taiping group company.

"Dad, it's bad. Something's wrong." As soon as Huang Taiping entered the restaurant, he immediately reported to the old man.

"Don't be so impatient. If you have something to say slowly," he said

"Because of the quality problems of our company's products, several banks have cancelled loans, and there are serious problems in our capital chain." Huang Taiping wiped a cold sweat on her forehead.

"How could that happen?" As soon as I heard that there was a problem with Taiping group's capital chain, Mr. Huang's expression also became tense.

There are several companies under the Huang family, but Taiping company is a pillar enterprise of the family. If Taiping company goes wrong, the Huang family will be in trouble.

"Dad, I suspect it's our competitors." Huang Taiping analyzed a sentence and then said, "if we don't solve the problem of capital, our company will face great risks."

"Come on, get in touch with the big banks." Mr. Huang naturally knew the seriousness of the matter, and now he became impatient.

Capital is the lifeblood of a company. If the capital chain breaks, it will cut off the lifeblood of the company.

At present, the urgent task is to solve the problem of funds. As long as we can find the bank willing to lend, the capital can be easily solved.

"I've already contacted and no bank is willing to cooperate with us in the near future." Huang Taiping said with a gloomy face.

"This..."

Hearing this, Mr. Huang's face immediately became gloomy and black.

Huang family is also a face of disaster, at this time, where there is no mind to eat, can not help but secretly anxious.

After a brief silence, Mr. Huang bit his teeth: "I have a good relationship with the presidents of several commercial banks in Luzhou. It seems that I can only come out personally."

With this, he took out his cell phone and began to make a phone call. Everyone, including Huang Taiping, pinned their hopes on the old man.

After all, the ability and contacts of the old man are all in the game. Every time something goes wrong, the old man comes forward to solve it.

Under the gaze of the public, Mr. Huang made several phone calls. After the call, the expression on his face became worse.

"Dad, how's the situation? Is there any bank willing to cooperate with us?" Seeing his father's phone call, Kong Taiping hurriedly inquired about the situation.

"Alas

Mr. Huang sighed and shook his head helplessly: "several banks have cooperated with their rivals. I'm afraid our company has no chance."

"Dad, granddad, it seems that the competitors have already planned to bring down our Huang family this time." Huang Ze couldn't help but talk.

"No!"

Huang Taiping did not admit defeat and bit his teeth. He said to himself: "we Huang family can't be so broken."

"But now the Bank of Luzhou cancels the loan, watching the capital chain break, the situation will only get worse and worse." Huang Ze looks dejected.

Not only Huang Ze, but all the Huang family members were in a state of despondency. As we all know, the Huang family met with unprecedented disaster.

"Dad, as the owner of the Huang family, you must have a way, right?" Huang Taiping turns his

head and looks at the old man again.

"I..."

Mr. Huang had no choice but to bite his teeth. Just as he was about to give up, he suddenly brightened his eyes and set his eyes on Wu Tian. "It's not to say that Xiao Wu has a great life experience. If he has such a strong background and power, it should not be difficult for us to solve this problem for the Huang family."

"Who is this boy?" Huang Taiping noticed Wu Tian's existence and couldn't help questioning.

"His name is Wu Tian, and he is Lan er's boyfriend." Mr. Huang explained without expression.

"Boyfriends?"

Kong Taiping glanced at Wu Tian with that kind of scrutinizing eyes. Finally, he put his eyes on Huang Lan and scolded, "how can you find this kind of thing to be a boyfriend?"

He has not treated Huang Lan, the illegitimate daughter, very much.

CHAPTER 170:

Huang Taiping did not want to see Huang Lan all the time. Because of this illegitimate daughter, his status in the Huang family fell sharply, and was ostracized and criticized by his brothers.

If Huang Lan was not his own flesh and blood, how could he have left her in the Huang family if she had been thrown into Houshan to feed her dog.

At that time, he raised a mistress outside, but never dreamed that the mistress was pregnant.

What's more, his mistress gave birth to the child on his back, which is now Huang Lan.

Over the years, he has been resentful to his mistress, who was forced away by him, so he sprinkled the resentment on his mistress's daughter Huang Lan.

"You only care about your business, your future, when do you care what kind of boyfriend I am looking for?" Huang Lan didn't show weakness and hit back.

Normally, she didn't want to talk back to her father.

But today's mood is particularly depressed, can not help but top a sentence.

"You son of a bitch, you dare to talk back to me." Huang Taiping was immediately infuriated, ready to teach her daughter.

"Stop it!"

Finally, the old man Huang began to stop: "now the Huang family is in danger. It's not the time for conflict."

"My father taught me." On hearing this, Huang Taiping quickly suppressed his anger and said to Wu Tian, "boy, my daughter will not associate with you, and we Wu family will not welcome you. Go away quickly."

"Cough!"

Master Huang coughed heavily and said to Huang Taiping, "don't rush to drive Wu Tian away. Maybe he can help us Huang family."

"Dad, this guy is a poor loser. What can he do to help the Huang family?" Huang Taiping thought his father had said something wrong, so he couldn't help questioning.

"According to Ozawa, Wu Tian has a strong background and may be a descendant of a reclusive elite."

"A great hermit?"

"Yes."

"Dad, you're really joking. How can a hermit be so rustic like him?"

"Maybe I've thought too much, but what if he wants to be really after a big family?" Mr. Huang considered the problem comprehensively.

Like most of the Huang family, he did not think that Wu Tian was the son of a corrupt family.

But this boy defeated the Zezhong group managed by Huang Ze before. It can be seen that there must be a force behind this boy, but I don't know how powerful it is.

Anything is not afraid of ten thousand, just in case.

If this boy is really a noble family, and the influence behind him is really bigger than that of the Huang family, isn't it a disaster?

"If this boy is a rich man, I will eat that one." Huang Taiping may be because of his impatience and his words are much more frivolous than before.

He doesn't believe that this boy is a noble family. In his opinion, the boy is at most a nouveau riche, relying on a little money to force the Huang family.

"This is not the time to argue about it." Master Huang pressed his hand and motioned for Huang Taiping to calm down and said, "we will know how strong Xiao Wu is."

"How to try it?"

"Very simple, our Taiping company has encountered a serious dilemma of capital chain fracture. If Xiao Wu Neng can find three banks for us, it will prove that he really has amazing strength." Mr. Huang suggested.

As soon as the words came out, everyone echoed.

Now we really hope that Wu Tian is a noble family and can help the Huang family to solve the current crisis.

"We've used all our relationships and we can't find a bank to lend money to. How can this boy find three banks to lend money to the company?" Huang Taiping couldn't help laughing.

From the beginning to the end, he didn't believe how powerful Wu Tianneng was.

"Let's see if we can." After saying this, Mr. Huang turned to Wu Tian and said, "Xiao Wu, if you can find three banks to give us loans to Taiping company, you will prove that your strength and power are above our Huang family."

"I don't need to prove anything." Wu Tian shrugged.

From the beginning to the end, it was the Huang family who were suspicious of his identity. He did not want to show anything in the Huang family.

"Then I'll ask you, do you have the strength to solve the problem of bank loans?" Huang asked impatiently.

"It's not a big problem, but I have to ask sister LAN first." Wu Tian said this, turned to Huang Lan and asked, "sister LAN, do you want me to help the Huang family solve this problem?"

He wanted to respect sister Lan's opinion on this matter.

If sister LAN wants to help the Huang family, he will spare no effort.

If LAN elder sister has resentment to the Huang family and does not want to help the Huang family, he will spare no effort to express his support.

"If you can, I hope you can help us solve the crisis of the Huang family." Huang Lan shows her attitude.

Although at home suffered a lot of grievances, shed a lot of tears, but this is her home.

Her grandfather is her own grandfather, her father is her father, and the Huang family are all related to her by blood.

Although she resented the Huang family in her heart, she didn't want to see her father, grandfather and family fall into the abyss. In any case, she grew up in the Huang family. Although her father was indifferent to her, he never let her cold and hungry.

"Lan elder sister, I listen to you." Wu Tian agreed and nodded, and his eyes fell on Mr. Huang, "remember, I only helped you by looking at elder sister Lan's face."

With this, he took out his cell phone and began to make a phone call.

Naturally, this call is to call Secretary long and ask him to arrange several banks under Wu family to provide loans to Taiping company.

After making this call, he said to Mr. Huang, "before long, at least three banks will lend money to your company."

"Brag, boy..."

Huang Taiping also wanted to lose a few words. Before he finished speaking, the mobile phone ring in his pocket rang, and he quickly touched out his mobile phone to connect with the phone.

Just said a few words to his mobile phone, he was very excited, and said to Mr. Huang, "Dad, there are four banks willing to provide loans for our company."

"Great, great." On hearing this, Mr. Huang was very excited and asked, "which four banks?"

"Hengfeng, Henglong, Qihua, Binkai."

"No, I called the presidents of four banks before, and they all made it clear that they refused to lend. How could they suddenly offer us loans?"

"Mr. Wu is the guarantor." Huang Taiping explained.

"Mr. Wu?" Old man Huang frowned slightly, and suddenly stood up from his chair and exclaimed, "Wu Tian?"

Only at this time did they react that the person who provided guarantee for them was Wu Tian.

Unexpectedly, the boy only made a phone call and asked the four major banks to take the initiative to provide loans for Taiping company.

God!

This kid is amazing.

At this time, even master Huang couldn't help admiring Wu Tian secretly.

Only at this time did he dare to confirm that the boy in front of him absolutely had amazing power, which must be after the noble family.

The ability to solve the Huang family crisis with one phone call is really amazing, which is 100 times more corrupt than the Huang family.

Huang family everyone is also a face of surprise, we are now considered to recognize Wu Tian, this boy behind absolutely has amazing strength.
