Chapter 131 – 135

Chapter 131: Chasing Amy Xia 1

After hearing Sam Xia's words, Amy Xia smiled, "Big brother, I didn't do anything. Besides, it was you who said that this is just news, rumours, and no action, so you don't need to say thank you to me!" I know, but this is also your credit!" Sam Xia said. Hearing this, Amy Xia was stunned, "As a member of the Xia family, I also blamed protecting my family!" This sentence made Sam Xia on the phone stunned for a long time.

"Okay, big brother, I won't tell you anymore.

I still have work.

I will talk another day!"

"Well, good!" After responding, he hung up the phone.

Amy Xia sat there, sighed, and then went to work. She is also a person who keeps her promises, Sebastian Mu promised that her things are done, and she will definitely win the contract with Alexia.

Although they gave them the contract, the final result depends on the final design work. Thinking of this, Amy Xia took a deep breath and got ready to work. Without any burden in her heart, Amy Xia worked very smoothly.

At least now, don't worry that Sebastian Mu will know the truth at any time! Thinking of this, Amy Xia was in a good mood, and finally everything was resolved! As for the emotional matter that I said to Sebastian Mu, I will talk about it later, anyway, he said it too, and will not force her! At this moment, Amy Xia's mood was not good enough.

The whole person seems to be full of energy, even working so efficiently. So the day passed. When he got off work in the afternoon, Amy Xia just packed up and left.

Sebastian Mu went out, just about to ask her to eat together, but no one was found, Sebastian Mu frowned, and she has never seen her more efficient than usual! Although thinking so, he also left the company.

In the evening, Amy Xia had just eaten and sat in the living room design drawing while looking at the computer for reference.

At this time, her mobile phone rang. When she saw the number, Amy Xia took a look and saw that it was Sebastian Mu's number. He treated it as if he hadn't seen it, and continued to interpret the design. But after a while, the phone rang again.

Amy Xia took it a bit tirelessly.

"Hey..." On the other side of Sebastian Mu, just about to hang up, because the phone is always coming, I'm sorry that the phone you dialed has been turned off...

"Amy Xia, is your phone used to vent your breath?" Just answered After the call, Sebastian Mu roared.

Amy Xia listened to the phone and couldn't help taking it away a bit, until there was no sound inside, she put it to her ear, "Sorry, just turned it on!" Amy Xia said "Don't you know that, as a Chow employee, you have to be on standby 24 hours a day?" Sebastian Mu asked every word. The most annoying thing is that when you want to find someone, her Phone can't get through! "Is there such a rule?" Amy Xia asked leisurely after hearing Sebastian Mu's words.

"Of course!"

"Why don't I know!?"

"That's because you don't understand Yun Rui's rules, Amy Xia, you'd better keep your mobile phone open 24 hours a day, otherwise, what happens, you are responsible!" Sebastian Mu said, there was a threat in his words.

Amy Xia listened, and muttered a few words in a voice that Sebastian Mu couldn't hear.

After speaking, she took the phone and said, "I see, is there anything Mr. Mu is asking for me now?"

Chapter 132 Chasing Amy Xia 2

"I..." For a while, Sebastian Mu didn't know what to say.

Originally holding the phone, he was still hesitating to call, who knew the sound of shutting down came from inside, so he impatiently called again, who knew it would get through the second time! "What's the matter?" Amy Xia asked with her mobile phone again.

"Of course!" Sebastian Mu said.

"What's the matter, let's talk!" Amy Xia took the phone and said.

"Amy Xia, are you hiding from me?" Sebastian Mu asked suddenly. Sitting on the carpet, Amy Xia called Sebastian Mu while drawing the design. However, after hearing these

words, she was stunned. The hand that was drawing the picture also stopped immediately.

“Why should I avoid you!?” After a pause, Amy Xia continued to paint, but with her hands, she didn’t paint as seriously as before.

“Why, I think you should be very clear!”

“I don’t know, please let President Mu make it clear!” Amy Xia said. The best way to talk to Sebastian Mu is to pretend to be deaf or dumb, or pretend not to understand. Sometimes it may not be a good thing to understand too much. Just after saying this, Amy Xia seemed to hear Sebastian Mu’s teeth grinding on the phone. She was thinking about it. Fortunately, on the phone, if she was really face to face, he would want to strangle her! “Amy Xia, aren’t you afraid of falling in love with me, that’s why you avoid me like this?” Sebastian Mu asked. Hearing these words, Amy Xia really wanted to vomit, Sebastian Mu, where are you confident? But for the sake of safety, Amy Xia would never say that! After thinking for a while, she said, “Mr. Mu, if you are really that attractive, I am at home and I will fall in love with you too!”

“What do you mean by this?” Sebastian Mu frowned.

“That’s what you heard!” Amy Xia didn’t give much explanation, but also deliberately added respectful words, just because he was afraid that Sebastian Mu would pick something wrong.

“Amy Xia, you better speak clearly!” Sebastian Mu said angrily.

“Mr. Mu, I have already said it very clearly.

I don’t need to hide from you.

If you are really that attractive, why should I hide from you?”

“Because you are afraid of falling in love with me, and you will never recover!” Sebastian Mu Very sure.

“Since I know that falling in love with you is a dead end, why bother to fall in love with you!?” Amy Xia asked back.

Sebastian Mu, “...” He should have thought of it a long time ago, this woman’s lips are very powerful, absolutely not comparable to ordinary people.

“Mr. Mu, you also said that it will only make me willing, so I believe that you will never force me, right!?” Sebastian Mu, “...”

“Okay, it’s late, Mr. Mu, I’m going to rest, see you tomorrow!” After speaking, Amy Xia stopped giving Sebastian Mu the opportunity to speak, and hung up the phone directly.

After hanging up, Amy Xia threw the phone directly on the table.

Sebastian Mu is definitely in a convulsion! Otherwise, why would you call and say such inexplicable things! Fortunately, Sebastian Mu is still a gentleman, at least, the credibility is still somewhat guaranteed. But Amy Xia could imagine Sebastian Mu's expression after she hung up the phone.

I must wait to rush over and kill her! But forget it, I can't see it anyway, after thinking about it, Amy Xia got up and went to take a bath.

It's better to go to bed early at night! Sure enough, Sebastian Mu, who was hung up, had a black face while holding the phone.

Chapter 133: Chasing Amy Xia 3

This woman, dare to hang up his phone! How many women can't wait for him to call, she actually hangs up her phone! If she is by his side now, he will definitely make her regret it! ! ! Thinking of this, Amy Xia, who was taking a bath at home, sneezed gracefully... the next day.

Amy Xia arrived at the company very early. When I first arrived at the company, I was busy and had meetings, from nine to eleven.

After the meeting, Sebastian Mu's eyes looked directly at Amy Xia, "Amy Xia, how about the cooperation with Alexia?"

"Almost done!" Amy Xia sat there, her fluorescent shirt, She looks more confident and beautiful.

"Come to my office later!" Sebastian Mu said.

Amy Xia nodded, "Okay, I get it!" At this time, Sebastian Mu looked at the personnel manager, "I will print out Amy Xia's resume and give her a copy later!"

"Okay, I get it!" The recognition manager nodded.

"Well, the meeting is over!" Sebastian Mu finished speaking and walked out directly.

I have to admit that when Sebastian Mu was in a meeting, he was very handsome and attractive, and he said that serious men are the most handsome, not fake at all.

Amy Xia had known Sebastian Mu for so long, and for the first time was attracted by things other than his appearance.

In fact, this man, apart from the face and the means, still has something to do with it. Thinking of this, Amy Xia certainly wouldn't show it.

After the meeting, Sebastian Mu went straight back to the office, and Amy Xia followed.

“Mr. Mu!” Standing at the door, Amy Xia knocked on the door.

Although she was very reluctant to come to Sebastian Mu’s office often, she seemed to be called in repeatedly by him.

“Come in!” Sebastian Mu said. So Amy Xia walked in directly.

Amy Xia handed over her design drawing, “I drew this yesterday, Mr. Mu has a look!” After hearing Amy Xia’s words, Sebastian Mu raised an eyebrow and glanced at her.

It turns out that not only did I call yesterday, but I also worked hard, so Sebastian Mu didn’t say anything.

After receiving the design drawing, Sebastian Mu opened it and looked at it.

Amy Xia had been standing there waiting for Sebastian Mu’s evaluation.

“What do you think?” Sebastian Mu asked while watching.

“I designed this with reference to the work developed by her group.

I think it should be no problem!”

“OK, I will let someone give her a purpose!” Sebastian Mu said. Hearing this, Amy Xia was a little stunned. She felt that Sebastian Mu had to pick something wrong, but she passed it so smoothly.

“OK?” Amy Xia raised her eyebrows and asked.

“Otherwise!?” Sebastian Mu looked at her and asked.

Amy Xia was taken aback, then smiled, “Nothing!”

“I absolutely believe in Alexia’s vision, and even more, my design group!” Although Sebastian Mu used the word group, he still praised it invisibly.

Amy Xia. Because of this, Amy Xia definitely did it alone.

Amy Xia smiled, “In that case, I’ll go out first!”

“Go to the personnel department to get your resume!”

“What do you do with your resume?” Amy Xia suddenly asked. During the meeting, Sebastian Mu said that the personnel department printed her She didn’t ask what to do at the time.

“Alexia wants it, I think she wants to invite you to join a cutting-edge group!” Sebastian Mu said.

Chapter 134: Chasing Amy Xia 4

Speaking of this, Amy Xia was a little surprised. But then I thought about it, “Mr. Mu is not afraid that I will quit?!”

“If you can’t stand this attraction, you will quit sooner or later, what good is it for me to keep you?” Sebastian Mu said. He has always used people without any doubts, but not suspects.

Amy Xia admired this point very much.

Amy Xia smiled, did not say anything, nodded, “Okay, I get it!”

“The day after tomorrow, Alexia will be leaving.

A farewell party was held.

I called you to go and take you with me. !” Sebastian Mu suddenly said again. Hearing this, Amy Xia paused, then nodded, “I see!” Sebastian Mu nodded, so Amy Xia walked out, and as soon as he reached the door, Amy Xia suddenly remembered something.

“By the way, President Mu!” Sebastian Mu raised his eyes.

“Under the design drawing with Alexia, there is another design.

It is a surprise I promised you before, and it is also a gift for Uncle Li!” Amy Xia said with a smile. Hearing this, Sebastian Mu was taken aback.

At this time, Amy Xia smiled, turned and walked out.

In my heart, I was immediately relaxed.

After she went out, Sebastian Mu opened the file again, and sure enough, there was a design drawing below the design drawing for Alexia.

Although it is not the same as before, Sebastian Mu seems to be able to see Amy Xia’s design principles at a glance. Thinking of this, the corner of Sebastian Mu’s mouth couldn’t help but lifted up...

At this time, after Amy Xia went out, he went directly to the personnel department, and the personnel department was looking at Amy Xia’s resume.

Amy Xia knocked on the door.

At this moment, a man raised his eyes. When he saw Amy Xia, “Come in!” So Amy Xia walked in.

“Where’s Sister Helen?”

“Sister Helen is on a business trip.

I’m temporarily acting as Human Resources Manager!” the man said.

Amy Xia nodded, “Then, is my resume copied?” At this moment, the HR manager suddenly remembered something, and immediately took the profile in his hand and gave it to Amy Xia, “It’s copied!”

“Thank you!” Amy Xia simply thanked him. Just about to leave, at this moment, the HR manager suddenly said, “Miss Xia was married?” Upon hearing this, Amy Xia’s footsteps stopped.

In fact, she doesn’t like to talk about this with others, especially people who are not very familiar with it. However, people are asking now, and the resume is clearly written.

Out of politeness, Amy Xia smiled and nodded, “Yes!”

“Sorry, I accidentally saw divorce on your resume... You...”

“Well, yes, I am divorced!” Amy Xia admitted generously. The HR manager smiled awkwardly, “I really didn’t see that Miss Xia is young and so beautiful...that person really doesn’t know how to cherish it!” Amy Xia smiled, did not say anything, some things, without explanation, just Passed.

At this moment, Amy Xia was about to say to leave, but the personnel manager suddenly said, “Actually, I was also divorced...” Hearing this, Amy Xia felt very awkward.

I don’t understand what he meant by this.

Amy Xia smiled, “Really?”

“Yes!” The personnel manager nodded.

I thought Amy Xia would say something next, but I didn’t expect Amy Xia to speak directly, “Sorry, I suddenly remembered that there is something else, I’m going to work now!” The personnel manager was taken aback, and then nodded, “Okay, you are busy first. !” Amy Xia nodded, “Then I’ll go out first!” As he said, he walked out directly.

Chapter 135: Chasing Amy Xia 5

And the Personnel Manager stood there, looking at Amy Xia’s back, as if secretly making some decision...

After Amy Xia walked out of the Personnel Department, he was relieved. For some reason, I always feel that there is something in that person's words. Hopefully, she thought too much, Amy Xia took her resume and walked aside.

At noon, Amy Xia just made an appointment to go to dinner together, but at this time, the personnel manager came over.

"Miss Xia!" Amy Xia raised her eyes when she heard the voice. When she saw him, she was slightly taken aback, but she still smiled politely.

"Manager Li, is there anything wrong?" Amy Xia looked at him and asked. He actually seems to be about 30 years old, tall and thin, and looks very ordinary.

Amy Xia doesn't have much impression of him, except when he got his resume in the personnel department today.

"I have something to tell you, don't know if I can treat you to a meal?" said the personnel manager.

Amy Xia was taken aback, but he didn't expect that he would say this suddenly. Coco stood aside, looked at them, couldn't help laughing.

Amy Xia didn't know, but they all knew that this manager had been staring at Amy Xia for a long time.

It seems that today, he really mustered up the courage to meet Amy Xia for dinner.

Amy Xia was taken aback for a moment, and then said, "I'm sorry, Manager Li, I have an appointment with Coco, and we have something to discuss between us.

It's better if you have something to do with the company!" Amy Xia smiled and said, also It is tantamount to rejecting him.

Manager Li stood there and thought for a while, "Forget it, I will tell you when you have time another day!"

"Good!" Amy Xia nodded.

"Let's do this first! I won't bother!" Manager Li smiled, then turned and walked away.

As soon as he left, Amy Xia couldn't wait to take Cocoa and leave.

After arriving at the restaurant, Coco couldn't help but laugh, "Amy Xia, is Manager Li going to chase you!?" Amy Xia frowned when he heard Coco's words, "No, you think too much!" It's too much, you don't know, he has been paying attention to you since you joined the company!"

“Really?” Amy Xia asked casually. Coco nodded, and then said, “However, the company pays attention to you, so many people!” Hearing this, Amy Xia smiled, “Then you are as exaggerated as you said!”

“I’m serious, you are so capable. Beautiful, so many people don’t dare to chase you, but I didn’t expect that Manager Li would take the initiative to talk to you.

Anyone with a discerning eye can see that the drunkard doesn’t mean drinking!” said ridiculously. Hearing Coco’s words, Amy Xia smiled, “Why don’t I know!?”

“Your mind is focused on work, how can you have time to take care of these!” Coco said. Since Amy Xia joined the company, all the big cases were on her, and she could see that Amy Xia was really busy. Hearing this, Amy Xia raised her eyebrows undeniably. That’s true. Fortunately, Yuan’s contract was finally handed over to Coco, otherwise she would really be too busy! “However, Manager Li has been married and divorced.

I don’t know the courage from him and dare to pursue you!” Coco said suddenly.
