

My Sassy President Novel

Chapter 66 – 70

Chapter 66

Sebastian Mu also looked at the mirror, knowing that he couldn't see the figure, so he withdrew his sight.

"Is Uncle Li alone?" Amy Xia asked after walking away.

Sebastian Mu nodded, "Hmm!"

"It seems that you often come here!"

"Only occasionally!" Sebastian Mu said, after thinking about it, and then he said, "Uncle Li was in our The family used to be a housekeeper, but after his son died, his mentality was a little abnormal. We wanted to take good care of him, but he had to come back here..." Amy Xia's heart was shocked when he heard this.

"Then he..."

"He is not very clear, so he regards me as his son!" Sebastian Mu said. Hearing this, Amy Xia nodded. With such words, Li Shu's attitude towards Sebastian Mu passed. But hearing this, Amy Xia felt a little uncomfortable.

Indeed, the experience of Uncle Li was very sympathetic. But today, Amy Xia also saw a different Sebastian Mu.

"Did you come here often before?" Amy Xia suddenly looked at Sebastian Mu and asked.

"Well, I will come so many times every year!" Sebastian Mu said.

Amy Xia was a little surprised. She had been married to him for a year before, and she never knew he had such a side. Still, she doesn't know enough about Sebastian Mu! Amy Xia was immersed for a while, and suddenly thought of something, looking at Sebastian Mu, "What is the thing that Uncle Li has been holding in his hand!?" Since seeing Uncle Li, he has been holding something tightly in his hand. Never let go.

"It's a necklace pendant!" Amy Xia frowned.

“The only thing left when Uncle Li’s son died!” Sebastian Mu said. Hearing this, Amy Xia was even more shocked. They are here to find inspiration and stories, but such things shocked her.

As the car was driving on the road, Amy Xia did not speak any more, and Fang Buddha was still immersed in the story of Uncle Li. She didn’t even notice the car driving into the city.

Sebastian Mu didn’t bother her, and drove the car quietly. Not long after entering the city, Sebastian Mu’s cell phone rang.

Sebastian Mu answered the Bluetooth directly.

“Hey...”

“Mr. Mu, the information you want has been found!”

“I found it!?”

“Well, who is the organizer this time!?”

“Alexia from the SASHIA Group abroad!” Hearing this, Sebastian Mu nodded, “Okay, I get it!” In response, Sebastian Mu cut off the phone.

Amy Xia was listening, and seeing Sebastian Mu hung up the phone, she couldn’t help but ask, “The organizer behind this cutting-edge competition?” Sebastian Mu didn’t deny it either, nodded, “Yes!”

“What are you doing? Could it be...” Amy Xia looked at him suspiciously.

“The so-called knowing yourself, knowing the enemy, winning in every battle!”

“Cracked door!”

“Do you think that I am the only one who is inquiring? All those who participate in the competition are not racking their brains to get the organizer’s information, but I am more convenient. , Besides, I didn’t do anything!” Sebastian Mu said. He said this is the truth.

Almost everyone will try their best for the game, except her! However, Amy Xia still hopes to play well.

Looking at Sebastian Mu, “Mr. Mu, if you believe me, I will definitely try my best to compete.

If you want to mix things up, then please change someone else to compete!” She didn’t want to talk about this.

A game, mixed with too many false things, then this game is meaningless!

Chapter 67

If you mix things up, then please change someone else to the game! “She doesn’t want to mix too many false things about this game, then this game is meaningless! Listening to Amy Xia’s words, Sebastian Mu smiled, “It seems that you are very confident! “If the game mixes too many things, then I don’t have to pay anything for this game!”

“Amy Xia said very confidently. Hearing this, Sebastian Mu nodded, “OK, I’ll wait and see your strength!”

“Thank you, Mr. Mu!” Amy Xia said.

“How about, go eat!” ? “Sebastian Mu changed the subject and asked.

“No, I want to go back!”

“She doesn’t want to have a meal with Sebastian Mu and provoke Ling Xiaoyun. She can remember the lesson yesterday. She is a woman who remembers the lesson very much.

“But she hasn’t eaten yet.” ! “I have eaten a little bit of what Uncle Li served, so I’m not hungry. You can eat it yourself.

I am a little inspired now, so I have to go back and draw a design!”

“Amy Xia said. Speaking of this, Sebastian Mu turned his head and looked at her, seeming to distinguish the truth from what she said.

In the end, Sebastian Mu nodded, drove the car, and drove her back.

As far as the downstairs of the community, Amy Xia did not stop. Whenever you get close to Sebastian Mu, you just push the door and go down.

“Mr. Mu, be careful on the road, I will go up first!” Amy Xia said with a faint smile.

Sebastian Mu’s eyes looked at the woman. The more she hid, the more he wanted to get closer, the more she wanted to stay away, the more interested he became... But he was not in a hurry. Now...

“Okay!” Sebastian Mu hooked the corner of his mouth, and then drove the car away. Seeing him leave so simply, Amy Xia also breathed a sigh of relief and went straight upstairs.

After going back, she changed into a comfortable pajamas and simply cleaned up. , I started sitting on the carpet and drawing design drawings... There was a frame on her white little face, which looked very comfortable. With the computer turned on next to him, for some reason, Amy Xia’s mind kept reverberating today, Sebastian Mu told her Then,

there is also Uncle Li's business... Thinking about it, a person's name popped out of my mind...

Alexia.

After thinking about it, Amy Xia put her hand on the computer, opened Baidu, and couldn't help typing Click on the name...

A search, and there was a lot of news. There is also a photo of Alexia, a foreign woman, very thin, beautiful, capable, and she looks like a strong woman.

Amy Xia watched Her information unexpectedly found a news! She fixed her gaze on the computer screen, then flipped through the photos. However, Amy Xia also found a detail.

At that moment, there was a thought in her mind...

In order to make sure it was true, she checked it for a long time. Finally, she picked up her mobile phone and made a call to Sebastian Mu. Just after Sebastian Mu entered the house, he saw Amy Xia's phone call, and immediately answered, "Hey!"

"Mr. Mu!"

"Why, I thought about it so soon!?" Amy Xia was too lazy to tease him so much, and said directly, "Did Alexia ever have a son who died unexpectedly?" Hearing this, Sebastian Mu paused and said, "It seems that there is something like this..."

"Okay!" I got it. Before Sebastian Mu could speak, Amy Xia hung up the phone.

Sebastian Mu looked at the phone, frowned slightly, but said nothing, his mouth twitched. So, in just one night, Amy Xia drew the outline of the design.

Looking at the drawn design drawing, Amy Xia smiled.

Although I don't know whether this design drawing will be successful, it is definitely a meaningful design.

At this time, Amy Xia carefully sandwiched the designed commentary card and put it away. She didn't sleep all night, so she hurriedly washed and went to the company. The two met in the elevator by coincidence. Seeing Amy Xia's red eyes, Sebastian Mu frowned, "What? You didn't sleep all night?"

"Yeah!" Amy Xia nodded, "You can see it too!"

"You can see it in your eyes!" Sebastian Mu said.

Amy Xia was silent, not talking.

"How is the design drawing?" Sebastian Mu just asked.

At this time, the elevator opened with a jingle, and Amy Xia took the lead to go out, "Mr. Mu, don't worry, the design drawing, I will hand it in as scheduled!" With that, Amy Xia smiled and turned and walked towards the design department.

Sebastian Mu stood in the elevator, looked at her, couldn't help but hooked his mouth, and walked out to the office.

Amy Xia seldom stayed up late. She didn't sleep last night, and she really couldn't stand it. Her mind was dizzy.

I really couldn't stand it, Amy Xia went down, planning to buy something. However, at this time, a figure walked in. When she saw Amy Xia, she frowned. She wanted to go up and have a look, but Sebastian Mu was anxious to use the information, so she had to go up quickly.

"Master, your information!" In the office, Aunt Li looked at Sebastian Mu and said. Seeing Aunt Li coming, Sebastian Mu smiled, "I told the driver to pick it up, and you sent it here!"

"I'm not afraid that they will lose everything!" Aunt Li said, caring Sebastian Mu very considerably.

Sebastian Mu smiled, "I'll let the driver take you back!" Aunt Li nodded, "Just about to leave, I suddenly remembered something. By the way, Master, do you still have contact with Grandma?" Aunt Li suddenly asked.

Of course Sebastian Mu knew who she was talking about.

"No, what's the matter? Why do you suddenly ask!" Sebastian Mu said.

Looking at Sebastian Mu's expression, she really didn't seem to know, could it be that she read it wrong? Aunt Li didn't say much, she smiled and shook her head, "It's nothing, I'm leaving now!"

"Yeah!" Sebastian Mu didn't think much. So Aunt Li walked out.

Sebastian Mu originally wanted to send it, but the phone on the table rang.

Aunt Li went down the elevator alone.

Amy Xia had just walked back from the outside as soon as she walked to the hall. When Aunt Li saw it, she hurried up to see if it was true! In the end, he couldn't hold back his curiosity and walked up.

"Young grandma!?" At this moment, a gentle and tentative voice sounded behind him. Young grandma? Hearing this, Amy Xia turned around, but was stunned when she saw the person in front of her.

"Aunt Li?" To be honest, she was also surprised to see Aunt Li here.

“It’s really you, grandma!” Aunt Li said with a smile. She was very happy to see Amy Xia. The last time we met, it had been two years ago. When Amy Xia left, she was very beautiful, but she didn’t expect it to happen twice.

In 2017, Amy Xia became more and more temperamental, she almost couldn’t recognize it.

Amy Xia has never forgotten how she took care of herself in Mu’s family for one year, but at this moment, she smiled, “Aunt Li, I have been divorced for a long time with Sebastian Mu, you can call me Amy!” Amy Xia said with a smile. Speaking of this, Aunt Li was taken aback for a moment, and then nodded, “Okay, but, haven’t you left? Why are you here?” Aunt Li asked curiously.

“I...” Amy Xia remembered something and looked at Aunt Li, “Aunt Li is a long story.

I will explain it to you later, but can I ask you for something now?” Aunt Li blinked. He lowered his eyes, then smiled and said, “What’s the matter?”

“Sebastian Mu didn’t recognize me, can you tell him?” Aunt Li was a little surprised when she heard this, but looking at the woman in front of her, the change was indeed quite big, and it’s normal not to recognize it.

“But...”

“Aunt Li, please...”

If he knew about it, I would not be better off!” Amy Xia said coquettishly.

Of course Aunt Li knew what they had done before, and finally thought about it and nodded, “Okay, I promise you, but the paper can’t keep the fire!” Aunt Li kindly reminded.

“I see, I will consider this matter, thank you Aunt Li!” Amy Xia said with a smile.

Aunt Li also smiled.

“What are you talking about!?” At this moment, Sebastian Mu’s voice rang coldly from behind.

Chapter 68

When she heard the familiar and indifferent voice, Amy Xia was stunned.

Looking over with Aunt Li’s eyes, I saw Sebastian Mu slowly walking over. Every step Sebastian Mu took, it was like stepping on Amy Xia’s heart. She didn’t know when he was standing there, or if he heard what they were saying.

At that moment, Amy Xia’s heart was squeezed and sweaty.

If Sebastian Mu knew, She must not be able to eat and walk around... While she was thinking about it, Sebastian Mu had already walked in front of them. He looked at them with a deep gaze, "What are you talking about?" She was already excited and worried to death, but Amy Xia still pretended to be nonchalant and smiled, "It's nothing, just very sleepy, come down and buy something. , It happened that this aunt asked me where the toilet is!" Amy Xia said casually, I don't know if Sebastian Mu heard the painting they said! Listening to Amy Xia's words, Sebastian Mu frowned slightly, and his deep eyes looked at her and asked, "Really?" Amy Xia nodded with a smile on his face.

At this moment, there was no sleepiness, yes.

It's just tension and composure.

At this time, Sebastian Mu's eyes looked at Aunt Li, "Aunt Li, don't you know where the toilet is?" He asked casually.

Aunt Li is not here for the first time, how could she not know where the toilet is.

Aunt Li was standing there, her heart was violent.

After all, she was worried about Sebastian Mu, but she agreed to Amy Xia, what else could she say, so she smiled embarrassedly, "It's not a long time.

I haven't come, so I don't remember!" Hearing this, Sebastian Mu just nodded, and his eyes swept over them. That expression, I don't know whether I believe it or not. But it seems that he didn't hear them talking, otherwise, could he be so calm? "You know!?" Sebastian Mu's eyes were fixed on Amy Xia's hand holding Li's wife.

I have to admit that his observational power is too strong. He could see this subtle movement.

Amy Xia retracted her hand naturally, "It's just a help! Then I won't bother you, go up first!" After saying that, Amy Xia smiled, and then politely nodded towards Aunt Li and turned upstairs.

Aunt Li nodded with a smile.

After Amy Xia left, Aunt Li looked at Sebastian Mu, "Master, if it's okay, I'll go home first!" Sebastian Mu stood there and nodded, "The driver is waiting at the door!" "!" Aunt Li nodded and then left.

Sebastian Mu stood there, looked at the back of Aunt Li, and then at the back of Amy Xia walking back, thoughtfully...

After Amy Xia walked into the elevator, the door was closed, and he was relieved! Working at Chow, facing Sebastian Mu at any time, worrying that he will know the truth at any time, just like living on the edge of a knife every day, so nervous! It seems that Sebastian Mu didn't hear what they said! Otherwise, it won't be so easy! Thinking of this, Amy Xia was deeply relieved. But it's better now, not sleepy at all. So scared, no sleep.

After the elevator opened, Amy Xia walked out directly. The things I bought were no longer useful, so I made a cup of coffee in the pantry and settled down.

After drinking a cup of coffee in the pantry, Amy Xia took another cup and walked out with it.

As soon as he went out, he went to meet Sebastian Mu.

Chapter 69

Amy Xia's heart couldn't help getting nervous again.

"Mr. Mu!" She greeted calmly.

Looking at the coffee in her hand, Sebastian Mu raised his eyebrows, "Very sleepy?"

"It's okay!" Amy Xia said.

"If you are really sleepy, go back and rest!" Sebastian Mu said. Hearing this, Amy Xia was a little surprised, but still smiled, "It's okay, I can hold on!"

"That's good!" Sebastian Mu nodded, without saying anything else, and walked directly to the office. Seeing him go, Amy Xia breathed a sigh of relief. Even if this matter was over, she also walked towards the design department.

After such a fright, Amy Xia was not sleepy this morning, and she had almost thought about her design. The two of them dealt with Yuanshi cases with Coco, and the tacit understanding between the two is still very good.

At noon, when they were going to eat, Ling Xiaoyun came. Every time she came, she would stir up gossip in the design department.

Of course, she is here to find Sebastian Mu for dinner! Everyone knows the design department. To go to Sebastian Mu's office is to pass by the design department, so when Ling Xiaoyun walked in, he saw Amy Xia on one side at a glance. Thinking of what happened that night, he glared at Amy Xia fiercely.

Amy Xia felt very speechless, and Ling Xiaoyun's hostility towards her was really extraordinary, she just didn't see it.

I saw Ling Xiaoyun enter Sebastian Mu's office.

As soon as Sebastian Mu was about to ask Amy Xia to eat together, the door was knocked, and then Ling Xiaoyun walked in. When he saw her, Sebastian Mu raised his eyebrows, "Why are you here?" After seeing Sebastian Mu, Ling Xiaoyun immediately pursed her mouth and leaned forward, "Jedian, if I don't look for you these days, you I don't know if you are looking for me!?" Sebastian Mu just remembered that he hadn't called her for several days.

“The company is busy with the game these days, so it’s a little busy!” Sebastian Mu said lightly.

“Really?” Ling Xiaoyun asked, “I thought you had changed your heart!” Hearing this, Sebastian Mu raised his eyebrows and looked back at her, “Are you complaining to me?” I was afraid that Sebastian Mu would be angry.

Ling Xiaoyun hurriedly said, “People are also afraid of losing you. Can I have lunch with me!” She said coquettishly with her arms around Sebastian Mu’s neck.

At this point, what else can Sebastian Mu say, he can only nod his head, “Hmm!”

“I have already booked the restaurant!” Ling Xiaoyun said with a smile. So Sebastian Mu got up directly, and Ling Xiaoyun immediately helped pick up the coat, like that, like a beautiful little wife.

Sebastian Mu put on his coat, and the two walked out. When he walked to the design department, Ling Xiaoyun’s hand deliberately held Sebastian Mu’s arm.

Amy Xia stood not far away, planning to go to dinner with Coco, and saw this scene at a glance, and Ling Xiaoyun’s eyes were full of provocation.

Looking at her, swearing his ownership. Just a glance, Amy Xia faintly swept across, letting the Buddha go as if she hadn’t seen it. She was really not interested in Ling Xiaoyun’s provocation.

At this time, Ling Xiaoyun walked over, and when he saw Amy Xia, a smile was drawn from the corner of his mouth, “Miss Xia!” Hearing her voice, it was difficult for Amy Xia to ignore it.

At this time, Amy Xia’s mouth turned into a smile, “Miss Ling!”

“How about? Do you want to go to dinner with us!?” Ling Xiaoyun asked, the ingredients of showing off are too obvious.

Amy Xia smiled, “No, I’m afraid that the meal will be congested.

I have already made an appointment with my colleagues, so I won’t bother!” After that, Amy Xia smiled, and then looked at Coco, “Let’s go!” , Amy Xia took cocoa and left. Those words changed Ling Xiaoyun’s expression.

Chapter 70

Amy Xia’s words are really congested, but Sebastian Mu’s mouth raises an imperceptible smile...

“I don’t know what is good or bad!” Ling Xiaoyun mumbled, and then watched Sebastian Mu say, “Let’s go!” Mu Sedum did not speak, and left.

Over there, Coco went down with Amy Xia. How understand Amy Xia said just now, how could she not understand! But when Amy Xia said that, Coco really felt an indescribable worry and excitement in his heart.

I am afraid that in the entire design department, only Amy Xia dared to speak to Ling Xiaoyun like this.

“Amy, are you familiar with Ling Xiaoyun?” Coco asked.

“Unfamiliar!” Amy Xia said faintly, “Then you are not afraid to offend Ling Xiaoyun by what you just said!?” Coco asked worriedly. Everyone knows that Ling Xiaoyun is the daughter of the Lingshi Group, and now Sebastian Mu’s girlfriend may be the wife of the president of the Chow Group.

“Why are you afraid, can’t you refuse to eat?” Amy Xia said. What’s more, she didn’t invite her sincerely, it was pure show, why she should save her face again and again.

“But, she is President Mu’s girlfriend, are you not afraid that she will fan the flames in front of President Mu?” Coco asked. Hearing this, Amy Xia smiled, “Girlfriend? Mr. Mu is married and divorced, and he can’t even want a wife. What is a girlfriend? And if he listens to the bedside wind so much, then I will leave sooner or later. Yun Rui’s, what’s the difference!?” Amy Xia said every word. Hearing what Amy Xia said, Coco was taken aback for a moment, then couldn’t help laughing.

I have known Amy Xia for a while, and it is not until today that Coco realized that Amy Xia’s mouth is really powerful.

“Amy, I’m taking you!” said ridiculously.

“I’m just seeking truth from facts!” Amy Xia said modestly, with a smile on the corners of her mouth, she had to admit that what she said just now really made her feel very happy. Especially in front of Sebastian Mu. She at least wants to let Ling Xiaoyun know that she is not a vegetarian, and in this world where the weak eats the strong, she is not the weak, but she just disdains to fight with her. Coco ridiculously walked into the restaurant with Amy Xia.

After having a meal, the two of them sat there, “Actually, I feel pretty cool when you say that today!”

“Huh!?” Amy Xia raised her eyes when she heard Coco’s words.

“You don’t know, many people in the design department can’t understand her, but they dare not speak up!” Amy Xia ate something, and when she heard Coco’s words, she expressed her willingness to listen.

“Last time, a female colleague didn’t know how to offend her, she was scolded with blood and cried for a day. Now she has already regarded herself as a hostess!” Coco said. Hearing this, Amy Xia raised her eyebrows, “So, apart from her being the daughter of the Lingshi Group, Mr. Mu’s girlfriend is still quite annoying!” Coco said.

Listening to Cocoa, Amy Xia couldn't help but smile, "Sure enough, I hate people no matter how you look at it!"

"Yeah, if it's not her background, she really is nothing, but I heard you so today.

It's cool, it's really cool!" said ridiculously.

Listening to Coco's words, Amy Xia smiled. The two were eating.

At this moment, Coco looked at Amy Xia, "Why do I always feel that she is a bit aimed at you!?" Since Amy Xia entered the company, Ling Xiaoyun seems to have never angered other people.

Amy Xia always gritted her teeth.
