

# My Sassy President Novel

Chapter 141 – 145

## Chapter 141

Sebastian Mu sat there, thinking what Xiaoya said in his mind. The corner of the mouth evokes a touch of cold summer, overwhelmingly! As a result, the personnel manager, Manager Li was successfully fired. This news was also only known to them after the next day.

“Amy, do you know? Manager Li has been resigned!” Coco said while looking at Amy Xia. Hearing this, Amy Xia was stunned, “Really?”

“Yeah, I saw him moving away today, with a faint look of resentment, and after inquiring about it, I realized that he was fired!” Coco Say. She has always been a know-it-all, and what Amy Xia knew was also from Coco’s side.

Amy Xia nodded, no regrets, “Oh!”

“Don’t you think it’s weird?” Coco looked at him and asked.

“What’s weird!?” Amy Xia asked back, although she also felt something was wrong there.

“Don’t you think it’s weird that Manager Li was suddenly fired? Although he is a bit of a rumors, it is not a day or two. Now he is suddenly resigned.

I think there must be a reason for this!” Coco guess Talking.

Looking at Coco’s gossip, Amy Xia laughed.

“You have read too many detective novels!”

“You said, would it be Mr. Mu who fired him!?” Coco continued to ask.

Amy Xia nodded, “If you can directly issue an order to dismiss a person, there is no one but him!”

“Amy, I think Mr. Mu treats you very differently. Do you think he will dismiss Mr. Mu for you? Yes!?” asked Amy Xia ridiculously. Hearing this, Amy Xia was taken aback, and then she looked at her and said, “Do you know why he was fired?”

“Why?”

“Because he spread the rumors, it was not just me, but also Mr. Mu, Miss Coco. , Do you want to go on gossip?” Amy Xia asked while looking at Coco half-truth. Hearing this, Coco knew that Amy Xia was turning around and talking about her.

“Okay, okay, I’m joking, why are you so serious!” said ridiculously.

“If you don’t want to be fired, just work hard!” Amy Xia also said.

“Yes!” So, Coco agreed and hurried to work.

Amy Xia was sitting there, but what Cocoa said was not completely unreasonable.

Amy Xia also felt that Manager Li’s resignation had something to do with her, but she didn’t expect Sebastian Mu to do so neatly. However, it is not a pity for Amy Xia, a person like Manager Li, said that there is not the slightest degree of restraint, and it will be sooner or later that he will be fired. Thinking of this, Amy Xia plunged into work.

As for the rumors about Amy Xia, no one dared to say anything more with the resignation of Manager Li.

In fact, divorce is not a big deal.

It’s just for adding fuel and jealousy.

In this tense and cruel society, you can’t be better than you.

Only people who watch you play well, that’s why this is the case. . So the day passed.

According to Sebastian Mu, she will go to Alexia’s banquet with him today. So, after everyone got off work, she hadn’t left yet and had been waiting for Sebastian Mu.

## Chapter 142

After Sebastian Mu was busy, he walked out of the office. When he saw him, Amy Xia stood up immediately, “Mr. Mu!” After seeing Amy Xia, Sebastian Mu frowned, “Why don’t you go to the office to find me!” I thought you were busy, just wait here!” Amy Xia said with a smile. But Sebastian Mu felt that Amy Xia deliberately avoided her. She glanced at her, “You just go like this?” Amy Xia glanced at herself, “Can’t it?”

“Miss Xia, even if you don’t consider your own image, please pay attention to Yun Rui’s image!” Sebastian Mu looked at it.

Amy Xia said every word.

“Mr. Mu, is it possible for me to come to work today and wear a dress, and then I will accompany you to the banquet in the afternoon?” Amy Xia looked at Sebastian Mu and said.

“You can’t bring a dress?”

“I’m not used to going to work and carrying things other than work!”

“Participating in a banquet is also part of work!” Amy Xia, “...” Looking at Sebastian Mu, Amy Xia nodded, “That’s fine. , Mr. Mu, wait a moment, I will go back and change my clothes, or you may wait for me at a place, and go there by myself after changing my clothes!” Amy Xia said every word. Seeing Amy Xia’s flattering expression, Sebastian Mu glanced at her, “Do you think there is still so much time for you to toss back and forth?” Sebastian Mu asked back.

“What should I do then?”

“Follow me!” Sebastian Mu glanced at her and walked out first.

Amy Xia raised her eyebrows and quickly followed the pace.

After getting in the car, Amy Xia pulled on the seat belt very consciously. He must consider safety in Sebastian Mu’s car. Seeing her behavior, Sebastian Mu didn’t say anything and started the car and left.

On the road, the two people were silent. Since the last negotiation, they have not been alone together for a long time. For a while, they didn’t know what to say.

“Nothing to say?” Sebastian Mu asked as he drove the car.

After hearing what he said, Amy Xia thought for a while and turned to look at him, “Yes!”

“Say!”

“Is Mr. Mu’s idea about Manager Li being fired?” Amy Xia looked at Sebastian Mu tentatively ask.

“Yes!”

“Why!?”

“What do you say!?”

“I don’t know!”

“What do you think!?”

“I can’t feel it!” Two people talked, quite like a roller coaster.

Sebastian Mu gave her a glance.

At this time, Amy Xia thought for a while and said, "Could it be because of me?"

"What if it is!?"

"If it is... then so be it!" Amy Xia said intermittently.

If yes, what can be done! As soon as Amy Xia's words fell, Sebastian Mu's hand had the urge to reach out and strangle her to death! "I hate people who chew tongues the most, saying you can, but insulting me, do you think I will keep such a person with me?" Sebastian Mu said suddenly.

Amy Xia, "... " What do you mean she can? You can't insult him! Amy Xia made a fist, took a deep breath, and then told herself to bear! So let go of your fist! A smile came up at the corner of his mouth, "Of course not!"

"That's it!" Sebastian Mu said triumphantly, especially when he saw Amy Xia's anger and nowhere to send out, his mood was very good. Who makes this woman so awkward in front of him!

## Chapter 143

Amy Xia sat beside him, looked at his handsome profile, and greeted him in her heart. The corner of Sebastian Mu's mouth twitched, revealing a wicked smile, without saying anything, Amy Xia turned her head, why bother to make herself unhappy and stop talking. Soon, we arrived at the destination. The car stopped, Sebastian Mu got off, and Amy Xia followed here. Walking into a store, the door opens automatically as soon as you reach the door. Seeing Sebastian Mu entering, the people inside immediately greeted him.

"Mr. Mu, you haven't been here for a while!" At this moment, the person inside twisted his waist and walked out, and it was a man who walked out with his waist twisted. However, when he saw Amy Xia, his gaze stayed on her, and then Amy Xia's unbridled eyes glanced over Amy Xia. But I don't know why.

It was obviously a man who looked at her with the eyes, but Amy Xia didn't feel that the person in front of him had any thoughts at all.

Instead, she stood calmly and calmly.

"Mr. Mu, have you changed again?"

"This time, this one is more tasteful than the other Ling Qianjin, and his vision has improved!" The man looked at Sebastian Mu and said. Through this tone, Amy Xia knew that he must be very familiar with Sebastian Mu.

Amy Xia stood there, and when he heard what he said, he immediately said, "Hello, I am Chow's designer, Amy Xia!" As he said, Amy Xia politely extended his hand.

"I know, I just saw you on TV last time, just call me Sonny!" Sonny said, and immediately reached out and shook Amy Xia's hand.

Amy Xia's self-introduction is undoubtedly telling the people in front of them that they are not related.

"Stop talking nonsense, choose tailor-made clothes!"

"What occasion!?"

"Reception!"

"You didn't give me my dress last time!" Sonny complained.

"Too much talk!" Sebastian Mu looked at him with a quick glance and went back.

"Okay, I'll send you off!" As he said, he turned his head and called in the waiter, "Go and choose a dress for President Mu!" The waiter immediately walked up, "Please here!" Sebastian Mu frowned and looked at him. What about you?"

"Of course I have to serve the beautiful lady!" As he said, he didn't forget to give a provocative look.

It was obviously provocative, but Sebastian Mu's eyes were full of relief, he gave him a helpless look and walked in.

At this time, Sonny looked at Amy Xia, "Go ahead, I'll take you to choose clothes!" Amy Xia nodded and followed Sonny in.

After Amy Xia walked in with him, she saw that there was a whole row of dresses inside. Sonny flipped his hands on it, searching.

"How? Is it stressful to be with him?" Sonny asked while daring to walk in, looking for his clothes.

Amy Xia was taken aback, and after she understood his words, she said, "I and him are not the kind of relationship you imagined, just the boss and the subordinates!"

"Really!?" At this time, Sonny chose a piece of clothing and turned her head back. Compare it with his body.

Amy Xia nodded, "Of course!" Sonny raised her eyebrows and didn't say so much.

At this moment, Sonny was not satisfied and turned around to continue to choose.

At this time, he chose a purple dress and turned his head to look at her.

“How about this one!?” Amy Xia looked at the dress he was holding, “It’s the color I like!”

“That’s it!” So Amy Xia took it directly and went to wear it.

## Chapter 144

Sonny walked out, so Amy Xia went into the locker room to change clothes.

In just a few minutes, Amy Xia walked out, this time it was a long piece, and the look suits Amy Xia perfectly. The one-shoulder dress reveals her delicate collarbone, which is breathtakingly beautiful. Sonny glanced at her with a satisfied look, “Yes!” Amy Xia smiled.

“Come with me!” So Amy Xia followed him.

At the dressing table, Amy Xia sat there. The monk and nun looked at her face and searched for makeup and hairstyle that suit her.

After thinking about it, I started to help her with makeup.

“He looks at your eyes, it’s not the same!” Sonny said while putting on makeup.

Amy Xia was taken aback, and then smiled, “Well, he doesn’t look too pleasing to my eyes!” Hearing this, Sonny couldn’t help but smile, but she didn’t expect this woman to speak quite interesting.

“Sometimes it’s not pleasing to the eye, it’s also a release of another emotion!” Sonny said.

Amy Xia listened and immediately said, “I beg you to let it go!” After hearing that, Sonny immediately laughed.

At this moment, Sebastian Mu walked out of it.

At this time, he was wearing a casual suit and looked very handsome.

Amy Xia saw him in the mirror, white shirt, black suit, no tie, and wheat-colored skin, which seemed to be mysterious. He is like a natural clothes hanger, no matter what clothes are on him, it seems to be tailor-made, which is very suitable.

Amy Xia was thinking that when the heavens were creating people, they must be eccentric! At this moment, Sebastian Mu glanced at Amy Xia who was putting on make-up, “What are you talking about?”

“No, just chat!” Sonny said with a vertical shoulder. Sonny said so, what else can Amy Xia say, shut up, and said nothing about makeup.

Sebastian Mu looked at them, then walked to the side of the sofa, with his legs folded, while waiting for Amy Xia to put on makeup, while flipping through the magazine casually.

At this time, Amy Xia's cell phone rang. The phone was placed on the table, and Amy Xia took the phone and put it in her ear when she heard the phone ring.

"Hey, big brother..."

"Well, I'm outside, something is wrong!" Hearing the big brother, Sebastian Mu knew who it was. He raised his eyes and glanced at Amy Xia.

"Well, another day!" After a few brief words, he hung up the phone.

Looking at Amy Xia, Sebastian Mu suddenly felt that something was wrong, so he took out his mobile phone, turned out the number, and dialed out.

After a few seconds, Amy Xia's mobile phone on the table rang again.

And Sebastian Mu was holding his cell phone, and what came from here was, I'm sorry, the phone you dialed has been turned off...

Amy Xia frowned, just put the phone there, picked it up again, and saw that it was Sebastian Mu. When he called, he was taken aback.

Looking back at Sebastian Mu...

Sebastian Mu's face no longer knows what to describe! Sonny was putting makeup on Amy Xia, and when Amy Xia's phone rang again, he scanned the number on it.

Sebastian Mu... Generally speaking, don't you always use Mr. Mu for subordinates to save the name of their boss? The name Amy Xia directly saved, isn't there something between the two? At this time, Sebastian Mu walked directly towards Amy Xia, and Amy Xia immediately turned away from his guilty conscience.

## Chapter 145

"Amy Xia, Miss Xia, can you explain me!!?" Sebastian Mu looked at Amy Xia and asked every word, quite like you would kill you if you dare to talk nonsense. He now finally understands why every time he calls Amy Xia, the other party always hears I'm sorry, the phone you dialed has been turned off... Sometimes, he was about to hang up, but Amy Xia suddenly answered it. That's it! He didn't know until now! Facing Sebastian Mu's compelling question, Amy Xia sat there, blinking her eyes, "What!?" Pretend, pretend, right! Sonny looked at them and didn't understand what was happening for a while.

At this time, Sebastian Mu impatiently dialed his number again.

Amy Xia was holding the phone, wishing to turn it off now, but the phone rang at this time! But from Sebastian Mu's side, I'm sorry, the phone you dialed has been turned off...

After hearing this, Sonny couldn't help but let out a chuckle. That's why he dared to smile at Sebastian Mu like that, and he wouldn't dare to suffocate him if he changed to others.

As soon as he laughed, he was stunned by Sebastian Mu's eyes. Sonny laughed wildly, "Haha, that's so interesting!" He laughed and said.

Others were afraid that it was too late to answer Sebastian Mu's call.

Amy Xia actually set this! At this time, Sebastian Mu looked at Amy Xia, "How about it? Would you like to explain?"

"This..."

Is actually a ring tones, which is quite interesting, so I use it!" Amy Xia pressed Sebastian Mu's desire With murderous eyes, he said with a slight smile.

Sebastian Mu, "... God knows, how much he wants to kill her! "Yes, it's only for me, or it's all the same!?" Sebastian Mu looked at her and asked. Just as Amy Xia was about to speak, Sebastian Mu spoke again, "Sonny, where's your phone!" Amy Xia, "...It's only set for you!" Sebastian Mu clenched his fist! Hold it tightly! it is good! well! Good job! Challenge his limit again and again! Sebastian Mu's expression is unspeakable distortion! Only Sonny could not laugh by himself! I encountered such a thing for the first time! He is really going to laugh crazy! Seeing him smiling so convulsively, Sebastian Mu gave him a fierce look, and then warned Amy Xia, "Amy Xia, very good!" After speaking, he walked directly to the side. Just leave such a sentence, go to the side! Amy Xia suddenly felt a chill behind her back. Especially the expression on Sebastian Mu's face, although she was smiling, she felt colder than a few degrees below zero. She could even think that Sebastian Mu would kill her mentality! She didn't expect Sebastian Mu to find out so quickly! Seeing him go aside, Amy Xia quietly breathed a sigh of relief. Sonny, who had laughed for a long time, finally stopped.

Amy Xia, who was looking in the mirror, couldn't help but say, "Girl, thank you!"

"Thank you!?"

"Let me open my eyes, I have never seen anyone I can make him angry like this!" Sonny couldn't help but laugh again.

Amy Xia 囧. Will she have a good-looking one later? He even laughed out.

"Pray for me, I can see the sun tomorrow!" Amy Xia said. Sonny laughed at what she said.

It took less than half an hour to put on make-up.

Sebastian Mu had been sitting there waiting and didn't speak. He didn't understand what he was thinking at this moment.
