Chapter 186 – 190

Chapter 186

At this time, Ling Xiaoyun stood not far away from them, watching Sebastian Mu pulling Amy Xia out, frowning, “Sedum...” When he saw Ling Xiaoyun, Sebastian Mu was stunned, but did not stay much longer. , Took Amy Xia and went out.

“Sedum...” Ling Xiaoyun shouted again, but Sebastian Mu didn’t even turn his head, pulling Amy Xia out.

Amy Xia felt that her wishful thinking was wrong today.

I originally wanted Ling Xiaoyun to pick up Sebastian Mu, but I didn’t expect all four of them to hit him! Seeing Ling Xiaoyun’s expression, Amy Xia felt a little unbearable.

Alas, she is always so kind! No matter how many times Ling Xiaoyun attacked her, this time, she still felt a bit sorry for Ling Xiaoyun. But no matter how she stopped, Sebastian Mu just pulled her out. Song Qi followed out, but when he went out, Amy Xia was already stuffed into the car by Sebastian Mu and drove away. Song Qi stood at the door, looking at their backs, frowned...

“Sebastian Mu, you have enough!” Amy Xia opened his mouth. But no matter what she said, Sebastian Mu just drove away.

Amy Xia sat and watched, only to see Sebastian Mu’s profile face, a little red, and there was a smell of alcohol everywhere in the car.

Amy Xia then remembered that Sebastian Mu had drunk! Seeing the car racing wildly on the road, Amy Xia looked ahead, suddenly a little worried.

After all, Sebastian Mu was rescued by drinking, which is different from usual.

After thinking about it, Amy Xia said, “Or, I will drive?” Sebastian Mu still did not speak, and drove the car on the road.

Amy Xia watched, her heart thumped and only jumped, Sebastian Mu too challenged her ability to accept! Finally, without knowing where to drive, Sebastian Mu suddenly stepped on the brake. He stepped on the brake, and Amy Xia felt her heart relieved.

At this moment, Sebastian Mu was sitting there with a calm face, and he was very angry when he saw it.

“Why is Ling Xiaoyun there?” Sebastian Mu suddenly asked.

“I... texted her to pass!” After hesitating, Amy Xia still spoke.

Sebastian Mu, “...”

“So, I asked you to pick me up, and you asked Ling Xiaoyun to come over to date Song Qi!?” Sebastian Mu suddenly turned his head and looked at Amy Xia and asked. date? Hearing this word, Amy Xia frowned.

“I asked Ling Xiaoyun to pick you up, but not to date Song Qi, I am...”

“What is it?” Sebastian Mu asked. Seeing her aggressive vision and tone, Amy Xia was stunned for a moment, thought for a while and said, “Nothing, I don’t think I need to explain it!”

“Amy Xia!!!” Sebastian Mu suddenly shouted. She always has the ability to drive him crazy.

Amy Xia frowned, “Mr. Mu, I am not your assistant or your driver.

In a situation like today, is it wrong for me to let Ling Xiaoyun go?”

“Yes!”

“What’s wrong?” You went to pick it up, why did you let her go?” Amy Xia, “...” At this time, I told Sebastian Mu that he was right or wrong, was it wrong in the first place? “You drank too much, I don’t want to say anything, I want to go back!” With that, Amy Xia was about to push the car door down.

And at that moment, Sebastian Mu suddenly grabbed her hand...

Chapter 187

Amy Xia was startled, looking at the people in front of him, especially when he saw his deep eyes reflecting on himself, she was even more stunned, not knowing what to say.

“Who allowed you to go! Huh?” At this time, Sebastian Mu’s rich and magnetic voice sounded in her ears, mixed with a hint of wine, which matched the smell of his body.

“You...

Are drunk, let’s talk about something another day!” Amy Xia said, Sebastian Mu, who had finished drinking, was more charming and...dangerous than usual.

As soon as Amy Xia was about to move, Sebastian Mu grasped her even more.

“You...”

“Amy Xia, you said, what should I do with you?” At this time, Sebastian Mu watched Amy Xia’s faint opening, his words were a bit weak.

Amy Xia frowned and didn’t understand what he meant, but at this moment, his proximity made Amy Xia’s heart very confused.

“Sebastian Mu, you are drunk!”

“Drunk?” Hearing this, Sebastian Mu suddenly smiled, his eyes narrowed, “If you are drunk, can you do something, eh?” Hearing this, Amy Xia’s face turned red involuntarily, “Sebastian Mu!!!” Seeing Amy Xia’s nervous blushing, Sebastian Mu suddenly laughed, and the haze in his heart disappeared.

I like to see this woman nervous. This is like a woman. Usually she is like a little hedgehog, attacking people all the time, but at this moment, she is cute. Seeing Sebastian Mu’s smile, Amy Xia was also stunned. Knowing him for so long, it was the first time to see him smile like this.

I have to admit... Very handsome... Especially at this night, under the dim light, at such a close distance, he can clearly see his outline, as perfect and three-dimensional as the artist has carved. The smile is more mysterious and charming.

At that moment, Amy Xia had an idea in her heart.

It was the first time she had this idea.

In fact, this man was not as bad as she thought.

At least... so far.

At this moment, Sebastian Mu also looked at Amy Xia, his eyes narrowed slightly, neither of them spoke...

At this moment, Sebastian Mu looked at Amy Xia and approached her little by little.

Amy Xia looked at Sebastian Mu, seemed to feel his intention, and then turned away. Seeing her behavior, Sebastian Mu frowned, and then said, “Amy Xia, do you hate me very much!?” Sebastian Mu suddenly asked, speaking a bit weak. Suddenly a person like Sebastian Mu, who is aloft and invincible, asked such a question, Amy Xia was stunned.

After thinking about it, Amy Xia said, “No!”

“If not, why do you smile so real to others, but you are always on guard against me!?” Sebastian Mu asked, this made him feel very upset. Hearing Sebastian Mu’s words, Amy Xia was stunned, and then said, “No, I miss you too much!”

“Really?” Sebastian Mu asked back.

Amy Xia nodded. But there was a guilty conscience between nodding. Speaking of precautions, that’s for sure.

I was afraid that Sebastian Mu would find her before, but now it’s because... he is too dangerous. But now Sebastian Mu itself is very dangerous, how dare she admit it.

Chapter 188

Sebastian Mu looked at her, staring at her face.

“In this case, don’t avoid me in the future!” Sebastian Mu said, looking at her.

“If you don’t engage in a sudden attack, I will not avoid you!” Amy Xia said. Hearing this, Sebastian Mu frowned, “Suddenly attacked?” Amy Xia raised her eyebrows and nodded.

Only then did Sebastian Mu understand what she meant.

“If you don’t mess with me, I won’t make a sudden attack!” Amy Xia, “...you think I’m messing with you, I’m very normal!”

“Really?” Hearing this, Sebastian Mu raised his eyebrows “The phone is a normal ringtone for others, but is it normal to set that for me?” Amy Xia, “...”

“The deception three years ago, pretending to be so ugly to marry me, is it normal?” Mu Sedum asked.

Amy Xia, “...” Well, except for these two.

“Really?” Sebastian Mu asked again.

“Special circumstances, special treatment!” Amy Xia said with a smile. Seeing Amy Xia’s smile, Sebastian Mu really had the urge to lean over and kiss her, but after thinking about it, he just agreed to her, so he gave up.

“If there are similar things, then don’t blame me for being polite!” Sebastian Mu looked at her threateningly.

Amy Xia smiled and looked at him without saying anything.

At this time, Sebastian Mu was still pressing on her body, looking at her deeply, and Amy Xia was also pressed down by him, and he could see Sebastian Mu when he raised his eyes.

At that moment, the eyes met, very strange.

Amy Xia looked at Sebastian Mu, feeling that her heart was about to jump out! Can you not look at people like this? "Well, can you get up now?" Amy Xia asked, breaking the intersection of the two people's eyes.

"Don't think about it!" Amy Xia, "...". Sometimes when Sebastian Mu wants to be a rascal, it's really helpless. Seeing Amy Xia's helpless look, Sebastian Mu smiled and got up. Seeing him move, Amy Xia also moved.

It was a bit uncomfortable to be pressed down like that. Who knew that Sebastian Mu got up and stopped halfway up.

Amy Xia stayed with him and didn't look so much. She raised her eyes and suddenly her forehead suddenly stopped. Rubbed Sebastian Mu's lips. The whole person was taken aback, and after reflecting on what had happened, Amy Xia retreated.

Looking at Sebastian Mu, he blushed.

Sebastian Mu looked at her with a smile. This is not to blame him, she delivered it to the door herself.

Amy Xia was sitting in the car, and suddenly felt that she didn't know what to say, after all, she got on her! This is, turning his head and looking out the window, only then did he find that Sebastian Mu had driven the car to the beach.

"It's very hot, I'll go for a walk!" As she said, Amy Xia pushed the car door down. Seeing Amy Xia getting out of the car, Sebastian Mu smiled and followed her out of the car.

Amy Xia walked towards the beach, Sebastian Mu followed behind.

Amy Xia seldom comes out at night, especially at the seaside at night.

After walking to the seaside, when the wind blows, she takes a deep breath and feels comfortable. Suddenly I felt that everything was gone with the wind and smoke.

"So comfortable!" Amy Xia stretched her arms, raised her head, closed her eyes, enjoying this moment.

Sebastian Mu got off the car and looked at Amy Xia's back, suddenly there was a moment of throbbing in his heart. He walked slowly over to Amy Xia's side, "Why? I want to run if I take advantage of me?" Amy Xia, "...". opened his eyes, turned his head to look at Sebastian Mu, and said that.

I don't feel embarrassed anymore.

Chapter 189

Amy Xia smiled, "Mr. Mu, I'm extremely sorry, I accidentally took advantage of you just now, I apologize to you!" Amy Xia said.

Sebastian Mu shook his head, "NONONO, I don't accept an apology!"

"There is no way!"

"Yes!"

"What!?"

"Let me take it back by accident!" Sebastian Mu said.

Listening to his words, Amy Xia smiled suddenly, ignored him, and continued to walk forward, feeling very comfortable.

Open your arms, the wind is blowing gently, very comfortable.

"How? Is it comfortable?" Sebastian Mu asked.

"Well, very comfortable!" Amy Xia nodded.

Listening to Amy Xia's words, Sebastian Mu turned his head to look at her, "Amy Xia..."

"Huh!?"

"Let's get married!" Hearing this, Amy Xia was taken aback and turned to look at Sebastian Mu, "Mr. Mu, Are you drinking too much, or have a fever?" Sebastian Mu's face twitched when he heard Amy Xia's words, "I'm not drunk, and I didn't have a fever!"

"That's dizzy!" Sebastian Mu found out and chatted with Amy Xia. , There is a kind of ability to want to go crazy in less than two sentences.

"I'm not drunk, nor fever, nor dizzy, I'm serious!" Sebastian Mu said.

Listening to his words, Amy Xia was also stunned, and then looked at him, "Why?"

"What and why?"

"Why do you want to remarry?" Amy Xia asked. This sentence suddenly stunned Sebastian Mu, "There is no why!" Hearing this, Amy Xia felt a little ridiculous, "I want to remarry me if there is no why?"

"No way?"

“Of course!” Amy Xia Nodded, then looked at him, “Mr. Mu, don’t forget, you have a girlfriend now!”

“Don’t you think it is ridiculous to tell me your remarriage now?” Amy Xia said, never expected that Sebastian Mu would suddenly Say this.

“Is it funny?” Sebastian Mu asked, staring into her eyes.

Amy Xia nodded, “Of course!”

“Although I and you were married, we are already divorced. Now Ling Xiaoyun is your girlfriend, I don’t want to be a third party!” Amy Xia watched him and said every word. .

After hearing Amy Xia’s words, Sebastian Mu frowned, “Just because of this?”

“And...” Then, Amy Xia looked at him, “Before I married you because I had no choice, but now, I have With the right to choose, you will never use marriage as a trifle!”

“No one has marriage as a trifle!”

“Do you love me?” Amy Xia asked suddenly.

Sebastian Mu was taken aback.

Love? Seeing Sebastian Mu’s reflection, Amy Xia suddenly smiled, “Mr. Mu, I’m afraid you don’t know what love is until now, because you only love yourself!” “Including Ling Xiaoyun, even if she is your daughter Friend, but you only love yourself!” Amy Xia looked at Sebastian Mu and said confidently. Hearing Amy Xia’s words, Sebastian Mu frowned and looked at Amy Xia as if he was looking at something very strange.

“Listening to your tone, it seems that you know love very well!” Sebastian Mu asked while looking at her.

“Love is a wonderful thing, no one can guess.

Although there are very few people who can have love in this society, I believe there are still some. Therefore, Mr. Mu, marriage is not the tomb of love, but the other part of love.

A door, so don’t talk about marriage lightly, if you don’t love me, don’t tell me this!” Amy Xia looked at Sebastian Mu and said with confidence.

Chapter 190

Listening to Amy Xia’s words, Sebastian Mu frowned, looking at Amy Xia as if looking at another person. Full of curiosity and expectation. Seeing Sebastian Mu not speaking for a long time, Amy Xia turned her head, “It’s late, it’s time to go back, let’s go!” Then she went back.

“Amy Xia, you mean, if you want to marry you, you must fall in love with you!?” Sebastian Mu asked.

Amy Xia turned her head and closed her eyes lightly, “The most basic standard at this time!” Sebastian Mu smiled and immediately went up and grabbed her, “Since you know this, why don’t you teach me to love you!” Looking at Mu Jing She looked serious, her shadow reflected in her deep eyes, and Amy Xia was stunned, not knowing if what he said was true or false.

“Mr. Mu, just loving me is not enough, you have to let me love you!”

“I believe you will fall in love with me!” Sebastian Mu said, he is still very sure about his own charm .

“Mr. Mu, don’t be so narcissistic, this is not necessarily true!” Amy Xia said with a smile.

“If not necessarily, I will keep you by my side even if I am tied!” Sebastian Mu said, with a hint of domineering tone.

Amy Xia, “...” She believed that Sebastian Mu could definitely do this.

“The person who can keep me can’t keep my heart, Mr. Mu, if you are so confident, then wait until I fall in love with you!” Amy Xia said lightly while watching him, with words Meaningful smile. When Sebastian Mu is not aggressive, he still feels very relaxed.

“Good!” Sebastian Mu agreed.

Amy Xia smiled and broke away from his embrace, “It’s late, it’s time to go back and rest!” Seeing her go, Sebastian Mu also smiled and followed her back.

Amy Xia’s mobile phone didn’t know when it landed on the car, the phone rang over and over again, and Amy Xia saw it when she got in the car. Just watching Sebastian Mu come up, without knowing why, she put away the phone directly. Don’t want to cause more troubles, wait until you go back.

Sebastian Mu returned to the car and looked at Amy Xia, “What’s wrong?”

“It’s okay!” Amy Xia responded casually.

Sebastian Mu glanced at her body twice without saying anything, and started the car and left.

On the road, the two people did not speak, time passed quietly, and Sebastian Mu did not drive the car so fast.

Amy Xia looked out of the car window, then looked at him, hesitated again and again, and said, “Mr. Mu, there is one more thing I want to tell you!”

“What’s the matter?”

“It’s about our marriage and divorce, I don’t want others I know, so will it be...”

“You don’t want Song Qi to know?” Sebastian Mu said before Amy Xia’s words were finished.

Amy Xia, “...I don’t want him to know that he already knows!” This is true.

“Then what are you afraid of!?” Sebastian Mu asked back. For so long, the only person who wanted to get involved with him and tried his best to get in touch with him, Amy Xia was the first person who wanted to leave him alone.
