

CHAPTER 321 - 330

"Don't be angry, headmaster Zhao." Wu Tian took back his right hand, took out the letter of introduction from his pocket and put it on the table, "please read this before you finish reading it."

"What is this?" Zhao Wenwen picked up the letter of introduction and looked at it. He immediately changed his attitude and instantly became happy and smiling. "It turns out that it's Ms. Long's person. It's disrespectful and disrespectful."

He didn't know Wu Tian, but he knew the letter of introduction.

This is some time ago, a woman named Long Yun found him and gave him a large amount of benefits, hoping to arrange people to come to Huang'an school.

After receiving so many benefits, he naturally would not refuse. He immediately wrote a letter of introduction to Secretary Long and asked the students to come to the school with the letter of introduction at any time.

"Mr. Zhao, I will not beat around the bush." Wu Tian was too lazy to talk nonsense and pulled Xiaofeng to open the door to see the mountain and said, "I specially brought Xiaofeng here to handle the admission procedures today."

"This..."

Zhao Wenwen brows a tight, a face embarrassed said: "but at present, our school has only one

enrollment quota."

At this time, the beautiful young woman with dishevelled clothes came forward in a hurry and reminded her: "headmaster Zhao, you just promised me that you would arrange for my son to come to your school."

"I..." Zhao literature for a time Leng in situ, some of the dilemma.

Before receiving the benefits of Long Yun, and promised to leave a letter of introduction to ensure that the arrangements for Long Yun's admission.

But he was waiting for half a month, Long Yun there has been no movement, think they will not come to school.

Today, a student's parents happened to find him and exchange his body as a bargaining chip for his children's admission. Such a beautiful woman, how can he withstand the temptation, and when his head was hot, he ran the woman in the office.

Just finished the business, who knows Long Yun's people come to do the entrance examination, which makes him in a dilemma, do not know what to do.

Long Yun there he received a lot of money, and the young woman side he just finished the business, both sides gave a commitment.

"Headmaster Zhao, it's clearly written in black and white, but you said you'd like to arrange Xiaofeng's admission." Wu Tian shook the letter of introduction in his hand and reminded him.

I guess Zhao Meiyan has come to bed with him as a lure.

Although this young woman's way is very cheap, but she sacrificed her body for the sake of children, it is also worthy of respect.

But Zhao Wenwen, who had promised long Yun before, didn't expect that in order to get the young woman's body, he made a promise to the young woman, which is really shameless.

"Don't worry, I will do what I said. I will never cheat." Zhao literature made a promise immediately.

On hearing this, the beautiful young woman was worried and hastened to interrupt:
"headmaster Zhao, you promise to arrange my son's entrance to school, but you can't say nothing."

"Don't worry about it. I'll do something about it." At present, Zhao literature can only delay this situation.

"There is only one quota. What do you want to do?"

"Don't worry..."

"Of course I'm in a hurry. If I'm not in a hurry, I won't talk to you either..." The young woman didn't finish her words and swallowed them back. The latter words were really speechless.

If it wasn't for her children to go to a good school, how could she have run to Zhao Wenwen and gambled on her body and dignity in the end.

The young woman bit her teeth and raised her head aggressively, "headmaster Zhao, if you don't arrange for my child to enter school today, I'll show my old face and poke us out."

"Good, good. I'll go through the enrollment procedures for your son right away." Hearing this, Zhao literature was scared to compromise.

If this is disclosed today, he will not only lose his reputation, but also be dismissed by the school.

I'm really sorry. We've been involved in such a evil spirit. Now it's too late to regret. We can only find a way to calm it down.

With a word of assurance, he picked up the landline and was ready to make a phone call.

"Pa!"

Wu Tian put his hand on the receiver and said in a cold voice, "headmaster Zhao, you have given her the quota. What are you going to do with me?"

"What to do with it?" Zhao literature was not as polite as before, and immediately became

ferocious.

"You have promised to arrange Xiaofeng's admission."

"When did I promise?" So far, Zhao literature can only play a rogue, to a death do not admit.

I've weighed the pros and cons in my heart. I can't offend the young woman. As for the boy in front of me, there's nothing to be afraid of.

"Headmaster Zhao, you are really forgetful." Wu Tianpa slapped the letter of introduction on the table, "it's got your autograph on it."

"Chih la!"

Zhao Wenwen grabbed the letter of introduction and tore it into pieces. Finally, he stuffed all the pieces of paper into his mouth and swallowed it.

After eating these fragments, Zhao Wenwen said with a brazen smile, "where is the letter of introduction? You don't want to lie about it here."

"....."

Seeing this operation, Wu Tian was suddenly covered with black lines. Huang an, the principal of high school, never thought of destroying his ID card.

To tell you the truth, I have never seen such a shameless man before. This is the most shameless rascal in the world.

I don't know how this kind of rascal became the principal.

"So, is president Zhao trying to cheat?" Wu Tian's eyes twinkled and his body was full of cold air.

"Don't talk so bad. How can principal Huang'an play tricks on me?" Zhao Wenwen threw her hands behind her and said impatiently, "I didn't promise to arrange you to come to school here at all. Please go quickly."

"Headmaster Zhao, I advise you to think twice before you act. Don't get yourself into trouble."

"Oh, how dare you threaten me?"

"Not a threat, just advice."

"Silly boy, if you are sensible, get out of here. Otherwise, I will make you unable to go to school in Luzhou."

"Is it?"

"Of course." Zhao Wenwen shook his collar and bared his teeth in a hubris: "I'm not afraid to tell you the truth. I have a backstage in the Education Bureau, which makes me anxious. I'll let you have no learning to go to."

"Nowadays, it's not against the law to blow the current malpractice. I'm giving you 30 seconds to blow hard."

"You..." Zhao Wenwen impatiently swung his sleeve, "I'm too lazy to talk nonsense with you, get out of here."

"We won't go. It's up to us."

"If I say no, I won't let you go."

"in this place, you has the final say."

"I am the principal of Huang An high school. I certainly has the final say." Zhao literature, with his head up, is a tough and domineering man.

"No!" Wu Tian chuckled and said coldly, "it's just a headmaster. You take yourself seriously."

"this is my site. I am the biggest here, and the whole school has the final say."

"Frog in the well, it seems that I have to teach you to be a good man." Wu Tian finished saying this, touched out the mobile phone to call Long Yun.

Just said a few words to the phone, hung up the mobile phone and said to Zhao Xuewen with a smile: "you will soon be dismissed and investigated."

"Pooh!"

Zhao Wenwen naturally won't believe this kind of nonsense. He spat hard on the ground and replied, "who do you think you are? I'll be suspended for investigation after a phone call. What a joke."

"Don't cry then." Wu Tian chuckled and sat directly on the sofa. He said to Qinglong and Xiaofeng, "don't worry. Let's sit first."

Qinglong and Xiaofeng are worried, but they don't say much. They sit down next to Wu Tian.

"I'll see what you can do." Zhao Wenwen holds his chest in both hands, waiting for a good play.

Before long, the desk machine rang.

Zhao Wenwen went to get through the phone and said impatiently, "Hello, who are you?"

"I'm old sun." There was a heavy voice on the other end of the phone.

Hearing this voice, Zhao Wenwen immediately became extremely respectful, "it turns out that director Sun, I just want to call you and ask you to come out for a potluck."

Director Sun is the director of the office of the Municipal Education Bureau. He has a good relationship with him. Because of such a backstage, he can be in the position of headmaster.

"Headmaster Zhao, I have bad news for you." On the other side of the phone, director Sun spoke in a very low tone.

"If director Sun has anything to say."

"Just got the news that someone reported you 13 criminal evidence, and the Education Bureau and the Public Security Bureau will suspend you from duty."

"What?" Hearing this, Zhao Wenwen's body trembled, and the sweat on his forehead rolled down.

Micro Leng after, rushed to the phone for help: "director Sun, I am your people, you must help me."

"Ah

There was a sigh on the other end of the phone. He was helpless and said, "this is the instruction of the provincial education department. I'm afraid I can't do anything about it."

"What? Provincial hall? " Zhao literature was shocked, did not expect such a big movement, directly shocked the provincial education department.

He is such a high school principal, even if he makes a big mistake, he will not disturb the provincial government?

"Mr. Zhao, tell me the truth, did you offend anyone this time?" There was a question on the other end of the phone.

"No, I haven't offended anyone lately."

"If you think about it, you must have offended someone."

"I..." Zhao Wenwen suddenly thought of something, slowly looked up and fell on Wu Tian, "is this boy?"

No wonder the boy told him that he would soon be dismissed and investigated. At that time, he thought that the boy was deliberately intimidating him. At this time, he realized that what he said was true.

At present, the boy finished a phone call and received a call from director Sun in less than ten minutes.

That's right. This kid must have been manipulating it.

Can disturb the provincial education department, can see how terrible the boy's power in front of him, think about all feel afraid.

A careless, he even offended this kind of force astonishing super big man, at this time has a kind of disaster feeling.

After micro Leng, he said to the phone in a hurry: "I have offended a young man, director Sun, what should I do now? Tell me what to do? "

"I told you that you should keep a low profile in life and do things, but you don't listen. Now you've made a big accident!" On the other end of the phone, director Sun reprimanded him,

and then sighed, "admit your life. This time, no one can help you."

"Director Sun, director Sun..." Zhao Wenwen shouts at the receiver and finds that the other party has already hung up.

When he calls again, the other party will be prompted to turn off the phone.

"Plop!"

Zhao Wenwen's legs are soft, and he sits on the chair directly. His body seems to have been drained of blood. He has no strength up and down.

I never dreamed that, in just half an hour, life has experienced such unprecedented ups and downs.

He looked at Wu Tian with empty eyes. He was as terrible as seeing a monster. He never thought that his bright future would be destroyed in the hands of a hairy boy.

Slightly Leng half a minute, he just suddenly wake up.

"Brother, I was wrong. Please let me go this time."

Now his fate is in the hands of Wu Tian, and a word from Wu Tian can determine his life and death and future.

This kneeling stunned Qinglong and Xiaofeng, and even more stunned the beautiful young woman.

All of a sudden, headmaster Zhao, who was still so arrogant and arrogant before, suddenly changed into a person and knelt down to beg for mercy from Wu Tian.

This kind of change comes too fast, it's just unprepared.

What surprised her most was that young woman. She didn't expect that a person like Zhao Wenwen would kneel down to a big boy regardless of dignity and face.

She couldn't help but guess what the boy was in front of her. She could make the headmaster of Huang'an middle school kneel down and beg for mercy.

"Mr. Zhao, what's wrong with you?" Wu Tianqiao looks down on Zhao literature with the same color as a fool.

"I don't know how to offend you." Zhao Wenwen finished saying this, raised his hand and pulled several chapters on his face to express his regret."I reminded you before, but you just didn't listen. Now you know you regret it?"

"I know I regret it."

"Now it's too late to know it's too late to regret. You'll wait for the law to punish you."

"Little brother, please give me another chance." Zhao literature, like a chicken pecking rice, kowtowed desperately and begged: "I promise I will never make this kind of mistake again."

"I gave you a chance, but you don't know how to cherish it." Wu Tian severely kicked Zhao literature on the shoulder, scolded: "such a rogue as you, it is insulting the reputation of the

school."

"Bang!"

Just after saying this, the door of the room was knocked open and a group of law enforcement officers broke in.

"Zhao Wenwen, you are suspected of committing a crime. We will arrest you according to law." The law enforcement officers lit up their certificates and rushed to drag Zhao Wenwen away.

Zhao literature completely turned into a soft legged shrimp. He was dragged to the outside with despair and regret in his eyes.

At this moment, his intestines are all green, and he regrets offending the boy named Wu Tian in front of him.

If he had known that the boy was so powerful, he would have gone all out to curry favor with him.

Unfortunately, there is no regret medicine in the world. It's too late to regret now.

As soon as Zhao Wenwen was taken away, a group of school administrators entered the office.

The leader was a man with a long face. When he entered the door, he held out his right hand to Wu Tian with a smile, "Hello, I'm pan Ming, vice president of the school."

"Hello, headmaster pan. I'm Wu Tian." In return, Wu Tian smiles and reaches out to shake with

each other.

"Thank you, Mr. Wu, for helping the school eradicate the scum of Zhao literature. On behalf of all the teachers and students, I would like to thank you." Pan Ming said this and bowed 90 degrees.

He just got the news that this young man named Wu Tian has a strong background and has relations in the province.

Just now Wu Tian's words made Zhao literature collapse immediately. It can be seen how powerful the boy is.

Now he just needs to flatter the big man in front of him, and he will certainly be able to sit in the top position.

"It is the duty of every citizen to eradicate Zhao literature as a black sheep." Wu Tian said this, can not help but remind: "hope to climb the headmaster to take warning, do not make this kind of mistake."

"I'll listen to Mr. Wu in the future and promise that I won't make such a mistake." Pan Ming immediately declared that he wanted to unite with Wu Tian.

"No!"

Wu Tian waved his hand and corrected: "this is not true. You should not listen to me. You should be strict with yourself and set a good example."

"Yes, yes, yes." Pan Ming nodded: "what Mr. Wu said is reasonable. I will be strict with myself."

"Well, let's get down to business." Wu Tian pushed Xiaofeng over and said with a smile, "this is my sister Xiaofeng. I want to come to your school."

"There is still a place in our school. I will arrange for her to go through the admission procedures." Panming said this, and told the instructor behind him to arrange.

After a while, she went through the admission procedures for Xiaofeng.

"Headmaster pan, Xiaofeng will go to school in your school later. You have to take good care of her. You can't let her be wronged. Do you understand?" Wu Tian can't help but remind Panming.

"Don't worry, I will take good care of Xiaofeng and will not let her suffer any injustice." Pan Ming vowed to promise.

"That's good." Wu Tian nodded with satisfaction, reached out and patted Panming on the shoulder, "you have great potential, the future is limitless, and make great efforts."

"Thank you, Mr. Wu." Pan Ming quickly bowed to thank him.

He knew that with Wu Tian's power, he could become the school principal and take over Zhao

Wenwen's position with one word.

"Do well." Wu Tian finished saying this and reached out to hold Xiaofeng's shoulder. "Xiaofeng, you can study here in peace of mind. If you have any problems, go to headmaster pan and he will handle them for you."

"Yes, if you have anything to do with me, I promise to do it for you." Pan Ming made a hasty statement.

As long as you serve Xiaofeng, the little ancestor, it is tantamount to flattering Wu Tian, which is of great help to his promotion.

"Thank you little Tiange, thank you, Mr. Pan." Xiaofeng is very polite to thank them.

She now more and more admire Xiaotian brother, such a short time Zhao Wenwen that big villain, and will climb the headmaster tame obedience.

"Well, let headmaster pan take you to school to familiarize yourself with the environment and come back to class another day. Your brother and I will wait for you at the school gate." Wu Tian reached out and rubbed her little head and said with a smile.

"Yes Xiaofeng nods hard, and her two big beautiful eyes stare at Wu Tian closely, almost like a little flower maniac.

"Xiao Feng, please follow me." President pan went over to make a gesture of invitation, accompanied by a smile: "I personally take you to the classroom to meet the teachers and students."

"Thank you, Mr. Pan." After Xiaofeng thanks, she follows headmaster Pan to the outside of the office.

After President Pan left, the teaching director and several school leaders also went forward to curry favor with Wu Tian.

As we all know, Mr. Wu has amazing power in the Provincial Department of education. As long as he flatters Mr. Wu, he will have a bright future in the future.

"I left my sister Xiaofeng here, and I'll bother you leaders to take care of me." Wu Tian pleaded politely to the crowd.

"Don't worry, we will take good care of Xiaofeng." Several school leaders have said that they will take good care of Xiaofeng.

"Thank you." After thanking Wu Tian, his tone changed: "OK, there's nothing wrong here. Let's go to work."

"Mr. Wu, you are a distinguished guest. On behalf of the school, I would like you to move to Qinghua garden and have a potluck together." The instructor offered.

"No need!"

"Thank you for your kindness. I have something urgent to deal with now. I really can't spare the time," he said

"Well, let's get together again when Mr. Wu has time." The director didn't force him to say that.

"If it's too much trouble, I'll leave." Wu Tian said this and left the office with Qinglong.

Several school leaders were welcome to see him off, until Wu Tian was sent out of the academic affairs office.

As soon as Wu Tiangang walked out of the school gate, he saw the young woman who had just been chased out by the hidden rules of Zhao literature.

"Mr. Wu..."

The young woman trotted forward to block Wu Tian's way. She begged pitifully, "please do me a favor and help my poor child."

Even if she was stupid, she could see that Wu Tian, the boy in front of her, was a big shot. Otherwise, she would not have destroyed president Zhao in such a short time.

Now, with the downfall of headmaster Zhao, he can only place his hope on Wu Tian so that his children can go to school.

"Elder sister, what can I do for you?" Wu Tian stops and looks at the beautiful young woman in front of her.

Maybe it's because I was moistened by Zhao Wenwen in the office just now. She looks beautiful and moving, and her face is red.

"Plop!"

With her legs bent, the young woman knelt down in front of Wu Tian and begged, "Mr. Wu, my son has no place to go to school. Please help us." "Don't do this, elder sister. Get up quickly. If you have something to say, you can talk about it." Wu Tian quickly reached out to help the young woman up from the ground.

"Mr. Wu." The young woman rubbed her eyes and said pitifully, "we don't have a city registered permanent residence. Our son has no place to go to school. Please ask Mr. Wu for help."

"Pity your parents. OK, I'll help you." Wu Tian hesitated for a few seconds, and finally nodded his head.

In any case, this young woman is also a great mother, can go to school for her son regardless of dignity to sell her body, which is also worthy of respect.

"Thank you, Mr. Wu." Thank you very much.

"Don't worry. I'll call first." Wu Tian took out his mobile phone and made a call to Long Yun. After calling, he handed a business card to the young woman. "There is my secretary's contact information on it. You go to find her, and she will help you deal with everything."

"Thank you, Mr. Wu. I don't know how to repay you." The young woman took the business card with both hands, and her tears rolled out.

"It's a piece of cake. Don't mention it. Go to Secretary Zhao long as soon as possible."

"Thank you, Mr. Wu." The young woman repeatedly thanks, then holding a business card

excited to leave here.

Looking at the young woman's far away back, Qinglong couldn't help feeling: "young master, you are really a good man. You don't ask for reward for good deeds."

"Maybe because of my kindness, I can save a family." Wu Tian chuckled.

He was touched by the maternal love shown by young women.

Mother is the greatest in the world, for the sake of children, selfless dedication of their youth and everything, this love is worthy of everyone's respect.

"To follow the young master is the greatest fortune in my life." Qinglong looked up at the distant sky with a strange look in his eyes.

If it wasn't for meeting Wu Tian, he and his sister might have been a different fate. They must still be suffering in pain.

"Don't say that." Wu Tian patted Qinglong and said with a smile, "let's work together to make the people around us better."

"Yes Qinglong nodded and said nothing more.

At this time, Xiaofeng came out of the teaching building and waved to this side all the way: "brother, brother Tiange..."

"How's the school?" Seeing Xiaofeng approaching, Wu Tiancai couldn't help but ask.

"It's a feeling I haven't seen for a long time." Xiaofeng crooked her head and said happily:
"teachers and students are very harmonious. The atmosphere in the school is very good."

"Just be happy." Wu Tian stretched out his hand and rubbed the delicate face, and ordered: "if
you encounter something unpleasant, tell me that I will help you solve it."

"Brother Tiange, you are so kind to me. I'm afraid I can't do without you all my life. What can I
do?"

"If you can't leave, then you won't leave."

"Well, I'll stick to brother Xiaotian all my life." Xiaofeng reaches out and hugs Wu Tian's arm
tightly. She looks happy and sweet.

"Cough!"

Qinglong coughed twice and reminded his sister: "Xiaofeng, the young master is very busy. You
can't keep pestering him."

"Brother, look at me so good to little Tiange, you can't be jealous?" Xiaofeng Dudu mouth joking
way.

"You girl." Qinglong smiles bitterly and shakes his head, and says to Wu Tian: "Xiaofeng will enter school tomorrow. I will take her to buy some daily necessities and study supplies."

"Well, I'll give you a holiday today and tomorrow. I'll take my sister to buy everything and send him to school."

"Thank you, young master."

"All right, let's go!"

"Let's go." After saying this, Qinglong takes Xiaofeng and turns to leave here.

Xiaofeng walked a few steps, but also did not forget to wave goodbye to Wu Tian: "goodbye, brother Xiaotian."

"Goodbye. Be careful on the way." After parting with his brother and sister, Wu Tian turns around and gets into the red flag car, and then orders uncle Fu to drive home.

After the car returned to the community, Wu Tianxia car saw LAN elder sister in front of the elevator door, holding her chest in her hands and pacing back and forth.

The woman was dressed in a long black dress. She looked cold and snowy from a distance, sexy and expensive.

"Sister LAN, why are you here?" Wu Tian said hello and walked quickly to meet him.

"Stinky boy, I've been waiting for you for a long time." At the sight of Wu Tian, Huang Lan's cold and gorgeous face blooms with a beautiful smile.

"Why don't you call downstairs? Can I help you? "

"Nothing." Huang Lan stroked her long hair and said with a smile: "I went to visit your troupe just now. I just passed by your downstairs. I wanted to come and have a look."

"Are you visiting our crew?"

"Yes Huang Lan nodded and boasted: "you have a good vision. The investment team has great potential."

"Thanks to your friend Mr. Zong Liu's recommendation."

"By the way, I heard that you solved a big problem for zongliu company before?"

"It's not worth mentioning."

"Now zongliu trusts you very much and praises you very much." Huang Lan stretched out his hand and poked Wu Tian's chest. "Good boy, you can buy people's hearts!"

"Lan elder sister flatters."

"What? You're downstairs. Don't you invite me up? "

"This..." Wu Tian was a little embarrassed.

Now Shen Xue and Su Ruyun are two women living at home. If LAN elder sister goes up now, will not there be misunderstanding?

Especially Shen Xue's Vinegar jar, she and sister LAN have never dealt with it. I'm really worried that they will fight.

"What? I'm not welcome to your house? " Huang Lan leans her body against the wall, and her two big eyes are staring at Wu Tian's eyes.

"No Wu Tian was very uncomfortable with this look, and quickly found an excuse: "the house is too chaotic, I haven't cleaned up for a long time, I'm afraid of sister lan..."

"Don't you have a beautiful secretary in your family who doesn't help you with the housework?"

"She's usually very busy."

"It's lovely of you to lie." Huang Lan Wan'er smiles and reaches for the elevator button.

When the door opened, she walked into the elevator with long legs and said with a smile, "I want to see how chaotic your home is."

"This..." Wu Tianleng is outside the elevator door. He doesn't know what to say for a while.

Seeing that the elevator door was about to close, Huang Lan pressed the open key and urged Wu Tian: "what are you doing? Come in quickly."

"Good!" Wu Tian couldn't find the right reason to refuse LAN elder sister to go upstairs, so he had to go in.

After the elevator closed, Huang Lan walked slowly towards Wu Tian and asked with a smile, "Wu Tian, how chaotic is your home?"

"It's a mess." Wu Tian couldn't help swallowing when she smelled the fragrance of LAN elder sister's hand.

"It doesn't matter. I'll help you sort it out later." Huang Lan wanted to continue to tease Wu Tian when the elevator stopped on the 11th floor.

After the elevator door opened, Huang Lan immediately put away a smirk on her face, adjusted her dress and changed it into a pair of cool and proud.

Only in front of Wu Tian, she will show a small woman's coquettish posture, usually is a pair of resisting people thousands of miles of arrogance.

Walking out of the elevator with long legs, he went directly to the door of Wu Tian's room and urged, "what are you doing? Open the door quickly." "All right." Wu Tian had to take out the key and open the door, hoping that Shen Xue was not at home now.

But most of the time, things go against our wishes.

Su Ruyun and Shen Xue are both at home. They have prepared the food, and the smell makes people energetic.

Seeing the two women in the room, Huang Lan gave a bitter smile: "there are two hidden in the golden house. Your private life is really chaotic."

"Sister LAN, don't get me wrong. They just like to live in my house." Wu Tian grabs his head and hastens to explain.

"It's amazing to live with two women." Huang Lan sarcastically, strides the big long leg to enter the room.

Shen Xue and Su Ruyun have finished their meal and are chatting in the living room. They suddenly see Huang Lan coming in and the smile on their faces disappears.

Su Ruyun just looked at the woman who came in, full of curiosity about this strange face.

Shen Xue is different. Her eyes at Huang Lan are obviously full of hostility.

She has long known that this woman named Huang Lan likes Wu Tian, and has long regarded this woman as her rival in love. Every time she meets, she is full of hostility.

"Why did you come?" Shen Xue stands up from the sofa and looks directly at the beautiful and moving Huang Lan.

The woman in front of her is beautiful, and her figure is much hotter than her. The key is that her fame is bigger than her.

What bothered her the most was that the girl was so high that she bewitched the demon field in front of Wu Tian. She was fascinated by Wu Tianmi like a goblin.

In this way, Wu Tian will worship Huang Lan's pomegranate skirt sooner or later.

"This is Wu Tian's home. Why can't I come?" Huang Lan asked with a smile that the aura was more powerful than Shen Xue.

"You..."

Shen Xue bit her teeth and choked for a moment.

In front of this woman, she is obviously much weaker.

"From today on, I live here, too." Huang Lan will bag to sofa still, overbearing full cry way.

"What?" Hearing this, Shen Xuejing's eyes were wide open and exclaimed, "do you want to live with us?"

"That's right." Huang Lan nods hard.

"I I don't agree. " Shen Xue immediately refuted.

She didn't want this woman to live in Wu Tian's house. It was unacceptable for her to face such a rival every day.

"It's not your home. You don't need your consent." After saying this, Huang Lan didn't pour water for herself.

"You..."

Shen Xueqi's corner of the mouth was mercilessly whipped, turned his head and fell his eyes on Wu Tian, "is it you who let her live here?"

"No, I'm not." Wu Tian quickly waved his hand and spoke incoherently.

"What about this woman if she doesn't leave?"

"Don't worry. I'll ask." Wu Tian grabs his head awkwardly and walks over to Huang Lan and asks, "sister LAN, I know you always like to joke..."

"I'm not kidding. I'm serious this time. I decided to live with you." Huang Lan looks up at the truth.

"Ah?" Wu Tian was slightly surprised and couldn't help questioning: "don't you have a house? How do you live with me

"I live here. Don't you welcome me?"

"No

"That's fine."

"I'm afraid it's inconvenient for you."

"What is the inconvenience to me?"

"You're a big star. Living in my house may cause paparazzi to take photos, which is bad for your reputation." Wu Tian is now racking his brains to get rid of sister LAN.

He was worried that the two women would fight when they lived together, and the scene would be out of control.

"I'm not afraid. What are you afraid of? I'm going to live here anyway." Huang Lan has never been so stubborn.

That's right. She wants to live here and compete with Shen Xue this time.

As the saying goes, the moon comes first, and Shen Xue can't be left alone with Wu Tian, which is very dangerous for her.

"Sister LAN, I'm really worried about..." Wu Tian also wants to persuade Huang Lan to leave. Before he finishes speaking, Huang Lan interrupts: "are you so afraid that I live in your house?"

"Yes."

Wu Tian nodded, then quickly shook his head: "I don't mean that, I'm just worried about..."

"What if I have to live here?"

"No way." See LAN elder sister so stubborn expression, Wu Tian really can't find the reason to drive it away.

"That's right. From today on, this is my home. Go and help me carry things later."

"I..."

Wu Tian wanted to cry without tears. He turned his head and looked at Shen Xue. He found that the little ancestor's face was full of anger. He could get angry at any time.

"Hello

Shen Xue stamped her foot and asked, "do you really want this woman to live with us?"

"I Ah Wu Tian sighed a little, and hastened to comfort him: "since sister LAN wants to live, let her live. In a few days, she will leave."

"I don't agree."

"What do I disagree with?"

"Anyway, I just won't let him go."

"You and she are both my guests. As a host, how can I drive them away?" Wu Tian explained bitterly.

"Today, either she or I will go. You choose one." Shen Xue said this, a bit willful will head twist to the right side.

"How do you choose this one?"

"Don't talk nonsense, choose quickly."

"I..." Wu Tian took a look at the two women, but finally he did not make a choice.

No matter who you choose, you will offend the other party and cause greater disaster.

After a little meditation, he thought of a way and proposed: "otherwise, you stone scissors paper, whoever wins will live here."

"Wu Tian, you bastard." Shen Xueqi hit him with a hard blow.

Wu tianqiang endured the pain and did not say anything. He thought this method was fair, but

was rejected by the second daughter.

"Let's live together. There are many rooms in my family." Seeing that the plan was not working, Wu Tian changed his mind.

"No way."

"What do you want?" Wu Tian felt his head was big.

LAN elder sister is better, general knowledge.

It's Miss Shen, who is obviously a little unreasonable.

"Don't want to do anything about it. Get rid of that woman now." Shen Xue urged Wu Tian with an aggressive tone.

"Sorry, I can't do it."

"If you don't drive her away, I'll go." Shen Xue finished saying this, angrily rushed into the room, after loading his clothes, he dragged the trunk ready to leave.

Wu Tian hurried to block Shen Xue's way. "Hey, it's so late. Where are you going?"

"It's none of your business."

"It's not safe to be so late. I'll talk about it another day."

"I'm going now."

"All right." See Shen Xue so stubborn, Wu Tian had to compromise: "I let rich uncle send you." "What? Do you really want me to go Shen Xue suddenly stops and looks at Wu Tian angrily.

"Didn't you go by yourself?"

"I..." Shen Xue Qi's chest was up and down, and it took a long time to scold him: "Wu Tian, you are a jerk."

After scolding, he dragged the suitcase to the outside.

Before going out, she suddenly caught the smile of Huang Lan's conspiracy, and she suddenly stopped, "I'm not going. Why should I go?"

If you leave now, it will leave room for Huang Lan and Wu Tian to get along with each other. This woman will definitely occupy Nestle and seize the opportunity to occupy Wu Tian.

After calming down, she decided to stay here and compete with Huang Lan.

"Are you going or not?" Wu Tian was almost crazy.

The woman was clamoring to leave, but not at all. She talked repeatedly and was no different from a child.

"No way." Shen Xue dragged the suitcase back to her bedroom.

"Poof!"

Su Ruyun, who had been standing beside her for a long time, couldn't help laughing. She went to pat Wu Tian's chest and joked, "silly boy, who asked you to take care of the flowers outside and show mercy everywhere? Are you stupid now?"

"Conscience of heaven and earth, I did not provoke them." Wu Tian shrugged his shoulders and said helplessly on his face: "it's just that I'm so handsome that I'm so fascinated by these two women."

"Pooh!"

Su Ruyun spat fiercely on the ground and despised the way: "narcissism, also do not scatter bubble urine, according to your virtue."

"As a policeman, you can't be so vulgar when you talk?"

"I'm just so vulgar. Can you manage it?"

"I Forget it. I'm too lazy to talk to you. I'll have dinner Wu Tianshi is not in the mood to quarrel with this girl, so she walks to the restaurant with Su Ruyun.

There are four dishes on the table.

Shen Xue had already prepared a meal and waited for Wu Tian to go home for dinner. After waiting for a long time, she finally came back with a rival in love.

The second daughter was so jealous that the food was cold.

When Wu Tiangang took his seat, Shen Xue and Huang Lan came over and sat down beside him.

The two girls looked at each other with hostility in their eyes and might fight at any time.

"Eat." Wu Tian interrupted her hostile eyes, picked up chopsticks and gobbled them up.

"How about it? Is my cooking good?" Shen Xue put his head together and asked a question with a pretence of intimacy.

"Not bad." Wu Tian nodded and praised: "the craft of Xiaoxue is more and more exquisite, and the dishes made are more and more delicious."

"Come on, eat more." On hearing this, Shen Xue's happy mouth couldn't close, and took a piece of braised pork and handed it over.

"If you eat too much stewed pork, you should eat more vegetables." Huang Lan said this and put a piece of green vegetables in Wu Tian bowl.

"Thank you, two beauties." After thanking him, Wu was preparing to eat.

As a result, Shen Xue strongly refuted: "Hello, why did you eat her vegetables first?"

"I'll have braised pork first." Wu Tian had to put the vegetables in the bowl and pick up a piece of braised pork.

Just put the braised pork to the mouth, was stopped by Huang Lan: "sister told you, eat braised meat easy to get on fire, not healthy for the body."

"What do I eat?" Wu Tian is in a dilemma with braised pork in brown sauce.

"Green vegetables."

"Don't eat her vegetables, eat my braised pork."

In order to let Wu Tianxian eat his own dish, the two women quarrel endlessly.

"Forget it. I'll eat vegetables and braised pork with soy sauce." Wu Tian smiles bitterly and puts the vegetables and braised pork into his mouth.

"Hum!"

Shen Xue snorted and gave Wu Tian some vegetables.

Huang Lan does not show weakness, picking up chopsticks also give Wu Tianjia dishes.

Soon, Wu Tian's bowl was full of vegetables.

The key is that he can't choose between one dish and the other. The two dishes are rolled together and almost choked to death after a bowl of dishes is finished.

After finishing the meal, Shen Xue peels an apple for Wu Tian.

Before picking up the apple, Huang Lan poured a cup of boiling water and handed it over. The two women began to argue endlessly.

One side quarrels to let him drink water first, the other side quarrels to let him eat apple first, both sides are not willing to show weakness.

In the end, Wu Tian was worth frying a cup of juice with boiled water and apple, so that the two girls had nothing to say.

Really can't stand two women so "serve", casually find an excuse, get into the study will lock the door.

I used to dream about embracing each other, but now I know what it's like to be surrounded by two women. NIMA can't live like death.

Forget it, I don't care about the two women. I'd better hide in the study and read.

As soon as I picked up the book and read a few pages, I heard a scream outside.

Is

The two women are fighting?

Wu Tian quickly put down the books in his hand and ran out of the study at the speed of 100 meters. He saw that sister Lan was covering her abdomen and turning over and over on the sofa, feeling sad.

"Sister LAN, what's the matter with you?" Wu Tian hurried forward to inquire about the situation.

Not waiting for Huang Lan to answer, Shen Xue couldn't help opening a fork: "she was just fine, suddenly had a stomachache, obviously deliberately pretended."

"No, sister Lan's face is pale, and there is a cold sweat on her forehead. She is not pretending." As soon as Wu Tian looked at this situation, she knew that sister Lan was really in pain.

"It's OK. I'm just dysmenorrhea." Huang Lan bit his lips and spat out such a sentence in a low voice.

"I'll take you to your room first." Wu Tian reaches out and holds sister LAN into the room on the bed, and then uses a towel to warm her abdomen.

Shen Xue looks in the living room and sees Wu Tian's considerate and considerate care for the woman. Her heart is very sour.

No matter how hard she felt in her heart, she couldn't stop Wu Tian. After all, the woman had real abdominal pain.

Now she was stretching her neck like a giraffe, just to see what the men and women in the room were doing.

When she saw Wu Tian pressing Huang Lan's abdomen with her palm, she clenched her teeth and clenched her fists.

Wu Tian was scolded bloody in his heart.

"Xiaoxue, do you like Wu Tian Su Ruyun could not help but ask.

"I..."

Shen Xue bit her teeth, and now she can only admit: "yes, unknowingly, I really have been attracted to that man."

Now if you don't admit it, it's just self deception.

"Xiaoxue, you are such a good girl, how can you like that kind of scum man?"

"Who can control this love thing?"

"Wu Tian is a big rascal. He is a playboy and shows mercy everywhere. As long as he is a beautiful woman, he will..."

"I know." Shen Xue bit his mouth and interrupted directly: "he has many shortcomings, but I can't help but be moved by him. This is the first time I like a boy."

"I don't know what to say about you."

"Sister Su, now I see Wu Tian taking care of another woman so gently, in my heart..." Shen Xue pressed her fist against her chest, and she felt uncomfortable. "Then why don't you stop them?"

"Huang Lan's dysmenorrhea is really painful. If I stop it now, it will only make Wu Tian feel that I am not sensible and get bored with me." Shen Xue whispered.

"Snow, you are just too kind."

"I can't watch them go on like this." Shen Xue bit her teeth and got up and went to the room.

Standing in front of the bed, staring at Huang Lan, he said to Wu Tian, "you are clumsy. Stay on the side. I'll take care of her."

"Ah?" Wu Tian is stunned. He didn't expect Xiaoxue to say this.

All along, the girl is hostile to sister LAN. How can she take the initiative to take care of her?

"What are you doing? Give it to me." Shen Xueyi grabs a wet towel and gently wipes Huang Lan's abdomen.

After wiping it for a while, he turned back to Wu Tian and said, "don't be silly. Go and get hot water."

"Oh, good." Wu Tian just regained his mind. She didn't expect that at the critical moment, Xiaoxue would take the initiative to take care of sister LAN.

Is this the girl who was jealous before?

How suddenly, this girl has become so sensible?

Wu Tian didn't say much, so he ran to the bathroom to get hot water and return to the room.

Shen Xue changed the towel and put it on Huang Lan's abdomen again. He told Wu Tian, "go and take two pieces of ginger from the kitchen."

"Good!" Wu Tian nodded and ran to the kitchen to find ginger.

Shen Xue took ginger and chewed it in his mouth. After chewing it, he carefully applied it to Huang Lan's navel.

After working for a long time, Huang Lan's pain gradually disappeared, and finally fell asleep on

the bed.

"Xiaoxue, I didn't expect you to be so powerful. I helped sister LAN relieve the pain so quickly." Seeing sister LAN gradually sleeping, Wu Tian can't help but praise.

"I am also often tortured by dysmenorrhea. This is a small prescription taught by old Chinese medicine, which has certain effect on relieving pain." Shen Xue cleans up Huang Lan's body, turns to Wu Tian and says, "OK, let's go out first, don't disturb her to rest."

"Good." Wu Tian nods and follows Shen Xue out of the room.

Out of the room just can't help but ask: "snow, why are you so good to LAN sister all of a sudden?"

"For you." Shen Xue faintly spat out such a sentence.

"....."

Wu Tian was slightly stunned and couldn't help questioning: "you help LAN elder sister. What's the relationship with me?"

"If I don't take care of that woman, you have to take care of her. I don't want to see you have skin ties with her." Shen Xue directly said what he really thought.

In order not to let Wu Tian and Huang Lan have skin affinity, she can only put a low profile, humble to take care of Huang Lan.

"Thank you anyway." Wu Tian chuckled and said from the bottom of his heart, "you are a sensible girl."

"Tell me, is it your sister LAN or me?"

"All right."

"Hum!" Shen Xue snorted angrily and turned to get into her bedroom.

Looking at Shen Xuejiao Qiao's back, Wu Tian's mouth rises in a dark way and brings up a long lost smile.

It would be nice if Lan Jie and Xiao Xue could get along so peacefully all the time.

Standing in the hall, I thought for a while, then I turned back to my study and continued to read and study. I didn't go back to my room until very late.

Before going to bed, he also secretly looked at LAN elder sister. Seeing the sweet sleep of this woman, he was relieved.

After a night of silence, I got up early the next day to practice.

Practice is strong, see Huang Lan standing at the door, eyes a blink staring at him, eyes slightly with a look of obsession.

"How did LAN sleep last night? Does your abdomen still hurt? " Wu Tian stopped practicing and went to care.

"Much better." Huang Lan pulled his hair around the corner of his ear and said softly, "thank you for taking care of me last night."

"Thanks to Xiao Xue last night, she took care of you."

"Is it?"

"Yes, in fact, the little snowman is very kind. When she sees you in pain, she doesn't feel good. She has been working hard for a long time with hot water and ginger to relieve pain." Wu Tian said this, hoping that the two women can get along peacefully in the future.

"Thank her for me."

"In fact, you are very kind. You are cold outside and hot inside. She is soft and hard inside, but her personality is different."

"Maybe she and I could be friends without you." Huang Lan said this, and then added: "without you, she and I can't know each other, and there won't be any intersection."

"I just hope you don't look like enemies."

"I wish I could wash my face." Huang Lan left a soft smile and turned into the bathroom.

Huang Lan's front foot just left, Shen Xue twisted her small waist to come over.

Today, she looks more sexy and attractive than usual in a knee length skirt with light make-up on her face.

Wu Tian stares at this girl to see a few eyes, from the heart of boast way: "snow, you are really beautiful today."

"Rogue, where to look?" Shen Xue put her legs together, but her heart was sweeter than honey.

"Why are you so cool today?"

"I'm on vacation today, and I'm going to go shopping with you."

"I don't have time to go shopping today."

"What are you doing? Not to accompany your sister LAN? " Shen Xue's face broke down and complained bitterly.

"No!" Wu Tian wiped his head in sweat and said solemnly, "today, we are going to hold a live broadcast event on seafood TV. I'm going to help."

"Is that woman going?"

"Which woman?"

"Don't play garlic with me. I'm talking about Huang Lan."

"She's a pillar of seafood. Of course, she's going to perform on the stage."

"I'll go, too."

"What are you doing?"

"I'll help you."

"This..." Wu Tian began to worry.

If you take Xiaoxue with you, in case of any conflict with sister LAN, which affects the live broadcast ceremony, it is not good.

"Don't worry. I know how to behave. I won't quarrel with that woman outside." Shen Xue saw Wu Tianxin's concerns and assured him.

"All right, then." Wu Tian couldn't find any reason to refuse, so he nodded: "I'll take you with me."

"OK, I'll make you something delicious then."

"Yes." After hearing this, Wu Tianyan opened his mouth and proposed: "let's put the food on the live broadcast Festival, so as not to make the live show dull and boring, but also to bring fire to the food. More importantly, it can drive the flow of people in the commercial street."

"That's a good idea."

"Well, we'll have a carnival feast in Wanjie tonight, combining live broadcast with food festival." After thinking deeply, Wu tianlue told Shen Xue, "I'll leave the food festival to you."

"What can I do alone?"

"I will use half of the cooks in Fuyuan restaurant and Huiyue restaurant for you, and then transfer cooks and waiters from Marriott Hotel to let you demolish. Is that enough?"

"That's enough."

"Then you go to prepare quickly. I'll call Jiang Wan and sun Xiaohao to cooperate with you and try to do a good job in the food festival tonight." After saying this, Wu Tian took out his mobile phone and called Jiang Wan and sun Xiaohao respectively. Let these two people put down all the work at hand, cooperate and support Shen Xue to do a good food festival.

This is not at ease, and then call Long Yun, let her help Shen Xue deal with some difficult problems.

Using so much manpower and resources is to bring fire to Wanjie commercial street, so that the

whole block can form a business circle as soon as possible and realize profits.

After arranging all this, Wu Tian told Shen Xue: "this food festival is very important for Wanjie street. If you want people to give you money, you can't ruin it for me."

"Don't worry. There will be no mistake." Shen Xue is full of confidence.

Other she is not professional, but food for her is equivalent to a second life, she has confidence and ability to do this kind of food activities.

In the past, she used to be a chef behind the scenes. This time, she had to wait for the food to appear in the commercial street. She must make a good performance and let Wu Tian know her strength.

"Well, you can go and prepare quickly. If you have anything to do, you can call Secretary long or call me directly." Seeing that Xiaoxue is so confident, Wu Tian is relieved.

"Why don't you come with me?"

"I have more important things to do. I will meet at Wan Street later."

"All right, then." Shen Xue nods her head cleverly. As soon as she turns around, she meets Huang Lan who comes out of the bathroom.

Both women looked at each other with hostile eyes, and did not die because Shen Xue took care of sister LAN last night.

"Snow, you go to work quickly, don't miss the business, I let uncle Fu Gui send you." Wu Tian worried that the two girls would start to tear and force again, and hurried to talk.

"No, I'll take a taxi myself." Shen Xue fiercely whitens Huang Lan's one eye and strides toward the outside.

"Hoo!"

Seeing the girl leave the house, Wu tiandark breathed a sigh of relief and said to Huang Lan, "sister LAN, prepare for the live broadcast tonight."

"No participation." Huang Lan shook her long black hair and leaned against the wall like a water snake.

"That won't do." Wu Tianke was worried when she heard that sister LAN gave up her responsibilities. "You are the pillar of seafood TV. If you don't attend, what's the significance of our annual live broadcast Festival?"

"I'm just a signed anchor of your platform, but I didn't promise to participate in your activities." Huang Lan raised her head and deliberately tricked her.

"Sister LAN, don't make such a joke with me. If you don't participate, the influence of our live broadcast ceremony will be greatly reduced."

"I'm so important to your platform?"

"Of course."

"If you want me to participate." Huang Lan reached out and grasped Wu Tian's neckline, put his head close to him and exhaled like LAN: "I'll go shopping with me today, and take me to buy clothes."

"Today?"

"Yes."

"I'm busy setting up the meeting today. Can't you make another day?"

"No

"This All right Wu Tian nodded. Now Sun Sheng is in charge of the meeting place on Wanjie street. There is no need to worry about it.

"Let's go!" Huang Lan grabs Wu Tian's arm and puts it on his waist. Then he walks out together.

Just out of the house, Huang Lan pushed Wu Tian's arm open and kept a safe distance.

After all, she is now a well-known female singer, and she can be regarded as a public figure with high reputation. Any ambiguous behavior with any man will affect her image.

After they went downstairs, Wu Tian couldn't help but ask, "sister LAN, where do you want to

go shopping?"

"You can go anywhere." Huang Lan shrugs her shoulders. As long as she is with Wu Tian, she feels happy and comfortable no matter what she does.

After getting along for so long, she has a strong dependence on Wu Tian. Now she feels a little inseparable from the boy.

"Why don't we go to Wan Street and show you our new commercial street?"

"Yes."

"Well, let's go."

In this way, two people came to Wanjie commercial street by car.

This is a comprehensive commercial street integrating eating, drinking, playing and living. After the initial investment promotion, the commercial street has initially formed a climate.

Commercial Street mainly focuses on mass consumption. At present, local enterprises are settled in. Restaurants, hotels, cinemas, bars, KTV and fast food consumption are all available.

The format of business has basically taken shape, but the flow is limited. People from nearby communities come here to spend. The commercial street does not have much influence and

attraction.

Judging from the current situation, the commercial street is not mature and needs to constantly cultivate the market.

"Not bad." After a casual stroll, Huang Lan couldn't help admiring: "the special catering matches the public consumption, and the atmosphere is very good. I like this kind of block."

"Sister LAN likes it Hearing LAN elder sister's appreciation of Wan Jie, Wu Tian is somewhat proud.

At present, there is nothing wrong with the positioning of Wanjie street. It is spread out in the way of combining characteristics with the public, so as to attract the flow of people to the maximum extent.

"The commercial street is very humanized, and all kinds of supporting facilities are perfect." Huang Lan commented and gave Wu Tian a thumbs up: "good boy, you really have a business mind."

"Sister LAN flattered me." Wu Tian grabbed his head awkwardly and asked with a smile, "what do you want to eat, my treat."

"Just that restaurant!" Huang Lan sweeps around the street and finally looks at the Chinese restaurant opposite.

"Go, I'll treat you." Wu Tian finished saying this and walked into the Chinese restaurant opposite

with Lan Jie.

There are not many people in the restaurant, and the waiters are still warm and smiling.

"Welcome to our restaurant. What do you want to eat?"

"Serve all your signature dishes." Wu Tian said to the waiter.

"There are more than ten famous dishes in our shop."

"One for all."

"Ah?" The waiter opened his mouth in surprise: "you two, can eat so many dishes?"

"Pack if you can't eat it."

"All right." When the waiter smiles, he goes to the kitchen to get busy.

There are not many guests and the service is very fast. In less than ten minutes, the waiter starts serving the food one after another.

This is the first time that Wu Tian comes to his shopping mall to spend, and he is looking forward to picking up chopsticks and enjoying delicious food.

After eating, he was surprised and said to Huang Lan: "sister LAN, the taste is really good."

"It's really good." Huang Lan nodded with approval and sighed: "I didn't expect such a

restaurant. The Chinese food is so delicious."

"These dishes taste very delicate."

"Who makes better than your snow?" Huang Lan can't help but lead the topic to Shen Xue.

"Of course, it was Xiaoxue who made it delicious." Wu Tian wanted to give an answer.

In his mind, no one can compare with Shen Xue's craft, which is really the best cook.

"Is Shen Xue so good?" Huang Lan put down his chopsticks and asked such a sour question.

"I said she cooked well."

"How is she?"

"No problem."

"Who is better, me or her?"

"It's all good. Each of you has his own merits and is equal to every other." "If I and she let you choose a wife, who would you choose?" Huang Lan's eyes are fixed on Wu Tian's eyes, and can't wait to know the answer.

"It's hard for you two to choose." Wu Tian thought for a moment and gave the answer: "if I can,

I hope to marry both of you home."

"Pooh!"

Huang Lan spit hard, no good gas disdain way: "you can really greedy, also want to kill two birds with one stone!"

"Hey, hey

Wu Tian laughed two times and said in embarrassment, "I'm just saying it casually."

"Men really don't have a good thing. They're all flowery robs."

"Don't discuss it. Let's eat."

They leave the restaurant after dinner, and Wu Tian takes sister LAN to buy clothes.

It took a long time to find a high-grade clothing store.

After entering the store, the salesmen are very warm and polite, always smiling to recommend new clothes to the two people.

Wu Tian was very satisfied with the service. He took the clothes recommended by the salesman and handed them to Huang Lan. "Try this suit. It matches your temperament."

"Stinky boy, I'll try." Huang Lan took the suit and went to the fitting room.

Just opened the door of the fitting room, I heard a woman's flattering voice: "Huang Lan..."

After the shouting, a woman in her twenties came towards her, followed by an old man in her forties.

"Su Rong?" Seeing this heavy make-up woman, Huang Lan's face slightly sank for a while, and soon returned to calm.

"Huang Lan, let me introduce you." Su Rong walked into the clothing store and pointed to the old man behind him and said, "this is my husband Huang Anping. I have a surname with you."

"Hello." Huang Lan just politely said hello to the old man, not cold or hot.

But it was the old man named Huang Anping. When he saw Huang Lan, he was like a greedy cat and a fish.

"Huang Lan, you also choose clothes here. By the way, is this boy with you?" Su Rong noticed Wu Tian standing next to her and couldn't help questioning.

"Introduce it." Huang Lan pointed to Wu Tian and said, "he is my friend, Wu Tian."

"Friend?"

"Yes."

"Huang Lan, as far as I know, you have never taken friends of the opposite sex to go shopping before." Su Rong holds her chest in her hands and looks at Wu Tian with a scrutinizing look.

After looking at it for a long time, she suddenly realized: "I understand. This is your white face, right?"

"Cough..."

Huang Lan coughed fiercely, almost not choked to death by his own saliva.

Before waiting for her to explain, Su Rong couldn't help criticizing: "Huang Lan, I didn't mean you. If you were a man like you, you can't have such a tasteless man?"

"You misunderstood him. He and I are just friends, not what you think." Huang Lan hastily opened his mouth and explained that his face was very ugly.

"It's not a shame to raise a little white face. I'm afraid of it." Su Rong identified Wu Tianshi as Huang Lanyang's little white face.

After saying this, he couldn't help disdaining Wu Tian: "I despise you most. It's disgusting to live by selling your body and youth."

"Insult me, please don't insult sister LAN." Wu Tian's color is cold, squint at the cold voice

warning way.

"You're such a scumbag. I can't think of you when I talk to you. Only Huang Lan will like you." Su Rong holds her chest in both hands and raises her head haughtily.

"Try again." Wu Tian stepped closer and was ready to teach the woman a lesson.

He didn't like to start with women, but the woman was too cheap in front of him, and he couldn't help but let people want to start to discipline them.

"You all say less." Seeing that Su Rong and Wu Tian were going to fight, Huang Lan rushed to rescue him: "if we were photographed, it would have a bad effect on us."

Hearing this, Wu Tian had to step back two steps.

LAN elder sister reminds me that today's occasion can't be started in Wanjie. It can't affect the live broadcast ceremony and food festival tonight.

What's more, sister LAN is a public figure. If she fights, her image will be affected and negative effects will be brought.

"You still want to hit me, little punk?" Su Rong was not willing to give up.

"No, I don't want to hit you." Wu Tian shook his head and grinned: "hitting you will only dirty

my hands."

"You..."

The corner of Su Rong's mouth was mercilessly puffed. Unexpectedly, the boy's mouth was so sharp that she couldn't speak for a long time.

At this time, Huang Anping stepped forward and comforted Su Rong and said, "wife, we are also respectable people. Don't be wise with such a little beggar."

"Husband, this boy bullies me, you have to help me teach him a lesson." Su Rong twisted her waist to her husband.

"Well, I'll teach the boy a lesson." Huang Anping pushed Su Rong behind him and stepped forward to Wu Tian. "Boy, it's not really a skill to fight hard these days. Money and status can show men's real strength."

"So you're rich?" Wu Tian asked lightly.

"Of course." Huang Anping pointed to a piece of clothes on the container, "boy, do you know how much this dress costs?"

"I don't know."

"This is an authentic Armani, more than 10000 yuan." After saying this, Huang Anping took out his bank card and said to the waiter, "wrap this dress for my wife."

"Yes

The waiter took the bank card with a smile, and after swiping the card, he packed the clothes neatly and put them into the bag.

The whole process was less than two minutes.

Huang Anping took over the clothes and handed them to Su Rong. Then he put his head up to show off: "a man can buy clothes for the women around him. That's the ability."

"Is it?"

Wu Tian sneered and grabbed a piece of clothes from the container and handed it to the waiter.

"Sir, are you going to buy this suit for your partner?"

"No Wu Tian shook his head and denied.

"Poof, hahaha..." On hearing this, Su Rong and Huang Anping looked up and laughed, as if they had seen a big joke.

After laughing for a long time, Su Rongcai couldn't help but disdain: "silly boy, this dress is more than 20000, you know you can't afford it."

"It's just that you can't afford it. It's a shame that you're still pretending to be here." Huang

Anping followed with sarcasm.

His wife and his wife sang a song and laughed at Wu Tian unscrupulously and belittled Wu Tian as worthless.

"What do you mean, sir?" The salesman took the suit Wu Tian handed her, frowned and puzzled, thinking that Wu Tian was teasing her.

"I don't want this suit in your hand. I'll wrap all the other clothes." Wu Tian ordered the salesman with a serious tone that he had never had before.

"Ah?"

The salesman was slightly stunned and thought he had heard something wrong.

Su Rong and Huang Anping laugh more loudly. They both think that Wu Tian is playing international jokes again.

There are about a hundred sets of clothes in the clothing store, and the total price is more than several million. How can the silly boy who is in charge of it be able to afford it?

But Huang Lan didn't smile. Only she knew that Wu Tian was serious and wanted to buy these clothes. The whole business street belongs to Wu Tian, let alone a clothing store. To Wu Tian, it is only a drop in the bucket.

"Again, I'll wrap up all the clothes except the one you don't want. I'll buy them all." Wu Tian repeated what he had just said.

The salesman then regained his mind and reminded him with a strange expression: "Sir, these clothes are worth more than five million yuan."

"Don't worry, it won't be less." Wu Tian took out the bank card from his pocket and handed it to the salesman. "The password is the last six digits of the card number. Swipe the card directly."

"This..."

The salesman hesitated for a few seconds. She didn't believe the boy had so much money in front of her, but she finally took the bank card.

In addition to surprise and surprise, the salesperson never looked down on Wu Tian.

Doubt is suspicion, but she did not make a mockery of Wu Tian, this kind of accomplishment is many salesmen do not have.

"Silly boy, you can't be poor and crazy, do you want to buy the whole store clothes?" Su Rong couldn't help laughing again.

In her opinion, this boy is a pretending to be a forced criminal. He runs with a broken card to pretend to be strong.

"Good boy, now pretend to be forced. I'll see how you end up when I get there." Huang Anping echoed, and then said to the salesman, "go to swipe the card. I want to see how this boy is disgraceful."

"All right."

The salesman took the bank card and went to the counter. He picked up the POS machine in a complicated mood. After inputting the amount of 5 million yuan, he entered the bank card password.

When she saw the printed slip, she was totally dumbfounded. She didn't expect that there were five million in the card.

You can't judge a person by his appearance. I can't see that the silly boy in poor clothes is a super rich man.

Seeing the salesman's stupidly silent, Su Rong couldn't help but question: "salesman, is that boy's card has no money?"

"Money." The salesman tore the receipt from the POS machine and solemnly said, "we have just successfully scratched five million out of the card."

"What?" Hearing this, Su Rong's eyes almost didn't stare out.

I didn't expect the poor boy with no taste in front of him. He took out a card at random and made millions.

I can't think of it. How can this boy be so rich?

Thanks to her previous ridicule of the boy, humiliated the boy is a poor man, but she watched the boy brush millions, at this time only feel that he was slapped.

Huang Anping was also surprised. He didn't expect Wu Tian to be a very rich man.

Thanks to him, he bought a suit of clothes to show off in front of Wu Tian. In the blink of an eye, Wu Tian bought the whole clothing store.

He was unprepared by this ending, and now he felt ashamed and ashamed.

"Do you know what I don't want this suit for Wu Tian pointed to the clothes he didn't want on the hanger and asked the couple with a smile.

"What am I?" Su Rong and Huang Anping asked with one voice. They were both curious.

"Because you've touched this suit before, I think it's dirty." Wu Tian pointed at the suit and yelled.

This is obviously referring to the abuse of Huai, on the surface, is disgusted with that suit of clothes, in fact, it is the husband and wife dirty.

Both husband and wife are smart people. Naturally, they can understand the naked humiliation. Their bodies tremble and their fists creak.

After gnashing her teeth for a long time, Su Rong finally couldn't bear it. She burst out: "don't you have some stinky money? Compared with my husband, you are still far worse. After all, my husband has everything."

"Luxury car?"

"Yes."

"Big villa?"

"Yes."

"Do you have a wife with mental retardation?"

"Of course." Before Su Rong heard the question clearly, she gave the answer with great pride in her voice.

After answering, she responded and said angrily, "you are playing me on purpose, asshole."

"It's really retarded." Wu Tian smiles bitterly, shakes his head, sympathizes: "already long miserable, did not expect to still be a mental retardation."

"You..."

Su Rong almost died of anger.

She had never been humiliated like this. She clenched her fists together, and now she felt the urge to kill.

After gnashing his teeth for a long time, he turned back to Huang Anping and said, "husband, buy this clothing store and let this boy know our strength."

"OK, buy it." In order to please his wife, but also for the dignity and face of men, Huang Anping immediately decided to buy this clothing store.

Since the boy bought all the clothes in the clothing store, he bought the clothing store directly to prove his strength.

"Wait!"

Huang Lan, who did not speak, finally spoke to Su Rong and said, "I think you should save your money. You can't buy this clothing store."

"We have so much money, why can't we buy it?" Su Rong raised her head and questioned.

"From what I know about Wu Tian, he won't buy you a clothing store."

"Joke, we buy clothing store, use that kid agree?"

"Of course." Huang Lan nodded forcefully, pointing to Wu Tian and saying, "because Wu Tian is

the developer of Wan Street, the whole commercial street is his property right."

"What?" Hearing this, Su Rong's surprised face was almost deformed.

I didn't expect that the boy was not only rich in money, but also the boss of this commercial street.

It's not only money and power, but also amazing strength and power behind it.

My God, it seems that she has met a cruel character today. The boy is definitely a big man in front of her.

I just don't understand. This guy is a real jerk. Why do I still wear dozens of yuan?

Hearing this news, Huang Anping was extremely shocked and his jaw almost fell off.

I thought Wu Tian was just a little bit of money. I didn't expect such a busy commercial street.

This commercial street alone is more than the total assets of his company.

It seems that today is indeed met with a big man can not afford to, almost did not make a big mistake for himself.

Knowing that strength and power are not the boy's opponent, he quickly grabbed Su Rong's arm, "wife, it's not easy to stay here for a long time, let's go."

"Yes, come on Run Su Rong looks at Wu Tian with fear on her face and runs away with her husband.

The couple, like two defeated deserters, ran away in such a fright. It was really a bit of a mess.

Looking at the couple's desperate escape, Wu Tian couldn't help laughing: "these two bedbugs are really timid."

"It's you who are so frightening that they are frightened." Huang Lan wryly smiles and shakes her head. She can't help joking.

"I'm not a monster. How can I scare people?" "Maybe in their eyes, you are a monster."

"Sometimes the monster is not terrible, but the wolf in the human skin, incompetent and hypocritical." Wu Tian sighed and asked, "by the way, that woman was your friend just now?"

"Su Rong is from the media company and a friend of my old boss."

"This kind of woman has bad conduct. Stay away from her in the future."

"I know." Huang Lan rubbed his arms and said without expression: "I never like to be with such a woman."

"I'll help you deal with women like this again."

"Well, I've got a lot of these women around me, and you'll have them all." Huang Lan half jokingly joked.

"No problem." Wu Tian nodded and said to the sales man who was still in a daze: "what are you doing? Help me pack these clothes and send them to my home."

"Yes, yes, yes." The salesperson then regained consciousness, nodded repeatedly and agreed, and then began to get busy.

"Hello

Huang Lan pulled Wu Tian's arm and whispered, "who are you buying so many clothes for?"

"Here you are, Xiao Xue, Secretary long and officer su."

"Forget it, you'd better give it to them." At the mention of those women, Huang Lan was inexplicably angry.

Originally, Wu Tian was asked to accompany her to buy clothes. Unexpectedly, this guy bought clothes for every woman, so everyone would be angry.

"Don't be angry, sister LAN. I'll take you to other places." Seeing that Lan elder sister is angry, Wu Tian hastily flatters with a smile.

"There's nothing to go around." Huang Lan murmured, saying that there was nothing to stroll about, but her steps betrayed her. She followed Wu TianChao's clothing store.

Just out of the clothing store, the salesman inside chased out, "boss, how do you handle your clothes?"

"Didn't I tell you, send it to my house, room 1101, Haitian garden." Wu Tian turned to the salesman and said.

"Aren't you afraid I'll run away with your clothes?"

"I don't believe you will." Wu Tian finished saying this, then turned his tone: "if you really dare to do this, I will find you out from the ends of the earth."
