

My Sassy President Novel

Chapter 41 – 45

Chapter 41

This time, the person who was stunned was Ling Xiaoyun! brother in law! ? Could it be that the woman Sebastian Mu married before was Sam Xia's...sister? When she reflected, Sebastian Mu had already walked ahead, and she quickly followed suit. When eating, she was absent-minded.

Sebastian Mu doesn't like sushi. Relatively speaking, he prefers Western food.

It's just that today, eating sushi, he has no emotion at all.

Ling Xiaoyun looked at Sebastian Mu, before shaking his mind for a long time, "Sebastian, your ex-wife is Sam Xia's younger sister!?" Hearing Ling Xiaoyun's words, Sebastian Mu raised his eyes and looked at her, "Well, what's wrong?" Seeing Sebastian Mu look indifferent, as if she herself was suspicious, "It's okay, just ask, I didn't expect such a coincidence!" Speaking of this, Sebastian Mu sneered at the corner of her mouth.

At this time, in her mind Recall again the first time I saw that woman. Wearing black work clothes, with curled hair, one eye, and expressionless, she looks like a typical old woman. What made him even more boring was that when she saw him, she either didn't look at him, or she hung her head and said nothing.

After seeing her once, he never wanted to see her again, and even if he did, he wouldn't take another look.

It is strange to say that for so many years, there are some things that should be forgotten, but the image of her is lingering in his mind. Thinking of this, I was a little irritable, "Don't mention that boring woman!" Sebastian Mu said displeased.

If it wasn't just to stimulate Sam Xia, I'm afraid he would have forgotten that he still has an "ex-wife".

Looking at Sebastian Mu's appearance, Ling Xiaoyun also knew that Sebastian Mu's ex-wife was a very old-fashioned, ugly, and uninteresting woman. Even after they were married for two years, Sebastian Mu did not touch her. Thinking of this, Ling Xiaoyun was relieved a lot.

Amy Xia is the one who makes her worry. Thinking of this, Ling Xiaoyun looked at Sebastian Mu, "By the way, Sebastian, how about the contract you let Amy Xia sign?" Speaking of this, Sebastian Mu raised his eyes and glanced at her, "Don't you know?" In

a word, Ling Xiaoyun's heart shook, "Sedum, what do you mean?" Ling Xiaoyun smiled awkwardly. Did he know that she had arranged someone in the company? Or? What did Amy Xia say when she went to him? That must be the case. Thinking of this, Ling Xiaoyun hated Amy Xia even more.

"It's not interesting, the contract was signed, and now this case falls on her!" Sebastian Mu said lazily. Signed? Hearing this, Ling Xiaoyun frowned. For so many years, there are really not many women who can sign contracts from Mr. He.

Amy Xia actually succeeded? In other words, can't fix her? Hearing this, Ling Xiaoyun didn't feel reconciled anyhow. He didn't expect that she wouldn't be able to fix it, and that case fell on her too! Ling Xiaoyun's face looked even worse. Sometimes, you don't need a reason or reason to hate someone.

It only takes a glance to know that she is your biggest rival.

It is a pity that Amy Xia did not regard Ling Xiaoyun as a strong enemy at all! She is really not interested in competing with her for a man like Sebastian Mu, she can't wait to get away a little further now!

Chapter 42 The Fire of Jealousy

But Ling Xiaoyun didn't think so.

It was the appearance of Amy Xia that stirred Sebastian Mu's emotions and made her feel very uneasy. Thinking of this, Ling Xiaoyun secretly made a decision.

And Amy Xia over there is very Sam Xia.

After Sebastian Mu and Ling Xiaoyun went aside, the two people relaxed a little.

"Brother, if you say this, you will misunderstand Sebastian Mu!" Amy Xia looked at Sam Xia and said.

Listening to Amy Xia's words, Sam Xia looked at him, "Are you afraid he will misunderstand!?"

"It's not like that...I think Sebastian Mu's words and actions will not be so simple!" Amy Xia said, the current Sebastian Mu is better than It used to be much more mysterious, and I am no longer the arrogant and willful person.

"Big Brother said that to protect you!" Sam Xia said confidently. Hearing this, Amy Xia blinked her eyes, "What do you mean!?"

"Nothing!" Sam Xia ended the topic, and then looked at Amy Xia, "Anyway, Amy, you remember, the big brother will protect you in the future, like two years What happened

before will never happen again!" Amy Xia looked at Amy Xia's assurance that he would take a meal.

In any case, it is a very happy and contented thing to have the protection and care of relatives.

Amy Xia smiled and nodded, saying nothing more.

In two years abroad, she has become very independent, even if she has any ideas, she will only keep it in her heart.

At this time, Sam Xia looked at Amy Xia, "Amy, listen to me, resign, come to our company, how about helping big brother? You are in Chow, and he will know about you sooner or later!" Moreover, Amy Xia has already followed before.

It was completely different, he could feel that Sebastian Mu's eyes looked different at her.

"Now that I have a job, I can't just quit!" Amy Xia said.

"But, if Sebastian Mu finds out, he will definitely not let you go!" Sam Xia said worriedly. When Amy Xia heard this, Amy Xia smiled, "I divorced him. This is a fact, even if I know it, what can I do?" Amy Xia, who was blocked, didn't know what to say.

It would be great if things were really that simple.

If it hadn't been the way Sebastian Mu looked at Amy Xia just now, he wouldn't have been so worried. Now, from the perspective of a man, he could also see that Sebastian Mu was very interested in Amy Xia.

And that Ling Xiaoyun was not even more annoying.

Amy Xia is so kind, how could he be their opponent! ? However, since childhood, Amy Xia had special thoughts and attention. He couldn't force her to do anything. He could only nod his head, "Well, no matter what, if you have anything, please call me as soon as possible!"

"Yeah!" Amy Xia nodded, "Brother, don't worry, I will definitely go back when my business is done!" Amy Xia said.

"Yeah!" Sam Xia also nodded. Therefore, the next two people did not talk about this matter again.

After all, Sebastian Mu was also there, and it was not easy to talk. When eating, Amy Xia was very fragrant, and she was very happy and relaxed when she talked about family affairs.

At this time, Sam Xia saw that the corners of her mouth were all she was eating, smiled, and stretched out her hand, "It's all so big, and she's still so careless when she eats!" As he said, he stretched out his hand to help Amy Xia remove the corner of her mouth. thing.

Amy Xia smiled and continued to eat. This action, from a certain direction, is very intimate.

Although they couldn't hear what they were saying, that action caused some people who watched to burn with sparks in their eyes...

Chapter 43-Intentional Elements

After eating with Sam Xia, the two of them will leave. This is, Sam Xia went to Sebastian Mu and Ling Xiaoyun.

"Mr. Mu, eat slowly, we are leaving now!" Sam Xia said.

Sebastian Mu sat there, even if he was sitting, there was a natural aura, domineering, that people could not ignore.

"Okay!" Sebastian Mu didn't get up, but closed his eyes and said in response.

At this time, Ling Xiaoyun turned around and looked at them, "Ms.

Xia, are you going to send Miss Xia back?" Speaking of this, Sam Xia looked back at Amy Xia and nodded, "Yes!" Speaking of this, the corner of Ling Xiaoyun's mouth turned up. , There was a trace of ambiguity in his eyes, "Then I won't delay the two of you, be careful on the road!"

"Thank you!" Gentleman Sam Xia said, then looked at Amy Xia, "Go!" Amy Xia nodded, so he just nodded. To go.

"By the way, Miss Xia!" At this moment, Sebastian Mu said casually. Hearing this, Amy Xia still paused, "What's the matter? Mr. Mu!?"

"Regarding the contract signed with Yuanshi Group, I want to see your detailed design book tomorrow morning!"

"Tomorrow!?" Amy Xia frowned.

"Yes!" Why does Amy Xia feel that he did it on purpose? To drive her out overnight is purely punishing her! But what can she say, "I will try my best!"

"What I want is not as much as possible, it must be!" Sebastian Mu said every word.

Amy Xia said, "...Okay, I get it!" Gritting his teeth, she agreed. So, Sebastian Mu didn't say anything, Amy Xia turned and left, Sam Xia also glanced at Sebastian Mu, turned and followed out. What Sebastian Mu said just now, he understood very clearly. However, he doesn't care about this, and the one with the worst expression right now is probably Ling Xiaoyun! After they walked out, Ling Xiaoyun looked at Sebastian Mu, always feeling that he had a deliberate element in it, did she think too much? After Sam Xia sent Amy Xia back, Amy Xia looked at him, "Brother, it's already late, I won't invite you up!" Sam Xia sat in the car with a smile on the corner of her mouth, "Okay, I'll see you another day. You should rest early too!"

"Yeah!" Amy Xia nodded and got out of the car.

"Go up!" Sam Xia said.

Amy Xia was not polite, waved her hand, and went upstairs. Seeing Amy Xia's figure disappear from his sight, Sam Xia drove away.

As soon as Amy Xia arrived home and changed her shoes, the phone rang immediately.

Looking at the number, Amy Xia's mouth twitched and pressed the answer button.

"Nelson Xia, I'm sorry..." As soon as the call was connected, there was a beeping roar over the phone.

Amy Xia smiled and endured, "I'm sorry there?"

"Your eldest brother called me today, and I accidentally leaked, saying that you are back, I really didn't mean it!" Jenny explained quickly, with a tone Some spoiled ingredients.

"You know that I went out with my eldest brother, so call me as soon as I get home!" Amy Xia said, and then fell on the sofa.

"Sure enough, I can't hide anything from you!" Jenny admitted.

"Only you, I don't know how careful you are!"

"It's really not intentional..."

"Well, for the sake of your plea, forgive you!"

"I knew you wouldn't Blame me!"

"Don't be glib, eat less!"

"Okay, please!" Jenny said boldly. Hearing this, Amy Xia smiled, "Well, I won't tell you anymore, I still have a job, so I'll hang up first!"

Chapter 44

“It’s so late, why are you still working?”

“The contract was signed successfully, and the implementation fell on me.

Sebastian Mu asked me to hand in the design book tomorrow morning!” Amy Xia sat cross-legged on the carpet and opened it. contract.

“Damn, he did it on purpose!” Jenny said over there.

“How do you know!?” Jenny, “...”

“It’s so soulless!”

“Agree!” Jenny, “...” After voicing, Jenny was taken aback for a while and said, “Sorry Xiaoxia , I am the one who caused you!” Jenny said over the phone.

If it weren’t for Amy Xia, I’m afraid she would really have a lawsuit.

Although Sebastian Mu deliberately framed her, she was the one who caused Amy Xia.

“It’s okay, don’t pretend to be sensational, invite me to dinner another day, I’m going to work!”

“Hahaha, well, let’s hang up first!”

“Yeah!” So he hung up the phone.

After the phone was thrown on the table, Amy Xia looked at the contract in front of him.

After reading it for a while, she decided to wash her first and then remove her makeup. Thinking about it, Amy Xia got up and walked towards the bathroom. Half an hour later, Amy Xia finished washing, changed her pajamas and walked out, poured a glass of red wine, sat on the carpet, and decided to start fixing it. The hair is casually pinned to the back of his head, with a black frame on his face, which looks very casual and comfortable. Such Amy Xia is beautiful. Even though it was a plain face, it was a white oval face, still very beautiful, with long and thick eyelashes covering it.

It can be seen that Amy Xia at work has an indescribable charm. Her life is very modern, casual, casual, and free. This is also the temperament of Amy Xia these two years.

After leaving Mu’s house, her life got better and better.

As soon as I got up to work, two hours passed.

At this moment, Amy Xia's cell phone rang. Usually at this time, very few people call her, except Jenny.

Moreover, picking up the mobile phone, it was an unfamiliar number.

After hesitating, Amy Xia answered it.

"Hello, hello!" Amy Xia said.

On the phone, "...". Seeing that there was no sound, Amy Xia frowned, "Hey, hello, who is it!?"

"It's me!" When Sebastian Mu's voice rang, Amy Xia wanted to hear it.

It didn't come out, but this voice surrounded him like a magic sound.

"Why do you have my mobile phone number!?" This was Amy Xia's first reaction.

"I'm the boss, is it weird to have my employee's mobile phone number?" Sebastian Mu asked back.

Amy Xia, "...". Indeed.

Amy Xia was not entangled with this, and said, "Is there anything going on so late?"

"It's okay, it just depends on how your work is going!"

"I'm doing it!"

"Own!?"

"Yes!" Amy Xia almost blurted out, and then asked, "What's the matter?" Hearing this, Sebastian Mu was stunned for a moment, and his mood improved a lot, "It's okay, then you continue to do it, if you can't finish it, do it tomorrow!"

"Don't you want to see it tomorrow morning?" Amy Xia asked with a frown.

"Just now Yuanshi Group called. You can postpone it for a few days, so you still have time!" Sebastian Mu said.

Amy Xia, "...". Should she be thankful? How could she feel that Sebastian Mu was deliberate?

Chapter 45 Marital Status

But Sebastian Mu said so, what else Amy Xia said, closed the information and went to sleep.

On the other side, Sebastian Mu was sitting in the car, and after hanging up the phone, the corners of his mouth couldn't help but curl up.

After they left, Sebastian Mu sent Ling Xiaoyun back.

Although she hinted a lot and wanted to be with him tonight, Sebastian Mu still refused. There is only one scene in my mind. What is the relationship between Amy Xia and Sam Xia? Is it really a couple relationship? Sam Xia looked at Amy Xia's eyes very differently! Thinking of this, Sebastian Mu was a little unhappy, and Amy Xia's eyes were really not good. The next day. When Amy Xia arrived at the company, he was called into the office by Sebastian Mu.

Amy Xia frowned, although she was very dissatisfied with Sebastian Mu, but who made her boss the boss? She had to go again. When he arrived at his office, Amy Xia knocked on the door, "Mr. Mu, are you looking for me?"

"Come in!" Hearing Amy Xia's voice, Sebastian Mu called her in.

Amy Xia could only walk in, "Is there anything to do with me?"

"How is the work going!?" Amy Xia, "...Didn't Mr. Mu call yesterday to say that he is not in a hurry?"

"Well, no hurry, fill in the form Are you okay?" Sebastian Mu asked. form! ? Amy Xia remembered instantly that she was going to participate in a cutting-edge design competition.

"I, I haven't filled it yet!" Sebastian Mu looked up at her helplessly, then looked at his watch, "You still have half an hour, and half an hour later, the quota will be void!"

"I will immediately Go fill it up!" Amy Xia said immediately. Staying in Chow is for the cutting-edge competition.

If she missed it, what is the point of her staying? "Yeah!" Sebastian Mu nodded.

Amy Xia thought that he was going to make some problems to make her difficult, but she didn't expect that this time it was not. She was a little surprised! But no matter what, just fill out the form first! The form was easy to fill, and it took only a few minutes to complete. There was only one column, and she hesitated for ten minutes. .

Amy Xia is now divorced. Do you want to fill in this way? Why is she afraid that Sebastian Mu would know? Amy Xia hesitated.

Isn't it just taking part in a design? There are so many more questions! ! ! Amy Xia is going crazy! Seeing that the time was about to pass, Amy Xia didn't care about that much, and after filling it out, she walked towards Sebastian Mu's office.

"Mr. Mu, fill it out!" Amy Xia said, and then passed it up.

Amy Xia was still a little nervous when handing it up. Seeing Sebastian Mu just about to look, Amy Xia felt that her heart was about to jump to her throat.

At this moment, the door looked at the door and the secretary pushed the door in.

"Mr. Mu, the cutting-edge representative has arrived!" Sebastian Mu raised his eyes, "Okay, I know, you first let them go to the VIP room, I'll be there soon.

"Yes!"

"By the way, give this to them!" With that, Sebastian Mu handed the form filled out by Amy Xia to the secretary. The secretary took it, nodded, and went out.

Amy Xia instantly felt her hanging heart, letting go.

A false alarm. She really thought she was torturing herself. Stay here and scare yourself all day long.

"Mr. Mu, it's nothing, I'm going out first!"

"Wait!" Sebastian Mu said suddenly.

"Anything else?"

"Come with me to meet them!"

"Ah!?" Amy Xia was still stunned.
