Chapter 61 – 65

Chapter 61 Pay the Price

so what? Hearing this, Ling Xiaoyun smiled coldly, “He sent you back, none of you got off the car, don’t think I don’t know what happened, Amy Xia, I warn you, it’s better to stay away from Sebastian Mu, otherwise, I’m right. You are welcome!” Ling Xiaoyun looked at Amy Xia and roared. You are welcome? Hearing this, Amy Xia also sneered, but she was a little angry when she saw it.

“Ling Xiaoyun, I don’t know what you saw, but please don’t think of me as your imaginary enemy.

I have no interest in Sebastian Mu.

I said that if you are not interested in you, others will like it!” , I have suffered this slap, but the next time, I won’t be polite!” Amy Xia said while watching her.

Ling Xiaoyun looked at her, “It seems that you really don’t give up!” Amy Xia did not speak any more, she felt that she had already said very clearly.

At this time, Ling Xiaoyun looked at her, “Amy Xia, you will do this!” With that, Ling Xiaoyun turned around and left.

Amy Xia stood at the door of the apartment, looking at Ling Xiaoyun’s angrily back, got in the car and left.

And she just smiled mockingly, and turned back to the apartment. This world is always so small and so coincidental.

After returning home, Amy Xia removed her makeup and rinsed briefly.

Looking at herself in the mirror, she had a palm print and slightly frowned her eyebrows, which was really cruel.

After wiping things, Amy Xia went directly to bed to rest. Before, she could fall asleep well, but tonight, Amy Xia was lying on the bed, tossing and turning, she couldn’t sleep anymore, closing her eyes was the picture of Sebastian Mu in the car, and he came in a little bit... There, Amy Xia opened her eyes suddenly.

Looking at the ceiling, Amy Xia felt like she was sweating all over. Damn it! It's crazy! Helpless, Amy Xia got up, poured a glass of red wine, stood on the balcony and drank, looking at the night, what Ling Xiaoyun said in her mind.

After thinking about it for a long time, she made up her mind, and after the match, she left Yun Rui. She really didn't want to join them. What's more, she didn't want Sebastian Mu to ring her. Thinking about this, Amy Xia took a breath, put the cup on the table beside the bed, and fell asleep on the bed. This sleep is the next day.

Amy Xia woke up and went directly to the company. The strangeness can still be seen on her face. Even though she put on a light makeup, she still can see a little swelling.

Amy Xia didn't care and went directly to the company.

After arriving at the company, all kinds of morning meetings, about the game, about the cooperation with Yuanshi, are now all on Amy Xia.

Indeed, Amy Xia was a bit busy. When Sebastian Mu walked into the meeting room, everyone was already seated.

Sebastian Mu looked at Amy Xia on one side and noticed that her face was a little different, but he didn't say anything because of the meeting. Just looking at Coco there, "Now Amy Xia has two jobs at hand, Coco, you will deal with Yuanshi's affairs with her now!" Coco nodded, "Okay, I get it!" So sharing the burden, Amy Xia has nothing. So tired.

Amy Xia also agreed, so she would have time to concentrate on the game.

As a result, the meeting took more than half an hour to end. Just after the end, Sebastian Mu stood up and said, "Amy Xia, you come to the office with me.

I will talk to you about the details of the game!"

"Yes!" Amy Xia nodded, so he followed Sebastian Mu to the office. The others, after the meeting, returned to their posts.

Chapter 62-Infinite Inspiration

When he arrived at Sebastian Mu's office, Sebastian Mu walked around the table and sat in his exclusive seat.

"Mr. Mu, do you have anything to do with me?" Amy Xia asked directly after entering.

Sebastian Mu sat there, raised his eyes. Just when he was about to say something, he noticed that Amy Xia's face was not right, frowned, "What's wrong with your face?" Hearing Sebastian Mu's words, Amy Xia did not dodge, "Nothing, just I was accidentally caught by a madman yesterday!" A madman? Sebastian Mu looked at Amy Xia, and could hear the taunt in her words.

“When do you suffer?” Sebastian Mu said. These are not gifts from Sebastian Mu.

If it were not for him, how could Ling Xiaoyun rush up like a madman and beat her without asking anything! “Do I want to be as knowledgeable as a lunatic?” Amy Xia asked back.

Amy Xia’s mouth is always so powerful.

Sebastian Mu raised his eyes and glanced at her, “Don’t let yourself suffer, is the best way!”

“I will remember Mr. Mu’s words.

If there is another time, I will never forget it!” Why , Sebastian Mu always feels how much of this is aimed at him? There was no chance to ask any more, Amy Xia said again, “Mr. Mu, what do you want to do with me?” Returning to this topic again, Sebastian Mu did not continue to entangle himself, and said, “The time for the game is already It’s confirmed!” Speaking of this, Amy Xia raised her eyebrows, “When?”

“This Saturday!”

“There are five days left!?” Amy Xia asked.

Sebastian Mu nodded, “Yes, within five days, the design drawings must be handed in!” Amy Xia thought for a while, then nodded, “Okay, I get it!”

“Don’t be too nervous, just try your best!” Sebastian Mu said , I don’t want to put pressure on her.

After hearing this, Amy Xia smiled.

It is rare that Sebastian Mu is so considerate of his subordinates, “I know!” Amy Xia smiled faintly.

“If you don’t understand, just ask me!” Ask him? Does he know design too? Amy Xia pondered in her heart.

At this moment, I saw Sebastian Mu lifted his eyes and smiled, jokingly, “At least, I can give you unlimited inspiration and motivation...” Seeing Sebastian Mu’s smile, her mind once again appeared in the car yesterday. Picture.

Amy Xia said immediately, “Mr. Mu, if it’s okay, I will go out first!” Without giving Sebastian Mu a chance to speak again, she turned and left. Seeing Amy Xia’s appearance, Sebastian Mu couldn’t help but smile.

I’m afraid he doesn’t even know how natural his smile is...

At this moment, when Amy Xia had just left, Sebastian Mu suddenly remembered something, picked up the phone on the table, and dialed the inside line.

“Hey, go and buy me ointment from the pharmacy!”

“Well, yes!”

“Send it to my office later!” After finishing speaking, he hung up the phone, imagining the scene just now, Sebastian Mu’s mouth turned off Hook, and then began to work...

And Amy Xia, after going out, began to design, but the words that Nis said kept circling in her mind.

Only a design with a story can resonate... However, she is a person who only has experience, not a story. The only thing that adds to her is the man Sebastian Mu! But there was no crossover between them, so Amy Xia was a little hard to write. For the first time, she felt that designing something really needed inspiration.

Chapter 63

“I’m just asking, but I don’t want your girlfriend to misunderstand anymore, I can’t help her fight with this face!” The last sentence is the highlight.

Sebastian Mu turned his head and looked at Amy Xia, “Did she fight?” Amy Xia did not deny it, nodded, “Of course!”

“Why!?”

“Mr. Mu, don’t you think you asked this sentence too deliberately?” Amy Xia said.

“Because of me!?”

“Why ask knowingly!”

“You let her fight?” Sebastian Mu was not angry, looking at her and asked.

“Mr. Mu meant that I should go back?”

“This is your character, isn’t it?” Amy Xia didn’t have a feeling. The two of them talked like they were the same. Hearing this, Amy Xia didn’t want to say anything more, but smiled slightly, “I know, next time, I will not be so polite!” Seeing her smile, Sebastian Mu felt that this woman was really black-hearted! Nothing is visible.

Sebastian Mu didn’t say anything, after a glance at her, he drove the car away.

Amy Xia didn’t speak any more, since Sebastian Mu said so anyway, she didn’t need to be polite anymore! However, Amy Xia really felt that being Sebastian Mu’s woman was really a very sad thing.

If Ling Xiaoyun heard this, I am afraid that she would be very angry! This man is really unkind! Seeing that Amy Xia hadn’t spoken, at this moment, Sebastian Mu said, “What

is thinking!?” Does he know how to read mind? Amy Xia doubted for a while, as long as she thought about him every time, he would always ask her what she was thinking! However, they didn't say it through.

Of course, Amy Xia wouldn't confess, she smiled and said, “Nothing!”

“By the way, where are we going?” After Sebastian Mu's deep eyes glanced at her, the corners of her mouth raised. With a deep smile, “You'll know when you get there!” Since Amy Xia said that, Amy Xia didn't ask any more, as the car was driving on the road.

After about forty minutes, the car stopped.

“Here?” Amy Xia asked.

Sebastian Mu nodded, so Amy Xia looked out the window. This is a place that is not very rich, or it can be said that it is very poor. However, the air is very good, and it looks very comfortable.

“At this time...”

“Inspiration comes from the story, and the story comes from the truth.

Only when you are close to life can you have inspiration!” Sebastian Mu said.

It was unexpected for Amy Xia that Sebastian Mu could say this. Being able to bring her here was also unexpected to Amy Xia. However, I have to admit that Amy Xia likes it very much. So I pushed the door down. This should be a small street with a lot of people, and the street is full of people buying gadgets.

It looks like a small street in Lijiang, Yunnan, and it looks very busy.

At this time, Sebastian Mu looked at Amy Xia, “Should I go in?”

“Of course!” Amy Xia readily agreed, so Sebastian Mu leaned the car aside, and then went in with Amy Xia. Those who know think they are looking for inspiration, those who don't know think they are dating! Amy Xia looked very happy and relaxed, walking with Sebastian Mu, their appearance caused many people to look back. Because no matter from the temperament, appearance, and clothing, it can be seen that they are rich or expensive.

“Unexpectedly, you would know such a place!” Amy Xia said in surprise. Hearing Amy Xia's words, Sebastian Mu smiled, “Not all people are born so superior!” Second update.

Chapter 64

“Huh?” Upon hearing this, Amy Xia subconsciously raised her eyes and looked at him.

“It's nothing, let me take you to the front!” Sebastian Mu said.

Sebastian Mu did not continue to speak, and Amy Xia did not continue to ask, she didn't like to question people's privacy. So, the two people continued to walk forward.

Although it is not rich here, everyone has a satisfied smile on their faces.

It can be seen that they are very content with the status quo.

In fact, sometimes, plain is a blessing.

At least, without too much intrigue, without too much comparison, people will become very simple and happy. Coming here, Amy Xia couldn't help being infected by the atmosphere here, and her mood became very happy. She also grew up in City A since she was a child, but she never knew there was such a place. For this, I really want to thank Sebastian Mu, if it weren't for him, she wouldn't have known such a place.

At this time, Amy Xia walked around, feeling the simplicity and quietness here.

Sebastian Mu walked by her side, looking at her profile, long eyelashes, and the smile at the corner of her mouth, every place looked so comfortable. Here, if you change to someone else, you will definitely dislike the dirty! But she didn't, but enjoyed it very much. Thinking of this, the corner of Sebastian Mu's mouth evoked a smile...

"Very comfortable!?" Sebastian Mu asked casually.

"Yeah!" Amy Xia nodded, "Sometimes, the simpler people are, the more meaningful things they design!" Hearing this, Amy Xia nodded undeniably. They live in the city and carry too much stuff every day. Too much, too much thinking, so the whole person becomes very complicated when thinking about things. Therefore, it is better to go back to the basics.

At that time, the design was pure.

At this moment, Amy Xia turned her head to look at Sebastian Mu, "Mr. Mu, what's wrong with you today?"

"What's wrong?"

"I found that you have a special emotion today, the truth!"

"What I said has always been the same. Truth!" Amy Xia, "... People really can't boast! Especially Sebastian Mu can't boast! Give it some sunshine and it will shine! Amy Xia no longer entangled with Sebastian Mu.

At this moment, she saw the seller in front of her and walked over. The above were all selling gadgets, and they looked pretty good.

At this time, Amy Xia picked up a bracelet. To be correct, a bunch of small bracelets with something similar to a small coral on it looked really good.

Amy Xia picked it up and put it on her hand. She looked pretty. Her skin was already white, but wearing it on gave her a touch of color.

“Does it look good?” Amy Xia asked, looking back at Sebastian Mu.

“Well, it looks good!” Sebastian Mu nodded.

Amy Xia smiled.

At this time, the seller said, “Girl, you are really beautiful in wearing them.

Although our things are not expensive, they are absolutely natural!” Listening to her words, Amy Xia smiled He smiled, “How much?”

“Fifteen!”

“Okay, I want it!” Amy Xia said with a smile. Don’t dislike these things as cheap. So Amy Xia took out the money from her wallet and gave it directly to that person. The man smiled, “Thank you!”

“You’re welcome!” Amy Xia also smiled. So Amy Xia turned her head and looked at Sebastian Mu, “Go!” So the two left. Not a few steps away, Sebastian Mu said, “Like it?”

“It’s good, isn’t it?”

Chapter 65

“It’s not worth the price!” Sebastian Mu said, although it is fifteen yuan, it is not expensive, but after seeing it, this thing is not worth it.

“This thing depends on how you look at it.

If you like it, it’s worth it.

If you don’t like it, it’s not worth it!” Amy Xia said with a smile, “Fifteen yuan is nothing to me, but to her , Maybe it’s a gain, isn’t it a pleasure to help others?” Amy Xia asked back. Hearing this, Sebastian Mu smiled.

Amy Xia has always been very positive when she sees things.

Sebastian Mu did not continue to ask, and the two continued to walk forward.

At this time, many children were playing there, watching them laugh so happily, Amy Xia couldn’t help but follow along.

At this moment, Amy Xia noticed an old man on one side. He has been sitting there, as if holding something in his hand, looking very carefully.

“What are you looking at?” Sebastian Mu asked.

Amy Xia gestured with her lower forehead, and Sebastian Mu also looked over. When he saw the man, Sebastian Mu frowned and walked directly over.

“Uncle Li!” At this time, Sebastian Mu called out.

Amy Xia is a little surprised, know Sebastian Mu? At this moment, I saw that person raised his head. When he saw Sebastian Mu, he immediately laughed, “Xiaotian? Xiaotian, are you back?”

“Well, I’m back, how are you doing?”

“I’m fine, fine!” The person who was called Uncle Li by Sebastian Mu looked a little excited and a little happy, looking at Sebastian Mu intently.

And Sebastian Mu just smiled faintly, letting the person look at her.

At this time, Amy Xia looked at Sebastian Mu and asked with her lips, “Yes!?” At this time, Uncle Li also noticed Amy Xia on one side, “This is?” When he looked at Amy Xia, Sebastian Mu thought about it. He wanted to raise his eyebrows, “Oh, this is!” Sebastian Mu couldn’t help but directly grabbed Amy Xia’s shoulders and hugged him in his arms. girlfriend? Amy Xia was stunned, looking at Sebastian Mu, knowing that he said this on purpose, but didn’t understand why he said it! “Very beautiful and beautiful, I didn’t expect Xiaotian to be so capable and find such a beautiful girlfriend!” Uncle Li looked at Amy Xia and only nodded in admiration.

“Actually, I...” Just as Amy Xia was about to explain, Sebastian Mu suddenly pulled her closer and said to her ear, “Give Uncle Li a little hope, he has some nerve problems...” Although Amy Xia didn’t know Sebastian Mu What does that mean, but his words contained too much, Amy Xia didn’t know what to say for a while, and finally nodded with a smile, “Well, it’s...” Therefore, they spent the whole afternoon with this Uncle Li.

Amy Xia discovered that the relationship between them is very delicate.

Sebastian Mu called him Uncle Li, but Uncle Li’s feeling towards Sebastian Mu was like treating his own son...

Amy Xia stayed with Sebastian Mu for an afternoon with many doubtful thoughts. She was a little skeptical.

Sebastian Mu used it for private purposes through official business. Fortunately, Amy Xia was also very happy to play. Uncle Li was very hospitable and treated them very well.

Amy Xia felt a little more balanced. They didn’t go back until the evening. They left when the lights were on, and Li Shu kept sending them to the car before leaving.

Amy Xia and Sebastian Mu were sitting in the car, looking through the mirror at Uncle Li who was standing there watching them go, Amy Xia suddenly felt a little sad...
