

Chapter 1815 All Were Arrested

Cheetah's eyes sparkled with newfound hope.

As he recalled that Trevor had killed Tucker in the police station, he curiously asked, "How are you going to do it?"

Trevor smiled mischievously and explained, "I was able to enter the police station and kill Tucker because I knew the mayor of Zayden. This time, I can arrange for you to be imprisoned in the same prison as White Monkey. You can find an opportunity to kill him. Then, when the mission is completed, I'll ask the mayor to release you."

Not realizing it was a trap, both Cheetah's and Bear's faces lit up with excitement, and they exclaimed, "Awesome! Please arrange it! When we accomplish the task in Zayden, you must remember our contribution!"

Trevor could not believe how gullible the two were. He let out a chuckle and assured them, "Don't worry. I'll report your contribution to our leader."

With that, he hung up the call.

Cheetah and Bear were thrilled.

Little did they know what kind of fate awaited them.

With a chuckle, Trevor dialed Jasmine's number and informed her, "Jasmine, good news! Two more members of Mobius are willing to get themselves imprisoned. Send police cars to pick them up as soon as possible."

Jasmine was in utter shock.

She never expected such good news from Trevor. As a result, it took a while before she came to herself.

"Sure! No problem. I'll have the police pick them up right away. Trevor, you're amazing!"

Meanwhile, Cheetah and Bear waited leisurely for the police car.

Upon seeing it approach them, they waved their hands enthusiastically at it.

This was the first time they would ride in a police car, so they were curious as to how it felt.

Of course, they did not forget to reassure Trevor.

"Don't worry. We'll complete the task!"

Trevor smiled but said nothing. He just raised his hand and waved goodbye.

Unbeknownst to them, they would never see each other again.

At this point, all the members of Mobius in Zayden were arrested.

Trevor was finally able to breathe a sigh of relief.

He dialed Luisa's number. However, much to his surprise, he could not get through.

It appeared that he had no choice but to contact Zoie, the secretary of Newmere Cosmetics.

"Zoie, where's the president, Luisa?"

Did she go to Zayden?" Trevor anxiously asked.

When Zoie heard that the caller was asking about Luisa, she frowned and warily asked, "Who are you? Why are you asking about Miss Burke? Sorry to tell you, but she has passed away."

Trevor's heart skipped a beat. But then, he quickly realized that Luisa had faked her death for her safety.

"Zoie, it's me, Dragon. I was the one who arranged Miss Burke's fake death."

There was a pause, followed by Zoie's awkward cough.

"I'm sorry, Dragon. I didn't recognize you just now. Miss Burke is on the plane to Zayden. She's expected to arrive there tomorrow morning."

Shocked, Trevor hung up the call at once. Without wasting another second, he sent Luisa a warning message about Lenard's ploy.

Trevor clutched his phone tightly, praying that she would see his

message when she landed.

The next morning, he drove the car Cheetah had left to pick Luisa up at the airport. He was determined to keep her away from Ruben and his son.

Cheetah had bought an ordinary car in order to keep a low profile.

As he pulled into the airport, Trevor spotted Lenard near the parking lot, holding a bouquet of glasses and fixing his hair.
