Chapter 166 – 170

Chapter 166

Hearing this, LEO smiled, “It should be!”

“What’s more, I believe Amy should be used to it too!” At this time, LEO looked at Amy Xia and said. Hearing LEO’s words, Amy Xia raised her eyes and smiled, but said nothing.

I don’t know why, anyway, Amy Xia doesn’t like Ling Xiaoyun’s words, always feeling that every sentence carries another meaning.

At this time, Ling Xiaoyun raised his head and looked at Sebastian Mu, “Sedum, you have to learn from other people’s LEO, you should be considerate!” After hearing Ling Xiaoyun’s words, Sebastian Mu raised his eyes, glanced at her, and then spoke. , “I can’t do such a sensational thing!” Ling Xiaoyun, “...” Amy Xia, “...” LEO, “...” Sebastian Mu’s words are too specific, but they can’t be said. .

After eating, stand at the door. Naturally, this time Sebastian Mu wanted to send Ling Xiaoyun back, and LEO wanted to send Amy Xia back.

“Mr. Mu, get together again next time!” LEO said with a smile.

Sebastian Mu smiled and didn’t lose the momentum.

“Well, I will cost you tonight.

I will ask next time!” Sebastian Mu said.

LEO raised his eyebrows, indicating that he had acquiesced, “Then, let’s go first!” Sebastian Mu raised his eyebrows. This is, LEO looked at Amy Xia, “Let’s go!” Amy Xia nodded, and did not even say hello to Sebastian Mu, but followed LEO directly.

Sebastian Mu stood there, looking at Amy Xia’s back, frowning... Until Amy Xia got into LEO’s car and left, then Ling Xiaoyun spoke.

“Sedum, let’s go too!” At this moment, Ling Xiaoyun said.

“Yeah!” Sebastian Mu replied, and then walked to the car, and Ling Xiaoyun also got into the car. But it can be seen that Sebastian Mu’s mood is not very good.

Ling Xiaoyun sat aside, Sebastian Mu drove the car, but she could feel that Sebastian Mu’s mind was not with her at all.

“Sedum...” Ling Xiaoyun said aside.

Sebastian Mu did not speak.

Ling Xiaoyun frowned and yelled again, “Sedum...” With this sound, Sebastian Mu’s thoughts were brought back.

“What’s wrong?” Sebastian Mu asked.

“Why do you remember asking me for dinner tonight?” Ling Xiaoyun looked at him and asked. Hearing this, Sebastian Mu frowned, “Why? Don’t you like it?”

“No, I just think we haven’t eaten together for a long time!” Ling Xiaoyun said with a smile, but his smile was extremely bitter.

Sebastian Mu could also hear her verbal complaints, and after thinking about it, she said, “The company’s affairs are very busy these days, so I haven’t looked for you!” Hearing this, Ling Xiaoyun smiled and nodded, “Yeah!” Sebastian Mu didn’t need to talk any more, the car was moving.

“I see that today’s LEO is very unusual, and I can see that he likes Amy Xia very much!” Ling Xiaoyun said. Speaking of LEO and Amy Xia, Sebastian Mu frowned. The last thing he wants to hear is these two names together.

“Really?” Sebastian Mu said, and asked coldly, his voice was very dissatisfied.

“Yes!” Ling Xiaoyun nodded, “Furthermore, I can see that Amy Xia is also very unusual for LEO, not the same as Sam Xia!” Ling Xiaoyun guessed over there.

Chapter 167

Hearing this, Sebastian Mu didn’t say anything, the corner of his mouth smiled, getting colder.

“I think Amy Xia must like LEO, what do you think, Sebastian?” Ling Xiaoyun said, turning his head to look at Sebastian Mu.

After hearing this, Sebastian Mu smiled, “I don’t think!”

“Why?” Ling Xiaoyun asked back.

“Intuition!” Sebastian Mu said leisurely, but his voice sounded mixed with a hint of anger.

After hearing Sebastian Mu’s words, Ling Xiaoyun’s face was a bit ugly, and he looked straight at Sebastian Mu, but at this moment, Sebastian Mu suddenly stopped the car.

“Xiao Yun, I suddenly remembered that there are still things that I can’t send you back!” At this moment, Sebastian Mu said. Hearing this, Ling Xiaoyun looked at Sebastian Mu straight, as if looking for clues from his expression. But after watching it for a long time, I didn’t see anything.

“Sedum, do you like Amy Xia?” At this moment, Ling Xiaoyun looked at Sebastian Mu and suddenly asked. Hearing this, Sebastian Mu frowned and looked at her a little displeased, “What did you say?”

“Why do I feel that everything has changed since Amy Xia appeared, and you and me have also changed... ..” Ling Xiaoyun looked at Sebastian Mu and said every word. Seeing Ling Xiaoyun’s eyes, Sebastian Mu frowned, “You think too much!”

“Really?” Ling Xiaoyun looked at him and asked.

“You don’t believe me!?” Sebastian Mu looked at Ling Xiaoyun and asked. Hearing this, Ling Xiaoyun seemed to be hit by something in his heart, and immediately said, “It’s not that I don’t believe it...”

It’s just...” Ling Xiaoyun didn’t know how to describe that feeling.

“Well, don’t think so much!” At this moment, Sebastian Mu looked at Ling Xiaoyun and said.

“I’ll take you back!” Sebastian Mu didn’t say more, but started the car and drove directly to Ling’s house.

Along the way, the two didn’t say anything. When they reached the door of the Ling’s villa, Sebastian Mu said, “Here, go back!” Ling Xiaoyun sat there and pulled off his seat belt. When he was about to get off the car, Ling Xiaoyun suddenly stretched out. He hugged Sebastian Mu.

Sebastian Mu was taken aback.

“Sedum, even if you lie to me, I am willing, as long as you don’t leave me!” Ling Xiaoyun hugged him and said.

After hearing what Ling Xiaoyun said, Sebastian Mu frowned, “Xiao Yun...”

“Don’t say, don’t say anything!” At this time, Ling Xiaoyun let go of Sebastian Mu and looked at him, “Sedum, no matter what, I love you all, even if you lie to me, I am willing!” Listening to Ling Xiaoyun’s words, Sebastian Mu looked at her.

“Okay, I know you still have things to work on, you go and I will go back!” With that, Ling Xiaoyun was about to get out of the car.

“Xiao Yun...” Sebastian Mu yelled, but Ling Xiaoyun didn’t answer, closed the car door and ran back.

Sebastian Mu was sitting in the car, looking at Ling Xiaoyun’s back, frowned.

After staying for a few minutes, Sebastian Mu drove away. He had just left.

At this moment, Ling Xiaoyun, who was standing on the balcony upstairs, walked out of it and saw that Sebastian Mu was gone, her beautiful eyes narrowed slightly... She would never have anything that belonged to her. Will let go! Absolutely not! ! ! J!

Chapter 168 Headlines 1

And Amy Xia’s side. Sitting in the car with LEO is very quiet. Even if you don’t talk, you won’t feel embarrassed.

Amy Xia kept looking out the car window and didn’t know what she was thinking.

In the end, LEO broke this tranquility, “How? Are you unhappy tonight?” LEO asked. Hearing this, Amy Xia turned her head and looked at LEO and smiled, “No!”

“Your expression tells me that you are not happy for this dinner!” LEO is very sure.

“It’s just that someone who shouldn’t have appeared!” Amy Xia said, not hiding from LEO.

Listening to Amy Xia’s words, LEO turned his head and looked at Amy Xia, “It seems that you don’t get along well with them!” Amy Xia smiled, “No, it’s not a person from the world!” Seeing Amy Xia’s expression, LEO smiled.

Laughing, did not continue to ask, but drove all the way. Soon he arrived at the apartment where Amy Xia lived.

Amy Xia pulled off the seat belt and turned to look at LEO, “Today I should have invited you to dinner as a landlord, but I didn’t expect it to cost you money!” Listening to Amy Xia, LEO smiled and knew her for two years. Don’t you know who she is? “Today, when I fawn on you, the landlord, you will invite me another day!” LEO said with a smile. Hearing his words, Amy Xia still amused Amy Xia, she nodded, “Okay, I will invite you another day!”

“Yeah!” Gentleman LEO nodded, with a smile at the corner of his mouth. The eyes looking at Amy Xia were gentle.

“Then, I’ll go up first!” Amy Xia said.

LEO still nodded, "Good night!"

"Good night!" Amy Xia smiled and pushed the car door and walked down. Standing outside the car window, "Be careful on your way!"

"Yeah!" LEO nodded, and then drove the car away.

Amy Xia stood there, watching LEO's car drive away before going up.

It was eleven o'clock in the evening.

After Amy Xia went back, she changed her shoes and went to take a shower and remove her makeup.

Looking at himself in the mirror, the scene with Sebastian Mu in the restaurant suddenly flashed in his mind.

After thinking about it, Amy Xia shook her head, really going crazy! I was almost seen by Ling Xiaoyun.

I was really seen by her, maybe how to go crazy! After thinking about it, Amy Xia changed her clothes and walked out.

At this time, the phone rang over and over on the bed. She was taking a bath and didn't hear it at all.

After hearing it, she walked out immediately.

As soon as she picked up the phone, the phone was disconnected, and the phone showed a dozen missed calls.

Amy Xia turned on the phone and all missed calls came from one person! Sebastian Mu! Amy Xia frowned, and at this moment, the phone rang again.

In the end, Amy Xia pressed the answer button and answered the call.

"Amy Xia..."

"Amy Xia, did you finally answer the phone?" At this moment, just after answering the phone, Sebastian Mu's shout came.

Amy Xia frowned and asked, "What's wrong?"

"I called you a dozen calls just now and you didn't answer it.

I thought something happened to you!" Sebastian Mu shouted on the phone, feeling nervous, causing Amy Xia's heart to shrink. Frozen, Amy Xia said, "I'm fine, I was taking a shower just now!" Upon hearing this, Amy Xia could feel Sebastian Mu's voice of relief on the other side of the phone.

At that moment, Amy Xia couldn't tell the feeling in her heart.

Chapter 169 Headlines 2

"Where are you!?" At this moment, Amy Xia asked unconsciously. Frozen, Sebastian Mu said, "Your home is downstairs!" Amy Xia, "...". So, Amy Xia walked to the balcony, and when he saw the car parked downstairs, he was slightly stunned. He didn't expect that he really in.

"It's late..."

"You come out!"

"Huh!?"

"You come out!" Sebastian Mu said. Hearing this, Amy Xia was stunned, "It's already late!"

"Either you come down or I go up, you choose one!" Sebastian Mu said. Does she have a choice? "You wait, I'll go down right away!" After saying that, Amy Xia hung up the phone, helplessly, changed a dress, and then went on.

After going down, Sebastian Mu's car stopped there.

After thinking about it, Amy Xia walked over.

At this time, Sebastian Mu opened the door directly.

"Get in the car!"

"Huh!?"

"Get in the car!" Sebastian Mu gave Sebastian Mu a command, but Amy Xia had no choice but to get in the car.

At night, there is still a bit of coolness.

It's better if you close the door, but the space is a bit narrow and the atmosphere in the car is a bit strange.

"Mr. Mu, what can I do to find me so late?" At this time, Amy Xia asked, but his eyes were looking forward.

At this time, Sebastian Mu turned his face and looked at Amy Xia, "Can't I find you if I'm okay?" Amy Xia, "...". Why do you feel that Sebastian Mu is very congested! "It's not impossible, it's just that it's so late, and it will be misunderstood when people see it!" Amy Xia said.

“Misunderstanding? Who could misunderstand?” Sebastian Mu asked back, “Song Qi?” Amy Xia frowned upon hearing Song Qi’s name, “I mean everyone!”

“When did you Amy Xia care about this!” ?” Sebastian Mu asked back.

Amy Xia, “...When did I not care?”

“When I married me!” Sebastian Mu said every word.

Amy Xia, “...” She really found that Sebastian Mu’s words really blocked people, especially tonight, leaving people speechless.

“At that time, I couldn’t disregard my reputation to marry me.

Are you afraid of being misunderstood by others?” Sebastian Mu slowly approached him, with deep eyes, staring at Amy Xia’s white face.

Amy Xia frowned, leaning back a bit, and couldn’t help but say, “I had no choice at the beginning!”

“There was no choice?” Hearing this, Sebastian Mu frowned, “So, if there was a choice at the time, neither would you Will marry me!?” Almost without thinking, Amy Xia nodded, “Yes!” Sebastian Mu, “...” Knowing that their marriage was a marriage three years ago, it was not voluntary, but now when he heard Amy Xia’s certain words, he still froze for a moment, and a feeling of discomfort rose in his heart.

“Amy Xia!!!” Sebastian Mu called while watching her.

Amy Xia looked at Sebastian Mu calmly, “Isn’t it? If you had a choice, you would not marry me!” Amy Xia looked at Sebastian Mu and said every word.

If Mu Zhen hadn’t wanted him to marry him by force, I’m afraid he would never agree.

Amy Xia’s words made Sebastian Mu stunned.

Indeed, she was right.

If he had a choice back then, he would never marry her... But now...

Sebastian Mu looked at Amy Xia for a moment, but didn’t know what to say.

At this time, Amy Xia looked at Sebastian Mu, “Mr. Mu, in fact, I have something to tell you when I come down.

Chapter 170 Headlines 3

After hearing Amy Xia's words, Sebastian Mu looked at frowning and looked at her, "What?"

"I think there are some things, we must say clearly!" Amy Xia looked at Sebastian Mu and said every word, she was very I hate that kind of ambiguous relationship.

"Say!"

"One, we are no longer a husband and wife, we are already divorced, and two, we are not boyfriends and girlfriends either!"

"So what?"

"So you, Mr. Mu, should you think about it before doing something? Amy Xia looked at Sebastian Mu and asked.

"Considering what?" Sebastian Mu asked Amy Xia.

Amy Xia bet that Sebastian Mu must understand what she meant.

"Mr. Mu, you understand what I mean!"

"I don't understand!" Sebastian Mu said plainly.

Amy Xia, "...". Seeing Sebastian Mu's appearance, Amy Xia thought for a while and said, "Okay, then I tell you, we are nothing, so please don't kiss me suddenly in the future!" Amy Xia looked at Mu Sedum said every word.

Amy Xia's words were already within Sebastian Mu's expectations, but instead of being angry, he raised his eyebrows and asked, "Who said that we are nothing!?"

"Isn't it?" Amy Xia asked back.

"Don't forget, you are my ex-wife..." Sebastian Mu said while watching her.

Amy Xia, "..."

"Mr. Mu, you have said that, ex-wife, we are already divorced, and we have nothing to do with the law, so please be more self-respect when doing certain things in the future, like today I don't want to happen again!" Amy Xia said while watching him.

Sebastian Mu just wanted to talk to her, but he didn't expect her to be so serious, so Sebastian Mu frowned.

"Really?" Sebastian Mu suddenly looked at her and sneered.

"Isn't it?" Amy Xia asked back.

“Then I’ll tell you, I won’t!?” Sebastian Mu looked at Amy Xia and said every word.

Listening to his words, Amy Xia frowned. When Sebastian Mu was going to be really rascal, she really had nothing to do.

After thinking about it, Amy Xia said, “Then I can only resign!” Hearing this, Sebastian Mu frowned, “You threaten me!?”

“I just want a plain life, it doesn’t exist. Threat!”

“Do you mean that my appearance disrupted your life?” Sebastian Mu asked Amy Xia every word.

“I didn’t say that!”

“That’s what you mean!” After hearing Sebastian Mu’s words, Amy Xia looked at him, “Then you know the situation like today, if Ling Xiaoyun sees someone right there, what will happen? Is it?” Amy Xia suddenly looked at Sebastian Mu and asked. Hearing this, Sebastian Mu frowned.

“Women are jealous, I don’t want to be a stumbling block among you!” Amy Xia looked at Sebastian Mu and said every word. Every word of Amy Xia sounded very reasonable, but to Sebastian Mu, he was very upset.

“What about you?”

“How about me?”

“Amy Xia, did you forget what you said? Did you forget the agreement between us!?” Sebastian Mu looked at Amy Xia and asked every word. Speaking of this, Amy Xia was taken aback for a moment, and then said, “I haven’t forgotten, but I don’t want to be...”
