

My Sassy President Novel

Chapter 101 – 105

Chapter 101

“Nothing?” He raised his eyebrows and asked back, looking straight at Amy Xia. For some reason, Amy Xia always felt that there was something in Sebastian Mu’s words, and it was strange.

“Isn’t it?” Amy Xia pretended to be calm and asked, even though she was a little panicked in her heart. Seeing Amy Xia’s righteousness, Sebastian Mu’s mouth curled up coldly, “Really?” His rhetorical question made Amy Xia even more clueless. Does he know what? No, how is it possible! Amy Xia comforted her heart.

Looking at Sebastian Mu, Sebastian Mu also looked at her.

Amy Xia couldn’t jump anymore. How could a person like Sebastian Mu know what she was thinking? She will be crazy! At this time, Amy Xia looked at him and said, “Mr. Mu, I don’t know what you mean. Your girlfriend will dance with you for the next dance.

I’m tired and want to rest!” After that, Amy Xia Release Sebastian Mu’s hand to leave.

At the same second, Sebastian Mu suddenly pulled her whole body back and began to dance.

Amy Xia frowned, a little dissatisfied, “Sebastian Mu, I am tired, I want to rest!” Sebastian Mu ignored her, continued dancing, holding Amy Xia, and continued dancing. No matter how much Amy Xia struggles, Sebastian Mu just refuses.

Let go of her.

Ling Xiaoyun on one side, her eyes filled with fire. Pink fist, clenched tightly! In her opinion, that is Amy Xia deliberately provoke Sebastian Mu! However, Amy Xia didn’t want to break free, but Sebastian Mu just hugged her tightly and jumped together.

Amy Xia was very dissatisfied, but did not dare to make too much noise, after all, so many people watched.

“You let me go...” Amy Xia whispered.

“Let go? Let go where are you going? Huh? My ex-wife...” At this moment, when the music just finished, Sebastian Mu looked at Amy Xia and asked. Ex-wife... Hearing Sebastian Mu’s words, Amy Xia felt like five thunders.

Lifting his eyes, looking at Sebastian Mu, the Buddha was a little unbelievable. He, does he know? At that moment, Amy Xia was really panicked and didn’t know what to do.

It happened so suddenly, she didn’t even have the slightest preparation.

“You...” Amy Xia didn’t know what to say.

“Are you surprised why I knew?” Sebastian Mu asked, looking at Amy Xia’s stunned look.

“I...I don’t know what you are talking about!” Amy Xia said with a guilty conscience, and turned around after speaking.

If you don’t leave this time, when will you wait? Seeing Amy Xia walk out, Sebastian Mu followed without hurries. When Amy Xia was about to step out of the door, Sebastian Mu suddenly grabbed her.

“Where do you want to go?” Sebastian Mu asked back, pressing Amy Xia directly on the wall.

At this time, the party was still going on, and no one noticed them.

“What are you doing!?” Amy Xia looked at Sebastian Mu and asked, with a heart, and she was already at a loss.

“What are you doing?!” Hearing this, Sebastian Mu sneered at the corner of his mouth and slowly approached her, “Amy Xia, I should ask you for this sentence.

I have been lurking by my side for so long, what do you want to do!? “I...”

“Damn it, cursed me to die and lied to me for so long!” Amy Xia, “...” She seemed to have said so.

Looking at Sebastian Mu’s dark face, she really didn’t know what to say.

Chapter 102

“You said, how should I punish you?” Suddenly, Sebastian Mu said softly, but looking at Amy Xia, it looked like a murderer saying to a dying person.

It’s creepy.

“Sebastian Mu, I admit that I lied to you, but we are already divorced, why do you punish me!?” Amy Xia looked at him and asked. Divorce... This word stimulated Sebastian Mu.

“Shut up!”

“It seems that you can’t cry without seeing the coffin!” With that, Sebastian Mu pulled her up and left.

“Sebastian Mu, what are you doing?”

“Amy Xia, you better shut up, otherwise I really don’t know what to do to you!” Sebastian Mu snorted coldly. Just about to take Amy Xia away, at this moment, a voice sounded behind him.

“Sebastian Mu, what are you doing!?” At this moment, Sam Xia walked up immediately and looked at Sebastian Mu and asked.

“Big Brother!” Amy Xia called out when she saw Sam Xia.

Sam Xia frowned, then looked at Sebastian Mu, “What are you doing!?”

“This is my business, you’d better not interfere!”

“Let go of her!”

“Don’t let go!?” Sebastian Mu looked at Sebastian Mu.

As he asked back, the voice was not loud, but it was very shocking.

“You—” Sam Xia looked at Sebastian Mu, but didn’t know what to say.

“Sam Xia, you’d better leave it alone, don’t force me to take Xia Shi!” Sebastian Mu watched Sam Xia’s warning every word.

At that moment, Amy Xia’s heart trembled.

Sam Xia’s face was also very bad.

At this time, Amy Xia immediately looked at Sam Xia and said, “Brother, leave me alone, I will be fine!” With that, Sebastian Mu took Amy Xia and left.

Sam Xia stood there, watching Sebastian Mu put Amy Xia in the car, but couldn’t do anything.

At this time, Sebastian Mu stuffed Amy Xia into the car and drove away.

As soon as they left, Ling Xiaoyun ran over.

“Sedum, Sedum...” she shouted, but couldn’t see anything.

At this time, Ling Xiaoyun looked at Sam Xia on one side, "Where is Sebastian Mu?"

"Is he with Amy Xia?" Sam Xia stood there without moving, but looked at the place where the car shadow disappeared. But looking at Sam Xia's expression, Ling Xiaoyun knew that he must know he was there.

"Tell me, where did they go?" Ling Xiaoyun shouted and asked.

Sam Xia stood there, still motionless.

Ling Xiaoyun was angry, "Sam Xia, are you a man? Watching the woman you like is with other men, you can still stand there unmoved!" Ling Xiaoyun shouted.

After hearing what Ling Xiaoyun said, Sam Xia seemed to be stimulated all at once. He raised his eyes, didn't even look at Ling Xiaoyun, turned around and ran out. Drive the car and left directly.

Ling Xiaoyun watched Sam Xia drive away, she also ran over, drove the car and followed out...

And over there.

After Sebastian Mu stuffed Amy Xia into the car, he rushed out in the car. The speed is almost reaching the limit.

Amy Xia thought, fortunately it was night, there were not many cars and no traffic police, otherwise Amy Xia thought they would definitely be detained! Turning his head to look at Sebastian Mu, his face was so dark that people dare not say a word.

At this moment, a truck drove towards him, but Sebastian Mu not only did not slow down, but even drove faster.

Amy Xia's eyes widened instantly, "Sebastian Mu, you are crazy, drive slowly!"

Chapter 103

She was about to hit her eyes, Amy Xia was so scared that she closed her eyes, but suddenly felt a sharp turn, Amy Xia's body tilted. When she opened her eyes, the car in front of her was gone.

Amy Xia turned her head and looked behind her. She could no longer see the big truck. But that heart felt like being caught by something. She turned her head and looked at Sebastian Mu, "Are you crazy?" At that moment, he really scared him! But Sebastian Mu didn't speak, he still opened so fast and galloped forward.

"Where are you taking me?" Amy Xia looked at him and asked. But Sebastian Mu didn't even look at her, his face was ugly. Seeing him not speaking, Amy Xia simply didn't ask. Soon, the car drove to a place. Not bad. Not elsewhere.

It was Sebastian Mu's home. The place where they got married three years ago.

After the car stopped, Sebastian Mu got off the car and looked at her, "Get off!" Amy Xia didn't want to get off, "Sebastian Mu, I know you are very angry now.

If you have anything, just say it!" Mu Jing God didn't talk nonsense with her, walked over, and pulled her down when he came to the car door.

Amy Xia was wearing a formal dress, which was inconvenient and almost fell.

"Sebastian Mu, are you crazy? Slowly..." Sebastian Mu ignored her, pulling her and walking inside. Hearing the door bell, Aunt Li hurried to open the door.

"Master, you are back..." Sebastian Mu directly pulled Amy Xia in.

Looking at them, Aunt Li was taken aback, "Master, Miss Xia, you..." Miss Xia? Sebastian Mu did not ignore Aunt Li's words. Even if Amy Xia winked at Aunt Li now, it was too late.

At this moment, Sebastian Mu turned his head and looked at Aunt Li, with a sneer at the corner of his mouth, "Aunt Li, it seems that you already knew it!" Sebastian Mu gritted his teeth.

All people know, only he doesn't. Thinking of this, his heart is even more angry! Hearing Sebastian Mu's words, Aunt Li was taken aback, how could she not know what Sebastian Mu meant.

"Master, I..."

"That day, she also gave the fruit!?" Sebastian Mu looked at Aunt Li and asked. Seeing Sebastian Mu's appearance of eating people, Amy Xia immediately said, "Sebastian Mu, you don't have to be aggressive with Aunt Li, I begged Aunt Li to do this!"

"Shut up, you still ask for more blessings !" With that, Sebastian Mu pulled Amy Xia upstairs.

"Master, Amy Xia..."

"Aunt Li, it's late, you can rest!" Sebastian Mu said as he went upstairs.

Aunt Li stood there, stunned, seeing that Sebastian Mu was really angry. But she was even more worried about Amy Xia...

At this time, Amy Xia looked at her, "Aunt Li, don't worry, I'll be fine..." So, Amy Xia still dragged her upstairs. Wearing a dress is indeed not convenient.

Although Amy Xia said so, Aunt Li looked a little worried. Standing downstairs, hesitated. Would you like to call and inform grandpa? Aunt Li thought! At this time, only heard a bang from upstairs, Aunt Li didn't hesitate anymore and walked directly to the phone...

And upstairs, Sebastian Mu directly pulled Amy Xia to the room. Threw her directly on the bed. The door was slammed shut by him.

Chapter 104

Amy Xia looked at Sebastian Mu, frowned, moving her scratched wrist, "Sebastian Mu, what do you want to do?"

"Are you crazy?" Amy Xia opened the mouth, shouting dissatisfied.

"What are you doing!?" Hearing this, Sebastian Mu sneered at the corner of his mouth and slowly walked towards her.

Amy Xia sat, watching Sebastian Mu approaching a little bit, panicking in her heart. This man is more difficult than it was two years ago. She didn't know what to do, but watching him approach this way, she felt "Amy Xia, you lied to me for so long and cursed me for death, what do you say I should do?" Sebastian Mu looked at She asked with gritted teeth. God knows how he endured the urge to pinch her to death when he knew the truth. Hearing this, Amy Xia was stunned for a moment and looked at him, "Sebastian Mu, I just didn't tell you the truth at best. How can I lie to you?" Amy Xia asked. Try to deal with him. But her explanation is all nonsense in Sebastian Mu's view.

"Amy Xia, do you know how much I want to kill you!" Sebastian Mu looked at Amy Xia and said every word.

Amy Xia, "...this is a crime!" Sebastian Mu, "... He knew that Amy Xia understood what he said, but he said such a serious sentence, making Sebastian Mu curious and funny in his heart. The two were not talking, Sebastian Mu approached a little bit, looking at Amy Xia.

I have to admit that she is beautiful. White skin, exquisite facial features, everything is like carved out. Especially now, he also wears a dress he specially sent, revealing a delicate collarbone. Why did she not discover her beauty two years ago? Sebastian Mu's eyes narrowed slightly, and slowly approached...

Amy Xia did not ignore the fire that was lit in Sebastian Mu's eyes, scared the whole person to retreat... He approached, she retreated... But on Simmons, just this little place, Where else can she go? "Mu, Sebastian Mu...what do you want to do?" Amy Xia looked at Sebastian Mu and asked, having to admit that she was a little scared at this moment. The corner of Sebastian Mu's mouth evoked a smile, and pressed her down fiercely, "I have never found out that my wife is so charming. Two years later, should you fulfill your obligation to be a wife... .." Wife's obligation? Hearing this, Amy Xia's heart trembled, looking at Sebastian Mu, pushing him, "Sebastian Mu, your soul is pale!" The soul is pale? Hearing this, Sebastian Mu was not angry anymore. The corners of his mouth raised coldly, "I will show you my soul now!" As he said, he leaned over and kissed Amy Xia's lips.

"Um..." Amy Xia didn't expect it, and she had nowhere to resist when she was pressed under him.

“Mu...uh...” Amy Xia wanted to say something, as it was swallowed by Sebastian Mu’s kiss.

At the moment when he kissed Amy Xia, Sebastian Mu felt a sense of satisfaction in his heart. He had wanted to do this a long time ago. Now I finally did it. The feeling of kissing her is more wonderful than imagined.

“Hiss——” It wasn’t Amy Xia who made this sound, but Sebastian Mu. He left her lips in pain, looking at Amy Xia, the anger in his eyes was obvious, and a bright red blossomed immediately on the thin lips.

Chapter 105

“Amy Xia!!!” Sebastian Mu looked at her, now he is bold enough to bite him! “Sebastian Mu, we are already divorced, this is a fact! If you continue to do this, I will sue you!” Amy Xia looked at him and said, reminding him every word. How could a person as smart as Sebastian Mu not know the pros and cons. But Sebastian Mu still has reason there, and now he wants to punish this woman severely.

“Then let them catch me!” As he said, Sebastian Mu leaned over and kissed her lips again, a bloody smell filled his mouth. His hands were also imprisoned by him, and Amy Xia couldn’t resist at all.

Is that really the case? Do not! Two years ago, she finally escaped, Amy Xia quickly thought of a solution in her mind, she was really going crazy! “Sebastian Mu, you let me go, are you crazy!?” Amy Xia moved and struggled, but what she said, her actions were nothing in Sebastian Mu’s eyes.

“Yes, I’m crazy, I was driven crazy by you!”

“Sebastian Mu, your soul is pale! Let go of me!” Amy Xia shouted and cursed, but for Sebastian Mu, he didn’t hear it. same.

On the contrary, the more she scolded, the more excited he became. However, when his hand tried to open the zipper of Amy Xia’s dress, if his hand touched her back, Amy Xia felt like a lightning strike.

At that moment, an idea was born in my mind. Giving up struggling, also giving up shouting, lying there, without saying a word, Sebastian Mu was on Xing’s head, feeling that Amy Xia suddenly stopped moving, and looked up strangely, looking at her.

At this time, Amy Xia was lying there, frowning slightly.

“What? Give up struggling?” Sebastian Mu said, and then continued to lean on her and kiss her. However, it felt wrong more and more.

Amy Xia lay there, shaking a little bit.

Sebastian Mu frowned, got up and looked at her, "What's wrong with you?" Amy Xia lay there, pressing her abdomen, frowning, looking painful, "It hurts..." Does it hurt? Sebastian Mu frowned and looked at Amy Xia, "Where does it hurt?"

"Stomach hurts, Sebastian Mu, my stomach hurts!" Amy Xia lay there, muttering. Seeing her so painful, Sebastian Mu was a little nervous. Just about to get up, he suddenly remembered something and turned to look at her, "Amy Xia, are you lying to me?" Amy Xia lay there, holding his stomach with his hands.

Ministry, "Like you? Sebastian Mu, anyway, we have been married for one year, don't you know that I have a stomachache?" Amy Xia asked with pain.

Sebastian Mu, "...". He couldn't even recognize her, so how could he know that she had a habit of stomach pain. Seeing Sebastian Mu still not believing, Amy Xia frowned, "If you don't believe it, you can ask Aunt Li, she will never lie to you!" Amy Xia said.

Sebastian Mu stood there, listening to Amy Xia's words, considering what she said was true or false.

"Um..." Amy Xia called again in pain.

Sebastian Mu immediately leaned over in worry, "You hold on for a while, I will call the doctor immediately!" Amy Xia nodded.
