

My Sassy President Novel

Chapter 191 – 195

Chapter 191

“I just don’t want to provoke a discussion, God knows, as long as it is something that has something to do with you, as long as it is something that is related to you, I just want to have a plain life!” Amy Xia said.

“Just like this?” Sebastian Mu turned his head and asked her with a meaningful look.

Amy Xia nodded very surely, “Of course!” Seeing Amy Xia’s appearance, it didn’t seem like there was another reason, Sebastian Mu nodded, “Okay, don’t let me say anything, don’t mess with me!” Amy Xia, “...”

“Your emotions are so full and strong for me, how do I know when I provoke you and when I didn’t provoke you!?” Amy Xia looked at him and asked, deliberately using vocabulary not so obvious.

Sebastian Mu gave her a white look, “The man who is parting is going far away!” Amy Xia, “...” So, Amy Xia turned her gaze out of the window and said nothing. The car drove slowly on the road, and I don’t know how long it took Sebastian Mu to get downstairs in her apartment.

After arriving, Amy Xia pulled off the seat belt directly, “I’m going back, be careful on the way!”

“Don’t you ask me to go up for a cup of tea?” Sebastian Mu asked, raising an eyebrow.

Amy Xia smiled, “I rarely drink tea, so I don’t have tea.

Mr. Mu, you should go back and drink it!” Sebastian Mu’s face twitched, “It seems that I have to give you some tea another day!” I wasted a good thing, it is a waste to me!” Amy Xia smiled and said, with that smile, Sebastian Mu really wanted to rush up to take her down! “Don’t drink tea, just drink something else!”

“Sebastian Mu retreats to be second.

“Mr. Mu, I believe that even if you don’t drink, you won’t die of thirst.

It’s not good to be alone at this late hour, so please come back!”

“Amy Xia said.

Anyway, one sentence was to prevent Sebastian Mu from going up.

Sebastian Mu looked at Amy Xia angrily.

Amy Xia smiled, “Mr. Mu, be careful on the road, I’ll go up first!”

“After speaking, he waved his hand and went up by herself. This woman is really...

Sebastian Mu found that there is nothing to do with Amy Xia! But he watched her go upstairs, and after a while, he drove away...

After Amy Xia went upstairs, I changed my shoes, then took out my mobile phone and saw that there were a few missed calls on it, and then dialed the number. Soon, it was connected over there.

“Hello, Amy, how are you? where are you now! ? “On the other side of the phone, Song Qi asked nervously as soon as he answered.

“I’m at home now, I’m all right!” Amy Xia said.

“Sebastian Mu didn’t do anything to you, right?” ? Song Qi asked worriedly.

“No, I’m home now, it’s okay!”

“Amy Xia said. Hearing this, Song Qi was a little relieved, “You can’t get through, so I...”

“I don’t know how to turn off the phone, so I didn’t hear it!” Amy Xia said, this is the first time that I lied to Song Qi. Hearing this, Song Qi didn’t think much, and then said, “I didn’t expect you to meet Sebastian Mu today!”

“You don’t need to feel guilty, I’m fine, I knew he was there from the beginning, no Stop you, you are not to blame for this!” Amy Xia said lightly.

Chapter 192

Song Qi was taken aback by Amy Xia’s words. He was surprised that it was nothing else, but Amy Xia actually knew that Sebastian Mu was there.

Although he thought so, he didn’t ask much.

“Amy, believe me, this kind of thing will never happen again!” Song Qi assured her every word on the phone. His affirmation and determination gave Amy Xia a strange feeling. She did not agree, but instead asked, “Where are you now? Are you still outside?” Song Qi, who was sitting in the car, was also talking on the phone.

Looking for her everywhere, he didn't feel at ease until she answered the phone.

"Well, I'm still outside, go back soon!" Song Qi said. Hearing what he said, Amy Xia didn't think much, "It's late, go back and rest early, I'm very tired, and I have to rest!" Amy Xia said.

"Well, then you rest early!" Song Qi said over there.

"Well, that's good, hang up, Ann!" Amy Xia said.

"Amy..." Song Qi called out suddenly.

"Huh?" Amy Xia was about to hang up, and was taken aback after hearing Song Qi's voice.

"I..." Song Qi wanted to say something, but found that the time to say everything was wrong now. He thought about it and said, "It's okay, rest early!"

"Well, you should rest soon!"

"Well!" He hung up the phone.

Later, Amy Xia let out a sigh of relief, leaving her mobile phone aside, and went directly to the bath. This night, actually tossing! After taking a shower, Amy Xia went straight to bed and went to bed.

It had already passed her biological clock, and now she was really sleepy.

And Song Qi over there. Sitting in the car, looking at the phone, it took a long time to recover. Thinking of what happened tonight, he was in a very bad mood.

I saw that Sebastian Mu felt very unusual for Amy Xia, but he didn't expect that he was actually Amy Xia's ex-husband... Thinking of this, his brows frowned unhappy! However, this also inspired him! At this moment, he took out his cell phone and dialed a number, "Mike, help me publish a news, just say..." After hanging up the phone, Song Qi's face eased a little, and then he drove back.

Amy Xia slept until dawn, and when she woke up, it was just seven o'clock, so she quickly washed and got up for breakfast. Not forgetting those scandals yesterday, Amy Xia picked up the newspaper and read it for the first time. Sure enough, God's words counted. Without those news, it was just... there was even more important news! Payne will develop in City A and open its first branch. This news occupies two-thirds of the page. When she saw this news, Amy Xia was still stunned.

Ming Ming said that Song Qi would leave after a while, and now...

Amy Xia froze for a while, but didn't know what to say.

After all, Song Qi's affairs at this time had nothing to do with her, but she still felt that something was wrong there. child.

At this time, Amy Xia turned out the phone, found Song Qi's number, and dialed directly. The phone rang a few times and then answered it.

"Hey, Amy!"

"Are you busy?" Amy Xia asked.

"Well, one thing, what's wrong!"

"I just saw the news!" Amy Xia explained the meaning of the call. Hearing this, Song Qi was stunned, "This was decided temporarily, so..."

Chapter 193

"I understand, understand, congratulations!" Amy Xia said with a smile, smiling from the heart.

"Are you not angry?"

"Why are you angry? You want to develop a branch in City A. This is something to celebrate.

I just think it's too sudden!" Amy Xia said lightly.

"Well, it was a little sudden, how about it, do you want to come out to celebrate together tonight!?" Song Qi said.

"You have time?"

"Even if you don't have time, you have to make time. Work is endless. Besides, I'm very happy to have you celebrate for me!" Song Qi said.

"Then, can I bring a friend?" Amy Xia asked back.

"Of course, there are more people, not to mention, I want to meet your friends too!" Song Qi said. He grew up abroad. For him, seeing relatives and friends is a kind of affirmation, and Song Qi is still very happy.

It's just that Amy Xia didn't think so...

"Okay, let's see you tonight!"

"Okay!" After saying yes, Amy Xia hung up the phone, threw the newspaper aside, and started to concentrate on breakfast.

After eating, he hurried to work. The company is also discussing this matter.

As soon as Amy Xia entered, her colleague went gossiping and asked her, "Amy, it turns out that this returnee is so rich!" They said excitedly with the newspaper. Even if Amy Xia didn't watch it, she knew what they were talking about.

"Really?" Amy Xia asked faintly, raising her eyebrows, as if she didn't know.

"Don't you know?" the colleague asked back.

"I only know that he has a good family background, he has his own company in London, and I don't understand other people's property!" Amy Xia said.

"Amy Xia, you are really a violent thing!" My colleague couldn't help but complain.

Amy Xia, "...Girl, don't use vocabulary indiscriminately!" Speaking of this, my colleague laughed, "He is also a jewelry maker, and now he is developing his own branch in City A.

It seems that some are competing with our company.!" said the colleague. Speaking of this, Amy Xia was also taken aback. This is indeed the case. Chow is now taking the international route and has been developing abroad, and in China, the largest jewelry company in City A, now Song Qi suddenly made such a decision, which is equivalent to confronting Chow...

Although it seems dangerous, Amy Xia knows that Song Qi It will definitely be done. This is considered a business acumen, a business method.

Sebastian Mu and Song Qi are both outstanding people in business.

"Oh, it is estimated that in the future, we will set off a bloody storm in the jewelry industry in City A!" A colleague sighed and said.

Amy Xia couldn't help laughing after hearing it on the side.

"Be careful of blood splattering on your body, work quickly!" Amy Xia said with a smile.

After the colleague heard it, he slid his shoulders helplessly, "That's all!" After speaking, he hurried to work.

Amy Xia also smiled and started to work.

At this moment, in Sebastian Mu's office, looking at the newspaper in front of him, the corners of his mouth twitched coldly.

At this moment, his phone rang. Seeing the number, Sebastian Mu picked it up.

"What's the matter?"

“Of course I came to congratulate you!” Kuang Tianyou’s voice sounded over there.

“Congratulations? What’s worth congratulating?” Sebastian Mu asked back.

“Now someone is sharing a piece of the pie with you in City A, you don’t have to take the power alone!” Kuang Tianyou said leisurely on the phone.

Sebastian Mu heard it naturally, and Kuang Tianyou alluded to Song Qi.

Chapter 194

“Are you sure, did he divide it?” Sebastian Mu asked coldly.

“I heard that he is very capable, otherwise can he have a foothold in London?” Kuang Tianyou said.

“That’s London, City A, are you sure he will do it?” Sebastian Mu asked back, his face gloomy. Kuang Tianyou, “...” Sebastian Mu’s self-confidence is born.

“Sedum, he not only robs your woman, but also robs your business. You must not worship Buddha this year!” said Kuang Tianyou.

“Why do I smell a smirk of misfortune!” Sebastian Mu said. Kuang Tianyou said, “...I am worried about you!”

“Are you sure?”

“Of course!” Kuang Tianyou said very positively.

“You can just worry about yourself!” Sebastian Mu said.

“It seems that you already have a countermeasure!” Kuang Tianyou said. Speaking of this, Sebastian Mu tickled the corner of his mouth and did not continue.

“How about it, do you want to come out for a drink at night?”

“No, I have dinner tonight!” Sebastian Mu said.

“Well, come out to drink another day!”

“Hmm!” After a brief conversation, he hung up the phone.

Looking at the newspaper in front of him, Sebastian Mu’s mouth conjured up a sure smile.

At this time, he picked up his cell phone and dialed the phone.

“Hey, President Ling, I’ll be there on time for the dinner with the mayor in the evening!” After speaking, a sure smile appeared at the corner of his mouth.

In the afternoon, Amy Xia was resting in the pantry and Sebastian Mu walked in. When she saw him, Amy Xia was stunned for a moment, “Is President Mu making coffee by himself now?” Amy Xia looked at him and asked.

“The secretary is so busy, making coffee by herself, should help her relieve her burden!” Sebastian Mu said leisurely.

Amy Xia, “...When did President Mu be so considerate of his subordinates?”

“Now that another jewelry company is emerging in City A, of course I have to be considerate of subordinates to avoid them all quitting!” Sebastian Mu said. Speaking of this, Amy Xia only heard that there was something in Sebastian Mu’s words.

“If there is healthy competition, then it would be considered a kind of welfare for those of us who are part-time workers!” Amy Xia also said with a faint smile, since Sebastian Mu didn’t pick out, why should she put it through.

“It seems that you have known about this a long time ago!” As he said, Sebastian Mu’s eyes looked at her.

Amy Xia froze for a moment, and then said, “Mu always has something to say directly!” After hearing Amy Xia’s words, Sebastian Mu was not polite and took a step forward, “Don’t you know you already knew?”

“What?”

“Song Qi is going to open a branch here!” Sebastian Mu looked at her and asked every word.

Amy Xia raised her eyes and looked at Sebastian Mu. Her eyes were calm, “If I said, I just found out this morning, do you believe it?” Sebastian Mu looked at her, and after watching her for a long time, he said a word.

“Believe!” I don’t know why, this woman lied to him countless times, but he still believed! Especially now! That kind of belief, no words.

Amy Xia was taken aback when she heard Sebastian Mu’s words.

Obviously, Sebastian Mu’s words were beyond her expectation.

“I did only find out this morning!” Amy Xia said lightly while looking at him.

“Is it for you?” Sebastian Mu asked.

“What?” Looking at Amy Xia, Sebastian Mu’s eyes narrowed slightly...

Chapter 195

He said it was okay, so Amy Xia didn't ask much.

At this moment, Sebastian Mu looked at his watch, then stood up and said to Amy Xia, "I have something to do, let's go now!"

"Yeah!" Amy Xia stood there and nodded.

After nodding, he was a little stunned.

In fact, he didn't need to. Tell yourself.

Looking at the back of Sebastian Mu going out, Amy Xia paused for a while, and a casual smile appeared at the corner of her mouth... Holding her coffee, Amy Xia also walked out.

After get off work in the afternoon, Amy Xia made an appointment with Jenny, the two met, and then they met Song Qi together.

"Amy, your life has been colorful these days!" As soon as we met, Jenny kept joking with Amy Xia.

"Are you making fun of me?" Amy Xia asked.

"Why, I'm telling the truth, come, quickly tell me what's going on!"

"Explain what?"

"Don't pretend!"

"Nine to five, work and get off work!" Amy Xia said. Jenny, "...Amy Xia, have you learned how to pretend now!?"

"Don't you know that this is one of my skills, life is not easy, it depends on acting!" Amy Xia said. Jenny, "... Amy Xia gave Amy Xia a vicious look. Seeing Jenny's appearance, Amy Xia smiled, and then told Jenny about the recent situation.

After hearing this, Jenny blinked his eyes, "I haven't seen it for a few days, so many things have happened?"

"Mu, Sebastian Mu knows?" Jenny asked incredulously.

Amy Xia nodded.

"He, didn't you do anything to you!?" Jenny looked at Amy Xia and asked worriedly. Now I realized that Amy Xia was very dangerous.

“I am standing in front of you alive now, what can I do?” Amy Xia said. Speaking of this too, but Jenny is still a little unbelievable, “He just forget it?”

“Otherwise?”

“This is definitely not Sebastian Mu’s style!” Jenny said very confidently. How should I put it, is everyone aware of Sebastian Mu’s behavior? ! “You always confess, did you promise Sebastian Mu something?” Jenny asked. Sure enough, there is nothing to hide from her! Amy Xia blinked her slender eyelashes, “In fact, it’s nothing, but he said, let me be willing!”

“Willingly...” Jenny repeated, then turned her head and looked at Amy Xia in a daze, “Does Sebastian Mu like it? You?” Amy Xia was taken aback and shook her head, “Not yet!”

“Absolutely, otherwise, he would definitely tear you up and eat!” Jenny said, and then nodded while saying, “Well, yes, it must be so. !” Amy Xia, “...”

“No matter what, the thing I worry about the most has passed!” Amy Xia said.

“So, during that time, Yun Rui’s acquisition of Xia Style was all news that Sebastian Mu released?” Jenny asked.

“Yeah!” Amy Xia nodded. Hearing this, Jenny thought for a while, and then said, “Actually, Sebastian Mu is not as bad as we said, right?” Amy Xia, “...” Amy Xia doesn’t know, who knows that he keeps talking about Mu Sedum is not good.

“At least, he promised you not to buy Xia Shi!” Jenny said. Speaking of this, Amy Xia nodded, not to mention anything else, Amy Xia also agreed with this, Sebastian Mu still keeps his word! Sebastian Mu nodded.
