

My Sassy President Novel

Chapter 86 – 90

Chapter 86

During the words, Amy Xia still heard a sour tone.

Amy Xia smiled, “Of course, he is my big brother!”

“Yes, your big brother!” Jenny said.

Amy Xia smiled and said nothing, then looked at Sam Xia, “Brother, do you have something to tell me?”

“Congratulations!”

“Nothing!?” Amy Xia asked. Having known Sam Xia for so many years, she can still feel this feeling. When Sam Xia was about to say something, the waiter walked up and looked at them, “Hello, your dinner!” So Amy Xia stepped back a bit and let the other person serve the meal.

After finishing, they withdrew.

Amy Xia looked at the food, “I’m really hungry!”

“Hurry up!” Sam Xia looked at her and said thoughtfully.

Amy Xia is not welcome, and eats quickly. There is also Jenny, two people eat very delicious, while eating, two people are talking.

At this time, Amy Xia raised her eyes and looked at Sam Xia, “Brother, you can eat too!”

“Yeah!”

“By the way, did you have something to say just now!?” Amy Xia asked.

After thinking about it, Sam Xia finally decided to speak, “Amy Xia, you have won the championship, do you want to resign and come back to the company to help your big brother!” Sam Xia asked. Speaking of this, Amy Xia was taken aback, thought for a moment, and said, “Brother, I have no experience in business management, that is not my major!” Amy Xia said.

“It doesn’t matter, you just have to come back and help Big Brother!” Sam Xia said.

“Brother, can you give me some more time?” Amy Xia asked, she really didn’t want to go back to her company.

If she went back now, it would be tantamount to announcing that she was the identity of Amy Xia.

“But you have been in Chow, Sebastian Mu will find you sooner or later!” Sam Xia said.

“I know that if my eldest brother is afraid that Sebastian Mu will find me, I can go to another company, but I really don’t want to go back!” Amy Xia said.

Sam Xia frowned and looked at Amy Xia. This was the first time he asked Amy Xia what to do.

Looking at them, Jenny was eating, thinking for a while, and then said, “Actually, Amy Xiaa thought about resigning before, because I went to work in Chow again!” After hearing Jenny’s words, Sam Xia’s eyes Look at Jenny. So Jenny told Sam Xia what happened.

After hearing this, Sam Xia frowned, “Why didn’t you find me for this matter?”

“I didn’t expect it at the time!” Jenny said. Hearing this, Sam Xia frowned.

“Brother, even if you can help, I won’t tell you!” Amy Xia said very rationally. Two years ago, she managed to settle the affairs of Xia Shi and Sebastian Mu’s company. How could Sam Xia have a holiday with Sebastian Mu because of this matter! “Amy Xia!”

“Brother, I have arrangements for my affairs.

It will be a matter of time before I go home, but I am relieved that the company has you!” Amy Xia said while watching Sam Xia. Seeing Amy Xia’s firmness, Sam Xia was not good at talking.

Amy Xia had her own ideas since she was a child, and she was very stubborn. Now, since she had said so, Sam Xia couldn’t say anything else, not wanting to make their relationship worse because of these things.

After thinking about it, Sam Xia nodded, “Well, you have said so, eldest brother believes in you and supports you!”

Chapter 87

Hearing Sam Xia’s words, Amy Xia smiled, “Thank you, brother, but don’t worry, I’ll be fine!”

“Yeah!” Sam Xia nodded and could only nod.

“Okay, okay, eat it!” At this time, Jenny greeted him, not wanting to talk about those topics. So the three of them ate and joked.

After dinner, Sam Xia sent them back, and Amy Xia said that there was something, and asked them to send her back first. But Amy Xia couldn't be stunned, and Sam Xia had to send Amy Xia away.

At the gate of the community, Amy Xia got out of the car and looked at them, “Brother, you must safely send Jenny back!”

“Yeah!” Sam Xia sat in the car and nodded.

In the evening, I drank some alcohol, but Jenny couldn't drink enough, and I got drunk after drinking a little.

“Well, be careful on the road, I'll go up first!” Amy Xia said.

“Amy Xia!” Suddenly, Sam Xia yelled, and immediately pushed the car door and walked down. Hearing the sound, Amy Xia turned her head and looked at Sam Xia.

At this moment, Sam Xia walked towards her.

“What's wrong, big brother?” Seeing Amy Xia looking at her gaze, Sam Xia frowned, “You...”

“Huh!?” After looking at Amy Xia for a long time, Sam Xia didn't know what to say, and finally only said it.

A few words, “Be careful of Ling Xiaoyun!” Upon hearing this, Amy Xia frowned, “What's the matter?”

“Listen to me, think about yourself!” Sam Xia asked. Seeing Sam Xia's serious appearance, Amy Xia didn't ask anything more, and nodded, “Well, I know!”

“Okay, go up!” Sam Xia said.

Amy Xia nodded, “Then I will go up first!”

“Yeah!”

“Take good care of Jenny!” After speaking, Amy Xia turned upstairs.

Sam Xia stood there, watching Amy Xia go upstairs, her eyes unable to return for a long time. Knowing that Amy Xia's figure disappeared in front of her eyes, only then did she retract her gaze and turned to the car.

At this moment, Jenny was sitting behind, already slightly drunk, Sam Xia glanced at her through the rearview mirror.

All night, Amy Xia was matching him with Jenny, how could he not feel it.

It's just... His heart has already been occupied...

A bitter little was raised at the corner of his mouth, and then he drove the car to send him away.

After Amy Xia went upstairs, she walked to the balcony and watched the car leave. She hooked the corner of her mouth... She knew that Jenny liked Sam Xia very much, and there was only so much she could do. Thinking of this, she turned to take a bath.

After taking a shower and just about to go to bed, her phone rang.

Amy Xia frowned when he saw Sebastian Mu's number. What did he call for so late? Even though she thought so, Amy Xia accepted it.

"Hey..." On the other side, Sebastian Mu was just about to hang up, because what came on the phone was, I'm sorry, the phone you dialed has been turned off... While hesitating, Amy Xia said, "Mr. Mu, it's so late. , What's the matter?" Amy Xia asked.

"What are you doing?" Sebastian Mu asked.

"Ready to sleep!"

"Are you at home?"

Chapter 88

"Otherwise!?" Amy Xia asked back. Hearing this, Sebastian Mu was stunned, "Oh, it's okay, I just let you know, tomorrow Alexia will come to the company tomorrow, you'd better be there early!"

"I know!" Yes, at the reception tomorrow night, remember to bring a dress!" Sebastian Mu asked.

"Oh!" Then take a rest early! "After speaking, Sebastian Mu hung up the phone.

Amy Xia looked at the phone and frowned. Why did she feel a little inexplicable. He didn't think so much, so he just put the phone on the table and lay down to sleep. This night is destined to be good. Sleep.

I woke up and it was already the next day. The sun was shining, and Amy Xia stretched out in front of the French window, and suddenly felt that today was in a good mood. There was an urge to dress up. So, turned around, Amy Xia looked for a look.

I think it's pretty good clothes, a goose yellow dress, a pair of yellow three-inch high heels, and the slightly curly long hair makes it more curled, very wavy.

I put on a light and delicate makeup, pale pink lips Looking at herself in the mirror, Amy Xia was very satisfied.

I simply made breakfast and went to the company after eating.

I don't know if she is in a good mood, or if the weather is good today, everyone is in a good mood.

Amy Xia goes in Afterwards, my colleagues met with a smile and greeted them with a smile.

Amy Xia suddenly felt that I really liked this kind of life. From 9 to 5, I was busy, only smelling the flowers, not talking about the joys and sorrows. When I went upstairs, it was only five minutes before I arrived.

At work time, after Amy Xia clocked in, she began to devote herself to work.

"Oh, Amy, today looks a little different!" Cocoa smiled after seeing Amy Xia.

Amy Xia raised her eyebrows, "Where is it different?"

"It's very beautiful, I've been dressed up!" Said ridiculously.

Amy Xia also smiled, "Naturally beautiful, no way!" Seeing Amy Xia's self-confidence, Ke Ke also smiled.

At this moment, the elevator door opened and heard the heavy footsteps. They also knew what to do.

Sebastian Mu came. He followed him and his assistant, constantly The return of the incident, and as soon as Sebastian Mu walked in, he saw Amy Xia on the table.

I have to say that she is wearing very beautiful today. Usually she is in cropped trousers, or a small white suit, all of which are light-colored Today, I wore a yellow dress and looked very beautiful.

As if feeling Sebastian Mu's gaze, Amy Xia also raised her eyes, and the two looked at each other. The next second, Sebastian Mu turned his eyes away and continued to face Go inside.

Amy Xia also turned his eyes away and started to work. Today, I am in a good mood, but also unexpectedly busy.

It was almost ten in the morning when Ms.

Alexia and his assistant came. Seeing her coming, Amy Xia must throw away all the work in her hands to arrange.

In the VIP room, Alexia looked at Sebastian Mu, “Mr. Mu, what you said last time, is it true?”

“Of course!” Sebastian Mu nodded and said.

“I don’t want to change Miss Xia’s original intention.

It is still named after her.

I only have one request!” Alexia said.

Amy Xia stood there and glanced at Sebastian Mu, “If you have anything, just say it!”

“I don’t want to change anything in this work, but I want to buy this work, and I won’t be allowed to sell it again in the future. This!” Alexia said.

Chapter 89

“Of course, the designer of this work is Amy Xia!” Hearing this, Sebastian Mu smiled, “Okay, no problem!” At this moment, Alexia looked at Amy Xia, “What do you mean by Miss Xia?” If Ms.

Alexia likes it, I want to give it to you, not sell it to you!” After Amy Xia’s words were finished, everyone was surprised.

Ms.

Alexia was also taken aback, looking at Amy Xia, she couldn’t believe it. You must know that the money Alexia paid was not a small sum.

“Are you sure?”

“Of course!” Amy Xia nodded, “Although my design inspiration comes from the old man, but you are the impulse that made me have this design concept!” Hearing this, Alexia frowned suddenly.

“I know that this old man has a similar experience to you, and your son is also a very good jewelry designer.

I know that he once wanted to design a piece for you, but on the same day, The car accident caused your regrets.

Although I don’t know what your son wanted to design for you, at the time, I believed that your son must love you very much and miss you, so I designed this I miss you!” After Amy Xia’s words were finished, the VIP room was quiet.

Alexia has a good son, and very good, Amy Xia said nothing bad. But after so long, no one dared to talk about this before Alexia, Amy Xia was the first person.

At that moment, the entire VIP room was quiet. Even the assistant was a little frightened.

“How do you know these things?” Alexia asked, looking at Amy Xia.

“This is a sensational news, it is not difficult to know this!” Amy Xia said truthfully.

Alexia looked at Amy Xia.

After a long time, she said, “Thank you!” With a word, everyone in the room was relieved.

“LEO is indeed a very filial child, and also a very good designer!” Alexia said, in words, I miss LEO.

“I believe LEO must also hope that you can relax sometimes, he loves you!” Amy Xia said. Speaking of this, Alexia turned her head and smiled when she saw Amy Xia.

In fact, Alexia is a very beautiful woman, but because of the death of her son, she has always been squeezed and stern. Now she smiles like this, really beautiful.

“Thank you!” Alexia said sincerely.

Amy Xia also smiled.

Sebastian Mu stood aside, “Since Miss Xia said so, then this is for you!” Alexia looked at Sebastian Mu, “Mr. Mu, about the last cooperation, find time to talk to me.

My assistant said, let’s sign a contract!” Hearing this, Sebastian Mu raised his eyebrows and said immediately, “Okay, no problem!” “But, I want to ask Amy Xia to be the designer for this time!” Alexia said . Upon hearing this, Amy Xia and Sebastian Mu were both taken aback.

Sebastian Mu looked at Amy Xia, and agreed, “Okay, no problem!” Amy Xia didn’t know what case they were talking about, but Alexia said it all.

If she refused, it would be a bit too hypocritical. But if she didn’t refuse, she couldn’t leave Yun Rui again. When she was hesitating, Sebastian Mu had already agreed.

Chapter 90

“Okay, make an appointment next day, and we will sign the contract!”

“OK!”

“In that case, we will leave first!” Sebastian Mu nodded, so he picked up Amy Xia’s design draft and gave it to Alexia .

Alexia nodded and left.

After they went out, Amy Xia looked back at Sebastian Mu.

Amy Xia breathed a sigh of relief.

Actually, when she said those words, she was not nervous.

After all, it was painful, but Amy Xia took such a gamble. Fortunately, she won! He was relieved.

“What? Nervous?” Sebastian Mu asked, looking at Amy Xia’s appearance.

“Explain the pain, aren’t you nervous?” Amy Xia asked back. Speaking of this, Sebastian Mu squinted, “Miss Xia, don’t you want a fair game? Why did you find Alexia’s information?” Seeing Sebastian Mu approaching, Amy Xia stepped back, “I’m just Baidu It’s just a moment. The design concept is still my own thinking, and the design drawings are also my own.

Isn’t that fair?” Besides, even if others know about Alexia’s son, they don’t necessarily think about it. .

Listening to Amy Xia’s words, Sebastian Mu smiled.

“Myth!”

“This is a fact!” Taking the opportunity, Amy Xia pushed Sebastian Mu away. This man always likes to lean in when things are all right! Sebastian Mu nodded, “If you pay a million to buy your work, you have to use it as a gift, Miss Xia, you are so generous!” Amy Xia smiled, “One million, I’m really afraid that she will buy all my works. , I might as well give it to her generously. What’s more, I don’t plan to sell this work anymore.

Moreover, one is far more valuable than works everywhere.

In the future, it will be more valuable!” Amy Xia looked at Sebastian Mu Say it word by word. Not to mention anything else, it’s just that, two people thought of going together.

Sebastian Mu thought the same way.

As long as he retains Amy Xia’s design rights, in the future, this thing will be much more valuable than the jewellery everywhere. What’s more, Alexia is an aristocrat from abroad, and will definitely bring the value of this jewelry to the fullest, so this is also Sebastian Mu’s goal. Unexpectedly, at this point, both of them wanted to go together.

“Furthermore, won’t you earn a contract back?” Amy Xia asked rhetorically.

Although she didn’t know what they said about the cooperation, but half of the credit was given to her! Listening to Amy Xia’s words, Sebastian Mu twitched the corner of his mouth and glanced at her, “Sometimes women are better not to be too shrewd!”

“Not pleasing!” Sebastian Mu added. Hearing this, Amy Xia also smiled and said, “Mr. Mu doesn’t like me anyway, and I don’t have to please you!” Sebastian Mu glanced at her.

At this time, Amy Xia smiled, “Mr. Mu, if there is nothing wrong, I will go out first!”

“Wait!” As soon as Amy Xia walked to the door, Sebastian Mu suddenly said.

“Is there anything else?” Amy Xia asked back.

“Are you going to wear this to the cocktail party at night?” Sebastian Mu asked, staring heavily on her.

Although it is very beautiful, wouldn’t it be too ordinary to wear it like this for a cocktail party? Hearing Sebastian Mu’s words, Amy Xia also looked at her clothes, “Can’t you?”

“At night, you know if you can!” Sebastian Mu said, not saying so much, leaving her infinite reverie.

Amy Xia frowned because she didn’t know how formal Sebastian Mu’s cocktail party was.
