Chapter 106 – 110

## Chapter 106

At this time, Sebastian Mu immediately turned out his mobile phone, found the private doctor's number and dialed it out. But what came on the phone was, "Sorry, the number you dialed is not in the service area..." Sebastian Mu was anxious.

At this time, looking at Amy Xia who was lying in Simmons, "I will take you to the hospital!" Sebastian Mu went to get the clothes as he said.

"Wait!" Amy Xia said.

Sebastian Mu turned around and looked at her.

"Help me put on my clothes, do you want me to go to the hospital like this?" Amy Xia said coldly while looking at him.

Sebastian Mu, "... If it weren't for her stomachache, he would let her know what the consequences of shouting at him were! Although thinking so, Sebastian Mu walked over, helped her put on the dress and re-zipped the zipper.

After helping him get dressed, Sebastian Mu also put on his jacket, without saying anything, he went out holding Amy Xia.

Aunt Li was anxious downstairs, she didn't know what was happening upstairs, and was extremely worried.

At this moment, the door opened and Sebastian Mu came out holding Amy Xia. Seeing this situation, Aunt Li was stunned, "Master, Miss Xia, what happened?" Aunt Li asked worriedly.

At this time, Sebastian Mu hugged Amy Xia and looked at Aunt Li, "She has a stomachache, I will take her to the hospital!" He said and left. Stomachache? Aunt Li was taken aback for a moment, and when it came to her, she hurried to open the door.

"Do you want me to go together!?" Aunt Li asked worriedly.

"No, you'll be fine at home!" Sebastian Mu said, and then hugged Amy Xia and walked directly to the car. Put her in the car, Sebastian Mu got in the car and galloped away.

Amy Xia sat in the back, with her hands covering her stomach, her face was pale, and there was a thin layer of sweat on her forehead. She was very painful.

Sebastian Mu looked at her through the rearview mirror and drove forward even faster.

It was originally a 20-minute journey to the city, but Sebastian Mu only took ten minutes.

Amy Xia looked out the window, thinking about what to do next.

At this time, Amy Xia saw that there was a pharmacy outside.

“It hurts...” Amy Xia shouted again.

After Sebastian Mu heard it, he was anxious, “You insist, and go to the hospital immediately!”

“No, it hurts, Sebastian Mu, help me buy some medicine...” Amy Xia sat behind, enduring the pain. Said at once. Buy medicine? Hearing this, Sebastian Mu immediately looked out of the car window.

At this moment, he nodded, “Okay!” So, he immediately drove the car to the side.

After arriving at the door of the pharmacy, he looked at Amy Xia, “Wait a minute, I will immediately Come back!” As he said, he pushed the car door and went down.

Amy Xia was sitting in the car, looking at Sebastian Mu’s back, a trace of unbearable suddenly appeared in her heart...

After he left, Amy Xia’s painful appearance disappeared in an instant. Forget it, self-protection is important! What’s more, if she doesn’t do this, she might be eaten alive by Sebastian Mu, and now they all need reason! Thinking of this, Amy Xia’s hand opened the door directly and got out of the car. While getting out of the car, he was looking there, for fear that Sebastian Mu would come back suddenly. So, she walked quietly to the side, when a taxi happened to come by, Amy Xia beckoned, the car stopped, and Amy Xia jumped into the car without saying a word.

“Master, go!” Amy Xia said anxiously.

I am afraid that Sebastian Mu will come out.

Episode 107

On the other side, Sebastian Mu rushed into the pharmacy. He didn’t know what to buy for stomach medicine, so he took two bottles of painkiller stomach medicine and bought another bottle of water.

After buying it, he seemed to have to run out. . When he got to the car, he pulled the door directly.

“The medicine is back...” Before he finished speaking, Sebastian Mu was stunned when he saw the empty inside. Standing there, holding medicine in one hand and water in the other, his expression is indescribable.

At that moment, he also seemed to understand something.

“Damn it!” The muscles on his face trembled angrily, his eyes bursting with fiery eyes.

In the end, Sebastian Mu threw the water in his hand to the ground! Amy Xia! This time, you are really dead! ! ! His heart is roaring! I want to see that woman kill her! And the other side. Sitting in the car, Amy Xia couldn't help but sneezed. She could imagine what expression Sebastian Mu would look like when she came out and found that she was not in the car! It is estimated that the heart that wants to kill her has scars! Thinking of this, Amy Xia shook her head quickly and couldn't think about it anymore! No matter what, she is also trying to protect herself. Today's Sebastian Mu is too irrational. They must be calm, they must be sober! Thinking of this, Amy Xia let out a sigh of relief, sitting in the car, thinking about what to do in the future... She should have thought this would happen a long time ago, but his reaction was beyond her expectation.

Sebastian Mu was sitting in the car, damn, he was still cheated by that woman! Thinking of this, his fist hit the steering wheel fiercely.

Amy Xia, don't let me see you! Just thinking of this, at this moment, his cell phone rang. When he saw the number, Sebastian Mu frowned and answered very reluctantly.

“Hey, Dad...” Sebastian Mu's tone was a little irritable.

“Smelly boy, I heard Amy Xia is back?” On the call, it was Sebastian Mu's father, Mu Zhen. Hearing this, Sebastian Mu frowned and asked, “How do you know?”

“Don't care how I know, what about Amy Xia? I tell you, she is a good woman, she finally came back, if you dare to do anything to her, I won't let you go!” Mu Zhen said sharply on the phone. Good woman? Will good women lie to him again and again? Sebastian Mu frowned. Definitely a woman who is deep enough in the city, she has cheated him again and again! I don't know why the old man at home is so optimistic about that woman! After he learned about the divorce two years ago, he gave a severe training.

At the beginning, it was Mu Zhenfei who asked her to marry Amy Xia, and he had to agree! I don't know, I thought Amy Xia had poured Mu Zhen into something mysterious.

“I see!” Sebastian Mu responded impatiently.

“Bring her back to see me another day!” Mu Zhen said very strongly.

“Let's talk about it!” Sebastian Mu replied impatiently, “I have something to do, hang up first!” After speaking, he hung up without giving Mu Zhen a chance to speak again. Sitting there, Sebastian Mu became more angry and irritable the more he thought about it.

Amy Xia's face kept flashing in his mind! Damn woman, he wouldn't let it go so easily! Thinking of this, he drove the car and drove away from this place.

## Chapter 108

It was 11 o'clock in the evening after I went back.

Aunt Li was very worried and didn't sleep. She was waiting in the room. Until, Sebastian Mu went back.

"Master, how is Miss Xia?" Aunt Li asked quickly.

Miss Xia? Hearing this, Sebastian Mu knew that they must have said hello.

I remembered that Amy Xia was so flustered when I met at the company that day. He should have noticed it long ago. Damn woman, too disguised! He didn't even know that he had been lurking beside him for so long.

Aunt Li was watching, watching Sebastian Mu's angry look, and couldn't help but say something fair for Amy Xia.

"Master, don't be angry.

Although Miss Xia lied to you two years ago, she has always been peacefully at the Mu's house and has done nothing extraordinary!" Aunt Li said. Hearing this, Sebastian Mu was taken aback again.

Lie to him three years ago? What do you mean? Sebastian Mu frowned, damn, how much did this woman lie to him.

At this time, Sebastian Mu turned his head and looked at Aunt Li, "Two years ago? What happened two years ago?" Sebastian Mu asked.

"Isn't it because Miss Xia pretended to be an ugly woman to marry you?" Aunt Li subconsciously said. Playing ugly? Hearing this, Sebastian Mu remembered the first time she saw Amy Xia in her mind. She was wearing a gray-blue suit, black high heels, all her hair tied behind her head, and a pair of eyes on her face. When I saw him, my face was expressionless and lifeless, and I could do whatever I asked! Even if he let her go, she walked away very obediently. Therefore, he protested with Mu Zhen for ten days, but it finally became invalid, and he married her. But there was no wedding, and the certificate was obtained directly, so the outside world did not know that Sebastian Mu was married. There are some rumors, but it is not certain.

Sebastian Mu would never mention it to outsiders, he married an ugly and boring woman. No one saw what Sebastian Mu's wife looked like. Therefore, the outside world is just spreading rumors, not sure. The fact is that he never came back since receiving the certificate, let alone Amy Xia. So, after one year of marriage, he could not remember

her appearance at all. He didn't even know her name. Thinking of this, Sebastian Mu came back to his senses, dare to love, all that Amy Xia deliberately pretended? "Aunt Li, what happened?" At this moment, Sebastian Mu looked at Aunt Li and asked every word.

Isn't it angry for this thing? that is because.....? Aunt Li thought, did she say that she missed it? "I, I don't know anything..." Aunt Li said quickly.

"Aunt Li!" At this moment, Sebastian Mu yelled.

Aunt Li stood there, looking at Sebastian Mu awkwardly, saying no, not saying it is not.

"Aunt Li, you have been taking care of me since I was ten years old. Until now, can I still trust you?" Sebastian Mu looked at Aunt Li and asked every word.

Sebastian Mu's words are both soft and hard. How could a soft-hearted person like Aunt Li not compromise. Finally, Aunt Li thought for a while, "Well, let me tell you, it's like this..." So she told Sebastian Mu about Amy Xia's departure two years ago.

## Chapter 109

After hearing this, Sebastian Mu's face became darker. This woman is really not afraid of death. No wonder, he didn't remember her at all. No wonder she becomes so different...

It turns out that everything is in disguise! She just didn't want to marry him, so she deliberately pretended to be like Cheng! Thinking of this, Sebastian Mu really wanted to rush out, find the woman, and punish her severely! "I saw her like that when Miss Xia left, so I guessed it!" Aunt Li looked at Sebastian Mu and said.

Sebastian Mu stood there, immersed in the anger at Amy Xia's punishment. Seeing Sebastian Mu's angry look, Aunt Li hurriedly spoke again, "Master, in fact, Miss Xia is also a poor person. Every night I sit in front of the TV and watch your scandals with other women.

I never saw her smile.

Later, that night, she specially cooked a table of dishes by herself and waited for you to come back... But she didn't expect it to be like this!" Aunt Li said. Hearing Aunt Li's words, Sebastian Mu turned his head and looked at her with deep eyes.

Aunt Li stood there, and was not afraid of Sebastian Mu's blame.

After all, Amy Xia was not entirely wrong in this matter, and Sebastian Mu was also at fault. Even if she is a nanny, she should have a good deal of water. What's more, when Amy Xia was there, they were always the two of them, and they discussed every day, just like a mother and daughter, she really liked Amy Xia.

Also optimistic about her.

After watching Aunt Li for a long time, Sebastian Mu answered, "I see, go and rest!"

"What about Miss Xia!?" Aunt Li was still worried.

"Run!" Sebastian Mu said. Ran? Aunt Li was taken aback for a moment. But thought, Amy Xia would do nothing.

"That's good, then I will go to rest first!" After speaking, Aunt Li left.

At this moment, Sebastian Mu suddenly thought of something, "Aunt Li, what kind of stomach medicine does Amy Xia take?"

"Stomach medicine?" Hearing this, Aunt Li frowned, "I don't know, Miss Xia has a good stomach.

I haven't seen her eat it!" Sebastian Mu, "... At that moment, he really wanted to pinch her to death! "I see, go and rest!" Sebastian Mu said.

Aunt Li nodded and turned upstairs.

And Sebastian Mu stood there, thinking of Amy Xia, his eyes were deep, and the corner of his mouth also raised an evil smile...

And Amy Xia's side.

After getting in the taxi, I went straight back. When she got downstairs, she discovered that she had no money with her. The wallet was also lost at Mu's house. Damn it!

"Master, I'm sorry, can you wait for me here, I'll go up and get the money for you, and then give it to you!" Amy Xia looked at the driver and said in embarrassment. Seeing Amy Xia dressed so gorgeously, the driver didn't think Amy Xia was deliberate, and nodded, "Good job!"

"Thank you, Master, wait for me!" With that, Amy Xia pushed the door and went down.

At this time, Sam Xia was sitting in the car and saw Amy Xia getting off the car, and immediately pushed the door down.

"Amy Xia!" At this time, Sam Xia shouted. Hearing the sound, Amy Xia turned her head and frowned when she saw Sam Xia, "Big Brother!?"

"Why are you here?"

"I am worried about you, but I can't find you.

I can only wait for you here!" Sam Xia said.

# Chapter 110

“How about, are you all right?” Sam Xia looked at Amy Xia worriedly and said.

“I’m fine!” Amy Xia said, and then looked at Sebastian Mu, “Brother, do you have any change?”

“What’s wrong?” Amy Xia pointed a finger at the taxi, “I lost my handbag!” Sam Xia glanced behind her. The taxi, understood, nodded, walked over immediately, took the money from his wallet and gave it to the driver.

“No need to look for it!” Sam Xia said. The driver nodded and drove away.

At this time, Sam Xia walked in front of Amy Xia, “Really all right!?”

“Yeah!” Amy Xia nodded.

Xia Sam Xia looked at the clothes Amy Xia was wearing, “Would you like to go upstairs?” Amy Xia nodded, so the two of them went upstairs together.

As soon as he walked into the room, Amy Xia said, “Brother, sit down here, I’ll change my clothes!”

“Yeah!” Sam Xia nodded, so Amy Xia went straight back to the room.

Sam Xia came up here for the first time, looking at the layout here, it was still a brief introduction, generous and looked very comfortable. He walked to the sofa and sat there. But Amy Xia went to the room, changed a dress neatly, and came out.

“Brother, what are you drinking?” Amy Xia asked.

“It’s okay!” Amy Xia didn’t say any more, and directly made two cups of coffee and served it.

“Brother, Sebastian Mu knows who I am!” Amy Xia said while looking at him. Hearing Amy Xia’s words, Sam Xia was not surprised, and nodded, “I know, he took you away and didn’t do anything to you!?” Sam Xia asked. They walked in front of them, and he chased after them, but they didn’t find Sebastian Mu’s trace.

Sebastian Mu had too many dens, and he couldn’t find them one by one, so he returned to Amy Xia to wait.

Amy Xia shook her head, “I’m fine, he didn’t do anything to me, but, how would you know?” Amy Xia looked at him and asked. Until now, she didn’t know how Sebastian Mu knew.

Looking at Amy Xia, Sam Xia thought for a while, "I think it might be because Mom and Dad went over today, when they saw you and talked, Sebastian Mu heard it!" Amy Xia was taken aback when he heard this. That's it. No wonder he was fine when he went out with Ling Xiaoyun before, but when they came back they became like that.

"Dad and mom went too?" Amy Xia asked.

Sam Xia nodded, "In the past two years, Mu Shi and Yun Rui will invite Xia Shi to any event, but it is my representative to attend.

I didn't expect Dad and Mom to be here today!" Sam Xia said. Hearing this, Amy Xia was immersed for a moment. Now that it has happened, it cannot be changed, and there is no way to blame it. Besides, when she saw Sebastian Mu, she knew that one day she would know, but she didn't expect it to come so suddenly and so quickly. When thinking of them dancing, Sebastian Mu always held an urge to pinch her to death! Amy Xia sighed.

"I blame me for this!" Sam Xia said reproachfully.

Listening to Sam Xia's words, Amy Xia looked at him, "Brother, you are not to blame for this matter, and you don't need to blame yourself. Besides, when I come back, I will face Sebastian Mu sooner or later. Now he knows it.

Okay, I'm afraid of saving!"

"It's just..." She only worried about Xia style. She doesn't want to be involved in Xia Shi because of her. Seeing Amy Xia's worry, Sam Xia said, "Are you worried about Xia Style?" Raising her eyes and looking at Sam Xia's gaze, Amy Xia nodded, "I don't know if this matter will affect Xia Style!"
