

My Sassy President Novel

Chapter 31 – 35

Chapter 31 Thanks to you

When Amy Xia woke up, she was in the hospital. When she opened her eyes, Sebastian Mu was sitting in front of her.

Amy Xia frowned when she saw him, “Why are you here!?” Amy Xia asked. Suddenly nothing happened.

Sebastian Mu sat opposite, expressionless, “Can’t remember?” Speaking of this, Amy Xia was frowned upon.

In retrospect, she remembered that she had an appointment with Mr. He to negotiate a contract in a restaurant, and then he got used to her. Wine, and then... Then she remembered all the following things! He looked at Sebastian Mu, then looked at the surrounding environment, “This is a hospital!?”

“Remember?” Sebastian Mu asked back.

Amy Xia nodded, but looked at Sebastian Mu, “You sent me here?”

“Otherwise!?” Sebastian Mu asked unhappily. Thinking of her like that, his heart couldn’t help but get angry. This woman is really bold, not afraid of anything. Seeing that Sebastian Mu was displeased, Amy Xia also frowned. Without saying anything, she got out of bed.

It is better to talk less with Sebastian Mu. Just then, the doctor opened the door and walked in. When I saw Amy Xia, I naturally thought it was Sebastian Mu’s girlfriend and looked a little affectionate, “How about Miss Xia? Is it better?” Amy Xia nodded, “Well, it’s better!”

“Don’t drink it anymore!” Fortunately, Mr. Mu brought such high-concentration wine in time, otherwise you will really have to sleep for a few days and nights, and the person who drinks this wine!” The doctor looked at Amy Xia and said with a smile. That way, naturally Amy Xia was mistaken for Sebastian Mu’s girlfriend. Everyone knows that Sebastian Mu’s speed at changing women is definitely as fast as flipping a book, so the doctor mistakenly thought it was right.

After hearing the doctor’s words, Amy Xia was taken aback for a moment. She wondered why she always moved her hands and feet in her rescue.

It turned out to be high-concentration alcohol. But hearing the doctor's words, that degree is no less than medication.

Amy Xia just smiled and nodded, "Thank you doctor!" At this time, Sebastian Mu looked at the doctor, "How about? Can she be discharged?" The doctor nodded, "It's okay, just remember to go back and drink more water. Go!" said the doctor. Speaking of this, Sebastian Mu nodded. So, two people walked out of the hospital.

At the door, it was already very dark at this time, it was almost twelve o'clock.

Amy Xia stood at the door, looking at Sebastian Mu, "Mr. Mu, thank you for sending me to the hospital.

I will pay you back for today's medical expenses!" Amy Xia said very politely.

Listening to Amy Xia's words, Sebastian Mu couldn't help but sneered, "I didn't expect you to work hard for the contract!" No matter how Amy Xia heard this sentence, it seemed ironic. Turning to look at Sebastian Mu, "Isn't this what you want to achieve? No, to be correct, isn't this what you think?" Amy Xia looked at Sebastian Mu and asked straightforwardly.

After Coco said those things to her, she concluded that Sebastian Mu was deliberate.

Is it really to see her upset, or to fix her? I don't know about falling in love, but everything that happens to her now is thanks to her.

Listening to Amy Xia's words, Sebastian Mu suddenly raised his brows, and looked at Amy Xia in front of him. He did it deliberately, but he didn't expect Amy Xia would really do that. He thought she would retreat in case of difficulty, but he didn't expect it to be like this...

Chapter 32

At that moment, looking at Amy Xia, Amy Xia also looked straight at him, there was no half of fear in her eyes, but more determined and frank, which made people unable to ignore.

At that moment, Sebastian Mu looked at Amy Xia and didn't know what to say. Seeing that Sebastian Mu did not speak, Amy Xia struck the iron while it was hot, "The contract has been signed, and I hope that Mu always withdraws the accusation against Jenny!"

"Of course, what I have said will definitely be done. This matter, tomorrow Go to the company to talk in detail!" Sebastian Mu turned around and left. Talk to the company? Do you want to talk in detail? The contract has already been signed, so he can just withdraw the accusation against Jenny directly. What else to talk about? As everyone knows, this is just a tactic. However, when Amy Xia reflected, Sebastian Mu had already arrived in the car. The window of the car gradually slipped, revealing Sebastian Mu's handsome face.

“Get in the car!” Sebastian Mu said directly.

Amy Xia is not used to hearing his imperative tone now.

“What are you doing!?”

“Send you back!” Sebastian Mu said word by word, she was not safe at all when such a big thing happened today.

Amy Xia frowned, unexpectedly he said he wanted to take her home. Really strange!
“No, I just take a taxi and go home by myself!” Amy Xia said.

Sebastian Mu looked at her and frowned slightly.

Amy Xia didn't mean to get in the car for half a minute.

In the end, Sebastian Mu didn't say anything, and drove the car away.

Amy Xia was standing there, watching the car he drove away, and she was a little unhappy, but she didn't think much about it, and turned around and left. Hit a car and went straight back.

It's a little bit at home. To be honest, her head is still aching after that strong drink.

It could also be that when he came back from the car, he opened the window and blew his head.

After Amy Xia went back, she didn't even take a shower and fell asleep on the bed.

It was morning when I woke up. Still woken up on the phone.

Amy Xia touched the phone and put it directly to her ear.

“Hey...”

“Nelson Xia, did you promise Sebastian Mu something!?” Jenny asked over there.

After hearing the sound of a beep, Amy Xia became a little more sober, opened his eyes and asked, “What's wrong?”

“He withdrew the accusation against me!” Jenny said. Hearing this, Amy Xia's hanging heart was relieved, but he didn't expect Sebastian Mu to keep his promise.

“That's great!”

“Did you do something!?” Jenny asked suspiciously over there.

“No, it's just the case he gave me.

I have completed it.

I didn't expect him to be quite trustworthy!" Amy Xia said. Hearing this, Jenny was very excited, "Nelson Xia, I knew it was you, thank you, I love you so much!"

"In the morning, don't numb me!" Amy Xia looked at the time. When she saw the time, she was astonished.

"I'm not going to tell you anymore, I'm almost late, I have to go to work!"

"Ah? Oh, good!" Amy Xia hung up the phone without finishing the beep. Time was almost up, Amy Xia quickly got up to clean up, changed clothes, and went out in only ten minutes. When I arrived at the company, it was only a few minutes away. But after arriving, Amy Xia had a doubt. She has decided to resign, and she is afraid of being late! ?

Chapter 33 Qualifications

Thinking of this, Amy Xia was not afraid of anything, and boldly walked in. There is quite a pair of old women who are cows. What can you do? But after entering, she was surprised. There was a "pop".

It was the voice of Griphook.

Amy Xia was taken aback and turned to look at them, but at this time, the design department came to applause.

Amy Xia was a little confused, looking at them at a loss, "What happened?" At this moment, Coco walked up. He smiled and said, "Amy, you successfully signed the contract with Yuanshi Company, we all know it!" Everyone said with a smile. Hearing this, Amy Xia looked at them blankly, smiling awkwardly on her face.

"There is no way for so many of us.

I didn't expect you to sign in after only a few days, Amy, congratulations!" said ridiculously. Then the colleagues in the design department also looked at Amy Xia with a smile.

Amy Xia looked around. She couldn't do without intrigue in the workplace, but when she came here, she hadn't noticed it for the time being, and she also liked the environment here.

It was her ideal environment, but unfortunately, she could not continue to work here.

Amy Xia smiled, "Good luck!" Looking at them, I don't know what happened yesterday. Behind every success, there is a bloody price.

Amy Xia was pure luck yesterday, and he didn't expect to sign in, but fortunately Sebastian Mu went, if he didn't get results, it was really unthinkable.

"Amy, congratulations!"

"Congratulations? Congratulations what!?" Amy Xia asked back.

"Don't you know?"

"What!?"

"Mr. Mu said that anyone who signs a contract with Yuanshi Group can participate in the cutting-edge design competition provided by Italy!" Hearing this, Amy Xia was taken aback. She has also heard of this, but very few people can get a place for the competition. Did Sebastian Mu say that? ? ? Amy Xia was stunned.

"Amy, you are lucky. You just came here and you have this qualification.

Moreover, there are only two places. Not only that, but you can also be responsible for the design of the contract with Yuanshi Group!" Coco said with envy. Hearing this, Amy Xia also smiled, "I don't know!"

"This President Mu personally said it, now it's you!" Coco said.

Amy Xia didn't understand all this.

Is it before he came? At this moment, someone behind him yelled, "Amy Xia, Mr. Mu wants you to go to the office!" Upon hearing this, Amy Xia turned her head and nodded when she saw the visitor, "Okay, I'll be there right away!" So she turned around.

Looking at Cocoa and other colleagues, "Thank you for your encouragement and affirmation to me.

Actually, I am just a little lucky.

I will go to the office first and invite you to have afternoon tea in the afternoon!" Amy Xia.

I said this with modesty, and others would listen more comfortably.

Other colleagues smiled and nodded. So Amy Xia turned and went to the office.

Sebastian Mu was still sitting in his boss chair, wearing a shirt alone, setting off his sturdy body perfectly.

Amy Xia knocked on the door and walked directly in, "Mr. Mu, are you looking for me!?" Sebastian Mu nodded, "Sit down!" Looking at Sebastian Mu, Amy Xia hesitated and sat down opposite him.

At this time, Sebastian Mu directly took a copy of the document and placed it in front of her, "Look!"

Chapter 34

Amy Xia frowned, but still picked up the file in front of him and read it.

It is a table.

At this time, Amy Xia raised her eyes and looked at Sebastian Mu, "Is this?"

"The form for the cutting-edge competition, you fill it out as soon as possible and give it to me!" Sebastian Mu said.

It seems that what they said Cocoa is true.

After signing a contract with Yuan-style, you can qualify for the cutting-edge competition.

Amy Xia was taken aback for a moment. She knew that the cutting-edge competition held by Italy was the dream of many people, including her, but... She had already planned to resign. Hearing Amy Xia did not speak, Sebastian Mu raised his eyes and looked at her, "Is there any problem?"

"Mr. Mu, first of all thank you for keeping your promise and revoking the accusation against Jenny, but I still plan to resign!" Amy Xia said. Hearing this, Sebastian Mu frowned, "Reason!?"

"No reason!" Amy Xia said with certainty. Do you want to tell him that they were husband and wife before? Although nameless, but also divorced, so uncomfortable in a company? "Because of the last misunderstanding!?" Sebastian Mu asked back.

"No!" Amy Xia shook her head.

In short, Sebastian Mu felt that the woman in front of her was not only as simple as having private matters, it seemed that she had secrets.

And he is most interested in women with secrets! At this time, Sebastian Mu still looked very plain, "Miss Xia, I hope you will consider it well.

It is not easy to enter Chow. Besides, there is such a chance to participate in the competition, which no one can ask for. !" Speaking of this, Amy Xia frowned.

Indeed. To participate in this cutting-edge competition, how many people can't ask for it, it is also her long-time dream...

Is it really going to be missed this opportunity? Amy Xia hesitated.

And Sebastian Mu also saw that Amy Xia was hesitating.

After thinking for a while, I said, “I said, whoever has finalized the contract with Yuanshi, who owns this quota, if you really have personal matters to deal with, I can give you two days off and come back on time. Go to work, but if you really give up this opportunity and want to resign, I will definitely not stop, Yun Rui has no shortage of people!” Sebastian Mu said every word. Sometimes, letting go is also a means.

Amy Xia frowned upon hearing his words.

Sebastian Mu said this, but it made him unprepared.

Otherwise, she always felt that Sebastian Mu did this deliberately. What’s more, can she really pass her own dreams so freely? Amy Xia felt that if she missed this opportunity, she didn’t know how long she would have to wait. He glanced at Sebastian Mu in front of him, maybe, in his memory, she had no longer this “ex-wife”.

And why does she have to worry about it all the time? After thinking about it, Amy Xia said, “Okay, after filling out the form, I will hand it to Mr. Mu!” Amy Xia said. The implication. Hearing this, Sebastian Mu lowered his head, raised his eyebrows lazily, and smiled with confidence.

“Good!” Sebastian Mu said.

“If there is nothing wrong, I will go out first!” Sebastian Mu said.

“Wait a minute!”

“Anything else?” Amy Xia looked at Sebastian Mu and asked.

Sebastian Mu also looked at Amy Xia, wanting to say something, but for a moment he didn’t know what to say, and he was stunned and said, “It’s okay, go out!” Amy Xia also stunned slightly, feeling that Sebastian Mu is There was something to say, but he didn’t say, she didn’t ask, turned and walked out of his office.

Chapter 35 Workplace Rules

After returning from the office, Amy Xia took a deep sigh of relief. Hope this decision, she will not regret it.

After thinking about it, she still didn’t feel very safe. She dialed the dud phone and told her the matter again.

“You really decided!?” Jenny asked on the phone.

Amy Xia nodded, “Yes, maybe I thought about it too much before. For me, he had forgotten about it a long time ago. Therefore, I don’t want to be too unreasonable and worry about it, because of this, I will pass my dream!” Amy Xia said.

After hearing Amy Xia's words, Jenny nodded, "Nelson Xia, no matter what decision you make, I will support you.

Moreover, you are right.

Sebastian Mu has experienced too many women. How can he recognize him if he has a lot of social interaction? What's more, even if you recognize him, you are already divorced, what can he do!?" Jenny said.

"Yes, I think so too!" Amy Xia said.

After hearing Jenny's words, she was even more sure that her thoughts were not wrong. The tone is unfounded and worrying, but it is better to be at ease. Thinking of this, he took a deep breath again, and the stone hanging in his heart was also put down.

"No matter what, Xiaoxia, I will support you!" Jenny said in a particularly righteous way over there.

"Okay, I get it!" Amy Xia responded, and then hung up the phone. The stone in my heart finally landed.

In this case, it is better to work well.

Anyway, he has been divorced, he doesn't remember, why should she keep thinking, worrying, maybe, as long as she doesn't say it, this matter will never be known. Thinking about this, Amy Xia felt a lot more relaxed. So he turned and went back to work.

In the afternoon, Amy Xia bought snacks and drinks as she said, and invited everyone to drink.

Looking at the colleague in the design department, Amy Xia smiled and said, "This can be regarded as my intention to join the company.

I hope everyone will take care of it in the future!" She didn't use the contract as an issue.

One of them was the most taboo.

It is showing off in the eyes of others. So Amy Xia didn't say that, but she had to admit that she had nothing to say, and she also won the favor of many people.

After all, Amy Xia's strength should not be underestimated. Those who came back from abroad, at most, they have traveled abroad and exchanged some information, and some have not been there yet. So, in the afternoon, the design department was very lively. While everyone was eating and drinking, Coco leaned to Amy Xia's side, "Amy, how did you do it? It's not cheap by the boss!" Coco said worriedly. Hearing Cocoa's words, Amy Xia smiled and shook her head, "Of course not!"

“It’s amazing. How many people go there is a lot of money taken by Mr. He. How did you do it!?” Coco was very curious about what Amy Xia did. Did it. Therefore, Amy Xia briefly talked about the situation.

Of course, it was not mentioned that Sebastian Mu had been there. This matter can be ignored.

After hearing this, Coco admired Amy Xia even more, “You are so witty.

At that time, you could think of that way.

If you replaced me, I would have been scared to run away!” Listening to Cocoa’s words, Amy Xia smiled, “I was with them too. The company accidentally heard that Mr. He was afraid of his wife, so I remembered it at that time, otherwise the situation will be the same by then, scared away!” She knew that Amy Xia said modestly on purpose, but it still made it ridiculous.

“Then, why won’t you retaliate against you!?” Coco asked suddenly.
