

My Sassy President Novel

Chapter 176 – 180

Chapter 176

Amy Xia didn't know who he was fighting with, and didn't ask, she got there soon.

After Sebastian Mu got off the car, Amy Xia also walked in directly.

After arriving, Amy Xia knew where this was. The largest entertainment company in city A.

Almost monopolized many projects.

Amy Xia watched.

At this moment, Sebastian Mu walked directly in. Seeing Sebastian Mu swaying like this, Amy Xia was stunned and followed. There was almost no obstruction, any reservation, it seemed that people there knew Sebastian Mu, and went straight in unimpeded. Some people even nodded hello when they saw Sebastian Mu.

As soon as they walked in, someone looked at Amy Xia with strange eyes.

Amy Xia naturally knew what they were looking at and didn't think too much, and walked behind Sebastian Mu.

At this time, Sebastian Mu went directly to the elevator and walked in, Amy Xia followed.

After they entered, some people still wanted to get on the elevator, but when they saw Sebastian Mu inside, they went to take another elevator. The elevator door closed, and Amy Xia stood there thinking to himself, it seems that Sebastian Mu is quite capable here.

"Mr. Mu, isn't this also your property, right?" Amy Xia looked at him and asked, he was here, as if he were in his own home.

Sebastian Mu was stunned, and then he said, "No!" Speaking of this, Amy Xia raised her eyebrows and didn't say anything. Since he said no, Amy Xia didn't ask much, but she was sure that Mu Sebastian must have a good relationship with the boss of this company. When I was thinking about it, the elevator door opened with a ding sound.

Sebastian Mu walked out directly, Amy Xia followed closely behind.

“Mr. Mu!”

“Where is Mr. Kuang?”

“Waiting for you in the office!” Sebastian Mu nodded, and walked directly to Kuang Tianyou’s office. Without knocking on the door, Sebastian Mu walked in directly, and Amy Xia followed closely behind him. But the most unexpected side appeared. There was a hot beauty inside, and when they entered, the woman was rubbing against Kuang Tianyou’s body coquettishly.

As soon as the door opened, the woman was startled.

At this time, Kuang Tianyou looked at the door, “Sedum, can you knock on the door every time you come?”

“When did you knock on the door when you entered my office?” Sebastian Mu asked back.

I didn’t mind the picture I saw just now, but Amy Xia turned his gaze over.

It seems that these men have a virtue.

I remember that the first time I saw Sebastian Mu when I came back, she was also at the door...

Although she didn’t see it but heard it, she should know what she was doing inside. Hearing Sebastian Mu’s words, Kuang Tianyou was not angry. The tone of the conversation between the two should also be known. They are very familiar with each other.

At this time, Kuang Tianyou looked at the person on the side, “You go out first, I will entertain friends!” So the woman nodded and went out.

At this time, there are only three of them left in the office. What Amy Xia couldn’t figure out was, why did Sebastian Mu bring her here? This is, Kuang Tianyou walked up to them, not looking at Sebastian Mu, but at Amy Xia.

“It turns out that this is our legendary heroine, and she looks even better than the photo!” Kuang Tianyou said.

At this time, Amy Xia could see the person in front of him clearly. Good luck.

Although Amy Xia had never seen him, she had heard of him. He has a very good relationship with Sebastian Mu.

Only now Amy Xia knew that he turned out to be the owner of the largest entertainment company in City A.

Chapter 177

Amy Xia stood there, smiling at the corner of her mouth, "Kuang Zong, hello!" Kuang Tianyou was stunned when she heard Amy Xia speak, "You know me!?"

"The legendary Kuang Zong, you should listen to it if you haven't seen it before.

I said it!" Amy Xia said lightly.

Although there is no explanation, Amy Xia also understands at this moment that the news is released by Kuang Tianyou's company. This is why Sebastian Mu brought her here.

It's just that she can't figure out what is the effect of bringing her here! Amy Xia's words made Kuang Tianyou laugh, "It's really funny!" With that, Kuang Tianyou looked at Amy Xia, "Just, why do I look familiar with you!?" Amy Xia, "...". Even Kuang Tianyou watched She is a bit familiar, but Sebastian Mu just abruptly did not recognize her.

Alas...

Amy Xia smiled, "It's just the masses, everyone looks familiar!"

"NONONO, if you want the masses, how can we make our company's models feel good!" Kuang Tianyou said with a smile, then turned around, walked to the cabinet, took it Three glasses of red wine were poured out. He walked over and handed Sebastian Mu a cup and Amy Xia a cup.

"It's nice to meet you!" Kuang Tianyou said with a smile, then stretched out his hand, touched Amy Xia's cup, and drank it all. Kuang Tianyou belongs to the kind of man who looks very bohemian, but has a great taste. Every move, every look in the eyes, looks very attractive, as if it is discharging.

Sebastian Mu stood aside, never said a word, drank slowly while holding the red wine, he wanted to see what God wanted to do! Amy Xia stood there, looking at Kuang Tianyou, and couldn't help but speak, "Kuang Zong, did your company release today's news!?" Amy Xia asked.

After hearing Amy Xia's words, Kuang Tianyou was pouring wine and nodded, "Yes, that's right!" Amy Xia, "...". As expected.

"Then, about today's news, can you suppress it?" Amy Xia asked. Hearing this, Kuang Tianyou was stunned. The action of drinking red wine was startled.

It seemed that it was not Sebastian Mu who wanted to suppress the news, but Amy Xia in front of him. Thinking of this, he turned his head and glanced at Sebastian Mu.

Sebastian Mu leaned on his desk without any expression. He wants to see what God wants to do! Kuang Tianyou raised her eyebrows and looked at Amy Xia, "Now the news can't be collected, but..."

If you speak, these should not appear again tomorrow!"

"Can you?" Amy Xia asked back.

Looking at Amy Xia, Tianyou raised her eyebrows, "The beauty speaks, why should I not agree?"

"Then thank you Mr. Kuang first!" As he said, Amy Xia was not polite and stretched out the cup directly. Regardless of whether Kuang Tianyou agreed, he touched her directly, and then raised his head to take a sip. Kuang Tianyou was taken aback. Seeing it, the woman in front of me is very witty and knows how to grasp and use opportunities.

Sebastian Mu looked behind him, and the corners of his mouth couldn't help but twitched... This woman is much smarter than other women in getting things done. Besides, Tianyou was stunned, and then he knew why Xiao En said that.

Indeed, it was much more interesting than the woman Ling Xiaoyun. Kuang Tianyou also took a sip of red wine, "You're welcome!"

Chapter 178

Amy Xia smiled. She knew that men like them must seize the opportunity to let them speak for themselves, otherwise they must have some conditions! At this time, Kuang Tianyou looked at Amy Xia, "You are a woman who knows how to seize opportunities, it is really interesting!"

"I believe Kuang always keeps his promises!"

"Of course!" He turned his head and glanced at Mu Jing. God, "I am more trustworthy than Sebastian Mu!?" He said, he smiled ambiguously.

Amy Xia was taken aback, knowing that Kuang Tianyou had misunderstood their relationship.

"A scandal is always a scandal. Don't get me wrong. President Mu and I are just the relationship between the boss and the subordinates!" Amy Xia explained. Hearing this, Sebastian Mu's face went black.

Must this woman be so anxious to clarify this in front of others? Hearing this, Kuang Tianyou raised her eyebrows, "Oh? Really?" Amy Xia nodded, "Of course!" She didn't explain more. Sometimes, she explained too much, but she seemed guilty.

It was just that his eyes glanced at Sebastian Mu inadvertently, and the eyes of his deep eyes glared at her fiercely.

Amy Xia turned her gaze away, as if she hadn't seen it. Kuang Tianyou smiled, "Miss Xia, you know, Sedum is a very popular golden bachelor!"

"That's someone else's too!" Amy Xia said lightly.

If anything, Ling Xiaoyun. Besides, God was taken aback.

It seems that this woman knows a lot.

"NONONO, he belongs to the masses!" Kuang Tianyou said with a smile. Speaking of this, Amy Xia was taken aback and then smiled.

Sebastian Mu's face was black, and he glared at Kuang Tianyou, "Is it enough?" Kuang Tianyou raised his eyebrows, and the conscious no longer spoke, but there was a smile on the corners of his mouth.

At this time, Sebastian Mu walked to Amy Xia, "Amy Xia, are you sure I belong to someone else!?" Sebastian Mu looked at her and asked every word. Hearing this, Amy Xia was taken aback. She understood what Sebastian Mu meant, and then smiled, "At least it belongs to someone else now!" Listening to their conversation, Kuang Tianyou narrowed her eyes.

It seems that the two of them are in a situation. When Sebastian Mu was about to say something, Amy Xia's cell phone rang.

It sounded at this time, it was completely rescued her.

"Excuse me, Mr. Mu, I'll go out and answer the phone!" As he said, Amy Xia turned and walked out.

Sebastian Mu looked at her back and couldn't help but stared at her angrily.

Amy Xia went out. This is, Sebastian Mu turned his head and looked at Kuang Tianyou, "How? Now that I see it, I am very happy to say a few words?" Listening to Sebastian Mu's words, Kuang Tianyou raised his eyebrows, "I'm just helping you identify, how about this woman!"

"What about the results of the identification?"

"Interesting, much more interesting than the woman Ling Xiaoyun!" Kuang Tianyou said with a smile, There was no mention of the bet with Xiao En.

Let Sebastian Mu know, don't kill them yet! Sebastian Mu glared at him, "If it's okay, I'll go back!" He left after speaking. Besides, Tianyou didn't ask to stay, just smiled.

At this time, Amy Xia outside was answering the phone.

It was from LEO.

“I just saw the news!” LEO said. He knew that Amy Xia didn’t like these gossip magazines, and he was taken aback by the news.

Chapter 179

Amy Xia smiled, “The matter has been dealt with!” Upon hearing this, LEO frowned, “It was dealt with?”

“Well, Mr. Mu dealt with it, these magazines should be gone tomorrow!” Amy Xia said. Hearing Sebastian Mu, LEO still froze for a moment, and then said, “Sorry, I didn’t expect something!”

“None of us thought of it, it’s okay!” Amy Xia said. Now that the matter has been dealt with, LEO didn’t say much, “Well, let’s do this first, I have something to do, we will contact you another day!”

“Good!” After a brief conversation, he hung up the phone.

“Song Qi?” At this moment, Sebastian Mu’s voice sounded behind him. Hearing the sound, Amy Xia was shocked and immediately turned her head.

Sebastian Mu was standing behind her.

“Mr. Mu, don’t you know that eavesdropping on someone’s speech is very impolite?” Amy Xia asked.

Sebastian Mu frowned, this woman was very gentle when talking to someone, but she was always aimed at him.

“Did I eavesdrop?” Sebastian Mu looked at her and asked.

“You stand here and speak by yourself, I don’t think it will be difficult to hear!” Sebastian Mu said.

Amy Xia, “...”

“Isn’t it?” Sebastian Mu looked at her and asked.

Looking at Sebastian Mu, Amy Xia had no choice but to bear it. The corners of his mouth raised, “Yes!” Seeing her hypocritical smile, Sebastian Mu had the urge to tear her mask.

“Back to the company!” After throwing three words to him, Sebastian Mu left directly.

Amy Xia was taken aback, everything was settled, and then he followed in and left. Not long after they left, Kuang Tianyou was calling in the office.

“How?” Of course it was Xiao En who answered the phone.

“It seems, um, a bit interesting, I can see that Sedum is thoughtful...”

“What? Are you surrendering now?” Xiao En asked leisurely on the phone.

“NONONO, I didn’t say surrender, maybe, he was just thinking about it for a while!” Kuang Tianyou said, there is no surrender in his world.

“Do you know what she has to do with Sedum?”

“Ambiguous, boss and subordinates!” Kuang Tianyou said.

“God, it seems that you are not up to the current position!”

“What do you mean?”

“I ask you, what is that woman’s name?”

“Amy Xia!”

“Don’t you think it’s familiar?” Xiao En asked. Hearing what Xiao En said, Kuang Tianyou frowned, Amy Xia, Amy Xia...

It seems that the more you call, the more familiar you are, as if you have heard it there.

“Not only the name is familiar, but also a bit familiar!” Kuang Tianyou said. Hearing this, Xiao En smiled on the phone.

“Do you know what?” Kuang Tianyou asked immediately.

“Sedum got married three years ago, what is that woman’s name?”

“It seems to be called Xia...” Kuang Tianyou was stunned.

“You mean, that woman is Amy Xia!?”

“So you can’t do your job now!” Xiao En said leisurely on the phone. Hearing this, Kuang Tianyou was stunned.

“How do you know?”

“Of course it is reliable news!”

“Does Sebastian know?” Kuang Tianyou asked.

“According to visual observation, it should have just been known!” Kuang Tianyou, “...”

“When did you know!?” Xiao En, “...”

“You knew it before you bet!?” Kuang Tianyou asked back.

Chapter 180

Xiao En didn't deny it, but he didn't admit it, but Kuang Tianyou knew it must be like this! “Well, you are too overcast!” Xiao En smiled over there, “As an entertainment boss, you don't know as much as I know, do you think you can't be qualified for the current labor union!” Kuang Tianyou, “...”

“Okay, I look forward to your photos, see you someday!”

“Even if she is Sedum's ex-wife, Sedum will not fall in love with him!” Kuang Tianyou said every word.

“Then we will wait and see!”

“OK!” So, hung up the phone. Just hung up the phone, Kuang Tianyou immediately got through the inside line.

“Help me check the identity of Amy Xia...” Kuang Tianyou said. Even if you want to lose, you can't lose without knowing anything. With Kuang Tianyou's answer, Amy Xia was more relieved.

Aside from other things, she believed that they agreed and they would definitely do it. Thinking of this, Amy Xia felt more relieved.

After arriving at the company, Sebastian Mu went to the office, and Amy Xia went back to work directly. Before they arrived, all the gossips in the design department surrounded him.

“Amy, what the hell is going on!”

“Amy Xia, you are so beautiful!”

“Miss Xia, what you have hidden is too mysterious, what time is it!” Amy Xia was caught by them as soon as he arrived in the design department Live, press on the job. They have been curious for a long time, waiting for her to appear, but they have not appeared, and now they have finally appeared, they still don't ask for clarity.

Amy Xia sat there and watched them forbearing a word, never talking, but looked at them with a smile. Finally, they all stopped talking and looked at Amy Xia, “You are saying something!” Amy Xia smiled, “Everyone, let me say what?”

“Okay, let’s not talk about it, you will be honest!” Cocoa said. Hearing this, Amy Xia looked at them, “Explain what?”

“Miss Xia, you are in the news magazine, and the front page headline, what do you say to explain!”

“It’s not a gossip magazine, do you believe it too?!” Amy Xia reads He blinked at them and said. The serious look made them think that this matter was just as simple as scribbling.

“Girl, even though they didn’t say that, it’s true that these two invited you to dance? How do you explain this?” a colleague asked. She said that she still had a magazine in her hand and pointed to Amy Xia.

Amy Xia looked at the gossip magazine, this... really hard to explain.

“Amy, do you know this returnee?” At this time, another gossip colleague asked, “He is so handsome, he is not as good as our Mu always!” Amy Xia was stunned when she looked at her.

After a daze, then nodded, “Well, he is my...Tutor!” The word “Tutor?” made them stunned.

Amy Xia smiled and nodded, “Yes, my mentor when I was in London, he taught me how to design!” After that, Amy Xia smiled innocently, showing that it was just as simple as what she said.

“I haven’t heard you say it before!” Coco said.

“I didn’t know that he was back.

It was also when President Mu and I went to attend Alexia’s banquet together, I knew he was back!”

“So, they invited you to dance together?” Amy Xia nodded, “Yes Yes, he didn’t know that I went with Mr. Mu, so he invited me to dance. These are just captured by reporters!” Amy Xia said with a guilty conscience.
