

CHAPTER 251:

o ask him to deliver the clothes.

When he leaves, the room is empty. Why should he hand over his clothes?

"Ah..."

As soon as I got to the door, I heard a scream from the bathroom.

Hearing the scream, Wu Tian hurried back to the bathroom and said, "Miss Lin, what's the matter with you?"

"Ah, I fell." The sound of Linrui came from the bathroom.

"Are you all right?"

"I can't move..."

"What about that?"

"I can't move now. Can you come in and help me?"

"This All right Wu Tian hesitated for a few seconds. Just as he was about to open the door, he heard Lin Rui's voice: "the door is not locked. You can come in directly."

"No lock?" Wu Tian eyebrows slightly tight, did not expect Lin Rui to take a bath in the bathroom, unexpectedly did not lock the door.

But now also did not have time to think so much, hastily pushed open the bathroom door to burst in, saw Lin Rui lying on the ground, a pair of distressed appearance.

Lin Rui secretly breathed, biting his lips and whispering, "boss Wu, please hold me to bed."

"Good." Wu Tian slowly squatted on the ground, stretched out his big hand and lifted the woman from the ground.

Wu Tian rushed out of the bathroom with Lin Rui in his arms and put the girl on the bed.

"Thank you, boss Wu." Lin Rui spits out a sentence with shame and smile.

"You have a good rest. I'll go first." Wu Tian feels his head is about to explode, and now he just wants to escape from here.

Lin Rui sent out a cry of pain and pleaded in a low voice: "boss Wu, I have sprained my waist now and I can't move. Can you stay and help me?"

"Is it serious? Can't I take you to the hospital?" Wu Tian tries to care. In fact, he has a good opinion of the girl.

"You can't go to the hospital naked, can you?" "What about that?"

"Can you help me put on my clothes first?" Lin Rui murmured in a light, inaudible voice.

"Ah?" Wu Tian opened his mouth wide. He didn't expect that the girl would make such a request.

"Cough!" Wu Tian coughed twice and said with embarrassment: "this Not so good? "

CHAPTER 252:

"What else can I do?" Lin Rui said in a coquettish voice, her face more and more blushing.

"So." Wu Tian thought about it for a while, and suggested, "I'll find a waitress and give her some money to change your clothes."

He was worried about changing the woman's clothes. He couldn't control it at that time. If he didn't do something serious, he would be in trouble.

"No Lin Rui shook her head and refused: "I don't want to be seen by a strange woman."

"Then you want to be seen by a strange man like me?"

"I..." Lin Rui bit his lips and blushed for a long time and choked out a sentence: "anyway, you've seen all of them just now. What's the relationship?"

After saying this, he clenched his lower lip, lowered his head, and was embarrassed.

"Er..."

Wu Tian was silent for three seconds and finally nodded: "OK."

In any case, it is not natural for him to suffer losses.

"Be honest then." Lin Rui whispered a warning and slowly lifted the towel on her body.

"Cough!"

Wu Tian coughed twice, staring at a few eyes, then picked up his clothes and put them on Lin Rui's body at the fastest speed.

Fortunately, the skirt is also very convenient to wear. She was helped to wear the skirt by dividing two by three.

During this period of time, his hands have been very honest, dare not have the slightest overstepping.

But Lin Rui was ashamed and ashamed. Her whole neck was crimson, and her eyes were dim with shame.

After wearing the skirt, Lin Rui's eyes were somewhat disappointed, "that So soon

"Yes." Wu Tian nodded and rubbed his hands awkwardly. Then he took out his mobile phone from his pocket. "I'll call 120 and let them take you to the hospital."

"Wait!"

Just touched out the mobile phone, Lin Rui strongly opposed, "don't call 120 first, I don't want to go to the hospital."

"Not to the hospital?" Wu Tian frowned slightly and squinted at the girl in bed. He couldn't help suspecting.

"Boss Wu, do you think I am beautiful?" Lin Rui suddenly changed her shyness and boldly put on a enchanting posture.

"Beauty."

Wu Tian nods forcefully, the woman's beautiful face, sexy posture, coupled with this enchanting posture, is really beautiful.

However, on second thought, he soon found something wrong, "don't you hurt your waist and can't move?"

"I feel much better now. Can you press it for me?" Lin Rui slowly lifted up the skirt, hook people's eyes charm way.

"Miss Lin, I think you'd better go to the hospital."

"I'm ready." Lin Rui directly turned over and jumped down from the bed and slowly approached Wu Tian, "boss Wu, do you like me?"

After saying this, he went forward to hold Wu Tian and took the initiative to send his body to him.

"I see." Wu Tian stretched out his hand and pushed the woman away. He said in a cold voice, "from the beginning, you deliberately approached me and seduced me, didn't you?"

I didn't expect all the coincidences could be arranged by this woman.

This woman deliberately lives next door to her. She meets him on purpose in the elevator. She sprains her feet and wrestles on purpose

All this is fake.

"Well, I admit, I did mean to get close to you." So far, Lin Rui doesn't need to keep pretending.

After a busy night, Wu Tian was charmed intentionally.

If other men, I'm afraid they would have rushed forward like a wolf. I didn't expect that the boy in front of him had such a strong determination that he could still hold on.

"I'm a professional actor. I really have a good performance." Wu Tian couldn't help but stretch

out his thumb and boasted: "the perfect combination of the little girl's coquettish and precious with the little woman's charming and enchanting makes the man's heart itch, but he can't stop it."

"Yes, I did play tricks to get close to you, but..." Lin Rui changed her tone and looked at Wu Tian affectionately. "I tried to get close to you because I like you. From the first sight I saw you, I was deeply affected by your temperament and charm..."

"Stop!"

Wu Tian stretched out his hand and interrupted impolitely: "you come close to me just to be the number one girl in the new movie."

"No, I'm not the girl you think I am."

"Is it?"

"Yes."

"You still want to cheat me up to now."

"I didn't lie to you, I really just like you..."

"That's good." Wu Tian approached Lin Rui and said coldly, "if I go to bed with you, I won't give you any role, and I won't give you any money, will you?"

"I..." Linrui choked at this.

"I'll stay tonight if I like."

"You..." Lin Rui bit her teeth and spit out a sentence: "of course I don't want to."

I'm afraid that the fool is not willing to lose his body in vain and finally get nothing. What is the plan? For a woman like her, there is no shortage of men around her. Looking for Wu Tian is not just for that kind of thing.

"If not, goodbye." Wu Tian dropped the words and turned to walk outside.

To tell you the truth, I had a good feeling for this woman.

But after knowing that the woman lured him for the sake of female number one, he was disappointed and even felt a little disgusted in his heart.

I've heard that the entertainment industry is very dirty and messy before. Seeing him today, he really opened his eyes.

Many women seem to be perfect and clean, but their hearts are so dirty that they sell their bodies for the sake of being superior.

"Stop."

Seeing that Wu Tian was about to leave, Lin Rui blocked the way in a hurry and opened the door to see the mountain and said, "well, let's take what we need. I'll go to bed with you. How about giving me the number one girl?"

"No, I'm not interested in you." Wu Tian waved his hand and refused mercilessly:
"even if you give it to me for free, I don't want it."

"You..." The corner of the mouth of Lin Rui Qi was pumped and stored several times.

She's seen a lot of big boss. It's the first time I've seen such a bull nose like Wu Tian. It's really hard.

"You'd better take care of yourself." Wu Tian finished saying this, turned and walked away quickly.

"Hello..." Lin Rui silly standing in situ, almost not angry.

After a busy night, I was taken advantage of by this boy, but I didn't expect that I could make a lot of money in the end.

When she met such a guy, she could only admit that she was unlucky.

When Wu Tian returned to his room, he rushed into the bathroom and began to take a bath, trying to cool himself in this way.

Although do not like Lin Rui that kind of woman, but also have to admire, that woman is really that kind of women's crisp Mei deduction to incisively and vividly.

Plus that beautiful face and sexy figure, I'm afraid the average person can't hold on for a long time.

It's not easy for him to hold on till now. Even he can't help cheering for himself.

Well, it's close to falling into Lin Rui's gentle trap tonight. Fortunately, he has strong determination.

After taking a bath, lie in bed and read magazines to learn about the entertainment industry.

Now that you have invested in films, you need to know something about the entertainment industry and learn the rules in the circle.

Reading books doesn't go to sleep until very late.

CHAPTER 253:

After getting up the next day, Wu Tian simply washed and left the room, ready to go to Qiao Fugang and others to discuss the heroine.

When I went downstairs, I just met Lin Rui.

The woman looked a little tired and her eyes were slightly dark. She didn't sleep well last night.

After seeing Wu Tiantian, Lin Rui's expression on her face was obviously a little embarrassed.

However, she quickly pretended to be indifferent and said to Wu Tian with a smile: "good morning, boss Wu."

"Good!" Wu Tian was too lazy to talk nonsense with the girl.

Since last night, he didn't like the girl, even a little sick and disgusted.

The girl seduced him in that way last night, and will certainly tempt another man in the same way.

It's disgusting to think about being sexy and sexy.

He didn't have any first-time love sister, but he despised this kind of bus girl.

When they go downstairs, they walk out of the elevator and there is no intersection.

Wu Tian takes a taxi directly to the office area. He sees that Qiao Fugang and Yan Jie are both busy and worried about the role selection.

"Boss Wu, you're here just in time." Qiao Fu just got up from his chair and said with a smile, "we are worried about number one girl."

"Don't you say you're going to do a second audition and pick the best female number one out of

four?" Wu Tian patted Qiao Fugang on the shoulder, motioned him to sit down and said.

"We had a second audition in the morning and found that two of the actresses were excellent. It was really hard to decide."

"So, two people were eliminated in the second audition, and now there are only two actors left?"

"Yes." Qiao Fu just nodded, poured a cup of tea and handed it to him, "in the end, No. 1 woman still needs boss Wu's decision."

"Where are they now?"

"Reception room."

"Come on, show me." Wu Tian took a sip of tea and turned to walk outside the office.

Qiao Fugang took Yan Jie, Sun Dao and others to meet him.

The party came to the reception room.

There are two young actresses sitting inside. Their looks and figures are not bad. They are both very distinctive. They can be remembered at a glance.

The two actresses got up at the same time, bowed and said, "Hello, boss Wu, good director

Qiao."

"Don't mention it. Sit down." Wu Tian took everyone to sit down opposite the two actresses. He opened the door and said, "you are both excellent. Your appearance, temperament and acting skills are equal and equal."

"But..."

Speaking of this, Wu Tian suddenly changed his tone: "there is only one heroine, so you should choose one from among you. No matter who is elected in the end, the loser should not be angry."

"Boss Wu is right." The two actresses were very generous.

"Well, I'll give you a test question." Wu Tian looked at the second daughter and said with a smile, "if you play a story about me, you should show the mixed feelings of sadness and excitement."

"Well, I'll go first." Actor one volunteered to stand up and then began to perform brilliantly.

She played Wu Tian's girlfriend, worthy of being a professional actor. She was passionate about the drama and showed her acting skills incisively and vividly.

No. 2 doesn't show weakness. She plays sister Wu Tian. She also puts people into the situation, with mixed sadness and joy.

After watching the second daughter's performance, Wu Tian was very satisfied: "your acting skills are very good, perfect and impeccable."

"Thank you for your approval." No. 1 got up and bowed to thank him, showing confidence.

"I have a choice." Wu Tian rubbed his chin with his hand, pointed to player No. 1 and said, "your performance is very exquisite..."

"Thank you, boss Wu, for choosing me to be the number one girl. I will seize the opportunity and live up to your expectations." Actor No. 1 got up again and bowed to thank him. Tears came out of his excited eyes.

"Cough!"

Wu Tian coughed twice and said coldly, "Miss, can you wait for me to finish speaking first?"

"You say so." Actresses No. 1 found that they were too early to be happy, and then sat back to their original positions.

"I'll take number two." Wu Tian was too lazy to talk nonsense and gave the answer directly: "No.2 player is my final choice. She will become the No.1 female in our new film."

"Ah?"

The No. 1 player was totally stupid. He thought it was a certain thing this time, but he didn't expect to lose the election in the end.

No. 2 got up from the chair, not as excited as No. 1, but bowed and spat out two words: "thank you!"

"Well, go and sign with Joe." Wu Tian said this and got up to leave.

"Wait!"

At this time, the No. 1 player couldn't help but ask: "boss Wu, can you tell me the reason why I lost the election?"

No. 2 is also looking at Wu Tian eagerly. She also wants to know why she was selected. Including Qiao Fugang and Yan Jie, everyone wants to know why boss Wu chose No. 2.

"You were both excellent at that performance." Wu Tian turned to look at the second daughter and said seriously, "but No. 1 volunteered to come out and perform first. Moreover, he robbed the role of lover. Obviously, he got the first chance. This is where your heart is. I don't like girls who play tricks."

"I..."

No. 1 wanted to cry without tears. She thought that she would win the first chance. Who knows that she has hurt herself.

"What's more..."

Wu Tian pauses for a moment and continues: "No. 1 player is suspected of flattering me in her lines and actions, but No. 2 player is different. Her performance is very pure. She doesn't flatter me in the slightest, and even has some aggression. In order to perform, she is not afraid to offend the boss. This kind of actor deserves more respect."

"I..."

No. 1 wants to cry without tears, and flatters the boss when performing. Is this also wrong?

In the past, every time I performed, I would secretly please the boss or the director in terms of lines, words and actions, and was highly praised.

But I didn't expect that the boss I met this time was somewhat different, and flattery was rejected instead.

What kind of boss is this?

The second player looked at Wu Tian with that kind of deep eyes, as if he had met before.

This is the first time that a boss who has been able to select actors so fairly and fairly has never met before.

The boss I met before liked to listen to flattery, and even liked the hidden rules of actresses. But the boss is really a little different.

Qiao Fugang and others secretly sigh, did not expect that boss Wu is so careful, will choose female No. 1 in this way.

"Well, that's what woman one has decided." Wu Tian said this, and then said to the No. 2 actress: "beauty No. 2, you go to sign a contract with director Qiao. From now on, you are the No. 1 woman in our new film."

"Thank you, boss Wu." After the girl said thanks, she just left the reception room with Qiao Fu.

"Sister Yan." Wu Tian turned his head to Yan Jie and asked, "now that the protagonists are basically set, what roles are needed?"

CHAPTER 254:

"Now it's only two girls." Yan Jie answered this, put her head close to the past and whispered: "before Lin Rui called, hoping to be a female partner."

"Linrui?" Wu Tian is very surprised, did not expect this woman to be a female partner.

No. 1 of female audition was brushed off yesterday. She failed to seduce Wu Tian in the hotel last night. Unexpectedly, she lowered her status today and took the initiative to become a female partner.

"With Lin Rui's qualification, being a girl is a bit worse, but it is more than enough to be a female partner." Yan Jie is close to Wu Tian's ear, and her voice is very low.

Wu Tian rubbed his right face and said with a smile, "sister Jie, don't breathe out in my ears. It's itching to death."

"Cough!"

Yan Jie coughed twice and quickly stepped back two steps to keep a distance. She was a little

angry: "boss Wu, I'm serious with you. Why do you always make fun of me?"

"No kidding. It's really itchy." Wu Tian put away his smile and changed into a serious expression.

"You..."

Yan Jie bit her teeth and was too lazy to mention it again. She asked again, "boss Wu, how do you think Lin Rui is a female partner?"

"No, not even for group performances." Wu Tian's tone is very firm.

If Lin Rui didn't make such a show last night, she would naturally like to let this woman be a female partner.

Experienced last night's matter, his team Lin Rui is extremely disappointed, does not plan to use this kind of woman to film again.

"By comparison, Lin Rui is a good actress. Why don't we?" Yan Jie frowned and puzzled.

"To tell you the truth, I met Lin Rui in my hotel last night..."

"Is it possible that..." Yan Jie's face was slightly tight. He said suspiciously, "boss Wu wants to reject Lin Rui's hidden rules?"

"Rolling calf."

Wu Tian ruthlessly white Yan Jie one eye: "in your eyes, I am such a bad boss?"

"Sorry, I'm just saying it casually. Don't worry about it, boss Wu."

"Remember, I never make rules for any woman."

"Is it?" Yan Jie was a bit suspicious of flat mouth, and then said: "boss Wu, you met Lin Rui in the hotel last night. How was the result?"

"That woman deliberately approached me, deliberately seduced me, and wanted to trade with me with her body to become the number one movie woman." Wu Tian gave a brief account of what happened last night.

"Then you didn't promise?"

"Of course not."

"Is it?" Yan Jie looks at Wu Tian with that strange look in her eyes. Her eyes are full of surprise.

With Linrui's beauty, other men may not be able to control it for a long time, and will certainly agree to such a dirty deal.

To her surprise, in the face of Lin Rui's seduction, Wu Tian was not moved.

"Using the body as a bargaining chip, this kind of woman makes me feel sick." Wu Tian despised a sentence, then added: "you and Lin Rui let me choose one to go to bed, I choose you will not choose her."

"Go away, who wants to sleep with you?"

"I'm just making an analogy."

"Don't make such a disgusting analogy in the future." Yan Jie turned her white eyes and blushed faintly on her cheek.

"ok! "

Wu Tian collapsed on the sofa, cocked his legs and sighed: "I really didn't expect the entertainment industry to be so chaotic. A beautiful woman like Lin Rui would sell her body to the top. It's really chilling."

"It's a common occurrence in the entertainment industry." Yan Jie had already seen the strange things and didn't take it seriously. "In this circle, if you want to get ahead, you have to rely on relationship or body. Few women are clean."

"So you're not clean, then?"

"I'm not in the circle."

"A joke." Wu Tian smiles awkwardly and retorts, "in fact, there are clean women in the

entertainment industry, such as sister LAN."

In her impression, Huang Lan is a very clean woman.

Before someone wanted to hide the rules for her, she would rather die than follow, but also offended the big man in the entertainment industry. Fortunately, Wu Tian came forward to rescue her.

LAN elder sister can walk to today, all rely on strength and unremitting efforts, always adhere to the bottom line, now can win respect.

"What sister LAN?" Yan Jie couldn't help asking.

"We are huanglanlu star."

"Oh, yes." Yan Jie nodded with approval: "this woman is really a stream of entertainment. She has a good reputation in the circle. She has never been gossip."

"I like this kind of woman. I never sacrifice my body for the sake of being superior."

"Do you know Huang Lan?"

"Not only do we know each other, I'm with her..." Before Wu Tian finished speaking, he was interrupted by a quick knock at the door.

Yan Jie brows a tight, can't help good strange way: "do you have a leg with Huang Lan?"

"Don't talk nonsense. Sister LAN and I are just ordinary friends." Wu Tian finished saying this and reminded Yan Jie, "go and open the door, or others will think I'm doing something shady with you in the room."

"Jingai talks nonsense." Yan Jie rolled a white eye, went to open the door, saw Linrui standing outside the door. Lin Rui bowed slightly and said with a smile: "teacher Yan, I heard that you are short of female two. I can try."

"This..."

Yan Jie looked back at Wu Tian and said with an embarrassed smile, "sorry, you don't agree with our daughter's request."

"It's OK to be a girl."

"I'm sorry, I can't either."

"Is that what you boss Wu means?" Lin Rui's eyes fall to Wu Tian, and she is a little angry.

"This..." Yan Jie wanted to find a reason to explain. Before she finished speaking, she was interrupted by Wu Tian: "yes, that's what I mean."

"Boss Wu, with my strength, to be a female second or female partner is definitely more than poking." Lin Rui directly broke into the reception room and asked aggressively, "why don't you use me?"

"We just want clean women." Wu Tian responded coldly.

The implication of this sentence is that Linrui is not clean.

"Say I'm not clean, are you clean?" On hearing this, Lin Rui was very angry and tore his face and said: "when I left last night, didn't you still rely on the relish?"

"It's just a man's instinct."

"Hum!" Lin Rui snorted coldly and despised: "how noble you are, in fact, you are not a good thing."

"Have you finished? When you're done, you can go away. "

"Remember your humiliation to me today. Don't think the earth can't turn without you." Lin Rui said this and turned to leave.

"Cherish your body." Looking at Lin Rui's back, Wu Tian warned, "one day you will find that the body is more important than money and reputation."

"Let's see." Lin Rui left with a cruel look in his eyes and walked away quickly.

"Shit!"

Wu Tianan scolded and saw the woman go far away. Then he told Lin Rui, "remember, this kind

of woman will never cooperate with her."

"Yes." After answering, Yan Jie couldn't help adding: "boss Wu, it's just the so-called dog leaping over the wall. I'm afraid this woman will..."

"Don't worry, she won't be able to make waves." Wu Tian didn't care. He didn't take this woman seriously.

"All right." Yan Jie didn't say anything more, but she felt something bad in her heart.

CHAPTER 255:

Next, Wu Tian quickly helped the team select supporting roles. After all the roles were selected, the crew was officially established.

Next, the selection of scenery was very smooth, and the preparatory work was well prepared.

These days, with money and good teamwork, the crew has enough money to complete the preparations in a week.

After a brief discussion, we decided to hold the opening ceremony at the location tomorrow noon.

In the afternoon, everyone in the crew, including directors, screenwriters, actors and cameras, got together for dinner.

After dinner, everyone went back to have a rest.

Wu Tian takes a taxi back to the hotel and meets Lin Rui again in the elevator. The girl is holding a bald old man.

"Boss Wu, you don't like me. Naturally, there are other men who like me." Lin Rui finished saying this, picked up the tiptoe and put his head together to kiss the old man's face.

"I blush for you to sell your body and dignity." Wu Tian scorned a sentence.

"Dignity?" Lin Rui laughed at herself: "do people like us have dignity? Did you consider my dignity when you humiliated me in the morning? "

"Dignity is up to you to defend."

"Hum!" Lin Rui snorted coldly and said: "remember the humiliation you gave me this morning, and soon I will redouble it."

"What a pity." Wu Tian sighed in his heart.

A good girl, acting is also very good, but it will be so degenerate, it is really chilling.

Just when the elevator arrived at the ninth floor, Lin Rui took the old man and walked out of the elevator door and looked back at Wu Tian, "remember, I will step on you severely."

With these words, he took the old man and went to the room.

Wu Tian smiles bitterly and walks quickly to his room.

After taking a bath, he would lie in bed reading, not knowing why, always a little upset.

Maybe it's because Linrui feels unworthy, or there are other reasons.

I didn't go to sleep until very late. After getting up the next day, I simply washed and left the room. I met Lin Rui again in the elevator.

The girl is getting close to the old man last night. When she sees Empress Wu, they are reluctant to part.

"Boss Wu." Lin Rui wiped the corner of his mouth and took the old man to introduce him: "this is the general manager of Xianyi company, Zheng Tiancheng."

"Xian Yi?" Referring to the company, Wu Tian immediately looks tight.

What a coincidence. I didn't expect that the bald old man in front of him was the boss of Xianyi company. He was a small company owned by Wu family in demon capital.

"You must have heard of Xianyi. It's a famous company in demon capital. The film "love of the Yellow River" that they invested recently will start shooting soon, and I am the heroine in it Lin Rui looked up with pride.

"Is it?"

"Even if you don't give me a chance, I can still be the heroine."

"Is the heroine in exchange for her body worth showing off?" Wu Tian is not used to the corner of Lin Rui's mouth, so he can't help laughing.

"It's my skill to trade my body for what I want."

"Blush for you." Wu Tian finished saying this, just as the elevator went down to the first floor, he stepped outside.

I never thought that there would be such a shameless woman in the world. It would be a waste of saliva to say one more word with such a woman.

Just out of the elevator not far away, see Lin Rui chase out, "boss Wu, do you really think you are a corrupt?"

"I don't think I'm corrupt. I just do my job well."

"Compared with Xian Yi, you are not a fart." Linlein spat hard on the ground and said, "I'll make you beg soon."

With these words, she took the bald old man and walked away quickly.

"Beyond our means." Wu Tian smiles bitterly and shakes his head. He leaves the hotel quickly and then takes a taxi to the temporary office of the crew.

As soon as I got to the office, I heard that there was a big problem in the crew.

Everyone, including Qiao Fugang, was extremely flustered, as if it was the end of the world.

"What's the situation?" Wu Tian sees that things are not good, so he asks Qiao Fugang and others about the situation.

"Not good." Qiao Fugang sighed and rushed to report: "just now, many actors and actresses refused to cooperate. The venue was cancelled and even the props companies canceled the cooperation."

"How could this happen?" Wu Tian frowned slightly, expressing deep doubt and perplexity for this matter.

Actors and companies are supposed to want to work with them. Who wants to miss this opportunity to make money?

"I've just asked people to investigate. This matter is related to Xianyi company. It's them who are playing tricks behind the scenes." Qiao Fu just opened the mouth to explain.

"Xian Yi?"

"Yes." Qiao Fu just nodded, Ning eyebrow puzzled way: "just don't understand, we have no problem with Xianyi company, why should Xianyi start on us?" "I know it's something to do with Lin Rui." Wu Tian soon understood the connection.

Just now I met Lin Rui in the hotel and threatened to trample him under his feet. I think this woman is using the power of Xian Yi to attack him.

"What does this have to do with Linrui?" Qiao Fu Gang appears more astonished, do not know what happened in the middle.

"Linrui got together with the boss of Xianyi company and wanted to take the opportunity to revenge me."

"What?" On hearing this, Qiao Fu Gang's face suddenly became gloomy and dark, worried: "that What should I do now? "

"Don't worry. I'll go and talk to boss Xianyi." Wu Tian said this and got up and walked outside the office.

Walk to the door, saw Lin Rui holding the fiber billion company's boss to come in.

At this time, Lin Rui's attitude changed greatly, a look of schadenfreude, "heard that your crew encountered a crisis?"

"Miss Lin, are you behind the scenes?" Wu Tian asked coldly.

"Yes, it's me." Lin Rui held her chest in both hands, and slowly put her head close to her. She said with a smile, "I told you that you humiliated me yesterday. I will definitely give you back

and trample you under your feet. Do you believe me now?"

"Do you think you're going to make it hard for me?"

"Hum!" Lin Rui snorted coldly and looked up his head haughtily. "You don't have actors, no venues, and even no equipment. The crew will soon disintegrate. What do you take to film?"

"I'll look for the actors when they're gone. I can buy the equipment if I don't rent it. We can change the venue. These are not problems."

"Boss Wu, you really underestimate Xianyi company. In demon capital, as long as boss Xianyi talks, no one dares to cooperate with you."

"Is Xian Yi so powerful?"

"Of course." Lin Rui will fiber billion boss Zheng Tiancheng pushed the past, "in the demon capital, no one dares to offend the boss Zheng."

"Is it?"

Wu Tian turned his head and set his eyes on Zheng Tiancheng. He said with a smile: "for a woman, do you want to fight against me?"

"Xiao Rui is my woman now, and I certainly want to protect her." Zheng Tiancheng embraces Linrui slender waist, aiming at high gas and high road.

CHAPTER 256:

"I don't want to make things big." Wu Tian suppressed his anger and said in a soft voice, "well, let's each step back. Don't interfere with our crew's filming. I won't care about this today, so we'll take it as if nothing happened."

"If you want me to let go of your company, get down on your knees and apologize to my woman." Zheng Tiancheng pointed to the ground and yelled in his voice.

"Do you insist on confronting me?"

"Of course."

"Against me for a woman?"

"That's right."

"Believe it or not, I'll get you out of the entertainment business?" Wu Tian's eyes were cold, and his whole body burst out with astonishing anger.

"Ha ha ha..."

On hearing this, Zheng Tiancheng and Lin Rui laughed at the same time, as if they had heard the big joke.

After laughing for a long time, Zheng Tian became very arrogant and provocative: "boy, if you have the ability, you can let me get out of the entertainment circle. I want to see how many abuses you have."

"Boss Wu, you take yourself seriously too seriously. You dare to challenge Mr. Zheng. You really don't know how high heaven and earth are." Lin Rui couldn't help but follow the taunt.

She knows that Wu Tian is very rich and has invested 50 million yuan in this new film alone.

But even if the boy no matter how rich, that also can't compare with the boss Zheng, this is the demon all entertainment circle's few corrupt figures.

What's more, there are powerful forces behind Zheng Tiancheng, which few people can compare with.

"In that case, I have nothing to say. You can wait for confession." Wu Tian finished saying this, directly touched out the mobile phone to call Longyun.

After a few words with Secretary long, he hung up.

It has been known for a long time that Xianyi company is a small industry under their Wu family. He had a problem with Xianyi before. In a few minutes, Secretary long helped him deal with it.

This time is no exception. Less than a moment after the call, Zheng Tiancheng's mobile phone remembered.

After answering the phone, Zheng Tiancheng's face suddenly changed. He raised his head and

looked at Wu Tian with that strange look in his eyes. He asked in a trembling voice: "you Is your surname Wu? "

"Yes, my name is Wu." Wu Tian nods hard.

"Are you Mr. Wu?" Zheng Tiancheng didn't have the arrogance just now. Looking at Wu Tian, it was like seeing a man eating monster.

The body trembled with fright, and the cold sweat on his forehead ran out.

After the micro Leng, he bent his legs and knelt directly in front of Wu Tian. "Mr. Wu, I have no eyes, I don't know Mount Tai. I've offended you. I'll die."

With these words, he shook his hand and gave him a few big mouths.

This scene made everyone dumbfounded. Unexpectedly, Zheng Tiancheng, who was just so arrogant, suddenly became like a grandson kneeling in front of Wu Tian.

Qiao Fugang and Yan Jie almost didn't stare out.

Two people do not understand, such as Zheng Tiancheng such demon entertainment big man, how can suddenly kneel down to apologize to Wu Tian.

The most surprising is Lin Rui. She didn't expect to see this kind of picture. The manager of all kinds of fiber billion would kneel down to apologize to a hairy boy and slap himself in the mouth.

After micro Leng, she rushed forward to embrace Zheng Tiancheng's arm, "boss Zheng, you don't need to kneel down to apologize to a hairy boy."

"Pa!"

Zheng Tiancheng's backhand was a slap on Lin Rui's face, and said: "you're such a bitch. I've been killed by you this time."

"Boss Zheng, what's going on?" Lin Rui was slapped in the face and felt particularly aggrieved.

So far, there's no idea what happened.

Since the boss Zheng answered a phone call, the whole person has become different, now almost crazy.

"Bitch." Zheng Tiancheng stood up from the ground, jumped up and grabbed Lin Rui's neck. He yelled in a low voice: "you let me help you deal with Wu Tian. Do you know who he is?"

"He Who is he? " Lin Rui was pinched and coughed.

"He's my master's son, a big man we can't afford." Zheng Tiancheng almost roared like crazy.

This word a, the scene is suddenly dumb.

All the people looked at Wu Tian with the same kind of monster eyes.

From the sentence just now, Wu Tian is a corrupt figure. No one knows his identity. But it is certain that this boy has more abuses than Zheng Tiancheng.

Qiao Fugang couldn't help but feel excited. Unexpectedly, the investor he found by accident was a big man in the entertainment industry. He was a real crook.

It's a great honor for the crew to meet such a rogue.

At this time, Yan Jie's eyes at Wu Tian also become very deep.

Originally, she thought that this boy was a very rich investor, but she never thought that there was such a powerful force behind this boy.

Even people like Zheng Tiancheng kneel down to apologize. It can be seen how powerful Wu Tian is. It's terrible to think about it.

"You You say he is Is it a big deal? " Lin Rui's eyes are closely watching Wu Tian, and her eyes are about to stare out. In her mind, Zheng Tiancheng has already been a big figure with a lot of abuses.

But I never thought that Wu Tian was more corrupt than Zheng Tiancheng?

At this time, her eyes to Wu Tian are not only shocked, but also afraid and uneasy.

I had known that this was the case. Even if she was killed, she would not fight against Wu Tian. I'm afraid this is a big blow.

"Pa!"

Zheng Tiancheng shook his hand and hit Lin Rui's face with a slap and scolded: "I was really hurt by you this time."

After scolding him, he ran to Wu Tian and knelt down in front of him. "Mr. Wu, please don't let me be expelled. Please give me another chance..."

Just now, he was informed that he had offended Mr. Wu of the headquarters group and asked him to resign as chairman of the company.

"I have given you a chance. If you don't know how to cherish it, don't blame me for being merciless." Wu Tian waved his hand impatiently and spit out two words in a cold voice: "get out of here!"

"Mr. Wu, I beg you, I beg you to give me one last chance..." Zheng Tiancheng kowtowed and begged.

He spent half his life and wasted his youth. He worked hard for decades to get to this position.

I didn't expect to destroy everything because of a woman in the end. He was really unwilling to kowtow, hoping to save everything.

"Go away!"

Wu Tian had no patience. He pointed to the door and roared impatiently, "if you don't go away, I'll let someone throw you out of here."

"I..."

Zheng Tiancheng finally swallowed what he wanted to say. Seeing Mr. Wu's determination, he knew that he was finished, and tears of regret ran down his eyes.

He slowly got up from the ground, glared at Linrui fiercely, then shook the body and walked out.

In my life, I played with countless women and made countless hidden rules. I didn't expect that it was finally destroyed in the hands of women.

The heart is unwilling, but helpless.

Slowly walk out of the office.

After Zheng Tiancheng left, Lin Rui reacted slowly. He rushed to Wu Tian's thigh and begged: "Mr. Wu, please let me go..."

CHAPTER 257:

"Get out of here Wu Tian stretched out his hand to push the woman away from her side and said coldly, "don't touch me. I think you are dirty."

"Mr. Wu, I'm wrong. Please don't block me." At this time, Lin Rui has no respect for dignity and face, kneeling on the ground and pleading bitterly.

When she entered the entertainment industry, she always wanted to be famous. She wanted to be a popular star and be loved by thousands of people.

If she's banned, she'll never make it.

I didn't know Wu Tian's identity before. I thought that this boy was just an investor. Until now, I found that this boy was a real entertainment big man.

How corrupt is the power and power that can easily bring down the big men in Zheng Tiancheng's circle.

"You're not worth my fighting against." Wu Tian waved his hand and impatiently urged, "let's go."

"Thank you, Mr. Wu." Lin Rui repeatedly kowtow thanks, humble to the bone.

After thanking her, she ran away from here.

I just hope that I will never meet Wu Tian again. This is a man who doesn't eat hard and soft. He is a strong man who makes people afraid.

Just two days, it seems that she experienced a terrible nightmare.

I thought that climbing up to Zheng Tiancheng could easily crush Wu Tian, but the ending was so miserable.

She sacrificed her body and dignity to climb up to the boss, and finally was easily crushed by Wu Tian, so that she lost everything in an instant.

After Zheng Tiancheng and Lin Rui both left, the office became lively.

Everyone gathered around and ordered praise and exclamation. Unexpectedly, boss Wu easily solved the crisis in the crew.

We all know that Wu Tian's life experience is extraordinary, and they all speculate about Wu Tian's character and background?

No one can guess the real identity of boss Wu, only know that boss Wu really has a lot of abuses, at least more than the boss of Xianyi company.

After this, everyone was more convinced of boss Wu. It seemed that they had found a strong supporter.

"Hello."

Yan Jie went over and poked Wu Tian's arm with her hand. She murmured, "I can't see that

you're a big man in the entertainment industry."

"I'm not a big player in the entertainment industry. This is my first contact with the entertainment industry." Wu Tiandao is not modest. This is the truth.

The reason why Zheng Tiancheng, who was able to quickly smooth out the company, was mainly due to family power.

The family is engaged in all walks of life, and its sphere of influence is all over the country, and some have even extended to foreign countries.

"Tell me, who is your boy?" Yan Jie couldn't help but be curious and asked in a low voice.

"Sister Yan, can't you see who I am?"

"I can't tell."

"I'm a man." Wu Tian pointed to his trousers and muttered in a low voice, "authentic men."

"Go away!" Yan Jie's pretty face turned red, and she turned her eyes in anger.

"If you don't believe me, you can use your hand to verify that I am really a man." Wu Tian Hou Yan shamelessly molested.

"Pooh!" Yan Jie spat hard on the ground, cold voice disdain way: "never seen you so thick

skinned guy."

"Hey, hey

Wu Tian grinned, then put back his smile and said, "well, the matter has been solved perfectly. Next, let's go to the shooting place and have a start-up ceremony."

"OK, go to the location." As soon as Qiao Fu agreed, he organized everyone to go to the location.

Dozens of people from all over the crew went to the shooting place and set up a platform here.

Everything is ready, then began a grand and simple start ceremony.

"Next, I'll announce that the new film will officially start shooting that year." With Joe's order, everyone opened the champagne and raised their glasses to celebrate.

Yan Jie took out the food that had been prepared in advance. Although it was a box lunch, it was still plentiful. Everyone began to eat and drink on the spot, which was quite lively.

After dinner, Qiao Fu just organized the actors to shoot the first scene.

It was the first time for Wu Tian to watch an actor from a close distance by lying on the grass under the shade of a tree.

Just as he was enjoying it, Yan Jie followed him and said, "boss Wu, how about our team?"

"Exquisite, sophisticated, very good." Wu Tian is satisfied with a smile and is very satisfied with the performance of the crew.

"Our team is really good, but we are short of permanent professional equipment." Yan Jie opened a bottle of soda and handed it over, trying to ask, "have you ever considered taking a stake in our team?"

"How to invest in shares?"

"It's to set up a film and television company, and we'll follow you."

"Let's wait until the play is finished. The main reason is that I am very busy now and can't put all my energy into the film and TV series."

"Busy with girls?"

"Of course not." "Aren't you rich people all busy chasing girls?"

"You're talking about the second generation of bad and rich people. It's not the same as serious businessmen like us." Wu Tian took a sip of soda and then said, "I've invested in a technology company, and I'm working on a mobile phone operating system."

"Does it make money?"

"Of course."

"I didn't expect you would be interested in these things."

"To make mobile phone operating system, one is to make money, and the other is because the mobile phone operating system is controlled by foreign countries, so we must try to break the monopoly."

"I don't see that you still have this patriotic feeling." Yan Jie pursed her lips and laughed, and she had a good feeling in her heart.

From the very beginning, Wu Tian was different from other merchants. He was not a mercenary and short-sighted guy.

"I'm not as noble as you say." Wu Tian shook his head with a wry smile, and turned aside the topic: "I'll leave it to you. I'll go back to Luzhou tomorrow."

"It's all for us, don't you worry?"

"You don't have to worry about people, you don't have to worry about employing people." Wu Tian changed a comfortable position and leaned on the tree, and then said, "since you choose to cooperate with you, you can trust you. You can do it boldly. You don't have to ask me about the shooting."

"You don't understand."

"That's true."

"But seriously, you are an enlightened investor and we like to work with you." Yan Jie stroked her hair at the corner of her ear and said in a soft voice.

"Each other." Wu Tian stood up from the ground, patted his buttocks and said, "I'll go to see Qiao Daodao alone."

"Are you leaving now?"

"Why, sister Yan can't give up me?"

"Go, I really think of myself as a sweet cake." Yan Jie rolled her eyes and suggested, "otherwise, let's have dinner together in the evening."

"No problem." Wu Tian agreed and nodded. It happened that some things had to be discussed with director Qiao.

"It's my treat. I'll book the hotel now." After saying this, Yan Jie was busy calling to book a hotel.

Today's shooting mainly focused on the trial machine, which ended before six o'clock. Then several members of the crew accompanied Wu Tian to dinner.

It was said that boss Wu was going to leave. Everyone was reluctant to part with him. They all toasted Wu Tian one after another. Even Yan Jie also drank a few glasses of wine.

CHAPTER 258:

The meal ended very late. After dinner, I went back to the hotel and just after taking a bath, I received a call from sister LAN.

"Lan elder sister, call so late, what can I do for you?" Connect the phone, Wu Tian asked on the

mobile phone.

The phone was silent for two seconds, and Huang Lan's playful voice came: "can't I call you if you're ok?"

"Sister LAN, I don't mean that."

"What do you mean?"

"It's so late, I'm just worried about what's wrong with sister LAN."

"Don't worry. I'll be fine at home. There won't be any accident." Huang Lan giggled and then asked, "are you still in the demon capital?"

"Yes."

"When will you go back to Luzhou?"

"Tomorrow morning."

"Well, I'll pick you up at the airport tomorrow."

"Well, isn't it?" Wu Tian thought his ears were wrong.

LAN elder sister is at least a popular singer, running to the airport to pick up a fan, which is obviously unreasonable.

"What's wrong with it?" Huang Lan asked.

"After all, sister LAN is a public figure, and her influence is not good when she is seen by fans."

"Don't worry, I'll do the disguise."

"But..."

"Well, it's settled. I'll wait for you at the airport tomorrow. We'll have dinner together. Good night." Huang Lan left such a call and then hung up.

Wu Tian laughs bitterly and shakes his head, knowing LAN elder sister such a woman, feels inexplicably a little happy.

I haven't seen Lan Jie live for a long time. After the phone call, Wu Tian opens the seafood live broadcast platform and enters sister Lan's room.

Now LAN elder sister has been off the air, found that there are still tourists in the live room, so many people pay close attention to her.

After strolling in the live broadcasting room for a while, I went to other rooms and found that the popularity and traffic of the seafood platform increased a lot.

This part of the popularity is brought by sister LAN. To tell you the truth, it's really lucky to know sister LAN.

He wandered around the live room, then opened the unfinished novel and continued to chase after him. He fell asleep later. He didn't even know when he went to sleep.

After getting up the next day, Wu Tian washed himself and went straight to the airport to fly back to Luzhou.

I got to know director Qiao and Yan Jie and started filming with them.

From now on, he has officially entered the entertainment industry.

In less than an hour, the plane landed. As soon as she reached the exit, she saw sister LAN leaning against a red BMW.

At this time, she was wearing a large pattern stitching skirt, fashionable and eye-catching. She wore a big brim hat on her head and black sunglasses on her face, which gave people a noble feeling of resisting people from thousands of miles.

"Beautiful!"

Wu Tian sighed in secret and walked towards elder sister LAN.

LAN elder sister this is one of his idols, did not expect to run to him now this fan to borrow the opportunity, is really flattering.

"Sister LAN, have you been waiting for a long time?" Wu Tian goes to say hello to Huang Lan.

"Not long." Huang Lan dropped a smile, reached out to open the door and said, "get on the bus first."

"Good." Wu Tian went straight into the car.

He also does not want LAN elder sister to be recognized by fans, so it will certainly become gossip, which has a bad influence on LAN elder sister.

After getting on the bus, Huang Lan took off her sunglasses and looked at Wu Tian with a smile, "silly boy, did you miss my sister this time?"

"Every day."

"Your mouth is getting sweeter and sweeter."

"Hey, hey Wu Tian grabs his head awkwardly and says with a smile, "thank you, sister LAN. What do you want to eat? I'll treat you."

"What do you want to eat, sister?" Huang Lan smiles mysteriously and has some ambiguity in her eyes.

"Of course." Wu Tian nodded.

"Sister wants to eat you, do you want to eat?" Huang Lan put her head together and put on a posture of all kinds of amorous feelings.

"Er..."

Wu Tian was stunned for a few seconds and was fascinated by the coquettish posture of sister LAN. However, she soon understood that sister Lan was deliberately joking.

Simply stretched out his arms and hands, and said with a big smile, "my meat is not delicious. Sister LAN wants to eat it."

"Go!"

Huang Lan patted that arm, did not have good airway: "elder sister is not a goblin, do not eat human flesh."

"I knew sister LAN couldn't give up biting me, hehe." Wu Tian grinned and quickly retracted his arm.

"Stinky boy, I won't make fun of you. My sister will take you to dinner." With these words, Huang Lan starts the car to drive away from here.

After leaving the airport, the BMW speeded all the way back to the city and finally stopped at a restaurant on Jiangbei Road.

They went into the dining room, took a seat at random and began to chat after ordering.

"Tell me, how are you doing in the demon these days?" Huang Lan looks at Wu Tian tenderly, her eyes are full of doting.

I don't know why. I haven't seen each other for a few days. I've been thinking about Wu Tian. My heart is itchy, just like a cat scratching. I always feel that this boy is poisonous. Since the first meeting, I have been deeply attracted by this boy, unable to extricate myself.

In front of others, keep a cool attitude. Only in front of Wu Tian will you open your heart and show the most tender side of a woman.

"Thank you, sister LAN. Everything goes well." Wu Tian feels very warm when a woman is so concerned about herself.

"By the way, I called Wang Anhong to pick you up in the demons. How did he do?"

"Thank you for your kindness, but..." Wu Tian kneaded his chin with his hands, and he was eager to speak.

"What's the matter?"

"With all due respect, Wang Anhong is not a good person. I advise LAN elder sister to stay away from him." Wu Tian is very tactful admonishment way.

"I see." Huang Lan nodded, then took out her mobile phone and dialed a phone call. She said to the phone, "cancel all cooperation with Wang Anhong. You can go back to Luzhou now and

don't contact him again."

"Sister LAN, why did you cancel the cooperation with him with one word?" Wu Tian said with tears and laughter.

"If I guess correctly, Wang Anhong must have deliberately made you sad in the demon." Huang Lan finish saying this words, very firm make a stand: "since he makes you embarrassed, I let him not happy."

"Aren't you and Wang Anhong friends?"

"Yes, he and I are friends, but compared with you, he is not even a fart."

"Thank you, sister LAN." Wu Tian's mouth rose, a flattered look, "I didn't expect my position in LAN elder sister's mind is so important."

"Silly boy, no one can replace you in my sister's mind." When he said this, Huang Lan's eyes twinkled, and there was a touch of feeling in his eyes that was not suitable to be detected.

"Thank you, sister LAN." Wu Tian raised his glass and said with a smile, "to our friendship, cheers."

"Cheers Huang Lan raised her glass and touched Wu Tian.

Hearing these two words of friendship, I feel a bit lost.

In Wu Tian's mind, are they just friends?

Just as she was thinking, her mobile phone rang on her desk. Seeing that Wang Anhong was calling, she hung up the phone directly and then pulled the number black.

Apart from Wu Tian and her parents and family, she is heartless to anyone.

CHAPTER 259:

After dinner, Wu Tian takes sister Lan's car back to his residence.

As soon as he entered the door, he saw Long Yun take the initiative to meet him and ask, "young master, where have you been these days?"

"Demon city." Wu Tian collapsed on the sofa, cocked his legs and ordered, "Secretary long, come here to beat my back for this little boy."

Still feel comfortable at home, more comfortable than the hotel a hundred times, at least there are beautiful secretaries waiting at home.

"Yes."

Long Yun wrung a few eyebrows, finally or obediently went to help Wu Tian beat his back, continued to ask: "young master is to invest in demon capital?"

"Yes."

Wu Tian nodded, squinting and falling on the sofa, "Ben Shao recently invested in making films in demon capital, preparing to enter the entertainment industry."

"Investing in movies?"

"Yes."

"The young master really has a wide range of interests." After saying this, Long Yun did not forget to remind: "young master, your investment is too wide and the front line is too long. I'm afraid that when the time comes, my energy will be scattered, but..."

"Don't talk nonsense. Help me beat my leg." Wu Tian interrupted impatiently and put his legs on the tea table.

"Yes."

Long Yun tried to bear the discontent in her heart and went to help Wu Tian beat her legs. At the same time, she said with no expression: "yesterday, a woman came to see you. She said it was your teacher, surnamed mu."

"Mr. mu?"

Wu Tian's face was startled. Ning Mei didn't understand: "why did Mr. Mu come to my house? Home visit? "

"She said you had been absent from school for several days, so she told you to go to school

quickly."

"Er." Wu Tian nodded and couldn't help asking, "what did you say to Mr. mu?"

"I said your third aunt passed away and went back to my hometown."

"Smart." Wu Tian stretched out his hand and pinched it on Longyun's face and boasted, "I'm really worthy of being my good secretary."

"Young master, please respect yourself." Long Yun stands up straight and stares at Wu Tian with resentment on his face.

It's not the first time that she has been taken advantage of by a young man. She has to bite her teeth and endure every time. It really makes her bend.

"Since what heavy, help me massage quickly." Wu Tian falls on the sofa and continues to sway his legs.

Secretary long clenched his teeth, forced to suppress the shame and embarrassment in his heart, and continued to help the young master press his legs.

"Di Di Di..."

Just as Wu Tian was enjoying himself, his cell phone rang in his pocket. He took a look and

found that sun Xiaohao was calling.

Before leaving Luzhou, they did not say goodbye to Xiao Hao and Jiang Wan. Naturally, they did not know that he had gone to Luzhou.

Staring at the mobile phone for a few eyes, and then connect the phone to turn on the hands-free: "Xiaohao, I just came back from the demon capital, let's have a dinner together in the evening."

"I'll talk about it another day. I'm calling to tell you that there's something wrong with Tianhao hotel." At the other end of the phone, sun Xiaohao's voice was a little flustered.

"What trouble?" As soon as he heard that the hotel was in trouble, Wu Tian was nervous.

With sun Xiaohao's personality, he is usually strong. If he is not in trouble, he will never call him.

"Just this morning, our hotel supply chain suddenly broke down, and the food suppliers suddenly cancelled their cooperation with us."

"Don't worry." Wu Tian pacified a sentence, opened his mouth and analyzed: "like this situation, there must be someone playing tricks behind."

Generally speaking, upstream suppliers are seeking to supply goods to the downstream. Only continuous and stable supply can make money.

No supplier is unwilling to make money. The reason why they suddenly stop supplying goods must be controlled by someone behind the scenes.

"What now?" Sun Xiaohao is obviously a little helpless, after all, he is the first contact with the catering industry.

I didn't know much about these things before, but now I'm learning to sell them now.

The key is that Tianhao hotel is now switching to high-end consumption, and the requirements are very high in all aspects, and the difficulty is doubled.

"Don't panic. It's hard for us." Wu Tian was very calm and said to his mobile phone: "Mr. Yang has a wide range of contacts. Let him be responsible for looking for new food suppliers. In addition, let Lu Kang be responsible for finding out who is behind the scenes."

"Yes

After sun Xiaohao answered, he quickly thought of a more serious matter, "the health bureau came in the morning and said that we should stop business for rectification."

"Shit, these guys, it seems like they want to kill us." Wu tiandark scolded and said to the mobile phone again, "I'll take care of this side of the Health Bureau. You can keep the hotel and don't let the employees mess up."

"OK."

"That's it. Call me again if you have any problems." Wu Tian said this and hung up his cell phone.

After calling, he looked up at Long Yun, "Secretary long, can you make an appointment with the health bureau?"

"No problem. I know their deputy director."

"Well, make an appointment with them to Yanjing Hotel. We'll have dinner together later."

"Well, I'll do it now." Long Yun said this, and began to make a phone call.

After the phone call, Wu Tianhui reported: "young master, they promised to have lunch together." "Well, let's go." Wu Tian finished saying this and took the lead to walk outside. When he reached the door, he heard Long Yun say, "young master, I'll change my clothes first."

"It's good. It doesn't have to be changed." Wu Tian doesn't say a word, so he pulls Long Yun out of the room.

Uncle Fu Gui drove the two people to Yanjing Hotel.

It's a luxury hotel. It's a luxury hotel, but it's a low-key hotel.

They ordered a large luxurious room and waited patiently in the private room.

After waiting for more than ten minutes, we could see that the people from the health bureau came late. It was Zhao Wenwen, deputy director of the Health Bureau.

"Secretary long, I'm really sorry for being late because of the traffic jam." As soon as we met,

Zhao Wenwen repeatedly apologized.

Although Long Yun is just a secretary, people who know her know her powerful behind her. No one dares to offend easily.

"Director Zhao is very busy with official business, so it has given me great face to come." Long Yun finished saying this, stretched out his hand and made a gesture of invitation, "Zhao Bureau and all leaders, please sit down."

Long Yun's own aura, even in front of these people, also did not show the slightest inferiority.

Sure enough, there is a Secretary for metric dragon Zhao Wenwen flattered him and took his colleagues to the table.

At this time, Wu Tian went over and put his hand in front of Zhao Wenwen. "Hello, director Zhao. I'm Wu Tian from Tianhao hotel. Nice to meet you."

"So you are the owner of Tianhao hotel." Zhao Wenwen's contemptuous eyes swept Wu Tian and said with disdain, "don't get close to us."

"I don't mean it. It's polite to smile at you." Wu Tian retracted his hand and sat down in the opposite position of Zhao literature.

"Pa!"

Zhao Wenwen was so angry that he slapped his hand on the table, "you boy is really presumptuous. You are not welcome here. Get out of here and don't affect us to have dinner with Secretary long."

"Wait!"

At this time, Long Yun walked over and said without expression: "director Zhao, don't be angry. Our young master's time is precious, and today I will take time to eat with you."

The implication is that young master's time is very valuable. Don't be unkind.

"You young master?" Zhao Wenwen frowned and did not fully understand the meaning of this.

CHAPTER 260:

"Yes Long Yun nodded, pointing to Wu Tian and introducing: "Mr. Wu Tian is our young master."

"What? Is he your young master Zhao Wenwen's brow was slightly tight, and his eyes were full of surprise and shock.

He didn't expect that this seemingly ordinary silly boy was actually the young master of secretary long. It was really surprising.

"Director Zhao, our young master took time to invite you to dinner, I hope you can give face." Long Yun's voice seems calm, but with an irresistible force.

"Since it's Wu Shao, I certainly want to give face." Zhao Wenwen changed his attitude before

and took the initiative to shake hands with Wu Tian.

The power of secretary long has been heard before. He even dare not offend Secretary long, let alone the master.

"Zhao bureau is welcome." Wu Tian reached out and shook Zhao Wen Wen's hand and said with a smile, "today I come to see you mainly for the Tianhao hotel."

"Wu Shao can rest assured that Tianhao hotel is law-abiding and has no problems, and there will be no problems in the future." Zhao literature immediately assured Wu Tian.

"Thank you, Zhao Ju." Hearing this, Wu Tian's mouth slowly raised a smile, raised his glass and said, "I respect Zhao Bureau."

"No, I should respect Mr. Wu." Zhao Wenwen raised his glass and showed great respect and politeness.

"Zhao bureau is really too polite."

"In the future, the economy of Luzhou will depend on outstanding businessmen like Mr. Wu."

"Flattering."

The two sides flattered each other and scattered after dinner.

After solving the crisis in this aspect of the hotel, there is a crisis in the supply of food materials, which is the real big problem.

Leaving the hotel, Wu Tian takes a bus to Tianhao hotel.

I found that the hotel was very cold and quiet. There were no guests and the waiters were very lazy.

Just entered the hotel lobby, was a beautiful waiters blocked the way, "Sir, our hotel is upgrading transformation, temporarily do not accept guests."

"I'm looking for Mr. Sun." Wu Tian didn't want to talk nonsense with the waitress and went straight to the elevator.

As a result, she blocked her way again, and said with sharp words: "there is no general manager Sun in our hotel. Please go back."

"No general manager Sun?"

"Yes."

"Isn't sun Xiaohao your boss?"

"Er." The waiter responded and suddenly realized: "you mean the new boss?"

"Don't stand in the way. I have something urgent to do with him." Wu Tian waved his hand and urged impatiently.

"What can I do for you?"

"We have a food supply crisis in Tianhao hotel. I'll find him to solve this problem." Wu Tian explained.

"You?"

The beautiful waiter looked at Wu Tian with a suspicious look, and said with disdain, "just like you, you still help us solve the crisis?"

"Yes."

"Pooh!" The waiter spat fiercely on the ground, disdainful way: "you boy is afraid to be crazy, run to our hotel to be shameless."

Several waiters gathered around and looked at Wu Tian with the same kind of crazy eyes. They all felt that the boy was talking nonsense.

"To tell you the truth, I'm an investor of Tianhao hotel. My surname is Wu." So far, Wu Tian can only show his cards to the waiter.

"You say you are our hotel investor?"

"Yes."

"Pooh!" The waiter spat fiercely on the ground and scornfully said: "you don't even spit on the urine. Do you dare to say that you are an investor?"

The waiters were all laughing.

"Go and find your grandson." Wu Tian's patience has been exhausted, and he is not in the mood to waste saliva with the waiter.

"We Sun Zong is not what you want to see. Leave our hotel as soon as possible, or I will call the security guard." The waiters have become a lot stiffer.

In her opinion, the boy in front of her was sent by her competitors to make trouble. He must not be allowed to see the boss, or there will be big trouble.

"It doesn't make sense to you." Wu Tian is too lazy to talk nonsense. He takes out his mobile phone and is ready to call sun Xiaohao.

Just then, Lu Kang came out of the elevator and asked, "Why are you all around there if you don't stick to your posts?"

"Manager Lu, someone pretends to be an investor and makes a mess here." The waiter reports to Lu Kang in a hurry.

"Boss Wu?"

Lu Kang saw Wu Tian surrounded by the waiters and quickly reprimanded the waiter: "what's pretending? He was our big boss originally."

With these words, he rushed to meet Wu Tian and bowed to him.

The waiters were all dumbfounded. They all looked at Wu Tian in surprise. They didn't expect that the boy was really the boss behind the scenes.

In particular, the beautiful waiter who stopped Wu Tian was so shocked that her eyes almost didn't come out.

Before that, I still thought that the boy was a psychopath and wanted to make trouble. But she never thought that the boy was the boss behind the scenes.

"What are you doing? Say hello to boss Wu." Lu Kang said hello and turned to remind the waiters.

"Good boss Wu." The waiter regained consciousness and bowed to say hello.

"You go to work." Wu Tian sent the other waiters away and went to the beautiful waiter.
"What's your name?"

"Xiao Xia." The waiter was afraid to spit out two words.

At the moment, I was scared to death. I didn't expect to offend the boss if I was not careful. At this moment, I felt that there was an imminent disaster.

To tell you the truth, if you had known that the boy was the boss of the hotel before she could please her, how dare she offend him.

I don't know if I will be fired if I offend the boss this time?

"There's nothing more to do. Go ahead and do it." Wu Tian stares at Xiao Xia for a few eyes and waves his hand to order.

"Thank you, boss Wu." Xiao Xia bowed and said thanks like an amnesty, and quickly retreated to one side. Her heart was frightened out of a cold sweat.

Wu Tian turned to Lu Kang and yelled, "is this the waiter you manage?"

"They don't know Mr. Wu. They have a bit of a clash. I hope Mr. Wu can be forgiven." Lu Kang explained with a smile.

"Remember, we are on the high-end line now. No matter what time, the waiters should have high quality. Even if the beggars enter the hotel, they should treat them with courtesy. Understand what I mean?"

"I understand."

"We can establish a strict assessment system, improve the wages of good service waiters, deduct wages for poor service, and implement fine management."

"Mr. Yang and I are working on a plan to manage waiters and chefs."

"Within a month, the quality of the waiters must be improved, and those who are lazy and used to it can be abandoned."

"Yes, yes, yes."

"Let's talk about it slowly." Wu Tian said this and took the initiative to change the subject: "by the way, where is Sun Zong now?"

"Mr. Sun is in the office."

"Go, go to the office first." Wu Tian finished saying this and took the lead to walk into the elevator.
