

Chapter 1631 A Trap For Esteban

Trevor did not stay at Ploy Apartment Complex. Instead, he went back to find Patrice at Hammurabi Hotel.

"Based on the information I was able to gather in the reference room of Mobius' headquarters, I can confirm that the code name of their warden is Vulture. And I discovered that he might appear in Ploy Apartment Complex."

Trevor informed Patrice of his findings, skipping the part about the sex videos to avoid embarrassment.

"I want you to move to Ploy Apartment Complex with me. Maybe one day we will meet Vulture in person."

Patrice wanted to ask more questions, but she hesitated for a while. Finally, she nodded and agreed. "Okay. If we stay here, we'll keep worrying every day about Mobius' people coming to our door."

Trevor nodded and waved his hand. "Well, pack your belongings first. If you have time, you can go and buy some daily necessities."

After thinking for a while, Trevor decided to give Esteban his new address.

After all, his plan was to train Esteban to be a member of Klein rather than allowing him to become a thug of Mobius.

Having made up his mind, Trevor dialed Esteban's phone number and made a call to tell Esteban his new address.

Esteban's cheerful laughter came from the other end of the phone.

"Wow, congratulations. I've passed the evaluation and become a member of Mobius. I would like to invite you to dinner to express my gratitude. Thank you for your help in the training camp."

Trevor was stunned. He didn't expect that Esteban would join Mobius so quickly.

It seemed that the Wolf faction was really short of men and was in a rush to recruit. Esteban had just finished his training and now he already joined Mobius.

Trevor judged that Esteban was probably still in an "assessment" phase for now.

Esteban was a little nervous since Trevor didn't say anything for a while, so he quickly added, "I just graduated from the training camp and there are still many things I don't understand. For example, I don't know how to handle matters within Mobius. I hope you can guide me."

Trevor laughed lightly and replied, "Okay, you choose a place. I happen to be free tonight."

The two men went on to set the time and place for their appointment.

As dinner time approached, Trevor headed out of the hotel.

However, as he neared the entrance to an alley, he heard a commotion.

A woman's shrill voice came from the alley

"Leave me alone! What do you want from me? I don't want

to go with you! Let go of me!"

At the same time, obscene laughter from several men rang out.

Just by listening to the noise, Trevor could picture the scene in his mind. He could imagine several men surrounded a helpless woman in the dirty alley and were harassing her.

Trevor was about to go over when he saw Esteban's back.

Esteban rushed into the alley like a gust of wind. Next, Trevor heard Esteban cursing in a loud voice.

"Luther Loftus! Let go of her! Shame on you! How dare you kidnap her?"

Trevor was a little stunned. He squinted and watched rubbed his chin thoughtfully.

It seemed that Esteban knew those men and perhaps they had had some conflicts in the past.

But was this really a coincidence that Esteban ran into an old acquaintance of him tonight?

Esteban and Trevor had an appointment for dinner tonight, and Esteban happened to encounter a woman being harassed on the way. Moreover, the aggressors happened to be Esteban's acquaintances.

There were too many coincidences!

Trevor held his breath and quietly walked to the entrance of the alley. He didn't show up and just stood in the shadows.

He stood there still, coldly observing the scene.

He guessed this was actually a trap set up against Esteban.

Although Trevor knew it was a trap, he didn't help Esteban immediately.

Staring at Esteban's back, Trevor sighed silently.

Esteban was still too naive. He had to go through this so that he could grow.
