

My Sassy President Novel

Chapter 161 – 165

Chapter 161

“Then, after get off work, I will pick you up!” LEO said.

“Is it convenient? If it’s inconvenient, I’ll go straight by myself!” Amy Xia said, and there was a slight estrangement in her words.

“Convenient!”

“Well, I’ll wait for you!” Amy Xia said. So, hung up the phone.

Amy Xia sat there and checked the time. There was half an hour before Amy Xia continued to work. Soon, it was time to get off work.

At this time, her mobile phone rang again, Amy Xia answered it directly when she saw the number, “Hey...”

“I’ve arrived!”

“I’ll get down right away!” Amy Xia walked outside holding the phone. Not long after she left, Sebastian Mu walked out of the office and went to the design department. He frowned when he saw Amy Xia’s place was empty, “Where is Amy Xia?” Coco naturally answered.

“Oh, there seems to be a date, already gone!” Coco said. date! ? Hearing this, Sebastian Mu frowned and felt that LEO was the first thing in his heart! Thinking of this, he turned and went back to the office. When he walked to the floor-to-ceiling windows, he was just right in front of the company’s door.

At this time, a car was parked there, and there were few such expensive cars that could be driven.

At this moment, Amy Xia’s figure walked out from inside.

At this time, the people in the car also walked off. When he saw LEO, Sebastian Mu’s face was very dark! Apart from anything else, he took out his mobile phone and dialed Amy Xia’s number. Fortunately, the ringtone has been changed this time.

Amy Xia stood downstairs, watched the phone rang, frowned, and answered.

“Hey...”

“Amy Xia, where are you going!?” Sebastian Mu asked directly, looking downstairs.

“It’s off work now, so I don’t have to report it specially if I go there!” Amy Xia said leisurely.

“You don’t need to report specifically, but don’t you know that you have to work overtime?!” Sebastian Mu spoke word by word, his voice filled with anger.

“Oh, all my work is done, no overtime!” Sebastian Mu, “...”

“Mr. Mu, if there is nothing to do, I will hang up first!” Amy Xia said.

Sebastian Mu was silent.

Amy Xia was stunned and hung up after seeing that there was no sound in the phone.

Sebastian Mu’s face is no longer enough to describe it in black...

And downstairs.

LEO stood there patiently, waiting for Amy Xia to answer the phone.

“Why? Still have work?” LEO asked Amy Xia.

“No!” Amy Xia said with a smile.

Actually, there is no need to think about it, LEO also knows who made the call just now.

It can be seen that Mr. Mu is very concerned about Amy Xia.

“Get in the car!” LEO said.

Amy Xia nodded.

At this moment, LEO opened the door to Amy Xia very gently.

Amy Xia smiled and sat in.

LEO also went around, sat in the car, and drove away.

Sebastian Mu stood upstairs, watching this scene, uncontrollably angry! Amy Xia, in the end, you don’t even know how you were eaten without bones left! ! ! In the car, Amy Xia sat in the passenger seat, and LEO directly took out a bunch of flowers from behind him, “For you!” Looking at the bunch of champagne roses, Amy Xia was slightly stunned,

“Why bought flowers again!? “The first time I invite you to dinner, how can you not buy a bunch of flowers to show respect!” LEO said with a smile.

Chapter 162

But...

Amy Xia frowned. Didn't he send that bouquet of flowers today? Seeing Amy Xia frowning, LEO glanced at her, “Why? Don't you like champagne roses?” Amy Xia immediately shook his head, “No, but someone sent a bouquet of roses to the company today, I thought it was you Sent!” LEO was stunned, then smiled and said, “A good woman always has many admirers!” LEO said. Hearing this, Amy Xia smiled, and didn't worry about it anymore.

At this time, watching LEO drive the car, he knows that he rarely drives by himself.

After thinking about it, he asks, “How can I drive out by myself today?”

“Is it necessary to bring the driver for dinner with you?” LEO said laughingly. Hearing this, Amy Xia smiled, and suddenly remembered something, “By the way, where do you live now?”

“Currently, staying in a hotel for the time being!”

“Don't you have a house in City A? Why do you want to stay in a hotel? “The house is currently being renovated, and will move in when it is finished!” LEO said leisurely. Hearing this, Amy Xia turned her head to look at him, “I want to stay in City A often!”

“I'm not sure, but I shouldn't leave for the time being!” LEO said word by word.

After hearing this, Amy Xia nodded.

“What? You don't want me to stay here for a long time?”

“Of course not, it's just a little accident. Your family is all abroad, you are here, I am worried that you are lonely!” Amy Xia said.

“If you are worried about my loneliness, come and accompany me more!” LEO said.

As soon as this sentence came out, the atmosphere became weird.

Amy Xia looked at LEO, LEO was stunned, then smiled and said, “I mean, go over and see me more and chat with me!” After explaining, both of them laughed.

“Of course, although you are also from City A, you are not a native, of course I have to take good care of you!” Amy Xia said with a smile. During the two years in London, LEO was also taking care of him.

“A word is settled!” LEO is not a polite person, he has to hear the promise.

Amy Xia smiled and nodded, “Of course, in the face of such a teacher like you, do I dare to neglect?” After hearing Amy Xia’s words, LEO suddenly froze and said, “Amy, call me Aqi from now on!” Huh?” Amy Xia turned her head and looked at him, “Why?”

“It makes me younger!” LEO said with a smile. Hearing this explanation, Amy Xia couldn’t help but smile, “Well, I will try my best to correct it!” LEO nodded. So, the two people talked and laughed and walked towards the restaurant while driving.

After arriving, Amy Xia knew that this was the restaurant where she had dinner with Sebastian Mu last time.

One of the best restaurants in city A.

It seems that these rich people like to eat here.

“How about? Don’t like it here?” At this moment, LEO looked at Amy Xia and asked.

Amy Xia shook her head, “No, top steak, who wouldn’t like it!”

“I have been!?”

“Yeah!” Amy Xia nodded.

LEO didn’t ask who he was with, and Amy Xia didn’t explain.

In fact, both people know that it is definitely not ordinary people who can eat here.

Chapter 163

So two people walked in.

Although very few people in City A know LEO, they are now rich.

After Amy Xia and LEO walked in, they were also served by the manager personally, with a very respectful attitude.

After ordering the meal, Amy Xia and LEO sat there chatting.

After returning from Amy Xia, the two people only talked on the phone occasionally, and they had not seen each other for a long time. They still had many topics to talk about.

LEO didn’t ask how Amy Xia joined Chow, and he didn’t even mention all sensitive topics about Amy Xia. Because these are nothing to him. What matters is Amy Xia’s attitude towards Sebastian Mu. While the two were talking and laughing, Sebastian Mu and Ling Xiaoyun also came.

“Master Song, Miss Xia, I didn’t expect such a coincidence, I would meet here!” Sebastian Mu said with a smile looking at them, but that smile definitely doesn’t seem to be really happy.

Ling Xiaoyun took Sebastian Mu’s arm and frowned when she saw Amy Xia sitting with LEO.

LEO, she hasn’t seen or knew him, but looking at this man, regardless of his aura or looks, she is not at all lost to Sebastian Mu. What is Amy Xia’s ability to know so many people! Ling Xiaoyun was very dissatisfied, but thought that with such a man, she should not rob Sebastian Mu with her.

Only when she thought of this, she calmed down a bit.

LEO sat there, saw Sebastian Mu and Ling Xiaoyun appear together, smiled, stood up, “It’s a coincidence, President Mu, do you want to have a meal together?” Hearing this, Sebastian Mu raised his eyebrows, no You are polite, “Since LEO kindly invites the appointment, then I am disrespectful!” He said, he was about to take his seat. Everyone can see that LEO just said it politely, but he didn’t expect Sebastian Mu to be really polite. Even Ling Xiaoyun was a little surprised.

LEO smiled, didn’t care, and sat down.

“This is...? President Mu, don’t you want to introduce it?” LEO asked Ling Xiaoyun.

At this time, Sebastian Mu hadn’t spoken yet, but at this time, Ling Xiaoyun smiled, “Hello, I am Ling Xiaoyun, Sebastian’s girlfriend!” Upon hearing this, LEO nodded, “Hello, I It’s LEO, you can call me Song Qi!” So the two reached out and shook hands.

“LEO, you and Miss Xia...?” At this time, Ling Xiaoyun was anxious to know what their relationship was. Upon hearing Ling Xiaoyun’s words, LEO smiled, “Our relationship can’t be said clearly in one sentence!” This sentence is very ambiguous for those who are interested, and it is normal for those who are unintentional. However, it was obvious that Ling Xiaoyun was the person who had the intention.

Amy Xia sat there, watching this and they didn’t say anything. From beginning to end, there was a slight smile on her mouth.

Ling Xiaoyun looked at LEP, at least, she was sure that the LEO in front of him was interesting to Amy Xia.

Sebastian Mu also sat there, watching them talk, without interrupting, looking at Amy Xia, Amy Xia’s expression was faint, but he didn’t even look here.

Sebastian Mu’s face was very unhappy.

Ling Xiaoyun kept talking to LEO, even saying, “Miss Xia is a very nice person!” These words almost made Amy Xia choke.

It was the first time she heard Ling Xiaoyun say she was good.

In the final analysis, this woman is also able to pretend, in order to promote her, she can speak without conscience.

Chapter 164

Seeing them chatting, Amy Xia smiled and stood up, "I'm going to the bathroom!" So, she got up and left.

Ling Xiaoyun was stunned, then smiled.

At this time, after more than ten seconds, Sebastian Mu also stood up, "I'll go to the bathroom too!" After finishing speaking, he left before they could speak.

At this moment, only Ling Xiaoyun and LEO were left on the table.

Ling Xiaoyun suddenly felt that Sebastian Mu asked her to come out today just to "encounter" them. Thinking of this, her heart was inexplicably blocked.

Looking at Sebastian Mu's back, he frowned.

LEO sat there, looking calm and indifferent.

Ling Xiaoyun's expression had already betrayed her, he didn't need to make himself look so worried.

As soon as Amy Xia walked out of the toilet, she was caught and pressed directly on the wall. Then, a figure came over.

Amy Xia was startled and looked at the people in front of her in horror. When she saw that it was Sebastian Mu, she frowned.

"Sebastian Mu, do you have to play this kind of trick? Do you know that people are scary, they can be scary!" Amy Xia looked at him and said.

Sebastian Mu didn't take it seriously, but pressed her against the wall, his handsome face was full of dissatisfaction and anger.

"Amy Xia, you are getting more and more capable now, and you dare to hang up on my phone again and again.

It seems that you really don't want to live anymore!" Sebastian Mu said while watching her. Seeing him so angry, Amy Xia frowned, "Mr. Mu, I..." In the next second, before Amy Xia could speak, Sebastian Mu suddenly leaned forward and kissed Amy Xia's lips.

Amy Xia was startled and couldn't help but widen her eyes.

At this time, the people passing by the toilet kept looking at them with strange and surprised eyes.

Amy Xia was really going crazy, and Sebastian Mu was really angry regardless of occasion. She wanted to push Sebastian Mu away, but found that no matter how hard she tried, she couldn't push him away.

Sebastian Mu seemed to be addicted, kissing her lips fiercely, sucking her tongue, he didn't care what people on one side thought of them.

"Mu..." Amy Xia was anxious, and suddenly bit his lips.

Only then did Sebastian Mu loosen it in pain.

"Asshole!" Sebastian Mu cursed, and then looked at Amy Xia, "Amy Xia, are you a dog?" Amy Xia looked at her, with a sneer at the corner of her mouth, "Sebastian Mu, I hope you respect yourself!" ? Hearing these two words, Sebastian Mu's mouth evoked a sneer.

"Amy Xia, you seem to have forgotten.

I said that if you offend me again, I will punish you, and every time, it will get worse!" Sebastian Mu said while watching her.

"Crazy!" Amy Xia said.

"If you are crazy, you are also driving you crazy!" Sebastian Mu said fiercely. Seeing her standing with LEO, he wanted to be crazy. But his words made Amy Xia stunned for a while. He looked straight at Sebastian Mu, and Sebastian Mu also looked at him. The corner of his mouth was overflowing with blood...

"Okay, I see, I'm eating here with Sebastian now, I'll talk about it when I go back!" The voice of Ling Xiaoyun came, and the steps were getting closer.

Chapter 165

Amy Xia paused for a moment.

If Ling Xiaoyun saw them, he might have misunderstood them again, then glanced at Sebastian Mu, then turned and walked out the next second.

As soon as she walked out, Ling Xiaoyun also walked over, and the two of them just left to meet.

Amy Xia didn't even say hello, and walked over.

Ling Xiaoyun frowned.

Although she didn't like Amy Xia very much, she had to pretend on this occasion. This is, cast a glance at her, and walked inside.

At this time, Sebastian Mu also walked out of it, and the two also walked to meet each other.

"Jing Chen..." At this time, when he saw Sebastian Mu, Ling Xiaoyun walked up, "Why so long?!"

"It's okay!" Sebastian Mu dealt with casually, looking at Amy Xia's back.

Ling Xiaoyun had long felt that Sebastian Mu was very concerned about Amy Xia, which had already caused her dissatisfaction. Just about to speak, Ling Xiaoyun noticed that Sebastian Mu's lips were broken and bleeding.

"Sedum, what's wrong with your mouth?" Ling Xiaoyun didn't respond for a while, looked at him and asked.

After hearing what Ling Xiaoyun said, Sebastian Mu stretched out his hand and wiped the corner of his mouth, "It's okay, I was bitten by a dog!" With that, he also walked out.

Ling Xiaoyun stood there, not knowing what to do, or even what to say.

Looking at Sebastian Mu's back, and Amy Xia's figure hurriedly walking out just now, she seemed to understand something instantly! At that moment, the humiliation of being sentenced came to my heart! Ling Xiaoyun clenched his fists! No need to think about what they were sitting here just now! Looking at their backs, Ling Xiaoyun's eyes changed color. When Amy Xia walked back, LEO sat there alone, Amy Xia sat down and looked at him, "I'm sorry, it's you!" LEO smiled and said nothing.

At this moment, Sebastian Mu also followed. Go back and sit there.

At this time, when LEO saw Sebastian Mu's lips, his eyes narrowed slightly, but he said nothing.

After a while, Ling Xiaoyun also came over.

Although she knows what happened just now, she still needs to pretend it now. Just looking at Amy Xia and Sebastian Mu, Ling Xiaoyun felt uncomfortable in her heart. Soon, it was served.

At this time, where LEO was sitting, he thoughtfully helped Amy Xia cut the steak.

I am afraid that I would be envious of the gentleman's appearance.

Amy Xia sat there and smiled.

In fact, she is not a hypocritical person, but she has known LEO for such a long time. From London to now, LEO will do this every time she eats Western food, and she has also developed a habit.

“Thank you!” Amy Xia smiled, looking at LEO and said.

LEO smiled and said nothing.

Sebastian Mu watched, his face turned black. Does this woman have no hands or what? I usually don't look so hypocritical! His gaze was enough to kill Amy Xia in seconds, but Amy Xia always ate and never looked up at him.

Amy Xia also deliberately! No matter how Sebastian Mu looked at her, she never looked up.

At this moment, Ling Xiaoyun was watching and couldn't help but speak, “Song Qi, I didn't expect you to be so considerate!” Ling Xiaoyun said pointedly.
