

My Sassy President Novel

Chapter 136 – 140

Chapter 136: Chasing Amy Xia 6

Hearing this, Amy Xia was taken aback. So, Manager Li read her resume and knew that she was divorced, so did she have such confidence? Amy Xia was eating, and after hearing Coco's words, she said, "Maybe, he saw my resume and knew that I was also divorced!"

"Puff..." Coco almost squirted out while eating. Fortunately Stopped. Fortunately, Amy Xia flashed so quickly, otherwise she would really suffer.

"As for being so excited?" Amy Xia looked at Coco and said. Coco took out the tissue and looked at Amy Xia, "What did you just say, you were also divorced? Really?" Cocoa looked at Amy Xia in disbelief.

Amy Xia nodded, and then ate something calmly, "Of course it's true, why, is it weird to be divorced?"

"It's not weird, it's just..." Coco looked at Amy Xia, "No way, you will get a divorce! "What's so strange about this!" Amy Xia said calmly, "In today's society, there are flash marriages and divorces. Divorce is very common, as high as 60%!"

"But..." Looking at Amy Xia, she still couldn't tell the strangeness, and finally suffocated, "Who is so violent, you are so good and you are divorced, I believe that man is definitely not good!" Coco said. So Sebastian Mu, who was far away in the office, sneezed very gracefully. Hearing this, Amy Xia nodded, then couldn't help laughing.

If Sebastian Mu heard these words, his face would be crooked with anger.

"I am as good as you.

As a woman, I want to like you. That man divorced you.

It's too ignorant!" Coco couldn't help saying. So, after hearing Coco's words, Amy Xia raised her eyes and looked at her, stunned. Seeing Amy Xia's gaze, Coco also froze for a while, then suddenly realized what he had said, and quickly added, "If I were a man, I would like you too.

I'm just making an analogy..." At this, Amy Xia was stunned, and then the two couldn't help laughing.

"Don't scare me!" Amy Xia said. Coco also laughed, "I want to confess to you now, will you leave immediately!?"

"Yes!" Amy Xia said without any hesitation. Then the two laughed.

"Okay, seriously, did Manager Li tell you something today?" Coco looked at her curiously and asked.

Amy Xia thought for a while, and then said, "He said, he was also divorced!"

"It seems that this is going to chase your rhythm!" Amy Xia raised her eyebrows without saying anything.

"What do you think?" Coco asked.

"What do you think?!"

"What if someone confessed to you? You have no idea?" Coco looked at her and asked.

"Isn't this not confessed yet? People haven't confessed yet, why should I think so much about myself!" Amy Xia said, she never wastes time on this.

Listening to Amy Xia's words, Coco only has two words, take it! "When the time comes, he will really confess, it depends on what you do!" Coco said.

Amy Xia answered her two words unhurriedly, "cold?" Coco, "...". As they said, the two couldn't help laughing.

Chapter 137

"By the way, few people in the company know about your divorce, right?" Coco asked while eating.

"Well, except for Sister Helen and Manager Li, you know!" Amy Xia said. Sister Helen was the former HR manager, so when she joined the company, Sister Helen knew about it, and then today Manager Li knew about it, and she told Coco.

Of course, this matter does not include Sebastian Mu! He has never been included by Amy Xia! Hearing this, Coco nodded, "I know!" Actually, it is not a secret, but Amy Xia has always been low-key and never talks about herself. So, the two of them went up after eating. Coco is not a talkative person, especially Amy Xia believes in her so much, she will not talk nonsense. So that afternoon, Manager Li didn't say anything.

After get off work, Amy Xia went straight back. When she got home, she found that there was nothing in the refrigerator, so she went out to buy things. The supermarket is not very far, it takes a long way, Amy Xia put on a casual dress and went. The dress she wears on weekdays and her after get off work are completely two people. When I first arrived at the supermarket, Amy Xia first bought the snacks she liked, and also bought some coffee and red wine. When she was choosing, she suddenly ran into someone. No one else, it is Manager Li! When Amy Xia saw him, she was still a little depressed, and she didn't expect to meet him here. But Manager Li seemed very happy.

"Miss Xia? I didn't expect to meet you here!" Manager Li looked at Amy Xia and said, with a smile on his face.

Amy Xia stood opposite him.

After hearing his words, she smiled faintly, "Yes, it's a coincidence!"

"Do you live near here?" Manager Li asked.

Amy Xia nodded, unwilling to reveal too much information, but Manager Li seemed unwilling to open her mouth and then asked, "Bought so many things? I'll take you back later, I have to drive!" Amy Xia smiled Laughing, "No, I'm very close, just a few steps away!" Hearing this, Manager Li's face was embarrassed.

"Manager Li, then I'll go shopping first!" As she said, Amy Xia pushed the car to leave.

At this moment, Manager Li suddenly thought of something, "Miss Xia..." Amy Xia turned her head and looked at him, "What else is there?"

"Ms.

Xia, actually...

I have always been very optimistic about you, I don't know, you treat me What's your opinion!?" Manager Li suddenly said. Hearing this, Amy Xia paused for a moment.

In fact, Amy Xia understood what he meant. She smiled, "Manager Li's work ability is quite good, and he will definitely get a promotion in the future!"

"I mean... you are to my people..." Manager Li said straightforwardly, "What do you think of me?" Amy Xia was a little depressed, because he didn't understand, or she didn't understand enough.

"Manager Li, are you going to chase me?" Amy Xia suddenly looked at him and asked. Unexpectedly, Amy Xia would be so straightforward.

Manager Li was embarrassed, but also nodded.

“Excuse me, Manager Li, I don’t know why you have this kind of thought, but we are not suitable, you are not my type, and I don’t have this kind of thought for the time being!” Looking at him, Amy Xia said every word.

Out of her thoughts.

Manager Li didn’t expect Amy Xia to refuse so simply.

Chapter 138

“Manager Li, you continue to be busy, I will go to checkout first!” Amy Xia pushed the cart and left.

Manager Li stood there, flushed and embarrassed.

Looking at Amy Xia’s back, she frowned... For Amy Xia, she would simply refuse if she didn’t like someone alone, and she didn’t want to give people too much hope.

In the end, she was disappointed, so it’s better to say something clearly.

It’s just Amy Xia’s hint, he doesn’t understand, Amy Xia has no choice but to speak directly.

After buying the things, Amy Xia went straight to the checkout and took the things and left. When I went out, I never met Manager Li again, and Amy Xia didn’t think much about it, and went back. However, no one thought that the next day, everyone in the company knew that Amy Xia was a divorced woman.

As soon as Amy Xia walked into the company, she saw a lot of people talking behind her back. She frowned and went straight upstairs to the design department.

“Yes, I never thought she was divorced!”

“Yes, I can’t tell at all!”

“You said, she was married, does Mr. Mu know? Mr. Mu treats her so seriously, he took over as soon as he joined the company So many big cases, you must have a leg with her!”

“You said, if Mr. Mu knew about it, would he still look at her?” a colleague asked.

“Of course not...”

“Yes, how could it be possible, you know, no one wants to eat what others leave...” As soon as Amy Xia walked out of the elevator, she heard several people talking together.

Moreover, she heard everything she said. The elevator door opened and Amy Xia walked out without even looking at them.

At this time, the three women who were gathered around and talked about gossip saw Amy Xia walk out and quickly dispersed. Now, Amy Xia finally understood what was going on. But what can happen if you are divorced? Amy Xia did not speak, and went directly to her position.

After a while, Coco walked over from one side, and when he saw Amy Xia, he walked over.

“Amy...” Amy Xia smiled when she saw Coco, “Here?” Coco nodded, then looked at her, “Did you tell Manager Li something?” Amy Xia frowned when she heard this. , Looked at her and asked, “What’s the matter?”

“I didn’t expect that he would tell people everywhere that you were divorced, and, especially...Anyway, the words are particularly ugly, and now the whole company is talking about it!” Ke Kejian She said. Hearing this, Amy Xia was taken aback for a moment.

It turned out to be so! Amy Xia nodded, “Okay, I get it!”

“Did you offend her?” Coco asked. Therefore, Amy Xia told Coco about the encounter with Manager Li in the supermarket yesterday.

After Coco heard it, he commented, “This person is really poor, even if he is rejected!” Amy Xia smiled and said nothing.

“You don’t know, what he said is terrible, now the whole company is discussing!” Cocoa was a little dissatisfied with Amy Xia.

“It can stop people’s mouths, but they can’t stop other people’s hearts of watching a good show!”

“This thing is changed when you are so calm.

If you change to someone else, you will have rushed to him forever!” Coco said.

“Do I want to rush out now, give him a slap in the face, then scold him, and then the whole company will watch a good show!?” Amy Xia asked back. That said, too.

“Although that’s what I said, but I’m really upset for you!” Coco said.

Amy Xia smiled, “Okay, I’m not angry, don’t be angry, work!” Amy Xia said. Coco nodded and went back to work.

Chapter 139

In one day, the affairs of Amy Xia were circulated in the company, and a divorced woman quickly became a superior who wanted to provoke Sebastian Mu.

In short, there was everything.

Amy Xia didn't care about it until Amy Xia and Coco came back from downstairs and saw Manager Li talking to others.

"Hmph, I didn't expect her to pretend to be high-minded!" She caught this sentence without hearing anything else. You don't need to hear so much to know what Manager Li is talking about. Coco stood side by side with Amy Xia. Hearing this, he couldn't hold back, "What are you talking about!" Upon hearing Coco's words, Manager Li and several colleagues turned their heads. When they saw Amy Xia and Coco, Manager Li's face changed slightly.

Amy Xia stood there, looking at them without any expression.

"Manager Li, don't get irritated into anger, just spread rumors here, don't you think it's disgusting?" Coco couldn't help but speak as he watched him. Hearing this, Manager Li frowned, "What did you say?"

"Isn't it, you confessed to Amy, people refused you, you just spread rumors here, isn't it disgusting?" Ke Ke asked instead.

"What nonsense are you talking about!" Manager Li shouted at Coco angrily.

At this time, Amy Xia couldn't help it, looking at him, "Manager Li, is what Cocoa said wrong?" Hearing Amy Xia's opening, all eyes were on them at this time.

"Manager Li, which eye did you see that I provoke Mr. Mu? Which eye saw that I was messing with others? Could you please show me the evidence when telling these unrealistic things!" Amy Xia looked at him. Said every word.

"If you simply think that I rejected you yesterday and spread these rumors, then I have nothing to say, yes, I was divorced, so what? Is divorce now strange? Or, divorced. , You will be despised, so what about you, Manager Li?" Manager Li's face changed slightly.

At this time, the people around him no longer looked at Amy Xia with strange eyes, but at Manager Li.

It turned out to be such a thing.

Amy Xia still stood there calmly, "It doesn't matter if you lie to me, but you say that I provoke Mr. Mu and Manager Li. Sometimes it's better to speak through the brain, otherwise, sometimes you don't know how you died! "Speaking of this, Manager Li suddenly raised his eyes and looked at Amy Xia incredulously, but she couldn't say a word.

Amy Xia didn't say anything any more, turned around and left, Coco stood aside, and was very refreshed when he heard what Amy Xia said. Such a person must be dealt with like this. But Amy Xia hadn't walked a few steps, suddenly remembered something,

turned her head to look at Manager Li, “Oh, yes, Manager Li, forgot to tell you, not accepting you, is the most correct choice for me, because I really look down on you!” After speaking, Amy Xia turned and left.

In the whole sentence, this sentence is the highlight! Coco was very excited.

I like Amy Xia’s kind of revenge, you can’t say anything with your mouth! And Amy Xia’s words, like a resounding slap, hit Manager Li’s face.

Looking up, at this moment, everyone looked at him with strange eyes.

“What are you looking at!” At this moment, Manager Li shouted loudly. Then, everyone withdrew their gazes and left in anguish... Coco followed Amy Xia, happy.

Chapter 140

“Amy, Manager Li’s face is almost crooked when you say those words!” Coco said excitedly behind him.

“Really?” Hearing this, Amy Xia raised her eyebrows, “It only took three success strengths!” The sound of “Puff...” became ridiculous.

Amy Xia was like this, no matter what happened, she was calm and calm. There is a sentence how to say it, and it is calm if you don’t explain it. There is another sentence, the strong cherish words like gold, and counsel nonsense.

Manager Li spread rumors for a day, but was blocked by Amy Xia with a few simple words and couldn’t say anything. Cocoa don’t mention how happy it is.

“I didn’t expect Manager Li to be so disgusting!” Coco couldn’t help saying.

“The most indispensable thing in this world is the disgusting person. With a thousand arrows pierced through the heart, just go back!” Amy Xia said with a smile. Hearing this, he became ridiculous, “Speaking is not temperate, sooner or later he has an accident!” Amy Xia smiled, didn’t say anything, but Coco didn’t say more, turned back to work.

I originally thought that this thing would be fine. But I didn’t expect this incident to reach Sebastian Mu’s ears. He came to the company a bit late today, but he heard all kinds of opinions about Amy Xia when he first joined the company. Her brows wrinkled and tightened.

Sebastian Mu sat there, frowned, thought about it, and pressed the inside line painfully.

“Xiaoya, come in!”

“Okay, President Mu!” The secretary responded, hung up, and went directly to Sebastian Mu’s office. Knock on the door, the secretary pushed in, “Mr. Mu, you are looking for me!”

“What happened today!?” Sebastian Mu looked at her and asked. The secretary was taken aback for a while, thinking he was asking about work matters, shook his head, “There is no schedule today!”

“I don’t mean this. The company is talking about it today, what are they talking about!” Sebastian Mu directly ask. Speaking of this, Xiaoya was taken aback, and then she smiled and said, “Oh, everyone in the company today is discussing Miss Xia’s divorce!” Sebastian Mu frowned, “What is there to say!?” What happened to the divorce? He was also divorced! “It seems to have heard that Manager Li pursued Miss Xia, but was rejected by Miss Xia, so Manager Li was everywhere saying that Miss Xia was not!” Xiaoya said. Today, the conversation between Amy Xia and Manager Li has already spread in the company. For Sebastian Mu, everything is not the point! The key point is that sentence, Manager Li pursued Amy Xia! Ah! There was a sneer at the corner of Sebastian Mu’s mouth. Just rely on him! “What did you say!?” Sebastian Mu asked while looking at the secretary.

Xiaoya was stunned. She didn’t expect Mr. Mu to be interested in this. She didn’t dare to gossip about Sebastian Mu, so she honestly told Sebastian Mu about the conversation between Amy Xia and Manager Li.

After hearing this, Sebastian Mu sat there, Ying’s handsome profile, showing a mysterious haze. That was definitely something Amy Xia could say! However, it is enough to relieve one’s anger. Seeing that Sebastian Mu hadn’t spoken, the secretary was about to say something.

At this moment, Sebastian Mu said, “Sister Helen hasn’t come back yet?”

“Well, not yet!”

“Recruitment personnel manager is released! “Ah!?” Xiaoya was taken aback.

“Don’t understand?” Sebastian Mu asked back.

“I understand!” Xiaoya nodded immediately.

“Tomorrow, I don’t want to see such tongue-chewing people in the company!” Sebastian Mu said while watching Xiaoya.

Xiaoya nodded, “I see!” “Get out!” So Xiaoya immediately went out.
