Chapter 01 – 05

Chapter 1 Finally Divorced

“LK President Sebastian Mu carried Xinhuan out on the yacht the day before, and Xinhua is just Huang Meina who just debuted, and some people even took pictures of their intimate...” Such news was broadcast everywhere on TV.

All of a sudden, the fire spread throughout City A.

And the woman sitting in the middle of the sofa, wearing a gray-blue uniform, with her hair curled up, and a pair of frames on her face, is very reminiscent of the TV, “Old woman!” But , Even so, it is not difficult to see that her white melon face, a pair of beautiful eyes with a little blur, is definitely a beauty embryo.

And she just watched the news with no expression on her face.

Aunt Li, the nanny standing aside, looked at her, and didn't know what the young grandma was thinking at this moment. They have been married for a year, and the young master has never returned, and they also make news like this from time to time...

“Mother, these reporters must write silly things, don't believe them...” Aunt Li said comfortingly.

Amy Xia knew very well whether it was scribbling. She didn't answer, just pursed her lips, picked up the mobile phone on the table, and then dialed the phone. Soon, the phone was connected.

“Hey...” She hadn't spoken yet, but she spoke coldly over there.

“It's me!” Amy Xia said lightly.

“What is it for me!?” The magnetic voice over there was a bit of impatience.

“Are you coming back tonight, I have something to tell you first!” Amy Xia said while holding the phone.

“It's the same for anything you say on the phone.

I really don't want to go back and see your appearance, which makes me disgusting!” Sebastian Mu said unceremoniously. Thinking of Amy Xia's dress, he felt sick even

thinking about it, and had no appetite! Hearing these words, Amy Xia squeezed her phone, “But, we are husband and wife!”

“Xia—I warn you, you’d better not say that we are husband and wife anymore.

It’s just a marriage, and you It looks like it’s disgusting when I see it, I can’t wait to divorce you!” The people over there shouted vigorously. Divorce...

“Sebastian Mu, I’ve been married for a year, I’m safe, never do anything deviant, why do you want a divorce!?” Amy Xia asked unwillingly, “It’s just because you made my appetite drain “You—”

“Well, in that case, let’s get a divorce!” Amy Xia said. Hearing this, the person on the other side was stunned, “I figured it out!?”

“This marriage is what you want to leave.

I hope you will bear the consequences, and you must not reach out to Xia Shi!” Amy Xia said. The people over there, thinking about divorce, didn’t think about so much, “Okay, as long as you are willing to sign!”

“I will sign, but I hope you keep your promise!”

“No problem!” So the phone hung up.

At this time, their conversation, Aunt Li, who was standing on the side, heard the truth.

At this moment, she walked up and looked at Amy Xia, “Mother, you really want to... divorce!?” At this time, Amy Xia turned her head. The clear eyes under the frame of the mirror flashed brightly, “This is good for me and him!”

“But the master and madam...”

“He will handle it!” Amy Xia interrupted Aunt Li appropriately. .

At this moment, she was going upstairs, and suddenly remembered something, “Aunt Li, take care of those dinners!” Amy Xia said.

“Won’t the young lady eat it?” Aunt Li asked in surprise.

“No, I don’t want to eat now!” After speaking, Amy Xia ran upstairs. Taking out the divorce agreement that Sebastian Mu had prepared earlier, he signed it directly! Looking at the words on it, Amy Xia’s mouth conjured up a gorgeous smile.

“Sebastian Mu, from now on, you are you, I am me, we return to the bridge and return to the road, no matter what!”

Chapter 2 The True Face

After signing the agreement, Amy Xia removed the frame on her face and also tore off the hair she had been holding.

At this moment, the ink-like long hair was scattered, coupled with the small face of melon seeds, no matter how you looked at it, it was a stunning beauty. But at this moment, her face is no longer as rigid and expressionless as before, and those clear glaze-like eyes are shining at this moment.

At last. You can leave here! Thinking of this, Amy Xia stopped staying long, but got up and changed her clothes. The old-fashioned clothes just now were still on the bed.

At this moment, Amy Xia wore a bright yellow dress and high heels.

It looked like, Very tall and beautiful.

I found a few clothes I liked, and I simply packed it up, pulled the box and went out.

At this moment, Aunt Li was cleaning up, and seeing Amy Xia coming down, it was like seeing a stranger, at this moment...their young lady! ? The look at this moment is completely different from before.

At this time, Amy Xia walked up to Aunt Li and looked at him with a smile, "Aunt Li!"

"Young...Young grandma!" Aunt Li was surprised, and finally recovered her voice, if she didn't speak. , Aunt Li really thought there was another person in the family.

Amy Xia smiled, "I divorced Sebastian Mu, and I moved out today. Thank you for taking care of you over the years!" Amy Xia nodded to Aunt Li.

"No, no, you should be taken care of, but grandma, you really have to go!?" Amy Xia nodded, her white face with a light makeup, looked exquisite, "Well!"

"If, If Mr. Mu sees you like this, I'm afraid he won't want to get divorced..." Aunt Li looked at Amy Xia and said. Hearing this, Amy Xia smiled, "Aunt Li, help me keep the secret!" She just didn't want Sebastian Mu to know that she would do this! In the end, Aunt Li had to nod, "Okay, then you have to take care of yourself!" Aunt Li asked.

"I see, so are you!" Amy Xia said, and stretched out her arm to hug Aunt Li. Here, Aunt Li takes care of her as a mother. She is very grateful for this kindness.

"Okay, Aunt Li, I'm leaving!"

"I'll send you..."

"No, I called a car...it's late, please rest!" Amy Xia said.

In the end, Aunt Li had to nod her head and send Amy Xia to the door.

Amy Xia looked at the old-fashioned suit in her hand and threw it directly into the trash can. Finally, I have to say goodbye to these! At this time, Amy Xia got in the car and the shadow of the car disappeared.

Aunt Li couldn't help sighing, thinking in her heart, if Mr. Mu sees Miss Xia like this, he will definitely regret it...

In the airport, Amy Xia was pulling luggage, Looking back at the gorgeous night market in front of you, goodbye, City A! Goodbye, the old life! Then, he walked to the security checkpoint without looking back.

Chapter 3 Gorgeous Return

Two years later.

London.

"Congratulations to Miss Xia for winning this award, don't you know what Miss Xia wants to say?" the host asked with a smile.

Amy Xia wore a goose yellow dress with a crystal trophy in her hand, her long, slightly curly hair casually dangled, and a light but casual smile on her face, "Well, first of all thank my mentor, Thank you to all those who support me. This award belongs not only to me, but also to all those who support me. Thank you!" Very casual speech, but also very relevant. The host smiled, "Won this award is also an honor and an affirmation.

I don't know what Miss Xia has any plans for the future!?" Speaking of this, Amy Xia was taken aback for a while, and then she said, "Actually, I have decided to return to China. Work in Chow Group!" Speaking of this, everyone was in a tumult. Chow Group, a large company that has emerged in two years, has been listed for one year and has achieved outstanding results, but after all, it is a newly emerging company. How could Amy Xia give up the good opportunity in London to go back! ? But Amy Xia smiled, without saying anything, and walked directly off the podium. The next day.

At ten o'clock in the morning, at the airport of City A, Amy Xia was pulling the suitcase with a large sunglasses on her face, covering half of her delicate face. Despite this, her outstanding temperament attracted a lot of attention.

Amy Xia took off her sunglasses and looked at the scene in front of her, feeling very happy.

It's been two years, and finally came back! Thinking of this, she took the suitcase and went out.

I found the rented house in advance, got the key, and moved in directly.

It took half a day to clean up, and in two years, she has become very independent. Just after packing, the phone rang, "Hey, Amy, are you back yet!?" Jenny asked on the phone. Jenny is Amy Xia's playmate since childhood.

It can be said that the best friend is a bit more intimate than his sister.

"I've packed everything up, you just called now, did you mean to do it on purpose!?" Amy Xia said while sitting on the sofa, taking a short break.

"Isn't they busy? I'm sorry..." Jenny said coquettishly over there.

Amy Xia smiled, "Okay, forgive you!" He smiled, "When do you go to work!"

"Tomorrow!"

"Okay, I will invite you to dinner tonight and catch the wind for you!"

"OK!" I'll contact you at night, I'll go busy!"

"Okay!" Hung up the phone, Amy Xia lay on the sofa and rested.

After such a rest, she actually slept until the phone rang again, Amy Xia suddenly Woke up.

"Hey..." answered the phone in a daze.

"Miss Xia, I'm from the Personnel Department of Chow Group.

I don't know if Miss Xia can officially come to work tomorrow!?" the person on the phone asked.

Amy Xia was a little more sober now, "No problem!"

"Well, you can come directly to the Human Resources Department when you arrive!"

"Good!" So, the brief conversation ended.

Amy Xia saw that it was already night. Just about to call Jenny, the doorbell rang and Amy Xia walked over to open the door.

"Amy Xia!" As soon as she opened the door, Jenny gave Amy Xia a hug with excitement.

Amy Xia smiled, "I thought you had no time!"

"If you don't have time anymore, you have to make time, let's go, I'll take you to dinner!" Amy Xia nodded, so she changed her shoes and talked Toot went out.

“By the way, Amy, when you come back, aren’t you afraid of meeting Sebastian Mu!?” Jenny suddenly asked such a sentence while eating.

Chapter 4 She is not a nympho

Speaking of this, Amy Xia was also taken aback, and then she said nonchalantly while eating, “What if we meet? I have divorced him!” Amy Xia said. When I met, it was just a stranger.

“That’s right, but you really don’t worry at all!?” Jenny asked curiously. Speaking of this, Amy Xia thought for a while, then looked at Jenny and said seriously, “Say no, true or false, but it has been three years, maybe he doesn’t remember me anymore!” Amy Xia said.

Moreover, they were just married, without feelings, without any communication, and he would never remember.

Moreover, who is Sebastian Mu, he will only have an impression of beautiful women, for her at the beginning, I am afraid it was just his nightmare! Speaking of this, Jenny broke off the crab in his hand and ate it, “If it was the one you were three years ago, I believe he will not remember it, but if it is the way it is now...” Jenny looked at Amy Xia, his eyes filled The charm.

“If Sebastian Mu sees you now, I bet that he would never divorce you in the first place!” Jenny said with certainty. Hearing this, Amy Xia smiled, “But I’m already divorced!” Things can’t be changed! Speaking of this, Jenny was a little curious, “Amy, I really admire you. You dressed up like that three years ago.

You have been dressed up for a full year. Not to mention anything else, Sebastian Mu is also One of the best characters in Y City, how many women’s dream lovers, you are really not tempted at all, and you pretend to be that way to make him hate you!” Jenny said.

“That’s because I am not a nympho, and I know how moths fight fires and kill themselves!” Amy Xia was eating while talking to Jenny.

Originally, he and Sebastian Mu were married and did not have any feelings, but who Sebastian Mu is and how abusive, as long as it is a woman he likes, she will not let it go. Therefore, she is smart. Will become one of his goals, just want to wait for success and retreat. Speaking of this, Jenny also nodded in agreement.

Sebastian Mu’s abusive sentiments are visible to everyone, and this is also an undoubted matter. But at this moment, Jenny suddenly remembered, “Hey, Amy, you said that if Sebastian Mu found out that you deliberately lied to her three years ago, what would he do!?” Jenny asked. Speaking of this, Amy Xia was taken aback, and then leisurely said, “It should be a miserable death!” Seeing Amy Xia’s appearance, Jenny couldn’t help but laugh.

“By the way, you don’t go back to Xia Style because you are afraid that Sebastian Mu will find it?” Jenny asked. Speaking of this, Amy Xia shook her head, “No, there are many reasons, I don’t want to go back temporarily!” Amy Xia said. Speaking of this, Jenny also nodded, without asking too much. During this dinner, the two people talked a lot, and they seemed to have endless topics.

After the meal, Jenny sent Amy Xia back and went back by himself.

After eating enough, Amy Xia returned to her place of residence, took a bath, called the tutor in London, and went to bed.

Coco is also a fashionable woman, dressed very beautifully. She looked at Sister Helen and nodded, “Okay, I get it!” So, Sister Helen looked at Amy Xia, “You can report to the president at the party. !” Amy Xia nodded.

“Well, you can work, I’ll go back first!” said Zhang Jie.

“En!” Amy Xia nodded, and then joined the Chow Group. The cocoa was doing his best.

If he didn’t understand, he would be very patient to introduce Amy Xia.

Amy Xia looked at her, “Thank you, Coco!” Coco smiled, “You’re welcome, if you don’t understand anything in the future, just ask me!” Amy Xia nodded, “Okay!” Okay, I’m going to work too!”

“No problem!” So, Kee left ridiculously, while Amy Xia sat in her seat, looking around, to the Chow Group The environment is still very satisfactory! So Amy Xia joined the work! At noon, Coco walked over, “Amy, do you want to eat together, I will take you to familiarize yourself with the environment!” Amy Xia said. Seeing Coco, Amy Xia immediately closed the information, “Okay, let’s go together!” So, the two of them smiled and walked towards the restaurant of the Chow Group.
