Chapter 111 – 115

Chapter 111

“Don’t worry, today’s Xia Style is not as vulnerable as it was three years ago. Even if Sebastian Mu really wants to deal with Xia Style, he won’t be able to do it in a short while!” Sam Xia said, trying to relax Amy Xia.

Listening to Sam Xia’s words, Amy Xia nodded.

“What are your plans? Sebastian Mu already knows your identity, what are you going to do? Do you want to go back to the company and help me?” Sam Xia asked.

Amy Xia shook her head and looked at Sam Xia seriously and said, “Brother, the company has you. Besides, I still have a lot of work in Chow that I have not completed.

Sebastian Mu will not let me go so easily.

If I really return Xia style is the Xia style!” Amy Xia said while looking at Sebastian Mu.

After all, Amy Xia didn’t want to return to Xia style.

Looking at Amy Xia’s appearance, he remembered that Amy Xia had been studying business management before, but one day, she suddenly said that she wanted to read design. This matter puzzled them for a long time, but in the end he couldn’t help her and let her read design. Until now, Sam Xia didn’t know why.

Is it because...? Thinking of this, he immediately got rid of that idea, impossible! She won’t know! At this time, Sam Xia looked at Amy Xia, “Okay, I won’t force you anymore, but you have to remember that the Xia family is our home, and Xia style is also our common!” Sam Xia looked at Amy Xia’s word Said with a meal.

Listening to his words, Amy Xia nodded, “Well, I know Big Brother!”

“What did you plan? Are you not going home? Dad and Mom already know that you are back!” Sam Xia said.

Amy Xia thought for a while, then said, “Go back!”

“I will go back tomorrow!” Amy Xia said.

“Really?” Sam Xia raised an eyebrow and asked.

Amy Xia nodded, “Of course, do I have to be true or fake when I return to my home?” Listening to Amy Xia’s words, Sam Xia was a little relieved, “Well, I’ll wait for you at home!”

“Well!” Amy Xia nodded. head.

Sam Xia checked the time, “It’s late, I’m going back!” Amy Xia nodded, “Okay!” So, Sam Xia got up and walked towards the door.

Amy Xia drove him to the door, “Big brother, be careful on the road!”

“Yeah!” Sam Xia nodded, “Tomorrow I will wait for you at home!” Amy Xia nodded, “I know!” So, Sam Xia smiled and turned away.

After seeing Sam Xia left, Amy Xia closed the door and returned to the living room. She lay on it, thinking about what happened today. She feels a little messy herself.

I also thought that the matter of my escape today might irritate Sebastian Mu, he should think of a solution to solve it. She can’t involve Xia Shi.

At the beginning, she married Sebastian Mu to protect Xia Shi, and the divorce was also promised by Sebastian Mu. Now, she can’t get involved! Nestled on the sofa, thinking about it, Sebastian Mu’s mind was all about seeing the way he gritted his teeth, and couldn’t think of anything.

Amy Xia suddenly sat up from the sofa and shook her head. Forget it, I still don’t want to. See you in the future. She’ll take a bath and sleep.

I’ll talk about tomorrow’s things tomorrow! Thinking of this, Amy Xia got up and walked towards the bathroom.

Chapter 112

The next day. Early in the morning, Sebastian Mu went to the company. But when he first joined the company, he didn’t see anyone he wanted to meet. Seeing that the place was empty, he frowned. No one knows what happened yesterday.

“Where is Amy Xia?” He asked directly. But at the place closest to Amy Xia, I heard Sebastian Mu ask and said, “I heard something is going on, I’m asking for leave!” Leave again! Damn woman, maybe she was afraid of seeing him, so she deliberately put it! Don’t think about it, it must be. Thinking of this, Sebastian Mu turned and walked into the office. The fire did not disappear overnight, but the whole person calmed down a lot. Without Amy Xia, he couldn’t sit still. Just about to get up to go out, the door was pushed open.

Ling Xiaoyun stood at the door.

“Sedum!” Ling Xiaoyun yelled weakly when he saw Sebastian Mu. Just as Sebastian Mu was about to go out, he frowned when he saw Ling Xiaoyun standing at the door, “Why are you here?”

“Are you going out?” Ling Xiaoyun asked while looking at the clothes in his hand.

“Hmm!” Sebastian Mu replied faintly, “Go out and have something to do!” Ling Xiaoyun walked in and looked at Sebastian Mu, “You, why didn’t you answer my call yesterday?” Ling Xiaoyun asked.

In fact, she wanted to ask directly if you were with Amy Xia yesterday, but she was afraid that Sebastian Mu would be angry, so she endured it.

“There was something yesterday.

I didn’t bring a mobile phone.

Is there anything else?” Sebastian Mu asked back. some things? Isn’t it just being with Amy Xia? Ling Xiaoyun’s heart couldn’t help but twitching, but she tried her best, not wanting to quarrel with him because of these things. She walked up in two steps, hugged Sebastian Mu from behind, her two slender hands wrapped around his waist.

“Sedum...” She yelled softly.

Sebastian Mu was taken aback, looking down at the hand in front of him, frowning slightly.

“Sedum, let’s get married!” Ling Xiaoyun suddenly said. Hearing this, Sebastian Mu was stunned, “What did you say!?”

“Let’s get married!” Ling Xiaoyun said again, she was really afraid of losing him, very scared, and speaking of this, she held Mu Jing even more tightly. day.

Sebastian Mu frowned.

At this moment, he separated her hand, “Xiao Yun, stop joking!”

“I’m not kidding, I’m serious!” Ling Xiaoyun looked at Sebastian Mu and said every word. .

Looking at Ling Xiaoyun’s serious look, Sebastian Mu also looked at her, “Xiaoyun, you should know that I don’t have this plan for the time being!”

“Is there no plan, or no plan to marry me!?” Ling Xiaoyun looked at Sebastian Mu and asked, she took the initiative to speak, how is it! Seeing Ling Xiaoyun’s appearance, Sebastian Mu frowned, “You should know that I won’t get married until the matter is finished!” Sebastian Mu looked at her and said every word.

“I know you really want to grow Yun Rui, but Yun Rui is already very strong now, and there is no conflict between marriage and this...” Ling Xiaoyun looked at Sebastian Mu and said.

“Xiaoyun!” At this moment, seeing Ling Xiaoyun so excited, Sebastian Mu interrupted her.

Looking at her, “When you were with me at the beginning, you knew that this idea will not change!” Looking at Sebastian Mu’s firmness, Ling Xiaoyun suddenly felt that all his efforts were in vain.

Chapter 113

However, she really loved Sebastian Mu too much and was too afraid of losing him.

Ling Xiaoyun stood opposite Sebastian Mu, his determination, everything about him, told her that what she just said was rejected. Even so, even though her heart is painful, she still loves the man in front of her.

Ling Xiaoyun smiled and nodded, “Okay, I will wait for you!”

“No matter how long, I will wait for you!” Ling Xiaoyun looked at Sebastian Mu and said every word.

Listening to Ling Xiaoyun’s words, Sebastian Mu turned his face to look at her. Her retreat, her smile, and her patience did not make him feel distressed.

On the contrary, it made Sebastian Mu a little helpless.

And Amy Xia’s side. Because I asked for leave, I fell asleep until nine o’clock in the morning.

After getting up, she washed, then went out, went to the mall to buy some things, and then took a taxi back to Xia’s house. When I first got in the car, Sam Xia called.

“Amy Xia, where are you? Do I need to pick you up?” Sam Xia said on the phone.

“No, I’m already on the road, and I can be there in about 20 minutes, brother, just wait at home!” Amy Xia said.

“Well, be careful on your way!” Sam Xia ordered.

“Well, good!” Amy Xia responded, and then hung up the phone.

At this time, looking out the window, the people hanging out, the people talking and laughing, and cars passing by, it was the first time I didn’t go to work in the morning.

At this moment, Sebastian Mu should be at the company, right? Seeing her not here, I should be very crazy! It's not to avoid deliberately, but to calm down for a few days is better than that night. Thinking of this, Amy Xia took a deep breath and tried to relax herself. The car, driving slowly on the road, soon arrived at Xia's house.

Amy Xia got out of the car, took the things, and walked directly in.

I rang the doorbell and soon the door was opened.

"Miss, you're back!?" At this moment, the nanny standing inside, Mrs. Zhang said excitedly.

"Sister Helen!" Amy Xia yelled sweetly, "I miss you so much!" As she said, she stretched out her hand and hugged Sister Helen. Zhang Nelsons smiled.

Although Amy Xia is the daughter of the Xia family, she doesn't have the slightest pretensions. Their relationship has always been very good.

"Miss, you can count as coming back!" said Auntie Helen.

"Dad, mom!" Amy Xia said at this time.

At this time, Daisy Xu, who heard the sound, walked out of it in Xia.

"Do you remember my mother!" At this moment, Daisy Xu walked to the hallway with a hint of blame. Seeing Daisy Xu, Amy Xia smiled and walked up, "Mom, how could I not remember you! I love you the most!" Then, Amy Xia gave the things to Mrs. Zhang, walked up and hugged gently.

Daisy Xu. Then he hugged Nelson Xia for a while, "Dad, miss you too!"

"Miss me, I don't know to see me when I come back!" Xia also said.

"Is there a special reason!" Amy Xia said with a smile, in front of the parents, she looked like a little girl.

At this time, Daisy Xu looked at the things she was holding in Zhang's hand, and looked at Amy Xia, "How can someone return to her home to buy things!" "I'm not using it to honor you.

It's all you and dad pay back. There is something that elder brother likes to eat!" Amy Xia said, then turned to look at Zhang's wife, "Zhang's wife, you have a share too!"

"Thank you, Miss!" Zhang's wife immediately smiled.

Amy Xia also smiled.

Chapter 114

Really, Sam Xia walked out quickly, “Amy Xia, are you back!?” When he saw Amy Xia, his eyes were bright.

“Big Brother!” Amy Xia also smiled, and walked up to give a simple hug.

“Just come back!” Sam Xia said, then patted Amy Xia’s back lightly.

Amy Xia smiled, “This is a formal meeting and hug!” Seeing Amy Xia’s playful smile, Sam Xia couldn’t help laughing.

At this time, the family walked to the living room. The first person who spoke was Daisy Xu, “If it weren’t for yesterday that I went to Sebastian Mu’s celebration party with your dad, I don’t know you are back!” Daisy Xu said, still a little unhappy about this matter. Hearing this, Amy Xia was slightly stunned. But Nelson Xia said on the side, “Okay, people can come back!” Looking at Daisy Xu, then looking at Amy Xia, Amy Xia smiled and sat down, “Mom, I know you are very angry. Two years ago, I left without saying goodbye to Mu Jing without permission. Tian divorced, I came back because I was afraid of meeting Sebastian Mu, so I didn’t dare to go home.

I didn’t miss you!” Amy Xia said with a smile, but there was still some respect for Daisy Xu’s attitude.

“Mom, don’t blame Amy Xia, she did it for the good of the family!” Sam Xia also said to help. Seeing them sing a harmony, Daisy Xu smiled, “Okay, I’m not angry anymore, you are all angry, I want to get angry, I will not be human inside and out!” Seeing Daisy Xu smile, Amy Xia also smiled.

At this time, Nelson Xia looked at Amy Xia, “Why did you go to work in Chow!?” Speaking of this, Amy Xia hesitated, and then said everything, “I didn’t expect that the president of Chow Group is Mu Jing. God!”

“Then he didn’t recognize you!?” Nelson Xia asked curiously.

If it weren’t yesterday, it’s really not... But Amy Xia wouldn’t say that, she just smiled, “No!” At this moment, Daisy Xu remembered yesterday, what they were talking about, Sebastian Mu walked over and said in a strange tone of Yin and Yang. So many words. Could it be...

“Dad, mom, don’t worry, I will take care of this matter, don’t worry, after all, I’m the chief designer of Chow now, holding a few big cases in my hand, even if Sebastian Mu knows, It won’t do anything to me!” Amy Xia looked at them and said with a relieved smile.

In fact, Sebastian Mu knew it yesterday. But Amy Xia didn’t want them to think that it was because they Sebastian Mu knew about it. For the Xia family, Amy Xia still bears a lot.

It’s not so natural between smiling.

Listening to Amy Xia's words, Xia nodded with Daisy Xu.

Amy Xia was smiling all the time, only Sam Xia on one side knew that Sebastian Mu already knew the truth... But Amy Xia didn't say anything... His brows became more and more tight.

At this time, they sat there chatting for a long time, and Zhang Wei said that they were going to the table.

"It's been a meal, it's been a long time since I have eaten the meal made by Auntie Helen!" Amy Xia said with a smile, and then helped Daisy Xu to walk to the table.

Listening to Amy Xia's words, Auntie Helen smiled, "Most of the things that young lady likes to eat today. The young master and his wife specially ordered me to cook.

Miss, you eat more!" Amy Xia nodded, "Thank you, Auntie Helen!"

"Thank you mom, big brother!" Amy Xia smiled sweetly.

Chapter 115

Not to mention anything else, but Amy Xia was in Xia's house and couldn't do anything fussy.

Except for arbitrarily divorcing Sebastian Mu two years ago, and then leaving without saying goodbye, apart from these, there is really nothing wrong with it. But the more so, the farther the distance...

Because Amy Xia never troubles the Xia family! During the meal, Amy Xia kept praising the delicious food made by Sister Helen. The whole favor seemed to be nothing like anything.

Only Sam Xia knew that she was alone.

"By the way, where do you live now?" Nelson Xia suddenly looked at Amy Xia and asked.

"Oh, the house Jenny found for me, live there temporarily!"

"Since I'm back, I will move back to live!" Nelson Xiao said. Speaking of this, Amy Xia was taken aback, "After waiting for a while, Sebastian Mu still doesn't know, I don't want to be burdened with Xia Shi because of this!" Amy Xia said.

"If you are not involved, you are also from the Xia family!" Sam Xia corrected him. He felt very uncomfortable for Amy Xia's separation from the Xia family.

Moreover, I feel sorry for Amy Xia.

After so long, from childhood to adulthood, from the year when she suddenly transferred to design, he suddenly couldn't understand what Amy Xia was thinking...

Listening to Sam Xia's words, Amy Xia smiled, "It's because of me.

It's from the Xia family, so I want to protect Xia Shi!" As he said, Amy Xia picked up the vegetables and put them in Sam Xia's bowl, "Brother, eat!" Seeing Amy Xia's appearance, Sam Xia was helpless, eating, and not saying anything. Up.

"Even if you don't come back to live, you have to come back often!" Daisy Xu looked at her and said.

"Yes!" Amy Xia smiled and made a salute, which made them all laugh at once. This meal was fairly pleasant.

After dinner, they sat there chatting again, Amy Xia went back to her original room to take a look, and Amy Xia left after dinner.

"Amy Xia, it's dark already, I'll see you off!" Sam Xia looked at Amy Xia and said, before taking up her jacket and putting it on.

"No need, big brother, I'll just go out and take a taxi!"

"Let your big brother send you off!" Daisy Xu said, "It's so late now, you are going back alone, and I and your father are worried again!" Listening to Daisy Xu Amy Xia nodded, "Okay, that's hard work, brother!"

"Okay, let's go!" Sam Xia said. So Amy Xia smiled, and stretched out her hand to hug Daisy Xu, "Mom, I will see you another day!"

"Well, remember what you said!" Daisy Xu asked.

"I will!" Amy Xia smiled, then glanced at Nelson Xia, "Dad, I'm leaving!" Amy Xia nodded and then Amy Xia walked outside. The two of them went outside and got in the car.

Sam Xia drove the car.

Amy Xia sat on one side and rested on her back. Her face became a bit stiff, and it was harder than going to work! But Amy Xia did not complain! Say nothing, lean against it and rest.

At this time, Sam Xia turned her head and glanced at her, "How do you feel like you have been in a battle!"

"Is it? It's just that I've been tired these days!" Amy Xia said.

Sam Xia didn't pursue this issue, but looked at her, "Why don't my parents know!?"
