

My Sassy President Novel

Chapter 81 – 85

Chapter 81

“But, my design is to give a gift...”

“No problem!” When Amy Xia was about to speak, Sebastian Mu’s voice suddenly sounded behind him.

Amy Xia was taken aback and turned back.

At this moment, Sebastian Mu walked over and went directly to them and watched Alexia say, “Of course it’s okay!” Amy Xia frowned and raised her eyes to look at Sebastian Mu and Mu Jing. Tian gave her a relieved look, “If Alexia likes it, you can name this work and give it to you!” Hearing this, Alexia looked at Sebastian Mu.

Sebastian Mu smiled faintly.

“Good!” Finally, Alexia said. Then he turned around and announced, “This time the champion is Yun Rui’s Amy Xia!” Hearing this, everyone looked at each other.

Of course, there is a lot of discussion.

At this time, Ling Xiaoyun was a little dissatisfied, and immediately said, “Ms.

Alexia, Amy Xia’s commentary card is gone, and it is no longer in line with the rules of the game. How can he win the championship!” After hearing Ling Xiaoyun’s words, Alexia swept. He glanced at her and said, “It seems that you are the organizer of this time!” Upon hearing this, Ling Xiaoyun’s face was embarrassed, “I’m just saying a fair word for all the contestants!”

“It’s fair to others!” So, it’s my own selfish dissatisfaction!?”

“Alexia, what do you mean?” At this moment, Alexia did not speak any more, but her assistant said, “Who said Miss Amy Xia’s commentary? The cards were missing, they were there all the time, she said, she took out Amy Xia’s commentary card!” When she saw the commentary card, Amy Xia glanced at Sebastian Mu. What the hell is going on here.

At this time, Alexia looked at Ling Xiaoyun, “Miss Ling, it is better to do something clean in the future!” One sentence brought infinite reverie.

Ling Xiaoyun's face was even more ugly. Unexpectedly, before Amy Xia didn't say it, Alexia said so in person. Nice has always been on the side, and now he knows what's going on.

According to what he said, Amy Xia shouldn't be so sloppy.

"Ms.

Alexia, what do you mean by this?" Ling Xiaoyun asked while looking at Alexia. Hearing what she said, Alexia didn't bother to pay attention to her, but her assistant said, "Miss Ling, during the game, there are surveillance cameras in every office or even the corridor. This time, Yali Xia will not hold you accountable, you better stop asking!" Ling Xiaoyun was stunned for an instant. She even forgot that there was monitoring.

At this time, the look in her eyes from the audience was full of weirdness.

Ling Xiaoyun looked at Sebastian Mu and suddenly didn't know what to say.

At this time, after announcing the championship, Alexia didn't say anything, turned and left, while her assistant looked at Sebastian Mu and Amy Xia, "Next day Alexia will go to your company to discuss in detail about The work thing!" Sebastian Mu nodded.

At this time, the assistant looked at Amy Xia and thought for a while and said, "Miss Xia, congratulations!" Amy Xia smiled. The assistant spoke again, "Miss Xia is a very smart woman!" I am afraid that only the three of them will understand.

"It's just a coincidence!" Amy Xia said lightly, not impetuously.

Chapter 82

The assistant smiled, said nothing, turned and left.

At this time, the scene ended. Those who didn't get the match left the field angrily, the third and second runners-up didn't say anything, and they all left.

At this time, Nice walked towards them.

"Miss Xia, congratulations!" Hearing this, Amy Xia smiled, "Thank you!"

"I admire your design, and admire your courage!" Nice said.

Amy Xia smiled, "It's just a coincidence!"

"As I said, only works with stories will resonate, and you are very successful!" Nice sincerely praised.

Amy Xia smiled again, "Thank you, Nice!" If it weren't for Nice, maybe she might be inspired to draw a work for a while. Not because of that sentence, the design works.

“NONONO, you don’t have to thank me, all this is your own achievement!” Nice said.

“Okay, I won’t chat with you anymore, I still have things to deal with, we will see you another day!”

“Okay!”

“Goodbye Mr. Mu!” Sebastian Mu stood there, nodding his head, and said nothing more.

After everyone was gone, Ling Xiaoyun came over, glanced at Amy Xia, and then looked at Sebastian Mu awkwardly.

“Sedum...” Looking at Ling Xiaoyun’s appearance, Sebastian Mu didn’t even show any expression.

“Sedum, did you misunderstand me too!?” Hearing Ling Xiaoyun’s words, Sebastian Mu raised his eyebrows, “Oh? What’s the misunderstanding?” Upon hearing this tone, Ling Xiaoyun knew that Sebastian Mu must have misunderstood what. She walked over immediately, “I don’t know why Alexia said that, she must have misunderstood me!”

“Really?” Sebastian Mu smiled, unable to see any emotions at all.

At this time, Amy Xia stood aside, a little embarrassed.

“Well, Mr. Mu, you are busy first, I will go back to the company first!” Amy Xia was about to leave.

“Wait!” At this moment, just as she turned around, Sebastian Mu’s voice sounded behind her, so helpless, Amy Xia’s footsteps were dazed.

“Go back together!” Sebastian Mu also turned around.

At this time, Ling Xiaoyun grabbed him, “Sedum...” The expression was all afraid of losing her.

Sebastian Mu glanced at her faintly, “I have something to do when I go back to the company, and I will talk another day!” As he said, he dropped Ling Xiaoyun’s hand, turned and left.

“Jing Chen, Jing Chen...” Ling Xiaoyun shouted from behind, but Sebastian Mu didn’t even look back.

Amy Xia was watching and couldn’t help sighing.

I am afraid, Ling Xiaoyun will put this account on her again! However, this time, Ling Xiaoyun probably did too much.

If she were her, she definitely wouldn’t do it, because it wasn’t just her who had the reputation of Yun Rui.

Sebastian Mu, a man with a high spirit of ambition, would definitely not make jokes about the company, so Ling Xiaoyun was afraid that he had touched his bottom line this time. Women, sometimes they are often deceived by something and do things that really cannot be exchanged.

“Don’t leave yet!?” At this moment, Sebastian Mu’s body sounded behind him, and Amy Xia remembered it, followed behind him, and walked up. She could feel the fierce gaze behind her, and she wished to cut her a thousand times.

Alas, Amy Xia is a bit suspicious now, Sebastian Mu did it on purpose! What is it about her!

Chapter 83

After Amy Xia and Sebastian Mu went out, they got in the car.

After getting in the car, Amy Xia glanced at Sebastian Mu’s profile. He just tensed and said nothing.

“Mr. Mu, is it not so good to do this!?” Amy Xia asked tentatively.

“What’s not so good?”

“Leave Miss Ling and we two are gone, isn’t it right?” Amy Xia asked. To be honest, seeing Sebastian Mu walking so unrelenting, standing in a woman’s position, she also sympathized with Ling Xiaoyun. Hearing this, Sebastian Mu glanced at her, “Let’s go back to the company together, what’s inappropriate!?” Amy Xia, “...” Well, she asked more.

“She took your commentary card, aren’t you angry?” Sebastian Mu looked at her and asked.

Amy Xia nodded, “Angry!” Angry? But Sebastian Mu didn’t see any anger on Amy Xia’s face.

“But what’s the use of being angry?” Amy Xia said, “What should happen, it will always happen.

It’s better to calm down and accept everything that happens unexpectedly!” Sebastian Mu’s mouth sneered at what she said.

“If you didn’t win the championship today, would you still say that?” She didn’t believe it, the woman was really not angry at all.

Amy Xia thought about it seriously, turned her head and looked at Sebastian Mu, “Honestly, if it weren’t for you, I don’t think Ling Xiaoyun would do it!”

“You mean, blame me!?” Sebastian Mu raised an eyebrow and asked back. .

“I’m just telling the real reason!” In the final analysis, it was because of Sebastian Mu.

If it wasn’t for him, how could Ling Xiaoyun be so hostile to her.

Listening to Amy Xia’s words, Sebastian Mu’s mouth twitched, “Miss Xia, one slap won’t make a sound!” Amy Xia, “...” She was silent suddenly.

I don’t know why, but when the two of them talked about this topic, it was a bit ambiguous. Seeing Amy Xia not speaking, Sebastian Mu twitched the corner of his mouth.

At this moment, Amy Xia suddenly remembered something, “Did you do the commentary card?” Amy Xia asked suddenly.

“No!” Sebastian Mu shook his head.

“Then...?” Isn’t it already lost? Why is it on Alexia’s side? “Nice said that the commentary card was found in the toilet by Alexia’s assistant!” Sebastian Mu said. Hearing this, Amy Xia was surprised.

“It seems that this assistant is still my nobleman!” Amy Xia said with a smile.

In fact, she did not expect such a result. When she went, she just held a respectful attitude, but she didn’t expect that the champion was really herself.

It is false to say that it is not happy. The cutting-edge competition will add more color to her design road, and she will walk a little easier on this road in the future. Thinking of this, Amy Xia took a deep breath and relaxed. Seeing Amy Xia’s appearance, the corners of Sebastian Mu’s mouth rose a little.

At this moment, Amy Xia’s cell phone rang.

Amy Xia turned over the phone, but when she saw the caller ID, Amy Xia quickly covered it. That little movement did not escape Sebastian Mu’s eyes. He just drove the car nonchalantly and said nothing.

Amy Xia didn’t want to answer, but she kept thinking about it over and over. Helpless, Amy Xia could only press the answer button.

“Hey...”

“Amy Xia, congratulations, you won the first place!” Sam Xia said over the phone.

“You know so soon!?” Amy Xia asked in surprise.

Chapter 84

“As long as it’s your business, I’m all first-hand news!” Sam Xia said with a smile.

Amy Xia also smiled, but glanced at Sebastian Mu, she didn't even dare to say a word to her elder brother, "Well, I'm on the way back to the company with Mr. Mu now."

"After the company, I will call you again!" Amy Xia said. Hearing this, Sam Xia was taken aback, and naturally knew Amy Xia's suggestion.

"Are you with Sebastian Mu?"

"Well, yes!" Amy Xia nodded.

Sam Xia was silent for a few seconds, and then said, "Okay, I see, wait for your call!"

"Yeah!" Amy Xia nodded, and hung up quickly.

After hanging up the phone, Amy Xia also quietly breathed a sigh of relief, seeing Sebastian Mu not responding.

"Sam Xia?" Sebastian Mu suddenly raised his eyebrows.

"...Hmm!" Amy Xia nodded.

In the brief conversation, Sebastian Mu must have heard nothing.

"His news is very clear when it arrives!" Although he didn't hear anything, Sebastian Mu could hear their conversation clearly. Huan Xiaoxi... The call is affectionate enough, thinking of this, the corner of Sebastian Mu's mouth could not help but evoke a sneer.

"How long have you been dating?" Sebastian Mu asked suddenly.

Amy Xia was taken aback, but she didn't expect that she would ask this.

"Mr. Mu, this is my privacy, you can refuse to answer it!?" Amy Xia said, not wanting to say so much to Sebastian Mu. Privacy... Heh...

Sebastian Mu's whole body exudes a fierce aura.

Amy Xia suddenly felt that the temperature in the car had dropped several degrees.

As expected, Sebastian Mu didn't ask anything more, the temperature inside the car not only dropped, but the speed also increased! Going forward like a drag racing...

Amy Xia's hand quietly held one side, watching Sebastian Mu's gloomy face, and finally thought about it and said, "Mr. Mu, this is not a high speed, there is no need to drive so fast. !?"

"This is my business!" Sebastian Mu said.

Amy Xia, "...” Looking at Sebastian Mu’s gloomy face, well, Amy Xia won’t ask more. Hand grasped one side tightly, no longer asking. So, soon, the car rushed to the company, and as soon as it reached the destination, Amy Xia quickly got off the car.

“Mr. Mu, I will go back to work first!” Amy Xia said.

Sebastian Mu was sitting in the car, looking at Amy Xia’s back, his brows furrowed deeply... The fact that Amy Xia took the championship had already been passed to the company.

As soon as Amy Xia entered, all the colleagues in the design department gathered to congratulate. Some colleagues even bought ribbons exaggeratedly.

As soon as she entered the door, she was surprised.

“Amy, congratulations on winning the championship!” Coco first stepped up and said.

Looking at them, “You all know?”

“Of course, first-hand news!” Coco said.

Listening to Coco’s words, Amy Xia smiled. She hasn’t been in the company long, but she still gets along well with how many employees.

At least, there is no arrogance, but it also gives people an imposing momentum, no one dares to bully.

“Amy Xia, I didn’t expect that you won the championship for our company not long after the company.

It’s really good!”

“It’s just good luck!” Amy Xia said modestly. Humility is always the best way to bring people closer together.

“Don’t be humble. The championship you won is also a glorification for our company. President Mu will definitely hold a cocktail party to celebrate. Then you will be the highlight of the audience!” said ridiculously.

Chapter 85

“Ah? Will there be a reception?” Amy Xia asked back.

“Yes, it has been established for two years, every year!” Coco said that it has become a system. Hearing this, Amy Xia was surprised, then smiled, saying nothing. Everyone is gossiping over there too. This is, Sebastian Mu walked in, and as soon as he entered he saw Amy Xia being surrounded. When they saw Sebastian Mu, everyone said hello, “Mr. Mu!”

“Yeah!” Sebastian Mu nodded without saying anything.

At this time, Coco said, “Mr. Mu, Amy won the championship, is there any reward!?” Speaking of this, Sebastian Mu paused for a while, and then said, “Tomorrow night reception, everyone in dress!” After speaking, Sebastian Mu turned and left. Everyone was taken aback. The question was about the reward for Amy Xia, but Mr. Mu said...

At this time, Amy Xia said, “Together with the grand event!” One sentence made everyone laugh.

After playing around for a while, everyone was gone.

At this time, Amy Xia also returned to her position, thinking about what happened today, it was really a bit unexpected. However, Amy Xia is in a very good mood to win the cutting-edge competition championship.

At least, she’s an ideal, it’s done! Wanting to start work, Amy Xia remembered that she wanted to call Sam Xia back, so she immediately dialed Sam Xia’s number.

“Hey, brother!” Amy Xia called out.

“At the company?” Sam Xia asked.

“Well, here it is!” Amy Xia nodded.

“Congratulations, you won the cutting-edge competition championship!” Sam Xia sent his heartfelt blessing.

“Thank you, brother, I was also quite surprised!” Amy Xia said.

“My eldest brother knows your strength, how about it, do you want to come out to celebrate at night!”

“Okay!” Amy Xia nodded.

“Well, it’s still the same place, do you want me to pick you up!?”

“No, I will go by myself!” Amy Xia said.

“Yeah, good!”

“By the way, call Jenny.

Last time I was happy with you, this time I’ll treat you!” Amy Xia said with a smile.

Sam Xia was taken aback, then nodded, “Okay, I see!”

“Well, then hang up like this!”

“Well!” So, the phone was hung up, and Amy Xia sat there in a very good mood. Until the end of get off work, Amy Xia left directly.

After contacting the place, Amy Xia passed directly. When she arrived, Jenny and Sam Xia had already arrived.

“Nelson Xia, here!” Jenny beckoned and shouted over there. When I saw them, Amy Xia walked over, “Big Brother, Jenny, sorry, there is a traffic jam on the road, I am late!”

“It doesn’t matter if you are late, pay the bill!” Jenny said with a smile.

“No problem!” Amy Xia said happily, “Girl, I am happy this year, I invite you!”

“Oh, the winners are different!” Jenny said with a smile.

“Of course!” Amy Xia raised her forehead with a smile, and she was like a child only when she was with Jenny.

“Sample!” Jenny smiled, then immediately stretched out her hand, “Well, congratulations, my Xiaoxia is the best!” Seeing Jenny stretched out her hand, Amy Xia also stretched out her hand and hugged it.

Sam Xia sat opposite, looked at them and smiled. This is, when the trouble is over, Amy Xia looked at Sam Xia, “Brother, did you order something?”

“Hey, your elder brother really hurts you, and he knows exactly what you like to eat, so I’ll help you order it early!” Jenny said.
