

My Sassy President Novel

Chapter 36 – 40

Chapter 36

Hearing this, Amy Xia was stunned for a moment.

In fact, she didn't think so much at the time, just wanted to sign the contract quickly, and then asked Sebastian Mu to let Jenny go and leave. Did not consider the consequences at all.

At this time, Amy Xia remembered the scene of hiding with Sebastian Mu, and He was violent and ruthless outside. can you? Amy Xia didn't know.

At that moment, Amy Xia was taken aback for a moment.

"I heard that Mr. He is cruel, and the methods are very despicable.

If you do this, will he retaliate against you!?" Coco asked.

Amy Xia shook her head, "I don't know, I didn't think about this at the time!"

"This is just what I heard, and I don't know if it is true or false, but Amy, you still have to pay attention!" Coco ordered.

Amy Xia nodded and smiled, "Okay, I get it!" Ke Ke also smiled, and turned back to her job.

Amy Xia sat there and had to admit that what Coco said was reasonable, but I hope I won't take it! Although that He always looks a bit lustful, but he is not so careful! Thinking about this, Amy Xia thought for a while, forget it, the soldiers came to cover the water and earth, and walked first. Thinking of this, Amy Xia plunged into work. When she was about to get off work, Amy Xia received a call.

"Hey..."

"Amy, it's me!" Amy Xia was startled when she heard the voice inside, "Big Brother!?"

"It's me!" Sam Xia said.

Amy Xia was still a little surprised when she heard Sam Xia's call.

“Amy, are you back!?” Sam Xia asked directly.

“How do you know!?”

“It seems, as expected, why don’t you go home!?” Sam Xia asked sternly.

“I...”

“You are there now, I’ll find you right away!” Sam Xia said.

“I’ll get off work right away!”

“I’ll pick you up, where are you going to work!?” Sam Xia asked Amy Xia how to let him know that she was there.

“No need, see you in our old place!” Amy Xia said.

“Okay!”

“By the way, don’t tell Dad, Mom!” Amy Xia said. Hearing this, Sam Xia was taken aback for a while, and still agreed, “Okay, I get it!” So, after hanging up the phone, Amy Xia quickly packed up and left.

Old place.

After Amy Xia arrived, Sam Xia had arrived long ago. He sat inside in a suit, and when Amy Xia arrived, he walked in directly.

“Big Brother!” Amy Xia yelled softly when he arrived in front of Sam Xia.

Sam Xia was taken aback, looking at the person in front of him, she couldn’t believe it.

Amy Xia smiled and sat opposite him, “Why, my eldest brother doesn’t recognize me anymore?” Listening to Amy Xia’s voice, Sam Xia was sure that he didn’t see the wrong person.

“Amy, you are different!”

“Where is it different?” Amy Xia looked at Sam Xia with a smile, and Sam Xia was stunned by the cuteness in that smile.

“Being pretty!” Sam Xia said truthfully.

Listening to Sam Xia’s words, Amy Xia smiled.

At this moment, the waiter came over and said, “Do you two want to order something?”

“A cup of Mocha, a cup of Blue Mountain!” Amy Xia hadn’t even spoken yet, Sam Xia had already ordered Amy Xia.

Amy Xia smiled, "Big brother still remembers what coffee I like to drink!"

"Of course, as long as you like it, big brother will remember it!" Sam Xia said.

Chapter 37

After hearing Sam Xia's words, Amy Xia smiled, "By the way, how are parents doing!?" Amy Xia asked.

"They are in good health!" Sam Xia said, then looked at Amy Xia, "Why don't you go back when you are back?" Speaking of this, Amy Xia was silent for a moment.

"Are you still angry about what happened back then?" Sam Xia looked at her and asked. Speaking of this, Amy Xia looked up at him, shook her head, "No, I have my reasons, I don't want to go back for the time being!" Amy Xia is a stubborn person, no one can do anything about it. They grew up together, how could Sam Xia not know? Therefore, he did not want to force her.

At this time, Amy Xia looked at him, "By the way, how is the company!?" Sam Xia nodded, "Well, everything is fine at the company!"

"Sebastian Mu didn't make things difficult for the company!?" Amy Xia asked.

Sam Xia nodded, "No!" Speaking of this, Amy Xia breathed a sigh of relief. He didn't expect Sebastian Mu to keep his promise.

"Amy Xia, go back with me, parents will be very happy to know you are back!" Sam Xia said.

"Brother, there are reasons why I don't go back. When it's time to go back, I will definitely go back!" Amy Xia said very persistently. Said to this point, Sam Xia continued, afraid of hurting feelings.

"Well then, I won't force you!"

"Then you have to help me keep the secret, don't let my parents know!" Amy Xia said. Seeing Amy Xia's appearance, Sam Xia could only nod her head, "I know!"

"Big Brother, you believe me, I did this for the good of the family!" Amy Xia looked at Sam Xia and said. Seeing Amy Xia's seriousness, Sam Xia could only nod her head, "Okay, I know, but you must let me know if you have anything, you can't hide it from me!" Sam Xia said.

Listening to Sam Xia's words, Amy Xia smiled and nodded, "Okay!" Amy Xia agreed, and Sam Xia also relaxed a little.

At this time, two cups of coffee were delivered.

After the waiter stepped back, Amy Xia stirred the coffee and asked casually, "By the way, where are you working now!?" Sam Xia asked casually. Speaking of this, Amy Xia was taken aback, knowing that it would not be long before she thought about it, and thought about it, "Yun Rui!" Upon hearing this, Sam Xia suddenly raised her head and looked at her, "Isn't that Sebastian Mu's company?"

"Yeah!" Amy Xia nodded.

"You walked with him again!?" Sam Xia asked unhappy.

Amy Xia shook her head, "No, he didn't recognize me, I didn't know it was me!" Amy Xia said.

"What do you mean!?" Sam Xia asked.

"In his impression, there is nothing like me, "ex-wife", so brother, don't worry!" Amy Xia said. Hearing this, Sam Xia was taken aback again, and looked at Amy Xia in disbelief. That's right, the current Amy Xia and her married into Mu's family are two people. However, to the point of not recognizing it, one should imagine how difficult Amy Xia was in the Mu family before.

"He really has no impression of you at all!?" Sam Xia asked Amy Xia worriedly and nodded, "I also hit his company by mistake. He really has no impression of me, so you don't worry!" Amy Xia said. Hearing this, Sam Xia nodded, her eyes frowned, but there were other thoughts in her heart...

Chapter 38

Did Sebastian Mu really recognize it? Why is he absolutely so upset? Their divorce two years ago was a good start. Now, he will not let Amy Xia be with Sebastian Mu anyway! Absolutely not! Even if his family went bankrupt, he would not hesitate! Seeing Sam Xia not speaking, Amy Xia looked at him, "Big Brother, what are you thinking!?" Sam Xia returned to his senses, looked at Amy Xia, and smiled, "It's okay, I'm thinking about asking you what to eat, how about it, thinking What to eat, big brother, please!" Sam Xia said gently. Speaking of this, Amy Xia is not polite, and thinks about it, "I heard that a new sushi restaurant has been opened recently, and I want to try it!"

"Okay, just go eat sushi!" Nonsense, get up, pick up your jacket and leave.

Amy Xia also got up, and the two walked outside.

I haven't seen each other for a long time, and the two of them don't have the slightest sense of strangeness. But there is a kind of fate in the world, which is called Wujiao not a book.

As soon as Sebastian Mu brought Ling Xiaoyun here, he saw Amy Xia and Sam Xia walking out of the coffee shop. The two people were talking and laughing, which made people envious.

Ling Xiaoyun was saying this to Sebastian Mu, and he saw them sharply.

Most importantly, Ling Xiaoyun saw Amy Xia, that woman was the thorn in his heart! "Isn't that a woman?" As he said, Ling Xiaoyun looked at the people next to Amy Xia, "That is Sam Xia, the president of Xia Shi Group. How can they be together? Are they boyfriend and girlfriend?" Ling Xiaoyun was very deliberate. That said, it was deliberately told to Sebastian Mu. Because she always felt that Sebastian Mu looked at Amy Xia's eyes very differently.

Let her inexplicably disturbed.

It just happened to meet such a scene, how could she not "remind" it well.

In fact, Sebastian Mu could see clearly without her.

Isn't Amy Xia just returning home? I found my boyfriend so soon! ! Moreover, it is Sam Xia! Thinking about it, Sebastian Mu smiled coldly in his heart, focusing on the two people outside.

And outside Amy Xia, smiling like a flower, and her small body walking side by side with Sam Xia, so they complement each other, and they look so mismatched.

"Why do you suddenly think of eating sushi?" Sam Xia asked.

"I heard from my colleague that it's delicious, so I want to try it!"

"Okay, just go eat sushi!" Then, Sam Xia picked up the phone and said, "Hey, sushi restaurant, help me find a place, right away To..." With that, Sam Xia thoughtfully helped Amy Xia open the door, Amy Xia smiled and sat in.

Sam Xia also hung up the phone, walked around, opened the door and sat in, then drove the car away.

Sebastian Mu and Ling Xiaoyun sat in the car and watched the scene.

After watching the scene, Ling Xiaoyun smiled, "It seems that their relationship is unusual!"

"I didn't expect Amy Xia to be quite capable, just came back. Just hang up the little K of the Xia Shi Group!" In a word, Amy Xia was so unbearable.

Sebastian Mu was sitting there, with his hands on the steering wheel, a sneered sneered at the corner of his mouth, "What is it to hang on Sam Xia? It's a skill to hang on me!"

Chapter 39 Is it a coincidence?

Hearing this, Ling Xiaoyun was taken aback, turned his head and looked at Sebastian Mu, "Sedum, you..." Seeing Ling Xiaoyun nervous, Sebastian Mu smiled evilly, "What's wrong? Are you nervous?" "Are you joking?" Ling Xiaoyun looked at him nervously and said, yes, she was nervous, very nervous.

Originally, Amy Xia's appearance made her feel very uncomfortable. Now, Sebastian Mu's words have struck a bell in her heart, making her nervous and not afraid. Seeing Ling Xiaoyun nervous, Sebastian Mu smiled, "Of course, of course it was a joke!" Although Sebastian Mu said so, why Amy Xia felt that he was not joking... What else Ling Xiaoyun wanted to say At the time, Sebastian Mu said, "How about? Let's try the sushi bar too. The new restaurant is good.

"I heard that it is good..." Ling Xiaoyun sat in the passenger seat and looked at Sebastian Mu. This kind of fear, she was about to lose Sebastian Mu... Before she could answer, Sebastian Mu had already drove away...

After arriving at the sushi restaurant, Amy Xia and Sam Xia walked in, determined the location in advance, and the two of them walked inside. .

"By the way, brother, how do you know I'm back?" Amy Xia asked.

Sam Xia was taken aback, "What's wrong? Suddenly asked this, don't you want your eldest brother to know?"

"No, just curious, how would you know..." Then, she suddenly looked at Sam Xia and said, "Jenny said!?" The three of them grew up together, and only Jenny knew about her return, and she also knew that Jenny had a good relationship with Sam Xia.

After Amy Xia's words were finished, Sam Xia didn't say anything, which was equivalent to acquiescence.

In fact, Sam Xia can completely deny it. He can say the past with any excuse, but he doesn't want to lie to Amy Xia.

In this world, the only person he didn't want to lie was Amy Xia.

"I knew it was her!" Amy Xia said.

"Don't blame her, I called her and she accidentally leaked!" Sam Xia said.

Amy Xia smiled, "I didn't blame her, brother, what are you nervous about!"

"Where is it!"

"Obviously!" After that, Amy Xia smiled, and then looked at Sam Xia, "Big brother, to be honest, toot She is very nice.

If she is a sister-in-law, I would be very happy!" With that bright face in front of him, Sam Xia was in a trance for a moment, and then he looked away.

“Big Brother treats you the same way to Jenny!”

“Good!” Amy Xia didn’t reluctantly. When feelings come, no one can stop them. When it doesn’t come, no matter how hard you try, it’s useless.

At this point, Amy Xia thought clearly. However, in her opinion, Jenny and Big Brother really match. However, it is still up to them to work out the emotional matters slowly.

“Well, don’t think about it!” Sam Xia said.

Amy Xia smiled, “I see!”

“President Xia!” As they were talking and laughing, a cold and magnetic thing sounded above their heads. When she heard this voice, Amy Xia couldn’t help feeling a chill behind her back. This voice, besides Sebastian Mu, who else? Sam Xia sat facing Sebastian Mu, and when she saw him, she was taken aback.

Chapter 40

Why is he here? At this time, his eyes swept one side of Amy Xia inadvertently, and after remembering Amy Xia’s words, he pretended to stand up calmly.

“Mr. Mu, why are you here!?”

“You can be here, of course you are eating!” After speaking, Sebastian Mu’s eyes looked at Amy Xia, “Miss Xia is here, what a coincidence!” What a coincidence? Is it really a coincidence? Ling Xiaoyun looked at Sebastian Mu behind him, and was stunned when he heard what he said. There was a kind of panic in my heart. he’s changed! After this Amy Xia appeared, he changed! After hearing Sebastian Mu’s words, Amy Xia also stood up, and when he saw him, a forced smile appeared at the corner of his mouth, “Mr. Mu, it’s a coincidence, I can meet him here!” He is really everywhere.

Ah, Amy Xia sighed in her heart! Does Sebastian Mu also like sushi? Or does Ling Xiaoyun like it? Amy Xia just smiled faintly, did not say much, and just kept any thoughts in her heart.

At this time, Sebastian Mu looked at Sam Xia, “I didn’t expect you two to know each other!” Sam Xia smiled, “I didn’t expect to meet Mr. Mu here!” Seeing them chatting, Ling Xiaoyun couldn’t help but speak. President Xia, are you boyfriend and girlfriend with Miss Xia? You look very good!” When Ling Xiaoyun spoke, all of them were taken aback.

Sebastian Mu didn’t mean to blame, because he was also very curious about the relationship between them.

Amy Xia looked at Ling Xiaoyun, and her eyes were hostile every time she saw her. She was just about to say something, when Sam Xia stretched out her hand to hold Amy Xia, pulled her to her side, smiled, “Really? Miss Tuoling’s words!” Amy Xia stood there,

although she didn't know what happened to Amy Xia I thought, but Sam Xia's words have already made Ling Xiaoyun and Sebastian Mu mistakenly believe that they are boyfriend and girlfriend. That being the case, she didn't tear down the stage, just stood there and smiled faintly.

Ling Xiaoyun breathed a sigh of relief when Sam Xia said this. However, Sebastian Mu's face was not very good.

At this time, Ling Xiaoyun took Sebastian Mu's arm with his hand, "Okay, let's not disturb others, I'm so hungry, can we go to eat?" Ling Xiaoyun said coquettishly.

At this moment, Sebastian Mu looked at Ling Xiaoyun, and finally had to agree, "Yeah!"

"Then we won't bother you two!" With that, Ling Xiaoyun looked at Amy Xia, his provocative eyes flashed away.

Immediately holding Sebastian Mu to leave.

At this moment, Sebastian Mu suddenly remembered something and looked back at Sam Xia, "By the way, President Xia, I don't know how your sister is doing!?" No one expected that Sebastian Mu would suddenly ask such a sentence.

Amy Xia stood there, her body startled. Which set does Sebastian Mu play again? But she didn't dare to be very nervous.

Looking at Sebastian Mu, Sebastian Mu's eyes swept over her as if nothing.

Sam Xia seemed calm, standing there, the corners of her mouth raised, "Lao Mu always struggled, she is now!" Seeing Sam Xia's nervousness, Sebastian Mu raised his eyebrows lazily, "That's good, I won't Excuse me, my brother-in-law..." After speaking, Sebastian Mu's mouth curled up in satisfaction and turned and left.
